***Urgent Care is Defined:** Same day treatment for illness and minor injuries including after-hours care or when unable to access your Primary Care Provider. **All follow-up care must be with your Primary Care Provider**, otherwise Plan authorization is required.

****Urgent Care Copayment:** Some urgent care facilities require payment for care rendered at the time of care and will not bill your insurance carrier. If you pay for the service, submit a copy of your receipt to the Plan and the Plan will reimburse you, minus your copayment.

Urgent Care Facilities
