

The Plan With A Heart

Employee Open Enrollment
November 1- 23, 2025

County Employees Serving County Employees

The Ventura County Health Care Plan (VCHCP) is proud to offer quality and service-oriented health coverage tailored specifically for County of Ventura employees.

Why Choose VCHCP?

A Network That Works for You

Gain access to a wide network of trusted physicians, both inside and outside the Ventura County Medical Center (VCMC) system. **VCHCP is the only plan that provides access to VCMC primary care providers.**

Doctors Who Advocate for You

Our providers go beyond basic care to make informed, compassionate decisions, and provide you with support for basic-to-complex health needs.

Plan Benefits

VCHCP connects you to high-quality care, delivered by a dedicated team that truly understands the unique needs of County of Ventura employees and their families.

Including:

- Comprehensive Provider Network
- 24/7 Nurse Advice Line
- Case and Disease Management
- Mental Health Support
- Affordable Prescriptions

Top-Tier Customer Service

We're committed to putting you first. Expect fast, reliable support —with an easy-to-access member portal and responses within 24 hours.

Our Promise:

- Personalized care
- Not-for-profit service
- Always "The Plan with a Heart"
