(c) Any individual or organization that fails to file the required report with the Clerk within the timeframe set forth in subsection (a) or provides materially false information in a report filed pursuant to subdivisions (a) or (b) may be fined up to three times the amount of the independent expenditure.

(d) Upon receiving a report that an independent expenditure has been made or obligated to be made, the Clerk shall inform within twenty-four (24) hours all other candidates in the race.

(e) If a single independent expenditure committee spends in support or opposition to a candidate more than twenty five percent (25%) of the amount of the voluntary expenditure limit pertaining to the candidate, the committee must report that fact to the Clerk within twenty-four (24) hours.

(f) If expenditures in the aggregate by any committee or committees not controlled by the candidate spent in support or opposition to a candidate is more than twenty five percent (25%) of the voluntary expenditure limit in that race, the Clerk shall inform within twenty-four (24) hours the non-benefiting participating candidate(s) that they are no longer bound by the voluntary expenditure limits.

(g) A controlled committee of a county candidate may not make independent expenditures and may not contribute funds to another committee for the purpose of making independent expenditures to support or oppose other county candidates.

Section 1276. Multiple Campaign Committees and Bank Accounts Prohibited

A county candidate or elective county officer shall have no more than one (1) controlled campaign committee for election to county office. Such a committee shall have only one (1) bank account out of which all qualified campaign expenses shall be made. This section does not prevent a county candidate or elective county officer from establishing another committee solely for the purpose of running for a state, federal, city, special district or other office, or solely formed to support or oppose a ballot measure.

Section 1277. Legal Defense Account

(a) A candidate for elective county office or an elected county officer may establish a separate account to defray attorney's fees and other related legal costs incurred for the candidate's or officer's legal defense if the candidate or officer is subject to one or more civil or criminal proceedings or administrative proceedings arising

directly out of the conduct of an election campaign, the electoral process, or the performance of the officer's governmental activities and duties. These funds may be used only to defray those attorney's fees and other related legal costs.

(b) A candidate for an elective county office or an elected county officer may receive contributions of up to three hundred dollars ($300) per person per calendar year in the aggregate for accounts in subdivision (a). All contributions shall be reported in a manner prescribed by the Clerk. Contributions to such funds shall not be considered campaign contributions.

(c) In regards to the legal defense accounts, once the legal dispute is resolved, the candidate shall dispose of any funds remaining after all expenses associated with the disputes are discharged, for one or more the of purposes set forth in paragraphs (1) to (5), inclusive, of subdivision (b) of Government Code Section 89519.

Section 1278. Electronic Filing of Campaign Statements

(a) Any county candidate and the candidate's controlled committee that raises or spends at least ten thousand dollars ($10,000), or any independent expenditure committee that raises or spends at least ten thousand dollars ($10,000) in any county election in support of or opposition to a county candidate, shall file all campaign statements in a format that is approved by the Clerk for electronic filing.

(b) The Clerk shall cause to be placed on the County's web site a copy of each campaign statement required by subdivision (a) to be filed in a format approved for electronic filing within one working day of the statement's filing with the Clerk.

Section 1279. When Contributions May Be Collected

Neither a county candidate, elected county officials, nor any committee controlled by the candidate may receive any contributions more than one year before and 90 days after an election on which the candidate is on the ballot.

Section 1280. Deposit of Contributions

A county candidate, elective county officer, or the controlled committee of such a candidate or elective county officer, shall not deposit and shall return within 20 days of receipt any contribution of twenty five dollars ($25) or more for the which the candidate, elective county officer, or controlled committee does not have on file in the records of the candidate, elective county officer or controlled committee the name, address, occupation, and employer of the contributor.

Section 1281. Return of Contributions

(a) A county candidate may return all or part of any contribution to the donor who made the contribution at any time, whether or not other contributions are returned.

Such contributions, if deposited, shall be reported and the return of the contribution shall be reported.

(b) A county candidate, elective county officer, or committee may return a contribution pursuant to subdivision (a) after the date that the candidate, elective county officer, or committee has reported the contribution.

Section 1282. Contributions Funneled Through Intermediary

All contributions by a person made to a county candidate, including contributions which are in any way earmarked or otherwise directed to the candidate through an intermediary or conduit, are contributions from the person to the candidate. A person may not make any contribution to any person on the condition or with the agreement that it will be contributed to any particular candidate unless the contribution is fully disclosed pursuant to Government Code Section 84302. Such a contribution shall be subject to all the provisions of this ordinance.

Section 1283. Laundered Contributions

Any county candidate or committee that intentionally or negligently makes or receives a contribution in violation of Government Code Section 84301 shall pay to the General Fund of the County up to three times the amount of the contribution. Payment to the County for violation of this provision shall be made as long as the person responsible or the committee controlled by such person has any funds sufficient to pay the fine.

Section 1284. Bundling of Contributions

Contributions made directly or indirectly to a particular county candidate through an intermediary or conduit shall be treated as contributions from both the contributor and the intermediary or conduit to the candidate for the purposes of this limitation. This limitation does not apply to an intermediary or conduit who is one of the following:

(a) The candidate's campaign treasurer, provided the candidate has only one officially recorded treasurer.

(b) A volunteer, presenting contributions raised by hosting a single fundraising event per election cycle outside the volunteer's place of business wherein guests are invited to a specified place at a specified time.

Provided, however, that a volunteer as set forth in (b), above, does not include the following:

(1) An officer, employee or agent of another political action committee acting on behalf of the committee;

(2) A person registered as a lobbyist with the government agency for which the candidate is running or is an officeholder;

(3) An officer, employee or agent of a corporation or labor union acting on behalf of the corporation or labor union.

Section 1285. Disclosure of Contributions

(a) On the same dates and in the same manner as required by the Political Reform Act, Article 2 of Chapter 4 of Title 9 of the Government Code (Section 84200 et seq.), County Candidates or the controlled committees of such candidates shall disclose each contribution that individually or cumulatively totals $50 or more per contributor.

(b) Contributions to a committee from each contributor shall be totaled over the election cycle and reported in a manner prescribed by the Clerk. The term "election cycle" as used in this section shall mean the applicable period described in Section 1272.

(c) Contributions of goods and services shall be reported at the fair market value of the contribution and covered by the contribution limits of this ordinance.

(d) Contributions received between the final filing period prior to an election and the election, in excess of two hundred fifty dollars ($250), must be reported to the Clerk within twenty four (24) hours of receipt of the contribution but shall not be deposited until the committee has the name, address, occupation and employer of the contributor.

Section 1286. Cash Contributions

Notwithstanding Government Code Section 84300, all contributions of twenty five dollars ($25) or more, other than in-kind contributions, made to any county candidate, or the controlled committee of such a candidate, shall be made in the form of a written instrument containing the name of the donor and the name of the payee.

Section 1287. Anonymous Contributions

Notwithstanding Government Code Section 84304, the total amount of anonymous contributions that may be accepted by any county candidate, or the controlled committee of such a candidate or elective county officer, shall not exceed a total of five hundred dollars ($500) over the election cycle.

Section 1288. Aggregation of Contributions

(a) All contributions made by a sponsored committee to a county candidate or to a committee controlled by such a candidate or elective county officer shall be combined with those contributions made by the sponsor or sponsors of the committee.

(b) For purposes of the contribution limits contained in this ordinance, two or more entities shall be treated as one person when any of the following circumstances apply:

(1) The entities share the majority of their boards of directors;

(2) The entities share two or more officers;

(3) The entities are owned or controlled by the same majority shareholder or shareholders;

(4) The entities are in a parent-subsidiary relationship;

(5) Any individual and any partnership in which the individual is a general partner or an individual and any corporation in which the individual owns a controlling interest [fifty percent (50%) or more], or an individual and any entity in which the individual has the authority to direct and control the contribution decisions of the entity;

(6) Any contributions made by a committee in support of or in opposition to a county candidate shall be aggregated with the contributions made by any other committee in support of or in opposition to the same county candidate if a majority of the officers of such committees are the same individuals.

(c) Candidates and candidate controlled committees shall provide, upon request by the Clerk, information sufficient to allow the Clerk to determine whether any of the circumstances set forth in subsections (b)(1) – (6) exist.

Section 1289. Campaign Advertisements

All broadcast and print advertisements placed by county candidates or their controlled committees shall include a clear written or spoken statement indicating that the candidate has approved of the contents of the advertisement.

Section 1290. Payment and Disclosure of Payment for Goods and Services

(a) An expenditure is made on the date the payment is made, the date the county candidate or committee receives the goods or services, or the date the county candidate or committee commits to pay for the goods or services, whichever is earlier.

(b) No person who supplies goods or services to a county candidate or committee for use in connection with the campaign of such a candidate or supporting or opposing a county candidate shall refuse to divulge or disclose to the Commission his

or her records of any expenditures made by the county candidate or committee for such goods or services.

Section 1291. Application of Ordinance to Other Elections

(a) In the event a county candidate also runs for election for a state, federal, city, special district or other non-county office, the provisions of this ordinance do not apply to the county candidate's campaign for such other office nor to any committee established solely for the purpose of running for such state, federal, city, special district, or other non-county office, or committee controlled by the candidate and formed solely to support or oppose ballot measures.

(b) The contribution and expenditure limits of this ordinance shall not apply to recall elections but all other provisions shall apply to recall elections.

Section 1292. Prohibition on Transfers

(a) No committee controlled by a county candidate shall make any contributions to any other committee supporting or opposing any other county candidate or elective county officer.

(b) No contributions shall be accepted by any county candidate, or by any committee controlled by such county candidate, from any other committee controlled by a federal, state, or local candidate or officeholder that exceed the contribution limits of this ordinance.

(c) The provisions of this section do not apply to a county candidate's contributions of personal funds to any campaign but the contribution limits of this ordinance shall apply.

Section 1293. Access to Records

Each county candidate and committee shall deliver, on demand, to the Commission and any public officer having authority to enforce this division a written authorization permitting the officer to have access to all records pertaining to the campaign contribution checking account.

Section 1294. Penalties

(a) Any person who knowingly or willfully violates any provision of this ordinance is guilty of a misdemeanor.

(b) Any person who intentionally or negligently violates any provision of this ordinance shall be liable in an administrative hearing brought by the Commission, or a civil action brought by a person residing in the jurisdiction for an amount not more than

three times the amount or value not properly reported or improperly received, contributed or expended.

(c) No civil action alleging a violation of this ordinance may be filed against a person if the District Attorney has filed a criminal action or the Commission has filed an administrative action for the same violation.

(d) Before filing civil action, any person, other than the Commission, County Counsel or the District Attorney, must comply with the provisions of Government Code section 91007 except any reference to 120 days shall be 60 days. For the purposes of this section, the Commission shall be the civil prosecutor.

Section 1295. Ventura County Campaign Finance Ethics Commission

(a) This ordinance shall create the Ventura County Campaign Finance Ethics Commission ("Commission").

(b) The Commission shall consider formal complaints of violations of the Ventura County Campaign Finance Reform Ordinance, submitted by a Ventura County resident in writing and signed by the complainant under penalty of perjury. The Commission shall review notifications of apparent violations reported by the Clerk of the Commission. The Commission may consider potential violations of this ordinance without receiving a complaint.

(c) The Board of Supervisors shall appoint an individual to perform the duties ascribed to the Independent Selector by the ordinance. The Independent Selector shall serve a three (3) year term. When considering an individual to appoint as the Independent Selector the Board of Supervisors should first consider judges, current or retired, who are available and willing to perform these duties.

(d) The Commission shall consist of five (5) members. One appointment shall be made from each Supervisor's nominations. Each appointee to the Commission shall be a registered voter of Ventura County, shall not hold any other public office, serve as an officer of any political party or partisan organization, employ, or be employed as, a county lobbyist nor seek election to any other public office during the term of appointment. For the initial nomination cycle, each member of the Board of Supervisors shall nominate three (3) individuals as nominees to the Commission. The Independent Selector shall recommend one person from each of the three nominees submitted by each Supervisor for a total of five (5) recommendations. The Board of Supervisors, after due consideration of the recommendations by the Independent Selector shall appoint five (5) individuals, one from each of the three candidates nominated by each Supervisor, as appointees to the Commission.

(e) When selecting candidates for the Commission, consideration should be given to the ethnic diversity of Ventura County, the independence of the candidate and experience in any of the following areas: judicial experience, membership in good

standing with the California Bar Association, member or representative from a neutral political studies organization, educator of political science, law or philosophy, and community service that has demonstrated the candidate's integrity.

(f) The Board shall appoint the members of the Commission within 60 days of the effective date of this ordinance or by July 1, 2003, whichever is later.

(g) Each member shall serve for a term of five years. Commissioners may be removed for good cause by a majority vote of the Board of Supervisors. The first Commission appointees' terms of office shall be staggered in one-year increments, and determined by lot. When a vacancy arises, the Independent Selector shall recommend a replacement from a pool of three candidates nominated by the Supervisor whose appointee is to be replaced. After consideration of the candidate recommended by the Independent Selector, the Board of Supervisors shall appoint a replacement from a pool of three candidates nominated by the Supervisor whose appointee is to be replaced. Members who have served a full five-year term are not eligible for reappointment. Members who have served less than a full five-year term but not more than three years on the Commission are eligible for reappointment. Notwithstanding anything else in this section, those Commissioners appointed to the first Commission in 2003 are eligible for reappointment for one time regardless of length of service. Commission members who are eligible for reappointment may be nominated and reappointed by the Board of Supervisors without submission to the Independent Selector.

(h) The Chair of the Commission shall be a retired judge. The Independent Selector shall recommend from the appointees a candidate to serve as Chair of the Commission. If a retired judge is not available to serve as Chair, the Independent Selector shall recommend from the appointees the most qualified appointee with legal experience to serve as Chair. After due consideration of the candidate recommended by the Independent Selector the Board of Supervisors shall select from the appointed commissioners the individual most qualified to serve as Chair.

(i) The County Counsel shall provide the Commission such legal staff and services necessary to perform its duties and responsibilities. The Clerk of the Commission shall provide the Commission such clerical staff and services necessary to perform its duties and responsibilities.

(j) The Commission shall be subject to the Ralph M. Brown Act, Government Code Section 54950 et. seq.

(k) The Commission shall operate in as cost effective a manner as possible.

(l) The Commission may adopt, amend, and rescind rules and regulations to carry out the purposes and provisions of this ordinance.

(m) The Commission shall establish operating procedures and processes to: receive and consider formal complaints alleging violations of the Ventura County

Campaign Finance Reform Ordinance submitted in writing and signed by the complainant under penalty of perjury, establish procedures by which enforcement cases shall be presented to them, negotiate settlements of violations, and hold hearings to determine if a violation of this ordinance has occurred.

(n) The Commission shall engage the services of attorneys who are not county employees to perform initial reviews of complaints.

(o) The Ventura County Campaign Finance Ethics Commission shall have the power and authority to: issue subpoenas to compel the attendance and testimony of witnesses, administer oaths and affirmations, to take evidence and require by subpoena the production of any books, papers, records, documents or other items material to the performance of the Commission's duties or exercise of its powers. All costs related to the subpoena, including witness and mileage fees, shall be borne by the party requesting the subpoena. Failure to obey a subpoena constitutes contempt.

(p) A copy of all complaints received by the Commission will be forwarded to the District Attorney by the Clerk of the Commission within 24 hours. Within 14 days after receipt of a complaint under this section, the Commission shall notify in writing the person who made the complaint of the action, if any, the Commission has taken or plans to take on the complaint, together with the reasons for such action or nonaction. If no decision has been made within 14 days, the person who made the complaint shall be notified of the reasons for the delay and shall subsequently receive notification as provided above.

(q) When the Commission determines on the basis of a hearing that a violation of this ordinance has occurred, it may require the violator to do all or any of the following:

(1) Cease and desist violation of this ordinance;

(2) File any reports, statements, or other documents or information required by this ordinance;

(3) Pay a monetary penalty of up to five thousand dollars ($5,000) per violation to the General Fund of the County;

(4) Pay a fine up to three times the amount or value not properly reported or improperly received or expended.

(r) When the Commission determines that no violation has occurred, it shall publish a declaration so stating.

Section 1296. Duties of the County Clerk

The Clerk shall:

(a) Supply the necessary forms and manuals prescribed by the Commission.

(b) Determine whether required documents have been filed and, if so, whether they conform on their face with the requirements of this ordinance.

(c) Notify promptly all persons and known committees who have failed to file a report or statement in the form and at the time required by this ordinance.

(d) Report apparent violations of this ordinance to the appropriate agencies including the Commission.

(e) Compile and maintain a current list of all reports and statements filed with this office.

Section 1297. Severability

If any provision of this ordinance, or the application of any such provision to any person or circumstances, shall be held invalid, the remainder of this law to the extent it can be given effect, or the application of such provision to persons or circumstances other than those as to which it is held invalid, shall not be affected, and to this extent the provisions of this ordinance are severable.

Section 1298. Construction

This ordinance shall be liberally construed to accomplish its purposes.

PASSED AND ADOPTED this 8th day of May, 2007, by the following vote:

AYES: Supervisors Bennett, Long & Parks
NOES: Supervisor Foy
ABSENT: Supervisor Flynn

Linda Parks
Chair, Board of Supervisors

ATTEST: JOHN F. JOHNSTON
Clerk of the Board of Supervisors,
County of Ventura, State of California

By: Rene DeLaTorre
Deputy Clerk of the Board

ATTACHMENT "A"

Summary of Ordinance No. 4361
Ventura County Campaign Finance Reform Ordinance

The following represents a summary of amendments to the Ventura County Campaign Finance Reform Ordinance adopted by the Board of Supervisors on May 8, 2007.

Section 1 – Repeal of Existing Ventura County Campaign Finance Reform Ordinance: Change Ordinance number and repeal Ordinance No. 4350

Section 2 – Add new Section: Intent to Clarify Existing Law as it pertains to Section 1270 of Article 6, Chapter 2, Division 1 of the Ordinance

Section 3 – Renumber Section 2: Enactment of Ventura County Campaign Finance Reform Ordinance

Section 1267 (a) – Contribution Limitations for Non-Participating Candidates - Increase contribution limits from $300 to $350

Section 1268 (a) – Contribution Limitations for Participating Candidates - Correct typographical error and replace the word "comply" with "county" and increase contribution limits from $600 to $700

Section 1269 (a), (b), (c) & (d) – Contributions to Candidates and Committees that Contribute to Candidates - Increase contribution limits from $600 to $700

Section 1270 (a) & (b) – Contributions to Independent Expenditure Committees – Language changes to clarify the meaning and effect of existing law to confirm that the limitations established under Section 1270 are to be construed as a limit solely on contributions and not a limit on the amount of expenditures by Independent Expenditure Committees. Increase contribution limits from $600 to $700.

Section 1270 (c) – Contributions to Independent Expenditure Committees – Add new section (c) to require Independent Expenditure Committees to disclose contributions of $50 or more to align with State reporting requirement and requirements of candidates and candidates' committees

Section 1271 (a) & (c) – Disclosure of Spending by Non-Participating Candidates – Reduce from 75% to 25%, the point at which non-participating candidates' expenditures release participating candidates from voluntary expenditure limits

Section 1285 (a) – Disclosure of Contributions – Delete and replace with new language to revise contribution reporting requirements to align with State requirements

Section 1295 (g) – Ventura County Campaign Finance Ethics Commission – Delete and replace language to clarify action taken for vacancies on the Commission. Add sentence to permit reappointment of a Commission member by the Board of Supervisors without submission to the Independent Selector.

Section 1295 (n) – Ventura County Campaign Finance Ethics Commission – Add new (n) to require Commission to engage outside attorneys to perform initial reviews of complaints.

Section 1295 (o) through (r) – Ventura County Campaign Finance Ethics Commission – Re-letter remaining items to accommodate new section

PASSED AND ADOPTED this 8th day of May, 2007 by the following vote:

AYES: Supervisors Bennett, Long + Parks

NOES: Supervisors Foy

ABSENT: Supervisor Flynn

Linda Parks
CHAIR, Board of Supervisors

ATTEST: JOHN F. JOHNSTON
Clerk of the Board of Supervisors
County of Ventura, State of California

By: Helene De La Torre
Deputy Clerk of the Board

An issue of interpretation of the Ordinance has developed that could use some clarification from our board.

Section 1269 (c) states:

"If a committee discovers that it has accepted a contribution in excess of the fifty dollars ($50) that has caused a contributor's six hundred dollar ($600) limit to be exceeded, the committee shall return the contribution within 5 business days of the discovery."

When we wrote the Ordinance, we intended that this section would provide a 5-day grace period under which candidates could return inadvertently accepted excess contributions without being penalized. Such grace periods are common in other campaign finance ordinances. A campaign treasurer may not always instantly recognize a partnership or business relationship that may give rise to an excess contribution and should have a reasonable chance to return the contribution.

Recently, the Ethics Commission's hired investigator stated that because section 1269(c) doesn't explicitly say that no violation occurs if the contribution is returned within 5 days, that therefore even promptly returned contributions are a violation on the part of the committee. This interpretation is illogical, as it results in Section 1269 (c) having no meaning at all. Therefore, we offer this motion to clarify our Board's legislative intent in adopting this section:

The Board hereby declares as its legislative intent that contributions returned as per Section 1269 (c) are not violations of the Ordinance by the receiving candidate or committee.

OPERATING PROCEDURES

ARTICLE I – IDENTIFICATION

Section 1.01: Name

Ventura County Campaign Finance Ethics Commission ("Commission")

Section 1.02: Contact Information

Clerk of the Commission, 800 South Victoria Avenue, L1920 Ventura, CA 93009-1920
Telephone: (805) 654-2251
Fax: (805) 677-8711
E-Mail: Roberta.Rodriguez@Ventura.org

Section 1.03: Authority, Statutory Requirements, other Laws and Policies

The Commission shall comply with all applicable laws, including, but not limited to, the Ralph M. Brown Act (Government Code Section 54950, et seq.), and the Political Reform Act of 1974 (Government Code sections 81000, et seq.).

ARTICLE II - MISSION STATEMENT

To preserve public confidence in our county government through the prompt and fair enforcement of local governmental campaign finance ethics laws.

ARTICLE III - ETHICS COMMISSION

Section 3.01: Number, Appointing Authority and Qualifications

The Commission shall consist of five members. One appointment shall be made from each Supervisor's nominations. For the initial nomination cycle, each member of the Board of Supervisors shall nominate three individuals as nominees to the Commission. The Independent Selector shall recommend one person from each of the three nominees submitted by each Supervisor for a total of 5 recommendations. The Board of Supervisors shall appoint five individuals, one from each of the three candidates nominated by each Supervisor, as appointees to the Commission. When selecting candidates, consideration should be given to the ethnic diversity of Ventura County, the independence of the candidate and experience in such areas as judicial experience, membership in good standing with the California Bar Association, member or representative from a neutral political studies organization, educator of political science, law or philosophy and community service that has demonstrated the candidate's integrity. (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(d)(e))

Section 3.02: Term of Appointment

The members of the Commission shall serve five-year terms beginning on July 1 and ending on June 30 of the term-end year. The first Commission appointees' terms of office, which are effective July 1, 2003, shall be staggered in one-year increments, and determined by lot to classify their terms so that the term of one commissioner shall expire on each of the second, third, fourth and fifth anniversaries of such date, respectively; and on the expiration of these and successive terms of office, the appointments shall be made for five-year terms.

A member who has served a full five-year term is not eligible for reappointment. A member who has served less than a full five-year term but not more than three years on the Commission is eligible for reappointment. Commissioners appointed to the first commission in 2003 are eligible for reappointment for one time regardless of length of service. Commission members who are eligible for reappointment may be nominated and reappointed by the Board without submission to the Independent Selector. (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(g))

Section 3.03: Conditions of Appointment:

(a) Each appointee to the Commission shall be a registered voter of Ventura County.
(b) Appointees shall not hold any other public office.
(c) Appointees shall not serve as an officer of any political party or partisan organization.
(d) Appointees shall not employ, or be employed as, a county lobbyist.
(e) Appointees shall not seek election to any other public office during the term of appointment.
(Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(d))

Section 3.04: Vacancy and Removals

If a member is unable to complete his or her full term or when the appointee's term expires, unless the member is reappointed as set forth above, the Independent Selector shall recommend a replacement from a pool of three candidates nominated by the Supervisor whose appointee is to be replaced. After consideration of the candidate recommended by the Independent Selector, the Board of Supervisors shall appoint a replacement from a pool of three candidates nominated by the Supervisor whose appointee is to be replaced. Commissioners may be removed for good cause by a majority vote of the Board of Supervisors.
(Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(g))

Section 3.05: Compensation

Commissioners shall serve without any compensation.

Section 3.06: Function

The Commission shall consider formal complaints of violations of the Ventura County Campaign Finance Reform Ordinance, submitted by a Ventura County resident in writing using the prescribed Complaint Form and signed by the complainant under penalty of perjury. The Commission shall review notifications of apparent violations reported by the County Clerk or Clerk of the Commission. The Commission may consider potential violations of this ordinance without receiving a complaint. (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(b))

Section 3.07: Duties and Responsibilities

The Commission:

(a) Shall operate in as cost effective a manner as possible.
(b) May adopt, amend, and rescind rules and regulations to carry out the purposes and provisions of this ordinance.
(c) Shall establish operating procedures and processes to:
    (1) Receive and consider formal complaints alleging violations of the Ventura County Campaign Finance Reform Ordinance submitted in writing and signed by the complainant under penalty of perjury.
    (2) Review and investigate notifications of apparent violations reported by the County Clerk or the Clerk of the Commission.
    (3) Establish procedures by which enforcement cases shall be presented to them.
    (4) Negotiate settlements of violations.
    (5) Hold hearings to determine if a violation of this ordinance has occurred.
(d) Shall have the power and authority to:
    (1) Issue subpoenas to compel the attendance and testimony of witnesses.
    (2) Administer oaths and affirmations.
    (3) Take evidence and require by subpoena the production of any books, papers, records, documents or other items material to the performance of the Commission's duties or exercise of its powers.

(Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(k-o))

Section 3.08: Complaints

(a) The Commission shall receive and consider formal complaints alleging violations of the Ventura County Campaign Finance Reform Ordinance submitted in writing using the prescribed Complaint Form and signed by the complainant under penalty of perjury.
(b) Complaints shall be filed with the Clerk of the Commission.
(c) The Commission shall also review and investigate notifications of apparent violations reported by the County Clerk or the Clerk of the Commission. The Commission may also consider potential violations of this ordinance without receiving a complaint. (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295 (b)) When the County Clerk, the Clerk of the Commission or the Commission identifies a potential violation of the Ordinance, the Commission may direct the Clerk of the Commission to prepare and file a Complaint setting forth the allegations. Such Complaints prepared by the Clerk of the Commission need not be signed under penalty of perjury.
(d) A copy of all complaints received by the Commission, including those prepared by the Clerk of the Commission, will be forwarded to the Respondent and the District Attorney by the Clerk of the Commission within 24 hours, provided that the complaint is filed by 5 p.m. on a Thursday. Otherwise, the complaint will be forwarded to the District Attorney and the Respondent on the next regular business day.
(e) Each Complaint filed with the Commission shall be assigned to an attorney, who is not an employee of the County of Ventura, to review the Complaint, investigate the allegations and bring the matter to a negotiated or adjudicated resolution. Within 14 days after receipt of a Complaint, the Commission shall notify the person who made the Complaint and the Respondent of the assignment to the attorney and provide to those persons the name and contact information of the assigned attorney. (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295 (n), (p).)

(f) When the Commission determines on the basis of a hearing that a violation of this ordinance has occurred, it may require the violator to do all or any of the following:
   (1) Cease and desist violation of this ordinance.
   (2) File any reports, statements, or other documents or information required by this ordinance.
   (3) Pay a monetary penalty of up to five thousand dollars ($5,000) per violation to the General Fund of the County.
   (4) Pay a fine up to three times the amount or value not properly reported or improperly received or expended to the County General Fund.

(g) When the Commission determines that no violation has occurred, the Clerk of the Commission shall publish notice of that determination by posting a declaration at the County Government Center, Hall of Administration, and on the County's website so stating and will forward a copy of said declaration to the complainant and respondent (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(p-r))

(h) Upon motion, the Commission may allow amendment of a Complaint or dismissal of all part of a Complaint, pursuant to Article XIII, § 13.03.

Section 3.09: Media Relations

The Commission Chair shall speak for the Commission to the news media upon resolution of complaints and on all matters before the Commission. Commissioners and Commission staff, which include attorneys engaged by the Commission to review and investigate complaints, shall refrain from commenting to the news media on matters before the Commission.

ARTICLE IV – OFFICERS

Section 4.01: Officers

The Officers of the Commission are a Chairperson and Vice-Chairperson.

Section 4.02: Chair

The Chair of the Commission shall be a retired judge. The Independent Selector shall recommend from the appointees a candidate to serve as Chair of the Commission. If a retired judge is not available to serve as Chair, the Independent Selector shall recommend from the appointees the most qualified appointee with legal experience to serve as Chair. After due consideration of the candidate recommended by the Independent Selector the Board of Supervisors shall select from the appointed commissioners the individual most qualified to serve as Chair. (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295 (h))

Section 4.03: Chairperson Duties

The Chairperson, and/or the Chairperson's designee, serves as the liaison to the media and other departments, agencies, and committees as necessary, and presides over meetings.

Section 4.04: Vice Chairperson

The Commission shall elect a Vice-Chair. The Vice Chairperson shall perform the duties and responsibilities that may be delegated by the Chairperson, and the assignments traditionally assigned to that office. In the absence or disability of the Chairperson, the Vice Chairperson shall perform the duties as described in Article IV, Section 4.03.

ARTICLE V - COMMISSION STAFF ASSISTANCE

Section 5.01: Legal Staff

The County Counsel shall provide the Commission such legal staff and services necessary to perform its duties and responsibilities. (Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(i)) In cases where the County Counsel has declared a conflict of interest, outside legal counsel will be retained for the Commission.

Section 5.02: Clerical Staff

The Clerk of the Commission shall provide the Commission such clerical staff and services necessary to perform its duties and responsibilities including:

(a) Receive and process Complaints alleging violations of the Ordinance.
(b) Process requests for subpoenas in relation to filed complaints alleging violation of the Campaign Finance Reform Ordinance.
(c) To record, publish, maintain and archive official proceedings of the Commission.

(Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1295(i))

Section 5.03: County Clerk Duties

The Clerk shall:

(a) Supply the necessary forms and manuals prescribed by the Commission.
(b) Determine whether required documents have been filed and, if so, whether they conform on their face with the requirements of this ordinance.
(c) Promptly notify all persons and known committees who have failed to file a report or statement in the form and at the time required by this ordinance.
(d) Review candidate and committee filing submissions for compliance with the Ordinance, and contact affected persons to clarify submission discrepancies.
(e) Report apparent violations to the appropriate agencies, including the Commission.
(f) Initiate a Complaint with the Clerk of the Commission in instances where unresolved filing discrepancies indicate a violation of the Ordinance.
(g) Compile and maintain a current list of all reports and statements filed with this office.

(Source: Original Ordinance No. 4280; Repealed and Reenacted Ordinance No. 4361 § 1296)

Section 5.04: County Executive Officer (CEO) Duties

The CEO or his designee shall:

(a) Prepare and distribute meeting agendas and materials. The agenda will be developed in conjunction with the Chair of the Commission, and include input from Commissioners.
(b) Review and recommend revisions to the Commission's Operating Policies as needed.
(c) Engage, on behalf of the Commission, attorneys who are not employees of Ventura County to perform initial reviews of Complaints, investigate the allegations and bring them to a negotiated or adjudicated resolution.
(d) Receive all motions and other submissions from parties to matters before the Commission for inclusion on the agenda for Commission meetings or for consideration by the Commission.
(e) Provide other support and assistance as directed by the Commission.

ARTICLE VI - COMMISSION MEETINGS

Section 6.01: Meetings Open to the Public

In accordance with the Ralph M. Brown Act, Commission meetings shall be conducted in full view of the public and news media except for matters requiring confidentiality, such as personnel and anticipated or pending litigation in which the Commission is a party as discussed in section 6.08.

Section 6.02: Meeting Schedule

Regular meetings shall be held as necessary when there are matters requiring the attention of, or action by the Commission. When deemed appropriate, the Commission may adjourn a meeting, and shall provide notice of such adjournment on a publicly posted agenda.

Section 6.03: Location of Meetings

Regular Commission meetings shall be held at, either the Ventura County Government Center, Hall of Administration, 800 South Victoria Avenue, Ventura, California, or the East County Courthouse, 3855F Alamo Street, Simi Valley, California. The Commission may change the location of a meeting to accommodate members of the Commission or for any other reason deemed appropriate by the Commission.

Section 6.04: Notice of Meetings

Notices and agendas of all regular and special Commission meetings shall be posted at the Ventura County Government Center, Hall of Administration Building in a place freely accessible to the public. The notices and agendas shall also be posted on the Commission's web page. Notice of regular meetings shall be posted at least 72 hours before the meeting. Notice of special meetings shall be posted at least 24 hours before the meeting and given to members and all media outlets that have requested notification.

Section 6.05: Quorum

At all meetings of the full Commission, the presence of a majority (3) of the members shall constitute a quorum for all purposes. The act of the majority of the members of the Commission present at the meeting shall be the act of the full membership.

Section 6.06: Public Comment

All interested persons shall be allowed to express their views at Commission meetings regarding matters within the jurisdiction of the Commission. All Commission meetings shall provide an opportunity for public comment on matters not listed on the agenda but within the jurisdiction of the Commission. Such opportunity for public comment shall appear as an item on the agenda. Each person wishing to speak before the Commission shall be allowed to do so subject to the Commission's right to limit the individual and total time for public comment as specified in writing on the Commission's agenda. Public comment shall be allowed on each matter listed on the agenda before any vote or action is taken by the Commission on an item.

Section 6.07: Meeting Minutes

Minutes shall be taken at every regular and special Commission meeting and shall be approved by majority vote of the Commission.

Section 6.08: Closed Sessions

The Commission is authorized to hold closed (non-public) sessions at regular and special meetings for purposes of confidential discussions, such as the discussion of job performance, or to meet with legal counsel regarding anticipated or pending litigation. Upon consultation with the legal advisor from the County Counsel, and the determination that a closed session is both authorized and appropriate under the circumstances, the Chairperson of the Commission may call for a closed session. Appropriate notice shall be given of all closed sessions.

Section 6.09: Special Meetings

The Chairperson of the Commission may call special meetings to address specific matters pursuant to public notice requirements.

ARTICLE VII – AGENDA REQUIREMENTS

The agenda is prepared with input from Commissioners. Staff will develop the agenda in conjunction with the Chairperson for all meetings. The agenda shall contain a meaningful description of each item to be transacted or discussed at the Commission meeting so as to alert those whose interests may be affected by the item that he or she may have reason to attend the meeting or seek more information about the item.

ARTICLE VIII – VOTING

Section 8.01: Voting and Abstention

Each member present at a commission or committee meeting shall vote on all matters put to a vote, unless the member first requests and is excused from voting by a motion adopted by a majority of the members present, or unless the member has a financial interest or other conflict of interest which legally precludes that member from participating in the matter.

Section 8.02: Voting by Proxy

Voting by proxy is prohibited.

ARTICLE IX - STANDARDS OF CONDUCT

Section 9.01: Standards

A commissioner shall perform his or her duties without bias or prejudice. A commissioner shall not, in the performance of his or duties as a commissioner, by words or conduct manifest bias or prejudice, including but not limited to bias or prejudice based upon race, sex, religion, national origin, disability, age, sexual orientation, socioeconomic status or political belief or affiliation. They shall support the mission, goals, and objectives of the Ventura County Campaign Finance Ethics Commission; instill in

the public a sense of confidence about the Commissioners' conduct and intentions; uphold all laws and regulations; and refrain from using their official positions to secure special advantage or benefit for themselves or others. In order to set the highest standards of conduct, including the appearance of propriety in the operation of government, and in order to assure public confidence in governing institutions, the Ventura County Campaign Finance Ethics Commission commits itself to:

(a) Encouraging and promoting integrity in government by education and example;
(b) Fairly and objectively enforcing the County's campaign finance reform laws and regulations;
(c) Being accountable for its rules of procedure and decisions, and stimulating accountability of all elected officials;
(d) Treating all staff, members of the public, and colleagues with courtesy, respect, objectivity, and fairness;
(e) Assuring honesty in all matters that come before the Commission, both individually and collectively; and,
(f) Conducting all business in a timely manner and in public meetings, with full disclosure of policies, procedures, and decision-making processes, except in those matters as specified by the Brown Act that may be dealt with in closed session.

Section 9.02: Representation of the Commission

Except for comments made during open session of Commission meetings, a commissioner shall not make any public comment about the substance, merits or parties to a pending or impending proceeding before the Commission. A commissioner shall not make any nonpublic comments about the substance, merits or parties to a pending or impending proceeding before the Commission that might substantially interfere with a fair hearing or proceeding before the Commission. Commissioners and Commission staff shall not make any public comments regarding a pending complaint.

The Commission Chair shall act as the media liaison for the Commission and all other Commissioners shall refer media contacts to the Chair. Whenever a Commissioner communicates with the news media, or appears at a public hearing or before another County department to discuss existing or proposed legislation or policy, the Commissioner shall make every reasonable effort to explain to the Commissioner's audience whether the Commissioner is expressing an opinion, view, or position that is the individual Commissioner's or a view, position, or opinion of the Commission as a whole. Whenever the Commission learns that a view, position, or opinion of the Commission as a whole has been misinterpreted or misrepresented in the media, at a hearing, or in a public forum, the Commission, through the Chairperson or the Chairperson's appointed representative, shall make every reasonable effort to clarify the Commission's true position as soon as practicable.

ARTICLE X – AMENDMENTS

These Operating Policies shall be reviewed as necessary. They may be amended at any regular meeting of the Commission by majority vote of those present, provided such proposed amendments are circulated in writing to all Commissioners at least ten (10) days prior to such meeting, and ten days public notice shall be posted at the County Government Center, Hall of Administration, 800 South Victoria Avenue, Ventura, California.

HEARING PROCEDURES

ARTICLE XI - PURPOSE

The purpose of these procedures is to establish a uniform set of guidelines to be followed by the Ventura County Campaign Finance Ethics Commission [Commission] subsequent to the filing of a Complaint alleging violation of the Ventura County Campaign Finance Reform Ordinance. At the discretion of the Commission or when warranted by good cause, deviations from these procedures are permissible.

ARTICLE XII - DEFINITIONS

For purposes of these procedures:

Section 12.01: Evidentiary Hearing

Evidentiary Hearing means a hearing before the Commission, open to the public, at which the Petitioner and Respondent may introduce evidence, including live testimony and documentary evidence, in support of their claims or defenses.

Section 12.02: Commission

Commission means the Ventura County Campaign Finance Ethics Commission created by Ventura County Campaign Finance Reform Ordinance No. 4280 (repealed and reenacted as Ordinance No. 4361).

Section 12.03: Complainant

Complainant means the person who files a written complaint with the Commission alleging violation of the Ventura County Campaign Finance Reform Ordinance.

Section 12.04: Petitioner

Petitioner means the attorney who is engaged by the Commission to perform initial reviews of Complaints, investigate the allegations and bring them to a negotiated or adjudicated resolution.

Section 12.05: Respondent

Respondent means a person or entity that is alleged in a complaint to have violated the Ventura County Campaign Finance Reform Ordinance, and who is a party to an Evidentiary Hearing.

Section 12.06 Subpoena

Subpoena means a written order of the Commission requiring a witness's appearance at an Evidentiary Hearing to give testimony.

Section 12.07: Subpoena duces tecum

Subpoena duces tecum means a written order of the Commission requiring the production of books, papers, records, or other items material to the alleged violation of the Ventura County Campaign Finance Reform Ordinance at issue.

Section 12.08: Investigation

Investigation means an official inquiry, conducted by an attorney engaged by the Commission, including but not limited to, a review of documents, reports, and other material which will substantiate whether a violation of the Ventura County Finance Reform Ordinance has occurred.

Section 12.09 Other terms

Other terms used in these procedures shall be defined in accordance with their usage in common language.

ARTICLE XIII - PRE-HEARING PROCEDURES

Section 13.01 Upon the filing of a Complaint with the Clerk of the Commission, the Clerk of the Commission shall forward a copy of the Complaint to the Respondent, the District Attorney and to the designated staff to the Commission in the offices of the County Executive Officer and the County Counsel. The CEO or his designee shall then engage an attorney who is not an employee of Ventura County to perform an initial review of the Complaint, investigate the allegations and bring the matter to a negotiated or adjudicated resolution. Within fourteen (14) days of the filing of the Complaint, the Commission shall notify the Complainant and Respondent of the assignment to the attorney and shall provide to the Complainant and Respondent the name and contact information of the assigned attorney.

Section 13.02 Upon assignment of the Complaint, the attorney receiving the assignment shall become the Petitioner and thereby become a party to the matter. The Petitioner shall be solely authorized and responsible for conducting an initial review of the Complaint. The Petitioner is then authorized to investigate the allegations, engage in settlement negotiations, and/or to prepare and present the case against the Respondent at an Evidentiary Hearing. At any point in the process, the Petitioners may move for dismissal of all or part of the Complaint if he or she concludes that the Complaint does not allege actions that would constitute a violation of the Ordinance or that the evidence does not support the allegations.

Section 13.03 Upon motion, the Commission may allow amendment of a Complaint or dismissal of all or part of a Complaint. Except when submitted by stipulation signed by all parties, notice of a motion brought pursuant to this section, along with all moving papers and evidence, shall be filed with the Commission and served on all parties at least 14 calendar days before a regularly scheduled meeting of the Commission at which the motion is to be heard. Any opposition or response to the motion shall be filed with the Commission and served on all parties at least seven (7) calendar days before the meeting at which the motion is to be heard. No written reply to such opposition will be allowed.

Section 13.04 After the Complaint has been assigned to an attorney, the Clerk of the Commission shall arrange for a Pre-Hearing Conference between the parties (who are the Petitioner and the Respondent) and Staff Administrator assigned by the Clerk of the Commission to discuss such matters as scheduling the Evidentiary Hearing, clarification of issues, discovery, including issuance of

subpoenas, the number and identity of witnesses and the possibility of informal resolution. The Pre-Hearing Conference may be held by telephone, videoconferencing, or other electronic means if each participant in the conference has an opportunity to participate in and to hear the entire proceeding while it is taking place. If the parties reach a settlement, the terms of the settlement shall be brought forward at the Commission's next meeting and presented to the Commission by written stipulation. If the Commission declines to approve settlement, the Commission may refer the matter back to the parties for further settlement discussions or may proceed to an Evidentiary Hearing.

Section 13.05 A party to a matter pending before the Commission may request issuance of a Subpoena or Subpoena duces tecum from the Commission in furtherance of its investigation into matters relevant to the hearing. Requests for Subpoenas must be submitted no later than twenty calendar days before the hearing. Requests for Subpoenas duces tecum must be submitted no later than twenty-five calendar days before the hearing. All costs related to the subpoena, including witness and mileage fees, shall be borne by the party requesting the subpoena. (Source: Ordinance No. 4361§ 1295(n)) (Costs related to a subpoena requested by the Petitioner shall be borne by the Commission). Failure to obey a subpoena constitutes contempt. (Source: Ordinance No. 4361 § 1295(o))

Section 13.06 Any party to a matter pending before the Commission may request from any other party to the hearing:

(a) the names and addresses of witnesses to the extent known to the other party, including, but not limited to, those intended to be called to testify at the hearing; and,
(b) an opportunity to inspect and make a copy of any of the following in the possession or custody or under the control of any other party to the hearing:
    (1) A statement pertaining to the subject matter of the proceeding made by any party. Where the party is a committee, this section shall apply to statements made by an officer of the committee and/or the candidate if the committee is a controlled committee of a candidate;
    (2) Statements of witnesses then proposed to be called to testify at the hearing and of other persons having personal knowledge of the acts, omissions or events which are the basis for the proceeding, not included in (1) above;
    (3) All writings that any other party then proposes to offer in evidence;
    (4) For the purpose of this section, "statements" include written statements by the person signed or otherwise authenticated by him or her, stenographic, mechanical, electronic or other recordings, or transcripts thereof, of oral statements by the person, and written reports or summaries of these oral statements.

Section 13.07 In the event that a material witness is unavailable to testify at the Evidentiary Hearing, any party may petition the Commission for an order that the testimony of that material witness be taken by deposition in the manner prescribed by law for depositions in civil actions under Article 3 (commencing with Section 2016) of Chapter 3 of Title 4 of Part 4 of the Code of Civil Procedure. The petition shall set forth the nature of the pending proceeding; the name and address of the witness whose testimony is desired; a showing of the materiality of the testimony; a showing that the witness will be unable or cannot be compelled to attend the hearing; and shall request an order requiring the witness to appear and testify before an officer named in the petition for that purpose. The petitioner shall serve notice of the deposition and a copy of the petition on the other parties at least 10 days before the deposition.

Section 13.08 Requests for discovery must be made in writing. While no particular form must be used, the request must clearly and plainly state the information or items sought. Requests for discovery must be served on the party from whom the discovery is sought either personally or by certified mail return-receipt requested. Concurrent with the service responsibilities set forth under this

section the party seeking discovery shall ensure that all other parties to the hearing are provided with a copy of the request for discovery. The party responding to the discovery request shall respond within ten calendar days, and shall ensure that all other parties to the hearing are provided with a copy of all documents that are produced. The Commission shall be responsible for photocopying expenses incurred by the Petitioner.

Section 13.09 If a party claims that a responding party has failed to comply with a request for discovery pursuant to this Article, the party may request a hearing before the Commission for the purpose of seeking to compel discovery. Likewise, a party may request a hearing to seek protection from discovery requests. A motion to compel or for protective order shall be filed and served in the manner set forth in section 13.03.

Section 13.10 Nothing in this Article shall authorize the inspection or copying of any writing or thing which is privileged from disclosure by law or otherwise made confidential or protected as the attorney's work product.

Section 13.11 Nothing in this Article precludes the parties to the Evidentiary Hearing from engaging in discussions with each other, outside the scope of a Pre-Hearing Conference, on any matter listed in section 3.4. Whether or not a particular procedural matter, fact, or substantive matter is made part of a Pre-Hearing Conference, the parties to the Evidentiary Hearing may stipulate as to such fact or matter.

Section 13.12 No later than ten calendar days prior to the Evidentiary Hearing, each party to the Evidentiary Hearing shall mail or deliver to all other parties and the Clerk of the Commission, a list of all witnesses and a copy of all exhibits or documents that the party anticipates offering into evidence at the Evidentiary Hearing.

Section 13.13 Upon the dismissal of a complaint by the Commission, the Clerk of the Commission shall publish notice of that determination in accordance with the procedure described in Article III, Section 3.08(g) of the Commission's Operating Policies.

ARTICLE XIV - DISQUALIFICATION OF COMMISSION MEMBERS

Section 14.01 Any member of the Commission is subject to disqualification for bias, prejudice, interest, or for any other reason for which a judge may be disqualified for cause in a court of law.

Section 14.02 A member of the Commission may voluntarily disqualify himself or herself for any of the reasons identified in section 14.01. Once disqualified, that individual shall not participate in any discussion, deliberation, or voting pertaining to any matter that is the subject of the Evidentiary Hearing.

Section 14.03 Notwithstanding section 14.02, the parties may choose to accept any member of the Commission by waiving the disqualification in a written statement, signed by all parties, that recites the grounds for disqualification.

Section 14.04 A waiver is effective only when signed by all parties, accepted by the Commission, and included in the record of the Evidentiary Hearing.

Section 14.05 Any party may seek to compel the disqualification of any member of the Commission by filing an affidavit with the Commission, prior to the taking of evidence at an Evidentiary Hearing,

stating with particularity the grounds upon which it is claimed that the member should be disqualified. A request to compel the disqualification of a member of the Commission shall be determined by a concurring vote of at least three members of the Commission. The Commissioner who is the subject of the request for disqualification shall not participate in the vote or in any deliberations or discussions preceding the vote.

ARTICLE XV – COUNSEL

Section 15.01 Each party has the right to attend the Evidentiary Hearing, and may be represented by legal counsel or any other representative of his or her choosing.

Section 15.02 The Commission has the right to be advised by legal counsel provided by the Ventura County Counsel's Office. In cases where the County Counsel declares a conflict of interest, outside legal counsel will be retained for the Commission.

ARTICLE XVI – PROCEDURES FOR THE EVIDENTIARY HEARING

The procedures contained in this Article provide the basic procedures for the conduct of the Evidentiary Hearing. The Commission, at its discretion, may modify these procedures in the interests of conducting an efficient and expedient hearing, unless such modification prevents due process from being afforded to all parties to the Evidentiary Hearing.

Section 16.01 Evidentiary Hearings shall be open to the public.

Section 16.02 The following documents shall be made a part of the record: the notice of hearing; the Complaint; Petitioner's Evidentiary Hearing brief; any Evidentiary Hearing brief submitted by a Respondent; and any waivers as to the disqualification of a member of the Commission.

Section 16.03 Any party may make an opening statement. If the Petitioner and Respondent both wish to make an opening statement, the Petitioner proceeds first. The Respondent may reply after the Petitioner's opening statement or may reserve an opening statement until after the Petitioner concludes his or her case.

Section 16.04 The Petitioner puts on his or her case first.

Section 16.05 The Respondent puts on his or her case after the Petitioner concludes its case. If there is more than one Respondent, the order of presentation may be decided by mutual agreement of the Respondents or, if necessary, by the discretion of the Commission.

Section 16.06 After the initial presentation of evidence by both sides, the parties, beginning with the Petitioner, may introduce evidence in rebuttal. Such evidence should be limited to matters already raised in the presentation of the Petitioner's or Respondent's case.

Section 16.07 Each party may make a closing argument. The Petitioner proceeds first. The Respondent proceeds after the Petitioner's closing argument. The Petitioner may conclude the closing arguments with a rebuttal.

Section 16.08 These procedures do not authorize the making of a motion for nonsuit at any time during the Evidentiary Hearing.

Section 16.09 The Commission may continue the Evidentiary Hearing for good cause shown by one of the parties to the Evidentiary Hearing or by any member of the Commission.

Section 16.10 The parties must establish each element or claim for which they have the burden of proof by a preponderance of the evidence.

ARTICLE XVII - EVIDENCE

Section 17.01 Oral evidence shall be taken only on oath. The oath may be administered by the Clerk of the Commission. The oath is obtained by an affirmative response to the following statement: "You do solemnly state, under penalty of perjury, that the evidence that you shall give in this matter shall be the truth, the whole truth, and nothing but the truth."

Section 17.02 Each party shall have these rights:

(a) To call and examine witnesses;
(b) To introduce exhibits;
(c) To cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination;
(d) To impeach any witness regardless of which party first called him or her to testify.

Section 17.03 A party may redirect and recross, subject only to the limitations imposed by the Commission.

Section 17.04 The Petitioner may call and examine any Respondent as if under cross-examination even if that Respondent does not first testify in his or her own behalf.

Section 17.05 The Evidentiary Hearing need not be conducted according to the provisions of the California Evidence Code. Any relevant evidence shall be admitted if it is the sort of evidence on which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule, which might make improper the admission of the evidence over objection in civil actions.

Section 17.06 Hearsay evidence may be used for the purpose of supplementing or explaining other evidence but over timely objection shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. An objection is timely if made before submission of the case.

Section 17.07 The rules of privilege shall be effective to the extent that they are applicable in a court of law as governed by Division 8 of the California Evidence Code.

Section 17.08 The Commission has discretion to exclude evidence if its probative value is substantially outweighed by the probability that its admission will necessitate undue consumption of time.

ARTICLE XVIII - RULINGS

Section 18.01 Upon completion of the presentation of evidence and closing arguments of the parties, the Commission shall deliberate in open session. Rulings of the Commission shall be made by motion, second and a vote of the Commission.

Section 18.02 A finding of a violation of the Ordinance shall require a vote of the majority of the Commissioners present and participating at the hearing.

Section 18.03 Rulings on motions or stipulations submitted to the Commission shall follow the procedures set forth in section 18.01. Approval of the requested action shall require a vote of the majority of the Commissioners present and participating at the hearing.

Section 18.04 Decisions of the Commission following Evidentiary Hearings or upon motions or stipulations shall be set forth in an Order signed by the Chair of the Commission. The Order shall be prepared by legal counsel to the Commission.

Section 18.05 At the time a stipulation containing a monetary penalty is presented to the Commission and approved, the Respondent must produce and submit to the Clerk of the Commission, a check made payable to the County of Ventura for the amount stipulated.

Section 18.06 When a ruling and Order of the Commission includes monetary penalty that was not stipulated to by the parties (Petitioner and Respondent), the amount of the penalty shall be due and payable by the Respondent immediately upon receipt of the Order.

Section 18.07 Unpaid or outstanding monetary penalties thirty (30 days) after an Order by the Commission will be referred for appropriate collections remedies by the County.

ARTICLE XIX - EX PARTE COMMUNICATIONS

Section 19.01 Once a Complaint has been filed, members of the Commission shall not participate in any communications with any party, representative of a party, or any person who has a direct or indirect interest in the outcome of the proceeding about the subject matter or merits of the case at issue, except at an open meeting of the Commission. This section does not prohibit Commission members from reviewing Complaints and other written submissions that are properly served in accordance with section 19.02.

Section 19.02 Except for the initial Complaint, no pleading, letter, document, or other writing shall be filed by a party unless service of a copy thereof together with any exhibit or attachment is made on all other parties to the proceeding.

Section 19.03 Communications prohibited under section 19.01 do not include communications between parties and staff to the Commission concerning matters of procedure or practice, including requests for continuances that are not in controversy. It also does not prohibit communications between a party and the Commission when the opposing party has had a default entered pursuant to Article XX.

Section 19.04 If, while the proceeding is pending, any member of the Commission receives a communication of a type that would be in violation of this Article, he or she shall promptly disclose the content of the communication on the record and give all parties an opportunity to address it.

ARTICLE XX – DEFAULT

Section 20.01 In the event a Respondent fails to appear at an Evidentiary Hearing, the Commission at its discretion, may conduct the hearing notwithstanding the absence of the Respondent or, in the alternative, dispense with the Evidentiary Hearing and take under submission Respondent's express written admissions, stipulations entered into between the parties, and any other written evidence submitted by a party present at the Evidentiary Hearing.

Section 20.02 In the event of the Respondent's default, and within seven business days after a decision by the Commission that the Respondent has committed a violation of the Ventura County Campaign Finance Reform Ordinance, the Respondent may serve a written motion requesting that the decision be vacated and stating the grounds relied on. The Commission, in its discretion, may vacate the decision and grant a re-hearing on a showing of good cause. As used in this section, good cause includes, but is not limited to, any of the following:

(a) Failure of the person to receive notice of the Evidentiary Hearing; or
(b) Mistake, inadvertence, surprise, or excusable neglect of the party or the party's counsel.

ARTICLE XXI - JUDICIAL REVIEW

Section 21.01 Judicial review may be had by filing a petition for a writ of mandate in accordance with the provisions of the Code of Civil Procedure.

Section 21.02 The ninety-day statute of limitations contained in California Code of Civil Procedure section 1094.6 shall apply to judicial review of enforcement decisions made by the Commission.

RESOLUTION
OF THE BOARD OF SUPERVISORS
COUNTY OF VENTURA
REAFFIRMING THE ESTABLISHMENT
OF THE
CASITAS SPRINGS
LOCAL RECREATION ADVISORY COMMISSION

WHEREAS, the County of Ventura provides local recreational facilities in the unincorporated community of Casitas Springs for the use and enjoyment of the public; and

WHEREAS, it has been deemed desirable to provide for greater citizen participation in the operations of the local recreation program and in developing long range objectives and goals of the County Local Recreation Program; and

WHEREAS, Section 31000.1 of the Government Code of the State of California provides that, "The Board of Supervisors may appoint commissions or committees of citizens to study problems of general or special interest to the Board and to make reports and recommendations to the Board"; and

WHEREAS, the Board of Supervisors, by adopted policy, provides local recreation facilities to serve residential areas within the unincorporated territory of Ventura County where an equitable share of development and operation costs can be reimbursed through local assessments and/or donations

NOW THEREFORE BE IT RESOLVED THAT:

1. The Casitas Springs Local Recreation Commission is hereby established.

2. Said Commission shall be composed of seven (7) members. Each member shall be nominated by the Supervisor, District 3, subject to approval by the Board of Supervisors.

3. The Board of Supervisors may remove any member of the Commission from office at any time upon a majority vote of the Board.

4. Commission members shall serve terms coinciding with the term of the Supervisor who nominates them plus 60 days for consideration for reappointment.

5. Commission members shall serve without compensation except as otherwise provided in Section 31000.1 of the Government Code and as approved by the Board

of Supervisors, or as may be provided in Article 43 of the County of Ventura's "Personnel Rules and Regulations."

6. The function and duties of said Commission shall be:

   A. To advise the Board of Supervisors and County staff

      (1) In matters of policy pertaining to Ventura County's Local Recreation Program.

      (2) In planning for the local recreational needs within the community in terms of local parks, recreation programs, and specialized recreation areas and facilities.

      (3) On all financial matters including grants and other sources of revenue and expenses in the administration of the local recreation program.

      (4) And/or assist in other matters as may be requested of the Commission from time to time by the Board of Supervisors.

   B. To administer the operational program of the County owned local recreation facilities in the Casitas Springs community including:

      (1) Reservations

      (2) Accountability

      (3) Maintenance and construction (improvements enforcing)

      (4) Rules and regulations for use of facilities.

7. The Commission shall cooperate and coordinate with cities, local park and recreation districts, local unincorporated communities, and other agencies in planning for the local recreational needs of the residents of the community, recognizing the roles of various recreational agencies in meeting these needs. All recommendations shall be directed to the Board of Supervisors, exclusively.

8. The Commission shall meet regularly, at least once a month, at a time and place established by its members.

9. The Commission shall adopt bylaws, rules and regulations providing for the election of officers, designation of meeting dates, establishment of committees, allocation of duties, and such other rules and regulations as may be necessary for the efficient conduct of business.

10. The officers of the Commission shall consist of Chairman, Vice-Chairman, Secretary, and Treasurer.

11. The Commission Chairman and other officers shall serve for a period of one year from July through June.

12. The Duties of the Officers shall be:

    A. Chairman - shall preside at all meetings of the Commission; call special meetings of the Commission; prepare agenda items; represent the Commission at public hearings of the Board of Supervisors on Commission matters; and other duties as may be established in the bylaws.

    B. Vice-Chairman - shall take over the duties of the Chairman in his absence; shall be responsible for the maintenance and operation of the county owned local recreation facilities (including improvements); and other duties as may be established in the bylaws.

    C. Secretary - shall take minutes of Commission meetings and record all Commission action; assume Chairman's role in the absence of the Chairman and Vice-Chairman at meetings; initiate or introduce correspondence; and other duties as may be established in the bylaws.

    D. Treasurer - shall make all reservations and collect fees for use of local park facilities; shall be accountable for all monies on hand, collected, and turned in to Property Administration Agency for deposit; shall assist County staff in annual budget preparation; and other duties as may be established in the bylaws.

13. The Operations Supervisor of the County Parks Department, or his designated appointee, shall be a non-voting ex-officio member of the Commission. Other staff services and supplies may be authorized by the Director of the Property Administration Agency or by the Board of Supervisors from other County agencies.

14. The Board hereby directs and requests all County Officers and agencies to aid and cooperate in every way with the Commission.

15. Commission members shall conform to all applicable Codes of the State of California, Ordinances of the County of Ventura and directives of the Board of Supervisors in the conduct of their business.

PASSED, APPROVED and ADOPTED this 5th day of September, 1978.

Ed Jones

ED JONES, Chairman
Board of Supervisors
County of Ventura

Item 19B- 9/5/78

PARKS AND RECREATION ADVISORY COMMISSION

BY-LAWS

PURPOSE

1.(a) The Commission shall advise the Board of Supervisors on local recreational matters, of the Casitas Springs community, the planning and the orderly development of the County local park program and operation policy for the residents of the Casitas Springs community while at the same time considering the socio-economic-environmental balances.

1.(b) The Commission shall be responsible for the operation of local parks including labor and donations and fund raising events to offset non-labor operational costs.

MEMBERSHIP

2.The Commission is composed of seven (7) voting members and may include seven (7) alternates. Each member shall be nominated by the Supervisor, District 3, subject to approval by the Board of Supervisors. In addition, there are two non-voting ex-officio members representing the County Parks Department and the Office of the County Supervisor, 1 District. In the event of a vacancy by resignation or dismissal, the Commission, by Commission action, will recommend a member to be duly recommended to the Board of Supervisors by the local County Supervisor for appointment.

QUORUM

3.A quorum shall be at least 50% of the current Commission membership.

REGULAR MEETINGS

4.The Casitas Springs Community Parks and Recreation Advisory Commission shall meet in regular session, monthly, on a predetermined day at a predetermined time and place.

SPECIAL MEETING

5.Special meetings may be called for any Commission business by (a) the Commission Chairman, (b) a quorum of Commissioners, or (c) the Operations Supervisor of the County Parks Department or his designated appointee.

ELECTIONS AND OFFICERS

6. (a) Elective officers of the Commission shall be:

1. Chairman
2. Vice-Chairman
3. Secretary
4. Treasurer

(b) The term of office for all officers shall be for one calendar year.

(c) Election of said officers shall take place at the first regular meeting of the Commission in July of each year. Election shall be by majority vote of the members in attendance at this meeting providing that such membership constitutes a quorum.

NOTE: Commission member appointments are made by the Board of Supervisors at the beginning of each of their own terms of office. The time for election of officers is selected to insure that only properly appointed members participate or be considered for office.

(d) Office vacancies shall be filled by election.

DUTIES OF MEMBERS

7. It shall be the duty of each member of the Commission to take an active part in the affairs of the Commission; specific duties of officers are as follows:

(a) Chairman - shall preside at all meetings of the Commission, appoint special Committees; call special meetings of the Commission as deemed advisable; prepare agenda items; serve as representative of Commission on County Local Parks Advisory Committee.

(b) Vice-Chairman - shall take over the duties in absence of the Chairman.

(c) Secretary - shall take minutes of Commission meetings and record all Commission action; assume Chairman role in the absence of the Chairman and Vice-Chairman at meetings; initiate or introduce correspondence.

(d) Treasurer - shall make all reservations and collect fees for use of local park facilities; shall be accountable for all monies on hand, collected, and turned in to Property Administration Agency for deposit; shall assist County staff in annual budget preparation.

COMMITTEES

8. The Commission shall establish Standing Committees for each of the following issues:

1. Park Planning
2. Recreation Programming
3. Operations (Fee Collections, Reservations)
4. Public Information

Each Standing Committee will be made up of three (3) Commissioners and shall meet as deemed necessary to review and make recommendations to the Commission.

Special committees may be appointed by the Chairman as the need arises.

PARLIAMENTARY PROCEDURE

9. Roberts Rules of Order, revised form, shall govern the conduct of the Casitas Springs Community Local Recreation Advisory Commission.

COMMISSION ACTION

10. (a) A majority vote of the members present shall be required to carry a motion, proposal, or resolution. The vote shall be recorded on all official action by the Commission. In actions proposed by the Chair, unanimous consent thereto shall have the effect of a motion duly carried without the necessity of a formal vote.

(b) Under no circumstances should any member take any action or make any statement committing the Commission as a whole unless given authority to do so by a vote of the Commission.

(c) All Commission action should be consistent with the mission and goals of the Local Parks and Recreation Program established by the Commission and the County Board of Supervisors.

COMMUNICATIONS

11. All written communications from the Commission shall be sent out over the signature of the Chairman, or his designated appointee, or an officer of the Commission as may be directed by the Commission.

AMENDMENTS

12. These By-Laws may be amended by a majority of the voting members present, provided notice of said amendment has been given at the previous regular meeting.

MINUTES OF MEETINGS

13. The Secretary of the Commission is charged with transcribing the minutes of regular and special meetings within a reasonable time following such meetings. Following Commission approval, a copy of the minutes shall be forwarded to (1) Commission members, (2) the Parks Department, Property Administration Agency, and (3) the Supervisor of the 3 District.

ATTENDANCE

14. The Commission minutes shall record members present at each meeting.

A report will be filed with the Board of Supervisors each quarter listing the attendance at the previous Commission meetings.

Assembly Bill No. 1542

CHAPTER 270

An act to amend Sections 8208, 8263, and 8286 of, to add Sections 8208.1, 8216, 8225, 8263.1, 8277.5, 8277.6, 8481, 72620.5, and 84759 to, to add Article 5 (commencing with Section 79200) to Chapter 9 of Part 48 of, to add Chapter 2.3 (commencing with Section 8499) to Part 6 of, to add Chapter 2 (commencing with Section 10200) to Part 7 of, to repeal Chapter 2.5 (commencing with Section 8499) of Part 6 of, and to repeal and add Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of, the Education Code, to add Chapter 1.12 (commencing with Section 15365.50) to Part 6.7 of Division 3 of Title 2 of the Government Code, to add Section 1597.36 to, and to add Chapter 17 (commencing with Section 50897) to Part 2 of Division 31 of, the Health and Safety Code, to add Section 99155.1 to the Public Utilities Code, to add Sections 10214.7, 15003.4, and 15003.5 to, to add Chapter 6 (commencing with Section 11010) to Part 1 of Division 3 of, to add Division 9 (commencing with Section 17000) to, and to repeal and add Section 1611.5 of, the Unemployment Insurance Code, to amend Sections 11004, 11008.13, 11008.14, 11155, 11155.2, 11157, 11200, 11201, 11250.4, 11320.3, 11322.2, 11323.2, 11323.4, 11324, 11324.4, 11324.5, 11324.6, 11324.7, 11324.8, 11325.2, 11325.21, 11325.22, 11325.25, 11325.4, 11325.6, 11326, 11327.4, 11327.5, 11327.6, 11327.8, 11329.2, 11331.5, 11450, 11450.018, 11450.5, 11453, 11477, and 14132.90 of, to amend the heading of Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of, to amend the heading of Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of, to add Sections 10063, 10553.2, 10619, 11155.3, 11157.5, 11160, 11253.5, 11265.2, 11265.8, 11266.5, 11320.1, 11320.15, 11320.31, 11322.61, 11322.62, 11322.65, 11322.7, 11322.9, 11325.1, 11325.5, 11325.7, 11325.8, 11327.9, 11450.12, 11450.13, 11451.5, 11454, 11454.5, 11454.6, 11475.3, 11475.4, 11477.02, 11477.04, 11486.5, 14005.30, 15204.3, 15204.4, 15204.8, 17016, and 17021 to, to add Article 7.5 (commencing with Section 11495), Article 9 (commencing with Section 11520), Article 9.5 (commencing with Section 11525), and Article 9.7 (commencing with Section 11526) to Chapter 2 of Part 3 of, to add Chapter 3 (commencing with Section 10065) to Part 1 of, to add Chapters 1.3 (commencing with Section 10530) and 1.5 (commencing with Section 10540) to Part 2 of, to add Chapter 3.2 (commencing with Section 18220) and Chapter 3.3 (commencing with Section 18230) to Part 6 of, to add and repeal Section 11255.3 of, to repeal Sections 11018, 11201.5, 11255, 11320.2, 11320.4, 11320.6, 11320.8, 11321, 11321.2, 11321.4, 11321.8, 11322, 11322.41, 11323, 11323.1, 11324.2, 11325, 11327.2, 11328, 11328.1, 11328.4, 11328.6, 11329.5, 11329.7, 11450.1, 11450.6, 11451.6, 11451.7, 15204.6, and 15204.7 of, to repeal Chapter 3.8

(commencing with Section 10780) of Part 2 of Division 9 of, to repeal and add Sections 11008.135, 11320, 11322.4, 11322.6, 11322.8, 11323.6, 11323.8, 11325.23, 11453.2, 11486, 15204.2, 16575, 16576, 16576.5, and 16577 of, and to repeal and add Article 8 (commencing with Section 11500) of Chapter 2 of Part 3 of Division 9 of, the Welfare and Institutions Code, relating to human services, making an appropriation therefor, and declaring the urgency thereof, to take effect immediately.

[Approved by Governor August 11, 1997. Filed with Secretary of State August 11, 1997.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1542, Ducheny. Welfare reform.

Existing law provides for the Aid to Families with Dependent Children (AFDC) program, under which each county provides cash assistance and other benefits to qualified low-income families. The AFDC program is funded, in part, by the federal Temporary Assistance for Needy Families (TANF) program, subject to federal requirements. Each county is required to pay a share of the cost of both aid grant and administrative costs for the AFDC program.

This bill would rename that program the California Work Opportunity and Responsibility to Kids (CalWORKs) program and would recast provisions relating to the funding and administration of that program and other social services programs. This bill would impose work participation requirements and time limits upon the receipt of aid.

This bill would provide that a community college shall provide various educational services to CalWORKs recipients. Because the bill would impose additional responsibilities upon community college districts, the bill would impose a state-mandated local program.

This bill would require the establishment of job creation and development programs for CalWORKs recipients and other low-income individuals.

This bill would also permit counties to implement various types of CalWORKs demonstration projects.

Existing law, the Child Care and Development Services Act, provides for the operation of child care and development programs. Existing law also contains provisions for child care for AFDC recipients. This bill would revise funding allocations and eligibility requirements for the provision of child care services and provisions regarding the administration of those services.

By imposing additional duties on counties and school districts, this bill would impose a state-mandated local program.

Existing law establishes eligibility requirements for benefits under the AFDC program, including limitations on the amount of income

and resources that may be available to an eligible applicant or recipient.

This bill would revise eligibility requirements and apply them to the CalWORKs program.

By revising eligibility standards for receipt of benefits for this continuously appropriated funded program, this bill would result in an increase in appropriated funds, thereby making an appropriation. By increasing amounts of income and resources that will not be considered in determining CalWORKs recipient eligibility, the bill would increase the class of persons eligible for the CalWORKs program, and so would impose a state-mandated local program. This bill would also revise cost-of-living adjustments under that program.

Existing law provides for the reduction of aid payments under the AFDC program in the case of prior overpayments.

This bill would revise the method of calculating the reduction of those aid payments, thereby resulting in the increase of funds continuously appropriated for the CalWORKs program, resulting in an appropriation.

Existing law provides for procedures for the collection and distribution of child support owed or paid to custodial parents who are recipients of benefits under the AFDC program.

This bill would make revisions in these procedures.

This bill would also impose a state-mandated local program by requiring each county to provide diversion services, as described, as an alternative to CalWORKs benefits under certain circumstances.

Existing law, the Greater Avenues for Independence (GAIN) program, requires the provision of various employment training services to AFDC recipients.

This bill would recast these provisions to refer to welfare-to-work activities and would revise service and participation requirements. By imposing additional duties on counties in the provision of these services, this bill would result in a state-mandated local program.

Existing law provides for the federal Food Stamp Program, under which each county distributes food stamps provided by the federal government to eligible households.

This bill would establish the Electronic Benefits Transfer Committee to oversee the development and implementation of a statewide electronic benefits transfer system, which would apply to food stamps and other benefits, and would require counties to contract for the provision of certain benefits through the system.

Existing law provides for employers to pay contributions into the Employment Training Fund at a specified rate, and generally requires money in the fund to be allocated by the Employment Training Panel only for specified job training purposes.

This bill would provide for allocation, by the panel, of $20,000,000 from the Employment Training Fund each year for training programs designed for workers who are current or recent recipients

of benefits under the CalWORKs program and for other related purposes, subject to appropriation by the Legislature.

Existing law requires each county to provide aid and health care to its poor and indigent residents not supported by other means. These programs are commonly referred to as county general assistance programs.

This bill would impose certain restrictions upon eligibility for county general assistance programs.

Existing law provides for the Medi-Cal program, which is administered by the State Department of Health Services, pursuant to which medical benefits are provided to public assistance recipients, including AFDC recipients, and certain other low-income persons.

This bill would specify that CalWORKS recipients and individuals who are ineligible for aid under the CalWORKs program but who meet the eligibility criteria for aid under the AFDC program in effect on July 16, 1996, shall be eligible for Medi-Cal benefits. Because counties are responsible for the determination of eligibility for benefits under the Medi-Cal program, this bill, by requiring the provision of Medi-Cal benefits to persons otherwise ineligible for those benefits, would result in a state-mandated local program.

This bill would only become operative when the Budget Act of 1997 is chaptered.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that no reimbursement is required by this act for a specified reason.

This bill would declare that it is to take effect immediately as an urgency statute.

Appropriation: yes.

The people of the State of California do enact as follows:

SECTION 1. This act shall be known as the Thompson-Maddy-Ducheny-Ashburn Welfare-to-Work Act of 1997.

SEC. 1.5. Section 8208 of the Education Code is amended to read:

8208. As used in this chapter:

(a) ''Alternative payments'' includes payments that are made by one child care agency to another agency or child care provider for the provision of child care and development services, and payments that are made by an agency to a parent for the parent's purchase of child care and development services.

(b) ''Applicant or contracting agency'' means a school district, community college district, college or university, county superintendent of schools, county, city, public agency, private

nontax-exempt agency, private tax-exempt agency, or other entity that is authorized to establish, maintain, or operate services pursuant to this chapter. Private agencies and parent cooperatives, duly licensed by law, shall receive the same consideration as any other authorized entity with no loss of parental decisionmaking prerogatives as consistent with the provisions of this chapter.

(c) ''Assigned reimbursement rate'' is that rate established by the contract with the agency and is derived by dividing the total dollar amount of the contract by the minimum child day of average daily enrollment level of service required.

(d) ''Attendance'' means the number of children present at a child care and development facility. ''Attendance,'' for the purposes of reimbursement, includes excused absences by children because of illness, quarantine, illness or quarantine of their parent, family emergency, or to spend time with a parent or other relative as required by a court of law or that is clearly in the best interest of the child.

(e) ''Capital outlay'' means the amount paid for the renovation and repair of child care and development facilities to comply with state and local health and safety standards, and the amount paid for the state purchase of relocatable child care and development facilities for lease to qualifying contracting agencies.

(f) ''Caregiver'' means a person who provides direct care, supervision, and guidance to children in a child care and development facility.

(g) ''Child care and development facility'' means any residence or building or part thereof in which child care and development services are provided.

(h) ''Child care and development programs'' means those programs that offer a full range of services for children from infancy to 14 years of age, for any part of a day, by a public or private agency, in centers and family child care homes. These programs include, but are not limited to, all of the following:

(1) Campus child care and development.
(2) General child care and development.
(3) Intergenerational child care and development.
(4) Migrant child care and development.
(5) Schoolage parenting and infant development.
(6) State preschool.
(7) Resource and referral.
(8) Severely handicapped.
(9) Family day care.
(10) Alternative payment.
(11) Child abuse protection and prevention services.
(12) Schoolage community child care.

(i) ''Child care and development services'' means those services designed to meet a wide variety of needs of children and their

families, while their parents or guardians are working, in training, seeking employment, incapacitated, or in need of respite. These services may include direct care and supervision, instructional activities, resource and referral programs, and alternative payment arrangements.

(j) ''Children at risk of abuse, neglect, or exploitation'' means children who are so identified in a written referral from a legal, medical, or social service agency, or emergency shelter.

(k) ''Children with exceptional needs'' means children who have been determined to be eligible for special education and related services by an individualized education program team according to the special education requirements contained in Part 30 (commencing with Section 56000), and meeting eligibility criteria described in Section 56026 and Sections 56333 to 56338, inclusive, and Sections 3030 and 3031 of Title 5 of the California Code of Regulations. These children have an active individualized education program, and are receiving appropriate special education and services, unless they are under three years of age and permissive special education programs are available. These children may be developmentally disabled, hard of hearing, deaf, speech impaired, visually handicapped, seriously emotionally disturbed, orthopedically impaired, other health impaired, deaf-blind, multihandicapped, or children with specific learning disabilities, who require the special attention of adults in a child care setting.

(*l*) ''Children with special needs'' includes infants and toddlers under the age of three years; limited-English-speaking-proficient children; children with exceptional needs; limited-English-proficient handicapped children; and children at risk of neglect, abuse, or exploitation.

(m) ''Closedown costs'' means reimbursements for all approved activities associated with the closing of operations at the end of each growing season for migrant child development programs only.

(n) ''Cost'' includes, but is not limited to, expenditures that are related to the operation of child care and development programs. ''Cost'' may include a reasonable amount for state and local contributions to employee benefits, including approved retirement programs, agency administration, and any other reasonable program operational costs. ''Cost'' may also include amounts for licensable facilities in the community served by the program, including lease payments or depreciation and payments of principal and interest on loans incurred to acquire, rehabilitate, or construct licensable facilities, but these costs shall not exceed fair market rents existing in the community in which the facility is located. ''Reasonable and necessary costs'' are costs that, in nature and amount, do not exceed what an ordinary prudent person would incur in the conduct of a competitive business.

(o) ''Elementary school,'' as contained in Section 425 of Title 20 of the United States Code (the National Defense Education Act of 1958, Public Law 85-864, as amended), includes early childhood education programs and all child development programs, for the purpose of the cancellation provisions of loans to students in institutions of higher learning.

(p) ''Health services'' include, but are not limited to, all of the following:

(1) Referral, whenever possible, to appropriate health care providers able to provide continuity of medical care.

(2) Health screening and health treatment, including a full range of immunization recorded on the appropriate state immunization form to the extent provided by the Medi-Cal Act (Chapter 7 (commencing with Section 14000) of Part 3 of Division 9 of the Welfare and Institutions Code) and the Child Health and Disability Prevention Program (Article 3.4 (commencing with Section 320) of Chapter 2 of Part 1 of Division 1 of the Health and Safety Code), but only to the extent that ongoing care cannot be obtained utilizing community resources.

(3) Health education and training for children, parents, staff, and providers.

(4) Followup treatment through referral to appropriate health care agencies or individual health care professionals.

(q) ''Higher educational institutions'' means the Regents of the University of California, the Trustees of the California State University, the Board of Governors of the California Community Colleges, and the governing bodies of any accredited private nonprofit institution of postsecondary education.

(r) ''Intergenerational staff'' means persons of various generations.

(s) ''Limited-English-speaking-proficient and non-English-speaking-proficient children'' means children who are unable to benefit fully from an English-only child care and development program as a result of either of the following:

(1) Having used a language other than English when they first began to speak.

(2) Having a language other than English predominantly or exclusively spoken at home.

(t) ''Parent'' means any person living with a child who has responsibility for the care and welfare of the child.

(u) ''Program director'' means a person who, pursuant to Sections 8244 and 8360.1, is qualified to serve as a program director.

(v) ''Proprietary child care agency'' means an organization or facility providing child care, which is operated for profit.

(w) ''Resource and referral programs'' means programs that provide information to parents, including referrals and coordination of community resources for parents and public or private providers

of care. Services frequently include, but are not limited to: technical assistance for providers, toy-lending libraries, equipment-lending libraries, toy- and equipment-lending libraries, staff development programs, health and nutrition education, and referrals to social services.

(x) ''Severely handicapped children'' are children who require instruction and training in programs serving pupils with the following profound disabilities: autism, blindness, deafness, severe orthopedic impairments, serious emotional disturbance, or severe developmental disability. These children, ages birth to 21 years, inclusive, may be assessed by public school special education staff, regional center staff, or another appropriately licensed clinical professional.

(y) ''Short-term respite child care'' means child care service to assist families whose children have been identified through written referral from a legal, medical, or social service agency, or emergency shelter as being neglected, abused, exploited, or homeless, or at risk of being neglected, abused, exploited, or homeless. Child care is provided for less than 24 hours per day in child care centers, treatment centers for abusive parents, family child care homes, or in the child's own home.

(z) (1) ''Site supervisor'' means a person who, regardless of his or her title, has operational program responsibility for a child care and development program at a single site. A site supervisor shall hold a permit issued by the Commission on Teacher Credentialing that authorizes supervision of a child care and development program operating in a single site. The Superintendent of Public Instruction may waive the requirements of this subdivision if the superintendent determines that the existence of compelling need is appropriately documented.

(2) In respect to state preschool programs, a site supervisor may qualify under any of the provisions in this subdivision, or may qualify by holding an administrative credential or an administrative services credential. A person who meets the qualifications of a site supervisor under both Section 8244 and subdivision (e) of Section 8360.1 is also qualified under this subdivision.

(aa) ''Standard reimbursement rate'' means that rate established by the Superintendent of Public Instruction pursuant to Section 8265.

(bb) ''Startup costs'' means those expenses an agency incurs in the process of opening a new or additional facility prior to the full enrollment of children.

(cc) ''State preschool services'' means part-day educational programs for low-income or otherwise disadvantaged prekindergarten-age children.

(dd) ''Support services'' means those services which, when combined with child care and development services, help promote the healthy physical, mental, social, and emotional growth of

children. Support services include, but are not limited to: protective services, parent training, provider and staff training, transportation, parent and child counseling, child development resource and referral services, and child placement counseling.

(ee) ''Teacher'' means a person with the appropriate permit issued by the Commission on Teacher Credentialing who provides program supervision and instruction which includes supervision of a number of aides, volunteers, and groups of children.

(ff) ''Workday'' means the time that the parent requires temporary care for a child for any of the following reasons:

(1) To undertake training in preparation for a job.

(2) To undertake or retain a job.

(3) To undertake other activities that are essential to maintaining or improving the social and economic function of the family, are beneficial to the community, or are required because of health problems in the family.

SEC. 2. Section 8208.1 is added to the Education Code, to read:

8208.1. Child care exempt from licensure is a valid parental choice of care for all programs provided for under this part, and no provision of this part shall be construed to exclude or discourage the exercise of that choice.

SEC. 3. Section 8216 is added to the Education Code, to read:

8216. When making referrals, every agency operating both a direct service program and a resource and referral program shall provide at least four referrals, at least one of which shall be a provider over which the agency has no fiscal or operational control, as well as information to a family on the family's ability to choose a license exempt provider.

SEC. 4. Section 8225 is added to the Education Code, to read:

8225. When making referrals, every agency operating both a direct service program and an alternative payment program shall provide at least four referrals, at least one of which shall be a provider over which the agency has no fiscal or operational control, as well as information to a family on the family's ability to choose a license exempt provider.

SEC. 5. Section 8263 of the Education Code is amended to read:

8263. (a) The Superintendent of Public Instruction shall adopt rules and regulations on eligibility, enrollment, and priority of services needed to implement this chapter. In order to be eligible for federal and state subsidized child development services, families shall meet at least one requirement in each of the following areas:

(1) A family is (A) a current aid recipient, (B) income eligible, (C) homeless, or (D) one whose children are recipients of protective services, or whose children have been identified as being abused, neglected, or exploited, or at risk of being abused, neglected, or exploited.

(2) A family needs the child care service because the child is identified by a legal, medical, social service agency, or emergency shelter as (A) a recipient of protective services, (B) being neglected, abused, or exploited, or at risk of neglect, abuse, or exploitation, or (C) having a medical or psychiatric special need which cannot be met without provision of child day care, or the parents are (i) engaged in vocational training leading directly to a recognized trade, paraprofession, or profession, (ii) employed or seeking employment, (iii) seeking permanent housing for family stability, or (iv) incapacitated, including a medical or psychiatric special need which cannot be met without provision of child day care.

(b) Except as provided in Article 15.5 (commencing with Section 8350), priority for state and federally subsidized child development services is as follows:

(1) First priority shall be given to neglected or abused children who are recipients of child protective services, or recipients who are at risk of being neglected or abused, upon written referral from a legal, medical, or social service agency. When an agency is unable to enroll a child in the first priority category, the agency shall refer the family to local resource and referral services to locate services for the child.

(2) Second priority shall be equally given to eligible families, regardless of the number of parents in the home, who are income eligible. Within this priority, families with the lowest gross monthly income in relation to family size, as determined by a schedule adopted by the superintendent, shall be admitted first. When two or more families are in the same priority in relation to income, the family that has been on the waiting list for the longest amount of time shall be admitted first. For purposes of determining order of admission, the grants of public assistance recipients shall be counted as income.

(3) The superintendent shall set criteria for and may grant specific waivers of the priorities established in this subdivision for agencies that wish to serve specific populations, including disabled children or children of prisoners. These new waivers shall not include proposals to avoid appropriate fee schedules or admit ineligible families, but may include proposals to accept members of special populations in other than strict income order, as long as appropriate fees are paid.

(c) Notwithstanding any other provision of law, in order to promote continuity of services, a family enrolled in a state or federally funded child care and development program whose services would otherwise be terminated because the family no longer meets the program income, eligibility, or need criteria may continue to receive child development services in another state or federally funded child care and development program if the contractor is able to transfer the family’s enrollment to another program for which the

family is eligible prior to the date of termination of services or to exchange the family's existing enrollment with the enrollment of a family in another program, provided that both families satisfy the eligibility requirements for the program in which they are being enrolled. The transfer of enrollment may be to another program within the same administrative agency or to another agency that administers state or federally funded child care and development programs within that county.

(d) A physical examination and evaluation, including age-appropriate immunization, shall be required prior to, or within six weeks of, enrollment. No standard, rule, or regulation shall require medical examination or immunization for admission to a child care and development program of a child whose parent or guardian files a letter with the governing board of the child care and development program stating that the medical examination or immunization is contrary to his or her religious beliefs, or provide for the exclusion of a child from the program because of a parent or guardian having filed the letter. However, whenever there is good cause to believe that a child is suffering from a recognized contagious or infectious disease, the child shall be temporarily excluded from the program until the governing board of the child care and development program is satisfied that any contagious or infectious disease does not exist.

(e) Regulations formulated and promulgated pursuant to this section shall include the recommendations of the State Department of Health Services relative to health care screening and the provision of health care services. The superintendent shall seek the advice and assistance of these health authorities in situations where service under this chapter includes or requires care of ill or disabled children.

(f) The superintendent shall establish a fee schedule for families utilizing child care and development services pursuant to this chapter, which shall include, but not be limited to, the following restrictions:

(1) No fees shall be assessed for families whose children are enrolled in the state preschool program.

(2) A contractor or provider may require parents to provide diapers. A contractor or provider offering field trips either may include the cost of the field trips within the service rate charged to the parent or may charge parents an additional fee. No federal or state money shall be used to reimburse parents for the costs of field trips if those costs are charged as an additional fee. A contractor or provider that charges parents an additional fee for field trips shall inform parents, prior to enrolling the child, that a fee may be charged and that no reimbursement will be available. A contractor or provider may charge parents for field trips or require parents to provide diapers only under the following circumstances:

(A) The provider has a written policy that is adopted by the agency's governing board that includes parents in the decisionmaking process regarding both of the following:

(i) Whether or not, and how much, to charge for field trip expenses.

(ii) Whether or not to require parents to provide diapers.

(B) The maximum total of charges per child in a contract year does not exceed twenty-five dollars ($25).

(C) No child is denied participation in a field trip due to the parent's inability or refusal to pay the charge. No adverse action shall be taken against any parent for that inability or refusal.

Each contractor or provider shall establish a payment system that prevents the identification of children based on whether or not their parents have paid a field trip charge.

Expenses incurred and income received for field trips pursuant to this section, shall be reported to the State Department of Education. The income received for field trips shall be reported specifically as restricted income.

(g) The superintendent shall establish guidelines for the collection of employer-sponsored child care benefit payments from any parent whose child receives subsidized child care and development services. These guidelines shall provide for the collection of the full amount of the benefit payment, but not to exceed the actual cost of child care and development services provided, notwithstanding the applicable fee based on the fee schedule.

(h) The superintendent shall establish guidelines according to which the director or a duly authorized representative of the child care and development program will certify children as eligible for state reimbursement pursuant to this section.

(i) No public funds shall be paid directly or indirectly to any agency that does not pay at least the minimum wage to each of its employees.

SEC. 6. Section 8263.1 is added to the Education Code, to read:

8263.1. (a) For purposes of this chapter, ''income eligible'' means that a family's adjusted monthly income is at or below 75 percent of the state median income, adjusted for family size, and adjusted annually.

(b) As of January 1, 1998, children in subsidized child care programs with an exit criteria of 100 percent of the state median income, whose family income adjusted for family size, is above 75 percent of the state median income shall not be displaced and shall continue to receive child care services as long as they continue to meet the criteria that apply to the program on December 31, 1997. The parent fee schedule for these programs in effect on December 31, 1997, shall continue to be applied until the department adopts a new fee schedule that applies to these families.

SEC. 7. Section 8277.5 is added to the Education Code, to read:

8277.5. (a) Subject to appropriation in the annual Budget Act, the Child Care and Development Facilities Loan Guaranty Fund and the Child Care and Development Facilities Direct Loan Fund are hereby established in the State Treasury. The Superintendent of Public Instruction may transfer state funds appropriated for child care facilities enhancement and the proceeds derived from any future sales of tax-exempt child care and development facilities bonds into these funds.

(b) (1) Moneys deposited in the Child Care and Development Facilities Loan Guaranty Fund shall be used for the purpose of guaranteeing private sector loans to sole proprietorships, partnerships, proprietary and nonprofit corporations, and local public agencies for the purchase, development, construction, expansion, or improvement of licensed child care and development facilities, and for the purpose of administering the guarantees of these loans. The loan guarantees shall be made in accordance with the priorities and guidelines promulgated by the Department of Housing and Community Development, as set forth in Section 8277.6. The full faith and credit of the State of California is not pledged to the Child Care and Development Facilities Loan Guaranty Fund and the state is not liable for loan defaults that exceed the amount of funds deposited with the Child Care and Development Facilities Loan Guaranty Fund.

(2) A loan guarantee made pursuant to this section may not exceed 80 percent of the principal amount of a private sector loan guaranteed by the fund and shall be used only to guarantee a private sector loan for the purchase, development, construction, expansion, or improvement of facilities described in Section 8277.6 and for related equipment and fixtures, but shall not be used primarily to refinance an existing loan or for working capital, supplies, or inventory. A loan guarantee for improvements shall be limited to those improvements necessary for any of the following purposes:

(A) To obtain, maintain, renew, expand, or revise a child care license.

(B) To make necessary health and safety improvements.

(C) To make seismic improvements.

(D) To provide access for disabled children.

(3) The aggregate amount of outstanding loan guarantees shall not exceed four times the amount in the Child Care and Development Facilities Loan Guaranty Fund.

(4) A loan guarantee made pursuant to this section shall be for the term of the loan or 20 years, whichever is less. Security for the loan guarantee shall include a deed of trust or mortgage that may be subordinated to other liens, personal guarantees of shareholders and partners in the case of proprietary borrowers, and other reasonably available collateral. Default provisions and other terms shall be

reasonable and designed to obtain prompt and full repayment of the guaranteed loan by the borrower. Reasonable loan guarantee fees and points designed solely to cover the administrative costs of managing the Child Care and Development Facilities Loan Guaranty Fund may be charged to applicants and borrowers.

(5) A loan guarantee made pursuant to this section shall only be granted if the applicant agrees to provide child care in a facility for a period of 20 years or the term of the guaranteed loan, whichever is less.

(6) A loan guarantee made pursuant to this section terminates 90 days after the lender's receipt of notice that the recipient has either ceased making payments or providing child care in the facility for which the loan was made, or both, unless the lender takes action to accelerate the loan. If a family day care provider ceases to operate, but retains its three-year license, the provider shall give notice to the Department of Housing and Community Development and the lending institution of its intention to resume offering child care services for the term of its license, or shall provide notice of its intention to cease providing child care services. The Child Care and Development Facilities Loan Guaranty Fund is not liable for a default occurring after the loan guarantee has ended.

(c) (1) Moneys deposited in the Child Care and Development Facilities Direct Loan Fund shall be used for the purpose of making subordinated direct loans to sole proprietorships, partnerships, proprietary and nonprofit corporations, and local public agencies for the purchase, development, construction, expansion, or improvement of licensed child care and development facilities, and for the purpose of administering these loans. The direct loans shall be made in accordance with the priorities and guidelines promulgated by the Department of Housing and Community Development, as set forth in Section 8277.6. The full faith and credit of the State of California is not pledged to the Child Care and Development Facilities Direct Loan Fund and the state is not liable for loan defaults that exceed the amount of funds deposited in the Child Care and Development Facilities Direct Loan Fund.

(2) A loan made pursuant to this section may not exceed 50 percent of the total amount of investment for the purchase, development, expansion, or improvement of eligible child care and development facilities as described in Section 8277.6 and for related equipment and fixtures, but may not be used to refinance an existing loan, for working capital, for supplies, or for inventory. A loan made pursuant to this section may not exceed 20 percent of the total amount of investment if the same facility is also utilizing a loan guarantee pursuant to subdivision (b). Investment for purposes of this paragraph means the total cost paid or incurred by the applicant in constructing, renovating, or acquiring a facility. A direct loan for

improvements shall be limited to those improvements necessary for any of the following purposes:

(A) To obtain, maintain, renew, expand, or revise a child care license.

(B) To make necessary health and safety improvements.

(C) To make seismic improvements.

(D) To provide access for disabled children.

(3) The term of a loan made pursuant to this section may not exceed 20 years. Security for the loan shall include a deed of trust or mortgage that may be subordinated to other liens, personal guarantees of shareholders and partners in the case of proprietary borrowers, and other reasonably available collateral. The interest rate, payment provisions, late charges, and other terms may vary based on the ability of the borrower to repay the loan, but shall be reasonable and designed to obtain prompt and full repayment of the loan by the borrower. Reasonable loan fees and points designed solely to cover the administrative costs of managing the fund may be charged to applicants and borrowers.

(d) Funds appropriated for the purposes of this section and Section 8277.6 shall be made from funds that are not designated as meeting the state's minimum funding obligation under Section 8 of Article XVI of the California Constitution.

SEC. 8. Section 8277.6 is added to the Education Code, to read:

8277.6. (a) The Department of Housing and Community Development shall administer the Child Care and Development Facilities Loan Guaranty Fund and the Child Care and Development Facilities Direct Loan Fund.

(b) Eligible applicants for the loan guaranty program and the direct loan program shall include sole proprietorships, partnerships, proprietary and nonprofit corporations, and local public agencies that provide licensed child care and development services. Facilities that primarily serve households with incomes not exceeding 75 percent of the local median income, as determined from time to time by the United States Department of Housing and Urban Development, shall be given priority in loan guarantees and direct loans made pursuant to this section and Section 8277.5. Eligible facilities shall include full-day and part-day child care and development facilities and family child care homes serving more than six children.

(c) Loan guarantees and direct loans for family child care homes serving more than six children are limited to loans for repairs and renovation that are required to maintain a license or, if the family child care provider is otherwise qualified for a license for more than six children, to repairs, renovations, and additions required to obtain a license for more than six children. A family child care home provider shall provide evidence from the community care licensing division that the repairs, renovations, or additions are required to

maintain the license or obtain a license for more than six children. Loan guarantees and direct loans for family child care homes shall not be made for the purpose of purchasing a home or any real property.

(d) The State Department of Education shall provide program priorities that shall govern the ranking of applications by the Department of Housing and Community Development. These priorities shall include, but are not limited to, the following:

(1) Geographic priorities based on the extent of need for child care and development supply-building efforts in different parts of the state.

(A) Not less than 30 percent of the loan guarantee and direct loan obligations shall benefit providers located in rural areas, as defined in subparagraph (B). If the amount of qualified applications from rural providers is insufficient to satisfy this requirement, the excess capacity reserved for rural providers may be made available to other qualified applications according to the policies and procedures of the Department of Housing and Community Development. The remaining 70 percent of funds shall be available to rural or urban areas and other priorities in accordance with this subdivision.

(B) For purposes of subdivision (a), rural communities are defined by any county with fewer than 400 residents per square mile.

(2) Age priorities based on the extent of need for child care and development supply-building efforts for children of different age groups.

(3) Income priorities based on the extent of need for child care and development supply-building efforts to benefit families transitioning to work or other lower income families.

(4) Program priorities based on the extent of facilities needs among specific kinds of providers, including those that contract to administer state and federally funded child care and development programs administered by the State Department of Education, providers who have lost classrooms due to class size reduction or other state or local initiatives, or providers that need to expand to meet the needs of a child care initiative for recipients of aid under Chapter 3 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program.

(e) The program priorities shall reflect input from and consultation with a panel of volunteer advisers that includes representatives of diverse sectors of the child care and development field, financial institutions, local planning councils, the Child Development Programs Advisory Committee, and the State Department of Social Services for purposes of identifying communities with high percentages of recipients of aid under Chapter 3 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, who need child care to meet work requirements. The Department of Housing and Community Development shall assess and report

annually, commencing within 12 months of implementation of this section to the Legislature, after consultation with the State Department of Education, on the performance, effectiveness, and fiscal standing of the Child Care and Development Facilities Loan Guaranty Fund and the Child Care and Development Facilities Direct Loan Fund. The report shall include information on the number of defaults, the types of facilities in default, and a review of the adequacy of the set-aside for rural areas specified in paragraph (1) of subdivision (e) of Section 82776.

(f) The Department of Housing and Community Development shall establish regulations, guidance, forms, policies and procedures for implementing and managing the Child Care and Development Facilities Loan Guaranty Fund and the Child Care and Development Facilities Direct Loan Fund and making the loan guarantees and direct loans authorized hereunder, consistent with priorities provided by the State Department of Education. To the extent feasible, the Department of Housing and Community Development shall use applicant fees and points to cover its administrative costs. The Department of Housing and Community Development may utilize an amount of money from the Child Care and Development Facilities Loan Guaranty Fund and the Child Care and Development Facilities Direct Loan Fund, as appropriate, for reasonable administrative costs in any given fiscal year that shall not exceed the lesser of 3 percent of the principal amount of loans guaranteed or direct loans made, as appropriate, during that fiscal year or 3 percent of the balance of funds currently in the Child Care and Development Facilities Loan Guaranty Fund or Child Care and Development Facilities Direct Loan Fund, as appropriate.

(g) The Department of Housing and Community Development shall establish guidelines for serving family day care homes efficiently, including, but not limited to, making loans available from the Child Care and Development Facilities Direct Loan Fund to local microenterprise loan funds and other lenders who may relend the funds in appropriate amounts to eligible family day care home providers or by authorizing a specified amount of guarantees of small loans by local microenterprise loan funds and other lenders serving eligible family day care home providers.

SEC. 9. Section 8286 of the Education Code is amended to read:

8286. The Governor shall appoint an advisory committee composed of one representative from the State Board of Education, one representative of private education, one representative of child welfare, one representative of private health care, two representatives of proprietary child care agencies, one representative of a community action agency qualified under Title II of the Economic Opportunity Act of 1969, two representatives of family day care homes, one representative of a child care provider exempt from licensure, five parents of children participating in child

care programs of whom at least three shall be parents of children participating in publicly subsidized child development programs, and one shall be a parent of a child receiving care from a child care provider exempt from licensure, appointed from names selected by a democratic process to assure representation of the parents of children being served, four persons representing professional or civic groups or public or nonprofit private agencies, organizations or groups concerned with child development, one person who administers a public school child care program established pursuant to Article 22 (commencing with Section 8460), one person who administers a county office of education schoolage child care program established pursuant to Article 22 (commencing with Section 8460), and one teacher currently serving in a public school children's center.

The advisory committee shall also include one representative from the State Department of Education appointed by the Superintendent of Public Instruction, and one representative each from the Employment Development Department, the State Department of Social Services, the State Department of Health Services, and the State Department of Developmental Services, appointed by the respective director of each department.

The advisory committee shall assist the State Department of Education in developing a state plan for child development programs pursuant to this chapter.

The advisory committee shall provide ongoing coordination and communication to local child care planning councils to facilitate activities and provide technical assistance as needed.

The advisory committee shall continually evaluate the effectiveness of those programs and shall report thereon at each regular session of the Legislature.

The advisory committee shall assist in and coordinate the drafting of guidelines for local planning councils pursuant to Chapter 2.5 (commencing with Section 8499) of Part 6. The advisory committee shall request state and local agencies to submit suggested guidelines. The final guidelines shall be drafted and adopted by the committee, in consultation with local child care agencies, local planning councils, the Secretary of Child Development and Education, the State Department of Education, and the State Department of Social Services. The guidelines shall include, but not be limited to, provisions for assessing child care supply, demand, cost, and facility needs, in terms of age, family income level, special needs, and multilingual and multicultural backgrounds. Guidelines developed for programs administered by the State Department of Education shall be concurred in by the department.

SEC. 10. Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code is repealed.

SEC. 11. Article 15.5 (commencing with Section 8350) is added to Chapter 2 of Part 6 of the Education Code, to read:

Article 15.5. Child Care for Recipients of the CalWORKs Program

8350. (a) It is the intent of the Legislature in enacting this article to ensure that recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, and former recipients who have left aid for employment, are connected as soon as possible to local child care resources, make stable child care arrangements, and continue to receive subsidized child care services after they no longer receive aid as long as they require those services and meet the eligibility requirements set forth in Sections 8263 and 8263.1.

(b) This article establishes three stages of child care services through which a recipient of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, will pass. Further, as families' child care needs are met by county welfare departments and later by other local child care and development contractors, it is the intent of the Legislature that families experience no break in their child care services due to a transition between the three stages of child care services.

8351. (a) The county welfare department shall manage the first stage during which a family shall receive a child care subsidy for any legal care chosen by the parent. The first stage begins upon the entry of a person into the program prescribed by Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code. A county shall move recipients out of this first response stage as quickly as possible after the county determines that the need for child care is stable. A recipient may be served in this stage for a maximum of six months. The six-month time limit may be extended if the county determines that the recipient's situation is too unstable to be shifted to the second stage or if no funds are available to provide child care services in the second stage.

(b) A county may contract with public or private child care providers to provide any or all of the services during the first stage. If the county welfare department elects to contract with any child care provider that is also under contract with the State Department of Education, these contracts shall be consistent with state law.

8352. As soon as appropriate, a county welfare department shall refer families needing child care services to the local child care resource and referral program funded pursuant to Article 2 (commencing with Section 8210). Resource and referral program staff shall colocate with a county welfare department's case management offices for aid under Chapter 2 (commencing with

Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, or arrange other means of swift communication with parents and case managers of this aid. The local child care resource and referral program shall assist families to establish stable child care arrangements as soon as possible. These child care arrangements may include licensed and license-exempt care.

8353. The second stage begins when the county determines that the recipient's work or approved work activity is stable or when a recipient is transitioning off of aid and child care is available through a local stage two program. The local stage two agency shall assist in moving families to stage three as quickly as feasible. No family may continue to receive child care in stage two beyond two years after it is no longer eligible for aid. The second stage shall be administered by agencies contracting with the State Department of Education. These contractors may be either agencies that have an alternative payment contract pursuant to Section 8220.1 or county welfare departments that choose to administer this stage in order to continue to provide child care services for recipients or former recipients of aid. If the county chooses to contract with the department to provide alternative payment services, this contract shall not displace, or result in the reduction of an existing contract of, a current alternative payment program.

8354. (a) The third stage begins when a funded space is available for CalWORKs recipients, persons who received a lump-sum diversion payment, and former CalWORKs participants who are regularly employed at a wage that does not exceed 75 percent of the state median income. The third stage shall be administered by programs contracting with the State Department of Education. Parents' eligibility for child care and development services will be governed by Section 8263 and regulations adopted by the State Department of Education.

(b) In order to move welfare recipients and former recipients from their relationship with county welfare departments to relationships with institutions providing services to working families, it is the intent of the Legislature that families that are former recipients of aid, or are transitioning off aid, receive their child care assistance in the same fashion as other low-income working families. Therefore, it is the intent of the Legislature that families no longer rely on county welfare departments to obtain child care subsidies beyond the time they are receiving other services from the welfare department.

(c) A county welfare department shall not administer the third stage of child care for CalWORKs recipients except to the extent to which it delivered those services to families receiving, or within one year of having received, Aid to Families with Dependent Children prior to the enactment of this section.

(d) This article does not preclude county welfare departments from operating an alternative payment program under contract with the State Department of Education to serve families referred by child protective services.

8355. Child care during the third stage may be funded with moneys dedicated to current and former recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, including the federal funds appropriated to alternative payment program contractors in the 1996–97 fiscal year using the Budget Act's Section 28 process as described in subdivision (b). Nothing shall prevent child care services provided under stage three from being funded with moneys from other federal or state sources. Nothing in this article shall preclude current and former recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, from receiving child care services pursuant to other provisions of this chapter.

8356. It is the intent of the Legislature that the State Department of Education work with Head Start and state preschool programs to generate extended-day and evening care for recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, through recruiting and training parents to be licensed and license-exempt care providers and shall facilitate connections between Head Start and state preschool contractors and child care certificate administrators, including counties and other alternative payment programs, so that funds available for Sections 8351, 8353, and 8354 cover the cost of this care.

8356.1. It is the intent of the Legislature that each county receive funding for child care services provided in stage two that is at least equivalent to the amount of funding received in the 1996–97 fiscal year for income disregard pursuant to Section 11451.6 of the Welfare and Institutions Code and supplemental child care pursuant to Section 11451.7 of the Welfare and Institutions Code.

8357. (a) The cost of child care services provided under this article shall be governed by regional market rates. Recipients of child care services provided pursuant to this article shall be allowed to choose the child care services of licensed child care providers or child care providers who are, by law, not required to be licensed, and the cost of that child care shall be reimbursed by counties or agencies that contract with the State Department of Education if the cost is within the regional market rate. For purposes of this section, ''regional market rate'' means care costing no more than 1.5 market standard deviations above the mean cost of care for that region.

(b) Reimbursement to child care providers shall not exceed the fee charged to private clients for the same service.

(c) Reimbursement shall not be made for child care services when care is provided by parents, legal guardians, or members of the assistance unit.

(d) A child care provider located on an Indian reservation or rancheria and exempted from state licensing requirements shall meet applicable tribal standards.

(e) For purposes of this section, ‘‘reimbursement’’ means a direct payment to the provider of child care services. However, to allow time for the development of the administrative systems necessary to issue direct payments to providers, for a period not to exceed six months from the effective date of this article, a county may reimburse the cost of child care services through a direct payment to a recipient of aid rather than to the child care provider.

(f) Counties and alternative payment programs shall not be bound by the rate limits described in subdivision (a) when there are, in the region, no more than two child care providers of the type needed by the recipient of child care services provided under this article.

8358. (a) By January 31, 1998, the State Department of Education and the State Department of Social Services shall design a form for license-exempt child care providers to use for certifying health and safety requirements to the extent required by federal law. Until the form is adopted, the information required pursuant to Section 11324 of the Welfare and Institutions Code shall continue to be maintained by the county welfare department or contractor, as appropriate.

(b) By January 31, 1998, the State Department of Education and the State Department of Social Services shall do all of the following:

(1) Design a standard process for complaints by parents about the provision of child care that is exempt from licensure.

(2) Design, in consultation with local planning councils, a single application for all child care programs and all families.

(3) Present recommendations to the Legislature on ways to consolidate state and federal child care programs.

(c) County welfare departments and alternative payment programs shall encourage all providers who are licensed or who are exempt from licensure and who are providing care under Section 8151, 8153, or 8155, to secure training and education in basic child development.

(d) The State Department of Education shall increase consumer education and consumer awareness activities so that parents will have the information needed to seek child care of high quality. High quality child care shall include both licensed and license-exempt care.

8359. (a) County welfare departments and alternative payment programs shall provide to the State Department of Education or the State Department of Social Services, whichever is appropriate, and

the local planning council, on a quarterly basis, data about child care usage and demand in each of the three stages. The State Department of Education and the State Department of Social Services shall forward this data quarterly to the Department of Finance and the Joint Legislative Budget Committee for fiscal planning.

(b) By January 10 of each year, the Department of Finance shall present to the respective legislative budget committees an estimate of the cost of funding the expected demand for child care as described in subdivision (a) of Section 8351 and Sections 8353 and 8354.

8359.1. (a) It is the intent of the Legislature in enacting this article to provide sufficient funding through an appropriation in the annual Budget Act to fund the estimated cost of providing child care for all individuals who are anticipated to need child care to participate in the welfare-to-work programs and to transition to work.

(b) It is the intent of the Legislature that child care and development contracts in existence on the effective date of this section be allowed to continue until the end of the 1997–98 fiscal year.

(c) Funding for purposes of implementing this article shall be appropriated in the annual Budget Act.

SEC. 12. Section 8481 is added to the Education Code, to read:

8481. (a) Subject to appropriation in the annual Budget Act, for the purpose of the program in this article, the Superintendent of Public Instruction may allocate funds for the establishment of school-based schoolage before and after school programs that include homework and tutoring assistance, improve literacy skills, and provide recreational activities, as well as facilitate the transition from welfare to work by providing child care for schoolage children and potential employment for welfare recipients who are parents of children enrolled in schoolage child care programs.

(b) A before and after school program, whether public, private, or school district operated, in collaboration with other local governmental agencies, may apply to the State Department of Education for funding under this article. A before and after school program that receives funding pursuant to this article may participate in any other grant programs that fund literacy and technology activities.

(c) In order to achieve the goals of assisting children in learning, providing parents with employment and parenting skills, providing a safe environment for children, and helping prevent crime in neighborhoods, a program funded under this article shall be a collaborative effort with a school district, and may also include collaboration with any combination of the following: other school districts, community college districts, counties, cities, community-based organizations, not-for-profit organizations, the local agency that provides the Even Start Family and Head Start

literacy programs or their equivalent programs, and the private sector.

(d) In selecting programs for funding under this article, the department shall use the standards set forth in Section 8463 and all of the following criteria:

(1) Programs shall have demonstrated experience in implementing quality before or after-school child development programs.

(2) Programs shall demonstrate the inclusion of a strong literacy component.

(3) Programs shall demonstrate a working collaboration with entities listed in subdivision (d), including Even Start Family and Head Start literacy program providers, to the extent that these programs exist in the service area.

(e) Notwithstanding Section 8468, in allocating funds pursuant to this article, preference shall be given to programs that currently employ recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, who are parents of children enrolled in the applicant programs or that have a demonstrated commitment to providing employment opportunities for those recipients of aid, or both.

(f) Funding received by a before and after school program pursuant to this article may be renewed and is contingent upon the following:

(1) Compliance with the requirement of subdivision (d), the criteria set forth in subdivision (e), and the priorities set forth in subdivision (f).

(2) A favorable evaluation completed by the State Department of Education pursuant to Section 8498.8 or an evaluation that meets the standards of the department.

(3) Programs shall demonstrate that they are receiving locally generated resources from other than federal and state sources, which may include in-kind contributions.

(g) (1) A program established under this section may employ parents of schoolage children who are participating in the program established pursuant to Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, and may employ those parents in the schools attended by their own children. Parents employed pursuant to this subdivision may also participate in training programs at least six hours per week, in order to help them understand child development, learn parenting skills, and obtain skills for employment in either an educational or child care setting. Employment in the program may fulfill a participant’s employment requirements under Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code.

(2) A program shall also be encouraged to hire older siblings of children in the program whose families receive aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, to work in either the program's literacy or recreation components. It is the intent of this subdivision that hiring teenagers from families that receive aid under this Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, will provide an additional source of income for these families.

(3) All program participants shall be assessed before they work with children to determine their skills and literacy development and a criminal background check on each participant shall be completed before that participant begins to work with children. Participants shall be supervised by qualified staff.

(4) (A) Notwithstanding any other provision of law, but subject to subparagraph (B), programs operating under this article that use recipients of aid under Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, may count those recipients as staff members for purposes of determining compliance with staffing ratio requirements.

(B) Teenage siblings used by programs operating under this article may not be included in computing compliance with staffing ratio requirements.

(5) Notwithstanding any other provisions of law, programs operating under this section may extend their hours of operation beyond 20 hours per week.

(h) A program established pursuant to this section shall assist the children of recipients of aid under Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program, and other children to complete homework, improve literacy skills, that shall include, but not be limited to, reading, writing, mathematical, and computer skills, and participate in recreational activities.

(i) Programs funded under this section shall provide training on how to work with children on reading, writing, listening, and speaking. This training shall be provided in collaboration with an Even Start Family or Head Start literacy program, or their equivalent programs.

(j) (1) Notwithstanding Sections 8468 and 8473, priority for funding shall be given to schoolsites where a minimum of 70 percent of the children are eligible for, or are recipients of, either aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code or free or reduced-cost meals through the school lunch program.

(2) Priority for enrollment in programs funded under this section shall be given in accordance with Section 8468.5.

(k) Programs funded under this section shall be encouraged to take advantage of free snack programs administered by the United States Department of Agriculture.

(*l*) It is the intent of this article, by providing a safe, supervised after-school environment for children, including those teens employed by a program, to reduce criminal activity among juveniles, and to strengthen parent-child relationships and communities by involving parents in their children's schoolwork and schools.

(m) Notwithstanding Section 8360.1 or any other provision of law, college courses in recreation, art, mathematics, and physical and social development that would enhance the education of schoolage children may be considered to meet course requirements in child development.

SEC. 13. Chapter 2.3 (commencing with Section 8499) is added to Part 6 of the Education Code, to read:

CHAPTER 2.3. LOCAL PLANNING COUNCILS

Article 1. Definitions

8499. For purposes of this chapter, the following definitions shall apply:

(a) ''Block grant'' means the block grant contained in Title VI of the Child Care and Development Fund, as established by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (Public Law 104-193).

(b) ''Child care'' means all licensed child care and development services and license-exempt child care, including, but not limited to, private for-profit programs, nonprofit programs, and publicly funded programs, for all children up to and including 13 years of age, including children with special needs and children from all linguistic and cultural backgrounds.

(c) ''Child care provider'' means a person who provides child care services or represents persons who provide child care services.

(d) ''Community representative'' means a person who represents an agency or business that provides private funding for child care services, or who advocates for child care services through participation in civic or community-based organizations but is not a child care provider and does not represent an agency that contracts with the State Department of Education to provide child care and development services.

(e) ''Consumer'' means a parent or person who receives, or who has received within the past 36 months, child care services.

(f) ''Department'' means the State Department of Education.

(g) ‘‘Local planning council’’ means a local child care and development planning council as described in Section 8499.3.

(h) ‘‘Public agency representative’’ means a person who represents a city, county, city and county, or local education agency.

Article 2. Membership and Funding of Local Child Care and Development Planning Councils

8499.3. (a) It is the intent of the Legislature that local child care and development planning councils shall provide a forum for the identification of local priorities for child care and the development of policies to meet the needs identified within those priorities.

(b) The county board of supervisors and the county superintendent of schools shall do both of the following:

(1) Select the members of the local planning council. Before making selections pursuant to this subdivision, the board of supervisors and the county superintendent of schools shall publicize their intention to select the members and shall invite local organizations to submit nominations. In counties in which the superintendent is appointed by the county board of education, the county board of education may make the appointment or may delegate that responsibility to the superintendent.

(2) Establish the term of appointment for the members of the local planning council.

(c) (1) The local planning council shall be comprised as follows:

(A) Twenty percent of the membership shall be consumers.

(B) Twenty percent of the membership shall be child care providers, reflective of the range of child care providers in the county.

(C) Twenty percent of the membership shall be public agency representatives.

(D) Twenty percent of the membership shall be community representatives, who shall not be child care providers or agencies that contract with the department to provide child care and development services.

(E) The remaining 20 percent shall be appointed at the discretion of the appointing agencies.

(2) The board of supervisors and the superintendent of schools shall each appoint one-half of the members. In the case of uneven membership, both appointing entities shall agree on the odd-numbered appointee.

(d) Every effort shall be made to ensure that the ethnic, racial, and geographic composition of the local planning council is reflective of the ethnic, racial, and geographic distribution of the population of the county.

(e) The board of supervisors and county superintendent of schools may designate an existing child care planning council or coordinated

child and family services council as the local planning council, as long as it has or can achieve the representation set forth in this section.

8499.5. (a) The department shall allocate funds for purposes of this chapter, on a county-by-county basis, within all counties, based on the amount of state and federal funding that is available. The department shall annually notify the local child care and development planning council in each county of the amount to be allocated within its county, and the timeline for these allocations.

(b) Upon approval by the county board of supervisors and the county superintendent of schools, each local planning council shall submit to the department the local priorities it has identified. The priorities shall be identified in a manner that ensures that all child care needs in the county are met to the greatest extent possible. To accomplish this, each local planning council shall do all of the following:

(1) Elect a chair and select a staff.

(2) Conduct an assessment of child care needs in the county no less than once every five years. The needs assessment shall take into consideration all of the following:

(A) The needs of families eligible for subsidized child care.

(B) The needs of families not eligible for subsidized child care.

(C) The waiting lists for programs funded by the department and the State Department of Social Services.

(D) The need for child care for children who have been abused or neglected or are at risk of abuse or neglect.

(E) The number of children receiving public assistance.

(F) Family income among families with preschool or schoolage children.

(G) The number of children of migrant workers.

(H) The number of children with special needs.

(I) The number of children from all identifiable linguistic and cultural backgrounds.

(J) Special needs based on geographic considerations, including rural areas.

(K) The age of children needing services.

(L) Any other factors deemed appropriate by the local planning council.

(3) Document information gathered during the needs assessment which shall include, but need not be limited to, data on supply, demand, cost, and market rates for each category of child care in the county.

(4) Encourage public input in the development of the priorities. Opportunities for public input shall include at least one public hearing during which members of the public can comment on the proposed priorities.

(5) Prepare a comprehensive countywide child care plan designed to mobilize public and private resources to address identified needs.

(6) Conduct a periodic review of child care programs funded by the department and the Department of Social Services to determine if identified priorities are being met.

(7) Collaborate with subsidized and nonsubsidized child care providers, county welfare departments and human service agencies, job training programs, employers, integrated child and family service councils, parent organizations, and other interested parties to foster partnerships designed to meet local child care needs.

(8) Design a system to consolidate local child care waiting lists.

(9) Coordinate part-day programs, including state preschool and Head Start, with other child care to provide full-day child care.

(10) Submit the results of the needs assessment and the local priorities identified by the local planning council to the board of supervisors and the county superintendent for approval before submitting them to the department.

(11) Review and comment on proposals submitted to the department that concern child care to be provided within the geographic area covered by the local planning council. These comments shall in no way be binding on the department in the determination of programs to be funded.

(12) Identify at least one, but no more than two persons from the local planning council, one selected by the board of supervisors and one selected by the county superintendent if two persons are identified, or one person selected by both appointing agencies, to serve as part of the department team that reviews and scores proposals for the provision of services funded through contracts with the department. Local planning council representatives shall not review and score proposals from the geographic area covered by their own local planning council.

(13) Develop and implement a training plan to provide increased efficiency, productivity, and facilitation of local planning council meetings. This may include developing a training manual, hiring facilitators, and identifying strategies to meet the objectives of the council.

(14) Provide consultation to the State Department of Education and the State Department of Social Services regarding the development of a single application and intake form for all federal and state subsidized child care and development services.

(c) No member of a local planning council shall participate in a vote if he or she has a proprietary interest in the outcome of the matter being voted upon.

(d) The department shall, in conjunction with the Department of Social Services and all appropriate statewide agencies and associations, develop guidelines for use by local planning councils to

assist them in conducting needs assessments that are reliable and accurate. The guidelines shall include acceptable sources of demographic and child care data, and methodologies for assessing child care supply and demand, including the supply and demand for license-exempt child care.

(e) The department shall allocate funding within each county in accordance with the priorities identified by the local planning council of that county and submitted to the department pursuant to this section, unless the priorities do not meet the requirements of state or federal law.

8499.7. It is the intent of the Legislature that any additional conditions imposed upon local planning councils shall be funded from available federal funds to the greatest extent legally possible.

SEC. 14. Chapter 2.5 (commencing with Section 8499) of Part 6 of the Education Code is repealed.

SEC. 15. Chapter 2 (commencing with Section 10200) is added to Part 7 of the Education Code, to read:

CHAPTER 2. CALWORKS RECIPIENTS: INSTRUCTIONAL AND JOB TRAINING PLAN

10200. (a) As used in this chapter, ''CalWORKs recipient'' means a parent or caretaker relative receiving aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program.

(b) The county superintendent of schools, the local community college districts, the local school districts that provide adult education, and the directors of other job training programs in the county shall develop a plan by March 31, 1998, that provides for instructional and job training services to CalWORKs recipients within that county. The plan shall be approved by the county welfare director. The plan shall include all of the following:

(1) An estimate of the number of CalWORKs recipients in that county that are expected to require education and job training services and a description of the types of services necessary to meet their needs, pursuant to the county plan required by Section 10530 of the Welfare and Institutions Code.

(2) An estimate of the number of spaces available in short-term classes that are offered as part of the regular course schedule at educational institutions that may be used by CalWORKs recipients in that county.

(3) An estimate of the number of full-time equivalent students and average daily attendance rates that will be generated by CalWORKs recipients at each institution in excess of the number of recipients attending these institutions in the 1996–97 fiscal year.

(4) Proposals for expansion of services and course offerings that are particularly suited for the needs of CalWORKs recipients.

(5) An analysis of job demand and employment opportunities within that county using currently available, up-to-date information, and an analysis of how the courses and job training programs will assist CalWORKs recipients in securing employment.

(6) A description of outreach efforts that will be undertaken to identify job opportunities for CalWORKs recipients who participate in instruction and job training courses.

SEC. 16. Section 72620.5 is added to the Education Code, to read:

72620.5. Commencing with the 1997–98 fiscal year, community college districts, to the extent that funding is provided in the annual Budget Act, may provide counseling and matriculation services for students enrolled in credit courses and students enrolled in noncredit courses, according to a welfare-to-work plan as provided in Section 11325.21 of the Welfare and Institutions Code.

SEC. 17. Article 5 (commencing with Section 79200) is added to Chapter 9 of Part 48 of the Education Code, to read:

Article 5. Curriculum Development for CalWORKs Recipients

79200. As used in this article, ''CalWORKs recipient'' means a recipient of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code or any successor program.

79201. It is the intent of the Legislature in enacting this article to assist CalWORKs recipients prepare for employment.

79202. To the extent that funding is provided in the annual Budget Act, a community college shall receive funding for educational services provided to CalWORKs recipients based on the number of CalWORKs recipients that are enrolled at the community college and the scope and number of programs that the college plans to offer to assist CalWORKs recipients obtain employment. Prior to receiving funding, a community college shall submit to the chancellor a Request for Application which contains a plan for curriculum development or redesign. The plan shall include all of the following:

(a) Evidence that the curriculum will prepare students for an occupation that is in demand in the local labor market or that is in an emerging field that has documented employment potential.

(b) Participation by the county welfare department to establish that the programs being developed or redesigned will provide CalWORKs recipients with the training and experience necessary to secure employment.

(c) Evidence of collaboration with local partners, such as employers, private industry councils, regional occupational programs, adult education providers, and affected counties in the development and design of the curriculum.

(d) Procedures to monitor CalWORKs recipients who complete the new curricula and transition into employment.

(e) A description of new courses for CalWORKs recipients that are designed to aid recipients with job-related advancement.

79203. To the extent that funding is provided in the annual Budget Act, funds received by a community college for curriculum development or redesign for CalWORKs recipients may be expended for all of the following purposes:

(a) To develop or redesign vocational curricula for CalWORKs recipients so that courses may be offered as part of a short-term intensive program, including Open Entry and Open Exit programs.

(b) To link CalWORKs courses to job placement through work experience and internships.

(c) To redesign basic education and ESL classes so that they may be integrated with vocational training programs.

(d) To expand the use of telecommunications in providing the new curricula to CalWORKs recipients.

SEC. 18. Section 84759 is added to the Education Code, to read:

84759. (a) As used in this section, the following terms mean:

(1) ''CalWORKs recipient'' means a recipient of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code, or any successor program.

(2) ''Direct excess costs'' means the fixed, variable, and one-time costs associated with providing noncredit instructional services to CalWORKs recipients, as determined by the chancellor's office.

(b) Notwithstanding any other provision of law, a community college district, to the extent funding is made available in the annual Budget Act, shall receive funding for noncredit instruction developed for and targeted to CalWORKs recipients, including funding to offset the direct excess cost of providing noncredit instruction to CalWORKs recipients when the cost of providing a specific course offering exceeds the average cost of noncredit instruction.

SEC. 19. Chapter 1.12 (commencing with Section 15365.50) is added to Part 6.7 of Division 3 of Title 2 of the Government Code, to read:

CHAPTER 1.12. JOB CREATION INVESTMENT FUND

15365.50. (a) There is hereby created in the State Treasury the Job Creation Investment Fund, to be administered by the Trade and Commerce Agency for the purpose of allocating funds to be used for job creation activities that will provide employment for recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code who are moving into the work force.

(b) It is the intent of the Legislature in enacting this chapter to begin to link economic development activities to welfare reform for the purpose of job creation. The initial year of the program provided for in this chapter shall be focused on providing local communities with seed money to maximize and target effective job creation models throughout the state, as quickly as possible, in order to assist in securing new private, unsubsidized employment for up to 500,000 persons receiving CalWORKs benefits.

(c) The Trade and Commerce Agency shall serve as the state agency responsible for coordinating economic development activities as they relate to welfare reform.

(d) Funds shall be deposited in the Job Creation Investment Fund by appropriation in the annual Budget Act.

15365.51. As used in this chapter, unless the context otherwise indicates:

(a) ''Agency'' means the Trade and Commerce Agency.

(b) ''Fund'' means the Job Creation Investment Fund.

(c) ''Applicant'' means a county or county joint powers authority consisting solely of counties.

(d) ''Recipient'' means a county or county joint powers authority consisting solely of counties.

15365.52. The agency shall provide lead agency responsibility for coordinating state policies and regulations to enhance and facilitate job creation for recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code based on local job creation plans.

15365.53. (a) The fund is intended to provide flexible funding for local job creation initiatives whenever possible, using, rather than duplicating, existing resources. Notwithstanding Section 13340 of the Government Code, the fund is hereby continuously appropriated without regard to fiscal years for the purposes of this chapter. The Treasurer shall invest moneys not needed to meet current obligations incurred pursuant to this chapter.

(b) Moneys in the fund shall be used by a recipient to either develop a strategic plan, in an amount not to exceed 50 percent of the recipient's allocation or two hundred fifty thousand dollars ($250,000), whichever is less, or to implement initiatives consistent with the plan, including, but not limited to, all of the following:

(1) Planning and coordination activities that lead to better local linkages between strategic economic planning and development of education and training curricula relevant to jobs that will exist locally.

(2) Packaging economic development and community development projects in a manner that can utilize capital financing mechanisms, such as the California Infrastructure and Economic Bank provided for pursuant to Chapter 2 (commencing with Section 63020) of Division 1 of Title 6.7.

(3) Development of localized labor market information that enables placement of recipients of and under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code in currently available, as well as future, jobs.

(4) Assistance in developing economic development strategies for business expansion and location opportunities, including work force preparation and other local training services for employees.

(5) Targeting economic development and job creation activities to emerging or growth industry clusters in the local area.

(6) Expansion of technical assistance to small business and manufacturers for activities, such as those designed to make business operations more economical or competitive, while providing jobs for welfare recipients.

(7) Permit streamlining services.

(8) One-stop centers for small business financing to coordinate funding resources for business expansion.

(9) Establishment of small business incubators to support the use of intermediary employers or microenterprise activities.

(10) Establishment and support of neighborhood development corporations pursuant to Section 15365.54.

(11) Matching of seed capital funds with private capital for community development projects.

(c) Interest earnings may be used by the agency to offset administrative costs.

15365.54. (a) As used in this chapter ‘‘neighborhood development corporation (NDC)’’ means a private, nonprofit organization that meets all of the following criteria:

(1) Is organized under the California Nonprofit Public Benefit Corporation Law.

(2) Has obtained a tax-exempt ruling from the Internal Revenue Service under Section 501(c)(3) of the federal Internal Revenue Code, and the Franchise Tax Board under Section 23701d of the Revenue and Taxation Code.

(3) Has its principal office in a distressed area.

(4) Has residents of the neighborhood serving as at least one-half of the members of the corporation’s board of directors who have demonstrated constructive contributions to the improvement of conditions in the neighborhood.

(5) Has established a commitment to offer services to the neighborhood to further its economic growth and independence.

(b) Any neighborhood development corporation funded under this chapter shall act to improve economic conditions in the neighborhood and assist in furthering access of neighborhood residents to jobs by providing directly or by providing a more accessible location for any of the following array of services as appropriate within the resources available to further the purposes of

this chapter. To the extent possible these services shall be provided through existing agencies, programs, and service delivery arrangements. These services shall include, but not be limited to:

(1) Employment and career counseling, job placement, adult education and vocational training services, utilizing to the maximum extent feasible CalWORKs, private industry councils, Job Training and Partnership Act, adult education, community college, and regional occupation programs. In addition, they may utilize the California Mentoring Initiative resources, private business training and employment programs, Vista and Americorps resources, Community Services Block Grants, and public employment and vocational rehabilitation agencies.

(2) Economic development and job creation activities designed to attract private capital into the community to provide technical or financial assistance to existing neighborhood businesses, to mobilize the resources of government, private business sector, private foundations, civic institutions, institutions of the faith community, and universities in order to target and concentrate economic development strategies to improve the economic conditions of the neighborhood. The corporation may provide for the development of business loan and marketing programs in concert with state and local public and private financing programs to further the purposes of this chapter.

15365.55. For the purposes of moneys appropriated to the fund, in its first year of operation, the agency shall operate the program in the following manner:

(a) The agency shall issue guidelines for local job creation plans for CalWORKs participants to counties within 30 days after the operative date of this chapter or November 1, 1997, whichever is later. These guidelines shall include only minimum plan requirements, and shall encourage local creativity and flexibility in developing local employment opportunities for welfare recipients or those at risk of becoming welfare recipients.

(b) County boards of supervisors or county joint powers authorities shall be the applicants for and the recipients of moneys allocated pursuant to this chapter. Each county board of supervisors that elects to apply for job creation funds shall appoint or designate a planning group to prepare a grant application and county resolution. The application shall include the scope of work, a timeline, a budget, and performance standards. The resolution shall be approved by the board of supervisors and submitted to the agency within 120 days after the guidelines are issued.

(c) If a county board of supervisors does not submit its resolution within 120 days, and grant application within 180 days, that county's allocation shall become available to all counties on a competitive basis. These grants shall be awarded based on criteria developed by the agency.

(d) Upon receipt of a grant application and county resolution the agency shall, within 60 days, approve the application and allocate job creation funds to the board of supervisors or notify the county of additional specific information needed to gain plan approval. Once any additional information is provided, the agency shall respond back to the county within 30 days.

(e) Subject to subdivision (f), moneys shall be distributed so as to ensure that each county receives not less than fifty thousand dollars ($50,000). The remainder shall be distributed to counties based on a formula that gives two-thirds weight, when compared to 1996 average monthly statewide totals, to the relative number of adult recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code in that county, and one-third weight, when compared to 1996 average monthly statewide totals, to the relative number of unemployed persons in the county.

(f) Each county shall receive a minimum of fifty thousand dollars ($50,000). Each county shall be required to identify a comprehensive group of local stakeholders to either develop a strategic plan or initiate job creation activities that can utilize, to the maximum extent possible, existing resources to target job creation opportunities for recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code in the county. The stakeholders shall include, but not be limited to, local governments, including the county welfare department, private business associations and employer groups, community-based organizations, community development corporations, economic development organizations, the nonprofit sector, advocates for recipients and low-income families, and the local work force preparation community. Whenever possible, existing local partnerships in which a significant number of the stakeholders are represented may be expanded to serve as the local welfare-to-work job creation task force.

(g) The agency shall disburse to each county 25 percent of the county's allocation under this section upon execution of a completed grant agreement. The resolution or grant application shall do at least the following:

(1) Designate a lead local economic development agency to act as the coordinator of the Welfare-to-Work Job Creation Task Force. Whenever possible, this lead agency shall be an existing public or nonprofit agency with a proven record of expertise and accomplishments in economic or community development.

(2) Provide an outline and timetable for the development of a strategic plan for the implementation of initiatives for recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code.

(3) Identify the stakeholders who will participate in the public process of strategic planning.

(h) The agency shall disburse 50 percent of the county's allocation under this section on a cost reimbursement basis for work performed pursuant to the grant agreement. The remainder of the county's allocation shall be disbursed when the agency has verified that job creation programs have been implemented that can reasonably lead to the creation of a substantial number of jobs needed for employment of CalWORKs recipients and when the terms of the grant agreement have been met.

15365.56. By April 1, 1998, or April of the first year in which this program is in operation, whichever is later, the agency shall compile the local strategic plans and report to the Governor and the chairs of the Assembly Committee on Budget and the Senate Committee on Budget and Fiscal Review and the chairs of the Senate Health and Human Services Committee and the Assembly Human Services Committee on the extent to which local plans have included each of the following:

(a) Analyses of the local economy and labor market to determine the number of net new jobs likely to be needed for the CalWORKs program, over the following five years.

(b) Inventories of local economic development activities and programs to determine what practices and procedures have proven successful in assisting employers to hire low-income workers.

(c) Models consistent with the county's general plan for welfare-to-work for local projects to create jobs for welfare clients.

(d) Regional strategic planning to more effectively target resources, such as joint powers agreements among rural counties or subcounty regional planning in very large counties.

(e) Recommendations for additional state actions to facilitate the success of these local plans for job creation.

15365.57. All moneys in the fund that have not been disbursed to recipients by June 30, 2002, shall revert to the General Fund.

15365.58. The agency shall adopt regulations to implement this chapter. The agency may adopt these regulations as emergency regulations in accordance with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, and for purposes of that chapter, including Section 11349.6, the adoption of the regulations shall be considered by the Office of Administrative Law to be necessary for the immediate preservation of the public peace, health and safety, and general welfare. Notwithstanding subdivision (e) of Section 11346.1, the regulations adopted pursuant to this section shall be repealed within 180 days after their effective date, unless the agency complies with Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, as provided for in subdivision (e) of Section 11346.1.

15365.59. This chapter shall become inoperative on July 1, 2002, and, as of January 1, 2003, is repealed, unless a later enacted statute, that becomes operative on or before January 1, 2003, deletes or extends the dates on which it becomes inoperative and is repealed.

SEC. 20. Section 1597.36 is added to the Health and Safety Code, to read:

1597.36. The department shall provide written documentation to providers of the need for repairs, renovations, or additions when requested for an application for a loan guarantee pursuant to subdivision (d) of Section 8277.6 of the Education Code whenever the repairs, renovations, or additions are required by the department in order for the licensee to maintain or obtain a license for more than six children.

SEC. 21. Chapter 17 (commencing with Section 50897) is added to Part 2 of Division 31 of the Health and Safety Code, to read:

CHAPTER 17. CALIFORNIA SAVINGS AND ASSET PROJECT

50897. If this chapter becomes operative pursuant to Section 50897.1, there shall be established a program that is consistent with the requirements of federal law, to be known as the California Savings and Asset Project. The Governor shall designate the agency or department that shall administer the project.

50897.1. This chapter shall become operative only if the state receives funds appropriated from a federal source other than the block grant of funds to this state under the federal Temporary Assistance for Needy Families program contained in Part A (commencing with Section 601) of Subchapter 4 of Chapter 7 of Title 42 of the United States Code, for the specific stated purpose of the establishment of an individual development account project.

50897.3. Any eligible person may establish an individual development account under this chapter through earned or unearned income of the individual or through funds made available for that purpose by public entities or private organizations for any of the following purposes:

(a) Direct payment for tuition or fees related to education.

(b) Qualified acquisition costs for a qualified principal residence.

(c) Transfer to a business capitalization account, established in a federally insured financial institution. Funds in a business capitalization account shall be exclusively for qualified business capitalization expenses consistent with a qualified plan.

(d) Direct payment to a qualified job training program for qualified job training expenses.

SEC. 22. Section 99155.1 is added to the Public Utilities Code, to read:

99155.1. (a) There shall be close coordination between local transit providers and county welfare departments in order to ensure

that transportation moneys available for purposes of assisting recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code are expended efficiently for the benefit of that population.

(b) In areas where public transit service is available, local transit providers shall consider giving priority in the use of transit funds to the enhancement of public transportation services for welfare-to-work purposes.

(c) In areas where public transit services are unavailable, local transit providers shall consider giving priority to transportation alternatives, such as, but not limited to, subsidies or vouchers, van pools, and contract paratransit operations, in order to promote welfare-to-work purposes.

SEC. 23. Section 1611.5 of the Unemployment Insurance Code is repealed.

SEC. 24. Section 1611.5 is added to the Unemployment Insurance Code, to read:

1611.5. (a) Notwithstanding Section 1611, the Legislature may appropriate from the Employment Training Fund twenty million dollars ($20,000,000) in the Budget Act of 1997 and twenty million dollars ($20,000,000) each year thereafter for training programs designed for workers who are current or recent recipients of benefits under the CalWORKs program pursuant to Section 10214.7.

(b) Funds available pursuant to the Budget Act of 1997 pursuant to this section that are not encumbered in the 1997–98 fiscal year may, upon appropriation by the Legislature, be carried over into the 1998–99 fiscal year for expenditures consistent with Section 10214.7.

SEC. 25. Section 10214.7 is added to the Unemployment Insurance Code, to read:

10214.7. The panel shall allocate funds available in the annual Budget Act for training programs designed for individuals who are currently working and receiving benefits under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code or who are currently working and have received CalWORKs benefits within one year of the commencement of the training program.

(a) It is the intent of the Legislature in providing authority for these training programs that the panel allocate these funds in a manner consistent with the objectives of this chapter as provided in Section 10200.

(b) Notwithstanding any other provisions of this chapter, the eligibility criteria for individuals trained under this section shall be employment with an eligible employer as defined in subdivision (a) of Section 10201 and:

(1) Receipt of CalWORKs benefits at the time training begins, or

(2) Receipt of CalWORKs benefits within one year of the time training commenced.

(c) For purposes of this section, the panel may waive, if necessary, any of the following:

(1) The employer eligibility criteria outlined in paragraph (1) of subdivision (a) of Section 10200.

(2) The minimum training wage requirements pursuant to subdivision (g) of Section 10201.

(3) The employment retention provisions specified in subdivision (f) of Section 10209 and instead require that the trainee has been retained in employment for a minimum of 90 days out of 120 consecutive days after the end of training with no more than three employers.

(d) Notwithstanding any other provisions of this chapter, the panel shall consider proposals that use innovative strategies and training options to enable current and prior CalWORKs recipients and eligibles to retain employment, including, but not limited to, projects that provide basic skills training.

(e) The panel shall adopt administrative procedures for approving and administering contracts under this section to expedite contracts, minimize barriers to completion of training, and facilitate the training of single trainees and small groups of trainees from one worksite.

SEC. 26. Chapter 6 (commencing with Section 11010) is added to Part 1 of Division 3 of the Unemployment Insurance Code, to read:

CHAPTER 6. REGIONAL WORK FORCE PREPARATION AND ECONOMIC DEVELOPMENT ACT

11010. (a) The Legislature finds and declares the following:

(1) California must have a world class system of education and training linked to economic development in order to meet the demands of global economic competition.

(2) The California Economic Strategy Panel determined that California's economy is undergoing a dramatic transformation whereby California is in an established leadership position with respect to a number of emerging industries representing a new economy of the 21st century, and that education and work force preparation are critical to the growth and competitiveness of California's economy.

(3) California's work force preparation programs, including job training, job placement, and education, spend over six billion dollars ($6,000,000,000) annually serving 6,700,000 students, displaced and unemployed workers, welfare recipients, and incumbent workers.

(4) At least 22 state programs and many federal and local programs provide these work force preparation services.

(5) With the increasing demand to educate and train the youth and adults in this state with the skills necessary to obtain and retain employment especially in the industries essential for its economic

growth, California needs to maximize the effective use of resources for its work force preparation programs to create a more coherent, comprehensive, accountable, and customer-focused system.

(6) An effective work force preparation system is necessary for California to meet the time limit and work force preparation requirements of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193).

(7) In order to accomplish this, the public and private sector entities responsible for economic development, education, and work force preparation must collaborate at the state and local levels.

(8) This collaboration must be compatible with the existing missions and governance structures of all entities involved.

(9) The major objective of this act is the integration of existing local and regional partnerships that support initiatives in education reform, work force preparation, and economic development.

(10) In order to promote this collaboration, the Secretary of the Health and Welfare Agency, the Secretary of the Trade and Commerce Agency, the Chancellor of the California Community Colleges, and the Superintendent of Public Instruction shall, in consultation with local stakeholders and customers, collaborate in the development of a state work force development system and shall encourage and support local partners to develop regional work force collaboratives.

(b) The Legislature hereby enacts the Regional Workforce Preparation and Economic Development Act to demonstrate how, through the collaboration of state and local resources, education, work force preparation and economic development services can be delivered to clients in a more responsive, integrated, and effective manner.

11011. (a) On or before April 1, 1998, the Secretary of the Health and Welfare Agency, the Secretary of the Trade and Commerce Agency, the Chancellor of the California Community Colleges with the consent of the Board of Governors, and the Superintendent of Public Instruction, with the consent of the State Board of Education, shall enter into a memorandum of understanding to develop and maintain a plan including a schedule to do the following:

(1) Develop an integrated state work force development plan for service delivery, resource investment, and performance measures. The plan shall be developed through a collaborative process that shall include substantial local input.

(2) Initiate a competitive process to select a minimum of five regional education, work force preparation, and economic development collaboratives, known as regional collaboratives, that will receive financial and program incentives to develop local partnerships to maximize the delivery of employment, training, and education services. These partnerships shall collaborate in the

development of shared systems to improve their efficiency and effectiveness in delivering work force development services.

(3) Identify new and redirected resources, federal and state waivers, and legislative changes necessary to enhance the effectiveness of regional collaboratives.

(b) Regional collaboratives shall have representation from the following public and private entities:

(1) The Employment Development Department.

(2) The local Job Training Partnership Act administrative entity.

(3) Community college districts.

(4) Local school districts, including those that provide adult education and regional occupational centers or programs.

(5) Regional occupational centers serving adults.

(6) Entities administering local public assistance welfare-to-work programs.

(7) Local economic development organizations.

(8) The private sector, including both business and labor.

In addition, the competitive selection process shall emphasize the expectation that these regional collaboratives will have broad representation of all public, private, and nonprofit agencies that have an interest in education, economic development, welfare to work, and work force development.

(c) Regional collaboratives shall be selected and shall receive financial and program incentives effective July 1, 1998.

(d) From existing state and federal funds available for expenditure for the purposes of this section, the state partners shall identify five million dollars ($5,000,000) per year for each of three years for distribution to a minimum of five regional collaboratives, in order to create systemic change that results in increased collaboration and service delivery within each region.

11012. Regional collaboratives shall do the following:

(a) Define regions consistent with labor market and economic areas giving consideration to education, employment, and training service areas.

(b) Promote effective service delivery through integration of existing partnerships in economic development, employment and training services, welfare reform, and school reform into one collaborative partnership and process consistent with the goals of California's One-Stop Career Center System.

(c) Set measurable local program goals that meet the needs of various client groups as determined by both historical service levels and present needs, and that demonstrate the extent to which outcomes will improve through collaboration.

(d) Provide for an evaluation of the pilot program.

11013. (a) State partners shall jointly manage the regional collaborative project with designated staff and shall use existing resources available for this purpose.

(b) State partners shall identify in the memorandum of understanding existing funds that are available to support the funding of regional work force collaboratives. The Secretary of the Health and Welfare Agency shall identify existing funds from sources including, but not limited to, the federal Job Training Partnership Act, the One-Stop Career Center grant, the School to Career grant, and the federal Wagner-Peyser Act. The Chancellor of the California Community Colleges, with the consent of the Board of Governors, shall identify funds from sources including, but not limited to, the federal Carl D. Perkins Vocational Education Act and state economic development funds. The Superintendent of Public Instruction, with the consent of the State Board of Education, shall identify funds from sources including, but not limited to, the federal Carl D. Perkins Vocational Education Act and the federal Improving America's Schools Act of 1994.

(c) The state partners shall pursue waivers from the appropriate federal agencies to promote local flexibility and remove obstacles to integrated service delivery for selected regional collaboratives.

11014. The state partners shall prepare an annual progress report on March 15 of each year and a final report by July 1, 2001, to be submitted to the Legislature, which shall consist of an analysis of the project, recommendations for expansion of regional collaboratives, and recommendations for legislative changes to promote the development of regional collaboratives.

SEC. 27. Section 15003.4 is added to the Unemployment Insurance Code, to read:

15003.4. It is the intent of the Legislature that, beginning January 1, 1998, welfare recipients shall be served with federal Job Training Partnership Act funds under Title II and Title III of that act to the maximum extent permitted under federal law within each service delivery area.

SEC. 28. Section 15003.5 is added to the Unemployment Insurance Code, to read:

15003.5. It is the intent of the Legislature that the Governor request a waiver from the United States Department of Labor on restrictions under regulations adopted pursuant to the federal Job Training Partnership Act that prevent the provision of training and post termination services for the year after placement on a job and prevent the use of stand-alone job search, job club, job search assistance, and work experience activities, as appropriate, to prepare individuals for employment.

SEC. 29. Division 9 (commencing with Section 17000) is added to the Unemployment Insurance Code, to read:

DIVISION 9. CALWORKS PROGRAM: JOB CREATION

17000. As used in this division ‘‘department’’ means the Employment Development Department.

17001. Consistent with the ongoing relationships that the department maintains with private sector employers, the department shall encourage and organize the involvement of private sector employers and other community leaders in creating the necessary jobs for recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code to move from welfare into unsubsidized employment.

17002. In carrying out the provisions of this division, the department shall conduct activities including, but not limited to, the following:

(a) Establish a council of corporate executives consisting of 13 members drawn from retired or former chief executive officers of major California corporations. Seven members shall be appointed by the Governor, three shall be appointed by the Senate Committee on Rules, and three shall be appointed by the Speaker of the Assembly. Appointments shall be made no later than January 31, 1998. This council shall provide ongoing advice and assistance to the department in recruiting private employers to hire recipients of aid.

(b) In consultation with the council described in subdivision (a), establish a clearinghouse for information on the Internet or other forms of toll-free communication for private sector employers to obtain information about assistance and resources for hiring CalWORKs recipients and to register their pledges to assist the state in finding the jobs necessary to meet the local welfare-to-work goals throughout the state.

(c) In consultation with the council described in subdivision (a), provide a forum for leaders in the faith-based communities, as well as other civic leaders, to assist the state in promoting welfare-to-work goals as part of the civic duty of their constituents.

(d) Report to the Legislature during the annual budget process regarding the implementation of this division and the results achieved.

SEC. 30. Section 10063 is added to the Welfare and Institutions Code, to read:

10063. (a) Notwithstanding any other provision of law, the name of the program provided for pursuant to Chapter 2 (commencing with Section 11200) is hereby changed to the California Work Opportunity and Responsibility to Kids program, referred to as CalWORKs.

(b) Any reference to the Aid to Families with Dependent Children program Family Group and Unemployment program and

the Greater Avenues for Independence program shall be deemed to refer to the CalWORKs program.

SEC. 31. Chapter 3 (commencing with Section 10065) is added to Part 1 of Division 9 of the Welfare and Institutions Code, to read:

CHAPTER 3. ELECTRONIC BENEFITS TRANSFER ACT

Article 1. General

10065. The Legislature finds and declares both of the following:

(a) The development of incompatible systems for electronic benefits transfer will create significant hardships on recipients of public social services and businesses that accept electronic transactions as payment for goods and services.

(b) The goals of electronic benefits transfer are to reduce the cost of delivering benefits to recipients, to ensure that all systems within California are compatible, and to afford public social services recipients the opportunity to better and more securely manage their financial affairs.

10066. For purposes of this chapter, the following definitions shall apply:

(a) ''Committee'' means the committee created pursuant to this chapter.

(b) ''Benefits'' means financial and food assistance provided to, or on behalf of, those Californians who, because of their economic circumstances or social condition, are in need thereof, and may benefit thereby.

(c) ''System'' means the electronic benefits transfer system developed pursuant to this chapter.

Article 2. Electronic Benefits Transfer Committee

10067. The Electronic Benefits Transfer Committee is hereby created. The committee shall remain in existence until January 1, 2003.

10068. The committee shall consist of the Director of the Health and Welfare Agency Data Center, who shall be the chair of the committee, the Director of Social Services, the Director of Health Services, the Director of Information Technology, the Controller, the Treasurer, a representative of the California State Association of Counties, one member appointed by the Speaker of the Assembly, and one member appointed by the Senate Committee on Rules. The committee shall provide for the participation of a technical advisory group comprised of representatives from the California Association of County Treasurers and Tax Collectors, the County Welfare Directors Association, the California Grocer's Association, the California Retailer's Association, the California Bankers Association,

and agencies, organizations, and representatives of individuals who will use or be affected by an electronic benefits transfer system. A company or individual that participates in the committee or the advisory group shall not be eligible to bid for the provision of the electronic benefits transfer system.

10069. The committee shall advise the department on the development and implementation of a statewide electronic benefits transfer system, and shall provide advice concerning the request for proposal. The system shall have the capability to deliver food stamps and, upon the election of the county, benefits under Chapter 2 (commencing with Section 11200) of Part 3. The system may also be used, with the approval of the department, for the distribution of other benefits. Each electronic benefits transfer processor shall be capable of implementing systems within nine months after the county or counties contract with the electronic benefits processor.

10070. Not later than July 1, 1998, the state shall certify one or more electronic benefits transfer processors as eligible to contract with counties to develop and implement an electronic benefits transfer system.

10071. Any benefits provided to recipients under the department's authority may be distributed through the electronic benefits transfer system as long as the recipient has reasonable access to his or her benefits.

Article 3. Systems Design

10072. The electronic benefits transfer system required by this chapter shall be designed to do, but not be limited to, all of the following:

(a) To the extent permitted by federal law and the rules of the program providing the benefits, recipients who are required to receive their benefits using an electronic benefits transfer system shall be permitted to gain access to the benefits in any part of the state where electronic benefits transfers are accepted. All electronic benefits transfer systems in this state shall be designed to allow recipients to gain access to their benefits by using every other electronic benefits transfer system.

(b) To the maximum extent feasible, electronic benefits transfer systems shall be designed to be compatible with the electronic benefits transfer systems in other states.

(c) All reasonable measures shall be taken in order to ensure that recipients have access to electronically issued benefits through systems such as automated teller machines, point-of-sale devices, or other devices that accept electronic benefits transfer transactions.

(d) The system shall provide for reasonable access to benefits to recipients who demonstrate an inability to use, an electronic benefits transfer card or other aspect of the system because of disability,

language, lack of access, or other barrier. These alternative methods shall conform to the requirements of the Americans with Disabilities Act (42 U.S.C. Sec. 12101, et seq.), including reasonable accommodations for recipients who, because of physical or mental disabilities, are unable to operate or otherwise make effective use of the electronic benefits transfer system.

(e) The system shall permit a recipient the option to choose a personal identification number, also known as a ‘‘pin’’ number, to assist the recipient to remember his or her number in order to allow access to benefits. Whenever an institution, authorized representative, or other third party not part of the recipient household or assistance unit has been issued an electronic benefits transfer card, either in lieu of, or in addition to, the recipient, the third party shall have a separate card and personal identification number. At the option of the recipient, he or she may designate whether restrictions apply to the third party’s access to the recipient’s benefits. At the option of the recipient head of household or assistance unit, the county shall provide multiple electronic benefits transfer cards to adult members enabling them to access benefits.

(f) The system shall have a 24-hour per day toll-free telephone hotline for the reporting of lost or stolen cards and that will provide recipients with information on how to have the card and personal identification number replaced.

(g) A recipient shall not incur any loss of benefits after he or she has reported that his or her electronic benefits transfer card or benefits have been lost or stolen. The system shall provide for the prompt replacement of lost or stolen electronic benefits transfer cards and personal identification number.

(h) Electronic benefits transfer system consumers shall be informed on how to use electronic benefits transfer cards and how to protect them from misuse.

(i) Procedures shall be developed for error resolution.

(j) No fee shall be charged by the state, a county, or an electronic benefits processor certified by the state to retailers participating in the electronic benefits transfer system.

(k) Except for food stamp transactions, a recipient may be charged a fee, not to exceed the amount allowed by applicable state and federal law and customarily charged to other customers, for cash withdrawal transactions that exceed four per month.

Article 4. Administration

10073. Notwithstanding Section 15204.2, the state shall pay 100 percent of the nonfederal share of costs of the electronic benefits transfer system planning, procurement, development, implementation, and conversion. The county shall pay its normal

nonfederal costs pursuant to Section 15204.2 for system maintenance and operation.

10074. Any county or group of counties shall contract with at least one of the contracting electronic benefits transfer processors certified under this chapter, and shall have the principal responsibility to manage the operation of the electronic benefits transfer system implemented by the county.

10075. Any county or group of counties may enter into a contract with a participating electronic benefits transfer processor independently, or may do so jointly with one or more counties.

10076. The director shall promptly seek any federal approvals necessary for implementation of this chapter. Any provision of this chapter whose implementation requires any federal waiver or approval shall become operative 120 days after receipt of the necessary federal waiver or approval, and shall remain operative only for the duration of the federal approval for its implementation.

10077. The State Department of Social Services may adopt regulations to implement this act in accordance with the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code. The initial adoption of any emergency regulations by the department to implement this chapter and one readoption of the initial regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare. The initial emergency regulations and the first readoption of those regulations by the department shall be exempt from review by the Office of Administrative Law. The emergency regulations authorized by this section shall be submitted to the Office of Administrative Law for filing with the Secretary of State and publication in the California Code of Regulations.

SEC. 32. Chapter 1.3 (commencing with Section 10530) is added to Part 2 of Division 9 of the Welfare and Institutions Code, to read:

CHAPTER 1.3. COUNTY PLANS FOR CALWORKS

10530. It is the intent of the Legislature that, in developing the plan required by this chapter, counties shall make an effort not to duplicate planning processes that have already occurred within the county, but rather to build upon, and incorporate where appropriate, existing local plans that provide for a collaborative approach to employment services, economic development, and family and children’s services. These shall include, but are not limited to, county GAIN plans developed prior to CalWORKs implementation, county plans developed pursuant to Section 18987.3, economic development plans, employment development plans, and plans intended to guide any other local efforts relevant to CalWORKs implementation.

10531. Each county shall develop a plan consistent with state law that describes how the county intends to deliver the full range of activities and services necessary to move CalWORKs recipients from welfare to work. The plan shall be updated as needed. The plan shall describe:

(a) How the county will collaborate with other public and private agencies to provide for all necessary training, and support services.

(b) The county's partnerships with the private sector, including employers and employer associations, and how those partnerships will identify jobs for CalWORKs program recipients.

(c) Other means the county will use to identify local labor market needs.

(d) The range of welfare-to-work activities the county will offer recipients and the identification of any allowable activities that will not be offered.

(e) The process the county will use to provide for the availability of substance abuse and mental health treatment services.

(f) The extent to which, and the manner in which, mental health services will be available to recipients after the period specified in subdivision (a) of Section 11454.

(g) The process the county will use to provide for child care and transportation services.

(h) The county's community service plan.

(i) How the county will provide training of county workers responsible for working with CalWORKs recipients who are victims of domestic violence.

(j) The performance outcomes identified during the local planning process that the county or other local agencies will track in order to measure the extent to which the county's program meets locally established objectives.

(k) The means the county used to provide broad public input to the development of the county's plan.

(*l*) A budget that specifies the source and expenditures of funds for the program.

(m) How the county will assist families that are transitioning off aid.

(n) All necessary components of the job creation plan required by Section 15365.55 of the Government Code in counties that choose to implement the program described in Chapter 1.12 (commencing with Section 15365.50) of part 6.7 of Division 3 of Title 2 of the Government Code.

(o) Other elements identified by the director, in consultation with the steering committee under Section 10544.5, including elements related to the performance outcomes listed in Sections 10540 and 10541.

(p) How the county will comply with federal requirements of the Temporary Assistance for Needy Families program (Part A

(commencing with Section 601) of Subchapter 4 of Chapter 7 of Title 42 of the United States Code).

10532. The department and the counties shall implement the provisions of the CalWORKs program in the following manner:

(a) The department shall issue a planning allocation letter and county plan instructions to the counties within 30 days of the enactment of the CalWORKs program.

(b) (1) Each county shall submit a plan for implementation of the CalWORKs program within four months of the issuance of the planning allocation letter by the department. A county may begin implementation of its plan upon submission of the plan to the department or the effective date of the CalWORKs program, whichever is later.

(2) Within 30 days of receipt of a county plan, the department shall either certify that the plan includes the description of the elements required by Section 10531 and that the descriptions are consistent with the requirements of state law and, to the extent applicable, federal law or notify the county that the plan is not complete or consistent stating the reasons therefor.

(3) If a county is notified that its plan is not complete or consistent, the county shall, within 30 days, resubmit a revised plan to the department for certification.

(c) (1) A county shall begin enrolling all new applicants for aid under this chapter in the county's welfare-to-work program no later than six months from the date of issuance of the planning allocation letter references in subdivision (a) or two months after the certification of the county plan, whichever is later.

(2) A county shall enroll all recipients of aid under this chapter who were receiving aid in the month prior to the implementation date for new applicants specified in paragraph (1) no later than January 1, 1999. For recipients under this paragraph, the time limit in subdivision (a) of Section 11454 shall commence on the date the recipient signs, or refuses to sign, a welfare-to-work plan.

(d) Funds remaining at the end of the 1997–98 fiscal year or the 1998–99 fiscal year from the funds provided to a county in those years pursuant to Section 15204.2 shall be available to a county until July 1, 2000, and may be expended only for the purposes set forth in Section 15204.2.

SEC. 33. Chapter 1.5 (commencing with Section 10540) is added to Part 2 of Division 9 of the Welfare and Institutions Code, to read:

CHAPTER 1.5. PERFORMANCE OUTCOME INCENTIVES MONITORING

10540. (a) It is the intent of the Legislature to implement Public Law 104-193 in such a manner as to do all of the following:

(1) Reduce child poverty in the state.

(2) Achieve the goals of Public Law 104-193, which include reducing dependence of needy parents on government benefits by promoting job preparation, work, and marriage; reducing out-of-wedlock births; and encouraging the formation and maintenance of two-parent families.

(3) Meet the requirements of federal law.

(b) It is further the intent of the Legislature to ensure that the implementation of Public Law 104-193 does not result in unanticipated outcomes that negatively affect child well-being, the demand for county general assistance, or the number of families affected by domestic violence.

10540.5. The department shall ensure that performance outcomes are monitored at the state and county levels in order to do all of the following:

(a) Identify the extent to which the state and counties achieve the goals of Public Law 104-193.

(b) Identify the extent to which unanticipated negative outcomes do or do not occur.

(c) Meet the requirements of federal law.

(d) Assist counties in tracking the effect of CalWORKs program implementation on aided families and on local communities.

(e) Assist counties, the Legislature, and state agencies in determining what adjustments are required in the program.

10541. The department shall consult with experts in monitoring and research, and representatives of counties, the Legislature, and appropriate state agencies in the development and implementation of the system of performance outcomes, which shall include, but are not limited to, the following:

(a) Success of welfare-to-work, including the rate of movement to employment, earnings for CalWORKs recipients and those who have left the CalWORKs program, and job retention rates. This shall include the extent to which recipients have obtained unsubsidized employment in each of their years on aid.

(b) Rates of child support payment and collection.

(c) Child well-being, including entries into foster care, at-risk births, school achievement, child poverty, and child abuse reports.

(d) Changes in the demand for general assistance.

(e) Supply, demand, and utilization of support services by CalWORKs recipients, including child care, transportation, mental health services, and substance abuse treatment.

(f) The number of identified families affected by domestic violence.

10541.5. The department, in consultation with experts in research and program evaluation and representatives of counties, the Legislature, and appropriate state agencies, shall do both of the following, by March 1, 1998:

(a) Identify methods by which to collect data on the outcomes set forth in Section 10541, using, to the extent possible, data that is available and does not require the establishment of new data collection processes at the county level.

(b) Develop consistent data collection standards.

10541.7. Each county shall participate in monitoring performance outcomes by collecting and reporting data in the manner established by Section 10541.

10542. (a) Each county shall, as part of its CalWORKs plan, identify outcomes to be tracked on the local level that are in addition to any required to be tracked statewide. These outcomes shall be identified through a collaborative process that includes all local agencies and stakeholders concerned with the implementation of the CalWORKs program and its effects on local communities. The outcomes identified may reflect goals for CalWORKs implementation established by the local community, possible negative outcomes the local community wishes to monitor, or both.

(b) The process of local identification of outcomes shall be designed to contribute to greater collaboration among county public and private agencies that serve current and former CalWORKs recipients. The outcomes identified shall be those that can be tracked in a cost-effective manner. To the extent counties identify the same outcomes, the department shall provide technical assistance to ensure consistency among the counties.

(c) The outcomes that each county plans to monitor shall be included in its county CalWORKs plan. The plan shall identify the outcomes, the data the county intends to collect to monitor the outcomes, and the method of data collection the county intends to use.

10543. (a) Within six months of CalWORKs implementation, each county, in conjunction with the department, shall determine a baseline for the data to be collected to meet both state and local need. The baseline shall be used in subsequent years to determine whether or not the county's outcomes are improving.

(b) If a county fails to meet outcomes required by federal law, the county, in consultation with the department, shall develop and implement a corrective action plan.

(c) If outcomes have not improved over the baseline, the county and the department shall evaluate the reasons. To the extent the county and the department determine that county and state actions could positively influence the outcomes, they shall mutually develop and implement a corrective action plan.

(d) In both cases, the corrective action plan shall identify actions that shall be taken by the county and by appropriate state agencies.

10544. (a) If the department finds that a county is experiencing significantly worsened outcomes, it shall report this finding to the Chairs of the Senate Committee on Budget and Fiscal Review, the

Assembly Committee on Budget, the Senate Committee on Health and Human Services, and the Assembly Committee on Human Services.

(b) If the state does not achieve the outcomes required by federal law and, as a result, is subject to a fiscal penalty, the penalty shall be shared equally by the state and the counties after exhaustion of all available federal administrative remedies. The total amount of the counties' share of the penalty shall be imposed on those counties that failed to meet the federal requirements in an amount equal to the total share of the county's caseload multiplied by the percentage of the county's share of caseload to the total caseload of the counties that failed to meet the federal requirements.

(c) A county may be provided relief, in whole or in part, from a penalty imposed pursuant to subdivision (b) if the department determines that there were circumstances beyond the control of the county. If a county is granted relief, that portion of the total penalty shall not be imposed on the other counties that failed to meet the federal requirements.

(d) It is the intent of the Legislature that the penalty provisions in subdivision (b) shall be revised by subsequent enactment of legislation based upon the recommendation to the Legislature of the steering committee established pursuant to Section 10544.317.

10544.1. It is the intent of the Legislature to provide counties with 100 percent of the grant savings as defined in subdivisions (a) to (e), inclusive.

(a) In order to provide counties with additional incentive to move CalWORKs recipients to employment, each county shall receive 75 percent of the state share of savings, including federal funds under the Temporary Assistance for Needy Families block grant, resulting from the following outcomes:

(1) Recipients exiting the program due to employment that has lasted a minimum of six months.

(2) Increased earnings by recipients due to employment.

(3) Diversion of applicants from the program pursuant to Section 11266.5 for six months in addition to the number of months equivalent to the diversion payment.

(b) For purposes of subdivision (a), the department, in consultation with the steering committee under Section 10544.317, shall determine the method for valuing the outcomes to determine county share of savings.

(c) The department shall allocate the remaining 25 percent of the state share of savings resulting from the outcomes specified in subdivision (a) to counties that have not realized savings due to those outcomes but have performed in a manner worthy of recognition based on standards developed by the department in consultation with the counties.

(d) The funds allocated to counties pursuant to subdivisions (a) and (b) that are federal Temporary Assistance for Needy Families block grant funds, shall be used only for purposes for which these federal funds may be used. The funds that are state general fund dollars shall be expended for purposes directly connected to the CalWORKs program and countable towards the state maintenance of effort level required by federal law, unless the Director of Finance determines that all or part of the funds are not needed in that fiscal year to meet the required maintenance of effort.

(e) It is the intent of the Legislature that the provisions of this section regarding the allocation of incentives shall be revised by subsequent enactment of legislation based upon the recommendations of the steering committee established pursuant to Section 10544.317.

10544.317. (a) There is hereby created a welfare reform steering committee comprised of a representative of the Health and Welfare Agency, who shall chair the committee, the Department of Finance, the State Department of Social Services, the California State Association of Counties, the County Welfare Directors Association of California, representatives of the Legislature appointed by the Speaker of the Assembly, the President pro Tempore of the Senate, the minority leader of the Assembly, and the minority leader of the Senate, and two public members appointed by the Secretary of the Health and Welfare Agency.

(b) The steering committee shall:

(1) Provide advice and consultation on implementation issues related to welfare reform.

(2) Review alternative ways to budget for, and allocate funds for, the administration of the program and report its findings to the appropriate committees of the Legislature in a timely manner that will enable the Legislature to incorporate the recommended changes in the Budget Act of 1998 and related statutes.

(3) Perform other duties as described elsewhere in this division.

SEC. 34. Section 10553.2 is added to the Welfare and Institutions Code, to read:

10553.2. (a) The department shall make an annual allocation of funds appropriated for the purpose of this subdivision to all eligible federally recognized American Indian tribes with reservation lands or rancherias located in this state that administer a program pursuant to the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193).

(b) The department shall collect and maintain specific available data for each tribe in this state for federal fiscal year 1994 for the purpose of the implementation and administration of the federal program.

(c) The department shall submit requests on behalf of tribes, for all applicable federal waivers and exemptions for all eligible federally

recognized American Indian tribes located on reservations and rancherias, or for consortia of tribes, for the administration of the CalWORKs program, whether or not tribes administer an approved Temporary Assistance for Needy Families (TANF) plan, independent of any county participation, demographics, or circumstances.

(d) Each county, in the administration of the CalWORKs program, shall consult with all eligible federally recognized tribes within any portion of the county, for the purpose of providing American Indian recipients with equitable access to assistance under the state program or an approved tribal TANF program if implemented in the county, to determine county expenditures for tribal recipients, and for the consideration of transfers of funding and administration responsibilities to those entities.

SEC. 35. Section 10619 is added to the Welfare and Institutions Code, to read:

10619. A public agency shall, in implementing programs affected by the act adding this section to the Welfare and Institutions Code, perform program functions exclusively through the use of merit civil service employees of the public agency, except to the extent permitted by provisions of state and federal law governing the affected program that were in effect on August 21, 1996.

SEC. 36. Chapter 3.8 (commencing with Section 10780) of Part 2 of Division 9 of the Welfare and Institutions Code is repealed.

SEC. 37. Section 11004 of the Welfare and Institutions Code is amended to read:

11004. The provisions of this code relative to public social services for which state grants-in-aid are made to the counties shall be administered fairly to the end that all persons who are eligible and apply for such public social services shall receive the assistance to which they are entitled promptly, with due consideration for the needs of applicants and the safeguarding of public funds.

(a) Any applicant for, or recipient or payee of, such public social services shall be informed as to the provisions of eligibility and his or her responsibility for reporting facts material to a correct determination of eligibility and grant.

(b) Any applicant for, or recipient or payee of, such public social services shall be responsible for reporting accurately and completely within his or her competence those facts required of him or her pursuant to subdivision (a) and to report promptly any changes in those facts.

(c) Current and future grants payable to an assistance unit may be reduced because of prior overpayments. In cases where the overpayment was caused by agency error, grant payments shall be reduced by 5 percent of the maximum aid payment of the assistance unit. Grant payments to be adjusted because of prior overpayments because of any other reason shall be reduced by 10 percent of the

maximum aid payments for the assistance unit. A recipient may have an overpayment adjustment in excess of the amounts allowable under this section if the recipient requests it.

(d) No determination of ineligibility shall be made retrospectively so as to result in an assessment of an overpayment in circumstances where there is a failure on the part of an applicant or recipient to perform an act constituting a condition of eligibility, if the failure is caused by an error made by a state agency or a county welfare department, and if the amount of the grant received by the applicant or recipient would not have been different had the act been performed.

(e) Prior to effectuating any reduction of current grants to recover past overpayments, the recipient shall be advised of the proposed reduction and of his or her entitlement to a hearing on the propriety of the reduction.

(f) If the department determines after a hearing that an overpayment has occurred, the county providing the public social services shall seek to recover in accordance with subdivision (c) the full amount of the overpayment to the assistance unit, including any amount paid while the hearing process was pending. Such adjustment shall be permitted concurrently with any suit for restitution, and recovery of overpayment by adjustment shall reduce by the amount of such recovery the extent of liability for restitution.

(g) If the individual is no longer receiving aid under Chapter 2 (commencing with Section 11200) recovery of overpayments received under that chapter shall not be attempted where the outstanding overpayments are less than thirty-five dollars ($35). Where the overpayment amounts owed are thirty-five dollars ($35) or more, reasonable cost-effective efforts at collection shall be implemented. Reasonable efforts shall include notification of the amount of the overpayment and that repayment is required. The department shall define reasonable cost-effective collection methods. In cases involving fraud, every effort shall be made to collect the overpayments regardless of the amount.

(h) If the individual responsible for the overpayment to the assistance unit is no longer eligible for public social services or if he or she becomes a member of another assistance unit, recoupment of overpayments shall be made against the individual or his or her present assistance unit, or both, to the extent consistent with the provisions of federal law.

(i) Where an overpayment has been made to an assistance unit which is no longer receiving public social services, recovery shall be made by appropriate action under state law against the income or resources of the individual responsible for the overpayment or against the family.

(j) No civil or criminal action may be commenced against any person based on alleged unlawful application for or receipt of public

social services, where the case record of such person has been destroyed after the expiration of the four-year retention period pursuant to Section 10851.

(k) When an underpayment or denial of public social service occurs and as a result the applicant or recipient does not receive the amount to which he or she is entitled, the county shall provide public social services equal to the full amount of the underpayment unless prohibited by federal law.

Any corrective payments made pursuant to this subdivision shall be disregarded in determining the income of the family and shall be disregarded in determining the resources of the family in the month the corrective payment is made and in the following month.

(*l*) This subdivision shall be applicable only to applicants, recipients and payees under Chapter 2 (commencing with Section 11200) of Part 3 of Division 9. Any suits to recover overpayments described in subdivision (f) shall be brought on behalf of the county by the county counsel unless the board of supervisors delegates such duty to the district attorney by ordinance or resolution.

SEC. 38. Section 11008.13 of the Welfare and Institutions Code is amended to read:

11008.13. To the extent consistent with other provisions of this chapter:

(a) The income and resources of a sponsor and his or her spouse shall be deemed as the income and resources of an alien who is an applicant for or recipient of aid under Chapter 2 (commencing with Section 11200).

(b) Any alien applicant or recipient, whose sponsor is a public or private agency, shall be ineligible for aid under Chapter 2 (commencing with Section 11200) during the period of three years after his or her entry into the United States. However, this ineligibility shall cease when it is determined that the sponsoring agency no longer exists or is unable to meet the alien's needs.

(c) As a condition of eligibility, any individual who is an alien, during the period of three years after entry into the United States, shall be required to provide any information and documentation with respect to his or her sponsor as may be necessary in order to make any determination required under this section.

(d) If it is determined that as a result of a sponsor's failure to provide correct information an overpayment has been made to an alien, the alien and his or her sponsor shall be jointly and severally liable for repayments. Any such overpayment which is not repaid by the alien or sponsor shall be subject to recoupment pursuant to the provision of Section 11004.

(e) The provisions of this section shall not apply to any alien who is:

(1) Admitted to the United States as a result of the application, prior to April 1, 1980, of the provisions of Section 203(a)(7) of the Immigration and Nationality Act.

(2) Admitted to the United States as a result of the application, after March 31, 1980, of the provisions of Section 207(c)(1) of that act.

(3) Paroled into the United States under Section 212(d)(5) of that act.

(4) Granted political asylum by the Attorney General under Section 208 of that act.

(5) A Cuban or Haitian entrant as defined in Section 501(e) of the Refugee Education Assistance Act of 1980.

This section shall be applied to all applicants for, and recipients of, aid under Chapter 2, (commencing with Section 11200), regardless of whether federal financial participation is available for the family.

SEC. 39. Section 11008.135 of the Welfare and Institutions Code is repealed.

SEC. 40. Section 11008.135 is added to the Welfare and Institutions Code, to read:

11008.135. (a) Notwithstanding any other provision of law, in determining the eligibility and amount of aid for an alien under this division, the income and resources of the alien shall be deemed to include the income and resources of any person who has executed an affidavit of support on behalf of the alien and the spouse of that person as provided in Subtitle C (commencing with Section 421) of Title IV of Public Law 104-193 and any subsequent amendments thereto.

(b) As a condition of eligibility, the sponsored applicant or recipient shall provide information regarding the income and resources of any person, and the spouse of that person, who has executed an affidavit of support on behalf of the alien.

SEC. 41. Section 11008.14 of the Welfare and Institutions Code is amended to read:

11008.14. The income of the natural or adoptive parent, and the spouse of the natural or adoptive parent, and the sibling of an eligible child, living in the same home with an eligible child shall be considered available, in addition to the income of an applicant for or recipient of aid under Chapter 2 (commencing with Section 11200), for purposes of eligibility determination and grant computation. Except as otherwise provided in this section, in the case of a parent or legal guardian of a minor who is also the parent of an eligible child, the income of the parent or guardian shall be considered available to the minor parent and eligible child to the same extent that income to a stepparent is considered available to an assistance unit.

This section shall be applied to all applicants for, and recipients of, Aid to Families with Dependent Children provided under Chapter 2 (commencing with Section 11200), except that income of a guardian of an applicant for, or recipient of, foster care benefits

provided under Article 5 (commencing with Section 11400) of Chapter 2 shall not be considered available to the ward or to a child of the ward for the purpose of eligibility determination and grant computation under Article 5 (commencing with Section 11400) of Chapter 2. This section shall be applied regardless of whether federal financial participation is available for the family.

SEC. 42. Section 11018 of the Welfare and Institutions Code is repealed.

SEC. 43. Section 11155 of the Welfare and Institutions Code is amended to read:

11155. Notwithstanding the provisions of Section 11257, in addition to the personal property or resources permitted by other provisions of this part, and to the extent permitted by federal law, an applicant or recipient for aid under this chapter, including an applicant or recipient under Chapter 2 (commencing with Section 11200) may retain countable resources in an amount equal to the amount permitted under federal law for qualification for food stamps. The county shall determine the value of personal property and automobiles in conformance with methods established under the Food Stamp Program.

SEC. 44. Section 11155.2 of the Welfare and Institutions Code is amended to read:

11155.2. (a) In addition to the personal property permitted by this part, recipients of aid under CalWORKs shall be permitted to retain savings and interest thereon for specified purposes up to a maximum of five thousand dollars ($5,000) per family. Interest earned from these savings and deposited into a restricted account shall be considered exempt as income for purposes of determining eligibility for aid and grant amounts if the interest is retained in the account. If the interest is not deposited by the financial institution into the account, the interest shall be treated as a nonqualifying withdrawal of funds from the account as specified in subdivision (b). This section shall not apply to applicants. Funds may be used by the family for education or job training expenses for the accountholder or his or her dependents, for starting a business, or for the purchase of a home. Recipients who wish to retain savings for these purposes shall enter into a written agreement with the county to establish a separate account with a financial institution, with the account to be used solely for the purpose of accumulating funds for later withdrawal for a qualifying expenditure. A qualifying expenditure shall be defined by department regulations and shall be verified by the recipient. The recipient shall agree to provide periodic verification of account activity, as required by department regulations. The agreement shall notify the recipient of the penalty for nonqualifying withdrawal of funds.

(b) Any nonqualifying withdrawal of funds from the account shall result in a calculation of a period of ineligibility for all persons in the

assistance unit, to be determined by dividing the balance in the account immediately prior to the withdrawal by the minimum basic standard of adequate care for the members of the assistance unit, as set forth in Section 11452. The resulting whole number shall be the number of months of ineligibility. The period of ineligibility may be reduced when the minimum basic standard of adequate care of the assistance unit, including special needs, increases.

(c) If the California Savings and Asset Project is established pursuant to Chapter 17 (commencing with Section 50897) of Part 2 of Division 31 of the Health and Safety Code, then to the extent permitted by federal law, a recipient shall be eligible to receive matching funds derived from federal contributions for the purpose of establishing an individual account in an amount not to exceed three thousand dollars ($3,000) in addition to the amounts specified in subdivision (a) and a fiduciary organization may provide amounts in excess of the first three thousand dollars ($3,000) limitation if contributed solely through private sources.

SEC. 45. Section 11155.3 is added to the Welfare and Institutions Code, to read:

11155.3. (a) It is the intent of the Legislature in enacting this section to provide counties and recipients of aid under Chapter 2 (commencing with Section 11200) with increased flexibility to determine allowable business expenses and income reporting periods in order to facilitate local microenterprise development, maximize opportunities for a family to become self-sufficient, and reduce unnecessary paperwork processing by county staff.

(b) Self-employment net income shall be used in computing the aid grant under Chapter 2 (commencing with Section 11200).

(c) For purposes of determining the self-employment net income for applicants and recipients of aid under Chapter 2 (commencing with Section 11200), applicants and recipients may choose to deduct a standard deduction of 40 percent of gross income or verified actual self-employment expenses to the same extent allowed in the Food Stamp Program pursuant to Chapter 10 (commencing with Section 18900) of Part 6. Applicants and recipients may change the method of deduction only when a redetermination of eligibility is conducted by the county or every six months, whichever occurs first.

SEC. 46. Section 11157 of the Welfare and Institutions Code is amended to read:

11157. (a) Notwithstanding Section 11008, all lump-sum income received by an applicant or recipient shall be regarded as income in the month received except nonrecurring lump-sum social insurance payments, which shall include social security income, railroad retirement benefits, veteran’s benefits, worker’s compensation, and disability insurance.

(b) Except as otherwise provided in this part, for purposes of this chapter and Chapter 2 (commencing with Section 11200), ‘‘income’’

shall be deemed to be the same as applied under the Aid to Families with Dependent Children program on August 21, 1996, except that income that is received too infrequently to be reasonably anticipated, as exempted in federal food stamp regulations, shall be exempt from consideration.

SEC. 47. Section 11157.5 is added to the Welfare and Institutions Code, to read:

11157.5. The receipt of aid under Chapter 2 (commencing with Section 11200) shall not impose any limitation or restriction upon a recipient's right to sell, exchange, or change, the form of property holdings. However, a gift or any other transfer of assets, including income and resources, by a recipient for less than fair market value shall result in a period of ineligibility for aid under Chapter 2 (commencing with Section 11200) for the number of months, rounded down to the nearest whole number, that equals the quotient of the difference between the fair market value of the asset and the amount received for the asset divided by the standard of need applicable to the family under Section 11452.

SEC. 48. Section 11160 is added to the Welfare and Institutions Code, to read:

11160. To the extent federal financial participation is available, any state agency responsible for the administration of any program under this division may establish procedures for common eligibility determination for public social service programs that aid needy families to the extent consistent with the eligibility of each program, so as to improve the efficiency of the operation of the welfare program, improve the cost-effective use of state dollars, and simplify the process for permitting qualified recipients to establish their eligibility.

SEC. 49. The heading of Chapter 2 (commencing with Section 11200) of Part 3 of Division 9 of the Welfare and Institutions Code is amended to read:

CHAPTER 2. CALIFORNIA WORK OPPORTUNITY AND RESPONSIBILITY TO KIDS ACT

SEC. 50. Section 11200 of the Welfare and Institutions Code is amended to read:

11200. This chapter shall be known and may be cited as the California Work Opportunity and Responsibility to Kids Act, and may also be cited as the CalWORKs program.

SEC. 51. Section 11201 of the Welfare and Institutions Code is amended to read:

11201. For the purposes of this chapter, the following shall apply:

(a) ''Unemployed parent'' means a natural or adoptive parent with whom the child is living.

(b) A child for whom a parent is applying for assistance under this chapter shall be considered to be deprived of parental support or care due to the unemployment of his or her parent or parents when the parent has worked not more than 100 hours in the preceding four weeks and meets the requirements concerning an unemployed parent in effect on August 21, 1996, as set forth in Section 233.100 of Title 45 of the Code of Federal Regulations except for the provisions of subparagraph (i) to (v), inclusive, of paragraph (3) of subsection (a) of that section.

(c) A child receiving aid under this chapter who is considered to be deprived of parental support or care due to unemployment may continue to receive assistance regardless of the number of hours his or her parent works provided the family does not exceed the applicable gross or net income limits.

SEC. 52. Section 11201.5 of the Welfare and Institutions Code is repealed.

SEC. 53. Section 11250.4 of the Welfare and Institutions Code is amended to read:

11250.4. Aid under this chapter shall not be payable to a family budget unit if a caretaker relative is, on the last day of the month, participating in a strike, unless the strike is necessitated by an imminent health and safety hazard or abnormally dangerous working conditions at the place of employment as determined by the Division of Occupational Safety and Health, or a lockout as defined in Section 1132.8 of the Labor Code. For the purposes of this section, a strike necessitated by an imminent health and safety hazard or abnormally dangerous working condition shall last only so long as necessitated by the imminent hazard or abnormally dangerous working condition. If an individual other than a caretaker relative is participating in a strike, as defined in this section, on the last day of the month, subject to the exceptions and their limitations set forth in this section, that individual's needs shall not be included in determining the amount of aid payable to the assistance unit for the month during which the individual is participating in the strike on the last day of that month.

SEC. 54. Section 11253.5 is added to the Welfare and Institutions Code, to read:

11253.5. (a) All children in an assistance unit for whom school attendance is compulsory, except individuals who are eligible for the Cal-Learn program under Article 3.5 (commencing with Section 11331) and children subject to a county school attendance project under Article 2 (commencing with Section 18236) of Chapter 3.3 of Part 6, shall be required to attend school.

(b) Applicants for and recipients of aid under this chapter shall be informed of the attendance requirement and it shall be included in the recipient's welfare-to-work plan under Section 11325.21.

(c) A recipient shall cooperate in providing the county with documentation routinely available from the school or school district of regular attendance of all applicable children in the assistance unit when the county determines it is appropriate.

(d) If it is determined by the county that any eligible child under the age of 16 years is not regularly attending school as required, the needs of all adults in the assistance unit shall not be considered in computing the grant of the family under Section 11450 unless it has been determined by the county that good cause exists.

(e) If it is determined by the county that any child in the assistance unit who is age 16 years or older is not regularly attending school as required, or participating pursuant to a welfare-to-work plan, the needs of the child shall not be considered in computing the grant of the family under Section 11450 unless it has been determined by the county that good cause exists.

SEC. 55. Section 11255 of the Welfare and Institutions Code is repealed.

SEC. 56. Section 11265.2 is added to the Welfare and Institutions Code, to read:

11265.2. (a) The director shall implement a demonstration program in up to six counties to test an alternative method of recipient reporting, as described in this section. The counties initially selected for participation under this section shall include small, medium, and large counties, but shall not include a county with a population in excess of 6,000,000.

(b) The demonstration program may operate for up to three years. After the first year of operation, the director shall evaluate the demonstration program and may continue, expand, or terminate the project. In addition, if, at any time after the first year of demonstration program operation, the director determines that the method is cost-effective and administratively efficient, the director may, notwithstanding Sections 11265 and 11265.1, implement the alternative method of recipient reporting pursuant to this section on a permanent, statewide basis.

(c) The alternative method of reporting to be used pursuant to this section shall provide for the following:

(1) The county shall redetermine the financial eligibility of each recipient every six months, and may, at the option of the county, conduct a full eligibility redetermination on an annual basis.

(2) A recipient shall report to the county any change in his or her household's monthly income or resources in excess of seventy-five dollars ($75), and any change in the composition of his or her household within 10 days after that change. Upon the report of any change in excess of seventy-five dollars ($75) or any change in the household composition, the county shall recalculate an assistance unit's grant level.

(3) Notwithstanding any other provision of law, in recalculating the amount of a recipients's grant pursuant to this section, changes in the grant amount shall be made on a prospective basis.

(4) The warrant provided to a recipient of aid under this chapter shall provide for an endorsement under penalty of perjury by a recipient indicating that all required changes in income, resources, and household composition have been reported. The warrant shall be accompanied by notification of recipient reporting responsibilities.

SEC. 57. Section 11265.8 is added to the Welfare and Institutions Code, to read:

11265.8. (a) All applicants for aid under this chapter, within 30 days of the determination of eligibility for Medi-Cal benefits under Chapter 7 (commencing with Section 14000), and 45 days for applicants already eligible for benefits under Chapter 7 (commencing with Section 14000), and all recipients of aid under this chapter within 45 days of a full or financial redetermination of eligibility for aid under this chapter, shall provide documentation that all children in the assistance unit not required to be enrolled in school have received all age appropriate immunizations, unless it has been medically determined that an immunization for a child is not appropriate or the applicant or recipient has filed with the county welfare department an affidavit that the immunizations are contrary to the applicant's or recipient's beliefs. If the county determines that good cause exists for not providing the required documentation due to lack of reasonable access to immunization services, the period shall be extended by an additional 30 days. If the documentation is not provided within the required time period, the needs of all parents or caretaker relatives in the assistance unit shall not be considered in determining the grant to the assistance unit under Section 11450 until the required documentation is provided. The department shall track and maintain information concerning the number of sanctions imposed under this section.

(b) At the time of application and at the next redetermination of eligibility for aid under this chapter, all applicants and recipients shall be given notice advising them of their obligation to secure the immunizations required in subdivision (a). The notice shall also contain all of the following:

(1) The Recommended Childhood Immunization Schedule, United States, and the Recommended Immunization Schedule for Children Not Immunized on Schedule in the First Year of Life, as appropriate, approved by the Advisory Committee on Immunization Practices, the American Academy of Pediatrics, and the American Academy of Family Physicians.

(2) A description of how to obtain the immunizations through a fee-for-service provider that accepts Medi-Cal, a Medi-Cal managed care plan, a county public health clinic, or any other source that may be available in the county as appropriate.

(3) A statement that the applicant or recipient may file an affidavit claiming that the immunizations are contrary to the applicant's or recipient's beliefs.

SEC. 58. Section 11266.5 is added to the Welfare and Institutions Code, to read:

11266.5. (a) Every applicant for aid under this chapter shall be informed of the availability of lump-sum diversion services to resolve the circumstances that require the family to apply for assistance prior to the family's approval for aid.

(b) When an applicant is determined to be eligible for assistance under this chapter, the county shall assess whether the applicant would benefit from the lump-sum diversion program. The county shall make this determination in its sole discretion. In making this determination, the county shall consider whether the applicant is likely to be able to avoid the need for extended assistance beyond the diversion period if the family was provided one-time assistance. In making this determination, the county may consider any of the following:

(1) The applicant's employment history.

(2) The likelihood of the applicant obtaining immediate full-time employment.

(3) The applicant's general prospect for obtaining full-time employment.

(4) The applicant's need for cash assistance to pay for housing or substantial and unforseen expenses or work-related expenses.

(5) Housing stability.

(6) The adequacy of the applicant's child care arrangements, if applicable.

(c) If the county determines, pursuant to subdivision (b), that an applicant could benefit from a lump-sum diversion payment, the county shall inform the applicant of its determination.

(d) An applicant for aid under this chapter may either participate in the lump-sum diversion program or decline participation in diversion and, instead, receive aid as otherwise provided for in this chapter.

(e) Lump-sum diversion services provided under this section may include any cash or noncash payment and shall be negotiated by the county and the applicant in order to assist the applicant in avoiding the need for aid under this chapter.

(f) If, after accepting a diversion payment pursuant to this section, the individual reapplies for aid under this chapter within the amount of time that corresponds with the number of months of aid that would have been received under this chapter that was received as a diversion payment, excluding a partial month, and he or she is determined to be eligible for aid, the county shall, at the option of the recipient, either recoup from the recipient's grant, over a period of time to be determined by the county, the amount of the diversion

payment that the recipient received, or count the period of time that corresponds to the number of months of aid that would have been received, excluding a partial month of aid, towards the 60-month time limit on aid specified in subdivision (b) of Section 11454.

(g) To the extent permitted by federal law, lump-sum diversion payments shall not be considered income for the purpose of determining eligibility for food stamps.

(h) Any child support collected by the applicant or recovered by the county shall not be used to offset the diversion payment.

(i) During the period of the diversion, the applicant family shall be eligible for Medi-Cal and child care assistance pursuant to Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code, if otherwise eligible.

SEC. 59. The heading of Article 3.2 (commencing with Section 11320) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code is amended to read:

Article 3.2. Welfare-to-Work Activities

SEC. 60. Section 11320 of the Welfare and Institutions Code is repealed.

SEC. 61. Section 11320 is added to the Welfare and Institutions Code, to read:

11320. Any reference to the Greater Avenues for Independence program or (GAIN) shall mean the welfare-to-work activities under the CalWORKs program provided for in this article.

SEC. 62. Section 11320.1 is added to the Welfare and Institutions Code, to read:

11320.1. Subsequent to the commencement of the receipt of aid under this chapter, the sequence of employment related activities required of participants under this article, unless exempted under Section 11320.3, shall be as follows:

(a) Job search. Recipients shall, and applicants may, at the option of a county and with the consent of the applicant, receive orientation to the welfare-to-work program provided under this article, receive appraisal pursuant to Section 11325.2, and participate in job search and job club activities provided pursuant to Section 11325.22.

(b) Assessment. If employment is not found during the period provided for pursuant to subdivision (a), or at any time the county determines that participation in job search is not likely to lead to employment, the participant shall be referred to assessment, as provided for in Section 11325.4. Following assessment, the county and the participant shall develop a welfare-to-work plan, as specified in Section 11325.21. The plan shall specify the activities provided for in Section 11322.6 to which the participant shall be assigned, and the

supportive services, as provided for pursuant to Section 11323.2, with which the recipient will be provided.

(c) Work activities. A participant who has signed a welfare-to-work plan pursuant to Section 11325.21 shall participate in work activities until he or she has received aid for the period specified in subdivision (a) of Section 11454. If, after the period specified in paragraph (1) of subdivision (a) of Section 11454, the participant has not obtained unsubsidized employment, the county may extend the welfare-to-work plan by up to six months if the county determines that the extension is likely to lead to unsubsidized employment or if local unemployment or other conditions in the local economy are such that employment is not available. If a recipient has received aid for the period specified in subdivision (a) of Section 11454 and returns to aid after a break in aid of at least one month, the county shall determine whether to require the recipient to participate in welfare-to-work activities or in community service.

(d) Community service.

(1) If a participant has received aid for the period specified in subdivision (a) of Section 11454, and the participant has not found unsubsidized employment sufficient to meet the hours of participation required by Section 11322.8 and the county has certified that no job is available for that participant, the participant shall remain eligible for aid under this chapter only if he or she participates in community service activities pursuant to Section 11322.9.

(2) The county shall provide community service activities assignments as described in Section 11322.9.

(3) An individual may participate in community service activities until he or she has received aid for a total of 60 months.

SEC. 63. Section 11320.15 is added to the Welfare and Institutions Code, to read:

11320.15. After a participant has received aid for a total of 60 months, pursuant to Section 11454, he or she shall be removed from the assistance unit for the purposes of calculation of aid under Section 11450 and he or she shall no longer be required to participate in welfare-to-work activities. Additional welfare-to-work services may be provided to the recipient, at the option of the county. If the county provides services to the recipient after the 60-month limit has been reached, the recipient shall participate in community service.

SEC. 64. Section 11320.2 of the Welfare and Institutions Code is repealed.

SEC. 65. Section 11320.3 of the Welfare and Institutions Code is amended to read:

11320.3. (a) Except as provided in subdivision (b) or if otherwise exempt, every individual, as a condition of eligibility for aid under this chapter, shall participate in welfare-to-work activities under this article.

(b) The following individuals shall not be required to participate for so long as the condition continues to exist:

(1) An individual under 16 years of age, except as provided in subdivision (c) of Section 11331.5, during the time that provision is operative.

(2) Except as provided in subdivision (c) of Section 11331.5, during the time that provision is operative, a child attending an elementary, secondary, vocational, or technical school on a full-time basis. A person who is 16 or 17 years of age, or a person described in subdivision (d) who loses this exemption, shall not requalify for the exemption by attending school as a required activity under this article.

(3) An individual who meets either of the following conditions:

(A) The individual is disabled as determined by a doctor's verification that the disability is expected to last at least 30 days and that it significantly impairs the recipient's ability to be regularly employed or participate in welfare-to-work activities, provided that the individual is actively seeking appropriate medical treatment.

(B) The individual is of advanced age.

(4) A nonparent caretaker relative who has primary responsibility for providing care for a child and is either caring for a child who is a dependent or ward of the court or caring for a child in a case in which a county determines the child is at risk of placement in foster care, and the county determines that the caretaking responsibilities are beyond those considered normal day-to-day parenting responsibilities such that they impair the caretaker relative's ability to be regularly employed or to participate in welfare-to-work activities.

(5) Except as provided in subdivision (c) of Section 11331.5, during the time that provision is operative, an individual whose presence in the home is required because of illness or incapacity of another member of the household and whose caretaking responsibilities impair the recipient's ability to be regularly employed or to participate in welfare-to-work activities.

(6) Except as provided in subdivision (b) of Section 11331.5, during the time that provision is operative, a parent or other relative who meets the criteria in subparagraph (A) or (B).

(A) (i) The parent or other relative has primary responsibility for personally providing care to a child six months of age or under, except that, on a case-by-case basis, and based on criteria developed by the county, this period may be reduced to the first 12 weeks after the birth or adoption of the child, or increased to the first 12 months after the birth or adoption of the child. An individual may be exempt only once under this clause.

(ii) An individual who received an exemption pursuant to clause (i) shall be exempt for a period of 12 weeks, upon the birth or adoption of any subsequent children, except that this period may be

extended on a case-by-case basis to six months, based on criteria developed by the county.

(iii) In making the determination to extend the period of exception under clause (i) or (ii), the following may be considered:

(1) The availability of child care.

(2) Local labor market conditions.

(3) Other factors determined by the county.

(B) In a family eligible for aid under this chapter due to the unemployment of the principal wage earner, the exemption criteria contained in subparagraph (A) shall be applied to only one parent.

(7) Except as provided in subdivision (c) of Section 11331.5, during the time that provision is operative, a woman who is pregnant and for whom it has been medically verified that the pregnancy impairs her ability to be regularly employed or participate in welfare-to-work activities or the county has determined that, at that time, participation will not readily lead to employment or that a training activity is not appropriate.

(c) Any individual not required to participate may choose to participate voluntarily under this article, and end that participation at any time without loss of eligibility for aid under this chapter, if his or her status has not changed in a way that would require participation.

(d) (1) Notwithstanding subdivision (a), a custodial parent who is under 20 years of age and who has not earned a high school diploma or its equivalent, and who is not exempt or whose only basis for exemption is subparagraph (A) of paragraph (6) of subdivision (b), shall be required to participate solely for the purpose of earning a high school diploma or its equivalent. During the time that Article 3.5 (commencing with Section 11331) is operative, this subdivision shall only apply to a custodial parent who is 19 years of age.

(2) Section 11325.25 shall apply to a custodial parent who is 18 or 19 years of age and who is required to participate under this article. Any referral pursuant to an evaluation that results in an assignment to any training or work activity shall be subject to subparagraph (B) of paragraph (6) of subdivision (b).

(e) Notwithstanding paragraph (1) of subdivision (d), the county may determine that participation in education activities for the purpose of earning a high school diploma or equivalent is inappropriate for an 18 or 19 year old custodial parent only if that parent is reassigned pursuant to an evaluation under Section 11325.25, or, at appraisal is already in an educational or vocational training program that is approvable as a self-initiated program as specified in Section 11325.23. If that determination is made, the parent shall be allowed to continue participation in the self-initiated program subject to Section 11325.23. During the time that Article 3.5 (commencing with Section 11331) is operative, this subdivision shall only apply to a custodial parent who is 19 years of age.

(f) A recipient shall be excused from participation for good cause when the county has determined there is a condition or other circumstance that temporarily prevents or significantly impairs the recipient's ability to be regularly employed or to participate in welfare-to-work activities. The county welfare department shall review the good cause determination for its continuing appropriateness in accordance with the projected length of the condition, or circumstance, but not less than every three months. The recipient shall cooperate with the county welfare department and provide information, including written documentation, as required to complete the review. Conditions that may be considered good cause include, but are not limited to, the following:

(1) Lack of necessary supportive services.

(2) In accordance with Article 7.5 (commencing with Section 11495), the applicant or recipient is a victim of domestic violence, but only if participation under this article is detrimental to or unfairly penalizes that individual or his or her family.

(3) Licensed or license-exempt child care for a child 10 years of age or younger is not reasonably available during the individual's hours of training or employment including commuting time, or arrangements for child care have broken down or have been interrupted, or child care is needed for a child who meets the criteria of subparagraph (B) of paragraph (1) of subdivision (a) of Section 11323.2, but who is not included in the assistance unit. For purposes of this paragraph, ''reasonable availability'' means child care that is commonly available in the recipient's community to a person who is not receiving aid and that is in conformity with the requirements of Public Law 104-193. The choices of child care shall meet either licensing requirements or the requirements of Section 11324. This good cause criterion shall include the unavailability of suitable special needs child care for children with identified special needs, including, but not limited to, disabilities or chronic illnesses.

SEC. 66. Section 11320.31 is added to the Welfare and Institutions Code, to read:

11320.31. No sanctions shall be applied for a failure or refusal to comply with program requirements for reasons related to employment, an offer of employment, an activity, or other training for employment including, but not limited to, the following reasons:

(a) The employment, offer of employment, activity, or other training for employment discriminates in terms of age, sex, race, religion, national origin, or physical or mental disability.

(b) The employment or offer of employment exceeds the daily or weekly hours of work customary to the occupation.

(c) The employment, offer of employment, activity, or other training for employment requires travel to and from the place of employment, activity, or other training and one's home that exceeds a total of two hours in round-trip time, exclusive of the time necessary

to transport family members to a school or place providing care, or, when walking is the only available means of transportation, the round-trip is more than two miles, exclusive of the mileage necessary to accompany family members to a school or a place providing care. An individual who fails or refuses to comply with the program requirements based on this paragraph shall be required to participate in community service activities pursuant to Section 11322.9.

(d) The employment, offer of employment, activity, or other training for employment involves conditions that are in violation of applicable health and safety standards.

(e) The employment, offer of employment, or work activity does not provide for worker's compensation insurance.

(f) Accepting the employment or work activity would cause an interruption in an approved education or job training program in progress that would otherwise lead to employment and sufficient income to be self-supporting, excluding work experience or community service employment as described in subdivision (e) of Section 11322.6 or other community work experience assignments, except that a recipient may be required to engage in welfare-to-work activities to the extent necessary to meet the hours of participation required by Section 11322.8.

(g) Accepting the employment, offer of employment, or work activity would cause the individual to violate the terms of his or her union membership.

SEC. 67. Section 11320.4 of the Welfare and Institutions Code is repealed.

SEC. 68. Section 11320.6 of the Welfare and Institutions Code is repealed.

SEC. 69. Section 11320.8 of the Welfare and Institutions Code is repealed.

SEC. 70. Section 11321 of the Welfare and Institutions Code is repealed.

SEC. 71. Section 11321.2 of the Welfare and Institutions Code is repealed.

SEC. 72. Section 11321.4 of the Welfare and Institutions Code is repealed.

SEC. 73. Section 11321.8 of the Welfare and Institutions Code is repealed.

SEC. 74. Section 11322 of the Welfare and Institutions Code is repealed.

SEC. 75. Section 11322.2 of the Welfare and Institutions Code is amended to read:

11322.2. Counties shall continually monitor their program expenditures throughout the fiscal year. If a county determines that its anticipated expenditures will exceed the amount of that year's allocations as a result of an unexpected event, including caseload increases, court cases, or significant justifiable increases in

component costs, the county shall immediately notify the department.

SEC. 76. Section 11322.4 of the Welfare and Institutions Code is repealed.

SEC. 77. Section 11322.4 is added to the Welfare and Institutions Code, to read:

11322.4. It is the intent of the Legislature to fund welfare-to-work activities under this article so that all recipients of aid under this chapter for whom participation under this article is required can be served and, in addition, so that recipients voluntarily participating under this article can be served.

SEC. 78. Section 11322.41 of the Welfare and Institutions Code is repealed.

SEC. 79. Section 11322.6 of the Welfare and Institutions Code is repealed.

SEC. 80. Section 11322.6 is added to the Welfare and Institutions Code, to read:

11322.6. The welfare-to-work plan developed by the county welfare department and the participant pursuant to this article shall provide for welfare-to-work activities. Welfare-to-work activities may include, but are not limited to, any of the following:

(a) Unsubsidized employment.

(b) Subsidized private sector employment.

(c) Subsidized public sector employment.

(d) Work experience, which means public or private sector work that shall help provide basic job skills, enhance existing job skills in a position related to the participant's experience, or provide a needed community service that will lead to employment. Unpaid work experience shall be limited to 12 months, unless the county welfare department and the recipient agree to extend this period by an amendment to the welfare-to-work plan. The county welfare department shall review the work experience assignment as appropriate and make revisions as necessary to ensure that it continues to be consistent with the participant's plan and effective in preparing the participant to attain employment.

(e) On-the-job training.

(f) Grant-based on-the-job training, which means public or private sector employment or on-the-job training in which the recipient's cash grant, or a portion thereof, or the aid grant savings resulting from employment, is diverted to the employer as a wage subsidy to partially or wholly offset the payment of wages to the participant. Grant-based on-the-job training shall include community service positions pursuant to Section 11322.9.

(g) Supported work or transitional employment, which means forms of grant-based on-the-job training in which the recipient's cash grant, or a portion thereof, or the aid grant savings from employment,

is diverted to an intermediary service provider, to partially or wholly offset the payment of wages to the participant.

(h) Work-study.

(i) Self-employment.

(j) Community service.

(k) Adult basic education, which shall include reading, writing, arithmetic, high school proficiency, or general educational development certificate of instruction, and English-as-a-second-language. Participants under this subdivision shall be referred to appropriate service providers that include, but are not limited to, educational programs operated by school districts or county offices of education that have contracted with the Superintendent of Public Instruction to provide services to participants pursuant to Section 33117.5 of the Education Code.

(*l*) Job skills training directly related to employment.

(m) Vocational education and training, including, but not limited to, college and community college education, adult education, regional occupational centers, and regional occupational programs.

(n) Job search and job readiness assistance, which means providing the recipient with training to learn job seeking and interviewing skills, to understand employer expectations, and learn skills designed to enhance an individual's capacity to move toward self-sufficiency.

(o) Education directly related to employment.

(p) Satisfactory progress in secondary school or in a course of study leading to a certificate of general educational development, in the case of a recipient who has not completed secondary school or received such a certificate.

(q) Mental health, substance abuse, and domestic violence services, described in Sections 11325.7 and 11325.8 and Article 7.5 (commencing with Section 11495), that are necessary to obtain and retain employment.

(r) Other activities necessary to assist an individual in obtaining unsubsidized employment.

Assignment to an educational activity identified in subdivisions (k), (m), (o), and (p) is limited to those situations in which the education is needed to become employed.

SEC. 81. Section 11322.61 is added to the Welfare and Institutions Code, to read:

11322.61. (a) Except as provided in subdivisions (c) and (d) of Section 11327.5, if there is any interruption in receipt of income for an employee in a grant-based on-the-job training program, as provided for pursuant to subdivision (j) of Section 11322.6, that is caused by an employer's conduct, the county shall ensure that a recipient receives 100 percent of the maximum aid payment, not counting the unpaid wages, that the assistance unit is eligible to receive. The payment shall be made as a supplemental grant

payment. The county shall act to recover from the employer any amount of the grant diverted to the employer that was not paid as wages to the recipient. The agreement between the county and the employer pertaining to grant-based on-the-job training shall state that the county will take action to collect from the employer the amount of the grant diverted to the employer that was not paid as wages to the recipient.

(b) Pursuant to subdivision (f) of Section 11322.6, counties using grant-based on-the-job training shall monitor the retention of participants as employees by employers participating in grant-based on-the-job training, and shall cancel the participation of employers who demonstrate, over time, an unwillingness to hire recipients who have participated in grant-based on-the-job training with that employer.

SEC. 82. Section 11322.62 is added to the Welfare and Institutions Code, to read:

11322.62. Employers, sponsors of training activities, and contractors shall not discriminate against participants on the basis of race, sex, national origin, age, or disability.

SEC. 83. Section 11322.65 is added to the Welfare and Institutions Code, to read:

11322.65. (a) Unless otherwise specified in this chapter, assignment to any activity otherwise authorized under this article shall be limited in any county to the number or percentage of participants specified under Section 407(c) of the federal Social Security Act (42 U.S.C. Sec. 607(c)) and subsequent amendments thereto, unless the recipient is concurrently participating in any activities that will count for the required number of hours of participation under federal law.

(b) Subdivision (a) shall not apply if the statewide percentage, as determined by the department, is less than the limits described in federal law.

SEC. 84. Section 11322.7 is added to the Welfare and Institutions Code, to read:

11322.7. (a) Every county shall provide an adequate range of those activities described in Section 11322.6 to ensure each participant’s access to needed activities and services to assist him or her in seeking employment, to provide education and training the participant needs to find self-supporting work, and to arrange for placement in paid or unpaid work settings that will enhance a participant’s ability to obtain unsubsidized employment.

(b) No plan shall require job search and work experience of participants to the exclusion of a range of activities to be offered to recipients.

SEC. 85. Section 11322.8 of the Welfare and Institutions Code is repealed.

SEC. 86. Section 11322.8 is added to the Welfare and Institutions Code, to read:

11322.8. (a) Unless otherwise exempt, an adult recipient in a one-parent assistance unit shall participate in welfare-to-work activities for 20 hours each week beginning January 1, 1998, 26 hours each week beginning July 1, 1998, and 32 hours each week beginning July 1, 1999, and thereafter. In no event shall the adult recipient participate in welfare-to-work activities less than the required hours of participation under Section 607(c) of Title 42 of the United States Code and any subsequent amendments thereto, for the entire time period on aid. A county retains the option to require all recipients or individual recipients to participate in welfare-to-work activities in excess of the minimum number of hours specified in this subdivision, up to 32 hours each week.

(b) Unless otherwise exempt, an adult recipient who is an unemployed parent, as defined in Section 11201, shall participate in at least 35 hours of welfare-to-work activities each week that will meet the required hours of participation under Section 607(c) of Title 42 of the United States Code and any subsequent amendments thereto. However, both parents in a two-parent assistance unit may contribute to the 35 hours, if provided in federal law as meeting the federal work participation requirements and if at least one parent meets the federal one-parent work requirement applicable on January 1, 1998. To be eligible for federally funded child care under Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code, both parents shall participate in work activities that will meet the required hours of participation under Section 607(c) of Title 42 of the United States Code and any subsequent amendments thereto.

SEC. 87. Section 11322.9 is added to the Welfare and Institutions Code, to read:

11322.9. (a) In accordance with the requirements of this section:

(1) Counties may provide for community service activities for individuals who have not completed the period specified in subdivision (a) of Section 11454 and are not employed in unsubsidized employment, sufficient to meet the hours of participation required by Section 11322.8.

(2) Counties shall provide for community service activities for individuals who have completed the period as specified in subdivision (a) of Section 11454, who cannot find unsubsidized employment sufficient to meet the hours of participation required by Section 11322.8, and the county certifies that no job is currently available to fulfill the hours required by Section 11322.8, and who continue to meet the financial eligibility criteria for aid under this chapter.

(b) Community service activities shall meet all of the following criteria:

(1) Be performed in the public and private nonprofit sector.

(2) Provide participants with job skills that can lead to unsubsidized employment.

(3) Comply with the antidisplacement provisions contained in Section 11324.6.

(c) Participants in community service activities shall do all of the following:

(1) Participate in a community service activity for the number of hours required by Section 11322.8, unless fewer hours of community service participation are required by federal law.

(2) Participate in other work activities for the number of hours equal to the difference between the hours of participation in community service and the number of hours of participation required under Section 11322.8.

(d) The county plan pursuant to Section 10531 shall include a component, developed by the county in collaboration with local private sector employers, local education agencies, county welfare departments, organized labor, recipients of aid under this chapter, and government and community-based organizations providing job training and economic development, in order to identify all of the following:

(1) Unmet community needs that could be met through community service activities.

(2) The target population to be served.

(3) Entities responsible for project development, fiscal administration, and case management services.

(4) The terms of community service activities, that, to the extent feasible, shall be temporary and transitional, and not permanent.

(5) Supportive efforts, including job search, education, and training, which shall be provided to participants in community service activities.

(e) Aid under this chapter for any participant who fails to comply with the requirements of this section without good cause shall be reduced in accordance with Section 11327.5.

(f) Child care as a supportive service shall be provided to participants in community service activities pursuant to Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code, and Section 11323.2. Other supportive services may be provided by the county at the county's option. However, if the county does not provide mental health services pursuant to Section 11325.7, the county shall indicate in its county plan under Chapter 1.3 (commencing with Section 10530) how mental health services needed by participants will be made available during participation in a community service job.

SEC. 88. Section 11323 of the Welfare and Institutions Code is repealed.

SEC. 89. Section 11323.1 of the Welfare and Institutions Code is repealed.

SEC. 90. Section 11323.2 of the Welfare and Institutions Code is amended to read:

11323.2. (a) Necessary supportive services shall be available to every participant in order to participate in the program activity to which he or she is assigned or to accept employment or the participant shall have good cause for not participating under subdivision (f) of Section 11320.3. As provided in the welfare-to-work plan entered into between the county and participant pursuant to this article, supportive services shall include all of the following:

(1) Child care.

(A) Paid child care shall be available to every participant with a dependent child in the assistance unit who needs paid child care if the child is 10 years of age or under, or requires child care or supervision due to a physical, mental, or developmental disability or other similar condition as verified by the county welfare department, or who is under court supervision.

(B) To the extent funds are available paid child care shall be available to a participant with a dependent child in the assistance unit who needs paid child care if the child is 11 or 12 years of age.

(C) A child in foster care receiving benefits under Title IV-E of the federal Social Security Act (42 U.S.C.A. Sec. 670 et seq.) or a child who would become a dependent child except for the receipt of federal Supplemental Security Income benefits pursuant to Title XVI of the federal Social Security Act (42 U.S.C.A. Sec. 1381 et seq.) shall be deemed to be a dependent child for the purposes of this paragraph.

(D) The provision of care and payment rates under this paragraph shall be governed by Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code. Parent fees shall be governed by subdivision (f) of Section 8263 of the Education Code.

(2) Transportation costs, which shall be governed by regional market rates as determined in accordance with regulations established by the department.

(3) Ancillary expenses, which shall include the cost of books, tools, clothing specifically required for the job, fees, and other necessary costs.

(4) Personal counseling. A participant who has personal or family problems that would affect the outcome of the welfare-to-work plan entered into pursuant to this article shall, to the extent available, receive necessary counseling or therapy to help him or her and his or her family adjust to his or her job or training assignment.

(b) If provided in a county plan, the county may continue to provide case management and supportive services under this section to former participants who become subject to paragraph (8) of subdivision (b) of Section 11320.3. The county may provide these

services for up to the first 12 months of employment to the extent they are not available from other sources and are needed for the individual to retain the employment.

SEC. 91. Section 11323.4 of the Welfare and Institutions Code is amended to read:

11323.4. (a) Payments for supportive services, as described in Section 11323.2, shall be advanced to the participant, wherever necessary, and when desired by the participant, so that the participant need not use his or her funds to pay for these services. Payments for child care services shall be made in accordance with Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code.

(b) The county welfare department shall take all reasonable steps necessary to promptly correct any overpayment or underpayment of supportive services payments to a recipient or a service provider, including, but not limited to, all cases involving fraud and abuse, consistent with procedures developed by the department. The department's procedures shall not jeopardize federal financial participation.

(c) Notwithstanding any other provision of this article, any participant in on-the-job training who becomes ineligible for aid under this chapter due to earned income, hours worked, or loss of income disregards, shall remain a participant in the program under this article for the duration of the on-the-job training assignment and shall be eligible for supportive services for the duration of the on-the-job training, provided this duration does not exceed the time limits otherwise applicable to the recipient.

(d) Notwithstanding any other provision of this article, any participant in on-the-job training, grant-based on-the-job training, supported work, or transitional employment who remains eligible for aid pursuant to this chapter, shall be eligible for transportation and ancillary expenses pursuant to paragraphs (2) and (3) of subdivision (a) of Section 11323.2.

(e) (1) Participants shall be encouraged to apply for financial aid, including educational grants, scholarships, and awards.

(2) To the extent permitted by federal law, the county shall coordinate with financial aid offices to establish procedures whereby the educational expenses of participants are met through available financial aid and the supportive services described in Section 11323.2. These procedures shall not result in duplication of payments, and shall require determinations to be made on an individual basis to ensure that using financial aid will not prevent the person's participation in his or her welfare-to-work plan.

SEC. 92. Section 11323.6 of the Welfare and Institutions Code is repealed.

SEC. 93. Section 11323.6 is added to the Welfare and Institutions Code, to read:

11323.6. The department shall be responsible for supervising the provision of child care by counties during stage one as described in Sections 8350, 8351, and 8352 of the Education Code. Counties may contract with public and private child care entities or providers for this purpose.

SEC. 94. Section 11323.8 of the Welfare and Institutions Code is repealed.

SEC. 95. Section 11323.8 is added to the Welfare and Institutions Code, to read:

11323.8. Counties shall manage the participant's transition from stage one to stage two child care pursuant to Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code. If the county is operating stage two child care, the county shall manage the participant's transition from stage two to stage three pursuant to Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code.

SEC. 96. Section 11324 of the Welfare and Institutions Code is amended to read:

11324. (a) If the county welfare department or a contractor pays for child care services which are exempt from licensure, all of the following information about the caregiver shall be on file with the county welfare department or the contractor and shall be made available to the participant:

(1) The name and address of the care provider.

(2) The address where care is to be provided.

(3) The hours care is to be provided and the charge for this care.

(4) The names, addresses, and telephone numbers of two character references.

(5) A copy of a valid California driver's license or other identification to establish that the caregiver is at least 18 years old.

(6) A statement from the caregiver as to his or her health education, experience or other qualification, criminal record, and names and ages of other persons in the home or providing care.

(b) The county welfare department or the contractor shall use existing child care licensing or CalWORKs program procedures in meeting the requirements of subdivision (a).

(c) To the extent permitted by federal law, the county welfare department shall deny payment, or cause the contractor to deny payment, for child care services which are exempt from licensure if either of the following apply:

(1) The provider has been convicted of a violent felony, as defined in subdivision (c) of Section 667.5 of the Penal Code.

(2) The provider has been convicted of child abuse.

(d) If the child care provider selected by the participant is denied payment, the participant may have good cause for not participating as specified in paragraph (3) of subdivision (f) of Section 11320.3.

SEC. 97. Section 11324.2 of the Welfare and Institutions Code is repealed.

SEC. 98. Section 11324.4 of the Welfare and Institutions Code is amended to read:

11324.4. (a) The employer or sponsor of an employment or training program position described in Section 11322.6 or 11322.9 or any positions created under any county pilot project shall assist and encourage qualified participants to compete for job openings occurring within the sponsor's organization for which they qualify.

(b) Workers assigned to public agencies shall be allowed to participate in classified service examinations equivalent to the positions they occupy, as well as all open and promotional examinations for which experience in the position or other relevant experience is qualifying under merit system rules. To the extent permitted under federal or state law, local ordinance, or applicable collective bargaining agreements, time worked in the positions shall apply toward seniority in the merit public agency positions.

SEC. 99. Section 11324.5 of the Welfare and Institutions Code is amended to read:

11324.5. The county shall ensure that the labor union is notified of the use of participants assigned to an employment or training program position described in Section 11322.6 or 11322.9 or any positions created under any county pilot project, in any location or work activity controlled by an employer and covered by a collective bargaining agreement between the employer and a union. For nonunionized employees, procedures shall provide for notification to employees of the use of participants under this article and the availability of the grievance process. Display of a poster shall satisfy this requirement.

SEC. 100. Section 11324.6 of the Welfare and Institutions Code is amended to read:

11324.6. Any employment or training program position described in subdivisions (a) to (*l*), inclusive, of Section 11322.6 or Section 11322.9 or under any county pilot project, shall not be created as a result of, or shall not result in, any of the following:

(a) Displacement or partial displacement of current employees, including, but not limited to, a reduction in hours of nonovertime and overtime work, wages, or employment benefits.

(b) The filling of positions which would otherwise be promotional opportunities for current employees, except when positions are to be filled through an open process in which recipients are provided equal opportunity to compete.

(c) The filling of a position, prior to compliance with applicable personnel procedures or provisions of collective bargaining agreements.

(d) The filling of established unfilled public agency positions, unless the positions are unfunded in a public agency budget.

(e) The filling of a position created by termination, layoff, or reduction in work force, caused by the employer's intent to fill the position with a subsidized position pursuant to this article.

(f) A strike, lockout, or other bona fide labor dispute, or violation of any existing collective bargaining agreement between employees and employers.

(g) The filling of a work assignment customarily performed by a worker in a job classification within a recognized collective bargaining unit in that specific worksite, or the filling of a work assignment in any bargaining unit in which funded positions are vacant or in which regular employees are on layoff.

(h) The termination of a contract for services, prior to its expiration date, that results in the displacement or partial displacement of workers performing contracted services, caused by the employer's intent to fill the position with a subsidized position pursuant to this article.

(i) The denial to a participant or employee of protections afforded other workers on the worksite by state and federal laws governing workplace health, safety, and representation.

(j) Subdivisions (b), (d), and (g) shall not apply to unsubsidized employment placements.

SEC. 101. Section 11324.7 of the Welfare and Institutions Code is amended to read:

11324.7. (a) The department shall provide a grievance process for regular employees and their representatives who wish to file a complaint that an assignment to community service, work experience, on-the-job training, or any activity funded by grant-based on-the-job training violates any of the displacement provisions contained in Section 11324.6, as applicable, respecting any employment or training position created pursuant to this article.

(b) (1) The grievance process established pursuant to subdivision (a) shall consist of an informal procedure followed by a hearing if the informal procedure fails to resolve the complaint to the satisfaction of the complainant.

(2) The grievance process shall be conducted in accordance with rules and notification requirements adopted and promulgated in federal law that also provides for an appeal process to the United States Department of Labor.

(3) The department shall issue instructions and requirements for the grievance process.

(c) The department shall administer the employee grievance process either directly or through the county welfare departments, or may enter into agreements with another state agency to administer all or any part of the grievance process.

(d) Notwithstanding subdivisions (b) and (c), the department shall require the use of any existing grievance procedure that is part of a collective bargaining agreement between the employer and the

labor union representing the regular employee, in lieu of the process established by this section.

(e) Remedies for complaining regular employees in the process established by this section shall include, where appropriate, reinstatement, retroactive pay, and retroactive benefits.

SEC. 102. Section 11324.8 of the Welfare and Institutions Code is amended to read:

11324.8. (a) At the time an individual applies for aid under this chapter, or at the time a recipient's eligibility for aid is determined, the county shall do all of the following:

(1) Provide the individual, in writing and orally as necessary, with at least the following program information:

(A) A general description of the education, employment, and training opportunities and the supportive services available, including transitional benefits.

(B) A description of the exemptions from required participation provided under this article and the consequences of a refusal to participate in program components, if not exempt.

(C) A description of the responsibility of the participant to cooperate in establishing paternity and enforcing child support obligations, and to assist individuals in establishing paternity and obtaining child support as a condition of eligibility.

(2) Determine whether the individual is required to participate in the program provided under this article.

(b) At the time an individual is required to participate pursuant to this article, he or she shall receive a written preliminary determination that he or she is a member of a targeted group, for purposes of any applicable and operative federal Targeted Jobs Tax Credit and California Jobs Tax Credit.

(c) Persons not required to participate may volunteer to participate.

(d) An applicant for, or a recipient of, aid who is dissatisfied with the provisions of the welfare-to-work plan may seek redress through conciliation, as described in Section 11327.4.

SEC. 103. Section 11325 of the Welfare and Institutions Code is repealed.

SEC. 104. Section 11325.1 is added to the Welfare and Institutions Code, to read:

11325.1. When child care services are provided by a program funded under Article 25 (commencing with Section 8498.1) of Chapter 2 of Part 6 of the Education Code to a recipient under this article or any other job training program for recipients under this chapter, and the job training program utilizes vouchers for child care services issued by the county or a contracting agency, reimbursement for those child care services shall be made at a market rate established by the State Department of Education

pursuant to Article 15.5 (commencing with Section 8350) of Chapter 2 of Part 6 of the Education Code.

SEC. 105. Section 11325.2 of the Welfare and Institutions Code is amended to read:

11325.2. (a) At the time a recipient enters the welfare-to-work program, the county shall conduct an appraisal, pursuant to regulations adopted by the department, during which the recipient is informed of the requirement to participate in training opportunities available to a participant, and available supportive services. The appraisal shall provide information about the recipient in the following areas:

(1) Employment history and skills.

(2) Need for supportive services as described in Section 11323.2.

(b) This section shall not apply to individuals subject to Article 3.5 (commencing with Section 11331) during the time that article is operative.

SEC. 106. Section 11325.21 of the Welfare and Institutions Code is amended to read:

11325.21. (a) Any individual who is required to participate in welfare-to-work activities pursuant to this article shall enter into a written welfare-to-work plan with the county welfare department after assessment as required by subdivision (b) of Section 11320.1, except as provided for in Section 11320.3. The plan shall include the activities and services that will move the individual into employment.

(b) The county shall allow the participant three working days after completion of the plan or subsequent amendments to the plan in which to evaluate and request changes to the terms of the plan.

(c) The plan shall be written in clear and understandable language, and have a simple and easy-to-read format.

(d) The plan shall contain at least all of the following general information:

(1) A general description of the program provided for in this article, including available program components and supportive services.

(2) A general description of the rights, duties, and responsibilities of program participants, including a list of the exemptions from the required participation under this article, the consequences of a refusal to participate in program components, and criteria for successful completion of the program.

(3) A description of the grace period required in paragraph (5) of subdivision (b) of Section 11325.22.

(e) The plan shall specify, and shall be amended to reflect changes in, the participant’s welfare-to-work activity, a description of services to be provided in accordance with Sections 11322.6, 11322.8, and 11323.1 as needed, and specific requirements for successful

completion of assigned activities including required hours of participation.

The plan shall also include a general description of supportive services pursuant to Section 11323.2 that are to be provided as necessary for the participant to complete assigned program activities.

(f) Any assignment to a program component shall be reflected in the plan or an amendment to the plan. The participant shall maintain satisfactory progress toward employment through the methods set forth in the plan, and the county shall provide the services pursuant to Section 11323.2.

(g) This section shall not apply to individuals subject to Article 3.5 (commencing with Section 11331) during the time that article is operative.

SEC. 107. Section 11325.22 of the Welfare and Institutions Code is amended to read:

11325.22. (a) (1) Following the appraisal required by Section 11325.2, all participants except those described in paragraph (4) of this subdivision, shall be assigned to participate for a period of up to four consecutive weeks in job search activities. These activities may include the use of job clubs to identify the participant's qualifications. The county shall consider the skills and interests of the participants in developing a job search strategy. The period of job search activities may be shortened if the participant and the county agree that further activities would not be beneficial. Job search activities may be shortened for a recipient if the county determines that the recipient will not benefit because he or she may suffer from an emotional or mental disability that will limit or preclude the recipient's participation under this article.

(2) Nothing in this section shall require participation in job search activities, the schedule for which interferes with unsubsidized employment or participation pursuant to Section 11325.23.

(3) Job search activities may be required in excess of the limits specified in paragraph (1) on the basis of a review by the county of the recipient's performance during job search to determine whether extending the job search period would result in unsubsidized employment.

(4) A person subject to Article 3.5 (commencing with Section 11331) or subdivision (d) of Section 11320.3 shall be required to participate in job search activities as provided in paragraph (1) upon earning a high school diploma or its equivalent, if she or he has not already taken the option to complete these activities as the first program assignment following appraisal shall not be required, but may be permitted, to participate in job search activities as his or her first program assignment following appraisal.

(b) (1) Upon the completion of job search activities, or a determination that those activities are not required in accordance

with paragraph (3) of subdivision (a), the participant shall be assigned to one or more of the activities described in Section 11322.6 as needed to attain employment.

(2) (A) The assignment to one or more of the program activities as required in paragraph (1) of this subdivision shall be based on the welfare-to-work plan developed pursuant to an assessment as described in Section 11325.4. The plan shall be based, at a minimum, on consideration of the individual's existing education level, employment experience and relevant employment skills, available program resources, and local labor market opportunities.

(B) An assessment shall be performed upon completion of job search activities or at such time as it is determined that job search will not be beneficial as required in Section 11325.4.

(C) Notwithstanding subparagraphs (A) and (B), an assessment shall not be required to develop a welfare-to-work plan for a person who is participating in an approved self-initiated program pursuant to Section 11325.23 unless the county determines that an assessment is necessary to meet the hours specified in Section 11325.23.

(3) A participant who lacks basic literacy or mathematics skills, a high school diploma or general educational development certificate, or English language skills, shall be assigned to participate in adult basic education as described in subdivision (c) of Section 11322.8, as appropriate and necessary for removal of the individual's barriers to employment.

(4) Participation in activities assigned pursuant to this section may be sequential or concurrent. The county may require concurrent participation in the assigned activities if it is appropriate to the participant's abilities, consistent with the participant's welfare-to-work plan, and the activities can be concurrently scheduled.

(5) The participant has 30 days from the beginning of the initial training or education assignment in which to request a change or reassignment to another component. The county shall grant the participant's request for reassignment if another assignment is available that is consistent with the participant's welfare-to-work plan and the county determines the other assignment will readily lead to employment. This grace period shall be available only once to each participant.

(c) Any assignment or change in assignment to a program activity pursuant to this section shall be included in the welfare-to-work plan, or an amendment to the plan, as required in Section 11325.21.

(d) A participant who has not obtained unsubsidized employment upon completion of the activities in a welfare-to-work plan developed pursuant to the job search activities and an assessment required by subdivision (a) shall be referred to assessment as described in Section 11326, unless he or she is required to be assigned to community service pursuant to Section 11322.9.

(e) The criteria for successful completion of an assigned education or training activity shall include regular attendance, satisfactory progress, and completion of the assignment. A person who fails or refuses to comply with program requirements for participation in the activities assigned pursuant to this section shall be subject to Sections 11327.4 and 11327.5.

(f) This section shall not apply to individuals subject to Article 3.5 (commencing with Section 11331) during the time that article is operative.

SEC. 108. Section 11325.23 of the Welfare and Institutions Code is repealed.

SEC. 109. Section 11325.23 is added to the Welfare and Institutions Code, to read:

11325.23. (a) (1) Except as provided in paragraph (2), any student who, at the time he or she is required to participate under this article pursuant to Section 11320.3, is enrolled in any undergraduate degree or certificate program that leads to employment may continue in that program within the time period specified in subdivisions (a) and (d) of Section 11454 if he or she is making satisfactory progress in that program, the county determines that continuing in the program is likely to lead to self-supporting employment for that recipient, and the welfare-to-work plan reflects that determination.

(2) Any individual who possesses a baccalaureate degree shall not be eligible to participate under this section unless the individual is pursuing a California regular classroom teaching credential in a college or university with an approved teacher credential preparation program.

(3) (A) Subject to the limitation provided in subdivision (f), a program shall be determined to lead to employment if it is on a list of programs that the county welfare department and local education agencies or providers agree lead to employment. The list shall be agreed to annually, with the first list completed no later than January 31, 1998. By January 1, 2000, all educational providers shall report data regarding programs on the list for the purposes of the report card established under Section 15037.1 of the Unemployment Insurance Code for the programs to remain on the list.

(B) For students not in a program on the list prepared under subparagraph (A), the county shall determine if the program leads to employment. The recipient shall be allowed to continue in the program within the time period specified in subdivisions (a) and (d) of Section 11454 if the recipient demonstrates to the county that the program will lead to self-supporting employment for that recipient and the documentation is included in the welfare-to-work plan.

(C) If participation in educational or vocational training, as determined by the number of hours required for classroom, laboratory, or internship activities, is not at least 32 hours, the county

shall require concurrent participation in work activities pursuant to subdivisions (a) to (j), inclusive, of Section 11322.6 and Section 11325.22.

(b) Participation in the self-initiated education or vocational training program shall be reflected in the welfare-to-work plan required by Section 11325.21. The welfare-to-work plan shall provide that whenever an individual ceases to participate in, refuses to attend regularly, or does not maintain satisfactory progress in the self-initiated program, the individual shall participate under this article in accordance with Section 11325.22.

(c) Any person whose previously approved self-initiated education or training program is interrupted for reasons that meet the good cause criteria specified in Section 11328 may resume participation in the same program if the participant maintained good standing in the program while participating and the self-initiated program continues to meet the approval criteria. The county shall adjust the completion date of the program, accounting for the time of absence to allow the participant a cumulative timeframe outlined in subdivision (a).

(d) Supportive services reimbursement shall be provided for any participant in a self-initiated training or education program approved under this subdivision. This reimbursement shall be provided if no other source of funding for those costs is available. Any offset to supportive services payments shall be made in accordance with subdivisions (d) and (e) of Section 11323.4.

(e) Any student who at the time he or she is required to participate under this article pursuant to Section 11320.3 who has been enrolled and is making satisfactory progress in a degree or certificate program prior to the operative date of this section, but does not meet the criteria set forth in subdivision (a), shall have until the beginning of the next educational semester or quarter break to continue his or her educational program if he or she continues to make satisfactory progress. At the time the educational break occurs, the individual is required to participate pursuant to Section 11320.3. The time spent in the educational program shall count towards the time limits and community service requirements established for recipients in Sections 11320.1 and 11454. A recipient not expected to complete the program by the next break may continue his or her education under the timelines in subdivision (a), provided he or she transfers at the end of the current quarter or semester to a program that qualifies under that subdivision, the county determines that participation is likely to lead to self-supporting employment of the recipient, and the welfare-to-work plan reflects that determination.

(f) Any degree, certificate, or vocational program offered by a private postsecondary training provider shall not be approved under this section unless the program is either approved or exempted by

the appropriate state regulatory agency and the program is in compliance with all other provisions of law.

SEC. 110. Section 11325.25 of the Welfare and Institutions Code is amended to read:

11325.25. (a) A participant with a suspected learning or medical problem, as indicated by information received during appraisal or assessment or by lack of satisfactory progress in an assigned program component, shall be referred to an evaluation to determine whether the individual is unable to successfully complete or benefit from a current or proposed program assignment. As part of the evaluation, the county may require the individual to undergo the appropriate examinations to obtain information regarding the individual's learning and physical abilities.

(b) Based upon the results of the evaluation required by subdivision (a), the county may refer the individual to any of the following components as appropriate:

(1) Referral to any of the activities in Section 11322.6, including referral to the person's previous activity.

(2) Existing special programs that meet specific needs of the individual.

(3) Job search services, if the county determines the individual has the skills needed to find a job in the local labor market.

(4) Assessment as described in Section 11325.4, or reappraisal as described in Section 11326.

(5) Rehabilitation assessment and subsequent training.

(c) The participant shall be involved in the decisions made during the progress evaluation and shall have appeal rights consistent with those accorded to all program participants.

SEC. 111. Section 11325.4 of the Welfare and Institutions Code is amended to read:

11325.4. (a) Upon referral to assessment, a participant shall work with the county welfare department to develop and agree on a welfare-to-work plan on the basis of an assessment of the individual's skills and needs. The assessment shall include at least all of the following:

(1) The participant's work history and an inventory of his or her employment skills, knowledge, and abilities.

(2) The participant's educational history and present educational competency level.

(3) The participant's need for supportive services in order to obtain the greatest benefit from the employment and training services offered under this article.

(4) An evaluation of the chances for employment given the current skills of the participant and the local labor market conditions.

(5) Local labor market information.

(6) Physical limitations or mental conditions that limit the participant's ability for employment or participation in welfare-to-work activities.

(b) The county may contract with outside parties, including local educational agencies and service delivery areas, to provide the assessment.

(c) (1) Notwithstanding the procedures set forth in Chapter 7 (commencing with Section 10950) of Part 2, if the participant and assessor are unable to reach agreement on the welfare-to-work plan, the matter shall be referred by the county for an independent assessment by an impartial third party. The results of this assessment, which shall be binding upon the county and the participant, shall be used to develop the appropriate plan for the participant.

(2) No third party assessment under this subdivision shall be made by a party having any financial or other interest in the result of the assessment. The party making the assessment shall be selected by the county according to an unbiased procedure.

(d) This section shall not apply to individuals subject to Article 3.5 (commencing with Section 11331) during the time that article is operative.

SEC. 112. Section 11325.5 is added to the Welfare and Institutions Code, to read:

11325.5. (a) If, pursuant to the assessment conducted pursuant to Section 11325.4, there is a concern that a mental disability exists that will impair the ability of a recipient to obtain employment, he or she shall be referred to the county mental health department.

(b) Subject to appropriations in the Budget Act, the county mental health department shall evaluate the recipient and determine any treatment needs. The evaluation shall include the extent to which the individual is capable of employment at the present time and under what working and treatment conditions the individual is capable of employment. The evaluation shall include prior diagnoses, assessments, or evaluations that the recipient provides.

(c) Each county welfare department shall develop individual welfare-to-work plans for recipients with mental or emotional disorders based on the evaluation conducted by the mental health department. The plan for the recipient shall include appropriate employment accommodations or restrictions, supportive services, and treatment requirements. Any prior diagnosis, evaluation, or assessment provided by the recipient shall be considered in the development of his or her individual welfare-to-work plan.

SEC. 113. Section 11325.6 of the Welfare and Institutions Code is amended to read:

11325.6. Subject to the limitations of subdivision (f) of Section 11322.6 and subdivision (a) of Section 11325.22, if activities to be provided under the plan between the county welfare department

and the participant are not immediately available to the participant, he or she shall receive job search activities until the education or training services designated in the plan are available.

SEC. 114. Section 11325.7 is added to the Welfare and Institutions Code, to read:

11325.7. (a) It is the intent of the Legislature in enacting this section to create a funding stream and program that assists certain recipients of aid under this chapter to receive necessary mental health services, including case management and treatment, thereby enabling them to make the transition from welfare to work. This funding stream shall be used specifically to serve recipients in need of mental health services, and shall be accounted for and expended by each county in a manner that ensures that recipients in need of mental health services are receiving appropriate services.

(b) The county plan required by Section 10531 shall include a plan for the development of mental health employment assistance services, developed jointly by the county welfare department and the county department of mental health. The plan shall have as its goal the treatment of mental or emotional disabilities that may limit or impair the ability of a recipient to make the transition from welfare-to-work, or that may limit or impair the ability to retain employment over a long-term period. The plan shall be developed in a manner consistent with both the county's welfare-to-work program and the county's consolidated mental health Medi-Cal services plan. The county may use community based providers, as necessary, that have experience in addressing the needs of the CalWORKs population. The county, whenever possible, shall ensure that the services provided qualify for federal reimbursement of the nonstate share of Medi-Cal costs.

(c) Subject to specific expenditure authority, mental health services available under this section shall include all of the following elements:

(1) Assessment for the purpose of identifying the level of the participant's mental health needs and the appropriate level of treatment and rehabilitation for the participant.

(2) Case management, as appropriate, as determined by the county.

(3) Treatment and rehabilitation services, that shall include counseling, as necessary to overcome mental health barriers to employment and mental health barriers to retaining employment, in coordination with an individual's welfare-to-work plan.

(4) In cases where a secondary diagnosis of substance abuse is made in a person referred for mental or emotional disorders, the welfare-to-work plan shall also address the substance abuse treatment needs of the participant.

(5) A process by which the county can identify those with severe mental disabilities that may qualify them for aid under Chapter 3 (commencing with Section 12000).

(d) Any funds appropriated by the Legislature to cover the nonfederal costs of the mental health employment assistance services required by this section shall be allocated consistent with the formula used to distribute each county's CalWORKs program allocation. Each county shall report annually to the state the number of CalWORKs program recipients who received mental health services and the extent to which the allocation is sufficient to meet the need for these services as determined by the county. The State Department of Mental Health shall develop a uniform methodology for ensuring that this allocation supplements and does not supplant current expenditure levels for mental health services for this population.

SEC. 115. Section 11325.8 is added to the Welfare and Institutions Code, to read:

11325.8. (a) The county plan required by Section 10531 shall include a plan for the provision of substance abuse treatment services. The plan shall describe how the county welfare department and the county alcohol and drug program will collaborate to ensure an effective system is available to provide alcohol and drug services to recipients whose substance abuse creates a barrier to employment. The plan shall be developed in a manner that is consistent with the county's welfare-to-work program. Substance abuse treatment services shall include evaluation, substance abuse treatment, employment counseling, provision of community service jobs, or other appropriate services.

(b) It is the intent of the Legislature that substance abuse treatment services for participants shall be provided by the county alcohol and drug program, or by a nonprofit agency under contract with the county alcohol and drug program. If the county welfare department determines that the county alcohol and drug program is unable to provide the needed services, the county department may contract directly with a state-licensed or certified nonprofit substance abuse program to obtain substance abuse services for a participant.

(c) (1) A participant who is in a job search component of the county's welfare-to-work program may be directed at any time to an assessment by the job search manager if the county believes that the participant's substance abuse may limit or preclude his or her satisfactory completion of the job search component.

(2) During the assessment, if the case manager believes that substance abuse will impair the ability of the participant to obtain and retain employment, the case manager shall refer the participant to the county alcohol and drug program for an evaluation and determination of any treatment necessary for the participant's transition from welfare to work. If the county alcohol and drug

program is unable to provide the necessary services, the county may refer the participant to a state-licensed or certified nonprofit agency under contract with the county to perform these services.

(3) If a participant is determined to have a substance abuse problem, based on an evaluation by the county alcohol and drug program or a state-licensed or certified nonprofit agency, the case manager shall develop the participant's welfare-to-work plan based on the results of that evaluation. In such a case, the participant's welfare-to-work plan may include appropriate treatment requirements, including assignment to a substance abuse program.

(4) A recipient of aid under this chapter shall be offered two opportunities to receive substance abuse treatment under subdivision (p) of Section 11322.6, except that the county may offer the recipient additional treatment opportunities.

(5) When a participant's welfare-to-work plan includes assignment to a treatment program, a case manager may determine that the participant is out of compliance with that plan if, at any time, in consultation with the substance abuse treatment provider, the county determines that the participant has failed or refused to participate in a treatment program without good cause. The assigned treatment program shall be reasonably accessible within the county of residence or a nearby county.

(6) When a case manager determines that a participant in a treatment program as specified in his or her welfare-to-work plan is out of compliance with a program requirement other than participation in a required treatment program, the determination of whether the participant has good cause to be out of compliance shall include consideration of whether the participant's substance abuse problem caused or substantially contributed to the failure to comply with the program requirements. In this determination, the county shall consult the substance abuse treatment provider as appropriate.

(d) No recipient may participate in a substance abuse treatment program for longer than six months without concurrently participating in a work activity, to be determined by the county and the recipient, in consultation with the treatment provider. However, if the recipient is in a residential treatment program or an intensive day treatment program that requires him or her to stay at the program site or otherwise not to participate in nonprogram activities, the requirements of the treatment program shall fulfill the recipient's work activity requirement.

(e) Any funds appropriated by the Legislature for allocation to each county to eliminate barriers to employment due to participants' substance abuse problems shall be allocated consistent with the formula used to distribute each county's CalWORKs program allocation and shall be used to supplement, and not supplant, substance abuse treatment funds otherwise available to recipients. It is the intent of the Legislature that these funds be used to develop,

expand, or develop and expand programs appropriate for CalWORKs program recipients. It is further the intent of the Legislature that, to the extent possible, these funds be used to maximize federal financial participation through Title XIX of the federal Social Security Act (Title 42 U.S.C. Sec. 1396 et seq.).

(f) Each county shall report annually to the state the number of CalWORKs program recipients who receive substance abuse treatment and the extent to which the allocation is sufficient to meet the need for substance abuse services as determined by the county.

SEC. 116. Section 11326 of the Welfare and Institutions Code is amended to read:

11326. (a) The county shall conduct a reappraisal of any participant who does not obtain unsubsidized employment upon completion of all activities included in the welfare-to-work plan developed pursuant to Section 11325.4. The reappraisal shall evaluate whether there are extenuating circumstances as defined by the county that prevent the participant from obtaining employment within the local labor market area.

(b) Upon a determination that extenuating circumstances exist, the participant shall be assigned to additional activities in accordance with subdivision (b) of Section 11325.22 as the county determines to be appropriate and necessary.

(c) Upon a determination that no extenuating circumstances exist, and until this determination is reversed or community service activity pursuant to Section 11322.9 is required, the participant shall be limited to the activities in subdivisions (a), (d), (*l*), and (q) of Section 11322.6. Participation in those activities shall be subject to the requirements of Section 11322.8.

SEC. 117. Section 11327.2 of the Welfare and Institutions Code is repealed.

SEC. 118. Section 11327.4 of the Welfare and Institutions Code is amended to read:

11327.4. (a) (1) Whenever an individual has failed or refused to comply with program requirements without good cause in a program component to which he or she is assigned and refuses to agree to or fails, without good cause, to comply with a compliance plan agreed to between the county and the participant, the individual shall be subject to sanctions specified in Section 11327.5.

(2) For the purposes of this article, the phrase ''failed or refused to comply with program requirements'' shall be limited to: failing or refusing to sign a welfare-to-work plan, participate or provide required proof of satisfactory progress in any assigned program activity, pursuant to this article, including self-initiated programs described in Section 11325.23 or accept employment; terminating employment; or reducing earnings.

(b) (1) Upon determination that an individual has failed or refused to comply with program requirements, the county shall issue

a notice of action effective no earlier than 30 calendar days from the date of issuance informing the individual that a sanction will be imposed if the individual fails to either attend an appointment scheduled by the county to be held within 20 calendar days of the notice, or contact the county by phone, within 20 calendar days of the notice, and fails to do either of the following:

(A) Provide information to the county that he or she had good cause for the refusal or failure that has led the county to make a finding of good cause for nonparticipation.

(B) Agree to a compliance plan to correct the failure or refusal to comply.

(2) The county shall schedule a time during which each individual who has failed or refused to comply with program requirements has an opportunity to demonstrate that he or she had good cause for that refusal or failure. The county shall schedule an appointment within 20 calendar days of the notice of action. The individual shall be allowed to reschedule the cause determination appointment once within the 20-calendar-day period.

(3) The written notice of action sent by the county shall do all of the following:

(A) Inform the individual of the specific act or acts that have caused the individual to be out of compliance with participation requirements.

(B) Inform the individual of his or her right to assert good cause for his or her refusal or failure.

(C) Inform the individual of the date and time of the scheduled appointment.

(D) Provide a general definition of good cause and examples of reasons that constitute good cause for not participating in the program.

(E) Inform the individual of the right to contact the county welfare department by telephone to establish good cause over the telephone in lieu of attending the appointment scheduled by the county.

(F) Inform the individual of the right to reschedule the appointment once within the 20-calendar-day period.

(G) Inform the individual that if good cause is not found, a compliance plan will be developed and the individual will be expected to agree to the plan or face a sanction.

(H) Inform the individual of the name, telephone number, and address of state and local legal aid and welfare rights organizations that may assist the individual with the good cause and compliance plan process.

(I) Describe the transportation and child care services that a person is entitled to, as needed in order to attend the appointment.

(c) If the individual fails to attend the appointment, the county shall attempt to contact the individual by telephone at the time of or

after the appointment in order to establish a finding of good cause or no good cause, and, if a finding of no good cause is made, develop a compliance plan to correct the instance of nonparticipation.

(d) If the individual fails to attend the meeting and the county is not able to contact the individual in accordance with subdivision (c), and the individual fails to contact the county within the 20-calendar-day period, a sanction shall be imposed in accordance with Section 11327.5.

(e) If the individual attends the appointment or contacts the county by phone within the 20-calendar-day period and is either found by the county to have had good cause for his or her refusal or failure, or agrees to a compliance plan to correct the failure or refusal, the county shall rescind the notice of action issued pursuant to subdivision (b). If the individual agrees to a compliance plan at the appointment, the individual shall be provided a copy of the plan. If the individual agrees to a compliance plan over the telephone, a copy of the plan shall be mailed to the client.

(f) If the individual is found by the county to have had good cause for his or her refusal or failure, an instance of noncompliance shall not be considered to have occurred.

(g) If the individual is found by the county not to have had good cause, but agrees to a compliance plan and then fulfills the terms of the compliance plan, an instance of noncompliance shall not be considered to have occurred.

(h) If the individual enters into a written compliance plan, but does not fulfill the terms of the plan, and the county determines, based on available information, that the individual did not have good cause for failure to meet the terms of the plan, the county shall send a notice of action to impose a sanction. The procedures specified in subdivision (b) shall not be applicable to a sanction imposed under this subdivision.

SEC. 119. Section 11327.5 of the Welfare and Institutions Code is amended to read:

11327.5. (a) Sanctions shall be imposed in accordance with subdivision (b) or (c), as appropriate, if an individual has failed or refused to comply with program requirements without good cause and conciliation efforts, as described in Section 11327.4, have failed.

(b) The sanctions provided for in subdivisions (c) and (d) shall not apply to an individual who is exempt from the requirements of this article but is voluntarily participating in the program. If such an individual engages in conduct that would bring about the actions provided for in subdivisions (c) and (d), except for his or her status as a voluntary program participant, the individual shall not be given priority so long as other individuals are actively seeking to participate.

(c) Financial sanctions for failing or refusing to comply with program requirements without good cause shall cause a reduction in

the family's grant by removing the noncomplying family member from the assistance unit for a period of time specified in subdivision (d).

(1) For families that qualify for aid due to unemployment of the family's primary wage earner, the sanctioned parent shall be removed from the assistance unit. Unless the spouse or the family's second parent meets the provisions of subparagraph (A) of paragraph (2), if the sanctioned parent's spouse or the family's second parent is not participating in the program, both the sanctioned parent and the spouse or second parent shall be removed from the assistance unit. The county shall notify the spouse of the noncomplying participant or second parent in writing at the commencement of conciliation of his or her own opportunity to participate and the impact on sanctions of that participation.

(2) (A) Except as provided in subparagraph (B), exemption criteria specified in Section 11320.3, conciliation specified in Section 11327.4, and good cause criteria specified in Section 11320.31 and subdivision (f) of Section 11320.3 shall apply to the sanctioned parent's spouse or the family's second parent.

(B) Exemption criteria specified in paragraphs (5) and (6) of subdivision (b) of Section 11320.3 do not apply to a spouse or second parent who is participating to avoid the sanction of the noncomplying parent.

(C) If the sanctioned parent's spouse or the family's second parent chooses to participate to avoid the noncomplying parent's sanction, subsequently fails or refuses to participate without good cause, and does not conciliate, he or she shall be removed from the assistance unit for a period of time specified in subdivision (d).

(D) If the sanctioned parent's spouse or the family's second parent is under his or her own sanction at the time of the first parent's sanction, the spouse or second parent shall not be provided the opportunity to avoid the first parent's sanction until the spouse or second parent's sanction is completed.

(3) For families that qualify due to the absence or incapacity of a parent, only the noncomplying parent shall be removed from the assistance unit.

(4) If the noncomplying individual is the only dependent child in the family, his or her needs shall not be taken into account in determining the family's need for assistance and the amount of the assistance payment.

(5) If the noncomplying individual is one of several dependent children in the family, his or her needs shall not be taken into account in determining the family's need for assistance and the amount of the assistance payment.

(d) The length of time that financial sanctions shall reduce a family's grant shall increase in the following manner:

(1) The first instance of noncompliance without good cause shall result in a financial sanction. This sanction shall terminate at any point if the noncomplying participant performs the activity or activities he or she previously refused to perform.

(2) The second instance of noncompliance without good cause shall result in a financial sanction for three months or until the noncomplying participant performs the activity or activities he or she previously refused to perform, whichever is longer.

(3) The third and each subsequent instance of noncompliance without good cause shall result in a financial sanction for six months or until the noncomplying participant performs the activity or activities he or she previously refused to perform, whichever is longer.

(e) Sanctions shall become effective on the first day of the first payment-month that the sanctioned individual's needs are removed from aid under this chapter.

(f) In the event this section conflicts with federal law, the department shall adopt regulations to conform to federal law.

SEC. 120. Section 11327.6 of the Welfare and Institutions Code is amended to read:

11327.6. Notwithstanding any other provision of law, any person who is not required, but who volunteers, to participate in the program established by this article and fails to appear for a scheduled appointment prior to entering into the welfare-to-work plan shall be deemed to not be subject to the requirements of this article and the conciliation efforts and sanction requirements established under Sections 11327.4 and 11327.5 shall not apply.

SEC. 121. Section 11327.8 of the Welfare and Institutions Code is amended to read:

11327.8. (a) Except as specified in this section, whenever a participant believes that any program requirement or assignment in this program is in violation of his or her welfare-to-work plan or is inconsistent with this article, the participant may request a state hearing pursuant to Chapter 7 (commencing with Section 10950) of Part 2 or utilize a formal grievance procedure to be established by the county board of supervisors and specified in each county plan.

(b) If the participant is not satisfied with the outcome of the grievance procedure, he or she may appeal the decision in accordance with the procedures set forth in Chapter 7 (commencing with Section 10950) of Part 2. Participants shall be subject to sanctions pending the outcome of the formal grievance procedure or any subsequent appeal, only if they fail to participate during the period the grievance procedure is being processed. However, a participant shall not utilize the grievance procedure to appeal the results of an assessment made pursuant to Section 11325.4.

(c) If a participant is not satisfied with the decision of a hearing conducted pursuant to Section 10950 concerning on-the-job working

conditions or workers' compensation coverage, the participant may file a further appeal with the United States Department of Labor, as provided by federal law.

SEC. 122. Section 11327.9 is added to the Welfare and Institutions Code, to read:

11327.9. In determining whether good cause exists for a refusal or failure to comply with program requirements, the county shall take into consideration whether the participant has a mental disability that caused or substantially contributed to the refusal or failure to comply with program requirements. This determination shall be made, where appropriate, in consultation with the county mental health department.

SEC. 123. Section 11328 of the Welfare and Institutions Code is repealed.

SEC. 124. Section 11328.1 of the Welfare and Institutions Code is repealed.

SEC. 125. Section 11328.4 of the Welfare and Institutions Code is repealed.

SEC. 126. Section 11328.6 of the Welfare and Institutions Code is repealed.

SEC. 127. Section 11329.2 of the Welfare and Institutions Code is amended to read:

11329.2. (a) The department shall seek any federal funds available for implementation of this article, including, but not limited to, funds available under Title IV of the federal Social Security Act (42 U.S.C. Sec. 601 et seq.).

(b) (1) The department shall seek any waiver from the Secretary of the United States Department of Health and Human Services which is necessary to implement this article.

(2) Any provision of this article that may only be implemented pursuant to a waiver from the United States Department of Health and Human Services shall only be operative during the period for which the waiver is granted, as stated in a declaration that shall be executed by the director when the waiver is obtained.

SEC. 128. Section 11329.5 of the Welfare and Institutions Code is repealed.

SEC. 129. Section 11329.7 of the Welfare and Institutions Code is repealed.

SEC. 130. Section 11331.5 of the Welfare and Institutions Code is amended to read:

11331.5. (a) Recipients of aid under this chapter who are under 19 years of age, who are pregnant or custodial parents, shall be required to participate in the program, subject to both of the following requirements:

(1) The teenage parent shall participate in the program until earning his or her high school diploma or its equivalent.

(2) The teenage parent shall participate in the program as a student attending school on a full-time basis, as normally defined by the school in which the participant enrolls.

(b) A teen, as defined in paragraph (2) of subdivision (e) may continue to participate in the program provided for under this article. Any teen participating under this article pursuant to this subdivision shall be eligible for the same benefits as is any individual required to participate in the program.

(c) For the purpose of subdivision (a), exemptions from participation specified in paragraphs (1), (2), (4), (5), (6), and (7) of subdivision (b) of Section 11320.3 shall not apply.

(d) Notwithstanding subdivision (a), the county shall exempt a teenage parent from the program as verified by the county when any of the following conditions occur:

(1) The teenage parent is expelled from school and obtains verification that no other school in the district will permit him or her to attend, and the case manager cannot arrange for enrollment in an alternative school.

(2) The teenage parent cannot receive payment for child care or transportation expenses due to lack of program funding.

(3) Child care is necessary and unavailable.

(4) Public or private transportation is necessary and unavailable.

(5) A foster care payment is made under this chapter on behalf of the teenage parent.

(e) For the purposes of this article, ‘‘teen’’ or ‘‘teenage parent’’ means either of the following:

(1) A custodial parent or pregnant woman under 19 years of age, who is required to participate pursuant to subdivision (a).

(2) A custodial parent or pregnant woman 19 years of age who, prior to becoming 19 years of age, was participating in the program pursuant to subdivision (a), and who is otherwise eligible for voluntary continued participation in the program.

SEC. 131. Section 11450 of the Welfare and Institutions Code is amended to read:

11450. (a) (1) Aid shall be paid for each needy family, which shall include all eligible brothers and sisters of each eligible applicant or recipient child and the parents of the children, but shall not include unborn children, or recipients of aid under Chapter 3 (commencing with Section 12000), qualified for aid under this chapter. In determining the amount of aid paid, and notwithstanding the minimum basic standards of adequate care specified in Section 11452, the family’s income, exclusive of any amounts considered exempt as income or paid pursuant to subdivision (e) or Section 11453.1 shall be deducted from the sum specified in the following table, as adjusted for cost-of-living increases pursuant to Section 11453 and paragraph (2). In no case shall the amount of aid paid for each month exceed the sum specified in the following table, as

adjusted for cost-of-living increases pursuant to Section 11453 and paragraph (2), plus any special needs, as specified in subdivisions (c), (e), and (f):

Number of eligible needy persons in the same home	Maximum aid
1	$ 326
2	535
3	663
4	788
5	899
6	1,010
7	1,109
8	1,209
9	1,306
10 or more	1,403

If, when, and during such times as the United States government increases or decreases its contributions in assistance of needy children in this state above or below the amount paid on July 1, 1972, the amounts specified in the above table shall be increased or decreased by an amount equal to that increase or decrease by the United States government, provided that no increase or decrease shall be subject to subsequent adjustment pursuant to Section 11453.

(2) The sums specified in paragraph (1) shall not be adjusted for cost of living for the 1990–91, 1991–92, 1992–93, 1993–94, 1994–95, 1995–96, 1996–97, and 1997–98 fiscal years, and through October 31, 1998, nor shall that amount be included in the base for calculating any cost-of-living increases for any fiscal year thereafter. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 11453.05, and no further reduction shall be made pursuant to that section.

(b) When the family does not include a needy child qualified for aid under this chapter, aid shall be paid to a pregnant mother for the month in which the birth is anticipated and for the three-month period immediately prior to the month in which the birth is anticipated in the amount which would otherwise be paid to one person, as specified in subdivision (a), if the mother, and child if born, would have qualified for aid under this chapter. Verification of pregnancy shall be required as a condition of eligibility for aid under this subdivision. Aid shall also be paid to a pregnant woman with no other children in the amount which would otherwise be paid to one person under subdivision (a) at any time after verification of

pregnancy if the pregnant woman is also eligible for the Cal-Learn Program described in Article 3.5 (commencing with Section 11331) and if the mother and child, if born, would have qualified for aid under this chapter.

(c) The amount of forty-seven dollars ($47) per month shall be paid to pregnant mothers qualified for aid under subdivision (a) or (b) to meet special needs resulting from pregnancy if the mother, and child, if born, would have qualified for aid under this chapter. County welfare departments shall refer all recipients of aid under this subdivision to a local provider of the Women, Infants and Children program. If that payment to pregnant mothers qualified for aid under subdivision (a) is considered income under federal law in the first five months of pregnancy, payments under this subdivision shall not apply to persons eligible under subdivision (a), except for the month in which birth is anticipated and for the three-month period immediately prior to the month in which delivery is anticipated, if the mother, and the child if born, would have qualified for aid under this chapter.

(d) For children receiving AFDC-FC under this chapter, there shall be paid, exclusive of any amount considered exempt as income, an amount of aid each month which, when added to the child's income, is equal to the rate specified in Section 11460, 11461, 11462, 11462.1, or 11463. In addition, the child shall be eligible for special needs, as specified in departmental regulations.

(e) In addition to the amounts payable under subdivision (a) and Section 11453.1, a family shall be entitled to receive an allowance for recurring special needs not common to a majority of recipients. These recurring special needs shall include, but not be limited to, special diets upon the recommendation of a physician for circumstances other than pregnancy, and unusual costs of transportation, laundry, housekeeping service, telephone, and utilities. The recurring special needs allowance for each family per month shall not exceed that amount resulting from multiplying the sum of ten dollars ($10) by the number of recipients in the family who are eligible for assistance.

(f) After a family has used all available liquid resources, both exempt and nonexempt, in excess of one hundred dollars ($100), the family shall also be entitled to receive an allowance for nonrecurring special needs.

(1) An allowance for nonrecurring special needs shall be granted for replacement of clothing and household equipment and for emergency housing needs other than those needs addressed by paragraph (2). These needs shall be caused by sudden and unusual circumstances beyond the control of the needy family. The department shall establish the allowance for each of the nonrecurring special need items. The sum of all nonrecurring special

needs provided by this subdivision shall not exceed six hundred dollars ($600) per event.

(2) Homeless assistance is available to a homeless family seeking shelter when the family is eligible for aid under this chapter. Homeless assistance for temporary shelter is also available to homeless families which are apparently eligible for aid under this chapter. Apparent eligibility exists when evidence presented by the applicant or which is otherwise available to the county welfare department and the information provided on the application documents indicate that there would be eligibility for aid under this chapter if the evidence and information were verified. However, an alien applicant who does not provide verification of his or her eligible alien status, or a woman with no eligible children who does not provide medical verification of pregnancy, is not apparently eligible for purposes of this section.

A family is considered homeless, for the purpose of this section, when the family lacks a fixed and regular nighttime residence; or the family has a primary nighttime residence that is a supervised publicly or privately operated shelter designed to provide temporary living accommodations; or the family is residing in a public or private place not designed for, or ordinarily used as, a regular sleeping accommodation for human beings.

(A) (i) A nonrecurring special need of thirty dollars ($30) a day shall be available to families for the costs of temporary shelter, subject to the requirements of this paragraph. County welfare departments may increase the daily amount available for temporary shelter to large families as necessary to secure the additional bed space needed by the family.

(ii) This special need shall be granted or denied immediately upon the family's application for homeless assistance, and benefits shall be available for up to three working days. The county welfare department shall verify the family's homelessness within the first three working days and if the family meets the criteria of questionable homelessness established by the department, the county welfare department shall refer the family to its early fraud prevention and detection unit, if the county has such a unit, for assistance in the verification of homelessness within this period.

(iii) After homelessness has been verified, the three-day limit shall be extended for a period of time which, when added to the initial benefits provided, does not exceed a total of 16 calendar days. This extension of benefits shall be done in increments of one week and shall be based upon searching for permanent housing which shall be documented on a housing search form; good cause; or other circumstances defined by the department. Documentation of housing search shall be required for the initial extension of benefits beyond the three-day limit and on a weekly basis thereafter as long as the family is receiving temporary shelter benefits. Good cause shall

include, but is not limited to, situations in which the county welfare department has determined that the family, to the extent it is capable, has made a good faith but unsuccessful effort to secure permanent housing while receiving temporary shelter benefits.

(B) A nonrecurring special need for permanent housing assistance is available to pay for last month's rent and security deposits when these payments are reasonable conditions of securing a residence.

The last month's rent portion of the payment (1) shall not exceed 80 percent of the family's maximum aid payment without special needs for a family of that size and (2) shall only be made to families that have found permanent housing costing no more than 80 percent of the family's maximum aid payment without special needs for a family of that size, in accordance with the maximum aid schedule specified in subdivision (a).

However, if the county welfare department determines that a family intends to reside with individuals who will be sharing housing costs, the county welfare department shall, in appropriate circumstances, set aside the condition specified in clause (2) of the preceding paragraph.

(C) The nonrecurring special need for permanent housing assistance is also available to cover the standard costs of deposits for utilities which are necessary for the health and safety of the family.

(D) A payment for or denial of permanent housing assistance shall be issued no later than one working day from the time that a family presents evidence of the availability of permanent housing. If an applicant family provides evidence of the availability of permanent housing before the county welfare department has established eligibility for aid under this chapter, the county welfare department shall complete the eligibility determination so that the denial of or payment for permanent housing assistance is issued within one working day from the submission of evidence of the availability of permanent housing, unless the family has failed to provide all of the verification necessary to establish eligibility for aid under this chapter.

(E) (i) Except as provided in clauses (ii) and (iii), eligibility for the temporary shelter assistance and the permanent housing assistance pursuant to this paragraph shall be limited to one period of up to 16 consecutive calendar days of temporary assistance and one payment of permanent assistance. Any family that includes a parent or nonparent caretaker relative living in the home who has previously received temporary or permanent homeless assistance at any time on behalf of an eligible child shall not be eligible for further homeless assistance. Any person who applies for homeless assistance benefits shall be informed that the temporary shelter benefit of up to 16 consecutive days is available only once in a lifetime, with certain

exceptions, and that a break in the consecutive use of the benefit constitutes permanent exhaustion of the temporary benefit.

(ii) A family that becomes homeless as a direct and primary result of a state or federally declared natural disaster shall be eligible for temporary and permanent homeless assistance.

(iii) A family shall be eligible for temporary and permanent homeless assistance when homelessness is a direct result of domestic violence by a spouse, partner, or roommate; physical or mental illness that is medically verified that shall not include a diagnosis of alcoholism, drug addiction, or psychological stress; or, the uninhabitability of the former residence caused by sudden and unusual circumstances beyond the control of the family including natural catastrophe, fire, or condemnation. These circumstances shall be verified by a third-party governmental or private health and human services agency and homeless assistance payments based on these specific circumstances may not be received more often than once in any 24-month period.

(iv) The county welfare department shall report to the department through a statewide homeless assistance payment indicator system, necessary data, as requested by the department, regarding all recipients of aid under this paragraph.

(F) The county welfare departments, and all other entities participating in the costs of the AFDC program, have the right in their share to any refunds resulting from payment of the permanent housing. However, if an emergency requires the family to move within the 24-month period specified in subparagraph (E), the family shall be allowed to use any refunds received from its deposits to meet the costs of moving to another residence.

(G) Payments to providers for temporary shelter and permanent housing and utilities shall be made on behalf of families requesting these payments.

(H) The daily amount for the temporary shelter special need for homeless assistance may be increased if authorized by the current year's Budget Act by specifying a different daily allowance and appropriating the funds therefor.

(I) No payment shall be made pursuant to this paragraph unless the provider of housing is a commercial establishment, shelter, or person in the business of renting properties who has a history of renting properties.

(g) The department shall establish rules and regulations assuring the uniform application statewide of this subdivision.

(h) The department shall notify all applicants and recipients of aid through the standardized application form that these benefits are available and shall provide an opportunity for recipients to apply for the funds quickly and efficiently.

(i) Except for the purposes of Section 15200, the amounts payable to recipients pursuant to Section 11453.1 shall not constitute part of the payment schedule set forth in subdivision (a).

The amounts payable to recipients pursuant to Section 11453.1 shall not constitute income to recipients of aid under this section.

SEC. 132. Section 11450.018 of the Welfare and Institutions Code is amended to read:

11450.018. (a) Notwithstanding any other provision of law, the maximum aid payment in accordance with paragraph (1) of subdivision (a) of Section 11450 as reduced by subdivisions (a) and (b) of Section 11450.01, Section 11450.015, and Section 11450.017, shall be reduced by 4.9 percent for counties in Region 2, as specified in Section 11452.018.

(b) Notwithstanding any other provision of law, through October 31, 1998, the maximum aid payment in accordance with paragraph (1) of subdivision (a) of Section 11450, as reduced by subdivision (a) and (b) of Section 11450.01, Section 11450.015, Section 11450.017, and subdivision (a) shall be reduced by 4.9 percent.

(c) Prior to implementing the reductions specified in subdivisions (a) and (b), the director shall apply for and obtain a waiver from the United States Department of Health and Human Services of Section 1396a(c)(1) of Title 42 of the United States Code. The reduction shall be implemented to the extent the waiver is granted and only so long as the waiver is effective. This subdivision shall not apply if either the federal waiver process set forth at Section 1315 of Title 42 of the United States Code or Section 1396a(c) is repealed or modified such that a waiver is not necessary to implement subdivision (a) or (b).

(d) This section shall become operative and the reductions specified in subdivisions (a) and (b) shall commence on the first day of the month following 30 days after the receipt of federal approval or on the first day of the month following 30 days after a change in federal law that allows states to reduce aid payments without any risk to federal funding under Title XIX of the Social Security Act, whichever is earlier, but no earlier than October 1, 1995.

SEC. 133. Section 11450.1 of the Welfare and Institutions Code is repealed.

SEC. 134. Section 11450.12 is added to the Welfare and Institutions Code, to read:

11450.12. (a) An applicant family shall not be eligible for aid under this chapter unless the family's income, exclusive of the first ninety dollars ($90) of earned income for each employed person, is less than the minimum basic standard of adequate care, as specified in Section 11452.

(b) A recipient family shall not be eligible for further aid under this chapter if income, exclusive of amounts exempt under Section 11451.5, equals or exceeds the maximum aid payment specified in Section 11450.

SEC. 135. Section 11450.13 is added to the Welfare and Institutions Code, to read:

11450.13. In calculating the amount of aid to which an assistance unit is entitled in accordance with Section 11320.15, the maximum aid payment, adjusted to reflect the removal of the adult or adults from the assistance unit, shall be reduced by the gross income of the adult or adults removed from the assistance unit, less any amounts exempted pursuant to Section 11451.5. Aid may be provided in the form of cash or vouchers, at the option of the county.

SEC. 136. Section 11450.5 of the Welfare and Institutions Code is amended to read:

11450.5. For purposes of computing and paying aid grants under this chapter, the director shall adopt regulations establishing a budgeting system. Nothing in this section, or Sections 11004, 11257 and 11450, or any other provision of this code, shall be interpreted as prohibiting the establishment of, or otherwise restricting the operation of, any budgeting system adopted by the director.

SEC. 137. Section 11450.6 of the Welfare and Institutions Code is repealed.

SEC. 138. Section 11451.5 is added to the Welfare and Institutions Code, to read:

11451.5. (a) Notwithstanding Section 11008, the following amounts shall be exempt from the calculation of the income of the family for purposes of subdivision (a) of Section 11450:

(1) If disability-based unearned income does not exceed two hundred twenty-five dollars ($225), both of the following amounts:

(A) All disability-based unearned income plus any amount of not otherwise exempt earned income equal to the amount of the difference between the amount of disability-based unearned income and two hundred twenty-five dollars ($225).

(B) Fifty percent of all not otherwise exempt earned income in excess of the amount applied to meet the differential applied in subparagraph (A).

(2) If disability-based unearned income exceeds two hundred twenty-five dollars ($225), both of the following amounts:

(A) All of the first two hundred twenty-five dollars ($225) in disability-based unearned income.

(B) Fifty percent of all earned income.

(b) For purposes of this section:

(1) Earned income means gross income received as wages, salary, employer provided sick leave benefits, commissions, or profits from activities such as a business enterprise or farming in which the recipient is engaged as a self-employed individual or as an employee.

(2) Disability-based unearned income means State Disability Insurance benefits, private disability insurance benefits, Temporary Workers' Compensation benefits, and social security disability benefits.

(3) Unearned income means any income not described in paragraph (1) or (2).

SEC. 139. Section 11451.6 of the Welfare and Institutions Code is repealed.

SEC. 140. Section 11451.7 of the Welfare and Institutions Code is repealed.

SEC. 141. Section 11453 of the Welfare and Institutions Code is amended to read:

11453. (a) Except as provided in subdivision (c), the amounts set forth in Section 11452 and subdivision (a) of Section 11450 shall be adjusted annually by the department to reflect any increases or decreases in the cost of living. These adjustments shall become effective July 1 of each year, unless otherwise specified by the Legislature. The cost-of-living adjustment shall be calculated by the Department of Finance based on the changes in the California Necessities Index, which as used in this section means the weighted average changes for food, clothing, fuel, utilities, rent, and transportation for low-income consumers. The computation of annual adjustments in the California Necessities Index shall be made in accordance with the following steps:

(1) The base period expenditure amounts for each expenditure category within the California Necessities Index used to compute the annual grant adjustment are:

Food	$ 3,027
Clothing (apparel and upkeep)	406
Fuel and other utilities	529
Rent, residential	4,883
Transportation	1,757
Total	$10,602

(2) Based on the appropriate components of the Consumer Price Index for All Urban Consumers, as published by the United States Department of Labor, Bureau of Labor Statistics, the percentage change shall be determined for the 12-month period ending with the December preceding the year for which the cost-of-living adjustment will take effect, for each expenditure category specified in subdivision (a) within the following geographical areas: Los Angeles-Long Beach-Anaheim, San Francisco-Oakland, San Diego, and, to the extent statistically valid information is available from the Bureau of Labor Statistics, additional geographical areas within the state which include not less than 80 percent of recipients of aid under this chapter.

(3) Calculate a weighted percentage change for each of the expenditure categories specified in subdivision (a) using the

applicable weighting factors for each area used by the State Department of Industrial Relations to calculate the California Consumer Price Index (CCPI).

(4) Calculate a category adjustment factor for each expenditure category in subdivision (a) by (1) adding 100 to the applicable weighted percentage change as determined in paragraph (2) and (2) dividing the sum by 100.

(5) Determine the expenditure amounts for the current year by multiplying each expenditure amount determined for the prior year by the applicable category adjustment factor determined in paragraph (4).

(6) Determine the overall adjustment factor by dividing (1) the sum of the expenditure amounts as determined in paragraph (4) for the current year by (2) the sum of the expenditure amounts as determined in subdivision (d) for the prior year.

(b) The overall adjustment factor determined by the preceding computation steps shall be multiplied by the schedules established pursuant to Section 11452 and subdivision (a) of Section 11450 as are in effect during the month of June preceding the fiscal year in which the adjustments are to occur and the product rounded to the nearest dollar. The resultant amounts shall constitute the new schedules which shall be filed with the Secretary of State.

(c) (1) No adjustment to the maximum aid payment set forth in subdivision (a) of Section 11450 shall be made under this section for the purpose of increasing the benefits under this chapter for the 1990–91, 1991–92, 1992–93, 1993–94, 1994–95, 1995–96, 1996–97, and 1997–98 fiscal years, and through October 31, 1998, to reflect any change in the cost of living. For the 1998–99 fiscal year, the cost-of-living adjustment that would have been provided on July 1, 1998, pursuant to subdivision (a) shall be made on November 1, 1998. Elimination of the cost-of-living adjustment pursuant to this paragraph shall satisfy the requirements of Section 11453.05, and no further reduction shall be made pursuant to that section.

(2) No adjustment to the minimum basic standard of adequate care set forth in Section 11452 shall be made under this section for the purpose of increasing the benefits under this chapter for the 1990–91 and 1991–92 fiscal years to reflect any change in the cost of living.

(d) Adjustments for subsequent fiscal years pursuant to this section shall not include any adjustments for any fiscal year in which the cost of living was suspended pursuant to subdivision (c).

SEC. 142. Section 11453.2 of the Welfare and Institutions Code is repealed.

SEC. 143. Section 11453.2 is added to the Welfare and Institutions Code, to read:

11453.2. A county shall issue vouchers or vendor payments for at least rent and utilities payments, for any assistance unit in which any parent or caretaker relative has been subject to sanction of a

consecutive period of not less than three months. Vouchers or vendor payments shall continue until the parent or caretaker relative is no longer subject to the sanction.

SEC. 144. Section 11454 is added to the Welfare and Institutions Code, to read:

11454. (a) (1) Except as otherwise provided in this chapter and in paragraph (2), a parent or caretaker relative shall not be eligible to receive aid for a cumulative period of more than 18 months after the implementation pursuant to paragraph (1) of subdivision (c) of Section 10532 unless it is certified by the county that there is no job currently available for the recipient and the recipient participates in community service activities, pursuant to Section 11322.9.

(2) A parent or caretaker relative recipient who is subject to the requirements of paragraph (2) of subdivision (c) of Section 10532 shall not be eligible to receive aid under this chapter for a cumulative period of more than 24 months, unless it is certified by the county that there is no job currently available for the recipient and the recipient participates in community service activities pursuant to Section 11322.9.

(3) For purposes of this subdivision, a job shall not be considered to be currently available if a recipient has taken and continues to take all steps to apply for appropriate positions and has not refused an offer of employment without good cause.

(4) A parent or caretaker relative recipient to whom paragraph (1) or (2) applies, who is in a job for less than the number of hours required by Section 11322.8, and for whom no job is currently available for the required number of hours, shall remain eligible for aid under this chapter and shall participate in community service activities for the additional number of hours necessary to meet the requirements of Section 11322.8.

(b) A parent or caretaker relative shall not be eligible for aid under this chapter when he or she has received aid under this chapter or from any state under the Temporary Assistance for Needy Families program (Part A (commencing with Section 401) of Title IV of the federal Social Security Act (42 U.S.C. Sec. 601 et seq.) for a cumulative total of 60 months.

(c) No month in which aid has been received prior to January 1, 1998, shall be taken into consideration in computing the 18-month, 24-month, or 60-month limitation provided for in subdivision (a) or (b).

(d) Each county shall adopt criteria for extending the 18-month limitation prescribed by subdivision (a) for up to six months if the extension is likely to result in unsubsidized employment or if local unemployment rates or other conditions in the local economy are such that employment is not available.

(e) Subdivision (b) shall not be applicable when all parent or caretaker relatives of the aided child who are living in the home of the child meet any of the following requirements:

(1) They are 60 years of age or older.

(2) They meet one of the conditions specified in paragraph (4) or (5) of subdivision (b) of Section 11320.3.

(3) They are not included in the assistance unit.

(4) They are receiving benefits under Section 12200 or Section 12300, State Disability Insurance benefits or Workers' Compensation Temporary Disability Insurance, if the disability significantly impairs the recipient's ability to be regularly employed or participate in welfare-to-work activities.

(5) They are incapable of maintaining employment or participating in welfare-to-work activities, as determined by the county, based on the assessment of the individual and the individual has a history of participation and full cooperation in welfare-to-work activities.

SEC. 145. Section 11454.5 is added to the Welfare and Institutions Code, to read:

11454.5. (a) Any month in which a recipient is not required to participate in welfare-to-work activities pursuant to subdivision (b) of Section 11320.3 because of a condition that is expected to last at least 30 days or is eligible for, participating in, or exempt from, the Cal-Learn program provided for pursuant to Article 3.5 (commencing with Section 11331) or is participating in another teen parent program approved by the department shall not be counted as a month of receipt of aid for the purpose of subdivision (a) of Section 11454.

(b) Any month in which the following conditions exist shall not be counted as a month of receipt of aid for the purposes of subdivision (b) of Section 11454:

(1) The recipient is exempt from participation under Article 3.2 (commencing with Section 11320) due to disability, or advanced age in accordance with paragraph (1) of subdivision (b) of Section 11320.3, or due to caretaking responsibilities that impair the recipient's ability to be regularly employed, in accordance with paragraph (2) or (3) of subdivision (b) of Section 11320.3.

(2) The recipient is eligible for the Cal-Learn program pursuant to Article 3.5 (commencing with Section 11331).

(3) The cost of the cash aid provided to the recipient for the month is fully reimbursed by child support, whether collected in that month or any subsequent month.

(c) In cases where a lump-sum diversion payment is provided in lieu of cash aid under Section 11266.5, the month in which the payment is made or the months calculated pursuant to subdivision (f) of Section 11266.5 shall count against the limits specified in Section 11454.

SEC. 146. Section 11454.6 is added to the Welfare and Institutions Code, to read:

11454.6. (a) Notwithstanding Section 15200, to the extent that the exemptions from the time limits on aid specified in subdivision (e) of Section 11454 and subdivision (b) of Section 11454.5 exceed 20 percent of the number of families aided in a county, for a period as determined by the United States Department of Health and Human Services, for purposes of measuring the hardship exemption for time limits, the county shall be responsible for the amount of aid that would otherwise have been paid through federal Temporary Assistance for Needy Families block grant funds pursuant to Section 11450, with respect to those persons exempt under either subdivision (e) of Section 11454 or subdivision (b) of Section 11454.5 that exceed the 20 percent hardship exemption during the period determined by the United States Department of Health and Human Services and provided for in federal law.

(b) Subdivision (a) shall not apply if the statewide percentage of families aided during that period is 20 percent or less.

(c) The department may determine that a county has good cause for exceeding the 20-percent limitation provided for in subdivision (a). Under this determination, the county share may be reduced or waived by the department.

(d) It is the intent of the Legislature that the steering committee as specified in Section 10544.317 review this provision to ensure that:

(1) The state does not exceed the limit on hardship exemptions as provided in federal law.

(2) Counties are not penalized for circumstances beyond their control and that statewide flexibility for allocation of the percentages is assured.

(3) Recipients will have access to the hardship exemption, regardless of their county of origin.

SEC. 147. Section 11475.3 is added to the Welfare and Institutions Code, to read:

11475.3. The first fifty dollars ($50) of any amount of child support collected in a month in payment of the required support obligation for that month shall be paid to a recipient of aid under this chapter, except recipients of foster care payments under Article 5 (commencing with Section 11400) shall not be considered income or resources of the recipient family, and shall not be deducted from the amount of aid to which the family would otherwise be eligible. The district attorney in each county shall ensure that payments are made to recipients as required by this section.

SEC. 148. Section 11475.4 is added to the Welfare and Institutions Code, to read:

11475.4. (a) Effective October 1, 1998, the state shall operate a Child Support Centralized Collection and Distribution Unit as required by federal law (42 U.S.C. Secs. 654 (27), 654a(g), and 654b).

(b) The Child Support Collection and Enforcement Advisory Committee is hereby created to review and make recommendations regarding the development and implementation of the Child Support Centralized Collection and Distribution Unit. The advisory committee shall include, but not be limited to, the Director of Social Services or a designee from the State Department of Social Services, who shall serve as the chairperson and convene the advisory committee, and representatives from the Franchise Tax Board, the Health and Welfare Agency Data Center, the Department of Information Technology, the California District Attorneys Association, the California State Association of Counties, the California Welfare Directors Association, the California Payroll Association, and representatives of the Legislature.

(c) On the effective date of this section, the State Department of Social Services shall deliver to the advisory committee the working draft report of the feasibility study conducted by Warner Group for purposes of developing a Child Support Centralized Collection and Distribution Unit.

(d) The advisory committee shall examine the Warner Group draft report, obtain clarification from Warner Group, determine the status of the Statewide Automated Child Support System (SACSS) in regards to its impact on the development of the Child Support Centralized Collection and Distribution Unit, determine the requirements of federal law, and submit an interim progress report, including any recommendations for action, to the Legislature no later than October 1, 1997.

(e) The advisory committee shall make recommendations to the Legislature for implementation of the Child Support Centralized Collection and Distribution Unit, including recommendations for deficiency budget requests if necessary, no later than December 31, 1997.

SEC. 149. Section 11477 of the Welfare and Institutions Code is amended to read:

11477. As a condition of eligibility for aid paid under this chapter, each applicant or recipient shall do all of the following:

(a) (1) Assign to the county any rights to support from any other person the applicant or recipient may have in his or her own behalf or in behalf of any other family member for whom the applicant or recipient is applying for or receiving aid, not exceeding the total amount of cash assistance provided to the family under this chapter. Receipt of public assistance under this chapter shall operate as an assignment by operation of law. An assignment of support rights to the county shall also constitute an assignment to the state. If support rights are assigned pursuant to this subdivision, the assignee may become an assignee of record by the district attorney or other public official filing with the court clerk an affidavit showing that an assignment has been made or that there has been an assignment by

operation of law. This procedure does not limit any other means by which the assignee may become an assignee of record.

(2) Support that has been assigned pursuant to paragraph (1) and that accrues while the family is receiving aid under this chapter shall be permanently assigned until the entire amount of aid paid has been reimbursed.

(3) If the federal government does not permit states to adopt the same order of distribution for preassistance and postassistance child support arrears that are assigned on or after October 1, 1998, support arrears that accrue before the family receives aid under this chapter that are assigned pursuant to this subdivision shall be assigned as follows:

(A) Child support assigned prior to January 1, 1998, shall be permanently assigned until aid is no longer received and entire amount of aid has been reimbursed.

(B) Child support assigned on or after January 1, 1998, but prior to October 1, 2000, shall be temporarily assigned until aid under this chapter is no longer received and the entire amount of aid paid has been reimbursed or until October 1, 2000, whichever comes first.

(C) On or after October 1, 2000, support assigned pursuant to this subdivision that was not otherwise permanently assigned shall be temporarily assigned to the county until aid is no longer received.

(D) On or after October 1, 2000, support that was temporarily assigned pursuant to this subdivision shall, when a payment is received from the federal tax intercept program, be temporarily assigned until the entire amount of aid paid has been reimbursed.

(4) If the federal government permits states to adopt the same order of distribution for preassistance and postassistance child support arrears, child support arrears shall be assigned, as follows:

(A) Child support assigned pursuant to this subdivision prior to October 1, 1998, shall be assigned until aid under this chapter is no longer received and the entire amount has been reimbursed.

(B) On or after October 1, 1998, child support assigned pursuant to this subdivision that accrued before the family receives aid under this chapter and that was not otherwise permanently assigned, shall be temporarily assigned until aid under this chapter is no longer received.

(C) On or after October 1, 1998, support that was temporarily assigned pursuant to this subdivision shall, when a payment is received from the federal tax intercept program, be temporarily assigned until the entire amount of aid paid has been reimbursed.

(b) (1) Cooperate with the county welfare department and district attorney in establishing the paternity of a child of the applicant or recipient born out of wedlock with respect to whom aid is claimed, and in establishing, modifying, or enforcing a support order with respect to a child of the individual for whom aid is requested or obtained, unless the applicant or recipient qualifies for

a good cause exception as provided in Section 11477.04. The district attorney shall have staff available, in person or by telephone, at all county welfare offices and shall conduct an interview with each applicant to obtain information necessary to establish paternity and establish, modify, or enforce a support order at the time of the initial interview with the welfare office. The district attorney shall make the determination of cooperation. If the applicant or recipient attests under penalty of perjury that he or she cannot provide the information required by this subdivision, the district attorney shall make a finding regarding whether the individual could reasonably be expected to provide the information, before the district attorney determines whether the individual is cooperating. In making the finding, the district attorney shall consider all of the following:

(A) The age of the child for whom support is sought.

(B) The circumstances surrounding the conception of the child.

(C) The age or mental capacity of the parent or caretaker of the child for whom aid is being sought.

(D) The time that has elapsed since the parent or caretaker last had contact with the alleged father or obligor.

(2) Cooperation includes the following:

(A) Providing the name of the alleged parent or obligor and other information about that person if known to the applicant or recipient, such as address, social security number, telephone number, place of employment or school, and the names and addresses of relatives or associates.

(B) Appearing at interviews, hearings, and legal proceedings provided the applicant or recipient is provided with reasonable advance notice of the interview, hearing, or legal proceeding and does not have good cause not to appear.

(C) If paternity is at issue, submitting to genetic tests, including genetic testing of the child, if necessary.

(D) Providing any additional information known to or reasonably obtainable by the applicant or recipient necessary to establish paternity or to establish, modify, or enforce a child support order.

(3) A recipient or applicant shall not be required to sign a voluntary declaration of paternity, as set forth in Chapter 3 (commencing with Section 7570) of Part 2 of Division 12 of the Family Code, as a condition of cooperation.

SEC. 150. Section 11477.02 is added to the Welfare and Institutions Code, to read:

11477.02. Prior to referral of any individual or recipient, or that person’s case, to the district attorney for child support services under Section 11350.1 or 11475.1, the county welfare department shall determine if an applicant or recipient has good cause for noncooperation, as set forth in Section 11477.04. If the applicant or recipient claims a good cause exception at any subsequent time to the county welfare department or the district attorney, the district

attorney shall suspend child support services until the county welfare department determines the good cause claim, as set forth in Section 11477.04. If good cause is determined to exist, the district attorney shall suspend child support services until the applicant or recipient requests their resumption, and shall take such other measures as are necessary to protect the applicant or recipient and the children. If the applicant or recipient is the parent of the child for whom aid is sought and the parent is found to have not cooperated without good cause as provided in Section 11477.04, the applicant's or recipient's family grant shall be reduced by 25 percent for such time as the failure to cooperate lasts.

SEC. 151. Section 11477.04 is added to the Welfare and Institutions Code, to read:

11477.04. (a) An applicant or a recipient shall be considered to be cooperating in good faith with the county welfare department or the district attorney's office for purposes of Section 11477 and shall be eligible for aid, if otherwise eligible, if he or she cooperates or has good cause for noncooperation. The county welfare department shall make the good cause determination.

(b) Good cause shall be found if any of the following conditions exist:

(1) Efforts to establish paternity or establish, modify, or enforce a support obligation would increase the risk of physical, sexual, or emotional harm to the child for whom support is being sought.

(2) Efforts to establish paternity or establish, modify, or enforce a support obligation would increase the risk of abuse, as defined in Section 11495.1, to the parent or caretaker with whom the child is living.

(3) The child for whom support is sought was conceived as a result of incest or rape. A conviction for incest or rape is not necessary for this paragraph to apply.

(4) Legal proceedings for the adoption of the child are pending before a court of competent jurisdiction.

(5) The applicant or recipient is currently being assisted by a public or licensed private adoption agency to resolve the issue of whether to keep the child or relinquish the child for adoption.

(6) The applicant or recipient is cooperating in good faith but is unable to identify or assist in locating the alleged father or obligor.

(7) Any other reason that would make efforts to establish paternity or establish, modify, or enforce a support obligation contrary to the best interests of the child.

(c) Evidence supporting a claim for good cause includes, but is not limited to, the following:

(1) Police, governmental agency, or court records, documentation from a domestic violence program or a legal, clerical, medical, mental health, or other professional from whom the applicant or recipient has sought assistance in dealing with abuse,

physical evidence of abuse, or any other evidence that supports the claim of good cause.

(2) Statements under penalty of perjury from individuals, including the applicant or recipient, with knowledge of the circumstances that provide the basis for the good cause claim.

(3) Birth certificates or medical, mental health, rape crisis, domestic violence program, or law enforcement records that indicate that the child was conceived as the result of incest or rape.

(4) Court documents or other records that indicate that legal proceedings for adoption are pending before a court of competent jurisdiction.

(5) A written statement from a public or licensed private adoption agency that the applicant or recipient is being assisted by the agency to resolve the issue of whether to keep the child or relinquish the child for adoption.

(d) A sworn statement by a victim shall be sufficient to establish abuse unless the agency documents in writing an independent, reasonable basis to find the recipient not credible.

(e) Applicants or recipients who inquire about or claim good cause, or otherwise indicate that they or their children are at risk of abuse, shall be given referrals by the county welfare department to appropriate community, legal, medical, and support services. Followup by the applicant or recipient on those referrals shall not affect eligibility for assistance under this chapter or the determination of cooperation.

SEC. 152. Section 11486 of the Welfare and Institutions Code is repealed.

SEC. 153. Section 11486 is added to the Welfare and Institutions Code, to read:

11486. (a) The needs of any individual who is a member of a family applying for, or receiving, aid under this chapter shall not be taken into account in making the determination under Section 11450 with respect to his or her family beginning on the date, or at any time thereafter, the individual is found in state or federal court or pursuant to an administrative hearing decision, including any determination made on the basis of a plea of guilty or nolo contendere, to have committed any of the following acts:

(1) Making a fraudulent statement or representation with respect to the place of residence of the individual in order to receive assistance simultaneously from two or more states or counties.

(2) Submitting documents for nonexistent children, or submitting false documents for the purpose of showing ineligible children to be eligible for aid.

(3) When there has been a receipt of cash benefits that exceeds ten thousand dollars ($10,000) as a result of intentionally and willfully doing any of the following acts for the purpose of establishing or

maintaining the family's eligibility for aid or increasing or preventing a reduction in the amount of aid:

(A) Making a false or misleading statement or misrepresenting, concealing, or withholding facts.

(B) Committing any act intended to mislead, misrepresent, conceal, or withhold facts or propound a falsity.

(b) The needs of any individual who is a member of a family applying for, or receiving, aid under this chapter shall not be taken into account in making the determination under Section 11450 with respect to his or her family for the following periods beginning on the date or any time thereafter the individual is convicted of a felony in state or federal court, including any determination made on the basis of a plea of guilty or nolo contendere, for committing fraud in the receipt or attempted receipt of aid:

(1) For two years, if the amount of aid is less than two thousand dollars ($2,000).

(2) For five years, if the amount of aid is two thousand dollars ($2,000) or more but is less than five thousand dollars ($5,000).

(3) Permanently, if the amount of aid is five thousand dollars ($5,000) or more.

(c) (1) Except as provided in subdivisions (a) and (b), the needs of any individual who is a member of a family applying for, or receiving, aid under this chapter to whom paragraph (2) applies shall not be taken into account in making the determination under Section 11450 with respect to his or her family for the following periods:

(A) For a period of six months upon the first occasion of any offense referred to in paragraph (2).

(B) For a period of 12 months upon the second occasion of any of those offenses referred to in paragraph (2).

(C) Permanently, upon the third occasion of any offense referred to in subdivision (b) and paragraph (2).

(2) Except as provided in subdivisions (a), (b) and (d), paragraph (1) shall apply to any individual who is found by a federal or state court, or pursuant to a special administrative hearing meeting the requirements of regulations adopted by the United States Secretary of Health and Human Services, including any determination made on the basis of a plea of guilty or nolo contendere, to have done any of the following acts for the purpose of establishing or maintaining the family's eligibility for aid or increasing, or preventing a reduction in, the amount of that aid:

(A) Making a false or misleading statement or misrepresenting, concealing, or withholding facts.

(B) Committing any act intended to mislead, misrepresent, conceal, or withhold facts or propound a falsity.

(d) (1) Except as provided in subdivisions (a) and (b), and notwithstanding subdivision (c), the needs of any individual who is a member of a family applying for, or receiving, aid under this

chapter to whom paragraph (2) applies shall not be taken into account in making the determination under Section 11450 with respect to his or her family for the following periods:

(A) For a period of two years upon the first occasion of any offense referred to in paragraph (2).

(B) For a period of four years upon the second occasion of any offense referred to in paragraph (2).

(C) Permanently, upon the third occasion of any offense referred to in subdivision (b) and paragraph (2).

(2) Paragraph (1) shall apply to any individual who is found by a federal or state court, or pursuant to a special administrative hearing meeting the requirements of regulations adopted by the United States Secretary of Health and Human Services, including any determination made on the basis of a plea of guilty or nolo contendere, to have submitted more than one application for the same type of aid for the same period of time, for the purpose of receiving more than one grant of aid in order to establish or maintain the family's eligibility for aid or increasing, or preventing a reduction in, the amount of that aid.

(e) Proceedings against any individual alleged to have committed an offense described in subdivision (c) or (d) may be held either by hearing, pursuant to Section 10950 and in conformity with the regulations of the United States Secretary of Health and Human Services, if appropriate, or by referring the matter to the appropriate authorities for civil or criminal action in court.

(f) The department shall coordinate any action taken under this section with any corresponding actions being taken under the Food Stamp Program in any case where the factual issues involved arise from the same or related circumstances.

(g) Any period for which sanctions are imposed under this section shall remain in effect, without possibility of administrative stay, unless and until the findings upon which the sanctions were imposed are subsequently reversed by a court of appropriate jurisdiction, but in no event shall the duration of the period for which the sanctions are imposed be subject to review.

(h) Sanctions imposed under this section shall be in addition to, and not in substitution for, any other sanctions which may be provided for by law with respect to the offenses for which the sanctions are imposed.

(i) The department shall adopt regulations to ensure that any investigations made under this chapter are conducted throughout the state in such a manner as to protect the confidentiality of the current or former working recipient.

(j) Each county shall receive 25 percent of the actual state share of savings, including federal funds under the Temporary Assistance to Needy Families Block Grant, as determined by the director of the Department of Finance resulting from the detection of fraud.

SEC. 154. Section 11486.5 is added to the Welfare and Institutions Code, to read:

11486.5. (a) An individual shall not be eligible for aid under this chapter if he or she is either:

(1) Fleeing to avoid prosecution, or custody and confinement after conviction, under the laws of the place from which the individual is fleeing, for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual is fleeing, or which, in the case of the State of New Jersey, is a high misdemeanor under the laws of that state.

(2) Violating a condition of probation or parole imposed under federal law or the law of any state.

(b) Subdivision (a) shall not apply with respect to conduct of an individual for any month beginning after the President of the United States grants a pardon with respect to the conduct.

SEC. 155. Article 7.5 (commencing with Section 11495) is added to Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, to read:

Article 7.5. Family Violence Option: Domestic Violence and Welfare

11495. It is the intent of the Legislature in enacting this article to adopt a family violence provision by enacting the federal option concerning victims of domestic violence provided for in the Temporary Assistance to Needy Families program pursuant to Section 402(a)(7) of the Social Security Act (42 U.S.C. Sec. 602(a)(7)). By adopting this provision, the Legislature recognizes that some individuals who may need public assistance have been or are victims of abuse, and intends to ensure that applicants and recipients who are past or present victims of abuse are not placed at further risk or unfairly penalized by CalWORKs requirements and procedures. The Legislature intends that, in implementing this article, program requirements not be created or applied in such a way as to encourage a victim to remain with the abuser. It is also the intent of the Legislature that CalWORKs recipients participate in welfare-to-work activities, to the full extent of their abilities, including participation in counselling and treatment programs, as appropriate, to enable the recipient to obtain unsubsidized employment and move towards self-sufficiency.

11495.1. (a) The department shall convene a task force including, but not limited to, district attorney domestic violence units, county departments of social services, the County Welfare Directors Association of California, the California State Association of Counties, statewide domestic violence prevention groups, local domestic violence prevention advocates, and service providers, the State Department of Health Services, the State Department of

Mental Health, and the Office of Criminal Justice Planning. The department shall develop, in consultation with the task force, protocols on handling cases in which recipients are past or present victims of abuse. The protocols shall define domestic abuse, and shall address training standards and curricula, individual case assessments, confidentiality procedures, notice procedures and counseling or other appropriate participation requirements as part of an overall plan to transition from welfare-to-work. The protocol shall specify how counties shall do the following:

(1) Identify applicants and recipients of assistance under this chapter who have been or are victims of abuse, including those who self-identify, while protecting confidentiality.

(2) Refer these individuals to supportive services.

(3) Waive, on a case-by-case basis, for so long as necessary, pursuant to a determination of good cause under paragraph (2) of subdivision (f) of Section 11320.3, any program requirements that would make it more difficult for these individuals or their children to escape abuse, and that would be detrimental or unfairly penalize past or present victims of abuse. Requirements that may be waived include, but are not limited to, time limits on receipt of assistance, work requirements, educational requirements, paternity establishment and child support cooperation requirements.

(b) The department shall issue regulations describing the protocol identified in subdivision (a) no later than January 1, 1999.

(c) Waivers of time limits granted pursuant to this section shall not be implemented if federal statutes or regulations clarify that abuse victims are included in the 20 percent hardship exemptions and that no good cause waivers of the 20 percent limit will be granted to the state for victims of abuse, thereby incurring a penalty to the state.

(d) Waivers of the work requirements granted pursuant to this section shall not be implemented if federal statutes or regulations clarify that the state will be penalized for failing to meet work participation requirements due to granting waivers to abuse victims.

11495.12. For purposes of this article, until regulations are adopted pursuant to Section 11495.1, the term ‘‘abuse’’ means battering or subjecting a victim to extreme cruelty by (1) physical acts that resulted in or threatened to result in physical injury, (2) sexual abuse, (3) sexual activity involving a child in the home, (4) being forced to participate in nonconsensual sexual acts or activities, (5) threats of, or attempts at, physical or sexual abuse, (6) mental abuse, (7) neglect or deprivation of medical care, or (8) stalking.

11495.15. A county may waive a program requirement for a recipient who has been identified as a past or present victim of abuse when it has been determined that good cause exists pursuant to paragraph (2) of subdivision (f) of Section 11320.3. Until implementation of the regulations required pursuant to paragraph (2) of subdivision (a) of Section 11495.1, a county may utilize

standards, procedures, and protocols currently available, and shall identify them in its county plan. Waivers shall be reevaluated in accordance with other routine periodic reevaluations by the county.

11495.25. Sworn statements by a victim of past or present abuse by a victim shall be sufficient to establish abuse unless the agency documents in writing an independent, reasonable basis to find the recipient not credible. Evidence may also include, but is not limited to: police, government agency, or court records or files; documentation from a domestic violence program, legal, clerical, medical or other professional from whom the applicant or recipient has sought assistance in dealing with abuse; or other evidence, such as a statement from any other individual with knowledge of the circumstances that provide the basis for the claim, or physical evidence of abuse, or any other evidence that supports the statement.

11495.40. The department shall adopt a model curriculum for domestic violence and sexual abuse prevention training, based on the statewide protocol, in consultation with the task force identified in Section 11495.1. County welfare agencies shall determine which staff will be trained.

SEC. 156. Article 8 (commencing with Section 11500) of Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code is repealed.

SEC. 157. Article 8 (commencing with Section 11500) is added to Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, to read:

Article 8. Employment Retention Services

11500. The county may continue to provide case management and services to either a recipient of aid under this chapter not participating under Article 3.2 (commencing with Section 11320) or a former recipient of aid under this chapter who has received aid within the previous 12 months if a recipient or former recipient is employed, in order to assist the individual in retaining employment. These job retention services may be provided for up to 12 months after the first day of employment, to the extent they are not provided by the employer, the entity that arranged the job placement, if other than the county, and, to the extent that the services are not available from other sources.

SEC. 158. Article 9 (commencing with Section 11520) is added to Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, to read:

Article 9. Evaluation of CalWORKs Program Implementation

11520. The State Department of Social Services shall ensure that a comprehensive, independent statewide evaluation of the

CalWORKs program is undertaken and that accurate evaluative information is made available to the Legislature in a timely fashion.

11520.3. The department shall develop a research design to ensure a thorough evaluation of the direct and indirect effects of the CalWORKs program. Effects shall include, but not be limited to, employment, earnings, self-sufficiency, child care, child support, child well-being, family structure, and impacts on local government. Child well-being shall include entries into foster care, at-risk births, school achievement, child abuse reports, and rates of child poverty.

11520.5. The statewide evaluation shall be conducted by an independent evaluator or evaluators. It shall represent a clear delineation of the research questions and shall, through discrete reports issued at regular intervals, provide information regarding process, impacts, and analyses of the costs and benefits of the CalWORKs program.

11520.7. The department shall ensure that county demonstration projects and other innovative county approaches to CalWORKs program implementation are independently and rigorously evaluated and that findings are reported to the Legislature in a timely fashion. The evaluation of a county-specific program shall be developed in conjunction with the county and other appropriate agencies responsible for the local program.

11521. By July 1, 1998, the department shall revise data collection procedures used for quality control and caseload characteristic studies in order to respond to the data collection requirements of Public Law 104-193 and state law. The department shall develop common data definitions to be used by the counties, design common identifiers, and, to the extent possible, standardize state and county data collection infrastructure. The department shall accomplish the requirements of this section in consultation with experts in monitoring and research, representatives of counties, the Legislature, and appropriate state agencies.

11521.3. Evaluation of CalWORKs program implementation conducted or commissioned by the department shall, to the extent practical, use or build upon existing welfare data archives, including, but not limited to, the data bases and research completed to date as part of the Work Pays Demonstration Project authorized pursuant to Chapter 97 of the Statutes of 1992.

11521.5. The department shall have access and authority to obtain for tracking, monitoring, research and evaluation purposes to data collected by counties on recipients receiving cash aid, in-kind payments, or supportive services.

11521.7. The department shall continue the evaluation of Cal-Learn and issue a final report to the Legislature by July 1, 2000.

SEC. 159. Article 9.5 (commencing with Section 11525) is added to Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, to read:

Article 9.5. Interagency Data Development and Use

11525. (a) The department shall establish procedures to provide timely access to information on CalWORKs families to counties and researchers in a manner that maintains confidentiality of data while making it possible to undertake ongoing monitoring, research, and evaluation.

(b) (1) The department, with the cooperation of the University of California, shall establish a project to link longitudinal administrative data on individuals and families who are receiving benefits under the CalWORKs program, or have received benefits under the program within the last 10 years.

(2) All data shall be made available to a university center with the capability of linking it with other appropriate data to allow for ongoing assessment of program impact.

(3) The department shall ensure that information identifiable to individuals and families is removed so as to maintain strict confidentiality.

(4) The State Department of Health Services, the Employment Development Department, the Franchise Tax Board, the State Department of Education, and any other state or local governmental agency that collects information on aided families shall provide the department with the necessary data, if legally available.

SEC. 160. Article 9.7 (commencing with Section 11526) is added to Chapter 2 of Part 3 of Division 9 of the Welfare and Institutions Code, to read:

Article 9.7. Role of the University

11526. (a) The Legislature hereby requests the Regents of the University of California to establish and administer a program or programs to support welfare research and evaluation of the CalWORKs program.

(b) It is the intent of the Legislature that the program or programs established by the University of California:

(1) Establish a sponsored grants program to provide funding for interested researchers to undertake studies on important welfare-related issues. These grants shall be applied only to research projects requested by representatives of state and local government entities.

(2) Establish one or more Bureau of the Census secure data sites to link census and administrative data bases for ongoing research purposes.

(3) Use existing data archives to develop data sets appropriate for monitoring and evaluating the impacts of CalWORKs program implementation in California.

(4) Create and maintain public use data sets and make data available to researchers and members of the public to support welfare research and related human services research.

(5) Provide an ongoing capacity for supporting, conducting, and disseminating welfare policy research.

(6) Produce and maintain lists of researchers working with California welfare data or conducting research on public assistance in California.

(7) Review, edit, publish, and disseminate research and evaluation reports to state and local policymakers.

(8) Provide forums for the presentation of research findings and the discussion of research on welfare.

(9) Provide a location for welfare data archives and monitor ongoing funding for their upkeep.

SEC. 161. Section 14005.30 is added to the Welfare and Institutions Code, to read:

14005.30. (a) (1) To the extent that federal financial participation is available, the department shall, pursuant to Section 1396u-1 of Title 42 of the United States Code, extend eligibility for health care services under this chapter to all recipients of aid under Chapter 2 (commencing with Section 11200).

(2) In order to implement paragraph (1), the department shall, as may be necessary, exercise its option under subparagraph (C) of paragraph (2) of subsection (b) of Section 1396u-1 of Title 42 of the United States Code.

(b) In accordance with Section 1396u-1 of Title 42 of the United States Code, in addition to any individual eligible pursuant to subdivision (a), an individual ineligible for aid under Chapter 2 (commencing with Section 11200) shall be eligible for Medi-Cal benefits pursuant to this chapter if the individual meets the eligibility criteria for aid under Chapter 2 (commencing with Section 11200) that were in effect on July 16, 1996.

(c) The department may adopt emergency regulations to implement this section in accordance with the Administrative Procedure Act (Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code). The initial adoption of emergency regulations following the effective date of the act enacting this section during the 1997–98 Regular Session of the Legislature and one readoption of those initial regulations shall be deemed to be emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare. Initial emergency regulations and the first readoption of those regulations shall be exempt from review by the Office of Administrative Law. The emergency regulations authorized by this section shall be submitted to the Office of Administrative Law for filing with the Secretary of State and publication in the California

Code of Regulations and shall remain in effect for no more than 180 days.

SEC. 162. Section 14132.90 of the Welfare and Institutions Code is amended to read:

14132.90. (a) As of September 15, 1995, day care habilitative services, pursuant to subdivision (c) of Section 14021 shall be provided only to alcohol and drug exposed pregnant women and women in the postpartum period, or as required by federal law.

(b) (1) Notwithstanding any other provision of law, except to the extent required by federal law, if, as of May 15, 1998, the projected costs for the 1997–98 fiscal year for outpatient drug abuse services, as described in Section 14021, exceed forty-five million dollars ($45,000,000) in state General Fund moneys, then the outpatient drug free services, as defined in Section 51341.1 of Title 22 of the California Code of Regulations, shall not be a benefit under this chapter as of July 1, 1998.

(2) Notwithstanding paragraph (1), outpatient methadone maintenance and Naltrexone shall remain benefits under this chapter.

(3) Notwithstanding paragraph (1), residential care, outpatient drug free services, and day care habilitative services, for alcohol and drug exposed pregnant women and women in the postpartum period shall remain benefits under this chapter.

(c) Expenditures for services purchased directly by county welfare departments on behalf of CalWORKs recipients shall not be included in the computation of costs for subdivision (b).

SEC. 163. Section 15204.2 of the Welfare and Institutions Code is repealed.

SEC. 164. Section 15204.2 is added to the Welfare and Institutions Code, to read:

15204.2. It is the intent of the Legislature that the annual Budget Act appropriate state and federal funds in a single allocation to counties for the support of administrative activities undertaken by the counties to provide benefit payments to recipients of aid under Chapter 2 (commencing with Section 11200) of Part 3 and to provide required work activities and supportive services in order to efficiently and effectively carry out the purposes of that chapter.

SEC. 165. Section 15204.3 is added to the Welfare and Institutions Code, to read:

15204.3. (a) Allocation of funds provided under Section 15204.2 shall be made, in the case of funds for benefits administration, based on projected county costs and caseloads, and, in the cases of funds for welfare-to-work administration, based on historical allocations.

(b) In the 1997–98 fiscal year, additional funds for welfare-to-work administration above GAIN allocation in the 1996–97 fiscal year shall be distributed among the counties with two-thirds allocated to all counties based on each county’s share of adults aided under Chapter

2 (commencing with Section 11200). The remaining one-third shall be allocated among only those counties that in the prior year received an allocation per average aided adult at a level less than the statewide average, and shall be distributed among those counties so that they each receive the same overall allocation per average aided adult for welfare-to-work administration.

(c) For purposes of this section, the 1997–98 fiscal year allocation for welfare-to-work administration shall constitute the historic allocation of those funds for each fiscal year subsequent to the 1997–98 fiscal year. For each year subsequent to the 1997–98 fiscal year, increases or decreases in funds appropriated under this section shall be allocated among individual counties in a manner that will promote more equitable distribution of these funds.

SEC. 166. Section 15204.4 is added to the Welfare and Institutions Code, to read:

15204.4. In addition to the funds received under Section 15204.2, counties shall be required to expend money from their own funds, either from the county's general fund or from the social services account of the county health and welfare trust fund to support administration of programs providing services to needy families. Each county shall expend an amount for these programs that, when combined with funds expended under Section 18906.5 for administration of food stamps, equals or exceeds the amount spent by that county for corresponding activities during the 1996–97 fiscal year. Failure to meet this required level of spending shall result in a proportionate reduction of the funds provided under Section 15204.2. In those cases the Director of Social Services shall report to the Legislature within 30 days his or her findings relative to the ability of the county, with reduced funds, to meet its obligations in administering the affected programs. The report shall include any relevant information related to the performance of the county.

SEC. 167. Section 15204.6 of the Welfare and Institutions Code is repealed.

SEC. 168. Section 15204.7 of the Welfare and Institutions Code is repealed.

SEC. 169. Section 15204.8 is added to the Welfare and Institutions Code, to read:

15204.8. (a) The Legislature may appropriate annually in the Budget Act funds to support services provided pursuant to Sections 11325.7 and 11325.8.

(b) Funds appropriated pursuant to subdivision (a) shall be allocated to the counties separately and shall be available for expenditure by the counties for services provided during the budget year. A county may move funds between the two accounts during the budget year for expenditure if necessary to meet the particular circumstances in the county. Any unexpended funds may be retained by each county for expenditure for the same purposes during the

succeeding fiscal year. By November 20, 1998, each county shall report to the department on the use of these funds.

(c) Beginning January 10, 1999, the Department of Finance shall report annually to the legislature on the extent to which funds available under subdivision (a) have not been spent and may reallocate the unexpended balances so as to better meet the need for services.

SEC. 170. Section 16575 of the Welfare and Institutions Code is repealed.

SEC. 171. Section 16575 is added to the Welfare and Institutions Code, to read:

16575. (a) The Legislature finds and declares that there is no single statewide data base containing statistical data regarding child support orders.

(b) The Statewide Automated Child Support System or its replacement may be utilized to provide a single statewide registry of all child support orders in California, including orders for cases under Title IV-D of the Social Security Act and all cases with child support orders.

SEC. 172. Section 16576 of the Welfare and Institutions Code is repealed.

SEC. 173. Section 16576 is added to the Welfare and Institutions Code, to read:

16576. (a) The department shall develop an implementation plan for the Statewide Child Support Registry. The Statewide Child Support Registry shall be operated by the agency responsible for operation of the Statewide Automated Child Support System (SACSS) or its replacement. The Statewide Child Support Registry shall include storage and data retrieval of the data elements specified in Sections 16576.5 and 16577 for all California child support orders. The plan shall be developed in consultation with clerks of the court, district attorneys, and child support advocates. The plan shall be submitted to the Legislature by January 31, 1998. The implementation plan shall explain in general terms, among other things, how the Statewide Child Support Registry will operate to ensure that all data in the Statewide Child Support Registry can be accessed and how data shall be integrated for statistical analysis and reporting purposes with all child support order data contained in the Statewide Automated Child Support System or its replacement and the Los Angeles Automated Child Support Enforcement System (ACSES) Replacement System.

(b) Commencing no later than October 1, 1998, each clerk of the court shall provide the information specified in Sections 16576.5 and 16577 within 20 days to the department or the Statewide Child Support Registry from each new or modified child support order, including child support arrearage orders.

(c) Commencing no later than October 1, 1998, the department shall maintain a system for compiling the child support data from all child support orders and data forms and orders of child support arrears forms received from the clerks of the court, ensure that all child support data received from the clerks of the court are entered into the Statewide Child Support Registry within 10 days of receipt in the Statewide Child Support Registry, and ensure that the Statewide Child Support Registry is fully implemented statewide.

(d) Commencing no later than October 1, 1998, the department shall provide aggregate data on a periodic basis on the data maintained by the Statewide Child Support Registry to the Judicial Council, the appropriate agencies of the executive branch, and the Legislature for statistical analysis and review. The data shall not include individual identifying information for specific cases.

(e) Commencing no later than October 1, 1998, any information maintained by the Statewide Child Support Registry from the child support orders and data forms and orders of child support arrears forms received from clerks of the courts shall be provided to county district attorneys, the Franchise Tax Board, and others as provided by law.

(f) On or before October 1, 1998, the department shall submit a report to the appropriate policy and fiscal committees of the Legislature on the requirements of this chapter.

SEC. 174. Section 16576.5 of the Welfare and Institutions Code is repealed.

SEC. 175. Section 16576.5 is added to the Welfare and Institutions Code, to read:

16576.5. The department shall contract with the Judicial Council to prepare and adopt, by January 31, 1998, the child support order and data form, which may be in electronic or hard copy form, as deemed appropriate by the Judicial Council, and which shall contain the following information:

(a) Full name, last known address, telephone number, social security number, and birth date of both parties.

(b) Full name and birth date of each child included in the support order.

(c) The date on which the child support order will terminate which shall be the date upon which the youngest child becomes 18 or 19 years of age if still in high school.

(d) A clear statement of the amount of child support to be paid for each child.

(e) If the order is a modification of a prior child support order, a clear statement of the amount of the prior order for each child and the amount of the modified order for each child.

(f) Any other information the department or the Judicial Council finds appropriate.

SEC. 176. Section 16577 of the Welfare and Institutions Code is repealed.

SEC. 177. Section 16577 is added to the Welfare and Institutions Code, to read:

16577. The department shall contract with the Judicial Council to prepare and adopt, by January 31, 1998, the order of child support arrears form, which may be in electronic or hard copy form, as deemed appropriate by the Judicial Council, and which shall contain on its face the following information:

(a) Full name, last known address, telephone number, social security number, and birth date of both parties.

(b) Full name and birth date of each child included in the support order.

(c) Date on which the court order on arrears will terminate, if known.

(d) A clear statement of the amount of the child support arrearage.

(e) If the order is a modification of a prior child support order, a clear statement of the amount of the prior order, and the amount of the modified order.

(f) Any other information the State Department of Social Services or the Judicial Council finds appropriate.

SEC. 178. Section 17016 is added to the Welfare and Institutions Code, to read:

17016. (a) An individual shall not be eligible for aid under this part if he or she is either:

(1) Fleeing to avoid prosecution, or custody and confinement after conviction, under the laws of the place from which the individual is fleeing, for a crime or an attempt to commit a crime that is a felony under the laws of the place from which the individual is fleeing, or which, in the case of the State of New Jersey, is a high misdemeanor under the laws of that state.

(2) Violating a condition of probation or parole imposed under federal law or the law of any state.

(b) Subdivision (a) shall not apply with respect to conduct of an individual for any month beginning after the President of the United States grants a pardon with respect to the conduct.

SEC. 179. Section 17021 is added to the Welfare and Institutions Code, to read:

17021. (a) Any individual who is not eligible for aid under Chapter 2 (commencing with Section 11200) of Part 3 as a result of the 60-month limitation specified in subdivision (b) of Section 11454 shall not be eligible for aid or assistance under this part until all of the children of the individual on whose behalf aid was received, whether or not currently living in the home with the individual, are 18 years of age or older.

(b) Any individual who is receiving aid under Chapter 2 (commencing with Section 11200) of Part 3 on behalf of an eligible child, but who is either ineligible for aid or whose needs are not otherwise taken into account in determining the amount of aid to the family pursuant to Section 11450 due to the imposition of a sanction or penalty, shall not be eligible for aid or assistance under this part.

(c) This section shall not apply to health care benefits provided under this part.

SEC. 180. Chapter 3.2 (commencing with Section 18220) is added to Part 6 of Division 9 of the Welfare and Institutions Code, to read:

CHAPTER 3.2. COMPREHENSIVE YOUTH SERVICES ACT

18220. The Legislature finds and declares all of the following:

(a) The enactment of federal welfare reform, Public Law 104-193, has provided the state with an unprecedented opportunity to recast the state's welfare system, and in particular, to simplify the standards and procedures for determining assistance to the state's children and their families.

(b) Under previous federal law, California's county probation departments claimed emergency assistance funds under Title IV-A of the Social Security Act, Part A (commencing with Section 601) of Subchapter 4 of Chapter 7 of Title 42 of the United States Code, to help defray the cost of operating county juvenile probation activities. That claiming increased the allocation to California under the federal Temporary Assistance for Needy Families block grant by 140.9 million dollars.

(c) In the past, county probation departments focused attention on serving youthful offenders under the jurisdiction of the court. However, there is broad recognition that preventive approaches would be a more cost-effective approach to reducing juvenile crime, promoting family based services, and keeping families intact. This chapter will permit probation departments to expand preventive services to target populations that include youth who are habitual truants, runaways, or at risk of being adjudicated wards of the court under Section 601 or 602.

(d) When a minor has been identified as at risk or when he or she remains in the community under the jurisdiction of the juvenile court, the needs of the entire family must determine the services provided on behalf of the minor.

(e) Because of their troubled family situations, juvenile probationers are at great risk of becoming welfare recipients as young adults.

(f) Whether or not they are prepared for the responsibility, probation youth tend to become parents at an early age. A recent survey identified over 16,000 probation youth who were already parents.

(g) If youth on probation fail to develop adequate self-sufficiency skills, many of them and their children will require public assistance in the coming years.

(h) A survey of probation youth reveals that (1) most are more than three years below their grade level in reading and math skills, (2) 40 percent are not attending school, (3) 60 to 80 percent are abusing drugs or alcohol or both, (4) 60 percent are victims of abuse and neglect, and (5) 50 percent are from single parent homes.

(i) The intent of the Legislature in enacting this chapter is to provide a continuum of family focused case-specific services, in a community-based setting, that addresses the full spectrum of child and family needs, including services provided in county-operated residential care facilities.

(j) Proper probation services will provide the structure, support, and supervision needed to keep probation youth from further crime and to help them develop essential skills to avoid dependence on public assistance.

(k) In addition to serving at-risk youth or youthful offenders, county probation agencies should also serve parents when doing so will promote increased self-sufficiency, personal responsibility, and family stability for the youth.

18221. (a) The State Department of Social Services is hereby designated as the state agency responsible for administering funds appropriated for the purposes of this chapter pursuant to this section.

(b) Subject to the availability of funding in the annual Budget Act, the department shall allocate among counties in proportion to the following schedule:

Jurisdiction	Amount
Alameda	$ 5,615,845
Alpine	0
Amador	94,452
Butte	463,554
Calaveras	94,110
Colusa	51,612
Contra Costa	4,418,859

(c) Counties shall use no more than 15 percent of their annual allocation for administrative costs.

(d) Any audit exception, deferral, or disallowance resulting from an audit under this chapter shall be shared by each county based on the percentage of the total costs claimed by the county during the quarter being audited. To the extent the audit exception, deferral, or disallowance can be taken against an individual county and is not extrapolated to other counties, it shall be borne solely by that county.

18222. (a) Subject to the availability of federal funds for the purposes described in this section, funds provided pursuant to subdivision (b) of Section 18221 may be used to serve children who are habitual truants, runaways, at risk of being wards of the court under Section 601 or 602, or are under juvenile court supervision or supervision of the probation department. Funds may be used to serve parents or other family members of these children if serving them will promote increased self-sufficiency, personal responsibility, and family stability for the child. Services shall be provided pursuant to a family service plan. When a family is served by multiple public agencies or in need of services from multiple public agencies, the family service plan shall be developed through an interdisciplinary approach that shall include representatives from agencies that provide services to the family or that may be required to implement the service plan.

(b) Services authorized under this section include all of the following:

(1) Educational advocacy and attendance monitoring.
(2) Mental health assessment and counseling.
(3) Home detention.
(4) Social responsibility training.
(5) Family mentoring.
(6) Parent peer support.
(7) Life skills counseling.
(8) Direct provision of, and referral to, prevocational and vocational training.
(9) Family crisis intervention.
(10) Individual, family, and group counseling.
(11) Parenting skills development.
(12) Drug and alcohol education.
(13) Respite care.
(14) Counseling, monitoring, and treatment.
(15) Gang intervention.

(16) Sex and health education.

(17) Anger management, violence prevention, and conflict resolution.

(18) After care services as juveniles transition back into the community and reintegrate into their families.

(19) Information and referral regarding the availability of community services.

(20) Case management.

(21) Therapeutic day treatment.

(22) Transportation related to any of the services described in this subdivision.

(23) Emergency and temporary shelter.

18223. (a) Subject to the availability of federal funds for the purposes described in this section, funds provided pursuant to subdivision (b) of Section 18221 may be used to provide emergency services to children whose behavior results in the child's removal from the home and a judicial determination that the child must remain in out-of-home care for more than 72 hours.

(b) Services authorized under this section include payment for shelter care in juvenile assessment centers, residential group care in camps and ranches, or foster care in a licensed foster care facility, except where provided by Title IV-E of the Social Security Act, Part E (commencing with Section 670) of Subchapter 4 of Chapter 7 of Title 42 of the United States Code.

(c) To be eligible for funding pursuant to this section, all eligibility criteria specified in the Title IV-A state plan for emergency assistance in effect on September 30, 1995, shall be met.

18224. All services provided under this chapter, whether provided in the home, residential facilities, or other settings, shall be based on the following principles:

(a) Services shall be oriented toward the principles of personal responsibility and self-reliance.

(b) Services shall use available community resources to the extent they are available, to serve the needs of the populations served under this chapter.

(c) Individualized case plan development shall consider family concerns, priorities, and resources and shall include services designed to help families develop problem solving skills to apply independently in new situations.

(d) Services shall be based on comprehensive strength-based family assessments, shall be family focused, and shall address identified immediate needs as well as underlying risk factors contributing to problems that are more pervasive and recurrent in nature.

(e) Services offered shall be cost-effective, using established community services in tandem with federal, state, and locally funded services.

18225. (a) (1) The board of supervisors of any county that receives funds pursuant to this chapter shall approve the expenditure plan for funds received pursuant to subdivision (b) of Section 18221.

(2) (A) The board of supervisors of any county that receives funds under this chapter shall establish a local planning council to meet, and to advise the chief probation officer in the development of the proposed expenditure plan for the funds provided under this chapter.

(B) With the exception of local planning councils serving pursuant to subdivision (b), any council established pursuant to this subdivision shall include representatives from all of the following:

(i) County departments, including health, mental health, probation, child protective services, and education.

(ii) Local school districts.

(iii) City and county law enforcement agencies.

(iv) Community-based organizations that serve at-risk youth, including shelter providers, organizations addressing issues of pregnancy and parenting, organizations addressing issues of substance use and abuse, and culturally conscious organizations reflecting the ethnic and cultural composition of the community.

(v) One or more youths who are at risk or have been adjudicated under Section 601 or 602.

(vi) Parents or family members of at-risk youth.

(b) The county board of supervisors may provide that a planning council established pursuant to Section 749.22 shall serve as the local planning council required by subdivision (a).

18226. This chapter shall remain operative only until October 31, 2003.

SEC. 181. Chapter 3.3 (commencing with Section 18230) is added to Part 6 of Division 9 of the Welfare and Institutions Code, to read:

CHAPTER 3.3. CALWORKS DEMONSTRATION PROJECTS

Article 1. County Welfare-to-Work Demonstration Projects

18230. Pursuant to this chapter and Article 1 (commencing with Section 18200) of Chapter 3, the director may approve county demonstration projects for the CalWORKs program. Any project approved by the director that requires the expenditure of state or federal funds shall be subject to appropriation in the annual Budget Act.

18231. (a) A county, or two or more counties, may implement three-year performance-based CalWORKs demonstration projects under this chapter to test alternative methods of service delivery designed to do any of, but not limited to, the following:

(1) More effectively serve highly distressed geographic areas.

(2) More effectively serve hard-to-employ target populations.

(3) Better meet local labor force demands.

(4) Address the needs of the CalWORKs population in areas of chronic high unemployment.

(5) Improve administration of program services to clients.

(b) It is the intent of the Legislature that CalWORKs demonstration projects promote cross-agency collaboration within the county or counties in order to reduce duplication and fragmentation of services, serve CalWORKs families in a comprehensive fashion, and increase the self-sufficiency and well-being of CalWORKs families.

(c) It is the intent of the Legislature that each demonstration project test different types of alternative service delivery or serve different types of populations.

18232. (a) A county board of supervisors that wishes to demonstrate an alternative method of CalWORKs service delivery shall apply to the director for approval of its demonstration project. The county application shall identify the specific goals of the project, how it plans to attain those goals, and the evaluation methodology and funding source that will be used to evaluate the extent to which the goals are attained. The application shall also include a description of the process through which the proposal was developed, which shall include participation by representatives of all the stakeholders who will potentially be affected by the project, including representatives of CalWORKs recipients, service providers, and all relevant local government agencies. Prior to receiving approval for a demonstration project, the applicant county shall demonstrate to the director agreement from all parties described in the application who will be involved in implementing the project.

(b) A participating county shall abide by all audit requirements necessary to ensure compliance with federal law.

18233. Before authorizing a demonstration project, the director shall ensure that it is consistent with the intent of state CalWORKs law. At least 30 days prior to approving a demonstration project, the director shall provide written notice to the chairperson of the relevant policy committees of each house of the Legislature and the Chairperson of the Joint Legislative Budget Committee. The notice shall identify any increased state costs that will result from the project.

18234. (a) Except as otherwise provided in this section, a county's CalWORKs demonstration project shall not be exempt from state law that governs eligibility, unless a county wishes to extend eligibility to families not otherwise covered, in a manner that is consistent with applicable federal laws and regulations.

(b) A county may not reduce grant levels below the level established pursuant to Section 11450, but may supplement grant levels established in state law, and may extend time limits, using county only funds.

(c) A county's CalWORKs demonstration project may not be exempt from state law that governs any of the following:

(1) Dispute resolution procedures and penalties, including fair hearings.

(2) Recipient confidentiality.

(3) Child support collection.

(4) County contracting.

(5) Collective bargaining law and agreements.

(6) Civil service procedures.

(7) Fair labor standards.

(8) Displacement of current workers.

18235. A demonstration project under this article shall include a range of services designed to assist recipients to achieve employment, which may not include job search and work experience to the exclusion of other activities that may be required by the population in the project, and the supportive services necessary for clients to achieve self-sufficiency, which at a minimum shall include child care, transportation, mental health treatment, and substance abuse treatment. A demonstration project shall not result in a diminution in the level of funding for services that would be available if the project were not implemented.

Article 2. School Attendance Demonstration Projects

18236. (a) The director may approve school attendance demonstration projects in San Diego and Merced Counties, at the option of each county, to demonstrate means of increasing school attendance and graduation rates of children or teens who receive benefits under the CalWORKs program. The project shall emphasize a social service approach to children and families who are experiencing truancy problems, and shall include collaboration with the academic community to support a successful school experience. Families shall be provided a range of services, resources, and tools to assist them in coping with issues related to their children's school problems. These shall include integrated services involving the county and the appropriate school districts. After all other avenues to encourage a student to attend school have been exhausted and a family has failed to correct the truancy of a child in the family unit, a participating county may reduce a family grant by the amount of the truant child's portion grant. The full grant shall be replaced upon a showing that the student has attended school full-time for one month or has otherwise cooperated with an education or training plan developed with the county and the school district.

(b) Participating counties shall measure their success in achieving the following outcomes:

(1) Increased attendance and graduation.

(2) Decreased truancy.

(3) Higher grade point averages.
(4) Increased ADA.
(5) Decreased dropout rates.
(6) Increased collaboration among agencies providing services for children.
(7) Reinforcement of parental responsibility.

(c) Prior to being selected as a demonstration project site, the governing board of each school district shall approve the project and a clear delineation of the county's and the school or school district's responsibilities shall be established in a memorandum of understanding.

(d) Each county shall identify how it plans to attain the goals of the demonstration project and the evaluation methodology and funding source that will be used to evaluate the extent to which the goals are attained.

(e) The director shall report annually to the chairpersons of the relevant policy committee of each house of the Legislature and the Chairperson of the Joint Legislative Budget Committee on the progress of the demonstration projects, including the extent to which they are attaining the outcomes described in subdivision (b), the number of families sanctioned, and the average length of time of the sanctions.

18237. (a) The department, in conjunction with the State Department of Education and the Attorney General, may evaluate the effectiveness of one program, as described in this section in a county that chooses to operate such a program.

(b) The truancy coordinator in the district attorney's office shall provide assistance to school districts to address cases of habitual truancy as defined in Section 48262 of the Education Code.

(c) The county truancy coordinator shall perform, at a minimum, all of the following duties:

(1) Represent the district attorney on the county school attendance review board pursuant to Section 48321 of the Education Code.

(2) Prepare letters as requested by local school districts that provide a warning notice to parents of truant pupils subject to criminal prosecution and penalties pursuant to Section 48293 of the Education Code.

(3) Develop a district truancy mediation program, as defined in Section 48263.5 of the Education Code, unless the county probation department has elected to provide the program.

(d) The school attendance review board shall assist the district attorney and the court in ensuring that every parent or guardian and truant pupil prosecuted and convicted under Chapter 2 (commencing with Section 48200) of Part 2 of the Education Code, complies with the sentence of the court, including, but not limited

to, collection of fines, ensuring the performance of community service and providing certification of school attendance.

Article 3. Microenterprise Demonstration Projects

18238. For the purposes of this article:

(a) ‘‘Microenterprise’’ means a small business in which a participant works as his or her own employer.

(b) ‘‘Microenterprise assistance provider’’ means a public agency or a nonprofit agency meeting the requirements of Section 501(c)(3) of the federal Internal Revenue Code, that is exempt from taxation under Section 501(a) of the Internal Revenue Code, and that provides self-employment training, technical assistance, and access to microloans to individuals seeking to become self-employed.

18239. (a) With the consent of participating counties, the department may implement demonstration projects to provide self-employment training and technical assistance to recipients of CalWORKs benefits and persons who are at risk of receiving CalWORKs benefits. Each demonstration project shall operate for three years. At least one demonstration project shall operate in Los Angeles County and at least one in a northern California county. The number of demonstration projects shall be limited to no more than six. However, if nonstate matching funds become available, the number shall be limited to no more than 12.

(b) The self-employment training shall include development of a viable business plan, assisting the recipient to determine if self-employment is suitable to the recipient’s aptitudes and family dependent care obligations, marketing strategies, business location analysis, direct technical assistance in the development of a microenterprise, and other subjects as necessary to achieve proficiency in basic business skills. The training shall include periodic assistance or case management, as needed, for up to one year after the recipient’s self-employment has commenced.

(c) To ensure communication and collaboration between county welfare departments, including CalWORKs programs, and microenterprise assistance providers, proposals to operate demonstration projects under this article shall be jointly submitted by local microenterprise service providers and the county welfare department. No county matching funds shall be required for the implementation and evaluation of the demonstration project. Local microenterprise assistance providers participating in the pilot project shall have at least two years’ experience and demonstrated success in providing assistance to recipients of CalWORKs benefits and other low-income individuals to create their own jobs through self-employment.

(d) If pursuant to subdivision (a), the department, with the consent of participating counties, chooses to implement a

microenterprise demonstration project, the department shall solicit proposals from microenterprise assistance providers seeking to administer a demonstration project under this article on a not-for-profit basis. The department shall seek to encourage financial participation of private entities for purposes of including more individuals in these demonstration projects.

Article 4. Jobs-Plus

18240. (a) Upon a request by the County of Los Angeles, the department may review and approve a waiver that would permit changes in earned income incentives available to residents in housing complexes in that county participating in the Jobs-Plus Community Revitalization Initiative for Public Housing Families.

(b) Waiver authority pursuant to subdivision (a) shall be limited to applicable working-age residents of the County of Los Angeles taking part in the initiative implemented at Jobs-Plus sites in the county.

(c) The waiver shall permit work-related financial incentives that are more generous than those otherwise operating pursuant to Chapter 2 (commencing with Section 11200) of Part 3.

(d) Waivers shall last only for the duration of the initiative referred to in subdivision (a).

(e) The department shall grant the requested waivers no sooner than 30 days after a report to the appropriate policy and fiscal committees of the Legislature of the nature, extent, and duration of the waivers.

(f) The department shall submit to the appropriate policy and fiscal committees of the Legislature results of the evaluation of the initiative operating pursuant to the waivers granted under this section.

(g) This article shall remain in effect only until January 1, 2004, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2004, deletes or extends that date.

Article 5. Child Support Assurance Demonstration Project

18241. It is the intent of the Legislature, in implementing federal welfare reform, to create a Child Support Assurance Demonstration Project that is consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193) and that maximizes cost effectiveness while lifting children out of poverty. It is the intent of the Legislature that the program will secure financial stability for California’s children through a guaranteed minimum level of financial support for the children of participating families, while at the same time encouraging custodial parents to be employed and noncustodial parents to financially support their children.

18242. (a) Upon application by a county board of supervisors, the department may approve demonstration projects in up to three counties to test models of child support assurance. One of the projects shall conform to the design contained in Sections 18244 to 18246, inclusive. The other two projects shall either test different models of child support assurance or may test the same model if the two counties in which that model is tested involve counties with different demographics.

(b) It is the intent of the Legislature that the purpose of the demonstration projects authorized by this article is to test child support assurance models as alternatives to welfare under which families with earnings and a child support order receive a guaranteed child support payment, in lieu of a grant under the CalWORKs program, from funds continuously appropriated for the CalWORKs program.

(c) A county may determine the maximum number of participants in that county, but not more than five percent of the county CalWORKs caseload or 8,000 persons, whichever is greater.

18243. The department shall develop research designs to ensure thorough evaluations of the child support assurance demonstration projects that shall include, but not be limited to, the impact of work participation rates of custodial parents, CalWORKs participation rates and costs, paternity and child support order establishment, and any other relevant information the director may require.

18244. (a) A family shall be eligible to participate under this article only if, at the time of application to participate in the child assurance program, the family is receiving, or has been determined to be eligible to receive, an aid grant under Chapter 2 (commencing with Section 11200) of Part 3.

(b) A family's participation under this article shall not affect its eligibility to receive Medi-Cal and child care benefits under Chapter 2 (commencing with Section 11200) of Part 3, if otherwise eligible.

18245. (a) A family shall be eligible to receive a child support assurance payment on behalf of a child only if the child's custodial parent has done all of the following:

(1) Assigned the child's right to collect child support to the state.

(2) Established paternity, obtained a child support order, and is using the services available under the state plan approved under Part D (commencing with Section 651) of Chapter 7 of Title 42 of the United States Code.

(3) Opted to participate in the child assurance program in lieu of cash assistance under this chapter or its successor program.

(b) (1) Except as provided in paragraph (2), as a condition of receiving a child support assurance payment under this article, a custodial parent shall also be required to do both of the following:

(A) Continue to provide all other relevant information that the applicant has that may be requested by the county.

(B) Appear at required interviews, conference hearings, or legal proceedings, if notified in advance and an illness or emergency does not prevent attendance.

(2) A custodial parent shall not be required to comply with paragraph (1) when compliance would make it more difficult for a domestic violence victim to escape physical abuse or when cooperation would increase the risk of further violence or unfairly penalize the victim.

(c) In order to be eligible under this article, a child shall meet all of the following conditions:

(1) The child resides in the county.

(2) The child has a noncustodial parent living in the United States, or if not living in the United States, is subject to service of process by a state or territory of the United States.

(3) The child is under 18 years of age or, if enrolled in high school, under 19 years of age.

(4) The custodial parent is employed.

18246. (a) A child or children shall be eligible to continue to receive a child support assurance payment under this section only if the family's income is not more than 150 percent of the federal poverty level. For family income below the federal poverty level, the earned income disregard shall be 90 percent. For income between 100 percent and 150 percent of the federal poverty level, the earned income disregard shall be incrementally decreased until the assistance benefit reaches zero at 150 percent of the federal poverty level.

(b) In any month, the child shall receive the greater of the child support paid by the noncustodial parent or the assured amount as defined in subdivision (d) of Section 11535. In any month in which the noncustodial parent pays an amount of support less than the assured amount, the county shall retain the payment as reimbursement for the assured amount.

(c) For purposes of this article, the child support assurance payable to the custodial parent of one or more eligible children shall be the amount by which the support assurance payment exceeds the dollar value of the child support, if any, received on behalf of the family during the month from the noncustodial parent for the support of any eligible child or children.

(d) The monthly child support assurance payment shall be the sum of all of the following:

(1) Two hundred fifty dollars ($250) for the first eligible child.

(2) One hundred twenty-five dollars ($125) for the second eligible child, if any.

(3) Sixty-five dollars ($65) for each subsequent eligible child, if any.

18247. (a) The state share of child support assurance payments under this article shall be paid in accordance with Section 15200.

(b) The county administrative cost for the operation of a child support assurance program shall be paid from the county's allocation provided under Sections 15204.2 and 15204.3.

SEC. 183. Except for Sections 31, 32, 131, 132, 141, 161, and 162 of this act, this act shall become operative on January 1, 1998.

SEC. 184. In enacting the CalWORKs program, the revisions to, and the repeal of, various specific provisions for good cause for failure to participate in welfare-to-work program activities is not intended to preclude a county from considering any condition or circumstance of a recipient on a case-by-case basis in the evaluation of whether good cause exists.

SEC. 185. (a) Notwithstanding the provisions of the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government Code, through June 30, 1998, the State Department of Social Services may implement the applicable provisions of this act through all county letter or similar instructions from the director.

(b) The director shall adopt regulations, as otherwise necessary, to implement the applicable provisions of this act no later than July 1, 1998. Emergency regulations to implement the applicable provisions of this act may be adopted by the director in accordance with the Administrative Procedure Act. The initial adoption of emergency regulations and one readoption of the initial regulations shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health, safety, or general welfare. Initial emergency regulations and the first readoption of those emergency regulations shall be exempt from review by the Office of Administrative Law. The emergency regulations authorized by this section shall be submitted to the Office of Administrative Law for filing with the Secretary of State and shall remain in effect for no more than 180 days.

SEC. 186. No reimbursement is required by this act pursuant to Section 6 of Article XIII B of the California Constitution because this act provides for offsetting savings to local agencies or school districts that result in no net costs to the local agencies or school districts, within the meaning of Section 17556 of the Government Code.

Notwithstanding Section 17580 of the Government Code, unless otherwise specified, the provisions of this act shall become operative on the same date that the act takes effect pursuant to the California Constitution.

SEC. 187. Sections 1 to 186, inclusive, of this act shall not become operative until the Budget Act of 1997 is chaptered.

SEC. 188. This act is an urgency statute necessary for the immediate preservation of the public peace, health, or safety within the meaning of Article IV of the Constitution and shall go into immediate effect. The facts constituting the necessity are:

In order to implement the federal welfare reform in the most appropriate and timely manner, it is necessary that this act take effect immediately.

O

CALIFORNIA CODES
EDUCATION CODE
SECTION **8499**.3-**8499**.7

8499.3. (a) It is the intent of the Legislature that local child care and development planning councils shall provide a forum for the identification of local priorities for child care and the development of policies to meet the needs identified within those priorities.

(b) The county board of supervisors and the county superintendent of schools shall do both of the following:

(1) Select the members of the local planning council. Before making selections pursuant to this subdivision, the board of supervisors and the county superintendent of schools shall publicize their intention to select the members and shall invite local organizations to submit nominations. In counties in which the superintendent is appointed by the county board of **education**, the county board of **education** may make the appointment or may delegate that responsibility to the superintendent.

(2) Establish the term of appointment for the members of the local planning council.

(c) (1) The local planning council shall be comprised as follows:

(A) Twenty percent of the membership shall be consumers.

(B) Twenty percent of the membership shall be child care providers, reflective of the range of child care providers in the county.

(C) Twenty percent of the membership shall be public agency representatives.

(D) Twenty percent of the membership shall be community representatives, who shall not be child care providers or agencies that contract with the department to provide child care and development services.

(E) The remaining 20 percent shall be appointed at the discretion of the appointing agencies.

(2) The board of supervisors and the superintendent of schools shall each appoint one-half of the members. In the case of uneven membership, both appointing entities shall agree on the odd-numbered appointee.

(d) Every effort shall be made to ensure that the ethnic, racial,

and geographic composition of the local planning council is reflective of the ethnic, racial, and geographic distribution of the population of the county.

(e) The board of supervisors and county superintendent of schools may designate an existing child care planning council or coordinated child and family services council as the local planning council, as long as it has or can achieve the representation set forth in this section.

(f) Upon establishment of a local planning council, the local planning council shall elect a chair and select a staff.

(g) Each local planning council shall develop and implement a training plan to provide increased efficiency, productivity, and facilitation of local planning council meetings. This may include developing a training manual, hiring facilitators, and identifying strategies to meet the objectives of the council.

(h) No member of a local planning council shall participate in a vote if he or she has a proprietary interest in the outcome of the matter being voted upon.

8499.5. (a) The department shall allocate child care funding pursuant to Chapter 2 (commencing with Section 8200) based on the amount of state and federal funding that is available.

(b) By May 30 of each year, upon approval by the county board of supervisors and the county superintendent of schools, each local planning council shall submit to the department the local priorities it has identified that reflect all child care needs in the county. To accomplish this, each local planning council shall do all of the following:

(1) Conduct an assessment of child care needs in the county no less than once every five years. The department shall define and prescribe data elements to be included in the needs assessment and shall specify the format for the data reporting. The needs assessment shall also include all factors deemed appropriate by the local planning council in order to obtain an accurate picture of the comprehensive child care needs in the county. The factors include, but are not limited to, all of the following:

(A) The needs of families eligible for subsidized child care.

(B) The needs of families not eligible for subsidized child care.

(C) The waiting lists for programs funded by the department and the State Department of Social Services.

(D) The need for child care for children determined by the child

protective services agency to be neglected, abused, or exploited, or at risk of being neglected, abused, or exploited.

(E) The number of children in families receiving public assistance, including food stamps, housing support, and Medi-Cal, and assistance from the Healthy Families Program and the Temporary Assistance to Needy Families (TANF) program.

(F) Family income among families with preschool or schoolage children.

(G) The number of children in migrant agricultural families who move from place to place for work or who are currently dependent for their income on agricultural employment in accordance with subdivision (a) of, and paragraphs (1) and (2) of subdivision (b) of, Section 8231.

(H) The number of children who have been determined by a regional center to require services pursuant to an individualized family service plan, or by a local educational agency to require services pursuant to an individualized **education** program or an individualized family service plan.

(I) The number of children in the county by primary language spoken pursuant to the department's language survey.

(J) Special needs based on geographic considerations, including rural areas.

(K) The number of children needing child care services by age cohort.

(2) Document information gathered during the needs assessment which shall include, but need not be limited to, data on supply, demand, cost, and market rates for each category of child care in the county.

(3) Encourage public input in the development of the priorities. Opportunities for public input shall include at least one public hearing during which members of the public can comment on the proposed priorities.

(4) Prepare a comprehensive countywide child care plan designed to mobilize public and private resources to address identified needs.

(5) Conduct a periodic review of child care programs funded by the department and the Department of Social Services to determine if identified priorities are being met.

(6) Collaborate with subsidized and nonsubsidized child care providers, county welfare departments, human service agencies, regional centers, job training programs, employers, integrated child and family service councils, local and state children and families commissions, parent organizations, early start family resource centers, family empowerment centers on disability, local child care

resource and referral programs, and other interested parties to foster partnerships designed to meet local child care needs.

(7) Design a system to consolidate local child care waiting lists, if a centralized eligibility list is not already in existence.

(8) Coordinate part-day programs, including state preschool and Head Start, with other child care and development services to provide full-day child care.

(9) Submit the results of the needs assessment and the local priorities identified by the local planning council to the board of supervisors and the county superintendent of schools for approval before submitting them to the department.

(10) Identify at least one, but not more than two, members to serve as part of the department team that reviews and scores proposals for the provision of services funded through contracts with the department. Local planning council representatives may not review and score proposals from the geographic area covered by their own local planning council. The department shall notify each local planning council whenever this opportunity is available.

(c) The department shall, in conjunction with the Department of Social Services and all appropriate statewide agencies and associations, develop guidelines for use by local planning councils to assist them in conducting needs assessments that are reliable and accurate. The guidelines shall include acceptable sources of demographic and child care data, and methodologies for assessing child care supply and demand.

(d) The department shall allocate funding within each county in accordance with the priorities identified by the local planning council of that county and submitted to the department pursuant to this section, unless the priorities do not meet the requirements of state or federal law.

8499.7. It is the intent of the Legislature that any additional conditions imposed upon local planning councils shall be funded from available federal funds to the greatest extent legally possible.

BYLAWS
of the
Child Care Planning Council of Ventura County

Article I - Name

The Council shall be designated the Child Care Planning Council of Ventura County, referred to hereafter as the "Council".

Article II - Authority

The Council was formed by the County Board of Supervisors and County Superintendent of Schools on December 16, 1997. This was done in accordance with Education Code section 8499.3, which required the formation of county level child care and development planning councils. The Council recognizes the legislative intent of Education Code Section 54744 that communities implementing new programs or initiatives connect with existing program strategies and build upon existing local collaboratives, when possible, to provide a unified integrated system of service for children and families.

Article III - Purpose and Duties

A. The Council undertakes activities designed to promote the accessibility of safe, affordable and quality child care and development services for all children and families in Ventura County.

B. The Council is authorized with the following powers and duties:

1. Elect a chair, as per Article IX, A.
2. Conduct needs assessment of child care needs in the county every five years. The needs assessment shall take into consideration the following:

    a. The needs of families eligible for subsidized child care.
    b. The needs of families not eligible for child care.
    c. The waiting lists for programs funded by the Department of Education and the State Department of Social Services.
    d. The need for child care for children who have been abused or neglected or are at risk of abuse and neglect.
    e. The number of children receiving public assistance.
    f. Family income among families with preschool or school age children.
    g. The number of children of migrant workers.
    h. The number of children with special needs.
    i. The number of children from all identifiable linguistic and cultural backgrounds.
    j. Special needs based on geographic considerations, including rural areas.
    k. The age of children needing services.
    l. Any other factors determined appropriate by the local planning council.

3. Document information gathered during the needs assessment which shall include, but need not be limited to, data on hand, data on supply, demand, cost and market rates for each category of child care in the County.

4. Encourage public input in the development of priorities. Opportunities for public input shall include at least one public hearing during which members of the public can comment on the proposed priorities.

5. Conduct a periodic review of child care programs funded by the Department of Education and the Department of Social Services to determine if identified priorities are being met.

6. Collaborate with representatives of subsidized and non-subsidized programs, the State/Local Children and Families First (Prop 10) Commissions, county welfare departments and human service agencies, job training programs, employers, integrated family service councils, parent organizations and other interested parties to foster partnerships designed to meet local child care needs.

7. Design a system to consolidate local child care waiting lists.

8. Coordinate part-day programs, including State Preschool and Head Start, with other child care services to provide full-day child care.

9. Report to the Board of Supervisors and the Superintendent of Schools annually on the activities of the Council which shall include a report on future planned activities and goals.

10. Submit the results of the needs assessment and local priorities identified by the local planning council to the Board of Supervisors and the County Superintendent of Schools for approval prior to submitting them to the Department of Education.

11. Review and comment on proposals submitted to the Department of Education that concern child care to be provided not within a geographic area covered by the local planning council.

12. Identify at least one, but no more than two, persons from the Council, one selected by the Board of Supervisors and one selected by the Superintendent of Schools, if two are selected, or one person selected by both agencies, to serve as part of the department team that reviews and scores proposals for the provision of services funded through contracts with the Department of Education. Local planning council representatives shall not review and score proposals from the geographic area covered by their own local planning council.

13. Develop and implement a training plan to provide increased efficiency, productivity and facilitation of local planning council meetings. This may include developing a training manual, hiring facilitators and identifying strategies to meet the objectives of the Council.

14. Provide consultation to the State Department of Education and the State Department of Social Services regarding the development of a single application and intake form for all federal and state subsidized child care and development services.

Article IV- Membership

A. Composition of the Council

The Council membership shall be limited to 25 members and, as required by Education Code section 8499.3, subdivision (c), shall be representatives from the following categories:

a. 20 percent child care consumers - a parent or person who receives, or who has received child care services within the last 36 months.
b. 20 percent child care providers - a person who provides child care services and represents the diversity of the types of child care providers in the county.
c. 20 percent public agency representatives - a person who represents a city, county, city and county, or local education agency and who funds, regulates, or monitors the delivery of child care services.
d. 20 percent community representatives - a person who is not a child care provider or represents an agency that contacts with the Department of Education to provide child care and development services.
e. 20 percent appointed at the discretion of the appointing agencies.

1. Reduction in Total Council Membership Resulting in Unbalanced Composition. If at any time any category has more than 20 percent of the total Council membership because the Council voted to reduce the total number of Council members, all members within the category exceeding 20 percent will remain as members (including being eligible for re-appointment) even though the composition of the Council will be unbalanced. If a member in an unbalanced category meets the qualifications for another category where a vacancy exists, then the chair will move the member into the other category where a vacancy exists. If moving a member in an unbalanced category is not possible, then the members of the unbalanced category will remain as members of the unbalanced category until their position becomes vacant, at which time the departing member will not be replaced unless the category would have no more than 20 percent of the total Council membership.

B. Selection of Members

1. Appointments. Pursuant to Education Code section 8499.3, subdivision (c)(2), the Board of Supervisors and the Superintendent of Schools shall each appoint one-half of Council members. Except for re-appointing a current Council member to another term of office, which is to be done by the authority that originally appointed the member to the Council, appointments will be made on an alternating basis as vacancies occur. The first vacancy existing on or after April 1, 2002, will be filled by appointment by the Board of Supervisors, while the next vacancy will be filled by appointment by the Superintendent of Schools, followed by another appointment

by the Board of Supervisors, and so forth. Every effort shall be made to ensure diverse representation; no more than three members from any one agency shall be appointed to the Council. The Council's project coordinator will maintain a record of appointments; ensure that the composition of the Council reflects the requirements in Education Code section 8499.3, subdivision (c); verify Council membership to the California Department of Education; and inform the appointing authorities when a vacancy exists and which appointing authority will fill the vacancy. The Council's Executive Committee shall recommend candidates to the appointing authorities, as provided in Article V, section (C)(4), with the approval of the Council. Every effort shall be made to ensure the composition of the Council represents the ethnic, racial, and geographic distribution of the population of the county as a whole.

2. Expiring Terms and Re-appointments. At least 30 days before a current Council member's term will expire, the project coordinator will (1) notify the member, the Chair of the Board of Supervisors and the Superintendent of Schools that the member's term is about to expire, and (2) inform them which authority originally appointed the member. The appointing authority may re-appoint the current member for another term before the expiration of the current term. If the appointing authority does not re-appoint the member by the expiration of that member's term, then the member will be deemed to be re-appointed and will hold office for another full term, until the appointing authority confirms the re-appointment of the member or the member resigns.

3. Membership Agreements. All Council members, within 30 days of their initial appointment and again within 30 days of any re-appointment, and any applicant being screened by the Executive Committee for possible recommendation for membership pursuant to Article V, section (C)(4), must read and sign the Council's membership agreement described in Article VIII, section (C) of these bylaws.

C. Term of Council Members

The members of the Council shall serve a term of two years, with the exception of the start-up Council, one half of which will serve three years. One half of the members shall be appointed in even-numbered years and one half will be appointed in odd-numbered years to ensure continuity to the Council. Members may serve more than one term but must be re-appointed at the end of two years. There are no term limits. The Council's project coordinator will keep records of the terms of each Council member and will notify the applicable appointing authority and the member at least 30 days prior to the expiration of a Council member's term to allow the appointing authority to consider re-appointing the member pursuant to the procedure set forth in subdivision (B)(2) of this section. The project coordinator will at the same time send a copy of such notice to the authority that did not appoint the member whose term is about to expire.

D. Vacancies

1. Vacancies. The Chair of the Council or the project coordinator shall notify the Board

of Supervisors and the Superintendent of Schools when a position becomes vacant, whether due to resignation, death, removal, expiration of a Council member's term without re-appointment or some other cause. Notices of unscheduled vacancies shall be posted pursuant to Government Code section 54974. Members of the Council may assist with the solicitation of nominations received, and the Executive Committee may review prospective members and make recommendations with approval of the Council regarding their appointment to the Board of Supervisors and Superintendent of Schools, who will then make the appointment following the procedure set forth in paragraph (B)(1) of this section. A list of persons interested in being nominated to the Council shall be kept as a pool for future appointments. The replacement Council member shall complete the term of the vacating member.

2. Resignation. Any member of the Council may resign by giving written notice to the Chair of the Council. The written resignation shall be forwarded to the Clerk of the Board of Supervisors and to the Superintendent of Schools. A vacancy created by resignation of a member will be filled following the procedure set forth in paragraph (B)(1) of this section.

3. Removal. All Council members shall serve at the pleasure of, and be removed at any time with or without cause by, the Board of Supervisors if it appointed the Council member in question or by the Ventura County Superintendent of Schools if he or she appointed the Council member in question. Upon approval of the Council, the Executive Committee of the Council shall recommend removal of a Council member to the authority that appointed the member if the member has violated any of the Council's bylaws. A vacancy created by removal of a member will be filled following the procedure set forth in paragraph (B)(1) of this section.

E. Attendance

1. Council members are expected to attend all regularly scheduled Council meetings.

2. Any member who fails to be in attendance at three (3) consecutive Council meetings or four (4) meetings total within a fiscal year shall be referred to the Executive Committee. The Executive Committee may recommend removal of the Council member and pursue a replacement from the Board of Supervisors or Superintendent of Schools following the procedure set forth in paragraph (B)(1) of this section.

Article V- Committees

A. In General. The Council may establish committees, on either a permanent or temporary basis, to address child care issues and concerns. Committees may also include persons not on the Council, but any committee must include at least one Council member. Council members shall actively serve on at least one committee on a continual basis. Alternates may attend committee meetings in the member's absence. Each committee will be chaired by a Council member. All Committee meetings will be open and public and subject to the Brown Act.

B. Chairpersons. Chairpersons of each committee shall be selected at the beginning of each fiscal year by the committee, except that the Chair of the Council will also be the Chair of the Executive Committee.

C. Executive Committee. The Council will establish an Executive Committee. The Executive Committee shall consist of the Council's chairperson, vice-chairperson, immediate past Chair, and Chairpersons of all standing committees. All Executive Committee members must be current Council members. If any committee has co-chairs, each co-chair will be a member of the Executive Committee, but each committee shall have no more than one vote. The Director of Health Programs in the Superintendent of Schools Office and the CCPC project coordinator shall serve as ex-officio members on the Executive Committee. The Executive Committee is delegated the power to act for the Council between meetings of the membership. Such actions shall be in accordance with state guidelines and these bylaws, and will be reviewed at the next Council meeting.

The Executive Committee has responsibility for:

1. Council budget oversight.
2. Providing input about the selection and performance of the project coordinator to the Director of Health Programs in the Superintendent of Schools Office.
3. Governance of the Council, to include but not limited to oversight of mandates, Strategic Plan and special projects.
4. Review of membership agreements and recommendations for appointment, re-appointment and removal of members and prospective members.

A majority of the Executive Committee shall constitute a quorum of the Executive Committee.

Article VI- Meetings

A. Regular meetings. The Council shall meet a minimum of 10 times per year. The date, time and place of regular meetings will be established by agreement of the Council. Meetings are open to the public. All Council meetings shall be called, noticed, held, and conducted in accordance with provisions of the Ralph M. Brown Act.

B. Committee meetings. The Chair of a committee shall call meetings as necessary to accomplish set tasks. Each member of the committee will be given adequate notice of such meetings.

C. Special meetings. The Chair of the Council may call special meetings at any time.

D. Quorum. A majority of the total current Council membership shall constitute a quorum for official business. The quorum is based on the number currently seated on the Council.

E. Robert's Rule. All Council and committee meetings are governed by Robert's Rules of Order, latest revised edition.

F. Notice and Agenda. At least seventy-two (72) hours prior to each regular meeting, notice of and an agenda for the regular meeting will be sent to each Council member and to each member of the news media and to each other person who has submitted a written request to the Council for notification of meetings. Notice will also be posted at least seventy-two (72) hours prior to the regular meeting at a location that is freely accessible to the public. Notice for special meetings will be given in the same manner as notice for a regular meeting when possible but in any event no later than twenty-four (24) hours before the time of the special meeting. The agenda for all meetings will contain a brief description of each item of business to be transacted or discussed at the meeting and will also contain a listing of all written correspondence received by the Council since preparation of the agenda.

G. Conduct of Business. Items on the agenda will be considered in the order they appear unless the Chair, at his or her discretion, announces a change in the order of consideration.

H. Project Coordinator Responsibilities. The project coordinator will: give notice of all regular and special meetings of the Council and of all committee meetings; prepare agendas for each Council and committee meeting under the direction of the Chair; and prepare and maintain the minutes of each meeting of the Council.

Article VII- Voting

A. Members must be present to vote at any Council or committee meeting. Any correspondence germane to the agenda from excused absent members is to be read and considered as part of the discussion.

B. Quorum. No act of the Council will be valid unless a majority of those members constituting a quorum concur on the act in question.

C. Voting verbally or by show of hands on any matter except an election is acceptable unless a Council member requests a roll call vote be taken.

D. Records shall be kept of action and roll call vote.

Article VIII – Conflicts of Interest and Responsibilities of Council Members

A. Conflicts of Interest. No member of the Council shall participate in a vote if he or she has a proprietary interest in the outcome of the matter being voted upon.

All members will be subject to state and federal laws pertaining to conflicts of interest.

B. Qualifications. Every Council member or prospective member must be of good moral character to continue to be a member or to be considered to be a member of the Council. Among other things, possessing good moral character means that a member or prospective member cannot have been convicted of any crime (felony or misdemeanor) involving harm, neglect, or danger to children or the exploitation of children. If any member or prospective member does not meet the requirements of this section at the time of or after their appointment to the Council, then the Executive Committee may recommend to the appointing authority that the member be removed or that a prospective member not be appointed.

C. Membership Agreement. Each new member, and any applicant being screened by the Executive Committee for possible recommendation for membership, must read and sign a membership agreement. The membership agreement will include statements (1) acknowledging that the member or prospective member has read and will abide by the Council's bylaws; (2) declaring that the member or prospective member currently meets the requirements of section (B) of this article; (3) agreeing that if a conflict of interest arises in a matter before the Council or if the member or prospective member's ability to meet the requirements of section (B) of this article changes, then the member or prospective member will immediately inform the Chair of the Council; (4) verifying that the member or prospective member represents the category of membership provided in Article IV, section (A) to which they are or will be assigned and agreeing that they will immediately notify the Chair of the Council if their ability to represent the category of membership changes; and (5) agreeing to serve on at least one committee. Whenever a current member is re-appointed for another term, the member will read and sign a new membership agreement.

D. Role of Executive Committee. The Executive Committee may evaluate prospective members to the Council and make a recommendation pursuant to Article IV, sections (B)(1) and (2) regarding appointment to the Board of Supervisors or the Superintendent of Schools. Upon approval of the Council, the Executive Committee shall also recommend removal of a current Council member to the authority that appointed that member if the member has violated any of the Council's bylaws.

Article IX- Officers

A. The officers of the Council shall consist of chair and vice-chair. These officers shall be selected by majority vote from the membership present at the July meeting of the Council every year and shall serve one fiscal year. Officers may be re-elected.

B. It shall be the duty of the chair and/or-vice chairpersons to call meetings, set the agenda, preside over meetings of the Council, and consult with the project coordinator regarding the project coordinator's duties and actions and in ensuring that the Council is operating under and following these bylaws. In addition, the chair of the Council will be chair of the Executive Committee.

C. At the conclusion of term, the Chair, if not re-elected as Chair but if still serving as an

active member of the Council, shall be a member the Executive Committee as immediate past Chair.

Article X - Appointment of Members to Outside Commissions, Councils and Boards

A. **Process.** Whenever the Council is required or is offered to name one if its members to serve on another commission, council or board, members may submit a letter to the Chair detailing the member's interest in being appointed to serve on the commission, council or board. The member who will serve as the Council's representative to such an outside entity will be selected at a Council meeting by a majority vote of those members constituting a quorum.

B. **Vacancies.** If the member chosen to serve on an outside commission, council or board does not fulfill his or her entire term on such an entity, the Council will vote to select another member who will serve the remainder of the term using the procedure detailed in subdivision (A) of this Article.

C. **Re-Appointment**. At the end of a Council member's term in an outside commission, council or board, the Council will hold a vote to select its representative to such an outside entity using the procedure detailed in subdivision (A) of this Article. Nothing prohibits a member from being re-appointed to serve on the same outside entity.

D. **Removal.** Any Council member chosen to serve on an outside commission, council or board may be removed by a majority vote of the Council as a whole.

Article XI - Project Coordinator

A. **Selection.** The Superintendent of Schools will provide one of his or her staff members to serve as the project coordinator for the Council. The project coordinator will consult with the chair and vice-chair regarding the Council's business and in ensuring that the Council is operating under and following these bylaws.

B. **Duties.** The project coordinator's duties will include, but not be limited to, fulfilling the duties required by the Director of Health Programs in the Superintendent of Schools Office; giving notice of all Council and committee meetings; preparing an agenda for each Council and committee meeting under the direction of the Chair; maintaining a record of Council membership, including who appointed each member, each member's term of office, each member's committee membership, each member's membership agreement and each member's attendance at meetings; maintaining a record of all members appointed by the Council to serve on an outside commission, council or board and notifying members when such an appointment is needed or about to expire; ensuring that the composition of the Council reflects the requirements of Education Code section 8499.3, subdivision (c); verifying Council membership to the California Department of Education; preparing and maintaining the minutes of each Council

meeting; preparing a report to the Board of Supervisors and Superintendent of Schools annually on the activities of the Council; notifying the applicable appointing authority at least 30 days prior to the expiration of a Council member's term; and maintaining all Council records in the Council's office located in the office of the Superintendent of Schools.

Article XII- Bylaws

A. Adoption of Bylaws - these bylaws shall become effective upon approval of the Council with notification to the Board of Supervisors and the Superintendent of Schools.

B. Amendments to Bylaws - These bylaws may be amended by an affirmative vote of a majority of Council. All amendments must be approved by the Council, with notification to the Board of Supervisors and the Superintendent of Schools and to the California Department of Education, Child Development Division.

Amendment:
Article VII- Voting, Item A. correction and amendment approved September 10, 2002

RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA ESTABLISHING A VENTURA COUNTY COMMISSION FOR WOMEN

WHEREAS the Board of Supervisors has been requested to establish a Commission for Women;

WHEREAS a Commission for Women would be a means by which individuals and the many women's organizations in Ventura County could report to the Board of Supervisors on conditions affecting the lives of women;

WHEREAS the Commission for Women would serve the Board of Supervisors in an advisory capacity; and

WHEREAS the Commission for Women would study any conditions demonstrating discrimination due to sex or marital status; would provide a coordinating function with respect to the many community groups working to improve the quality of life for women; and would perform work assigned by the Board of Supervisors;

NOW, THEREFORE, BE IT RESOLVED, DETERMINED AND ORDERED as follows:

That the organization responsible for reviewing, analyzing and making recommendations to the Board of Supervisors on issues related to women shall be titled the Ventura County Commission for Women, and shall be composed of three Commissioners appointed by each of the five Supervisors.

BE IT FURTHER RESOLVED that the Commissioners shall, to the extent possible, be reflective of the diversity of lifestyles in Ventura County; that each Commissioner shall serve at the discretion of the appointing Supervisor; that the Commission for Women shall meet at least once a month; that any by-laws adopted by the Commission shall be approved by the Board of Supervisors prior to implementation; that an annual program plan and operating budget shall be submitted to the Board of Supervisors at the same time required of other County agencies and departments; and that any changes to the program plan or operating budget must adhere to the same policies and procedures required by the Board of Supervisors of all County departments and agencies.

THE FOREGOING RESOLUTION was duly and regularly adopted by the Board of Supervisors of the County of Ventura, California, on the fourteenth day of July, 1981.

Dear Ms. Erickson,

I have recently become aware that the County of Ventura doesn't have a Commission on the Status of Women. Since the majority of the population are women and are faced with unique problems needing unique solutions, I am strongly urging the Board to establish such a Commission.

I would also appreciate being advised as to when the Board intends to consider this establishment so that I may support its adoption in person.

Thank you.

Sincerely,

Dear Supervisor Erickson:

We have recently become aware that the County of Ventura does not have a Commission on the Status of Women. Since the majority of the population are women and are faced with unique problems not easily seen for which solutions may also be unique, we are strongly urging the Board to establish the Commission.

Enclosed is a resolution recently passed at the board meeting of the Ventura County Branch (AAUW). Our members are interested in learning when the Board of Supervisors will again consider establishing a Ventura County Commission on the Status of Women so that we may personally support its adoption.

Sincerely,

Laura King

League of Women Voters of Ventura County

Statement to Ventura County Board of Supervisors
Re: Commission on the Status of Women
By: League of Women Voters of Ventura County, Marion Schillo, Pres.

Members of the League of Women Voters of Ventura County strongly support the creation of a Commission on the Status of Women as part of our county government. The Commission would act as an information center, correlating information from many sources on matters pertaining to women. The Commission would bring recommendations and positive solutions to the Board of Supervisors regarding programs, policies and legislation that affect women. The aim would be to insure equal rights and equal opportunities for all women in Ventura county.

In planning to meet the needs of all its citizens, government must recognize the unique alterations that have occurred in women's lives. These are not fads or trends, but are serious and permanent changes. For example, the divorce rate and the increase in the number of unwed mothers have meant overwhelming change for the American woman.

In Ventura county in 1970 11.1% of all families were headed by a woman. The median earnings for a woman in the county were $3,700 per year. 44% of the women in the county were working--the vast majority because of economic necessity. The issue for them was not raising their standard of living or buying "extras"; the issue was food and housing for their families.

These are 1970 census statistics. It will be interesting to note the new figures when the results of the 1980 census become available in the coming weeks.

Women in their new roles in society face tremendous obstacles. Many of their problems could be alleviated by a concerted effort to recognize that problems exist, and implementing plans to solve them. The Commission on the Status of Women would bring together the efforts of public and private agencies to do this.

We urge you to support the proposal for a commission so that women in Ventura county can reach their full potential as individuals and as citizens.

Subject: Ventura County Commission for Women

Honorable Board Members:

The Ventura Business and Professional Women's Club wishes to take this opportunity to encourage your Board to approve the establishing of a Commission for Women in Ventura County. We are proud to join the 16 other groups who have previously shown support for the establishing of this most important Commission.

As the Federation of Business and Professional Women's Clubs is representative of women in business and the professions, our membership believes strongly that the establishing of a Commission for Women is compatible with our goals, which are as follows:

> To elevate the standards for women in business and in the professions;
>
> To promote interests of business and professional women;
>
> To bring about a spirit of cooperation among business and professional women of the United States;
>
> To extend opportunities to business and professional women through education along lines of industrial, scientific, and vocational activities.

The Ventura Business and Professional Women's Club appreciates the opportunity to address your Board on this most important issue. Our membership is committed to participating in the Commission's projects as outlined in the proposal being considered before your Board.

Sincerely,

Carolyn Lasley
President

BOARD OF SUPERVISORS, COUNTY OF VENTURA, STATE OF CALIFORNIA

TUESDAY, JULY 14, 1981, AT 8:30 O'CLOCK A. M.

205.200

This is the time and date set for consideration to establish a Commission for Women, after hearing testimony and discussion, upon motion of Supervisor Lacey, seconded by Supervisor Erickson, and duly carried, the Board hereby approves the establishment of a Commission for Women, and financing for organizational development and child care resources development project for the amount of $8,795.00; the corresponding accounting transactions necessary will be presented during final budget hearings at which time the final decision on budget will be made:

county of ventura

CHIEF ADMINISTRATIVE OFFICE
Richard Wittenberg
Chief Administrative Officer

Robert C. Hirtensteiner
Assistant Chief Administrative Officer

July 14, 1981

Board of Supervisors
800 South Victoria Avenue
Ventura, CA 93009

Subject: Ventura County Commission for Women

RECOMMENDED ACTION:

1. That your Board determine if a Ventura County Commission for Women should be established.

2. That your Board determine if the program budgets included herein merit funding by the County General Fund.

3. That your Board direct the Chief Administrative Office to take any action necessary to implement the policy adopted by your Board.

DISCUSSION:

On May 12, the Ventura County Women's Equity Coalition requested a study session with your Board concerning establishment of a Ventura County Commission on the Status of Women. At that time your Board directed the Chief Administrative Office to meet with representatives of the Ventura County Women's Equity Coalition to discover the scope and intent of the request, and to report back to your Board. Since that time staff has had discussions with your Board concerning that scope and intent; has communicated with several Commissions in California; and, with information provided by members of the Ventura County Women's Equity Coalition, has developed specific work programs and budgets associated with (1) organizational development of the Commission, (2) a Child Care Resources Development Project, and (3) an Information Dissemination Project. In addition, a resolution creating the Commission has been written for your consideration.

Basis of Request to Establish a Commission

The Ventura County Women's Equity Coalition, created in 1979 to form a network of information for and about women, has requested formation of a County Commission on the Status of Women so the women of Ventura County might become part of the larger network of state and national Commissions on the Status of Women, and benefit from the resources that the larger networks provide. Equally, such a commission would purport to provide a framework

within which the resources of the many women's organizations in Ventura County might merge and thereby deal with identified problems in a more coordinated and efficient manner. In addition, such a commission would provide a channel through which the women of Ventura County could approach your Board and through which your Board could request assistance in information gathering, issue analysis and problem solving.

As your Board is aware, the socio-cultural change that has taken place during the last two decades has resulted in men and women assuming a combination of responsibilities that heretofore were associated with only men or only women. More than any other factor, responsibility for economic self-sufficiency has required women to reassess not only the careers and job options available, but also the best means to acquire the education, employment opportunities, child care, transportation and other support necessary to make that economic self-sufficiency a reality. As a response to those growing needs, Commissions on the Status of Women have been established nationwide. Today's request is a reflection of the nationwide need and is a local response by women to not only increase the options available to them, but also to work on problems affecting the quality of life for all the residents of Ventura County.

Arguments Supporting and Opposing Establishment of a Commission for Women

Arguments in Opposition:

1. Creation of a Commission for Women might set a precedent for recognition by the Board of other special interest groups.

2. FY 1981-82 will be the most economically austere year in recent history and allocation of any resources to any new group would be at the expense of ongoing programs or other new programs.

3. A Commission for Women might elicit a reaction from the residents of Ventura County that the Board of Supervisors is endorsing a particular philosophy with regard to women.

4. Creation of a Commission for Women might create expectations on the part of women that the Board of Supervisors would continually support the Commission once established.

Arguments in Support:

1. Because FY 1981-82 will be the most economically austere year for the County of Ventura in recent history and because many previously funded social programs will be reduced or eliminated, alternative methods of service delivery and coordination of existing human resources through a centralized organization might prove to be of great cost-benefit.

2. Fiscal austerity at the federal and state levels may become the basis for a reduction in the commitment to equal opportunity for women. Establishment of a County Commission for Women would provide a focus for work toward equal opportunity, would promote work toward specific program accomplishments, and would provide a viable working unit independent of federal or state Commissions.

3. A Commission for Women would bring together the professional resources of women toward the solution of problems at minimal cost to the County.

4. Through its network of supporting organizations, a Commission for Women could keep the Board of Supervisors informed of public and private resources available and issues impacting County government and other public entities.

Proposed Accomplishments of a Commission

Reflecting your Board's concern that any activity proposed for a Commission be directed toward specific and demonstrably beneficial products, and reflecting the Chief Administrative Office's recommendation that any appropriation result in cost efficiencies and benefits, three projects and associated budgets are presented for your consideration. The work to be performed in each, with the exception of clerical support, would be done by Commission members or volunteers from other women's groups; the Commission would be a working Commission.

I. Organizational Development of Commission

GOAL: Development of a Ventura County Commission for Women

MEASURABLE OBJECTIVES: Organizational Development

- Commission meets monthly to develop internal organizational structure.
- Commission establishes relationship with State Commission on the Status of Women.
- Commission establishes a communication network with women's groups throughout Ventura County.
- Commission establishes communication with professional societies, chambers of commerce, schools and other groups designated by Board of Supervisors.
- Commission forms task forces to work on problems as directed by the Board of Supervisors.
- Commission performs legislative analysis as directed by the Board of Supervisors.
- Commission establishes an office where the public may visit/call and where information is available or may be requested.
- Commission provides minutes of monthly meetings to the Board of Supervisors, Chief Admininstrative Office, Public Social Services Agency, cities, women's organizations, public libraries, the press and other interested groups.
- Commission publishes a bi-monthly newsletter for distribution countywide.
- Commission prepares an Annual Report to the Board of Supervisors detailing program accomplishments and accounting of funds.

II. CHILD CARE RESOURCES DEVELOPMENT PROJECT

GOAL: To identify existing child care resources and develop a countywide child care resource network.

MEASURABLE OBJECTIVES:

- Development of Project Report to Board of Supervisors on findings and outcomes of project.
- Development of an inventory of existing child care resources/ facilities.
- Development of "Foster Grandparent" - type child care as an alternative to congregate-site facility care.
- Analysis of existing child care licensing standards.
- Financial analysis of child care with respect to requirements in facilities, skilled providers and transportation.
- Development and provision of "hot line" consumer information on child care, referrals and follow-up evaluations of inventoried providers.
- Performance of financial analysis of cost effectiveness and cost benefits of employer-provided child care.
- Meetings with industry and other large businesses concerning employer-provided child care.
- Work with Private Industry Council on transportation/child care as a barrier to employment to women on welfare.

In reviewing the projects proposed for consideration by your Board, the Chief Administrative Office finds merit in the Organizational Development and Child Care Resource Development components previously described. As noted, establishement of a Commission for Women would provide the potential for resource coordination and problem-solving on a countywide level, and would, in addition, provide the basis for developing child care resources as a means of enhancing the employability and productivity of women whose economic well-being requires work outside the home.

The Information Dissemenation Project is not recommended for funding. If your Board finds that a Commission for Women should be established, it is the thought of the Chief Administrative Office that any effort expended during a first year of operation would best be aimed at organizational development and one major special project. Information dissemination is currently available through many social agencies and this proposal is considered duplicative.

Your Board should note that the program budgets presented for the Child Care Resource Development Project and Information Dissemenation Project are adjuncts to the budget associated with the Organizational Development Proposal. The Organizational Development proposal should be considered as the basic increment, with the Child Care Resource Development and Information Dissemination projects as supplements. To that end, the Chief Administrative Office is prepared to present final budget change requests detailing each of the three proposals. Those requests could be presented to your Board at the budget hearings beginning July 27, at which time your Board could make a final decision on the amounts to be funded during FY 1981-82.

If your Board has any questions regarding this letter or if additional information is needed, please contact the undersigned at extension 2862.

A list of organizations supporting establishment of a Commission for Women is attached for your information.

Sincerely,

RICHARD WITTENBERG

Ventura County Commission for Women

BYLAWS

Article 1
Name

The name of the Commission established by the Ventura County Board of Supervisors on July 14, 1981, shall be the Ventura County Commission for Women, herein after referred to as the "Commission."

Article 2
Mission Statement

The Ventura County Commission for Women encourages, supports and facilitates the empowerment and education of Ventura County Women.

Article 3
Purpose

The Commission shall serve in an advisory capacity to the Board of Supervisors as follows:

A. Make recommendations to the Board of Supervisors on issues impacting and/or relating to women and families.

B. Coordinate efforts with federal, state, and local community groups to improve the quality of life for women and families.

C. Conduct additional studies or tasks assigned or approved by the Board of Supervisors.

Article 4
Membership

Section 4.1 Appointment

A. Each Supervisor shall appoint three (3) Commissioners from within the Supervisorial District.

B. The Commission shall be comprised of a total of fifteen (15) members.

C. Each Commissioner shall serve at the pleasure of the appointing Supervisor.

Section 4.2 Attendance

A. Commissioners must be willing to attend regular meetings and serve on committees of, or on behalf of, the Commission.

B. Notice of absence must be given to the Chair at least 24 hours prior to the meeting.

Section 4.3 Recommendation for Removal

A. Recommendation for removal may be made when the bylaws have been knowingly violated or as a result of three (3) absences from regular monthly meetings during each year, beginning on July 1.

B. Recommendation for removal must be approved by a majority vote of the Commissioners in attendance at the meeting during which the removal is recommended.

C. Upon Commission approval, a written recommendation will be submitted to the appointing Supervisor, with a copy to the Commissioner recommended for removal.

D. Vacancies on the Commission shall be filled in a timely manner by the Supervisor of the district in which the vacancy occurred.

Article 5
Officers

Section 5.1 Executive Committee

A. The Executive Committee shall be a five (5) member board comprised of one representative from each Supervisorial District.

B. The three (3) Commissioners from each Supervisorial District shall meet in June, prior to the annual July meeting, to select their representative to the Executive Committee.

C. The Executive Committee shall consist of a chairperson, a vice-chairperson, a treasurer, a recording secretary and a corresponding secretary.

D. All officers shall be elected from among the Executive Committee members by a majority vote of all Commissioners present at the July meeting and shall serve a term of one year.

E. Should the Chair be unable to fulfill her term, for any reason, the position will be filled by the Vice Chair for the remainder of the term of office. Should any other vacancies occur on the Executive Committee, one of the remaining Commissioners from the district in which the vacancy occurred will be nominated to fulfill the term of office. The position must be confirmed by a majority vote of Commissioners present at the meeting in which the nomination was made.

F. The Executive Committee shall be responsible for preparing the agendas for monthly Commission meetings which shall be distributed in accordance with the requirements of the Brown Act.

Section 5.2 Responsibilities of the Chair

A. Shall preside over all Commission meetings and provide direction in the management of the day-to-day operations of the Commission.

B. May call special meetings in accordance with the Brown Act and the Open Meeting Laws of the State.

C. Shall serve as the spokesperson for the Commission or designate another member of the Commission to act as spokesperson.

D. Shall serve as an ex-officio member of all subordinate committees of the Commission.

Section 5.3 Responsibilities of the Vice Chair

A. Shall assume the duties of the Chair in that person's absence or when called upon to do so.

B. Shall serve as parliamentarian at monthly Commission meetings.

Section 5.4 Responsibilities of the Treasurer

A. Shall administer the Commission's checking account, requiring two signatures, one of which shall the Treasurer's signature; the other being the Chairperson or another member of the Executive Committee. All expenditures must be authorized by a two0thirds (2/3) vote of the Commissioners present at the meeting at which the expenditure is discussed.

B. Shall present a monthly finance report for each regularly scheduled Commission meeting.

C. Shall monitor the financial transactions of the Commission.

D. Shall process all authorized expenditures and submit copies of monthly bank statements to the Chair.

E. Shall chair ad hoc Finance Committee on an as-needed basis.

Section 5.5 Responsibilities of the Recording Secretary

A. Shall record, retain and distribute minutes of all regular Commission Meetings.

B. Shall distribute Commission meetings notification and agendas in accordance with the Brown Act and Open Meeting Laws.

C. Serve as the custodian of records and documents, including minutes, bylaws, standing rules, committee reports and other information the Commission shall deem appropriate.

Section 5.6 Responsibilities of the Corresponding Secretary

A. Conduct all correspondence of the Commission at the direction of the Chair, Executive Committee and Commissioners.

B. Serve as custodian of all correspondence directed to and from the Commission.

Article 6
Organization and Meetings

Section 6.1 Standing and *Ad Hoc* Committees

A. The Commission shall appoint Standing and *Ad Hoc* committees as necessary to achieve the goals and objectives established by the Commission.

B. Establishment of Standing or *Ad Hoc* committees shall require a majority vote of the members present at the meeting during which the committee is discussed.

C. Committees must have at least three (3) Commission members actively participating in order to remain active.

D. Standing Committees are defined as those committees charged with ongoing responsibilities.

E. *Ad Hoc* committees are established to coordinate a specific project to completion.

F. Membership on all committees shall be voluntary.

G. Standing and *Ad Hoc* committees may include members other than Commissioners.

H. The Chair of each committee shall be a Commissioner.

I. The Committee Chair will be responsible for reporting and/or maintaining and distributing the activities/minutes of committee meetings to the Commission.

Section 6.2 Meeting

A. The Commission shall meet monthly. For rescheduled meetings, the Commission shall give the public ample notice, in accordance with the Brown Act.

B. All meetings shall be conducted in accordance the Brown Act. This includes study sessions and other informal conferences, but will not normally apply to social gatherings.

C. A quorum shall be a majority of the appointed Commissioners. Official meetings take place whenever a quorum is present. This includes study sessions and other informal conferences but will not normally apply to a social gathering.

D. The annual meeting of the Commission will be held in July, at which time the officers shall be elected.

E. Items may be placed on the Agenda by Commissioners no later than ten (10) days prior to the next regularly scheduled meeting. Items received after that date will be placed on the next regular meeting Agenda. Every Agenda shall include the following:

1. Call to order
2. Roll Call
3. Adoption of the Agenda
4. Public Comment
5. Consent Calendar (Routine matters; no discussion necessary)
6. Order of Business (Committee Reports, Policy Items, etc.)
7. Informational Items (Information only; no action required)
8. Commissioner Discussion
9. Adjournment

Section 6.3 Conflicts of Interest

A. No Commissioner shall make, participate in making, or in any way attempt to use an official position to influence the decision of the Commission in which the Commissioner has a financial interest.

B. Conflict of Interest does not generally exist when the Commissioner's financial interest is affected no more than the financial interest of other members of the public.

C. Any Commissioner who has a doubt as to whether or not there is a financial interest in any decision before the Commission should contact the County counsel for an option prior to the time required to make a decision.

Section 6.4 Bylaws

A. Amendments must be submitted in writing on the regular agenda of the Commission.

B. Amendments require a 2/3 vote of seated Commissioners

C. Recommendations to amend the bylaws will be forwarded to the County of Ventura for presentation to the Board of Supervisors for formal approval.

Article 7
Parliamentary Authority

The rules contained in the current edition of *Roberts Rules of Order, Current Edition*, shall govern the Commission in all cases to which they are applicable and in which they are not inconsistent with these bylaws and any special rules of order the Commission may adopt.

BY-LAWS OF COMMUNITY ACTION OF VENTURA COUNTY, INC.

ARTICLE I
NAME

A. The name of this private, nonprofit organization shall be Community Action of Ventura County, Incorporated.

B. The organization may also do business as Community Action of Ventura County Inc., The Commission on Human Concerns and/or the Ventura County Commission on Human Concerns.

C. Whenever it is desirable to abbreviate the name of this organization, the initials CAVC shall be considered in every way the equivalent of the legal name of the organization.

D. This corporation is organized pursuant to the General Non-Profit Corporation Laws of the State of California.

ARTICLE II
PURPOSE (MISSION)

Community Action of Ventura County, Inc. is a non-profit community action agency helping people through programs, which promote dignity through self-sufficiency with the aid of private, businesses and individuals, and federal, state and local support.

Community Action of Ventura County, Inc. acts to achieve this mission by developing programs that provide advocacy, community service, community development, and economic development in seven categories: education, employment, environment, health care, housing, food, and coordination of services.

To provide assistance to those in need Community Action of Ventura County Inc. will:

A. Act as the community action agency for Ventura County, as defined by state and federal law.

B. Participate in area-wide planning concerning advocacy, community services, community development and economic development.

C. Establish and maintain social welfare and social service programs to implement effective advocacy, community services, community development and economic development.

D. Advocate for and facilitate the provision of decent housing that is affordable to low- and very low-income persons.(4/01)

E. Educate the community about the need for social welfare and social service programs.

F. Use public and private resources effectively and efficiently in order to provide the greatest amount of service for individuals and families in the community.

ARTICLE III
POWERS

The membership of this Corporation is the same as that of the governing body. The membership of this corporation is the same as that of the Board of Directors. The management and control of this corporation shall be vested in the Board of Directors, hereinafter referred to as the "Board."

The Board will:

A. Determine, in accordance with appropriate state and federal regulations, policies governing the ends to be achieved by Community Action of Ventura County, Inc. policies outlining Executive limitations, policies governing Board-Executive relationship, and policies governing Board process and procedure.

B. Enforce compliance with conditions of all funded programs.

C. Select an auditor to perform fiscal audits; and to be the prime recipient of the audit report.

D. Formally hire, evaluate, and terminate the Executive Director.

E. Select its own officers, Executive Committee, and Ad Hoc Committees.

F. Monitor and evaluate all programs.

G. Seat new members.

H. Accept resignations of Board members.

I. Borrow money and incur indebtedness on behalf of the corporation and cause to be executed and delivered for the corporation's purpose, in the corporate name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecations, and other evidences of debt and securities.

ARTICLE IV
STRUCTURE

There are fifteen (15) members of the Board. The Board's fifteen (15) members are comprised of the following three (3) sectors:

(1) One-third are elected public officials or their representatives;

(2) At least one-third of the members are persons chosen in accordance with democratic selection procedures adequate to assure that they are representative of the low-income in the area served, each to be elected from his/her respective Supervisorial District;

(3) The remainder are appointed, each by a separate, recognized and concerned broad based community organization whose primary concern is with low-income persons, such as: officials or members of business, industry, labor, religious, welfare, private education, other representative groups of the low-income, significant minority groups or other major private groups and interests in the community.

A. PUBLIC SECTOR (5 seats)

The Ventura County Board of Supervisors may select five (5) elected public officials to serve on the Board. In doing this they may act individually or as a group and they must certify these appointments to the Board. In the event that there are not enough elected public officials reasonably available and willing to serve on the Board, the Board of Supervisors may select appointed public officials to serve on the Board. Both the elected and the appointed public officials to serve on the Board shall have either general government responsibilities or responsibilities which require them to deal with poverty-related issues. They may not be officials with only limited, specialized, or administrative responsibilities. They shall have full authority to speak for the public official. This representative is not an alternate, and may not him/herself select an alternate. If the public officials, both elected and appointed, who are willing to serve do not comprise one-third of the Board, then the remainder of the seats allotted to public officials shall remain vacant. However, the Board of Supervisors may fill these seats at any time, as soon as an official is willing to sit on the Board.

B. LOW-INCOME SECTOR (5 seats)

1. Each of the five (5) representatives of the low-income to the Board shall be chosen in accordance with democratic selection procedures adequate to ensure that they are representatives of the low-income in the area served, each to be chosen from their respective Supervisorial District. They need not be low-income themselves, but the selection procedure shall be adequate to ensure that they represent the low-income. However, preference will be given to low-income and/or homeless candidates. These representatives of the low-income shall be selected to represent the low-income in the Supervisorial District where they reside.

2. Selection procedures which may be used, either alone or in combination, are the following:

    a. Nominations and elections, either within neighborhoods or within the community as a whole;

    b. Selection at a meeting or conference of low-income persons when date, time, and place have been adequately publicized;

    c. Selection on a small areas basis (such as a city block) of representatives who, in turn, select members for the Board.

This list is not intended to limit the variety of selection procedures which may be used. Any democratic selection procedure which assures maximum feasible participation of the low-income is potentially acceptable.

3. No selection procedure will be held on Sabbath Day which is observed as a day of rest and worship by the residents of the area served.

4. The Ventura County Board of Supervisors is responsible for establishing and dividing the County into five (5) Supervisorial Districts from which representatives of the low-income shall be elected to the Board.

5. In January of every three (3) years there shall be an Ad Hoc Election Committee appointed by the Board Chairperson and consisting of two (2) or more members of the Board, at least one of whom should be a low-income representative.

6. The Ad Hoc Committee shall determine and implement the process that will be utilized in the election.

7. All channels of communication, including Spanish language translation, will be utilized to inform the residents of the district's upcoming election. (Such communication channels include the press, radio, staff members and CAVC Board members who work or reside in the election districts.)

C. PRIVATE SECTOR *(5 seats)*

1. The Private Sector seats will be balanced between, (a) social service agencies, *and* (b) business and industry of Ventura County. There shall be five criteria for selecting private sector seats:

   a. Are able to provide resources or contribute to the achievement of CAVC's mission, goals and objectives.

   b. Are capable of marshaling community resources toward the mission, goals and objectives of CAVC.

   c. Are able to contribute toward the mission, goals and objectives of CAVC in some other manner.

   d. The organization or business shall have been organized for at least two (2) years prior to the application date and submit evidence to prove this.

   e. Only organization or business which are private, not public, shall be the private sector category.

2. Private Sector Seats may be filled from the following categories of representation:

   a. Industrial employers or associations.

   b. Community groups or organizations which will assist the agency in advancing equality for ethnic and minority groups in Ventura County.

   c. Agricultural employers or associations.

   d. Business employers or associations.

   e. Private charitable organizations or foundations.

   f. Private health care institutions.

   g. Women's organizations.

h. Organized labor and/or employee associations.

i. Private agencies which provide social services to the disadvantaged, minorities, disabled, and/or elderly population of Ventura County.

3. When a private sector seat becomes vacant, the process for filling the seat shall be as follows:

a. The Board will announce the vacancy in local news media and through direct mailing to private sector groups in Ventura County.

b. Potential candidates will be required to complete an application form developed from the general criteria for selecting private sector seats.

c. Participate in an Ad Hoc Committee interview

D. RESIDENCE REQUIREMENT

Each member of the Board selected to represent a specific geographic area within the community must reside in the area which he/she represents.

E. TERMS

1. REPRESENTATIVES OF VENTURA COUNTY BOARD OF SUPERVISORS/PUBLIC SECTOR (five positions) – Each member of the Ventura County Board of Supervisors, or their designated representative, shall be a member of the Community Action of Ventura County Board of Directors. Representatives of the Supervisors shall have full Board powers, shall serve at the pleasure of the appointing Supervisor, and shall serve as long as the appointing Supervisor is holding office. There shall be no term limits for Public Sector representatives.

2. LOW-INCOME SECTOR/REPRESENTATIVES (five Board positions) – Representatives of the low-income sector shall serve three-year terms and no more than three consecutive three-year terms on the Board. If a person is not a member of the Board for one year, he or she shall be eligible for additional three consecutive three-year terms. A Board member, who has served more than one-half of a term, is considered to have served a full term. A Board member, who has served less than one-half of a term, is considered not to have served a term. The phrase "Low Income Sector Representative" applies to an individual.

3. PRIVATE ORGANIZATIONS/PRIVATE SECTOR (five Board positions) – Private organizations shall have three-year terms and not more than three consecutive three-year terms on the Board. If an organization is not a member of the Board for one year, the organization shall be eligible for additional three consecutive three-year terms. A Private Organization, which has served more than one-half of a term, is considered to have served a full term. A Private Organization, which has served less than one-half of a term, is considered not to have served a term. The phrase, "Private Sector Representative" refers to the organization or business and not to the individual who represents that entity.

4. Low Income Sector Representatives and Private Organizations/Private Sector Members shall serve from the date of the annual election for three years or until their successors are elected.

5. All Sector Board members, who have been "termed out" (served three consecutive three-year terms) in the Low Income Sector or the Private Sector, may served additional three consecutive three-year terms in other sectors.
6. In the Private Sector, a Board member, who has represented one organization for up to three consecutive terms, may be selected as a Board member by another organization and serve up to three additional consecutive three-year terms.
7. There shall be no automatic roll-over from one three-year membership term to the next in the Low-Income and Private Sectors. The member must apply to become a candidate and participate in the selection process.
8. The Board shall initiate action six months prior to the ending of a representative/member term to begin the selection process to obtain Board replacements and/or hold elections.
9. A Chart of Terms shall be kept by the Chief Executive Director to track Board representation/membership. If a representative/member resigns, the replacement shall serve only the remainder of that term.

F. ABSENTEEISM

Six absences within the previous past 12 months from the regular meetings shall constitute grounds for immediate removal from the Board by a 2/3rd vote of the actual Board.

G. ALTERNATES

Alternates are permitted to substitute for Board members, except that:

1. Representatives of public officials may not have alternates because they are already acting as agents for public officials.
2. Alternates for representative of the Low-Income must be selected in the same process, which select and designate both their representatives.
3. Private organizations shall select and designate both their alternates.
4. Alternates must be accountable to the same constituency as the representative.
5. An alternate shall assume all the duties and responsibilities when seated in the absence of a regular member.
6. Alternates shall receive notices and minutes of all Board meetings.
7. An alternate shall not serve in place of a regular member as an officer or member of the Executive Committee and other Board committees.

H. VACANCIES

1. If a public seat becomes vacant, the Board shall request the particular designating official to make an appointment to fill the vacancy.

2. If by virtue of resignation, removal, or termination, a Board member vacates a private seat, alternates may fill the un-expired term. If no alternate exists, the organization will be requested to fill the seat. If the seat is not filled within two (2) months, another private organization representative will be selected.

3. If by virtue of resignation, removal, or termination, a Board member vacates a low- income representative's seat, alternates shall fill the un-expired term. If no alternate exists, the remaining representatives of the low-income will select a person to fill the term. The person selected will represent as much as possible the same constituency.

4. Events Causing Vacancy. A vacancy in the Board of Directors shall be deemed to exist on the occurrence of any of the following:

   a. The death, resignation, or removal of any director,

   b. The declaration by resolution of the Board of vacancy in the office of a director who has been declared of unsound mind by a court order or convicted of a felony or has been found by final order or judgment of any court to have breached a fiduciary duty under Section 5230 of the California Nonprofit Corporation Law, or

   c. The vote of the Board members to remove a director, or

   d. The increase of the authorized number of directors.

5. Resignation. Except as provided in this paragraph any director may resign. Resignation shall be effective on the date given in written notice to the chair or secretary of the Board. No director may resign when the corporation would then be left without a duly elected director or directors in charge of its affairs.

6. No Vacancy on Reduction of Number of Directors. No reduction of the authorized number of directors shall have the effect of removing any director before that director's term of office expires.

I. CATEGORIES OF BOARD MEMBERSHIP

There shall be two (2) categories of members:

1. Regular members as outlined in Article IV, Section A, B, C.

   a. Regular member will be seated subject to Board approval.

   b. Prospective regular Board members who have been on staff in the past twelve (12) months will not be seated.

2. Alternate Board members as in Article IV, Section G.

   a. Alternate Board members shall be encouraged to attend regular, *closed sessions,* and special Board meetings, but shall vote only when sitting for the respective Board member.

b. Prospective alternate Board members who have been on staff in the past twelve (12) months will not be seated.

c. Alternate Board Members may not serve as Officers of the Corporation. Each Board Member shall have only one alternate and each alternate shall only serve *for* one Board Member.

3. Board Members who wish to apply for staff positions with CAVC must resign from the Board and their resignation must be accepted prior to their submitting an application for employment.

ARTICLE V
CONFLICT OF INTEREST

Board Members must comply with State and Federal Guidelines regarding Conflicts of Interest.

A. GENERAL LIMITATIONS ON PURCHASES AND RENTALS

1. CAVC or delegate agency shall not obligate or expend any project funds (federal or non-federal share) for a purchase or rental of goods, space, or services if any of the following persons has an interest (as defined in Section C) in the purchase or rental:

   a. A member of the Board

   b. The immediate family of a Board Member.

2. The following shall be considered immediate family members: a spouse, parent, grandparent, sibling, child, in-law or spouse of any of the foregoing categories of relatives, as well as any member of the individual's immediate household whether or not related by blood or marriage.

3. The term "interest" used in Section A of this Article includes the following:

   a. Any direct or indirect financial interest in the specific sales rental transaction, including a commission or fee, a share of the proceeds, the prospect of promotion, a profit, or any other form of financial reward.

   b. Any of the following interests in the business which is supplying goods, space, or services to the purchasing or renting grantee or delegate agency:

      --ownership
      --partnership interest or other beneficial interest of 5% or more
      --ownership of 5% or more of the stock
      --employment as an executive officer
      --membership on the board of directors or other governing board.

4. Members of the Board should note that all kinds of goods and services relating to their programs are affected by the limitations set forth in this Article. Both personal and institutional services are covered. These include banking and other financial services, medical, legal, and other professional services, and management and consultant services, as well as other kinds of skilled and unskilled labor.

B. PROHIBITION AGAINST ACCEPTANCE OF GIFTS AND GRATUITIES

Members of the Board are prohibited from accepting gifts, money and gratuities:

1. From persons receiving benefits or services under any program financially assisted by CAVC, or

2. From any person or agency performing services under contract, or

3. From persons who are otherwise in a position to benefit from the actions of any employee or Board Member.

C. RULES GOVERNING CONFLICT OR INTEREST OR NEPOTISM

1. No person shall hold a job with CAVC or its delegate agencies while he/she or a member of his/her immediate family, as designated in Article V, Section A, paragraph 2, is a member of CAVC Board.

2. No person may sit on the Board who is an officer or an employee of an organization contracting to perform a component of CAVC work program except that no provision of this Article shall prevent CAVC from:

   a. Appointing Board Members of affiliated or Subsidiary Corporation who are also Board Members, officers, or employees of CAVC;

   b. Contracting with affiliated or subsidiary corporations or other related entities on such terms as are acceptable to the Board provided:

      (1) If such entity is an affiliated corporation, CAVC shall have the right to appoint or designate not less than 50% of the directors or Board Members of such affiliated corporation;

      (2) If such entity is a subsidiary corporation, CAVC shall own not less than 50% of the capital stock of such subsidiary corporation;

      (3) If such entity is a partnership or other entity not listed above, CAVC shall have a capital interest in such entity of not less than 25% and a right to participate in management and control of such entity;

c. Entering into joint ventures with entities with which Board members are affiliated, provided the Board Member in question does not participate in making Board decisions regarding the joint venture, that any profits from such joint venture be divided according to the capital contributions and value of efforts expended by the joint venture, and that none of the joint ventures receives a direct financial benefit other than from profit of the venture as a whole.

D. RULES FOR AFFILIATED AND SUBSIDIARY CORPORATIONS

1. *CAVC Bylaws as regarding Conflict of Interest shall apply to* any affiliate corporations regarding conflicts of interest which are substantially identical to the provisions of this Article.

2. Any subsidiary corporation, formed pursuant at Article XIV, shall adhere to the standards of ethics regarding conflicts of interest of officers and directors generally applicable to for-profit corporation.

E. BOARD MEMBER AFFILIATION WITH OTHER ORGANIZATIONS

Board Members who are affiliated with other organizations with conflicting interests shall abstain from all Board votes affecting the issue in conflict in recognition of their fiduciary and ethical responsibilities.

F. CONTRACTS WITH DIRECTORS

1. No director of this corporation, nor any other corporation, firm, association, or other entity in which one more of this corporation's directors or officers are directors or have a material financial interest, shall be interested, directly or indirectly, in any contract or other transaction with this corporation, unless

a. The material facts regarding such director's financial interest in such contract or transaction and/or regarding such common directorship, officer ship or financial interest are fully disclosed in good faith and are noted in the minutes, or are known to all members of the Board prior to consideration by the Board of such contract or transaction, and

b. Such contract or transaction is authorized in good faith by a majority of the Board by a vote sufficient for that purpose without counting the vote or votes of such interested director, and

c. Prior to authorizing or approving the transaction, the Board considers and good faith determine after reasonable investigation under the circumstances that the corporation could not obtain a more advantageous arrangement with reasonable effort under the circumstances, and

d. This corporation enters into the transaction for its own benefit, and the transaction is fair and reasonable to this corporation at the time the transaction is entered into.

2. The provisions of this section do not apply to a transaction which is part of a public or charitable program of the corporation if it:

   a. Is approved or authorized by the corporation in good faith and without unjustified favoritism;

   b. Results in a benefit to one or more directors or their families because they are in the class of persons intended to be benefited by the public or charitable program of this corporation.

G. LOANS TO DIRECTORS

The corporation shall not make any loan of money or property to, or guarantee the obligation of, any director unless approved by the Attorney General of the State of California; provided, however, that the corporation may advance money to a director of the corporation for expenses reasonably anticipated to be incurred in the performance of the duties of such director provided that in the absence of such advance, such director would be entitled to be reimbursed for such expenses by the corporation.

ARTICLE VI
OFFICERS OF THE BOARD

Officers of the Board consist of the Chairperson (chairs the Board and the Executive Committee), the Vice-Chairperson and the Secretary/Treasurer and other such officers as the Board may designate by resolution.

No officer shall serve in the position for more than three (3) consecutive terms of one (1) year each. Election of each officer is by roll call at the regular July monthly meeting of the Board. A nominating committee may be appointed by the Chairperson at the June Board meeting. Less than a six (6) month term of service shall not constitute a full term. The removal of a Board Officer will require a 2/3 vote of the Board membership, excluding vacancies.

A. CHAIRPERSON (or PRESIDENT)

Presides over meetings of the Board and Executive Committee, and provides necessary initiative and leadership. In keeping with the role of providing overall direction, serves as the Board's principle point of communication with the Executive Director. The Chairperson consults with the Executive Director on plans, projects, progress and programmatic problems.

In the absence of the Chairperson, the following is the order of succession:

1. Vice-Chairperson

2. Secretary/Treasurer

B. VICE-CHAIRPERSON

Performs in absence of the Chairperson.

C. SECRETARY/TREASURER

Responsible for ensuring that official Board meeting minutes are recorded and any errors in the minutes are presented to the Board for correction. The minutes shall include a record of votes on all motions. The Secretary/Treasurer is the official custodian of documents and records of the Board, including minutes, fiscal reports, and correspondence to the Board. From a practical standpoint, the Secretary/Treasurer is empowered to obtain service and assistance, through the Executive Director, in recording of minutes and in maintaining custodial files of the Board's documents and records.

ARTICLE VII
COMMITTEES

A. EXECUTIVE COMMITTEE

The Board operates with one (1) standing committee: The Executive Committee. The Executive Committee serves as a working extension of the Board in its consideration of issues, opportunities and plans in any area of the Committee's particular attention. As such, the Committee receives assignments from and reports findings and recommendations to the Board. The Committee must be divisible by three and fairly reflect the composition of the Board:

(1) One-third are elected public officials, or their representatives;

(2) At least one-third are elected representatives of the low-income; and

(3) The remainder are appointed members from selected private organizations.

Proxy voting is prohibited under any circumstances. In special instances, the Committee may be empowered by delegation of the Board to act for the full Board in deliberating an issue and reaching a decision or taking action. Committee members shall be nominated by the Board Chairperson subject to approval by a majority vote of the Board.

Executive Committee members are selected as soon as possible after the annual Board elections.

Executive Committee membership shall consist of six (6) members and shall include the Committee Chairperson (Board Chairperson), the Board Vice-Chairperson, Board Secretary/Treasurer, Immediate Past Board Chairperson, and two (2) other "at-large" members. If the Past Chairperson is unable to serve, a sixth executive committee member would be nominated by the Chairperson.

If the immediate Past Chairperson is also either the newly elected Vice-Chairperson is also either the newly elected Vice-Chair or the Secretary/Treasurer, then there would be three (3) at-large executive committee members instead of only two (2).

If any case, membership must be as reflective of a cross-section of the Board in matters of geography and ethnicity as is possible.

The Executive Committee is responsible for:

(1) Acting for the Board to transact business which cannot wait for the next scheduled Board meeting. Its actions must be reported and ratified at the next Board meeting.

(2) Reviewing major administrative and management issues and developing recommendations to be presented to the Board.

(3) Attempting to hear all related problems brought before it, or delegating them to proper channels for consideration.

The Executive Committee shall meet as needed. The meeting shall be called by the Chairperson, or by two members of the Executive Committee. Written and/or oral reports shall be made to the Board at its first following meeting. Staff services to the Executive Committee are provided through the Executive Director.

B. AD HOC COMMITTEES

In addition to the Executive Committee, the Board may, at times, operate with special (ad hoc) committees as the need arises. A decision to create a special committee is by approved motion of the Board. The purpose of the Ad Hoc Committee must be so stated in the creating motion as to permit the Committee Chairperson to report accomplishment of the designated purpose to the Board, with subsequent dissolution of the Committee. Dissolution is by declaration of the Board Chairperson unless the Board approves a countering motion to continue the Ad Hoc Committee in being.

ARTICLE VIII
MEETINGS

A. Meetings shall be scheduled for the convenience of Board members and the general public. Meetings of the Board shall be held on the second Thursday of each month, (unless the Board of Directors fixes another date and so notifies members and the public as provided by Article VIII.A.1.a.). Any regular meeting during which the agenda is not completed may be continued at a succeeding date by approved motion of the Board.

1. Notice of regularly scheduled meetings of the Board, stating date, time, and place with previous minutes and meeting agenda shall be sent:

   a. To each Board member and alternate at least 72 hours prior to the meeting.

   b. So far as funds permit, to any organization or person who leaves his/her name with the secretary.

   c. To at least one newspaper of general circulation within the community served, or proposed to be served, and to all media who request. (Note: there is no guarantee that it will be printed. Is there a recommendation on how to deal with this?)

   d. To the Department of Community Services and Development, State of California.

B. Special meetings of the Board may be called by the Chairperson, or by a majority vote of the Executive Committee, or at least 50% of the Board by notifying the Chairperson. Any special meeting during which the agenda is not completed may be continued to a succeeding date by approved motion of the Board.

C. Persons who are not members of the Board may attend and will be offered a reasonable opportunity to be heard.

D. Regular and special meetings of the Board are conducted subject to the following rules:

1. The quorum of the Board is a majority of the total membership of fifteen (15), excluding vacancies. The quorum for the Executive Committee shall be three (3) members. Each member of the Board has one vote. Each attending Board member signs an attendance register upon entering the meeting.

2. Every meeting of the Board is public except those which must be held in Closed Session and comply with the Ralph M. Brown Act. Approval of such a motion for Closed Session will require an affirmative vote of a majority of the members present, and must state the general purpose of the Closed Session.

3. The Secretary/Treasurer of the Board ensures the recording of the minutes of each meeting. The Board may require the Executive Director to provide a recording secretary to take the minutes.

4. The current edition of Robert's Rules of Order, Newly Revised, shall serve as rules for conduct of Board meetings and for parliamentary procedures.

5. Notice of Certain Agenda Items. If action is proposed to be taken at any meeting of the members for approval of any of the following proposals:

   a. Removing a Director without cause;

   b. Amending the articles of incorporation;

   c. Voluntary dissolving the Corporation,

   The notice shall also state the general nature of the proposal. Member action on such items is invalid unless the notice of written waiver of notice states the general nature of the proposal(s).

ARTICLE IX
INDEMNIFICATION

A. RIGHT TO INDEMNIFICATION

This corporation shall have power to indemnify any person who was or is a party or is threatened to be made a party to any action or proceeding by reason of the fact that such person is or was an officer, director or agent of this corporation, or is or was serving at the request of this corporation as a director, officer, employee or agent of another foreign or domestic corporation, partnership, joint venture, or other enterprise, against expenses, judgments, fines, settlements and other amounts actually and reasonably incurred in connection with such proceeding, to the fullest extent permitted under the Nonprofit Corporation Law of the State of California. For this purpose, the Board may, and on request of any such person shall, be required to determine in each case whether or not the applicable standards of conduct under California Law has been met, or such determination shall be made by independent legal counsel if the Board so directs or if the Board is not empowered by statute to make such determination. The indemnification provided herein shall not be deemed exclusive of any other right to which those indemnified may be entitled under any agreement, vote of members, or disinterested directors or otherwise, both as to action in a person's official capacity and as to action in another capacity while holding such office and shall continue as to a person who has ceased to be an agent and shall inure to the benefit of the heirs, executors and administrators of such a person.

B. EXPENSES

Expenses incurred or to be incurred in defending any proceeding may be advanced by this Corporation before the final disposition of the proceeding, on receipt of an undertaking by or on behalf of the agent to repay the amount of the advance, unless it shall be determined ultimately that the agent is entitled to be indemnified as authorized in this section.

ARTICLE X
AMENDMENTS

These By-Laws may be amended, or new By-Laws adopted, at any regular meeting of the Board provided that notice of the proposed action shall have been sent to each member of the Board at least fifteen (15) days before such meeting. A two-thirds (2/3) vote of the actual Board membership shall be required to amend and/or adopt new By-Laws.

ARTICLE XI

PARLIAMENTARY AUTHORITY

The rules contained in the current edition of Robert's Rules of Order, Newly Revised, shall govern Community Action of Ventura County, Inc. in all cases to which they are applicable and in which they are not inconsistent with these bylaws, the Articles of Incorporation, and the Standing Rules and Polices, and any special rules of order Community Action of Ventura County, Inc. may adopt.

ARTICLE XII
REDRESS PROCEDURES

A. PROCEDURE FOR REMOVAL OF BOARD MEMBER

The Board has the responsibility for policy-making and providing direction for the Community and staff. In fulfilling its responsibility, it can only be effective so long as it is composed of dedicated, competent and reliable members.

The only way to maintain effective membership is to provide a mechanism for "Removal of Members" who, in the judgment of their peers, do not adequately meet said obligations as Board Members. A 2/3 vote at a regular Board meeting is necessary for removal following notice.

All removal requests will be presented in writing to the Board. The written request must state the grounds for removal including dates, times, and places that may be applicable.

Grounds for removal shall include: Six absences within the previous past 12 months from the regular meetings shall constitute grounds for immediate removal from the Board; violation/noncompliance with the provisions of Conflict of Interest; malfeasance or malfeasance while acting in an official capacity as Board Member.

B. NOTIFICATION PROCEDURE

1. Public officials shall be petitioned requesting removal for cause. The written request is to be accompanied by detailed written explanation.

2. Elected representatives will be notified, in writing, of such pending action by the Board and shall be provided with a detailed written explanation of the specific reasons for such pending Board action. The Board, after due process and removal of representative from office, shall immediately call an election within the affected district, to elect a new representative.

3. Private Representatives and their affiliate organization shall be provided with a written explanation of the specific reasons for such pending Board action. Organizations will be offered the option of appointing a new representative or withdrawing from representation on the Board.

C. PROCEDURE TO ADDRESS INADEQUATE REPRESENTATION

Whenever a petition signed by at least 100 members of the petitioning group is submitted to the Board, the Board shall within thirty (30) days after receipt thereof provide a fair opportunity for the petitioning group or agency to present its case for more adequate representation at an informal hearing open to the public, which informal hearing may be held in conjunction with a regular or special meeting of the Board.

The petition shall set forth a proposal for addition to or realignment of the membership of the Board but in no event shall the petition contemplate more than (18) eighteen members of the Board.

A written statement by the Board shall be prepared within ten (10) days after a decision is rendered relative to the petition. The statement shall set forth the reasons supporting whatever action is taken. A copy of the written statement shall be promptly sent to the petitioning group and to the Department of Community Services and Development.

D. PROCEDURE FOR RECALLING ELECTED REPRESENTATIVES FROM THE BOARD.

It is the prerogative of the low-income electorate to seek a recall of its current representative of the poor from Board membership. The recall is in the form of a called election in which the incumbent may be a candidate for re-election (unless she/he chooses not to run) in competition with other candidates.

The recall election is called by an Election Committee, created by the Board, upon presentation to it of petition for recall which contains the names, addresses and signatures of eligible voters, in the incumbent's district. The number of signatures shall exceed fifty percent (50%) of votes cast in the incumbent's election to the Board, or 25 signatures, whichever is greater.

The Election Committee tests the validity of the signatures on the recall petition, by means of ten percent (10%) or larger sample, within ten (10) days of receipt of the petition. The Election Committee advises the Board Chairperson and the subject Board member when a valid petition for recall has been submitted. The Committee sets the recall election thirty (30) days from that date on which the petition for recall was validated.

In all other respects, the election/selection is conducted as described in Article IV.B.

E. PROCEDURE FOR CHALLENGING AN ELECTION/SELECTION *OF LOW-INCOME REPRESENTATIVE*

1. An individual, group, or organization may file a formal complaint against CAVC for election irregularities within fifteen (15) days after an election/selection. The letter and/or petition must be delivered to the Executive Director. Upon receipt of a formal complaint, an Ad Hoc Committee will be formed by the Board.

    a. This Ad Hoc Committee will be comprised of members of the Board, *who were* not Election committee members during the prior election, and will meet the same requirements for membership of an Election Committee.

    b. This Committee will have the authority to investigate the alleged irregularities, recount ballots, verify all election/selection procedures, review all related material, call witnesses, and make recommendations to the full Board.

2. Reasons to call for another election may include:

    a. Failure to follow election/selection procedures.

    b. Failure to follow deadlines.

    c. Election/selection irregularities of a nature that would make an election/selection illegal.

ARTICLE XIII
REIMBURSEMENTS AND ALLOWANCES

A. Board members who meet CSD low-income guidelines may receive allowances of $5.00 per CAVC function at which their attendance is authorized to a maximum of $10.00 a month.

B. Reimbursements for member's expenses for actual attendance at meetings in amounts not to exceed those authorized by California Department of Community Services & Development. Travel and subsistence rates are also authorized for mileage and child care costs.

ARTICLE XIV
AFFILIATE AND SUBSIDIARY CORPORATIONS

A. CAVC may form such affiliated corporations, Subsidiary Corporation, or other entities as the Board deems appropriate for the purpose of carrying out the mission and purposes of CAVC.

B. Whenever CAVC shall have the right or power to appoint, designate, or elect Board members, officers, directors or other controlling persons of affiliated, subsidiary or other related, entities, the Chairperson of CAVC shall make such appointment, designation or election, subject to approval by a majority of the Board.

C. Whenever CAVC shall have the right or power to make other decisions regarding any such entities, the Chairperson shall take any appropriate action on behalf of CAVC either in person or by proxy. The Chairperson may, but shall not be required, to delegate this authority to a committee comprised of members of the Board designated by the Chairperson as provided in Article VII. B.

D. Whenever an appointee, designee or elected of CAVC receives a stipend, allowance, per diem, salary or other remuneration which is *more* than nominal in amount, by virtue of such position, CAVC shall have the right to require part or all of such amount turned over to CAVC for general corporate purposes. The portion of such amounts allowed to be retained by the recipient shall not apply against the limits on reimbursement of Board members in Article XIII.

NOV 18 2005

CERTIFICATE OF AMENDMENT OF
ARTICLES OF INCORPORATION OF
COMMUNITY ACTION AGENCY OF VENTURA COUNTY, INC.,
A California Nonprofit Public Benefit Corporation

The undersigned certify that:

1. They are the Chairman of the Board and the Secretary/Treasurer of COMMUNITY ACTION AGENCY OF VENTURA COUNTY, INC., a California nonprofit public benefit corporation.

2. Article 1 of the Articles of Incorporation of this corporation is amended to read as follows:

   "1. The name of this corporation is Community Action of Ventura County, Inc."

3. The foregoing amendment of Articles of Incorporation was duly adopted by resolution approved by the required vote of the Board of Directors.

5. The corporation has no members.

We further declare under penalty of perjury under the laws of the State of California that the matters set forth in this certificate are true and correct of our own knowledge and that this certificate was signed on November 7, 2005, at Oxnard, California.

Julie A. Huffman, Chairperson
Board of Directors

Bernardo M. Perez, Secretary/Treasurer
Board of Directors

OFFICE OF THE SECRETARY OF STATE

CALIFORNIA CODES
WELFARE AND **INSTITUTIONS CODE**
SECTION 18960-18964

18960. (a) (1) It is the intent of the Legislature that child abuse and neglect prevention and intervention programs be encouraged by the funding of agencies addressing needs of children at high risk of abuse or neglect and their families.

(2) Funding for this program is subject to appropriation in the annual Budget Act.

(3) Priority shall be given to prevention programs through nonprofit agencies, including, where appropriate, programs that identify and provide services to isolated families, particularly those with children five years of age or younger, high quality home visiting programs based on research-based models of best practice, and services to child victims of crime.

(b) (1) Projects funded in Calaveras, El Dorado, Humboldt, Lassen, Modoc, Plumas, San Luis Obispo, Siskiyou, Sutter, Tehama, Trinity, and Yuba Counties, with the exception of statewide innovative projects, shall be funded by the State Department of Social Services for the purposes established in this article until June 30, 1993.

(2) Beginning in the 1993-94 fiscal year and in subsequent years, projects funded in the counties set forth in paragraph (1) shall be selected by the competitive process described in Section 18961. Projects funded in all other counties in the 1992-93 and subsequent fiscal years shall be selected by the competitive process.

18961. (a) Projects funded pursuant to this article shall be selected through a competitive process, which shall include all of the following criteria:

(1) Priority shall be given to private, nonprofit agencies with programs that serve the needs of children at risk of abuse or neglect and that have demonstrated effectiveness in prevention or intervention.

(2) Agencies shall be eligible for funding provided that evidence is submitted as part of the application to demonstrate broad-based

community support and that proposed services are not duplicated in the community, are based on needs of children at risk, and are supported by a local public agency, including, but not limited to, one of the following:

(A) The county welfare department.

(B) A public law enforcement agency.

(C) The county probation department.

(D) The county board of supervisors.

(E) The county public health department.

(F) The county mental health department.

(G) The school district.

(3) Services provided shall be culturally and linguistically appropriate to the populations served.

(4) Services may include, but need not be limited to, family counseling, day care, respite care, teaching and demonstrating homemakers, family workers, transportation, temporary in-home caretakers, psychiatric evaluations, health services, multidisciplinary team services, and special law enforcement services.

(5) Applicant agencies shall demonstrate the existence of a 10 percent cash or in-kind match, other than funding provided by the State Department of Social Services, that will support the goals of child abuse and neglect prevention and intervention.

(6) Funding shall be used to supplement, but not supplant, child welfare services authorized pursuant to Chapter 5 (commencing with Section 16500) of Part 4.

(7) Training and technical assistance shall be provided by private, nonprofit agencies to those agencies funded to provide services under this article. Training and technical assistance shall encompass all of the following:

(A) Multidisciplinary approaches to child abuse prevention, intervention, and treatment.

(B) Facilitation of local services networks.

(C) Establishment and support of child abuse councils.

(D) Dissemination of information addressing issues of child abuse among multicultural and special needs populations.

(8) Priority for services shall be given to children who are at high risk, including children who are being served by the county welfare departments for being abused and neglected and other children who are referred for services by legal, medical, or social services agencies.

(9) Service to minority populations shall be reflected in the funding of projects.

(10) Projects shall clearly be related to the needs of children, especially those 14 years of age and under.

(b) In a county that has established a multidisciplinary council, the council shall be utilized to provide recommendations to the board of supervisors for the funding processes and priorities.

(c) Each county shall monitor the projects it funds. The Office of Child Abuse Prevention shall monitor innovative and training and technical assistance projects funded pursuant to this article.

(d) The State Department of Social Services shall allocate funds appropriated pursuant to this article, based upon criteria that reflect the reported number of abused and neglected children in a county, such as police reports, including reports to the Criminal Identification and Information Branch of the Department of Justice, reports made to child protective services, or other public reports that indicate a need for services. Rural counties shall be provided a base allocation of fifty thousand dollars ($50,000) per county. For purposes of this subdivision, "rural county" means a county with a population of less than 125,000.

(e) The State Department of Social Services shall develop a reporting instrument relevant to both urban and rural areas, that shall reflect recognized potential abuse factors, such as unemployment levels, by percentage, drug and alcohol abuse, and teenage birth rates. This instrument shall be approved after consultation with the appropriate state level advisory committees, legislative committees, and private nonprofit agencies operating statewide in the area of child abuse and neglect prevention. This instrument shall be used to develop future reports regarding the potential for child abuse and neglect.

18961.5. (a) Notwithstanding any other provision of law, any county may establish a computerized data base system within that county to allow provider agencies, as defined in subdivision (h), to share identifying information, as specified in subdivision (c), regarding families at risk for child abuse or neglect, for the purpose of forming multidisciplinary personnel teams, as defined in subdivision (d) of Section 18951, for the prevention, identification, management, or treatment of child abuse.

(b) Each county shall develop its own standards for defining "at risk" before joining this system. Only information about children or the families of children at risk for child abuse or neglect may be entered into a computerized data base system established pursuant to

this section.

(c) With regard to a case in which a child or family has been identified as at risk for child abuse or neglect under this section, only the following information shall be entered into the system:

(1) The name, address, telephone number, and date and place of birth of family members.

(2) The number assigned to the case by each provider agency.

(3) The name and telephone number of each employee assigned to the case from each provider agency.

(4) The date or dates of contact between each provider agency and a family member or family members.

(d) The information may only be entered into the system by, or disclosed to, provider agency employees designated by the director of each participating provider agency. Members of the multidisciplinary personnel teams shall be drawn from these designated employees, or other persons, as specified in Section 18961. The heads of provider agencies shall establish a system by which unauthorized personnel cannot access the data contained in the system.

(e) The information obtained pursuant to this section shall be kept confidential and shall be used solely for the prevention, identification, management, or treatment of child abuse, child neglect, or both.

(f) This section shall not supplant any duties required by the Child Abuse and Neglect Reporting Act (Article 2.5 (commencing with Section 11164) of Chapter 2 of Title 1 of Part 3 of the Penal **Code**).

(g) No employee of a provider agency which serves children and their families shall be civilly or criminally liable for furnishing or sharing information as authorized by this section.

(h) For the purposes of this section, "provider agency" means any governmental or other agency which has as one of its purposes the prevention, identification, management, or treatment of child abuse or neglect. The provider agencies serving children and their families which may share information under this section shall include, but not be limited to, the following entities or service agencies:

(1) Social services.

(2) Children's services.

(3) Health services.

(4) Mental health services.

(5) Probation.

(6) Law enforcement.

(7) Schools.

18962. (a) (1) The State Department of Social Services shall notify counties of allocations of funds for services provided pursuant to Section 18961 no later than 30 days after the effective date of this section, and annually thereafter.

(2) The board of supervisors of each county shall notify the State Department of Social Services of its intent to contract or not contract with public or private nonprofit agencies to provide services in accordance with this article within 60 days of notification by the department of the county's allocation. If a board chooses not to contract for those services, it may subcontract with other counties to provide administrative oversight of the project, subject to the same 60-day notification requirement.

(3) If a board of supervisors chooses not to contract or subcontract for the provision of services, the funds allocated for that county shall revert to the State Children's Trust Fund established under Section 18969 and shall be administered in accordance with the provisions of law relating to the fund.

(b) The board of supervisors of each county shall provide to the Office of Child Abuse Prevention no later than October 1 of each year a list of projects funded in the prior fiscal year and the amounts funded to, and expended by, each of the listed projects. The report shall include a description of services rendered, populations served, and results of service.

18963. Unless otherwise specified in the annual Budget Act, the funds appropriated in the annual Budget Act to the State Department of Social Services for the purposes of this article shall be allocated as follows:

(a) A sum equal to 90 percent of the appropriation shall be allocated to the board of supervisors of each of the participating counties.

(b) A sum equal to 7 percent of the appropriation shall be allocated to the State Children's Trust Fund established under Section 18969 for innovative, child-centered approaches which indicate promise of quality, cost-effective services to prevent child abuse and neglect.

(c) The Office of Child Abuse Prevention shall reserve a sum equal to 3 percent of the appropriation, to be used to provide administrative oversight and consultation that shall include

activities necessary to do all of the following:

(1) Ensure that each county allocates revenues through the use of an accountable process that utilizes a multidisciplinary approach, particularly including strengthening child abuse councils and allocates revenues in a manner consistent with a county expenditure plan for all Child Abuse Prevention, Intervention, and Treatment program revenues. The county plans shall explain how services funded under this article are coordinated with the array of services available in the county and are based on unmet need. The Office of Child Abuse Prevention shall review and approve these plans prior to authorizing county expenditure of funds. The Office of Child Abuse Prevention shall require counties to submit annual reports on program services.

(2) Ensure Child Abuse Prevention, Intervention, and Treatment program compliance and accountability to the county plan and legislative intent.

(d) Counties with provider contracts in effect as of June 30, 1998, may continue those contracts. However, no county shall receive an augmentation of Child Abuse Prevention, Intervention, and Treatment funds unless the county modifies its program in accordance with subdivision (c). During the 1998-99 state fiscal year, if a county qualifies to receive an augmentation of funds, counties may augment existing provider contracts without competitive bids.

(e) The Office of Child Abuse Prevention may contract with a statewide nonprofit consortium with broad-based statewide representation to provide training and technical assistance, and to improve accountability for the use of funds in the Child Abuse Prevention, Intervention, and Treatment program using funds identified in subdivision (c).

(f) A portion of the funds specified in subdivision (c) may be allocated to the State Children's Trust Fund to be used for statewide training and technical assistance services. Moneys for statewide training and technical assistance may be supplemented under subdivision (a) by an amount not to exceed 0.50 percent of the total Child Abuse Prevention, Intervention, and Treatment appropriation but the total amount allocated statewide for training and technical assistance shall not exceed 2 percent of the total Child Abuse Prevention, Intervention, and Treatment appropriation. This augmentation may be accomplished by means of the following:

(1) The board of supervisors of each participating county may allocate annually a portion of its allocation under this section as a supplement to funds for statewide training and technical assistance. Activities to be funded with these supplemental moneys may be

specified by the allocating county and approved by the State Department of Social Services.

(2) In combination with funds provided by a county pursuant to paragraph (1) a portion of the moneys reverted to the State Children's Trust Fund pursuant to paragraph (3) of subdivision (a) of Section **18962** may be allocated annually for statewide training and technical assistance. Any amount allocated from the State Children's Trust Fund in a state fiscal year shall not exceed the moneys reverted under paragraph (3) of subdivision (a) of Section **18962** in that state fiscal year.

18964. (a) Notwithstanding any provision of law governing the disclosure of information and records, including, but not limited to, Section 5328 of the Welfare and **Institutions Code**, a person who is trained and qualified to serve on a multidisciplinary personnel team pursuant to subdivision (d) of Section 18951, whether or not the person is serving on a team, may be deemed, by the team, to be part of the team as necessary for the purpose of the prevention, identification, management, or treatment of an abused child and his or her parents. The designated team may deem a person to be a member of the team for a particular case, and that team shall specify its reasons, in writing, for deeming that person to be a member of the team. The person, when deemed a member of the team, may receive and disclose information relevant to a particular case as though he or she were a member of the team. The information and records which may be disclosed shall not be restricted to those obtained in the course of providing services pursuant to this chapter.

(b) The caregiver of the child and, in the case of an Indian child, the child's tribe shall be permitted to provide information about the child to the multidisciplinary personnel team that will be considered by the team and to attend meetings of the multidisciplinary personnel team, as deemed appropriate by the team, without becoming a member of the team. Any caregiver or tribal representative who attends multidisciplinary personnel team meetings shall agree in writing not to disclose any confidential information he or she receives as a result of his or her participation with the team.

CALIFORNIA CODES
WELFARE AND **INSTITUTIONS CODE**
SECTION **18965**-18971

18965. A county board of supervisors may designate an existing local voluntary commission, board or council in order to carry out the purposes of this article. The commission shall either be a commission whose duties are primarily related to services for children, with special emphasis upon child abuse and neglect prevention and intervention services, or whose duties relate to human services.

18966. When a county board of supervisors designates a commission pursuant to Section **18965**, the board of supervisors shall establish a county children's trust fund. The children's trust fund shall consist of the fees for birth certificates, collected pursuant to Section 103625 of the Health and Safety **Code**, grants, gifts, or bequests from private sources to be used for child abuse and neglect prevention and intervention programs, any funds appropriated by local governmental entities to the trust fund, and any funds appropriated to the county for the trust fund by the Legislature. The local registrar or county recorder may, however, retain a percentage, not to exceed 10 percent, of the surcharge collectible pursuant to subdivision (b) of Section 103625 of the Health and Safety **Code**, in order to defray the costs of collection.

The county treasurer shall transmit moneys collected from birth certificate fees for the county children's trust fund, pursuant to subdivision (b) of Section 103625 of the Health and Safety **Code**, collected with respect to the birth certificate of a child whose mother was a resident of another county at the time of the birth to the treasurer of the county of the mother's residence at the time of the birth if the county to receive the funds has established a program pursuant to Article 5 (commencing with Section **18965**) of Chapter 11 of Part 6 of Division 9 of the Welfare and **Institutions Code** and does not have a licensed health facility that provides maternity services within its jurisdiction.

18966.1. (a) Any federal funds provided for child abuse prevention challenge grants to provide matching funds to states that have established children's trust funds shall be allocated to the counties' children's trust funds in the following manner:

(1) Counties that receive less than twenty thousand dollars ($20,000) per annum for their county children's trust funds from the fees on birth certificates collected pursuant to Section 103625 of the Health and Safety **Code**, shall be granted from federal matching funds that amount necessary to bring that income to the trust fund to twenty thousand dollars ($20,000) per year.

If the state's annual federal matching fund allocation is insufficient to provide each county children's trust fund with a minimum total annual funding level of twenty thousand dollars ($20,000), the Office of Child Abuse Prevention shall determine an allocation process for federal matching funds to ensure that each county children's trust fund receives a minimum level of annual funding from all sources.

(2) The remaining funds from the federal challenge grant shall then be distributed equally among all the counties, up to ten thousand dollars ($10,000) per county.

(3) If sufficient federal matching funds exist after each county children's trust fund is provided a total annual children's trust fund allocation of twenty thousand dollars ($20,000) and after each county children's trust fund receives a maximum annual allocation of ten thousand dollars ($10,000) in federal matching funds, the remaining federal matching funds shall be distributed to each county children's trust fund according to population.

(b) (1) Federal challenge grant funds shall be received by the Office of Child Abuse Prevention and allocated in the manner specified in subdivision (a).

(2) Boards of supervisors may establish criteria for determining which programs shall receive funding. Boards of supervisors may accept all program proposals, prioritize those proposals, and make the final decision as to which programs shall receive funds.

(c) Federal matching funds shall be allocated pursuant to subdivision (a) for counties that have not established a local children's trust fund and shall be transferred to that county's existing children's trust fund established by the Office of Child Abuse Prevention in the State Children's Trust Fund. Nothing in this section shall prevent a county that has not established a local children's trust fund from establishing a local children's trust fund.

(d) Receipt by a county of any federal funds available for the purposes set forth in this section shall be contingent upon the provision of assurances that the county will provide to the Office of Child Abuse Prevention all information necessary to meet federal reporting mandates. Those information needs shall be identified by the department at the time federal funds are allocated.

(e) Moneys received by a county children's trust fund from private voluntary contributions shall not be considered in the calculation of federal challenge grant allocations pursuant to subdivision (a).

18967. Money in the children's trust fund of each county shall be used to fund child abuse and neglect prevention and intervention programs operated by private nonprofit organizations or public **institutions** of higher education with recognized expertise in fields related to child welfare. The designated commission shall establish criteria for determining those programs which shall receive funding. The commission shall accept all program proposals that meet criteria set by the commission, shall prioritize these proposals, and shall make recommendations to the board of supervisors as to those proposals which the commission feels should receive funding. The board of supervisors shall make the final decision as to which programs shall be funded. The county shall use no more than 5 percent of the amounts in the trust fund for administrative costs.

18968. In any county where the board of supervisors does not designate a commission to carry out the purposes of this article, pursuant to Section **18965**, except for a percentage of the receipts necessary for purposes of collection, the amount collected for the surcharge upon birth certificates pursuant to Section 103625 of the Health and Safety **Code** shall be transferred by the local registrar or county recorder to the Treasurer for deposit in the State Children's Trust Fund.

18968.5. Amounts collected for the surcharge upon birth certificates pursuant to Section 103625 of the Health and Safety **Code** that would have been transferred by the local registrar or county

recorder to the Treasurer for deposit in the State Children's Trust Fund shall, instead, revert to the county children's trust fund when the board of supervisors designates a commission to carry out the purposes of this article, pursuant to Section **18965**.

18969. (a) There is hereby created in the State Treasury a fund which shall be known as the State Children's Trust Fund. The fund shall consist of funds received from a county pursuant to Section 18968, funds collected by the state and transferred to the fund pursuant to subdivision (b) of Section 103625 of the Health and Safety **Code** and Article 2 (commencing with Section 18711) of Chapter 3 of Part 10.2 of Division 2 of the Revenue and Taxation **Code**, grants, gifts, or bequests made to the state from private sources to be used for innovative and distinctive child abuse and neglect prevention and intervention projects and money appropriated to the fund for this purpose by the Legislature. The State Registrar may retain a percentage of the fees collected pursuant to Section 10605 of the Health and Safety **Code**, not to exceed 10 percent, in order to defray the costs of collection.

(b) Money in the State Children's Trust Fund, upon appropriation by the Legislature, shall be allocated to the State Department of Social Services for the purpose of funding child abuse and neglect prevention and intervention programs. The department may not supplant any federal, state, or county funds with any funds made available through the State Children's Trust Fund.

(c) The department may establish positions as needed for the purpose of implementing and administering child abuse and neglect prevention and intervention programs that are funded by the State Children's Trust Fund. However, the department shall use no more than 5 percent of the funds appropriated pursuant to this section for administrative costs.

(d) No State Children's Trust Fund money shall be used to supplant state General Fund money for any purpose.

(e) It is the intent of the Legislature that the State Children's Trust Fund provide for all of the following:

(1) The development of a public-private partnership by encouraging consistent outreach to the private foundation and corporate community.

(2) Funds for large-scale dissemination of information that will promote public awareness regarding the nature and incidence of child abuse and the availability of services for intervention. These

public awareness activities shall include, but not be limited to, the production of public service announcements, well designed posters, pamphlets, booklets, videos, and other media tools.

(3) Research and demonstration projects that explore the nature and incidence and the development of long-term solutions to the problem of child abuse.

(4) The development of a mechanism to provide ongoing public awareness through activities that will promote the charitable tax deduction for the trust fund and seek continued contributions. These activities may include convening a philanthropic roundtable, developing literature for use by the State Bar for dissemination, and whatever other activities are deemed necessary and appropriate to promote the trust fund.

18970. (a) The department shall expend funds appropriated to it pursuant to Section 18969 for innovative local child abuse and neglect prevention and intervention programs operated by private nonprofit organizations or public **institutions** of higher education with recognized expertise in fields related to child welfare. These projects shall be joined to formal evaluation components.

(b) These funds may also be used for evaluation, research, or dissemination of information concerning existing program models for the purpose of replication of successful models.

(c) The Office of Child Abuse Prevention and those local commissions designated by the county boards of supervisors shall collect and publish the following data relevant to the state and local children's trust funds:

(1) Descriptions of the types of programs and services funded by local and state children's trust funds and the target populations benefiting from these programs.

(2) The amount in each portion of the state and local trust fund as of June 30 each year, beginning June 30, 1987, as well as the amount disbursed in the preceding fiscal year.

(e) (1) Funds shall be expended from the moneys appropriated to the State Children's Trust Fund pursuant to Section 18969 of this **code** and Section 103590 of the Health and Safety **Code** to enable the Office of Child Abuse Prevention to annually collect and publish the data specified in subdivision (c).

(2) Funds may be expended from local children's trust funds established pursuant to Section 18966 to enable those local commissions designated by the county boards of supervisors in

accordance with Section 18966 to annually collect and publish the data specified in subdivision (c).

18971. Priority for funds transferred to the State Children's Trust Fund pursuant to Section 18968 shall be given to funding child abuse and neglect prevention and intervention programs operated by private nonprofit organizations or public **institutions** of higher education with recognized expertise in fields related to child welfare in the county where the funds originated, and where the county board of supervisors has not designated a commission pursuant to Section **18965** and has not established a county children's trust fund pursuant to Section 18966. The department may allow the funds for a small county to accumulate to a usable amount, or fund regional programs serving several small counties. The department shall establish criteria for determining which programs shall be funded. Applicants for funding shall submit proposals to the department in response to a request for proposals. If there is no acceptable response to the department's requests for proposals from qualified public **institutions** of higher education or private nonprofit organizations in a county, then the department may use the funds from that county pursuant to Section 18970.

Board of Supervisors
County of Ventura
800 South Victoria Avenue
Ventura, CA 93009

Dear Board Members:

RECOMMENDATION
Recommend the Board adopt the attached resolution and support the Community Commission for Ventura County (CCVC) as the advisory body to the Board of Supervisors on strengthening services for children and families.

FISCAL IMPACTS/COSTS
Unknown at this time.

DISCUSSION
The mission of the Community Commission for Ventura County (formerly known as the Children's Services Network and more recently known as the Children, Families and Community Commission) is to act as a catalyst to strengthen services for children and families through communication, collaboration and coordination. Its vision is that all Ventura County children and families are safe, healthy and successful.

The CCVC has broad-based representation, including representatives of health, education and community service networks, school districts, cities, county agencies and boards, community-based nonprofits, local businesses, and private residents. It is composed of a 26-member Board of Commissioners and a Community Advisory body. The Board of Commissioners is divided into four representative quadrants of county, city, schools, and community. Commissioners are designated through the Board of Supervisors, the City Selection Committee, the Ventura County School Boards Association, and the

Recycled Paper

CCVC Community Advisory Board. In addition, the Board of Supervisors appoints five seated CCVC Commissioners to the First 5 Ventura County Commission.

Recently, the CCVC reorganized after an extensive review of purpose and operation. In addition to a streamlined mission and vision, the CCVC identified the following three goals to achieve strengthening services and promoting the health, safety, and success of Ventura County children and families:

1. To advocate for children and families as a priority and for the allocation of adequate resources to ensure their continued health, education and welfare.
2. To gather and disseminate reliable information on the status of children and families in Ventura County to the community, policy makers and service providers, and to advocate for improved services.
3. To enhance services to children and families by facilitating improved communication, collaboration and coordination among health, education and human services providers.

Under goal 2, one of the objectives is to provide an annual status report on children and families in Ventura County. This month, the CCVC is releasing its first report. In it, we have identified the first three issues on which to focus: substance abuse, homelessness, and obesity. These three were chosen because they exhibit data and trend lines that are not improving as much as would be desirable. The CCVC will be convening community policy makers, service providers, and consumers to identify existing services, gaps and possible coordination in these areas. Our intent is not to duplicate current efforts and collaborations already underway. Instead, we are seeking to improve information sharing and strengthen alliances within Ventura County to address these issues, thus improving our ability to collectively resolve them.

In the past, the Board adopted resolutions supporting the Community Commission's role in community block grants for children, youth and families. This resolution seeks the Board's support to broaden the CCVC's scope of responsibilities that will actively encourage innovation and result in improved efficiency and effectiveness in systems serving children and families.

As your Board's representatives to the Community Commission for Ventura County, we respectfully request your support of the attached resolution.

KATHY LONG
Supervisor, Third District

JOHN FLYNN
Supervisor, Fifth District

BOARD OF SUPERVISORS, COUNTY OF VENTURA
STATE OF CALIFORNIA

RESOLUTION IN SUPPORT OF THE
COMMUNITY COMMISSION FOR VENTURA COUNTY'S
ROLE AS THE ADVISORY BODY TO THE BOARD OF SUPERVISORS
FOR STRENGTHENING SERVICES FOR CHILDREN AND FAMILIES

Whereas, the Community Commission for Ventura County (CCVC) acts as a catalyst to strengthen services for children and families through communication, collaboration and coordination; and

Whereas, the Community Commission advocates children and families are a priority and for the allocation of adequate energy and resources to ensure their continued safety, health and success; and

Whereas, the Community Commission gathers and disseminates reliable information on the status of children and families in Ventura County to the community, policy makers and service providers, and advocates for improved services; and

Whereas, the Community Commission enhances services to children and families by facilitating improved communication, collaboration and coordination among health, education and human services providers; and

Whereas, the Community Commission for Ventura County is a broad-based partnership of the diverse segments of the community including school districts, cities, county agencies, non-profit private agencies, local businesses, community leaders and private citizens; and

Whereas, the Community Commission has been interacting and influencing children and family issues since 1992.

Therefore, let it be resolved that the County of Ventura Board of Supervisors, on this day, recognizes and supports the Community Commission for Ventura County as the responsible advisory body to the Board of Supervisors on strengthening services for children and families through the facilitation of communication, collaboration and coordination among Ventura County's diverse segments.

On motion of Supervisor Long,

seconded by Supervisor Bennett, the foregoing

Resolution passed and adopted on December 16, 2003.

Chair, Board of Supervisors

ATTEST: JOHN F. JOHNSTON,
Clerk of the Board of Supervisors,
County of Ventura, State of California
By:
Deputy Clerk of the Board

Minutes of
Community Commission for Ventura County
July 23, 2007 meeting

The monthly meeting of the Community Commission for Ventura County was held on July 23, 2007 at Public Health Building in Oxnard. There were present, representing a quorum of the Commission:

Chair – Judge Don Coleman
Co-Chair – Supervisor Kathy Long

County Quadrant
Alan Hammerand, Probation
Judy Rivera, HSA
Meloney Roy Behavioral Health
Mike Frawley, District Attorney

City Quadrant
Mayor, Maricela Morales, Port Hueneme
Mayor Pro tem, Jacqui Irwin, Thousand Oaks

Community Quadrant
Terry Miller, Interface
Bill Burrato, VCEDA

School Quadrant
Jan Iceland, Oak Park School District
Dr. Charles Weis, Ventura County Office of Education.

Ex-Offico
Claudia Harrison, First 5

Members of the Public
Rigo Vargas, Public Health
Cathy Brudnicki, VCHHC
Joan Smith, HSA
Nancy Firment, Interface
Christy Madden, CEO
Socorro Hanson, Community Action
Peter Brown, City of Ventura

There were absent:
Supervisor John Flynn, BOS
Kathy Ventura, CEO's Office, VC
David Smith, United Way
Suzanne Kitchens, Pleasant Valley School District
Christy Weir, City of Ventura
Jan McDonald, City of Camarillo
Dr. Steve Elson, Casa Pacifica
Barbara Marquez-O'Neill, Partnership for Safe Families
Hugh Ralston, VCCF
Linda Henderson, Pubic Health
Debbie Golden, Ventura Unified school District

1. **Call to Order**

   Chair Judge Coleman called the meeting to order at 1:10 p.m., welcomed everyone.

2. **Approval of Agenda**

   ACTION: Motion to approve agenda made by Commissioner Morales, seconded by Commissioner Miller. Motion carried.

3. **Approval of CCVC Minutes from May 21, 2007**

   ACTION: Motion to approve minutes made by Commissioner Miller, seconded by Commissioner Rivera. Motion carried.

4. **Public /Commissioner Comments and Correspondence**

   Kathy Back, Annie Casey Program Coordinator, Probation Department, talked about the need to provide a shelter program for youth aged 10-17 and those aging out of the foster care system (18-24). There is no facility in Ventura County providing this service. She brought information about a program in Santa Barbara, Noah's Anchorage, which does provide such a service. The YMCA, with various funding sources, operates the program. Discussion followed as the need of such services here in Ventura county and possible funding resources. Kathy will follow up with Commissioner Rivera, HSA, and Probation to work on this possibility as well as setting up a tour of the Santa Barbara program.

5. **Standing Committee Update**

Homeless Standing Committee – Joan Smith, Chair, reported that the Committee had met for the last time in June and would be handing over to the Interagency Council on Homelessness one project remaining on their work plan which is a survey of providers regarding homeless information on service provider applications.

Substance Abuse Standing Committee – Commissioner Roy discussed what the committee had been doing regarding the training for medical providers in the area of FASD. This is still on the table and in the process of looking for funding to provide this training. Supervisor Long indicated that she had attended a conference and Ventura County was regarded as a model for the Social Host legislation that has been passed in this County. Commissioner Roy stated that the Committee had been dark in July and will be in August and will start back up in September. Patrick Zarate will be leading this committee as Commissioner Roy has been promoted to head the Behavioral Health Department.

Obesity Standing Committee – Rigo Vargas, reported that the Standing Committee had completed their work plan for the forth-coming year. Specifically, the CCVC standing Committee will be working on providing another training forum for city/county/private planners to talk about including health related issues in their planning process. The Standing Committee has chosen the "built environment" as its focus issue.

6. **Advisory Committee Updates**

First 5 -Commissioner Harrison reported that an RFA was being published on this date for the Partners for Parents Support. The purpose of the program is to help parents navigate through the social service system. Also, the poster contest for oral health has been completed and those posters will hang in the Hall of Administration at the Government Centers. There will be a public information campaign promoting "reading to your child". Other First 5's in the state will be promoting this campaign as well.

211 – Commissioner Miller introduced the new director for this program, Mary Firment, who distributed updated statistical data for the 211 program.

7. **Discussion of Revised by-laws**

Chuck Watson provided the Commissioners with the revised bylaws for their review. Two points of discussion. On page 5, "leadership"/'department head" was left vague in order to provide latitude in the selection for the most appropriate person to fill a current need of the Commission. Also discussed was the "why" of the Executive Director also being named as an "Ex-Offico" per the new bylaws. It was decided to leave this in the bylaws. Commissioner Rivera inquired about the Children's Oversight Committee and what the relationship they had with the CCVC. Staff, Betty Krause, stated that it was the Children's Oversight Committee that had the CCVC mentioned in their bylaws and that the CCVC did not have that group in CCVC's bylaws. Chuck stated that if at a time it was desired that there be such a relationship one could be formally set up like the IACH. No action taken at this time.

8. **Action Items for CCVC Board Approval**

The Community Commission votes to accept the revised by-laws as presented. Motion by Commissioner Long and seconded by Commissioner Miller. Motion Carried

9. **The CCVC recessed to conduct business of the Interagency Council on Homelessness and will reconvene at the conclusion of the IACH.**

10. **Executive Director Report**

Strategic Planning Session- Chuck stated that he had talked with Lauri Flack and had set the time to be at our November meeting. Chuck stated he wanted it to be a planning session to establish long-term goals. The session would run noon to 4:00 pm.

Update of the 2006 CCVC Report – He would like to publish another report and focus it to report on the areas of schools, cities, county and community areas. A suggestion was made that "town-hall meetings could be conducted by the existing standing committee's to get input from the community as to what the needs are in each of these areas and what they would recommend to the CCVC. All agreed that this was a good idea. Neither action taken nor date set to start this process.

Homeless Policy- Chuck raised the issue of purposeful re-investment of monies in the area of homelessness. Discussion followed. Peter Brown, from the City of Ventura urged the Commission to look at page 35 of the 10 Year Plan as a guide. No action taken.

11. **New Business**

Commissioner Morales handed out information regarding support of AB 1 and SB 32 regarding Health Coverage for Children. She also reminded the Commission about the Breakfast Seminar on Health Care Legislation that was happening Wednesday July 25th in which the CCVC was a co-sponsor. The seminar was free but people must register.

12. Adjournment at 3:10pm

AMENDED AND RESTATED BYLAWS OF

Community Commission for Ventura County,

An association organized for the public's benefit

The Community Commission for Ventura County has been developed to represent and include a broad coalition of interested parties and health, education, human and community service networks across Ventura County including cities, schools, public agencies, nonprofit and community based organizations, the private sector, parents and parent organizations.

The Community Commission dedicates decisions and actions to improving the quality of life and ensuring the safety, health and success of all Ventura County children and families; recognizes and supports cultural, racial and ethnic diversity through both its composition and the policies it advocates; enhances services at the local level through the communication, collaboration and coordination of public and private health, education and human services providers; and ensures decisions and action plans are evidence-based, supplemented by local data, and implemented to achieve best practices.

The Community Commission is recognized through resolutions by the Ventura County Board of Supervisors, local City Councils, and School Boards of Trustees. It is anticipated that on occasion certain references to the Community Commission shall be contained within local ordinances, statutes, or regulations. When such a reference is made delegating authority or articulating a group of eligible individuals needed for decision making, it is understood that in that context the Community Commission means the commissioners designated in Article VI - Section 2.

ARTICLE I - NAME

The name of this Organization shall be the Community Commission for Ventura County (hereafter referred to as "CCVC").

ARTICLE II - OFFICES

SECTION 1. PRINCIPAL OFFICE

The principal office for the transaction of the business of the CCVC ("principal executive office") shall be fixed and located at such place as the Commissioners shall determine. The Commission may change the principal office from one location to another.

SECTION 2. OTHER OFFICES

The Commission, at any time, may establish branch or subordinate offices at any place or places where the CCVC is qualified to do business.

ARTICLE III - OBJECTIVES AND PURPOSES

The CCVC advocates for policies that improve the quality of life for children and families in Ventura County through promoting high quality services that maximize available community resources in a collaborative environment.

The CCVC advocates on behalf of children, families and their communities to improve coordination, collaboration and partnerships that recognize cultural diversity and promote safety, health and success.

The primary role of the CCVC is to be the central forum for bringing together service providers, experts, advocates and interested parties to formulate plans and allocate available resources to meet the needs and issues of children and families in Ventura County.

In that the role of providing a central forum is based on maintaining a neutral and objective planning process, it is therefore expressly stated that the CCVC shall not directly provide client services except through sub-contracts with or through the independent action of its commissioners, associates and partners. This is not meant to preclude CCVC from acquiring resources that provide funding to CCVC efforts to promote collaboration through shared infrastructure and management support efforts that the CCVC might provide to those client-serving agencies with who CCVC is in partnership.

Within the context of this central forum, the CCVC has the following goals:

1. To advocate children and families are a priority and for the allocation of adequate resources to ensure their continued safety, health and success..
2. To gather and disseminate reliable information on the status of children and families in Ventura County to the community, policy makers and service providers, and advocate for improved services.
3. To enhance services to children and families by facilitating improved communication, collaboration and coordination among health, education and human services providers.

ARTICLE IV - DEDICATION OF FINANCIAL INTERESTS AND ASSETS

All funds raised exclusively by and for the operation of the CCVC shall be administered through its designated fiscal agent and used solely for CCVC

purposes. It is expected that all funds available for providing "direct services" be sub-contracted to appropriate local organizations in good standing. This is not meant to preclude the retention of appropriate resources to provide for administrative support, planning, coordination and evaluation activities conducted by CCVC staff. CCVC budgets and any resulting consultant contracts shall be adopted in consultation with the CCVC Co-Chairs.

ARTICLE V MEMBERSHIP

SECTION 1. MEMBERS

The CCVC shall have no legally defined members. Any action which would otherwise require approval by a majority of all members or approval by the members shall require only approval of the Commission.

SECTION 2. ASSOCIATES

Nothing in this Article V shall be construed as limiting the right of the CCVC to refer to persons affiliated with it as "members" even though such persons are not members. The setting of dues levels at any particular time is considered the prerogative of the Commission.

ARTICLE VI COMMISSIONERS

SECTION 1. POWERS

(a) General Powers. Subject to any limitations in these bylaws relating to action required to be approved by the commissioners, the business and affairs of the CCVC shall be managed, and all corporate powers shall be exercised, by or under the direction of the Commission.

(b) Specific Powers. Without prejudice to these general powers, and subject to the same limitations, the Commission shall have the power to:

(i) Select and remove all officers and agents; prescribe any powers and duties for them that are consistent with law and with these bylaws,

(ii) Change the principal executive office or the principal business office in the State of California from one location to another.

SECTION 2. NUMBER AND QUALIFICATION OF COMMISSIONERS

The authorized number of commissioners shall be thirty-six (36), as shall be fixed from time to time by the Commission. All attempts will be made to balance the distribution of representation with respect to gender, ethnicity,

geography, relevant expertise (expertise with services for children and families) and diverse perspectives.

Each of the categories will have members (Elected Officials and Executive Staff) as defined below:

- COMMUNITY SERVICE ORGANIZATIONS – Six Seats Total
  Six (6) seats representing Community Organizations including representatives from any of the following:
  - Nonprofit Community Organizations (nonprofits and faith-based organizations that actively provide direct services to children and families in Ventura County)
  - Community Task Forces and Commissions
  - Community Service Organizations and
  - Early childhood providers

- SCHOOLS – Six Seats Total
  Six (6) seats representing Education include:
  The Ventura County Office of Education and five other representatives (3 Elected Officials minimum) from any of the following:
  - School Board Trustees for K-12 Districts
  - School District Superintendents
  - School Board Trustee and/or Chancellor for the Community College District
  - Other Education Related Representatives (Non-Public School, College, Adult Education, Vocational School, etc.)

- CITIES & SPECIAL DISTRICTS – Six Seats Total
  Six (6) seats representing the Cities and Special Districts within Ventura County including representatives (3 Elected City Council Members minimum) from any of the following:
  - City Council Members
  - City Executive Staff (City Manager, etc.)
  - City Department Leadership (Chief of Police, Parks and Recreation, etc.)
  - Special District Commissioners or Executive Staff of special districts focused on services for children and families.

- VENTURA COUNTY – Eight Seats Total
  Eight (8) seats representing the County of Ventura including:
  Two (2) members from the Board of Supervisors and six (6) additional members in any combination from the following:

- Elected County Officials (District Attorney's Office, Sheriff, Auditor Controller, Assessor, Clerk-Recorder, Treasurer, etc.)
- Ventura County Department Leadership (Probation, Workforce Investment, Public Health, Human Services Agency, Behavioral Health, VCMC, etc.)
- Commissions (Mental Health Advisory Board, Workforce Investment Board, etc)

- AT-LARGE – Six Seats Total
  Three (3) seats representing the community at large based on creating a balanced and diverse Commission through the addition of individuals with unique skills and perspectives. Three of these seats may include but are not limited to representatives from the following:
  - Business Community (Chamber of Commerce, VCEDA, individual business, etc.)
  - Healthcare Community (Physicians, Dentists, Therapists, etc.)
  - Consumer Community (PTA, individual consumer, etc.)
  - Individual Citizens

  Three (3) seats are available for appointment by the Ventura County Board of Supervisors at their pleasure and for their own purposes. It is not intended that these seats be continuously filled but remain available for appointment as needed.

- EX-OFFICIO – Four Seats Total

In addition to the 32 regular commission seats there shall be four (4) ex-officio (non-voting) seats on the Commission including the Presiding Judge of the Ventura County Juvenile Court, the Ventura County CEO's Office, the Executive Director of First 5 Ventura County and the Executive Director of the CCVC.

The Commission reserves the right to observe the intent while not observing the specifics of this distribution if it feels that improving other diversity elements is more compelling.

SECTION 3. – RESPONSIBILITIES OF COMMISSIONERS

The Commission is the primary operating and policy making body. It will be the role of the Commissioners to research, evaluate, study, assess and prepare the information on issues that affect children and families in Ventura County and, to the extent appropriate (based on the membership wishes, Commission directives and regulatory constraint), publicize, educate, and advocate that those issues which positively affect children and families be supported and that those issues which negatively affect children and families be opposed.

It will be the role of the Commission to develop appropriate methods to distribute funds under its authority to meet the needs of children, families and their communities as identified by community planning and research efforts.

It will be the role of the Commission to provide governance and policy setting functions on behalf of the CCVC.

SECTION 4. ELECTION AND TERM OF OFFICE OF COMMISSIONERS

Commissioners shall be elected at each annual meeting of the Commission to hold office for three (3) years. One-third (1/3) of the members of the Commission will be elected each year in order to insure staggered terms. If an annual meeting is not held or the commissioners are not designated at any annual meeting, they may be designated at any special meeting held for that purpose. Except as provided in Section 7, each commissioner, including a commissioner designated to fill a vacancy or designated at a special commissioners' meeting, shall hold office until expiration of the term for which designated and until a successor has been designated and qualified.

SECTION 5. INTERESTED PERSONS AND CONFLICTS OF INTEREST

All activities and initiatives of the CCVC are meant to benefit the children, families and communities throughout Ventura County. It is understood that in asking for representative participation, informed experts, elected officials and individuals with responsibilities pertaining to the system of care within Ventura County participating in the CCVC may encounter conflicts of interest.

It is required that any commissioner who may have a conflict of interest or believes that there might be the appearance of a conflict, openly declare such a situation. The commissioner shall abide by the policy set by the Commission pertaining to appropriate action in the case of conflict of interest.

SECTION 6. VACANCIES

(a) Any commissioner may resign effective upon giving written notice to the Commission, unless the notice specifies a later time for the effectiveness of such resignation. If the resignation is effective at a future time, a successor may be selected before such time, to take office when the resignation becomes effective.

(b) Vacancies of the Commission shall be filled in the same manner as the commissioner whose office is vacant was selected, provided that any vacancy to be filled by election by commissioners may be filled by a majority of the remaining commissioners, although less than a quorum, or by a sole remaining commissioner at any regular or special meeting of the Commission. Each

commissioner so selected shall hold office until the expiration of the term of the replaced commissioner and until a successor has been selected and qualified.

In deference to the spirit of inclusiveness and diversity, vacancies as a general rule are filled using a nomination process for each category from their respective organizational body or a caucus of organizations representing the appropriate category or a CCVC Advisory group in good standing. Such a nomination will then be considered by the Commission in filling any vacancy.

(c) A vacancy on the Commission shall be deemed to exist in case of the death, resignation or removal of any commissioner or an increase in the authorized number of commissioners.

(d) The Commission may declare vacant the office of a commissioner who has been declared of an unsound mind by a final order of the court, or convicted of a felony, or been found by a final court or judgment of any court to have breached any duty arising under Sections 5230 through 5238 of the Law. Subject to Section 5222(f) of the Law, the Commission may also remove any commissioner without cause if the removal is approved by a majority of the commissioners then in office.

(e) No reduction of the authorized number of commissioners shall have the effect of removing any commissioner prior to the expiration of the commissioner's term of office.

(f) The Commission may remove and declare vacant the office of a commissioner who fails to attend, without excuse acceptable to the Commission, three (3) consecutive meetings the Commission.

SECTION 7. PLACE OF MEETING

Regular and special meetings of the CCVC shall be held within Ventura County, except in cases specified in the Ralph M. Brown Act.

SECTION 8. ANNUAL MEETINGS

The Commission shall hold an annual meeting for the purposes of organization, election of commissioners and officers and the transaction of other business. Annual meetings of the Commission shall be held on such dates and at such times as may be fixed by the Commission.

SECTION 9. REGULAR MEETINGS

The date, time and place of regular meetings will be established by agreement of the Commission. Meetings are open to the public. All meetings

shall be called, noticed, held, and conducted in accordance with provisions of the Ralph M. Brown Act.

SECTION 10. SPECIAL MEETINGS

Special meetings of the Commission for any purpose or purposes may be called twenty-four (24) hours prior to the special meeting time by the CCVC Commission Chair or by a majority of commissioners by delivering notice to each commissioner and to each local newspaper of general circulation, radio or television station requesting notice in writing.

SECTION 11. NOTICE AND AGENDA

At least seventy-two (72) hours prior to each regular meeting, notice of and an agenda for the regular meeting will be sent to each commissioner and to any person who has filed a written request for notice. Notice will also be posted at least seventy-two (72) hours prior to the regular meeting at a location that is freely accessible to the public. The agenda for all meetings will contain a brief description of each item of business to be transacted or discussed at the meeting. The CCVC shall conduct its business in accordance the rules and procedures articulated in the Brown Act.

SECTION 12. QUORUM

One-third (1/3) of the total number of seated commissioners shall constitute a quorum for the transaction of normal business. Every act or decision done or made by a majority of the commissioners present at the meeting duly held at which a quorum is present shall be regarded as the act of the Commission. Actions that legally obligate the organization , involve financial transactions or amend the by-laws require an affirmative vote of at least 51% of the seated commissioners regardless of whether quorum was met. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of commissioners, if any action taken is approved by at least a majority of the required quorum for that meeting.

SECTION 13. PARTICIPATION IN MEETINGS BY CONFERENCE TELEPHONE

Commissioners may participate in a meeting of the Commission, or a committee meeting, through use of a conference telephone or similar communications equipment as long as such a teleconference complies with all relevant rules, regulations and legal statutes.

SECTION 14. PARTICIPATION IN MEETINGS BY ALTERNATES

A commissioner may select an alternate to represent him or her at a regular CCVC meeting, provided the commissioner participates in at least 50

percent of regular meetings. Commissioners must provide oral or written permission for an alternate to represent him or her. No commissioner shall use a "proxy" (a written authorization signed by a commissioner or the commissioner's attorney in fact giving another person or persons power to vote on behalf of such commissioner) as a means to defining an alternate.

SECTION 15. WAIVER OF NOTICE

Actions taken at any meeting of the Commission, however called and noticed or wherever held, shall be as valid as though taken at a meeting duly held after regular call and notice, if (i) a quorum is present, and (ii) either before or after the meeting, each of the commissioners not present signs a written waiver of notice, a consent to holding the meeting, or an approval of the minutes. The waiver of notice or consent need not specify the purpose of the meeting. All waivers, consents, and approvals shall be filed with the corporate records or made a part of the minutes of the meeting. Notice of a meeting shall also be deemed given to any commissioner who attends the meeting without protesting before or at its commencement about the lack of adequate notice.

SECTION 16. ADJOURNMENT

A majority of the commissioners present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

SECTION 17. NOTICE OF ADJOURNMENT

Notice of the time and place of holding an adjourned meeting need not be given unless the meeting is adjourned for more than twenty-four (24) hours, in which case personal notice of the time and place shall be given before the time of the adjourned meeting to the commissioners who were not present at the time of the adjournment.

SECTION 18. RIGHTS OF INSPECTION

Every commissioner shall have the absolute right at any reasonable time to inspect and copy all books, records and documents of every kind and to inspect the physical properties of the CCVC.

SECTION 19. STANDING OR SPECIAL COMMITTEES

(a) In the event that the Commission determines that the management of the CCVC would be benefited by the establishment of one or more standing or special committees, the Commission may from time to time establish one or more such committees.

(b) The establishment of a standing or special committee shall be affected by a resolution of the Commission approved by the vote of the majority of the commissioners then in office, which specifically sets forth the

powers and duties delegated to such committee. Each such committee shall consist of at least one (1) commissioner who shall preside as co-chair of that committee.

(c) The term "standing committee" or "special committee" shall mean any committee appointed by the Commission which is authorized by special delegation, without further Commission action, to make and implement decisions on behalf of the Commission, or to implement, with some degree of discretion, decisions of the Commission pursuant to guidelines established by the Commission. Notice of, and procedures for, meetings for outstanding or special committees shall be as prescribed by the chairman of each such standing or special committee, and meetings of the standing or special committees may be called by the Commission or the chair of the standing or special committee.

(d) The Executive Committee shall consist of the officers and such members of the Commission as may be designated by the Chair.

SECTION 20. LIMITATIONS UPON COMMITTEES OF THE COMMISSION

No committee of the Commission shall have any of the authority of the Commission with respect to:

(a) The filling of vacancies on the Commission or any committee which has the authority of the Commission;

(b) The fixing of compensation of the commissioners for serving on the Commission or on any committee which has the authority of the Commission;

(c) The amendment or repeal of bylaws or the adoption of new bylaws;

(d) The amendment or repeal of any resolution of the Commission which by its express terms is not so amendable or repealable;

(e) The appointment of other committees of the Commission or the members thereof if such committee will have the authority of the Commission;

(f) The expenditure of corporate funds to support of nominee for commissioner after there are more people nominated for commissioner than can be elected.

SECTION 21. COMMUNITY ADVISORS

The Commission shall appoint Community Advisors, who are not commissioners, from time to time to serve as members of CCVC Committees and time-limited Focus Groups as deemed appropriate to promote and accomplish the CCVC objectives. The CCVC strongly believes in consumer participation in planning and will encourage children, youth and families to participate in the activities and mission of the CCVC through this structure.

Membership as a Community Commission for Ventura County (CCVC) Community Advisor is unlimited and open to any interested party upon

nomination by any Commission member. Qualifications for membership shall include:

1. Being a stakeholder in the wellbeing of Ventura County's children and families;
2. Supporting the purpose of the Commission;
3. Committing to regularly attending and participating in appropriate CCVC Committee and/or Focus Group meetings.

It will be the role of a Community Advisor to actively pursue improvements in the service delivery system for children and families through the encouragement and support for increased collaboration, coordination and communication. While it is not the role of the CCVC to judge its members or to tell them what to do, it is appropriate to actively encourage innovation and change that result in improved efficiency and effectiveness. This process may or may not result in seeking regulatory waivers at the state and federal level.

When the CCVC elects to form a Focus Group for the purposes of obtaining a wider array of community input, a CCVC Focus Group chair(s) will be appointed by the CCVC Chair based on any or all of the following factors: willingness to serve, leadership skills, commitment to the focus group's goals and the recommendations of other Community Advisors. All recommendations of said Focus Group shall be submitted to the CCVC for approval.

Notice of, and procedures for, meetings of Focus Groups shall be as prescribed by the chairman of each such Focus Group. Such meetings may also be called by the Commission or the chairman of the Focus Group.

SECTION 23. FEES AND COMPENSATION OF COMMISSIONERS

Commissioners and Community Advisors shall serve without compensation, but necessary expenses incurred by them in the performance of their duties may be reimbursed by the CCVC. This is not meant to exclude an organization that is represented within the CCVC from applying or receiving (after fair deliberation that adheres to the conflict of interest policy) funding allocations or recommendations that fall within the purview of the CCVC. Nor is it meant to preclude the fair compensation of the CCVC Executive Director who sits as an Ex-Officio member of the CCVC.

Subject to the provisions of this Article VI, nothing contained in these bylaws shall be construed to preclude any commissioner from serving the CCVC in any other capacity as an officer, agent, employee or otherwise, and receiving compensation therefore.

ARTICLE VII - OFFICERS

SECTION 1. OFFICERS

The officers of the CCVC consist of the CCVC Co-Chair (Presiding Judge of the Juvenile Court and Ventura County Board of Supervisors) and five (5) vice chairs (one each representing the County, Community, Schools, City and At-Large Commissioners. Any number of offices may be held by the same person.

SECTION 2. ELECTION OF OFFICERS

The Co-Chairs of the Commission shall be Presiding Judge of the Juvenile Court and a CCVC Commissioner from the Ventura County Board of Supervisors. All other officers of the CCVC, except those appointed in accordance with the provisions of Section 3 of this Article VII, shall be chosen by the Commission, and each shall serve at the pleasure of the Commission, subject to the rights, if any, of an officer under any contract of employment.

SECTION 3. SUBORDINATE OFFICERS

The Commission may appoint, and may authorize the CCVC Chair or another officer to appoint, any other officers or CCVC-affiliated persons or that the business of the CCVC may require, each of whom shall have the title, hold office for the period, have the authority and perform the duties specified in the bylaws or determined from time to time by the Commission.

SECTION 4. REMOVAL OF OFFICERS

Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, with or without cause, by the Commission at any regular or special meeting of the Commission, or, except in the case of an officer chosen by the Commission, by an officer upon whom such power of removal may be conferred by the Commission.

SECTION 5. RESIGNATION OF OFFICERS

Any officer may resign at any time by giving written notice to the CCVC. Any resignation shall take effect at the date of the receipt of that notice or at any later time specified in that notice and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation shall be without prejudice to the rights, if any, of the CCVC under any contract to which the officer is a party.

SECTION 6. VACANCIES IN OFFICES

A vacancy in any office because of death, resignation, removal, disqualification or any other cause shall be filled only in the manner prescribed in these bylaws for regular appointments to that office.

SECTION 7. RESPONSIBILITIES OF OFFICERS

The Co-Chairs shall preside at all Commission meetings, and appoint, with the advice of the Commission, all committee chairs. The Chair shall perform such other duties as shall be imposed by resolution of the CCVC.

The Vice-Chairs shall perform the duties of the Chair in the Chair's absence. In the event that both Co-Chairs are simultaneously unable to complete his/her terms, a designated Vice-Chair shall act until the office is filled. The Vice-Chairs shall also perform such other duties as may be assigned by the Commission.

Together, the Co-Chairs and Vice-chairs shall constitute the CCVC Executive Committee, which shall consult with and assist the CCVC Executive Director in accomplishing the mission of the CCVC. In particular it is the Executive Committees duty to provide leadership for Strategic Planning and in securing ongoing CCVC operational funding.

ARTICLE VIII - RECORDS AND REPORTS

SECTION 1. MAINTENANCE OF CCVC RECORDS

The CCVC shall keep:

(a) Adequate and correct books and records of account;

(b) Minutes in written form of the proceedings of its Commission and committees of the Commission;

(c) A record of its commissioners and associates, if any, giving their names and addresses.

All such records shall be kept at the CCVC's principal executive office or, if it's principal executive office is not in the State of California, at its principal business office in this state.

SECTION 2. MAINTENANCE AND INSPECTION OF ARTICLES AND BYLAWS

The CCVC shall keep at its principal executive office or, if its principal executive office is not in the State of California, at its principal business office in this state, the original or a copy of the Articles and Bylaws as amended to date, which shall be open to inspection by the commissioners and associates at all reasonable times during office hours. If the principal executive office of the CCVC is outside the State of California and the CCVC has no principal business office in this state, the Secretary, on the written request by any commissioner, shall furnish to that commissioner a copy of the Articles and Bylaws as amended to date.

SECTION 3. INSPECTION BY COMMISSIONERS

Every commissioner shall have the absolute right at any reasonable time to inspect all books, records and documents of every kind and the physical properties of the CCVC and each of its subsidiary organizations. This inspection by a commissioner may be made in person or by an agent or attorney, and the right of inspection includes the right to copy and make extracts of documents.

ARTICLE IX- AMENDMENT OF BYLAWS BY COMMISSIONERS

The Commission may adopt, amend or repeal these bylaws at any regular meeting, provided notice of any proposed amendment has been submitted to the Commission ten (10) days prior to said regular meeting. Such power is subject to the limitation that if any provision of these bylaws requires the vote of a larger proportion of the commissioners than otherwise required by law, such provision may not be altered, amended or repealed except by vote of such larger number of commissioners.

Subject

VENTURA COUNTY ORDINANCE AMENDING DIVISION 1,CHAPTER 3, ARTICLE 5 OF THE COUNTY ORDINANCE CODE, BEGINNING AT SECTION 1360, DEALING WITH CULTURAL HERITAGE

Comments

ORDINANCE NO. 4225
AN ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS AMENDING DIVISION 1, CHAPTER 3, ARTICLE 5 OF THE VENTURA COUNTY ORDINANCE CODE, BEGINNING AT SECTION 1360, DEALING WITH CULTURAL HERITAGE

Sec. 1360. TITLE. This Article shall be known as and may be cited as the "Cultural Heritage Ordinance".

Sec. 1361. PURPOSE AND FINDINGS The purpose of this Ordinance is to promote the economic and general welfare of the County of Ventura by preserving and protecting public and private historic, cultural and natural resources which are of special historical or aesthetic character or interest, or relocating or recreating such resources where necessary for their preservation and for their use, education, and view by the general public. All such efforts are taken to make the citizens of this County, and visitors and tourists mindful of the rich historical, cultural, and natural heritage of the County.

The Board of Supervisors finds that the County's cultural heritage is constantly being impacted by the removal, demolition, earthquakes and other alterations of sites and structures as documented in the Ventura County Historic Preservation Plan. To offset this adverse impact on our cultural environment, the Board finds that strengthening efforts to preserve and protect this heritage combined with incentives for those willing to participate in this effort are necessary. This strengthening will also benefit economic and general welfare of this County and, therefore, the Board finds that the changes as developed and recommended in the Ventura County Historic Preservation Plan are necessary.

Sec. 1362. APPLICABILITY OF ORDINANCE. The Cultural Heritage Ordinance shall have force and effect only in the unincorporated areas of the County. However, any designated Districts, Landmarks, Sites of Merit, or Points of Interest (hereafter referred to as designated Cultural Heritage Sites) existing as of the effective date of this Ordinance, regardless of their location in the County, shall retain their declared status.

At any time in the future, if the territory upon which a Designated Cultural Heritage Site is annexed to any city, it shall also retain its designated status.

Sec. 1363. CULTURAL HERITAGE BOARD. The Cultural Heritage Board is hereby established, the membership and term of appointment of which shall be as follows:

Sec. 1363-1. Supervisorial Appointees. One person who has demonstrated interest in and knowledge of historic preservation and the cultural resources of the County shall be selected by each of the five members of the Board of

Supervisors, and confirmed by a majority of the Board of Supervisors thus providing representation from each Supervisorial District.

Where feasible, Board members shall be appointed from among professionals in the disciplines of architecture, history, architectural history, planning, archaeology or other historic preservation-related disciplines, such as urban planning, American studies, American civilization, cultural geography or cultural anthropology, to the extent that such professionals are available in the community; or persons who have demonstrated special interest, competence, experience or knowledge in historic preservation, American studies, cultural anthropology, cultural geography or other historic preservation-related disciplines.

Sec. 1363-2. Cultural Heritage Board Appointment of Members At Large. Two additional County residents who have demonstrated special interest, competence, experience or knowledge in historic preservation, American studies, cultural anthropology, cultural geography or other historic preservation-related disciplines shall be selected by the five Supervisorial appointed members.

Sec. 1363-3. Term of Appointment. The term of appointment of the Supervisorial appointees shall be for four years corresponding to the established dates of regular Supervisorial terms of office.

If for any reason an incumbent Supervisor's term of office is interrupted, the appointed Cultural Heritage Board member from that District shall remain in service on the Board until the new Supervisor from that area appoints a replacement member.

The term of appointment of Cultural Heritage Board appointees shall be four years, commencing from the date of appointment.

Sec. 1364. FUNCTIONS AND POWERS. The functions and powers of the Cultural Heritage Board shall be:

Sec. 1364-1. Establishment and Evaluation of Potentially Eligible Cultural Heritage Sites. The Cultural Heritage Board shall establish, update and maintain a list of buildings, structures, objects, and sites (including natural features) of historical, architectural, community or aesthetic merit which are considered potentially eligible for Cultural Heritage designation. Said list may include, but not be limited to, those officially designated by agencies of the state or federal government and found in surveys approved by the Cultural Heritage Board. A list of potentially eligible designated Cultural Heritage Sites shall be made available to the County Resource Management Agency and the fact of inclusion on the list shall be made known to each owner of such sites. Said list shall contain a statement indicating, where appropriate, that sites are private

and not open to the public. If owners protest inclusion, the information will be kept confidential and unpublished.

Sec. 1364-2. Hold Public Hearings. Hold public hearings for the purposes of identifying and designating Cultural Heritage Sites, and removing such designations.

Sec. 1364-3. Forward Recommendations. The Cultural Heritage Board shall make recommendations to policy makers and related staff members on issues related to the preservation and enhancement of cultural, historic and natural features in the County.

Sec. 1364-4. Maintain Local Register of Historic Places. Maintain a current list of all designated Federal, State, County and City cultural heritage sites. This information shall be made available to the public. A list of designated Cultural Heritage Sites shall be made available to the County Resource Management Agency and the fact of inclusion on the list shall be made known to each owner of such site.

Sec. 1364-5: Recommend Placement in the California Register of Historical Resources. Recommend to the Board of Supervisors that the County apply to the appropriate state agency to have County designated Cultural Heritage Sites be included in the State Registration of Historical Resources, "State Point of Interest" or sites which have historical significance, which meet state registration criteria, and where the registration would assist in preservation.

Sec. 1364-6. Establish Markers. Determine which designated Cultural Heritage Sites shall be marked with uniform and distinctive markers, the text and design of which shall be approved by the Board.

Sec. 1364-7. Recommend Zoning. Recommend to the Board of Supervisors that a specific property or area be designated a historic or scenic zone.

Sec. 1364-8. Establish Bylaws. Adopt such Bylaws as are necessary to carry out the purpose and intent of this Article.

Sec. 1364-9. Recommend Amendments. Recommend to the Board of Supervisors amendments to this Ordinance when circumstances indicate.

Sec. 1364-10. Designation of Cultural Heritage Sites. Take steps necessary to preserve Cultural Heritage sites when not in conflict with the public health, safety, and general welfare. Such steps may include the creation of civic and citizens' committees; the establishment of a private fund for the acquisition or restoration of such sites; recommendations that such sites be acquired by a governmental agency where private acquisition is not feasible; and recommendations regarding applications for, and administration of, historical property contracts pursuant to Government Code section 50280 et seq.

Sec. 1364-11. Conduct Surveys. Establish criteria and conduct or cause to be conducted comprehensive surveys in conformance with Federal and State survey standards and guidelines for cultural heritage resources within the boundaries of the County which the Board, on the basis of information available or presented to it, has reason to believe may be eligible for designation. Publicize and periodically update the surveys' results. Said surveys will include all Federal and State designated Cultural Heritage sites. Said list shall contain a statement indicating, where appropriate, that sites are private and not open to the public. If owners protest inclusion, the information will be kept confidential and unpublished.

Sec. 1364-12. Conduct Reviews. Adopt standards for reviewing applications for permits to construct, change, alter, modify, remodel, remove or significantly affect any Designated Cultural Heritage Sites or those potentially eligible for such designation. This Section applies only to sites not requiring a Certificate of Appropriateness.

a. Review and comment upon the conduct of land use, housing and redevelopment, and other types of planning and programs undertaken by any agency as they relate to designated potential or eligible Cultural Heritage Sites.

b. Prior to issuance of zoning clearances, building permits, or approval of subdivisions, review all applications for permits, environmental assessments, environmental impact reports, environmental impact statements, and other similar documents as set forth in this Ordinance, pertaining to designated and potentially eligible Cultural Heritage Sites. The County Resource Management Agency shall forward all such documents to the Cultural Heritage Board for action at their next scheduled meeting, or designated staff for such minor proposals as designated by resolution of the Cultural Heritage Board for review and comment, prior to approval by that Agency; and

c. Review the actions and proposed actions, and advise all public agencies concerning the effects of their actions, programs, capital improvements or activities on designated and/or potentially eligible Cultural Heritage Sites.

Sec. 1365. DESIGNATION OF CULTURAL HERITAGE SITES.

Sec. 1365-1. The Cultural Heritage Board shall have the authority to designate Cultural Heritage Sites where the property owner has no objection to a site's designation.

From the time the Cultural Heritage Board adopts its recommendation until the time the Board of Supervisors either declares or determines not to declare the cultural heritage site, the time period involved not to exceed 90 days, the

property owner shall be prohibited from defacing, demolishing, adding to, altering or removing the landmark.

Where the property owner objects to said designation prior to final action by the Cultural Heritage Board, the action of the Cultural Heritage Board shall become a recommendation to the Board of Supervisors which has the final authority. Any aggrieved party may appeal a decision of the Cultural Heritage Board to the Board of Supervisors by filing an appeal with the Planning Director within 10 days of the subject decision.

Sec. 1365-2. After a public hearing, preceded by a 15 day notice to property owners, the Cultural Heritage Board may designate sites as: Districts, Landmarks, Sites of Merit, including all County approved surveyed sites with a National Register status code of 5 or above; or Points of Interest if the applicable standards of Sections 1365 and 1366 are met.

Sec. 1365-3. The Cultural Heritage Board may designate a site on an interim basis for no more than 60 days after said decision while it conducts and assesses evaluations/surveys of the site to determine if it should receive a formal designation as a Cultural Heritage Site. Such designation shall be preceded by a 15 day notice to property owners.

Sec. 1365-4. Removal of Designation. Removal shall be preceded by a 15-day notice to the property owner. If a Designated Cultural Heritage Site is defaced, demolished, added to, altered or moved, and the Cultural Heritage Board determines that the site's integrity has been significantly impacted, the Cultural Heritage Board may remove its designation. Said decision may be appealed to the Board of Supervisors within 15 days.

Sec. 1365-5. DEFINITION AND DESIGNATION CRITERIA FOR CULTURAL HERITAGE SITES. For purposes of this Ordinance, an improvement, natural feature or site may become a designated Cultural Heritage Site if it meets the following applicable criteria:

a. Landmarks -Satisfy one of the following criteria:

(1) It exemplifies or reflects special elements of the County's social, aesthetic, engineering, architectural or natural history;

(2) It is associated with events that have made a significant contribution to the broad patterns of Ventura County or its cities, regional history, or the cultural heritage of California or the United States;

(3) It is associated with the lives of persons important to Ventura County or its cities, California, or national history;

(4) It has yielded, or has the potential to yield, information important to the prehistory or history of Ventura County or its cities, California or the nation.

(5) It embodies the distinctive characteristics of a type, period, region, or method of construction, or represents the work of a master or possesses high artistic values;

(6) Integrity: Establish the authenticity of the resource's physical identity by evidence of lack of deterioration and significant survival of the characteristics that existed during its period of importance. This shall be evaluated with regard to the retention of location, design, setting, materials, workmanship, feeling and association.

b. Sites of Merit - Satisfy the following criteria:

(1) Sites of historical, architectural, community or aesthetic merit which have not been designated as landmarks or points of interest, but which are deserving of special recognition; and

(2) County approved surveyed sites with a National Register status code of 5 or above.

c. Points of Interest - Satisfy any one of the following criteria.

(1) That is the site of a building, structure or object that no longer exists, but was associated with historic events, important persons or embodied a distinctive character or architectural style; or

(2) That it has historical significance, but has been altered to the extent that the integrity of the original workmanship, materials or style has been substantially compromised; or

(3) That the site of a historic event which has no distinguishable characteristics other than that a historic event occurred at that site, and the site is not of sufficient historical significance to justify the establishment of a landmark.

d. District - Meets the criteria below:

(1) Possesses a significant concentration, linkage, or continuity of sites, buildings, structures, or objects united historically or aesthetically by plan or physical development.

(2) Has precisely mapped and defined exterior boundaries, which requires a description of what lies immediately on the edge of the district to allow rational exclusion of adjoining areas.

(3) Has at least one of the criteria for significance of Section 1365-5.a. 1-8

(4) Complies with the criteria for integrity contained in Section 1365-5.a.6.

Sec. 1365-6. ADDITIONAL DESIGNATION STANDARDS. In addition to meeting the criteria in Sec. 1365-5 et seq, all the following standards must be met before a site becomes a designated Cultural Heritage Site:

a. It shall have historic, aesthetic or special character or interest for the general public, and not be limited in interest to a special group of persons;

b. Its designation shall not require the expenditure by the County of Ventura of any amount of money not commensurate with the value of the object to be preserved; and

c. Its designation shall not infringe upon the rights of a private owner thereof to make any and all reasonable uses thereof which are not in conflict with the purposes of this Article.

Sec. 1366. Certificate of Appropriateness (COA): Certificates of Appropriateness shall be required for the following categories of sites only: 1. Landmark 2. Points of Interest 3. Demolition of Sites of Merit 4. Demolition of potential sites 5. Designated Cultural Heritage Sites seeking a Planned Development Permit pursuant to Section 8107-37 of the Ventura County Zoning Ordinance. Certificates of Appropriateness (and as they may be conditioned) are authorizations issued by the Cultural Heritage Board, or support staff in accordance with criteria adopted by the Board, which indicate that the proposed maintenance, alteration, restoration, rehabilitation, remodeling, addition, change of use, demolition, relocation, or subdivision of a designated Cultural Heritage Site will not adversely affect its cultural heritage values; or unduly compromise the eligibility of a potential site to become a designated Cultural Heritage Site.

Sec. 1366-1. Prior to commencement of or receipt of necessary permits for maintenance, alteration, restoration, rehabilitation, remodeling, addition, change of use, demolition, subdivision or relocation, of designated Cultural Heritage Sites or sites potentially eligible for such designation, the land owner shall have:

a. obtained a Certificate of Appropriateness from the Cultural Heritage Board or staff, as the Board may delegate such authority, or

b. filed for a COA and waited the time specified in Section 1366-5 without any action being taken on his request for a COA; or

c. filed for a Certificate of Appropriateness and the relevant time specified in Section 1366-8 has expired;

Sec. 1366-2. The County Resource Management Agency and other applicable County agencies shall report any application for a permit to work on a designated Cultural Heritage Site or potentially eligible site to the Cultural Heritage Board and its staff as soon as the application has been received;

Sec. 1366-3. In evaluating requests for Certificates of Appropriateness, the Cultural Heritage Board and staff shall consider the existing architectural style, design, arrangement, texture, materials, and any other factors with regard to the site's original distinguishing characteristics. Using the Secretary of the Interior's Standards for Historic Preservation Projects as a guide, the Cultural Heritage Board or its staff, as delegated, shall approve a Certificate of Appropriateness, for any proposed work site if, and only if, one of the following findings can be made:

a. The proposed work will neither adversely affect the significant architectural features nor adversely affect the character of historical, architectural or aesthetic interest or value of the site.

b. In the case of construction of a new improvement, addition, building or structure upon the site, the use and exterior of such construction will not adversely affect, and will be compatible with the use and, or exterior of the site.

c. The denial of a Certificate of Appropriateness will deprive the owner of the property of all reasonable use of or economic return on the property.

d. If the applicant presents facts and clear evidence demonstrating that failure to approve the request for a Certificate of Appropriateness will cause a hardship because of conditions peculiar to the structure or other feature involved, or damage to the property owner is unreasonable in comparison to the benefit conferred to the community, the Board may conditionally approve such Certificate, even though it does not meet the standards set forth herein.

e. If the request for a COA involves a non-designated site and the proposed work would not compromise the potential future designation of the site.

Sec. 1366-4. Requests for Certificates of Appropriateness shall be signed by the land owner or their designated agent and filed with the County's Resource Management Agency for processing. Requests shall include plans and specifications, and the relationship of the proposed work to the surrounding environs. The request shall be accompanied by any other information the Cultural Heritage Board determines is required to make an informed judgment of the proposed work according to the standards of review pursuant to Section 1364-12.

Sec. 1366-5. If the Cultural Heritage Board or staff, as applicable, fails to act on a request for a Certificate of Appropriateness within ninety (90) days of submission of a complete COA application, a Certificate of Appropriateness shall not be required; proposed projects on undesignated and designated Cultural Heritage Sites may proceed without an approved COA, provided an action is not pending on the designation of the site, and all other necessary permits have been obtained.

Sec. 1366-6. If no building, planning or other permit is required to pursue work on a designated Cultural Heritage Site or potentially eligible site, where the owner has been notified of the site's eligible status; whoever is responsible for the work, whether it is the tenant, resident or property owner, shall apply to the Cultural Heritage Board staff directly for the appropriate authorization pursuant to Sec. 1364-12 or Sec. 1366.;

Sec. 1366-7. The Cultural Heritage Board or staff may disapprove the issuance of said Certificate or Certificates for any proposed work if, and only if, it makes one of the following applicable findings:

a. The proposed project is to remove or demolish a designated Cultural Heritage site that is determined by the Cultural Heritage Board to be significant and important to the history of the County.

b. The proposed project would adversely affect the historical significance of the site or would not be compatible with the use and/or exterior of the designated Cultural Heritage site.

c. The proposed project would adversely affect the eligibility of a potential site to become a designated Cultural Heritage Site.

A decision of staff may be appealed to the Cultural Heritage Board and a Board decision may be appealed to the Board of Supervisors within 15 days of notification of the decision.

Sec. 1366-8. If the request for a Certificate of Appropriateness for a specific project proposal is denied by the Cultural Heritage Board or staff, the property owner of a designated Cultural Heritage Site shall be prohibited from taking action for 180 days from the date of the disapproval. Not-withstanding the provisions of section 1366-7 or any other provision of the Cultural Heritage Ordinance, following the date of denial of a complete Certificate of Appropriateness application by the Ventura County Cultural Heritage Board or by staff, a Certificate of Appropriateness shall not be required as follows: (a) in the case of a designated or interim basis Cultural Historical Site, one hundred eighty (180) days beyond; and (b) in the case of an undesignated site, immediately following such denial. Said decisions may be appealed to the Board of Supervisors within 15 days or decisions by staff may be appealed to

the Cultural Heritage Board within 15 days. There is no waiting period following the denial of a COA for projects on sites not designated an interim or formal Cultural Heritage Site.

Sec. 1366-9. Non-Action After Certificate of Appropriateness. If the property owner has not acted on the Certificate of Appropriateness within one year and 180 days from the date the Cultural Heritage Board or staff approved such action, the Certificate of Appropriateness shall be void.

Sec. 1367. ACQUISITION OF DESIGNATED CULTURAL HERITAGE SITES. If the decision is made that the historical significance of any designated site justifies the expenditure of public funds, acquisition proceedings may be initiated. If the Board of Supervisors finds a site to be of historical significance and public funds are not available, private funds may be used for acquisition or other arrangements may be made that are satisfactory to the property owner.

Sec. 1368. MUNICIPAL CULTURAL HERITAGE. The Cultural Heritage Board, at the request of a city, may serve as the city's Cultural Heritage Board. However, the provisions of this Ordinance, unless adopted by the City Council, shall have force and effect only in the unincorporated area of the County.

Sec. 1369. FUNDS. The Cultural Heritage Board, or other interested persons, may petition the Board of Supervisors for funds necessary to carry out the purposes of this Article. The Board of Supervisors may expend all reasonable amounts of money needed to carry out the purposes of this Article or to acquire fee title or such lessor ownership rights or rights of possession or negative easements as it deems necessary or expedient to carry out the purposes of this Article.

Sec. 1370. COOPERATION. The Cultural Heritage Board shall cooperate with all County departments and officers when requested, and shall recommend for their consideration matters covered by this Ordinance. All Boards, Commissions, Departments, and Officers of the County shall cooperate with the said Cultural Heritage Board in carrying out the spirit and intent of this Ordinance and shall:

Sec. 1370-1. Notify the Cultural Heritage Board of the discovery of items of historical significance, such as burial grounds, prehistoric artifacts or historical foundations;

Sec. 1370-2. Inform the Board of proposed alteration, demolition or relocation of Designated Cultural Heritage Sites or sites eligible for such designation;

Sec. 1370-3. Inform the Board of proposed changes of all road and geographical names; and

Sec. 1370-4. Inform the Board of all County records of historical significance which are to be disposed of or destroyed.

Sec. 1371. EXPENSES. The necessary and reasonable expenses to the operation of the Cultural Heritage Board, as outlined in Section 1364, shall be the responsibility of the County.

Sec. 1372. STATE HISTORIC BUILDING CODE. The California State Historic Building Code (SHBC) provides alternative building regulations for the rehabilitation, preservation, restoration or relocation of structures designated as cultural resources. The SHBC shall be used for any designated site in the County's building permit procedure.

Sec. 1373. DEFINITIONS. Application of Definitions: Unless the provision or context otherwise requires, the definitions of words and terms as follows shall govern the construction of this Chapter.

"Board" or Cultural Heritage Board". The Ventura County Cultural Heritage Board established by this Ordinance.

"Certificate of Appropriateness". Ventura County Cultural Heritage Board or staff issued authorizations which indicate that the proposed subdivision, rezoning, maintenance, acquisition, stabilization, preservation, reconstruction, protection, alteration, restoration, rehabilitation, remodeling, addition, change of use, demolition, relocation, change, remodeling or other project affecting a potential or designated Cultural Heritage Site will not adversely affect its cultural heritage values; or unduly compromise the eligibility of a potential site to become a designated one.

"Cultural Heritage". Pertaining to the sum total of traditions, body of knowledge, etc. inherited as possessions, characteristics, or conditions expressing a traditional way of life subject to gradual, but continuous modifications by succeeding generations.

"Cultural Heritage Site". An improvement, natural feature, site or district that has completed the legally required procedures stipulated in this Ordinance to have it designated by the Ventura County Cultural Heritage Board or the Ventura County Board of Supervisors as a District, Landmark, Site of Merit or Point of Interest.

"District". An area possessing a significant concentration, linkage, or continuity of sites, buildings, structures, or objects united historically or aesthetically by plan or physical development. Historic districts are defined by precise geographic boundaries. Therefore, those with unusual boundaries require a description of what lies immediately adjacent in order to define the edge of the district and to explain the exclusion of adjoining areas.

"Historic fabric". (1) With regard to an historic building, "historic fabric" means the particular materials, ornamentation, and architectural features which are consistent with the historic character of the building. (2) With regard to an historic district, "historic fabric" means all sites, buildings, structures, features, objects, landscaping, street elements, and related design components of the district which are consistent with

the historic character of the district. (3) With regard to an archaeological district, "historic fabric" means sites, standing structures or buildings, historic landscape (land disturbance such as grading or construction), features (remnants of walls), and objects (artifacts) which are consistent with the historic character of the district.

"Landmark". An improvement, natural feature or site of historical, architectural, community or aesthetic merit which meets the criteria specified in this Ordinance and has been so designated by the Ventura County Cultural Heritage Board or the Ventura County Board of Supervisors according to the provisions of this Ordinance.

"Owner". Those individuals, partnerships, corporations, or public agencies holding fee simple title to a resource. The term does not include individuals, partnerships, corporations or public agencies holding easements or less than fee simple interests, including leaseholds

"Point of Interest". The location of, or site of, a former improvement or natural feature or of an event possessing historical or cultural characteristics which satisfy the provisions of this Ordinance.

"Potential Cultural Heritage Site". An improvement, natural feature or site of historical, architectural, community or aesthetic merit which may meet the criteria specified in this Ordinance and has not yet been officially designated by the Ventura County Cultural Heritage Board or the Ventura County Board of Supervisors as a District, Landmark, Site of Merit or Point of Interest.

"Preservation" (treatment). The act or process of applying measures to sustain the existing form, integrity, or historic fabric of an historical building or structure, or the form or vegetative cover of an historic site. It may include stabilization work, as well as ongoing maintenance of the historic fabric.

"Protection" (treatment). The act or process of applying measures to affect the physical condition of an historical resource by guarding it from deterioration, loss, or attack by natural causes, or to cover of shield it from threat of danger or harm. In the case of buildings or structures, these measures are usually temporary; however, with regard to archaeological resources, protective measures may be temporary or permanent.

"Reconstruction (treatment). The act or process of reproducing through construction the exact form and detail of a vanished building, structure, or object, or any part thereof, as it appeared at a specified period of time.

"Rehabilitation (treatment). The act or process of returning a property to a state of utility through repair or alteration which makes possible an efficient contemporary use while preserving those portions or features of the property which are significant to its historical, architectural and cultural values.

"Restoration" (treatment). The act or process of reproducing the exact form and detail of a vanished building, structure, or object, or a part thereof, as it appeared at a specific period of time.

"Secretary of the Interior's Standards". The United States Secretary of the Interior's Standards for the Treatment of Historic Properties with Guidelines for Preserving, Rehabilitating, Restoring, and Reconstructing Historic Buildings, or the Secretary of the Interior's Standards for Rehabilitation and Guidelines for Rehabilitating Historic Buildings (1995), Weeks and Grimmer, or as most currently promulgated.

"Site". Any parcel or portion of real property, or location of a significant event, a prehistoric or historic occupation or activity, or a building or structure, whether standing, ruined, or vanished, where the location itself possesses historic, cultural, or archaeological value regardless of the value of any existing structure.

"Site of Merit". Sites of historical, cultural, architectural or aesthetic merit which have not been officially otherwise designated and have been surveyed according to Federal standards as required by Ventura County's Certified Local Government agreement. Said sites shall also be listed in a County approved survey with a National Register status code of 5 or above and have been so designated by the Ventura County Cultural Heritage Board or the Ventura County Board of Supervisors according to the provisions of this Ordinance.

"Stabilization" (treatment). The act or process of applying measures designed to establish a weather resistant enclosure and the structural stability of an unsafe or deteriorated property, or one which a has the potential to deteriorate or to become unsafe, while maintaining the essential form as it exists at present.

"State Historic Building Code". The State Historical Building Code is contained in Part 8 of Title 24 (State Building Standards Code) and applies to all qualified historical structures, districts, and sites designated under federal, state, or local authority. It provides alternatives to the Uniform Building Code in cases consistent with building regulations for the rehabilitation, preservation, restoration or relocation of qualified historic structures designated as historic buildings.

Passed and adopted this 12th day of December, 2000, by the following vote:

AYES: Supervisors:

Lacey, Schillo, Flynn and Long.

NOES: Supervisor Mikels.

ABSENT: None.

SUMMARY OF
AMENDMENTS TO THE VENTURA COUNTY CULTURAL HERITAGE ORDINANCE
VENTURA COUNTY ORDINANCE NO. 4225

The following is a summary of Cultural Heritage Ordinance amendments adopted by the Ventura County Board of Supervisors on December 5, 2000 at 800 South Victoria Avenue at 1:30 p.m. A full copy of the Ordinance is posted at the Office of the Clerk of the Board of Supervisors, 800 South Victoria Avenue, Hall of Administration, Ventura, California. The Ordinance provides as follows:

In Section 1361. Purpose and Findings.
Amends to explain rationale supporting strengthening the Ordinance.

In Section 1362. Applicability of Ordinance
Adds Districts, Sites of Merit, and designated Cultural Heritage Sites.
Deletes prohibition against defacement of such sites

In Section 1364-1. Functions and Powers. Evaluation
Deletes and replaces with "Establishment and Evaluation of Potentially Eligible Cultural Heritage Sites" which provides for a list of said sites and notification to owners.

In Section 1364-2. Public Hearings.
Modifies to provide for designating Cultural Heritage Sites.

In Section 1364-3. Recommendations.
Deletes reference to prohibition against altering a site after the Ventura County Cultural Heritage Board determines to designate; said provisions to be located in Section 1365.

In Section 1364-4. Inventory.
Deletes title and replaces with "Maintain Local Register of Historic Places".
Adds the inclusion of State and Federal Sites.
Adds requirement that owners be notified.

In Section 1364-5. State Registration.
Deletes title and replaces with "Recommend Placement in the California Register of Historical Resources".
Modifies to be consistent with new California Register.

In Section 1364-6. Markers.
Modifies to refer to Cultural Heritage Sites
Adds that text and design to be approved by Board.

In Section 1364-7. Zoning.
Deletes reference to landmark or point of interest and substitutes property or area.

In Section 1364-8. Bylaws and Section 1364-9. Amendments.

Modify titles to "Establish Bylaws" and "Recommend Amendments".

In Section 1364-10. Preservation of Landmarks and Points of Interest.

Deletes title and replaces with "Designation of Cultural Heritage Sites".

Modifies to be consistent with new title.

In Section 1364-11. Surveys.

Modifies title to "Conduct Surveys".

Adds reference to State and Federal sites.

In Section 1364-12. Reviews.

Modifies title to "Conduct Reviews".

Adds reference to Cultural Heritage Sites.

Requires review for sites not requiring a Certificate of Appropriateness.

In Section 1365. Declaration of Cultural Heritage Sites.

Modifies title to "Designation of Cultural Heritage Sites"

In Section 1365-1.

Creates authority for Ventura County Cultural Heritage Board to designate Cultural Heritage Sites where there is no objection and prohibits changes to said site for 90 days.

Adds that if owner objects the matter shall be referred to the Ventura County Board of Supervisors (deleting similar provision in Section 1365-2 as a matter of reorganization).

In Section 1365-2.

Adds Districts and Sites of Merit (Sites with National Register status code of 5 or above).

In Section 1365-3

Adds provision for interim designation for 60 days for assessment to be preceded by a 15 day notice to owner (replacing similar provision in Section 1364-3 as a matter of reorganization).

In Section 1365-4.

Adds provision that removal of designation be preceded by a 15 day notice to owner.

Deletes provision for objection by owner and replaces with an appeal to the Ventura County Board of Supervisors.

In Section 1365-5. Landmark Definition and Designation Criteria.

Modifies title to "Definition and Designation Criteria for Cultural Heritage Sites"

Adds reference to Cultural Heritage Sites.

Modifies criteria for such sites to be consistent with State and Federal criteria.

In Section 1365-6. Standards.

Modifies title to "Additional Designation Standards".

In Section 1366. Certificate of Appropriateness.

Adds provision for specific sites requiring such Certificates.

Defines requirements for such Certificates.

In Section 1366-1

Adds provisions for requirement of Certificates of Appropriateness prior to start of necessary permits.

In Section 1366-2

Modifies requirement for notification to Ventura County Cultural Heritage Board for work on designated sites.

In Section 1366-3

Adds provision for staff approval of certain projects and other minor amendments.

In Section 1366-4

Adds provision for requests for Certificates to be signed by the owner.

In Section 1366-5

Adds requirement for a complete Certificate of Appropriateness application prior to action..

Adds provision that projects may move forward if other actions are not pending.

In Section 1366-6

Adds provision for owner notification.

In Section 1366-7

Adds provision for staff approval of certain Certificate of Appropriateness applications.

Adds provision for appeals and other minor modifications.

In Section 1366-8

Adds provision that following the denial of a Certificate of Appropriateness that other Certificate of Appropriateness permits shall not be required 180 days thereafter.

Adds provision for appeal to the Ventura County Board of Supervisors within 15 days of decision.

In Section 1366-9

Minor grammatical changes.

In Section 1367. Landmarks

Modifies title to Acquisition of Designated Cultural Heritage Sites.

Other minor modifications.

In Section 1370. Cooperation.

Minor reorganization and modifications.

Section 1373. Structures of Merit

Deletes.

In Section 1373

Addition of new section, "Definitions."

Adds Definitions: Ventura County Cultural Heritage Board, Certificate of Appropriateness, Cultural Heritage, Cultural Heritage Site, District, Historic Fabric, Landmark, Owner, Point of Interest, Potential Cultural Heritage Site, Preservation (treatment), Protection (treatment), reconstruction (treatment), Rehabilitation (treatment), Restoration (treatment), Secretary of the Interior's Standards, Site, Site of Merit, Stabilization (treatment), State Historic Building Code.

This Ordinance was adopted by the following vote:

AYES: Supervisors Lacey, Schillo, Flynn and Long.

NOES: Supervisor Mikels.

ABSENT: None.

SUMMARY OF AMENDMENTS TO THE VENTURA COUNTY CULTURAL HERITAGE ORDINANCE

The following is a summary of Cultural Heritage Ordinance amendments adopted by the Ventura County Board of Supervisors on December 5, 2000 at 800 South Victoria Avenue at 1:30 p.m. A full copy of the Ordinance is posted at the Office of the Clerk of the Board of Supervisors, 800 South Victoria Avenue, Hall of Administration, Ventura, California. The Ordinance provides as follows:

In Section 1361. Purpose and Findings.

Amends to explain rationale supporting strengthening the Ordinance.

In Section 1362. Applicability of Ordinance

Adds Districts, Sites of Merit, and designated Cultural Heritage Sites.

Deletes prohibition against defacement of such sites

In Section 1364-1. Functions and Powers. Evaluation

Deletes and replaces with "Establishment and Evaluation of Potentially Eligible Cultural Heritage Sites" which provides for a list of said sites and notification to owners.

In Section 1364-2. Public Hearings.

Modifies to provide for designating Cultural Heritage Sites.

In Section 1364-3. Recommendations.

Deletes reference to prohibition against altering a site after the Ventura County Cultural Heritage Board determines to designate; said provisions to be located in Section 1365.

In Section 1364-4. Inventory.

Deletes title and replaces with "Maintain Local Register of Historic Places".

Adds the inclusion of State and Federal Sites.

Adds requirement that owners be notified.

In Section 1364-5. State Registration.

Deletes title and replaces with "Recommend Placement in the California Register of Historical Resources".

Modifies to be consistent with new California Register.

In Section 1364-6. Markers.

Modifies to refer to Cultural Heritage Sites

Adds that text and design to be approved by Board.

In Section 1364-7. Zoning.

Deletes reference to landmark or point of interest and substitutes property or area.

In Section 1364-8. Bylaws and Section 1364-9. Amendments.

Modify titles to "Establish Bylaws" and "Recommend Amendments".

In Section 1364-10. Preservation of Landmarks and Points of Interest.

Deletes title and replaces with "Designation of Cultural Heritage Sites".

Modifies to be consistent with new title.

In Section 1364-11. Surveys.

Modifies title to "Conduct Surveys".

Adds reference to State and Federal sites.

In Section 1364-12. Reviews.

Modifies title to "Conduct Reviews".

Adds reference to Cultural Heritage Sites.

Requires review for sites not requiring a Certificate of Appropriateness.

In Section 1365. Declaration of Cultural Heritage Sites.

Modifies title to "Designation of Cultural Heritage Sites"

In Section 1365-1.

Creates authority for Ventura County Cultural Heritage Board to designate Cultural Heritage Sites where there is no objection and prohibits changes to said site for 90 days.

Adds that if owner objects the matter shall be referred to the Ventura County Board of Supervisors (deleting similar provision in Section 1365-2 as a matter of reorganization).

In Section 1365-2.

Adds Districts and Sites of Merit (Sites with National Register status code of 5 or above).

In Section 1365-3

Adds provision for interim designation for 60 days for assessment to be preceded by a 15 day notice to owner (replacing similar provision in Section 1364-3 as a matter of reorganization).

In Section 1365-4.

Adds provision that removal of designation be preceded by a 15 day notice to owner.

Deletes provision for objection by owner and replaces with an appeal to the Ventura County Board of Supervisors.

In Section 1365-5. Landmark Definition and Designation Criteria.

Modifies title to "Definition and Designation Criteria for Cultural Heritage Sites"

Adds reference to Cultural Heritage Sites.

Modifies criteria for such sites to be consistent with State and Federal criteria.

In Section 1365-6. Standards.

Modifies title to "Additional Designation Standards".

In Section 1366. Certificate of Appropriateness.

Adds provision for specific sites requiring such Certificates.

Defines requirements for such Certificates.

In Section 1366-1

Adds provisions for requirement of Certificates of Appropriateness prior to start of necessary permits.

In Section 1366-2

Modifies requirement for notification to Ventura County Cultural Heritage Board for work on designated sites.

In Section 1366-3

Adds provision for staff approval of certain projects and other minor amendments.

In Section 1366-4

Adds provision for requests for Certificates to be signed by the owner.

In Section 1366-5

Adds requirement for a complete Certificate of Appropriateness application prior to action..

Adds provision that projects may move forward if other actions are not pending.

In Section 1366-6

Adds provision for owner notification.

In Section 1366-7

Adds provision for staff approval of certain Certificate of Appropriateness applications.

Adds provision for appeals and other minor modifications.

In Section 1366-8

Adds provision that following the denial of a Certificate of Appropriateness that other Certificate of Appropriateness permits shall not be required 180 days thereafter.

Adds provision for appeal to the Ventura County Board of Supervisors within 15 days of decision.

In Section 1366-9

Minor grammatical changes.

In Section 1367. Landmarks

Modifies title to Acquisition of Designated Cultural Heritage Sites.

Other minor modifications.

In Section 1370. Cooperation.

Minor reorganization and modifications.

Section 1373. Structures of Merit

Deletes.

In Section 1373

Addition of new section, "Definitions."

Adds Definitions: Ventura County Cultural Heritage Board, Certificate of Appropriateness, Cultural Heritage, Cultural Heritage Site, District, Historic Fabric, Landmark, Owner, Point of Interest, Potential Cultural Heritage Site, Preservation (treatment), Protection (treatment), reconstruction (treatment), Rehabilitation (treatment), Restoration (treatment), Secretary of the Interior's Standards, Site, Site of Merit, Stabilization (treatment), State Historic Building Code.

BOARD OF SUPERVISORS, COUNTY OF VENTURA, STATE OF CALIFORNIA

SUPERVISORS SUSAN K. LACEY, FRANK SCHILLO, KATHY I. LONG, JUDY MIKELS AND JOHN K. FLYNN

December 5, 2000 at 1:30 p.m.

222/ORD.#4220/ORD.# 4221/ORD# 4225

Public Hearing regarding County-Initiated Amendments Related to the Preservation of Cultural and Historic Resources to the Non-Coastal Portion of the Ventura County Zoning Ordinance (Chapter 1 of Division89 of the Ventura County Ordinance Code); County-Initiated Amendments to the Subdivision Ordinance (Chapter 2 of Division 8 of the Ventura County Ordinance Code); Historic Preservation Plan; County-Initiated Amendments to the Cultural Heritage Ordinance (Division 1, Chapter 3, Article 5 of the Ventura County Ordinance Code); Ventura County Cultural Heritage Survey, Phase VI, Santa Clara Valley; and Companion Staff Report General Plan Amendment No. 00-3 (Component A).

(X) All board members are present except Supervisor Flynn.

(X) The following persons are heard: Kim Hocking and Tom Berg.

(X) The Board holds a public hearing.

(X) Upon motion of Supervisor Schillo, seconded by Supervisor Lacey, and duly carried, the Board hereby approves the following Planning Commission recommendations; with Supervisor Mikels dissenting:

1. Finds the subject entitlements and programs contained within this transmittal are exempt from the California Environmental Quality Act requirements pursuant to Sections 15308 and 15331 of the CEQA Guidelines, and directs that a Notice of Exemption be filed.

With respect to the Cultural and Historic Resources Zoning Ordinance Amendments:

2. Adopts the proposed findings (Exhibit "1", Part 1.D) and Adopts the attached Ordinance #4220 (Exhibit "11"), Approved the Zoning Ordinance Amendment, as recommended by the Planning Commission.

With respect to the Cultural and Historic Resources Subdivision Ordinance Amendments:

3. Adopts the proposed findings (Exhibit "1", Part 2) and Adopts Ordinance #4221 (Exhibit "12"), Approved the Subdivision Ordinance amendment, as recommended by the Planning Commission.

(X) Upon motion of Supervisor Schillo, seconded by Supervisor Lacey, and duly carried, the Board hereby approved the following Cultural Heritage Board recommendations; with Supervisor Mikels dissenting:

4. Adopts the attached Historic Preservation Plan (Exhibit "5"), as recommended by the Ventura County Cultural Heritage Board.

With respect to the County-initiated Amendments to the Cultural Heritage Ordinance:

5. With respect to the Ordinance relating to Cultural Heritage Ordinance Amendments, the Board reads ordinance in title only and continues to December 12, 2000 at 9:00 a.m.

With respect to the Ventura County Cultural Heritage Survey, Phase VI, Santa Clara Valley:

6. Adopts the attached Survey (Exhibit "7"), as recommended by the Ventura County Cultural Heritage Board.

With respect to the Waiver of County Fees:

7. Directs staff to review the proposals for fee waivers for potential fiscal impacts and return with these items only if determined feasible as part of the Annual setting of County fees.

Planning Division

Keith A. Turner
Director

December 5, 2000 (Agenda)

Board of Supervisors
County of Ventura
800 South Victoria Avenue
Ventura, CA 93009

SUBJECT: County-Initiated Amendments Related to the Preservation of Cultural and Historic Resources to the Non-Coastal Portion of the Ventura County Zoning Ordinance (Chapter 1 of Division 8 of the Ventura County Ordinance Code); County-Initiated Amendments to the Subdivision Ordinance (Chapter 2 of Division 8 of the Ventura County Ordinance Code); Historic Preservation Plan; County-Initiated Amendments to the Cultural Heritage Ordinance (Division 1, Chapter 3, Article 5 of the Ventura County Ordinance Code); Ventura County Cultural Heritage Survey, Phase VI, Santa Clara Valley; and Companion Staff Report General Plan Amendment No. 00-3 (Component A)

RECOMMENDATIONS:

As recommended by the Planning Commission:

1. FIND the subject entitlements and programs contained within this transmittal are exempt from the California Environmental Quality Act requirements pursuant to Sections 15308 and 15331 of the CEQA Guidelines, and direct that a Notice of Exemption be filed; and

With respect to the Cultural and Historic Resources Zoning Ordinance Amendments:

2. ADOPT the proposed findings (Exhibit "1", Part 1.D) and ADOPT the attached Ordinance (Exhibit "11"), APPROVING the Zoning Ordinance Amendment, as recommended by the Planning Commission:

With respect to the Cultural and Historic Resources Subdivision Ordinance Amendments:

3. ADOPT the proposed findings (Exhibit "1", Part 2) and ADOPT the attached Ordinance (Exhibit "12"), APPROVING the Subdivision Ordinance amendment, as recommended by the Planning Commission.

As recommended by the Cultural Heritage Board:

With respect to the Historic Preservation Plan:

4. ADOPT the attached Historic Preservation Plan (Exhibit "5"), as recommended by the Ventura County Cultural Heritage Board.

With respect to the County-initiated Amendments to the Cultural Heritage Ordinance:

5. ADOPT the attached Ordinance (Exhibit "13"), APPROVING the Cultural Heritage Ordinance amendments, as recommended by the Ventura County Cultural Heritage Board; and

With respect to the Ventura County Cultural Heritage Survey, Phase VI, Santa Clara Valley:

6. ADOPT the attached Survey (Exhibit "7"), as recommended by the Ventura County Cultural Heritage Board; and

With respect to the Waiver of County Fees:

7. DIRECT staff to review the proposals for fee waivers for potential fiscal impacts and return with these items only if determined feasible as part of the Annual setting of County fees.

FISCAL/MANDATES IMPACT: The proposed fee waivers recommended in Sections 1.c and 2.a on Page 6 of this letter will have an indeterminate fiscal impact if eventually adopted. As noted in the Recommendations and discussion, these will be returned to your Board for consideration and action if found to be feasible.

DISCUSSION:

Background - In the spring of 1996 your Board, upon recommendation by the Ventura County Cultural Heritage Board, authorized an application to the State of California Historical Preservation Office for grant funds to prepare a Historic Preservation Plan. The application was successful and the Plan has been under development. The concern and impetus for the effort is the continued loss of the County's irreplaceable historic structures and sites. The goal of the work is to identify ways to better protect these resources within the County's various relevant ordinances. A working group was formed, including representatives from the Ventura County Cultural Heritage Board, Planning staff, historians and the Chief Administrative Office, to oversee the preservation plan development and to formulate the recommended strategies. The package of recommended strategies was made available for a 30-day public review. Two workshops were held during this time to receive input and comments. Notices were sent to all affected individual property owners, County museums, historical societies, cities, concerned groups and the news media.

All of the attached Ordinance amendments are presented in two formats: (A) the amendments in final Ordinance format are attached as Exhibits "11", "12", & "13" to this Board transmittal and; (B) the amendments in legislative format (with deletions to the existing Ordinance ~~lined through~~ and new wording underlined) are contained in the Planning Commission staff report (Exhibit "1", "3", "4" & "6").

Historic Preservation Plan - The Plan is comprised, among other elements, of Goals, an administrative history and agenda of potential actions for future action. The Planning Commission Staff Report, which includes the Ventura County Cultural Heritage Board Staff Report, (Exhibit "2") includes the particulars of the Plan (Exhibit "5").

The agenda for potential future action identifies preservation goals and possible supporting actions. These goals and potential actions are all consistent with the existing Board adopted Cultural Heritage Ordinance Functions and Powers, Section 1364. Any item requiring further Board of Supervisors authorization, and or funding, will be returned to your Board. The goals and actions range from further cultural heritage surveys to encouraging heritage tourism. Several actions to encourage preservation of historic structures are being recommended to your Board today.

Non-Coastal Zoning Ordinance - The Ordinance was reviewed for impediments to historic preservation and possible enhancements. A combination of deviations from existing standards and incentives, such as lot size and second dwelling unit size, and new uses, such as historic repositories and interpretive centers, to broaden preservation options is proposed. The proposals are summarized in Exhibit "A". Attached as Exhibit "11" are the amendments in Ordinance format. The Ventura County Cultural Heritage Board Staff Report, (Exhibit "2) includes the details of the proposals, and Exhibit "3" includes the amendments in legislative format.

Based on the analysis in the Staff Report and the public testimony, the Planning Commission adopted Resolution R-00-24 (Exhibit "15") on a 5-0 vote. The Resolution recommended that all of the proposed amendments be approved.

Subdivision Ordinance - Review of the Subdivision Ordinance showed that while various other resources are recognized, historic resources are not. These amendments require the following in future subdivisions if there is a potential or designated cultural heritage site in or adjacent to the map area: 1) Document historic resources with submittal of maps, 2) Design subdivision to not adversely affect historic resources, and 3) Recommend denial of maps if they have not received a Certificate of Appropriateness from the Ventura County Cultural Heritage Board. The proposals are summarized in Exhibit "B". Attached as Exhibit "2" are the amendments in Ordinance format. The Planning Commission Staff Report includes the amendments in legislative format (Exhibit "4") and the particulars of the proposals.

Based on the analysis in the Staff Report and the pubic testimony, the Planning Commission adopted Resolution R-00-24 (Exhibit "15") on a 5-0 vote. The Resolution recommended that all of the proposed amendments be approved.

Cultural Heritage Ordinance – The existing Ordinance was also examined for methods to reasonably enhance our preservation efforts as well as to rewrite the proposed Ordinance to current Ordinance readability standards.

The key change which affects private property owners is creation of a new Site of Merit category for qualified historic resources that would provide for demolition review authority by the Ventura County Cultural Heritage Board and a 180-day stay, if denied to allow time for public or private entities to purchase and relocate such historic structures. This designation applies to several hundred sites identified in previous Cultural Heritage Surveys, plus 104 of the potential landmark sites identified in the Phase VI Survey before your Board today. All affected property owners have been notified on two occasions. Also, the Ventura County Cultural Heritage Board would be granted the authority to declare Landmarks that are not protested. Attached as Exhibit "13" are the amendments in Ordinance format. The Planning Commission Staff Report includes the Ventura County Cultural Heritage Board Staff Report (Exhibit "2") and also includes the amendments in legislative format (Exhibit "6") and the particulars on this and the other changes.

Cultural Heritage Survey, Phase VI, Santa Clara Valley - This survey documents (unincorporated area) sites of historic significance within the Santa Clara Valley. One hundred four of the sites surveyed qualify as Sites of Merit and would be affected by the new Cultural Heritage Ordinance provision cited above. The Planning Commission Staff Report, which includes the Ventura County Cultural Heritage Board Staff Report, (Exhibit "2") also includes the details on this matter. A copy of the Survey (Exhibit "7") is included in your packet.

Ventura County Cultural Heritage Board (CHB) Testimony and Proposed Recommendations:

On September 25, 2000, the Ventura County Cultural Heritage Board held a public hearing on this matter in the Oxnard Public Library. For your reference, the Cultural Heritage Board Staff Report is attached as Exhibit "2", and the Cultural Heritage Board's recommendations are on the last page of Exhibit "2".

Several individuals testified:

Mr. Amestoy protested the inclusion of his property as a Site of Merit.

Mr. Walker was supportive but needs funds to help maintain the historic integrity of the site. He also recommended that the Ojai Area Plan traffic policy be amended to allow the Strategy's deviations for lot size and second dwelling units.

Mr. Gates spoke regarding his concerns for privacy.

The Ventura County Cultural Heritage Board (CHB) unanimously adopted recommendations dealing with these issues and others:

1. **Cultural Heritage Ordinance Issues**

   a. **Exclusion as a Site of Merit** - The CHB recognizes this concern as expressed at the hearing and by contacts by other property owners who requested exclusion because they object to the government regulation. Three of the properties that requested such exclusion are listed in the Cultural Heritage Board Staff Report. Since the writing of that Report, six others have contacted staff to request exclusion:

      20896 South Mountain Road
      8950 Ojai-Santa Paula Road
      Piru Elementary School
      17699 South Mountain Road
      2707 West Telegraph Road
      Various Thille properties

      Additionally, four other property owners feel the historic integrity of their property has been eroded sufficiently to justify exclusion.

      The CHB recommended considering each of the above on a case by case basis if the Cultural Heritage Ordinance (CHO) changes are adopted. The new Ordinance provides for such owner objections and referral to the Ventura County Board of Supervisors for the final decision if the Ventura County Cultural Heritage Board's decision is not acceptable to the owner.

b. **Privacy** - The Ventura County Cultural Heritage Board recommends the following changes in the existing CHO: a) Each survey shall contain a privacy statement regarding each property that is privately owned, and b) If owners protest inclusion in the published survey, the information on the property will be kept confidential and unpublished. These proposed changes have been made to the recommended CHO.

c. **Appeal fee** - The new Ordinance provides an appeal for any aggrieved party regarding any designation of a Cultural Heritage Site. The current Ventura County Board of Supervisors-adopted Fee Schedule requires an $800 deposit with a $1,250 ceiling as a fee for appeals. The Ventura County Cultural Heritage Board recommends such appeals be exempted from fees. If the Ventura County Board of Supervisors agrees with this, a separate Fee Resolution amendment is needed, which will be acted upon as part of the Board's annual action on County Fees.

2. **Non-Coastal Zoning Ordinance:**

a. **Fee waivers** - The Ventura County Cultural Heritage Board also recommends that fees be waived for Zoning and Subdivision applications pursuant to the recommended deviations. As noted in the Ventura County Cultural Heritage Board Staff Report, testimony was provided requesting fee waivers. This would provide further incentive to preserve such properties. As a somewhat similar precedent, we have a local example of the City of Oxnard recently waiving development fees on the order of $10,000 per lot to encourage infill projects.

As regards both the Appeal Fee and Permit Fee Waivers, staff recommends that these items only be returned to your Board if determined feasible after analysis of the fiscal impacts.

Planning Commission Testimony and Proposed Findings:

On October 26, 2000, the Ventura County Planning Commission held a public hearing on the proposals. For your reference, the Staff Report, with specific findings and information, is attached as Exhibit "1". One person spoke in favor of the overall recommendations and also recommended the exemption to the Ojai Area Plan. This has been supported by the Ventura County Cultural Heritage Board (addressed in the companion General Plan Amendment Staff Report).

The public notice was distributed to all affected property owners, cities to which the County provides the Cultural Heritage service, museums, historical societies, and concerned citizens and groups for review and comment. One comment letter was received subsequent to the Planning Commission meeting from attorneys for unnamed concerned property owners. The letter is attached as Exhibit "14". The comments received prior to the Planning Commission are contained in Exhibit "9".

The Chief Administrative Office and County Counsel have reviewed this item. If you have any questions concerning this item please contact Nancy Settle, Manager, Regional Projects Section at 654-2465 or Kim Hocking, Project Planner, at 654-2414.

VENTURA COUNTY CULTURAL BOARD
RULES AND REGULATIONS

1. AUTHORITY. These Rules and Regulations are adopted under the provisions of Article V of the Ventura County Ordinance relating to Historical, Cultural or Natural Landmarks, Monuments or Points of Historical Interest, adopted by the Board of Supervisors on February 13, 1968, and amended thereafter.

2. PURPOSE. The Cultural Heritage Board shall advise the Board of Supervisors and the appropriate City Councils on all archaeological, architectural, historical and related matters significant to the heritage and development of the County of Ventura and for the people of the County of Ventura,

3. MEMBERSHIP. The Cultural Heritage Board, pursuant to Section 1363 of the Ordinance, is composed of seven members. These members shall include five supervisorial appointees and two appointees selected by the supervisorial appointees. Their terms of office shall be as provided for in Section 1363 of the Ordinance.

4. ELECTION OF OFFICERS.

   A. Elected officers of the Board shall be the Chairman and Vice-Chairman. The term of office of the Chairman and Vice-Chairman shall be for one calendar year. Election of such officers shall take place at the first meeting of the Board in January of each year. There shall be a written vote if the slate consists of more than one nominee for either office. No Board member may serve more than two (2) consecutive terms in the same office.

   B. It shall be the duty of the Chairman to submit to the Cultural Heritage Board and the Board of Supervisors an annual report of the activities of the Cultural Heritage Board.

5. STANDING COMMITTEES. The following Standing Committees of the Cultural Heritage Board shall be, but not limited to: Planning Committee; Operating Committee; Finance Committee; and Public Information Committee. Each standing committee will be made up of three members of the Board and the Chairman, or Vice-Chairman in his absence, and shall meet as deemed necessary to review and make recommendations to the Cultural Heritage Board. A majority vote shall be at least tow (2) of those persons in attendance. The Deputy Director of the General Services Agency, Recreation Services. or his appointee shall serve as recording secretary. Any action approved by the Standing Committee shall be endorsed by the full Cultural Heritage Board.

6. SPECIALISTS AND EXPERTS. The Cultural Heritage Board shall appoint at any time, specialists and experts in specific fields, such as archaeology, architecture,

history, geology and urban planning. All appointments of advisors are subject to reappointment and review at the February meeting.

7. MEETINGS. The Cultural Heritage Board shall meet in regular session on the Fourth Monday of each month.

   A. Public Hearings. The Cultural Heritage Board shall hold Public Hearings as appropriate and which shall be announced at the Regular Meeting preceding the Public Hearing.

   B. Special. Special Meetings shall be at the discretion of the Chairman who must call a special meeting on the written request of four Cultural Heritage Board members.

   C. Chairmanship. In the absence of the Chairman and Vice-Chairman, the members of a quorum being present shall elect an acting Chairman.

   D. Quorum. The quorum shall consist of four (4) members of the Board. In the event that a regular member should miss a meeting, a Board appointed advisor may serve as a member of the Board in a voting capacity.

   E. Quarterly Attendance Reports. Attendance Reports shall be submitted to the Supervisors and Cultural Heritage Board. Members are expected to attend meetings regularly; more than three consecutive absences may indicate inability to meet the responsibilities of a Board member.

   F. Unavoidable Absence. A board member is expected to notify the Chairman or Secretary of his inability to attend a meeting.

8. ORDER OF BUSINESS. The Order of Business for regular meetings shall be:

   1. CALL TO ORDER and PLEDGE OF ALLEGIANCE

   2. ROLL CALL

   3. APPROVAL OF MINUTES

   4. ADOPTION OF AGENDA

   5. PUBLIC COMMENTS. This time is et aside for citizen's presentations on matters not necessarily appearing on the Agenda.

   6. UNFINISHED BUSINESS

   7. NEW BUSINESS

   8. CORRESPONDENCE

9. REPORTS

A. REPORTS OF CULTURAL HERITAGE BOARD MEMBERS

(list member names)

10. INFORMATION/ANNOUNCEMENTS

11. THINGS TO DO LIST

12. ADJOURNMENT

9. RESIGNATIONS.

A. Supervisorial Appointees. A courtesy resignation shall be submitted in writing one month prior to the close of his term of service by each supervisorial appointee to his respective supervisor, and by each Cultural Heritage Board appointee to the Chairman of the Cultural Heritage Board. Resignation, during the term of service of supervisorial appointees, shall be directed to the respective supervisor.

B. Members-At-Large Appointees. Resignation b a Member-At-Large appointee shall be addressed to the Cultural Heritage Board.

10. PROCEDURE. The Rule of the Chair shall govern procedure at meetings of the Cultural Heritage Board, subject to these provisos:

A. That the Rule of the Chair is subject to override by a majority of voting members in attendance.

B. That when considered desirable, Robert's Rules of Order shall be considered.

11. AMENDMENTS. These Rules and Regulations may be amended by the majority vote of the Cultural Heritage Board at any regular meeting after due notice of proposed amendment.

REVISED: 06-22-87 APPROVED: 06-22-87

CALIFORNIA CODES
WELFARE AND **INSTITUTIONS CODE**
SECTION **4500**-4519.7

4500. This division shall be known and may be cited as the Lanterman Developmental Disabilities Services Act.

4500.5. The Legislature makes the following findings regarding the State of California's responsibility to provide services to persons with developmental disabilities, and the right of those individuals to receive services, pursuant to this division:

(a) Since the enactment of this division in 1977, the number of consumers receiving services under this division has substantially increased and the nature, variety, and types of services necessary to meet the needs of the consumers and their families have also changed. Over the years the concept of service delivery has undergone numerous revisions. Services that were once deemed desirable by consumers and families may now no longer be appropriate, or the means of service delivery may be outdated.

(b) As a result of the increased demands for services and changes in the methods in which those services are provided to consumers and their families, the value statements and principles contained in this division should be updated.

(c) It is the intent of the Legislature, in enacting the act that added this section, to update existing law; clarify the role of consumers and their families in determining service needs; and to describe more fully service options available to consumers and their families, pursuant to the individual program plan. Nothing in these provisions shall be construed to expand the existing entitlement to services for persons with developmental disabilities set forth in this division.

(d) It is the intent of the Legislature that the department monitor regional centers so that an individual consumer eligible for services and supports under this division receive the services and supports identified in his or her individual program plan.

4501. The State of California accepts a responsibility for persons with developmental disabilities and an obligation to them which it must discharge. Affecting hundreds of thousands of children and adults directly, and having an important impact on the lives of their families, neighbors, and whole communities, developmental disabilities present social, medical, economic, and legal problems of extreme importance.

The complexities of providing services and supports to persons with developmental disabilities requires the coordination of services of many state departments and community agencies to ensure that no gaps occur in communication or provision of services and supports. A consumer of services and supports, and where appropriate, his or her parents, legal guardian, or conservator, shall have a leadership role in service design.

An array of services and supports should be established which is sufficiently complete to meet the needs and choices of each person with developmental disabilities, regardless of age or degree of disability, and at each stage of life and to support their integration into the mainstream life of the community. To the maximum extent feasible, services and supports should be available throughout the state to prevent the dislocation of persons with developmental disabilities from their home communities.

Services and supports should be available to enable persons with developmental disabilities to approximate the pattern of everyday living available to people without disabilities of the same age. Consumers of services and supports, and where appropriate, their parents, legal guardian, or conservator, should be empowered to make choices in all life areas. These include promoting opportunities for individuals with developmental disabilities to be integrated into the mainstream of life in their home communities, including supported living and other appropriate community living arrangements. In providing these services, consumers and their families, when appropriate, should participate in decisions affecting their own lives, including, but not limited to, where and with whom they live, their relationships with people in their community, the way in which they spend their time, including education, employment, and leisure, the pursuit of their own personal future, and program planning and implementation. The contributions made by parents and family members in support of their children and relatives with developmental disabilities are important and those relationships should also be respected and fostered, to the maximum extent feasible, so that consumers and their families can build circles of support within the

community.

The Legislature finds that the mere existence or the delivery of services and supports is, in itself, insufficient evidence of program effectiveness. It is the intent of the Legislature that agencies serving persons with developmental disabilities shall produce evidence that their services have resulted in consumer or family empowerment and in more independent, productive, and normal lives for the persons served. It is further the intent of the Legislature that the Department of Developmental Services, through appropriate and regular monitoring activities, ensure that regional centers meet their statutory, regulatory, and contractual obligations in providing services to persons with developmental disabilities. The Legislature declares its intent to monitor program results through continued legislative oversight and review of requests for appropriations to support developmental disabilities programs.

WELFARE AND INSTITUTIONS CODE
SECTION 4543-4548

4543. (a) Because of the vast size, complexity, and diversity of the State of California, the Legislature finds that the planning activities of the State Council on Developmental Disabilities depend upon the direct involvement of local representatives familiar with the structure and operation of services and programs for persons with developmental disabilities. The Legislature further finds that the legal, civil, and service rights of persons with developmental disabilities cannot be adequately guaranteed throughout the state, and the state plan cannot be implemented, unless monitoring responsibility is established on a regional basis through area boards on developmental disabilities.

(b) For administrative purposes and to ensure compliance with federal and state laws, the area boards shall be attached to the state council.

4544. The area boards in existence as of January 1, 2003, shall continue to exist, within the same geographic regions of the state after January 1, 2003, but shall thereafter be constituted and shall operate according to this article.

4545. The State Council on Developmental Disabilities shall periodically conduct a thorough review of the geographic boundaries served by area boards to determine whether existing area board boundaries should be changed, or additional area boards should be established to more effectively implement this division. In conducting this review, the state council shall seek input from area boards, persons with developmental disabilities, family members, service providers, advocates, and other interested parties. Prior to recommending the establishment of new geographic boundaries, the state council shall hold a public hearing within any existing area board geographic area affected by the proposed change. The state council shall submit to the Governor and the Legislature any recommendations for changes in area board boundaries or

recommendations that additional area boards be established. Any area board established after January 1, 2003, shall nominate a member to be appointed by the Governor as a voting member of the state council pursuant to Section 4521.

4546. After January 1, 2003, area boards shall be comprised as follows:

(a) For areas consisting of one to four counties, the area board shall consist of a total of 12 voting members appointed by the governing bodies of the counties, each county appointing an equal number of voting members, and five voting members appointed by the Governor.

(b) For areas consisting of five to seven counties, the area board shall consist of two voting members appointed by the governing body of each county, and five voting members appointed by the Governor.

(c) For areas consisting of eight or more counties, the area board shall consist of one voting member appointed by the governing body of each county, and five members appointed by the Governor.

Of the members first appointed, five shall serve for one year, five shall serve for two years, and the remaining members shall serve for three years. Subsequent members shall serve for three years. In counties with a population of more than 100,000, no member shall serve more than two consecutive three-year terms.

(d) The governing bodies of the counties in each area shall select their appointees from among the following groups, and, to the extent feasible, in the following proportions:

(1) Sixty percent from persons with developmental disabilities or the immediate relatives, guardians, or conservators of these persons.

(2) Forty percent from representatives of the general public.

(e) The appointments made by the Governor shall meet the requirements of paragraph (1) of subdivision (b) of Section 4521.

(f) (1) Prior to making their appointments, the Governor and the governing bodies of counties shall request recommendations from professional organizations, from organizations within the area representing persons with developmental disabilities, and from organizations and agencies within the area that deliver services to these individuals.

(2) In making their appointments, the Governor and the governing bodies of counties shall appoint persons who have demonstrated interest and leadership in human service activities.

(g) (1) In order to prevent any potential conflicts of interest, voting members of area boards shall not be employees of a state, local, or private agency or facility that provides service to a person with a developmental disability, or be members of the governing board of any entity providing this service, when the service is funded in whole or in part with state funds.

(2) For purposes of this section "employees of a state, local, or private agency or facility that provides services to a person with a developmental disability" shall not be deemed to include any of the following:

(A) A parent, relative, guardian, or conservator who receives public funds expressly for the purpose of providing direct services to his or her child, relative, ward, or conservatee, respectively, who is a person with a developmental disability.

(B) A person with a developmental disability who receives employment services through a provider receiving state or federal funds.

(C) A person who serves as a member of the state council.

(h) The Governor shall give consideration to the relative populations of the counties within the area in selecting appointees to the area boards.

(i) A member may continue to serve following the expiration of his or her term until the Governor or appointing body of the county appoints that member's successor. The state council shall notify the Governor or the appointing body of the county regarding membership requirements of the area boards and shall notify the Governor or the appointing body of the county at least 60 days before a member's term expires, and when a vacancy on an area board remains unfilled for more than 60 days.

(j) All members of the area board shall be residents of the area.

(k) The members of an area board shall serve without compensation, but shall be reimbursed for any actual and necessary expenses incurred in connection with the performance of their duties as members of the board or of committees established by the board.

4547. (a) Each area board shall meet at least quarterly, and on call of the board chairperson, as often as necessary to fulfill its duties. All meetings and records of the area board shall be open to the public.

(b) (1) Each area board shall, by majority vote of the voting

members, elect its own chairperson from among the appointed members who are persons with developmental disabilities, or parents, immediate relatives, guardians, or conservators of these persons, and shall establish any committees it deems necessary or desirable. The board chairperson shall appoint all members of committees of the area board.

(2) An area board may call upon representatives of all agencies receiving state funds, for assistance and information, and shall invite persons with developmental disabilities, their parents, immediate relatives, guardians, or conservators, professionals, or members of the general public to participate on area board committees.

(3) When convening any task force or advisory group, the area board shall make its best effort to ensure representation by consumers and family members representing the community's multicultural diversity.

4548. (a) Area boards shall locally assist the state council with the implementation of subtitles A and B of Title I of Public Law 106-402 (42 U.S.C. Sec. 15001 et seq.).

(b) Area boards shall protect and advocate the rights of all persons in the area with developmental disabilities.

(c) Area boards shall conduct capacity building activities and provide advocacy for systemic change.

(d) (1) The area board shall have the authority to pursue legal, administrative, and other appropriate remedies to ensure the protection of the legal, civil, and service rights of persons who require services or who are receiving services in the area. In carrying out this responsibility, area boards may appoint a representative to assist the person in expressing his or her desires and in making decisions and advocating his or her needs, preferences, and choices, where the person with developmental disabilities has no parent, guardian, or conservator legally authorized to represent him or her and the person has either requested the appointment of a representative or the rights or interests of the person, as determined by the area board, will not be properly protected or advocated without the appointment of a representative.

(2) Where there is no guardian or conservator, the person's choice, if expressed, including the right to reject the assistance of a representative, shall be honored. If the person does not express a preference, the order of preference for selection of the

representative shall be the person's parent, involved family member, or a volunteer selected by the area board. In establishing these preferences, it is the intent of the Legislature that parents or involved family members shall not be required to be appointed guardian or conservator in order to be selected. Unless the consumer expresses otherwise, or good cause otherwise exists, the request of the parents or involved family members to be appointed the representative shall be honored.

(3) Where appropriate pursuant to this section, the area board shall appoint a representative to advocate the rights and protect the interests of a person residing in a developmental center for whom community placement is proposed pursuant to Section 4803.

(4) The area board shall identify any evidence of the denial of these rights, shall inform the appropriate local, state, or federal officials of their findings, and shall assist these officials in eliminating all forms of discrimination against persons with developmental disabilities in housing, recreation, education, health and mental health care, employment, and other service programs available to the general population.

(e) Area boards shall conduct, or cause to be conducted, public information programs for consumers, families, professional groups, and for the general public, to increase professional and public awareness of prevention and habilitation programs, and to eliminate barriers to social integration, employment, and participation of persons with developmental disabilities in all community activities.

(f) Area boards shall encourage and assist in the establishment or strengthening of self-advocacy organizations led by individuals with developmental disabilities.

(g) (1) To the extent that resources are available, area boards shall review the policies and practices of publicly funded agencies that serve or may serve persons with developmental disabilities, to determine if the programs are meeting their obligations under local, state, and federal laws. A regional center may notify the area board when the regional center believes a publicly funded program is failing to meet its obligations in serving persons with developmental disabilities. The regional center may provide the area board with a comprehensive summary of the issues and the statute or regulation alleged to be violated. If the area board finds that the agency is not meeting its obligations, the area board shall inform the director and the managing board of the noncomplying agency, in writing, of its findings.

(2) Within 15 days, the agency shall respond, in writing, to the

area board's findings. Following receipt of the agency's response, if the area board continues to find that the agency is not meeting its obligations, the area board shall pursue informal efforts to resolve the issue.

(3) If, within 30 days of implementing informal efforts to resolve the issue, the area board continues to find that the agency is not meeting its obligations under local, state, or federal statutes, the area board shall conduct a public hearing to receive testimony on its findings.

(4) If the problem has not been resolved within 30 days following the public hearing, the area board may provide the state council with its findings and may request authorization to initiate legal action.

An area board shall not initiate legal action without prior authorization from the state council. However, the area board may assist any other person, agency, or organization that may pursue litigation related to the area board's findings.

(5) The executive director of the state council shall review the findings developed pursuant to this subdivision and may conduct additional factfinding investigations. The executive director shall report his or her findings to the state council within 30 days and shall recommend a course of action to be pursued by the council, the area board, or other state administrative or legislative officials.

(6) The state council shall review the report of the executive director and shall take any action it deems necessary to resolve the problem. If the state council authorizes the area board to initiate legal action, the state council shall make legal assistance available to the area board pursuant to the legal services provisions of Public Law 106-402 (42 U.S.C. Sec. 15001 et seq.).

(h) Area boards shall encourage the development of needed services and supports of good quality that do not result in duplication, fragmentation of services, and unnecessary expenditures. Prior to providing additional funds for major expansion of existing programs, creation of new programs, or establishment of pilot projects to test new methodologies of service delivery for persons with developmental disabilities within an area board catchment area, the department or regional center, as appropriate, shall consult with the area board regarding the appropriateness of those program developments.

(i) In carrying out their review functions, area boards shall solicit the advice of knowledgeable professionals, consumers, and consumer representatives about problems within the service delivery system in the region. In enacting this article, it is the intent of the Legislature that the area boards not duplicate the functions assigned to other agencies that are routinely responsible for

monitoring, regulating, or licensing programs for persons with developmental disabilities. Area boards may call upon these agencies for information and assistance in order to carry out their responsibilities more effectively. Unless otherwise prohibited by law, these agencies shall provide information requested by the area boards, and shall cooperate fully in complying with all reasonable requests for assistance.

(j) (1) Area boards shall remain informed about the quality of services in the area, and shall inform appropriate state and local licensing agencies of alleged fire, safety, health, or other violations of legally established standards, in any facility providing service to persons with developmental disabilities, that may be brought to the attention of the area board.

(2) If an area board receives evidence of criminal misconduct by an individual or agency funded in whole or in part with state funds under this division, the area board shall immediately inform appropriate public safety agencies about the alleged misconduct.

(k) (1) Area boards shall cooperate with county coordinating councils on developmental disabilities, other regional planning bodies, and consumer organizations in the area. Area boards shall comply with the reasonable requests of these groups and may request the assistance of the groups in carrying out area board responsibilities.

(2) The governing body of any county within the area may request that the area board study or investigate programs in the county for persons with developmental disabilities. The area board shall cooperate with county governments to the fullest extent possible within the limitations of the resources of the board.

(l) Each area board shall submit to the state council a summary of its activities and accomplishments in the previous year. The state council, in consultation with area boards, shall determine the timing of, and format for, this summary.

(m) It is the intent of the Legislature that area boards shall maintain local discretion in conducting their advocacy activities. The state council shall not direct the advocacy activities of the area boards, except when specifically authorized by law, or when necessary to ensure compliance with federal requirements.

BYLAWS

ARTICLE I
NAME

The name of this state agency shall be Developmental Disabilities Board, Area IX, hereinafter referred to as "Area Board IX" or "The Board".

ARTICLE II
PURPOSE AND FUNCTIONS

SECTION 1: Area Board IX was established by, and shall operate under the authority of, and in accordance with the provisions of the Lanterman Developmental Disabilities Services Act, Chapters 1-12, Division 4.5 of the Welfare and Institutions Code, hereinafter referred to as the Lanterman Act (or its amended version).

SECTION 2: The duties of Area Board IX shall include but are not limited to those mandated by the Welfare and Institutions Code (W&I Code) (Sections 4590 through 4601):

A. Shall protect and advocate the rights of all persons in the area with developmental disabilities. The Board shall have the authority to pursue legal, administrative and other appropriate remedies to insure the protection of the legal, civil and service rights of persons who require services or who are receiving services in the area.

B. Shall conduct, or cause to be conducted, public information programs for professional groups and for the general public.

C. Shall review the policies and practices of publicly funded agencies that serve or may serve persons with developmental disabilities to determine if such programs are meeting their obligations under local, state and federal statutes.

D. Shall remain informed about the quality of services in the area, and inform appropriate agencies of violations of standards

E. Shall assist the State Council on Developmental Disabilities in the preparation of the state plan by submitting such information concerning the area's services, needs and priorities as may be requested by the State Council.

F. Shall cooperate with the county coordinating councils on developmental disabilities, other regional planning bodies and consumer organizations in the area.

G. Shall encourage the development of needed services of good quality and shall coordinate such developments to prevent duplication, fragmentation of services and unnecessary expenditures.

H. May, but shall not be required to, adopt an area-wide developmental disabilities plan.

Article III
MEMBERSHIP

SECTION 1: Area board IX shall consist of a total of seventeen (17) voting members; twelve (12) members appointed by the governing bodies of the counties (each county appointing an equal number of voting members) and five (5) voting members appointed by the Governor. All members of The Board shall be residents of Ventura, Santa Barbara and San Luis Obispo Counties.

SECTION 2: Membership on The Board shall be limited to two (2) consecutive full terms of three (3) years each. If a member fills only part of a term, that member is eligible for two (2) consecutive additional three (3) year terms.

SECTION 3: A member may resign at any time by giving written notice to the appointing body and the Chairperson of the Board.

SECTION 4: Any member with absences for three (3) consecutive Board meetings, or a total of four (4) absences during a calendar year, shall be subject to a request for termination of his/her appointment. The member first shall be requested by mail to advise The Board Chairperson of his/her reason for inactivity. If a majority of members at the meeting, following receipt of a response to such notification, determine that the response is not satisfactory, or if the member does not respond in thirty (30) days, The Board may notify the appointing authority and request a new appointee.

SECTION 5: The governing bodies of the counties in the area shall select their appointees from among the following groups, and, to the extent feasible, in the following proportions:

A. Persons with developmental disabilities or the parents or guardians or conservators of such persons - 50 percent;

B. Representatives of the general public - 50 percent (W&I Code, Section 4576).

SECTION 6: Prior to making their appointments, the Governor and the governing bodies of counties shall request recommendations from professional organizations, from organizations within the area representing persons with developmental disabilities, and from organizations and agencies within the area that deliver services to such persons. In making their appointments, the Governor and the governing bodies of counties shall appoint persons who have deomonstrated interest and leadership in human service activities (W&I Code, Section 4577).

SECTION 7: In order to prevent any potential conflicts of interest, voting members of the Board shall not be employed as providers of service to persons with developmental disabilities, or be members of the governing board of any entity providing such service, when such service is funded in whole or in part with state funds (W&I Code, Section 4578).

ARTICLE IV
PROCEDURES

SECTION 1: A quorum shall exist when there is a majority (more than 50%) of the appointed members present.

SECTION 2: All votes must be cast in person, not by proxy.

SECTION 3: All actions of The Board and its committees shall be by an affirmative or negative vote of a simple majority of members present at any meeting in which a quorum is present, except that the affirmative votes of a majority of the appointed members of The Board shall be necessary for the appointment or removal of an Executive Director.

SECTION 4: The members of The Board shall serve without compensation, but shall be reimbursed for any actual and necessary expenses incurred in connection with the performance of their duties as members of The Board or of committees established by The Board. Such reimbursement shall be in accordance with The Board of Control rules for State employees (W&I Code, Section 4585).

SECTION 5: Unless otherwise provided in these Bylaws, business of The Board and its committees shall be conducted under Robert's Rules of Order, Revised, latest edition.

ARTICLE V
MEETINGS

SECTION 1: Area Board IX shall meet as frequently as deemed necessary by its members to fulfill its duties within the prescribed time, but no less than quarterly (W&I Code, Section 4585).

SECTION 2: Meetings shall be held within the geographic area of The Board on a rotating basis among the Area IX counties.

SECTION 3: All members shall receive written notification, at least (10) days in advance of the regular meeting.

SECTION 4: Special Board meetings may be called at the request of the Executive Director Committee or by a majority of the Board members.

ARTICLE VI
ELECTED OFFICERS

SECTION 1: The officers of The Board shall be: Chairperson, Vice-Chairperson and Secretary. They shall be elected annually, the term of office being for one (1) year. Additional officers may be established as The Board deems necessary.

SECTION 2: Elected officers shall serve in the same office for no more than two (2) consecutive full terms. A Nominating Committee shall be appointed by the Area Board IX Chairperson in April of each year. The Nominating Committee shall submit a report in writing, at least thirty (30) days prior to the last meeting preceding July 1 of each year. Elections shall be conducted at the Area board meeting preceding July 1 of each year. The newly elected officers shall assume office effective July 1. ~~The election shall be held in the final quarter of the calendar year to take effect at the end of the meeting at which the election takes place. The Nominating Committee shall present the proposed state of officers to the Board one (1) month before the election.~~

SECTION 3: A special election to fill any vacancy may be called by the Executive Committee or a majority of The Board membership.

SECTION 4: Removal of an officer shall be for just cause, and considered in a special executive session upon written petition by three (3) or more Board members. Such removal shall require a two-thirds majority vote of the existing membership.

ARTICLE VII
DUTIES OF OFFICERS

SECTION 1: CHAIRPERSON - The Chairperson shall preside at all meetings of The Board and direct all work of any committee. The Chairperson shall be an ex officio member of every committee, appoint the chairpersons of all committees and review the work of the committee(s).

SECTION 2: VICE-CHAIRPERSON - The Vice-Chairperson shall succeed to the Chairpersonship in case of a vacancy and preside at meetings in the absence of the Chairperson. The Vice-Chairperson shall undertake such other responsibilities as the Chairperson or Board.

SECTION 3: SECRETARY - The Secretary shall be responsible for review of the minutes for the meetings and direct staff to provide a written copy to each Board member. The secretary shall maintain a file with copies of minutes of all Board meetings and make this file available.

SECTION 4: The immediate part Chairperson may act as the Board Parliamentarian at the request of the Chairperson.

ARTICLE VIII
COMMITTEES

SECTION 1: There shall be an Executive Committee, a Professional Advisory Committee and such other committees as Area Board IX may from time to time create.

SECTION 2: Unless otherwise provided by these Bylaws or specifically determined by the Board, the Chairperson shall determine the number of members of each committee and appoint its members and chairperson.

SECTION 3: Unless otherwise provided by these Bylaws or specifically determined by The Board, persons who are not voting members of The Board may be appointed to any committee. Any committee may appoint subcommittees to facilitate its work and may request and use the participation and assistance of persons who are not members of The Board or the committee.

SECTION 4: The Executive Committee shall be comprised of the Chairperson, Vice-Chairperson, Secretary, the immediate past two (2) Chairpersons and one (1) or two (2) Board members-at-large shall be at the discretion of The Board.

C. The Executive Director shall work under the direction and guidance of the Executive Committee.

D. The Executive Director shall be responsible for evaluating the performance of the Executive Director and shall submit a written evaluation report to the full Board.

1. A new Executive Director shall be evaluated at the end of six (6) months employment, at twelve (12) months employment, and annually thereafter.

E. The Executive Committee of the Board is authorized to transact business on behalf of The Board when urgent business necessitates action between meetings

ARTICLE IX
PROFESSIONAL ADVISORY COMMITTEE

SECTION 1: Area Board IX shall appoint a Professional Advisory Committee composed of professional persons serving individuals with developmental disabilities. The Professional Advisory Committee shall provide advice, guidance, recommendations and technical assistance to The Board and the Executive Director in carrying out its mandated functions enumerated in Article 4, Chapter 4, Division 4.5, of the Welfare & Institutions Code. The Professional Advisory Committee shall designate one (1) of its members to serve as an ex officio non-voting member of The Board (W&I) Code, Section 4586).

SECTION 2: This Committee shall meet as often as necessary to provide assistance to the Board.

SECTION 3: The Chairperson shall appoint members of the Professional Advisory Committee for one year renewable terms, make reappointments and appoint new members to fill vacancies as necessary.

SECTION 4: The Chairperson for The Board shall appoint the Chairperson of the Professional Advisory Committee.

ARTICLE X
STAFF

SECTION 1: Area Board IX shall employ an Executive Director. The Executive Director shall carry out the policies and assignments of the Board and shall hire and direct personnel in any other staff positions approved by The Board. The Executive Director shall serve, ex officio without vote, on all committees of the Board, except the Nominating Committee.

SECTION 2: The Executive Director shall see that support staff is provided to all committees of the Board, except the Nominating Committee.

ARTICLE XI
LIAISON

The Developmental Disabilities Board, Area IX, shall maintain liaison with organizations providing services to or advocating for persons with developmental disabilities. The Area Board IX Chairperson may appoint members to liaison positions as the need arises.

ARTICLE XII
REVISION TO BYLAWS

These Bylaws may be altered, amended or repealed; and the new Bylaws may be adopted by a vote of two-thirds of the majority of voting members present at any special or gregular meeting of the Board at which a quorum is present. Written notice of a meeting, and the intention to change the Bylaws thereat, must be delivered to each member at least ten (10) days prior to the date of this meeting.

ORDINANCE NO. 2538

A REPEAL AND REENACTMENT OF DIVISION 5, CHAPTER 3, OF THE VENTURA COUNTY ORDINANCE CODE PERTAINING TO PUBLIC EMERGENCY

The Board of Supervisors of the County of Ventura do ordain as follows:

I. Division 5, Chapter 3, is hereby repealed.

II. Division 5, Chapter 3, is hereby reenacted to read as follows:

CHAPTER 3 - PUBLIC EMERGENCY

ARTICLE 1 - GENERAL

Section 5311 - PURPOSES. The declared purposes of this ordinance are to provide for the preparation and carrying out of plans for the protection of persons and property within this county in the event of an emergency; the direction of the emergency organization; and the coordination of the emergency functions of this county with all other public agencies, corporations, organizations, and affected private persons.

Section 5311-1 Expenditures. Any expenditures made in connection with emergency activities, including mutual aid activities, shall be deemed conclusively to be for the direct protection and benefit of the inhabitants and property of the County of Ventura.

Section 5312 - DEFINITION. As used in this chapter, "emergency" shall mean the actual or threatened existence of conditions of disaster or of extreme peril to the safety of persons and property within this county caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, or earthquake, or other conditions including conditions resulting from war or imminent threat of war, but other than conditions resulting from a labor controversy, which conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of this county, requiring the combined forces of other political subdivisions to combat.

ARTICLE 2 - DISASTER COUNCIL

Section 5321 - CREATION AND MEMBERSHIP. The Ventura County Disaster Council is hereby created and shall consist of the persons set forth in the following subsections.

Section 5321-1 The chairman of the board, who shall shall be chairman.

Section 5321-2 The director of disaster services, who shall be vice-chairman.

Section 5321-3 The assistant director of disaster services.

Section 5321-4 Such chiefs of emergency services as are provided for in a current emergency plan of this county, adopted pursuant to this chapter.

Section 5321-5 Such representatives of civic, business,

labor, veterans, professional, or other organizations having an official emergency responsibility, as may be appointed by the board.

Section 5322 - POWERS AND DUTIES. It shall be the duty of the Ventura County Disaster Council to develop and recommend for adoption by the board emergency and mutual aid plans and agreements and such ordinances and resolutions and rules and regulations as are necessary to implement such plans and agreements. The Disaster Council shall meet upon call of the chairman or, in his absence from the county or inability to call such meeting, upon call of the vice-chairman.

Section 5323 - DIRECTOR AND ASSISTANT DIRECTOR. There is hereby created the offices of director and assistant director of disaster services. The sheriff of Ventura County shall be the Director of Disaster Services. The Assistant Director shall be appointed by the Director.

Section 5323-1 Director's Powers and Duties. The director is hereby granted the powers set forth in the following subsections.

Section 5323-1.1 To request the board to proclaim the existence or threatened existence of a "local emergency" as defined in Government Code §8558(c) if the board is in session, or to issue such proclamation if the board is not in session, subject to ratification by the board within seven (7) days thereafter or the proclamation shall have no further force or effect.

Section 5323-1.2 To recommend that the Chairman of the Board or the County Executive request the Governor to proclaim a "state of emergency" as defined in Government Code §8558(b) when, in the opinion of the director, the locally available resources are inadequate to cope with the emergency.

Section 5323-1.3 To control and direct the effort of the emergency organization of this county for the accomplishment of the purposes of this chapter.

Section 5323-1.4 To direct cooperation between and coordination of services and staff of the emergency organization of this county; and resolve questions of authority and responsibility that may arise between them.

Section 5323-1.5 To represent this county in all dealings with public or private agencies on matters pertaining to emergencies as defined herein.

Section 5323-2 Emergency Powers. In the event of the proclamation of a "local emergency" as herein provided, the proclamation of a "state of emergency" by the Governor or the Director of the State Office of Emergency Services, or the existence of a "state of war emergency" as defined in Government Code §8558(a), the director is hereby granted the powers set forth in the following subsections.

Section 5323-2.1 To make and issue rules and regulations on matters reasonably related to the protection of life and property as affected

by such emergency; provided, however, such rules and regulations must be confirmed at the earliest practicable time by the board.

Section 5323-2.2 To obtain vital supplies, equipment, and such other property found lacking and needed for the protection of life and property and to bind the county for the fair value thereof and, if required immediately, to commandeer the same for public use.

Section 5323-2.3 To require emergency services of any county officer or employee and, in the event of the proclamation of a "state of emergency" in the the county or "state of war emergency", to command the aid of as many citizens of this county as he deems necessary in the execution of his duties; such persons shall be entitled to all privileges, benefits, and immunities as are provided by state law for registered disaster service workers.

Section 5323-2.4 To requisition necessary personnel or material of any county department or agency.

Section 5323-2.5 To execute all of his ordinary power as sheriff; all of the special powers conferred upon him by this chapter or by resolution or emergency plan adopted by the board; all powers conferred upon him by any statute, agreement approved by the board, and any other lawful authority.

Section 5323-3 Succession. The director shall designate the order of succession to his office subject to approval by the board, to take effect in the event the director is unavailable to attend meetings and otherwise perform his duties during an emergency.

Section 5323-4 Assistant Director's Duties. The assistant director shall, under the supervision of the director and with the assistance of emergency service chiefs, develop emergency plans and manage the emergency programs of this county; and shall have such other powers and duties as may be assigned by the director.

Section 5324 - EMERGENCY ORGANIZATION. All officers and employees of this county, volunteer forces enrolled to aid them during an emergency, persons commandeered into service under the provisions of Section 5323-2.3, and all groups, organizations, and persons who may, by agreement or operation of law, be charged with duties incident to the protection of life and property in this county during such emergency shall constitute the emergency organization of the County of Ventura.

Section 5325 - EMERGENCY PLAN. The Disaster Council shall be responsible for the development of the County of Ventura Emergency Plan, which shall provide for the effective mobilization of resources of this county, both public and private,

to meet any condition constituting a local emergency, state of emergency, or state of war emergency; and shall provide for the organization, powers and duties, services, and staff of the emergency organization. Such plan shall take effect upon adoption by resolution of the board.

Section 5326 - PUNISHMENT OF VIOLATIONS. It shall be unlawful for any person, during a state of war emergency, state of emergency, or local emergency, to commit any of the acts specified in the following subsections.

Section 5326-1 To willfully obstruct, hinder, or delay any member of the emergency organization in the enforcement of any lawful rule or regulation or the performance of any duty imposed upon him by virtue of this chapter.

Section 5326-2 To do any act forbidden by any lawful rule or regulation issued pursuant to this chapter, if such act is of such a nature as to give, or likely to give, assistance to the enemy, or imperil the lives or property of inhabitants of this county, or to prevent, hinder, or delay the defense or protection thereof.

Section 5326-3 To wear, carry, or display, without authority, any means of identification specified by the emergency agency of the State.

ADOPTED this 18th day of January, 1972, by by the following vote:

AYES: Supervisors Jewett, Conlan, Bennett, Schmidt, Laubacher

Coordinator

January 13, 1972

Board of Supervisors
Courthouse
Ventura, California

Gentlemen:

ORDINANCE REVISION - PUBLIC EMERGENCY

The attached repeal and reinactment of Div 5, Chapter 3 of the Ventura County Ordinance Code pertaining to Public Emergency, is a requirement of the State Office of Emergency Services, and follows the general format and wording suggested by the State Office of Emergency Services.

Substantive changes from the ordinance to be repealed are as follows:

1. The Assistant Director of Disaster Services is now appointed by the Director of Disaster Services instead of by the Board of Supervisors. The appointment by the Director is subject to approval by the Board.

2. Civil Defense is no longer used as a term designating the handling of public emergencies. Henceforth, all matters pertaining to public emergencies will be handled by the County emergency organization, and plans for handling such emergencies will be recommended by the Disaster Council provided for in the ordinance instead of the Civil Defense and Disaster Council which heretofore handled such recommendations. The plan recommended by the Disaster Council is adopted by the Board by resolution.

3. The Sheriff is designated by the ordinance as the Director of Disaster Services.

4. In addition to the Chairman of the Board, the County Executive, upon the recommendation of the Director, may request the Governor to proclaim a "state of emergency".

5. The Assistant Director is designated as the person who shall administer the emergency programs of the County, subject to the supervision of the Director.

c/o County Office Building, Ventura, California 93001 (805) 648-6131, Extension 2551

6. The Disaster Council is responsible for the development of the County of Ventura Emergency Plan which shall provide for the mobilization of the resources of the County in the event of emergency. Such plan shall take effect upon adoption by resolution of the Board. Both a plan for the handling of law enforcement emergencies and a plan for the handling of fire emergencies have previously been adopted by the Board, and it is recommended that the Board instruct the Disaster Council to review these plans and make recommendations regarding the adoption pursuant to the requirements of this ordinance.

It is anticipated that our revised County Emergency Plan can be placed on the agenda for your meeting of January 25, 1972.

Very truly yours,

William E. Hill

William E. Hill, Director
Office of Disaster Services

ORDINANCE
NO. 2538

A REPEAL AND REENACTMENT OF DIVISION 5, CHAPTER 3, OF THE VENTURA COUNTY ORDINANCE CODE PERTAINING TO PUBLIC EMERGENCY

The Board of Supervisors of the County of Ventura do ordain as follows:

I. Division 5, Chapter 3, is hereby repealed.

II. Division 5, Chapter 3, is hereby reenacted to read as follows:

CHAPTER 3 - PUBLIC EMERGENCY

ARTICLE 1 - GENERAL

Section 5311 - PURPOSES. The declared purposes of this ordinance are to provide for the preparation and carrying out of plans for the protection of persons and property within this county in the event of an emergency; the direction of the emergency organization; and the coordination of the emergency functions of this county with all other public agencies, corporations, organizations, and affected private persons.

Section 5311-1 Expenditures. Any expenditures made in connection with emergency activities, including mutual aid activities, shall be deemed conclusively to be for the direct protection and benefit of the inhabitants and property of the County of Ventura.

Section 5312 - DEFINITION. As used in this chapter, "emergency" shall mean the actual or threatened existence of conditions of disaster or of extreme peril to the safety of persons and property within this county caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, or earthquake, or other conditions including conditions resulting from war or imminent threat of war, but other than conditions resulting from a labor controversy, which conditions are or are likely to be beyond the control of the services, personnel, equipment, and facilities of this county, requiring the combined forces of other political subdivisions to combat.

ARTICLE 2 - DISA[redacted] effort of the emergency organization of this county for the accomplishment of the purposes of this chapter. Section 5323-1.4 To direct cooperation between and coordination of services and staff of the emergency organization of this county and resolve questions of authority and responsibility that may arise between them.

Section 5323-1.5 To represent this county in all dealings with public or private agencies on matters pertaining to emergencies as defined herein.

Section 5323-2 Emergency Powers. In the event of the proclamation of a "local emergency" as herein provided, the proclamation of a "state of emergency" by the Governor or the Director of the State Office of Emergency Services, or the existence of a "state of war emergency" as defined in Government Code §8558(a), the director is hereby granted the powers set forth in the following subsections.

Section 5323-2.1 To make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency; provided, however, such rules and regulations must be confirmed at the earliest practicable time by the board.

Section 5323-2.2 To obtain vital supplies, equipment, and such other property found lacking and needed for the protection of life and property and to bind the county for the fair value thereof and, if required immediately, to commandeer the same for public use.

Section 5323-2.3 To require emergency services of any county officer or employee and, in the event of the proclamation of a "state of emergency" in the county or "state of war emergency", to command the aid of as many citizens of this county as he deems necessary in the execution of his duties; such persons shall be entitled to all privileges, benefits, and immunities as are provided by state law for registered disaster service workers.

Section 5323-2.4 To requisition necessary personnel or material of any county department or agency. Section 5323-2.5 To execute all of his ordinary power as sheriff; all of the special powers conferred [redacted] him by this chapter, chapter, if such act is of such a nature as to give, or likely to give, assistance to the enemy, or imperil the lives or property of inhabitants of this county, or to prevent, hinder, or delay the defense or protection thereof. Section 5326-3 To wear, carry, or display, without authority, any means of identification specified by the emergency agency of the State.

ADOPTED this 18th day of January, 1972, by the following vote:

AYES: Supervisors Jewett, Conlan, Bennett, Schmidt, Laubacher

Motion X

CALIFORNIA CODES
HEALTH AND **SAFETY CODE**
SECTION **9000**-9007

9000. This part shall be known and may be cited as the Public Cemetery District Law.

9001. (a) The Legislature finds and declares all of the following:

(1) There is a continuing need to provide for the respectful and cost-effective interment of human remains to meet the cultural, economic, religious, and social needs of California's diverse communities.

(2) The Legislature authorized the creation of public cemetery districts in 1909 to assume responsibility for the ownership, improvement, expansion, and operation of cemeteries and the provision of interment services from fraternal, pioneer, religious, social, and other organizations that were unable to provide for those cemeteries.

(3) For nearly a century, public cemetery districts have provided communities with the means to publicly finance the ownership, improvement, expansion, and operation of public cemeteries and the provision of interment services, particularly in rural and formerly rural communities.

(4) Interment customs and practices have changed since the creation of the public cemetery districts but communities continue to need the means to own, improve, expand, and operate public cemeteries that provide respectful and cost-effective interments.

(b) In enacting this part, it is the intent of the Legislature to create and continue a broad statutory authority for a class of special districts that can own, improve, expand, and operate public cemeteries that provide respectful and cost-effective interments.

(c) It is also the intent of the Legislature that local officials adapt the powers and procedures provided by this part to meet the diversity of local conditions and circumstances.

9002. The definitions in Chapter 1 (commencing with Section 7000) of Part 1 of Division 7 apply to this part. Further, as used in this part, the following terms have the following meanings:

(a) "Active militia" means the active militia as defined by Section 120 of the Military and Veterans **Code**.

(b) "Armed services" means the armed services as defined by Section 18540 of the Government **Code**.

(c) "Board of trustees" means the legislative body of a district.

(d) "District" means a public cemetery district created pursuant to this part or any of its statutory predecessors.

(e) "Family member" means any spouse, by marriage or otherwise, child or stepchild, by natural birth or adoption, parent, brother, sister, half-brother, half-sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, first cousin, or any person denoted by the prefix "grand" or "great," or the spouse of any of these persons.

(f) "Firefighter" means a firefighter as defined by Section 1797.182.

(g) "Nonresident" means a person who does not reside within a district or does not pay property taxes on property located in a district.

(h) "Peace officer" means a peace officer as defined by Section 830 of the Penal **Code**.

(i) "Principal county" means the county having all or the greater portion of the entire assessed value, as shown on the last equalized assessment roll of the county or counties, of all taxable property within a district.

(j) "Voter" means a voter as defined by Section 359 of the Elections **Code**.

9003. (a) This part provides the authority for the organization and powers of public cemetery districts. This part succeeds the former Part 4 (commencing with Section 8890), as added by Chapter 60 of the Statutes of 1939, as subsequently amended, and any of its statutory predecessors.

(b) Any public cemetery district formed pursuant to the former Part 4 or any of its statutory predecessors that was in existence on January 1, 2004, shall remain in existence as if it has been organized pursuant to this part.

(c) Any indebtedness, special tax, benefit assessment, fee,

election, ordinance, resolution, regulation, rule, or any other action of a district taken pursuant to the former Part 4 or of any of its statutory predecessors which was taken before January 1, 2004, shall not be voided solely because of any error, omission, informality, misnomer, or failure to comply strictly with this part.

9004. This part is necessary to protect the public health, **safety**, and welfare, and shall be liberally construed to effectuate its purposes.

9005. If any provision of this part or the application of any provision of this part in any circumstance or to any person, city, county, special district, school district, the state, or any agency or subdivision of the state is held invalid, that invalidity shall not affect other provisions or applications of this part that can be given effect without the invalid provision or application of the invalid provision, and to this end the provisions of this part are severable.

9006. (a) Any action brought to determine the validity of the organization or of any action of a district shall be brought pursuant to Chapter 9 (commencing with Section 860) of Title 10 of Part 2 of the **Code** of Civil Procedure.

(b) Any judicial review of an action taken pursuant to this part shall be conducted pursuant to Chapter 2 (commencing with Section 1084) of Title 1 of Part 3 of the **Code** of Civil Procedure.

9007. (a) Except as provided in this section, territory, whether incorporated or unincorporated, whether contiguous or noncontiguous, may be included in a district. Territory that is already within a public cemetery district or another type of special district that provides cemetery facilities and services shall not be included within a public cemetery district.

(b) Except as provided in this part, the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, Division 3 (commencing with Section 56000) of Title 5 of the Government **Code**, shall govern any change of organization or reorganization of a district. In the

case of any conflict between that division and this part, the provisions of this part shall prevail.

(c) A district shall be deemed an "independent special district," as defined by Section 56044 of the Government **Code**, except when a county board of supervisors has appointed itself as the board of trustees.

El Rancho Simi Cemetery District

Bylaws

NAME

The name of this special district shall be El Rancho Simi Cemetery District, hereinafter called, "District."

ARTICLE I

1. DESCRIPTION AND PURPOSE

The description and purpose of the District shall be, in part, as follows:

The El Rancho Simi Cemetery is a Public Cemetery District, providing burial for all qualifying district residents and their families. The Cemetery District is comprised of five members or "trustees" who are appointed by the Ventura County, District 4 Supervisor, and are collectively the "governing board" of the special district independent of oversight by their appointing agency (the County of Ventura). It is an endowment care interment cemetery.

ARTICLE II

1. BOARD OF TRUSTEES

The number of trustees may be either three or five by law, and may be changed upon petition by a majority of trustees of the District. The El Rancho Simi Cemetery District is governed and managed by five trustees, as specified in the petition for the formation of this District. The Trustees are appointed by the Ventura County Board of Supervisors upon the recommendation of the District 4 Supervisor.

The Trustees' terms run four years each to coincide with the supervisorial term. In the event of an unexpected vacancy, the 4th District supervisor will fill the vacancy for the unexpired remainder of the term. Trustees may be re-appointed by the supervisor for multiple terms, not to exceed the term of office of the 4th District Supervisor.

The Board of Trustees shall exercise all District powers under the authority of the District, and shall control all business and affairs of the District as directed under the Special District Cemetery Laws of the State of California (Health and Safety Code Section 8890-9010).

2. POWER OF BOARD OF TRUSTEES

The Board of Trustees shall have the power to:

- Make all rules, regulations and policies within the boundaries of the law that regulate both public cemeteries and cemetery districts.
- To select and remove at its pleasure any of the agents and employees of the District, to prescribe their powers and duties, and to fix their compensation and require from them security for faithful service;
- To borrow money, incur indebtedness for the District and to cause to be executed, and delivered therefore, in the District's name, promissory notes, bonds, debentures, deeds of trust, mortgages, pledges, hypothecation, or other evidences of debt and securities therefore: raise and disburse funds; buy, sell and exchange properties;
- To have custody and management of land, buildings, equipment and all properties of the District; and,
- To perform all other duties and to have other powers as may be necessary to carry out the purpose of the District.

ARTICLE III

1. ELECTION OF OFFICERS

The officers of the District will be elected by a simple majority vote of the Board of Trustees on an annual basis and for a term of one year. In the event a vacancy occurs in any office, a special election may be held to fill that office for the completion of that term.

2. OFFICERS AND THEIR DUTIES

Officers of the District shall be a Chairman, Vice Chairman, Secretary and Treasurer.

Officers shall be selected or removed by quorum action of the Board of Trustees. Duties of the officers shall be:

The ***Chairman*** shall have the executive supervision of the activities of the District within the scope provided by these bylaws and any laws governing the oversight of public cemeteries or special districts. The Chairman shall preside at all meetings and shall appoint the chairmen of committees and delegates not otherwise provided for. The Chairman shall also be the spokesperson for the Cemetery District and all inquiries from the media or public shall be directed to the Chairman.

The ***Vice Chairman*** shall assume the duties of the Chairman in the event of absence, incapacity, or resignation of the Chairman.

The ***Secretary*** shall keep a book of minutes of all meetings of the Trustees, with the time and place of holding, whether regular or special, and if special, how authorized, the notice thereof given, the names of those present at Board meetings, the number of members present at meetings and the proceeding thereof. The Secretary may require District Staff to actually prepare the minutes and notices, but it shall be the Secretary's responsibility to insure compliance with the bylaws of this District and the law. Failure to comply with public meeting laws is the responsibility of the entire Board of Trustees, who task the Secretary with compliance.

The ***Treasurer*** shall keep and maintain or cause to be kept and maintained, adequate and correct accounts of the properties and business transactions of the District, including accounts of its assets, liabilities, receipts, disbursements, gains, losses and capital. The Treasurer may require and monitor District Staff directed to deposit all moneys and other valuables in the name of and to the credit of the District with such depositories as may be designated by the Board of Trustees. The Treasurer of the District shall direct disbursement of the funds of the District in such manner as may be ordered by the Board of Trustees. The Treasurer shall be responsible for the custody of funds and assets of the District until such time as they may be deposited. The Board of Trustees and the Treasurer may direct District Staff to account for the funds and for administrative duties, including reports to the Board of Trustees regarding all income, inquiries and payments, however, the District shall ultimately have full fiduciary responsibility. Funds of the District shall be paid out by numbered checks with dual signatures. At regular Board Meetings, the Trustee shall order staff to prepare a summary report relative to the status of the District, which will include income and expenses. Each request for payment will require a proper invoice or bill before a check will be issued.

The Board of Trustees shall establish the following committees in addition to any committees created by board at their wish:

- By Laws Committee
- Finance and Budget Committee
- Property Committee
- Public Relations Committee
- Long Term and Short Term Goal/Planning Committee
- Record/Endowment Committee

ARTICLE IV

1. MEETINGS

The Board of Trustees of the El Rancho Simi Cemetery District shall meet monthly on the second Wednesday of each month, or at such time and place as the Board determines. Special meetings may be called by the Chairman.

The Annual Meeting shall be held in the month of March each year, or as soon thereafter as circumstances allow.

Those members in attendance at a properly called meeting will constitute a quorum with no less than two thirds of the currently appointed members present. At the meeting of the Board of Trustees, a majority of Board membership shall constitute a quorum.

Trustees shall be expected to attend all Board Meetings. Upon missing three consecutive meetings without prior notice or just cause, the remaining Trustees may recommend dismissal and the 4th District Supervisor will recommend any replacement.

A notice of each meeting shall be posted as appropriate under the Brown Act, with one posting at the Simi Valley City Hall offices, 2929 Tapo Canyon Road, Simi Valley, CA 93063. It will be the responsibility of the District's paid staff to post the agenda of the meeting at least 72 hours before the meeting time, and said agenda will include the date, time, location and the agendized business of the Trustees of the Cemetery District. Each member of the Board of Trustees will be notified in advance of the public posting, via U.S. Mail, fax or electronic mail, without exception.

2. PARLIAMENTARY AUTHORITY:

Roberts Rules of Order shall govern the proceedings of the District except in such cases as are governed by the By Laws or the law.

ARTICLE V

1. 2003 BYLAWS:

The Trustees of the El Rancho Simi Cemetery District (the "District") ENACTS as follows:

1) This Bylaw may be cited as the "Cemetery Bylaw 2003."

2) The following lands owned by the District are set aside for cemetery use:

   a) El Rancho Simi Cemetery District, comprising

   A portion of Lot Twenty Nine (29) as the same is designated and delineated upon that certain map entitled "Map of the Cal Mutual Benefit Colony of Chicago's Subdivision of the South 1/3 of Lot 9, Township 2 North, Range 18 West of the Rancho Simi" as recorded in the office of the County Recorder of Ventura County in Book 3, Miscellaneous Records (Maps) at page 19 and described as:

   All of that parcel designated and delineated upon that certain map entitled "Map of the Simi Cemetery being a part of Lot 29 at Cal Mutual Benefit Colony of Chicago's Subdivision of the South ½ of Lot 9, Township 2 North, Range 18 West of the Rancho Simi," filed in the office of the County Recorder of Ventura County on October 26, 1896, in Map File "A" records of

said County, together with a strip of land twenty eight (28) feet wide lying west of and adjacent to the east line of Lot 29 and extending from the above described parcel southerly to the southerly line of said Lot Twenty nine (29).

2. Use of Cemetery Space

The District shall grant to any person upon payment of the approved sum set out in schedules approved by the Trustees, and subject to the terms and condition of Section 4 hereof, permission for the use by him, or his executors or administrators, of any one or more grave spaces, columbarium niches, or a combination of both, which may be vacant and unencumbered in the cemeteries.

1) Lots in the Cemetery are conveyed for burial purposes only, subject to such rules and regulations as are now or hereafter put in force by the trustees.
2) No burials will be permitted in the Cemetery without a permit from proper authorities. Burial orders must be signed by persons ordering burials before graves are opened. Cement or steel vaults must be used with all burials.
3) No person shall use grave space in that portion entitled The Pioneer Cemetery reserved for members of those families identified and recognized as "pioneer families" as set forth in Paragraph 10.
4) The District reserves to itself the right to refuse to sell the use of grave spaces to any individual.

3. Fees and Charges

1) The Trustees shall fix the size and sale price of grave spaces, fix the price of opening graves and disinterments. Information with reference thereto will be given upon inquiry by the appointed Cemetery Authority.
2) Schedule "A" sets out cemetery fees, including fees for interment, disinterment, use of grave space, care of graves. Internment, transfer of use and occupation privileges, and the charges for goods offered for sale by the District. Cemetery fees shall be paid at the Offices of the District at the time of application and at the time of purchasing goods or services sold or provided by the District in connection with the operation of the cemeteries.

4. Interment and Inurnment

1) No remains other than human remains shall be interred or inurned in the cemeteries, and no interment or inurnment shall be made until the appropriate fee, as approved by the Board has been paid to the District.

2) No interments or inurnments shall be made in the cemeteries except between the hours of 8:00 a.m. and 4:00 p.m.

3) No deceased person shall be interred in the sections of the Cemetery, which are reserved under Section 4 of this bylaw, if the identity shown on the burial permit differs from that of a person to whom the permission for use and occupation of the relevant space was granted by the District.

4) Only those persons and their spouses residing in Simi Valley prior to 1900, and their direct blood descendents and spouses, may be interred in the Pioneer Cemetery, with the absolute discretion to approve such burials retained by the Board of the District.

5) All interments of human remains and cremated remains must comply with all applicable State of California statutes and regulations and the terms and conditions of the Trustees.

6) Each grave liner used in the Cemetery shall be made of reinforced concrete not less than one and one-half inches thick, or shall be approved purpose-built fiberglass liner, and capable of covering the entire casket or coffin.

7) Columbaria shall be the only above-ground disposition of human remains permitted in the Cemetery.

8) Applications for columbarium niche plates must be made in a form approved by the Board.

9) No one other than the District, its authorized representatives or agents, or those authorized by a court of cemetery jurisdiction, shall dig or open any grave, install or remove memorial tablets, markers, monuments, curbing, etc., construct foundations produced by other agencies, or carry out, or cause to be carried out, the general work of the cemeteries to maintain them in a neat and tidy condition, unless permission is first obtained from the District.

5. Funding

1) All income to the District shall be paid into the District Fund and regulated as set forth in the appropriate County rules and regulations.

2) All expenses of the District shall be paid from the District Fund.

3) The District Fund shall be maintained at a bank, which is a member of the FDIC.

4) All expenses must be approved by the Board of the District and be retained to support the maintenance and operation of the Cemetery.

6. Memorials

1) All markers, stones, or monuments must be approved by the Cemetery authorities.

2) A memorial may be installed on a grave in the cemetery upon payment of the applicable sum approved by the Trustees, and is subject to the following:

a. Any plot holder, next-of-kin, or legal representative of the deceased may authorize the District to remove curbs and cappings and reseed the lawn, and shall pay to the District the sum for such services as approved by the Trustees.

b. In the Pioneer Cemetery, memorials may match the appearance, setting, and size of adjacent markers. Memorials in the remainder of the Cemetery must be installed with their top surface level and flush with the surface of the ground.

c. All grave markers or memorials must conform with the specifications as approved by the Trustees.

3) No grave or grave space shall be defined by a fence, railing, curbing, hedge, or by other marking save by a memorial marker, tablet or monument, as set out in Section 18 hereof.

4) The Trustees reserve the right to exclude from any lot, any headstone, monument, or other structure, trees, plastic or real flowers, plants or other object, which may conflict with the regulations, or which may be considered injurious to the general appearance of the grounds, lawns or plots.

7. General

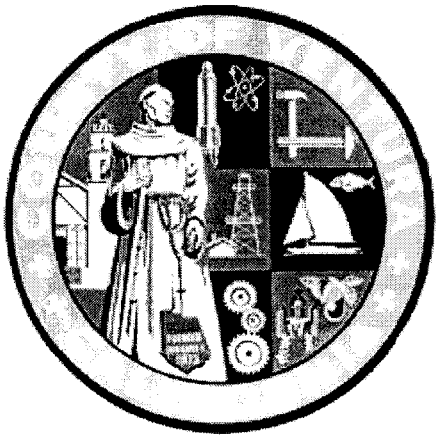
1) No person or persons not employed by the Cemetery authorities shall excavate any earth, lay or remove any sod, alter the grade of any lot within the Cemetery either on or about his own lot or the lots of others, or plant, remove or trim any shrub or tree.

2) Adornment of the gravesite:

- Cut flowers, wreaths, and floral offerings may be placed on graves but may be removed at the discretion of District staff.
- No artificial flowers may be used.
- No glass containers may be used for any purpose in the cemeteries.
- No person other than an employee or agent of the District shall plant, remove, cut down or destroy any trees, shrubs, plants, flowers, bulbs, or rocks in the cemeteries.

3) No person shall remove, damage, or deface any memorial, monument, fence, gate, structure, plant, lot, or improvement in the cemeteries.

4) No person shall disturb the quiet and good order of, or otherwise violate the cemeteries.



5) The District reserves the right to change the grading of a cemetery or of any sections, thereof, from time to time, and to remove or regrade roads, drives and walks. The right to lay, maintain and operate, or alter the pipelines or gutters for sprinkling systems, drainage, etc., is also expressly reserved. The District reserves to itself and to those lawfully entitled thereto, a perpetual right of ingress

and egress over grave spaces for the purpose of passage to and from other grave spaces.

6) The District reserves and shall have the right to correct ant errors that may be made by it, either in making interments, disinterments or removals, or in the inscriptions, transfer, or conveyance by substituting and conveying in lieu thereof other interment rights of equal value and similar location as far as possible, or as may be selected by the District or, in the sole discretion of the District, by refunding the amount of money paid on account of said purchase. In the event such error shall involve the interment of the remains of any person in such property, the District reserves the right to remove and transfer such remains so interred to such other property of equal value and similar location as may be substituted and conveyed in lieu thereof. The District shall not be liable in respect of any such errors, except as aforesaid.

7) The Trustees reserve the right of passing other rules and regulations or amending these rules and regulations at any time the occasion arises.

8) Any previous bylaws are hereby repealed.

ORDINANCE NO. 4274

AN ORDINANCE OF THE COUNTY OF VENTURA AMENDING THE VENTURA COUNTY BUILDING CODE AND ADOPTING BY REFERENCE THE CURRENT EDITIONS OF CERTAIN MODEL CODES AS FOLLOWS: CALIFORNIA BUILDING CODE, 2001 EDITION; UNIFORM HOUSING CODE, 1997 EDITION; UNIFORM CODE FOR THE ABATEMENT OF DANGEROUS BUILDINGS, 1997 EDITION; CALIFORNIA ELECTRIC CODE, 2001 EDITION; CALIFORNIA PLUMBING CODE, 2001 EDITION; THE CALIFORNIA MECHANICAL CODE, 2001 EDITION; AND APPENDIX CHAPTER 1 OF THE CALIFORNIA CONSERVATION CODE, 2001 EDITION, TOGETHER WITH AMENDMENTS THERETO.

The Board of Supervisors of the County of Ventura ordains as follows:

The Ventura County Building Code (VCBC) is hereby amended to read as follows:

ARTICLE 1 - ADOPTION OF THE CALIFORNIA BUILDING STANDARDS CODES AND OTHER MODEL CODES BY REFERENCE

CHAPTER 1 - ADOPTION INTO THE VENTURA COUNTY BUILDING CODE

Section 101 VENTURA COUNTY BUILDING CODE DEFINED.

101.1 ELEMENTS. The Ventura County Building Code contained herein is comprised of the following elements:

a) The specified portions of the California Building Standards Codes known as Title 24, Parts 2, 3, 4, 5, 6, 8 and 10; and

b) The model codes referenced by the California Building Standards Code and the model codes herein adopted by reference being:

1) The Uniform Building Code, 1997 Edition.
2) The National Electrical Code, 1999 Edition.
3) The Uniform Mechanical Code, 2000 Edition.
4) The Uniform Plumbing Code, 2000 Edition.
5) The Uniform Code for Building Conservation, 1997 Edition.
6) The Uniform Housing Code, 1997 Edition.
7) The Uniform Code for the Abatement of Dangerous Buildings, 1997 Edition; and

c) The Ventura County Amendments contained in this ordinance to the above referenced codes.

Taken together, the codes and amendments described above constitute the Ventura County Building Code.

101.2 AMENDMENTS. Ventura County amendments to the California Building Standards Code and the other adopted model codes are found in Articles 3 through 9 of this code.

Section 102 ADMINISTRATION. The administrative provisions referenced in Article 2 - General Application Amendments are applicable to all portions of the Ventura County Building Code.

Section 103. FILING WITH THE CLERK OF THE BOARD. Not less than one (1) certified copy of this Code and of each of the codes adopted by reference herein are on file in the office of the Clerk of the Board of Supervisors, and all such certified copies of the codes shall be kept at that office for public inspection while this Code is in force.

Section 104. COPIES OF CODE FOR SALE TO THE PUBLIC. Copies of the Ventura County Building Code shall be made available in the office of the Division of Building and Safety for examination. Purchase of the codes by the public at a price not to exceed the actual cost thereof to the County plus a reasonable handling charge as established by the Building Official may be available depending on the stock on hand.

CHAPTER 2 - ADOPTION OF THE CALIFORNIA BUILDING CODE (CBC)

Section 101. ADOPTION. That building code known as the "California Building Code," 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 2 - a portion of the "California Building Standards Code", which incorporates by reference the 1997 edition of the Uniform Building Code with adopted California amendments, together with Appendices Chapter 3, Division I; Chapter 3, Division II; Chapter 4, Division II; Chapter 12, Division I; Chapter 12, Division IIA; Chapter 15; Chapter 16, Division IV; Chapter 18; Chapter 29; Chapter 30; Chapter 31, Division II; Chapter 31, Division III; and Chapter 33 promulgated and published by the International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California 90601, the purpose and subject matter of which, among other things, is to protect the public health and safety as set out in Section 101.2 of the Uniform Building Code, is hereby adopted and enacted as the primary building code of the County and made a part of this Code by reference with the same force and effect as if fully set forth herein subject to the following amendments.

Section 102 AMENDMENTS. Refer to Article 2, Chapter 1, Section 101.23 in this Ordinance for an explanation of the section numbering and cross-referencing system used for the amendments which follow. Ventura County amendments to the California Building Code are found in Article 3 of this Code.

CHAPTER 3 - ADOPTION OF THE CALIFORNIA ELECTRICAL CODE (CEC)

Section 101. ADOPTION - That Electrical Code known as the "California Electrical Code," 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 3 - a portion of the "California Building Standards Code", which incorporates by reference the 1999 edition of the National Electrical Code with necessary California amendments, promulgated and published by the National Fire Protection Association, 1 Batterymarch Park, Quincy, Massachusetts 02269; the purpose of which, among other things is to provide minimum standards for the design, installation, maintenance, and use of electrical wiring and electrical apparatus in order to safeguard persons and property from electrical hazards, is hereby adopted and enacted as the primary Electrical Code of the County and is made a part of this Code by reference with the same force and effect as if fully set forth herein, with specific modifications as indicated in Article 4:

Section 102. AMENDMENTS. Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments. Ventura County amendments to the California Electrical Code are found in Article 4 of this code.

CHAPTER 4 - ADOPTION OF THE CALIFORNIA MECHANICAL CODE (CMC)

Section 101. ADOPTION. That mechanical code known as the California Mechanical Code," 2001 Edition and also known as the California Code of Regulations (C.C.R.), Title 24, Part 4 - a portion of the "California Building Standards Code", which incorporates by reference the 2000 edition of the Uniform Mechanical Code with necessary California amendments, and Appendices A, B, C, and D promulgated and published by the International Association of Plumbing and Mechanical Officials, 20001 Walnut Drive South, Walnut, CA 91789-2825, and as amended herein, the purpose and subject matter of which, among other things, is to protect public health and safety as stated in Section 102 of said code, is hereby adopted and enacted as the primary mechanical code of the County and made a part of this Code by reference with the same force and effect as if fully set forth herein, subject to the following amendments.

Section 102. AMENDMENTS. Refer to Article 2, Chapter 1, Sec. 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments which follow. Ventura County amendments to the California Mechanical Code are found in Article 5 of this code.

CHAPTER 5 - ADOPTION OF THE CALIFORNIA PLUMBING CODE (CPC)

Sec. 101 ADOPTION. That plumbing code known as the "California Plumbing Code," 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 5 - a portion of the "California Building Standards Code", which incorporates by reference the 2000 edition of the Uniform Plumbing Code with necessary California amendments, together with Uniform Plumbing Code Appendices A, B, C, D, E, G-A, H, I, J, K and L promulgated and published by the International Association of Plumbing and Mechanical Officials, 20001 Walnut Drive South, Walnut, CA 91789-2825, the purpose and subject matter of which is to protect public health and safety by establishing minimum regulations for the installation, alteration, or repair or plumbing and drainage systems, is hereby adopted and enacted as the primary plumbing code of the County and made a part of this Code by reference with the same force and effect as if fully set forth herein, subject to the following amendments.

Section 102 AMENDMENTS. Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments. Ventura County amendments to the California Plumbing Code are found in Article 6 of this code.

CHAPTER 6 - ADOPTION OF THE UNIFORM HOUSING CODE (UHC)

Section 101. ADOPTION - That Housing Code known as the "Uniform Housing Code," 1997 Edition which was promulgated and published by the International Conference of Building Officials, 5360 South Workingman Mill Road, Whittier, California 90601, the purposes and subject matter of which among other things is to protect the public health and safety as set out in Section 102 of said Code, is hereby adopted and enacted as the primary Housing Code of the County and is made a part of this Code by reference with the same force and effect as if fully set forth herewith with specific modifications as indicated below.

Section 102. AMENDMENTS. Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments. Ventura County amendments to the Uniform Housing Code are found in Article 7 of this code.

CHAPTER 7 - ADOPTION OF THE UNIFORM CODE FOR THE ABATEMENT OF DANGEROUS BUILDINGS (DBC)

Section 101 ADOPTION. That code known as the "Uniform Code for the Abatement of Dangerous Buildings," 1997 Edition, promulgated and published by the International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California 90601, the purpose of which, among other things, is to protect the public health and safety as set out in Section 102 of this Code, is hereby adopted and enacted as the Code for Abatement of Dangerous Buildings in the County and is made a part of this Code by reference with the same force and effect as if fully set forth herein with specific modifications as indicated below. This Code will be referred to herein as the Dangerous Buildings Code.

Sec. 102 AMENDMENTS. Refer to Article 2, Chapter 1, Sec. 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments Ventura County amendments to the Dangerous Buildings Code are found in Article 8 of this code.

CHAPTER 8 - ADOPTION OF APPENDIX CHAPTER 1 OF THE CALIFORNIA CONSERVATION CODE (CCC)

Sec. 101 ADOPTION: That building conservation code known as the "California Conservation Code", 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 10 - a portion of the "California Building Standards Code" which incorporates by reference Appendix Chapter 1 of the 1997 edition of the Uniform Code for Building Conservation, promulgated and published by the International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California, 90601, and as amended herein, the purpose and subject matter of which, among other things, is to promote public safety and welfare by reducing the risk of death or injury from the effects of earthquakes on existing unreinforced masonry bearing wall buildings as stated in Section A101 of said code, is hereby adopted as the primary unreinforced masonry building conservation code of the County and made a part of this code by reference with the same force and effect as if fully set forth herein, subject to the following amendments.

Sec. 102 AMENDMENTS: Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments. Ventura County amendments to Appendix Chapter 1 of the Uniform Code for Building Conservation are found in Article 9 of this code.

ARTICLE 2 - AMENDMENTS OF GENERAL APPLICATION TO ALL OF THE ADOPTED STATE AND MODEL CODES

CHAPTER 1 - ADMINISTRATION

Section 101 TITLE, PURPOSE AND SCOPE

101.1 TITLE. This ordinance shall be known as the "Ventura County Building Code," may be cited as such, and will be referred to herein as "this Code."

This ordinance shall adopt certain State and model codes by reference, together with amendments thereto, as published herein. These referenced codes and amendments shall have the same force and effect as if fully set forth herein.

101.2 PURPOSE. The Board of Supervisors expressly finds that the purpose of this Code is to provide minimum standards to safeguard life or limb, health, property, and public welfare by regulating and controlling the design, construction, quality of materials, use and occupancy, location, relocation, and maintenance of all buildings and structures within the County and certain equipment specifically regulated herein.

The purpose of this code is not to create or otherwise establish or designate any particular class or group of persons who will or should be especially protected or benefitted by the terms of this code.

101.18 AUTHORITY. This code is adopted pursuant to the statutory authority of Health and Safety Code Section 17910 et seq., known as the "State Housing Law." It is further adopted in conformity with the provisions of Sections 50022.1 to 50022.10, inclusive of the Government Code relating to the adoption of codes by reference.

101.19 APPLICABILITY. This code shall apply within all of the unincorporated territory of Ventura County.

101.20 INTENT. It is the intent of this Article to provide administrative control over all of the applicable sections of the adopted State and model codes even if these sections are not specifically identified in each of the adopted codes.

101.21 CONFLICTS. Wherever conflicts occur between the provisions of this Code and the separate codes adopted by reference hereby, or between different sections within such individual code or codes, the provisions which are more strict or which set the highest standard of health and safety shall govern.

Where conflicts occur between provisions of this code and other duly enacted County codes and ordinances, those provisions becoming law last in time shall govern.

Wherever in this code reference is made to the Appendix, the Appendix shall not apply unless specifically adopted.

101.22 SEVERABILITY. If any article, chapter, section, sub-section, sentence, clause or phrase of these regulations is for any reason held to be unconstitutional or invalid, such decision shall not affect the validity of the remaining portions of these regulations. The Board of Supervisors hereby declares that it would have passed this ordinance, and each article, chapter, section, sub-

section, sentence, clause or phrase thereof, irrespective of the fact that any one or more articles, chapters, sections, sub-sections, sentences, clauses, and phrases be declared unconstitutional or invalid.

101.23 SECTION NUMBERING AND CROSS-REFERENCING SYSTEM FOR CODE AMENDMENTS. To facilitate cross-referencing between the adopted codes as published and the amendments contained herein, amendments are numbered to correspond to the uniform and model code sections which are affected. Thus, "Article 3, Chapter 18 Section 1804" in this ordinance is an amendment to, and supersedes Chapter 18, Section 1804 as published in the California Building Code.

Generally, each numbered sub-section of the adopted codes, for example, UBC subsection 1804.2, is deemed to be separate and distinct from others for the purpose of amendment. An amendment to one sub-section changes only that portion and does not by omission of reference amend or delete any other part of the Section such as UBC Section 1804.7.

Sec. 103 VIOLATIONS.

103.1 GENERAL. It shall be unlawful for any person, firm, or corporation to erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish, equip, use, occupy, or maintain any building or structure, building service equipment, machine or equipment or cause or permit the same to be done in violation of this Code or to violate any provision of this Code.

103.3 INFRACTIONS. It shall be an infraction of law for any person to remove, deface, or alter a posted notice of the Building Official or duly appointed representative when such notice constitutes a stop work order or a warning of substandard or hazardous conditions or prohibits or restricts the occupancy or use of a building, structure, or building service equipment regulated by this code.

103.4 MISDEMEANORS. Any person, firm, or corporation violating any of the provisions of this Code shall be deemed guilty of a misdemeanor, misdemeanor/infraction, or infraction, and each such person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of this Code is committed, continued, or permitted. Each and every violation of any provision of this Code is a misdemeanor unless designated by this Code to be an infraction or a misdemeanor/infraction.

103.5 MISDEMEANORS/INFRACTIONS. Every violation of this Code designated a misdemeanor/infraction shall be a misdemeanor; provided that, where the District Attorney has determined that such action would be in the best interests of justice, the District Attorney may specify in the accusatory pleading that the violation shall be an infraction and the violation shall then be prosecuted as an infraction.

103.6 PUNISHMENTS. Any person convicted of a misdemeanor, the penalty for which is not otherwise prescribed, shall be punishable by a fine of not more than one thousand dollars ($1,000) or by imprisonment for not more than six (6) months or both such fine and imprisonment. Any person convicted of an infraction, the penalty for which is not otherwise prescribed, shall be punished by (a) a fine not exceeding one hundred dollars ($100) for the first violation; (b) a fine not exceeding two hundred dollars ($200) for a second violation of the same ordinance provision within one year; and (c) a fine not exceeding five hundred dollars ($500) for each additional violation of the same ordinance provision within one year.

Sec. 104 - ORGANIZATION AND ENFORCEMENT

104.1 CONTINUANCE OF DIVISION. There is hereby continued within the County the "Division of Building and Safety" of the Resource Management Agency, which division shall be under the administrative and operational control of the Building Official designated by the appointing authority.

104.2 POWERS AND DUTIES OF THE BUILDING OFFICIAL

104.2.1 ENFORCEMENT OF CODES. The Building Official is hereby authorized and directed to enforce all the provisions of this Code and of the codes adopted by reference hereby. The decision of the Building Official in enforcing the provisions of this Code or of the codes adopted by reference, or in interpreting the provisions thereof, or in exercising the authority delegated thereby shall be final, subject to appeal as provided in this Code. For such purposes, the Building Official shall have the powers of a law enforcement officer.

The building official shall have the power to render interpretations of this code and to adopt and enforce rules and supplemental regulations to clarify the application of its provisions. Such interpretations, rules and regulations shall be in conformance with the intent and purpose of this code.

Whenever in this Code or in any of the codes adopted by reference hereby, another code or publication of standards or of rules or regulations is referred to, any language to the contrary notwithstanding, such reference shall not incorporate by reference such other codes, standards, or rules or regulations as part of this Code or of any of the codes adopted by reference hereby unless set out in full herein, but they shall be considered and may be used by the Building Official as guides to assist in determining whether or not there has been compliance with the provisions of this Code. The Building Official shall not be bound by the provisions of any such other codes, standards, interpretations, or rules or regulations not expressly adopted by reference in this Code in determining such compliance.

104.2.2 DEPUTIES. In accordance with the prescribed procedures and with the approval of the appointing authority of the County, the Building Official may, from time to time, appoint such number of officers, inspectors, assistants and other employees as shall be necessary to carry out the functions of the Division of Building and Safety and act as duly authorized representatives of the Building Official.

104.2.3 RIGHT OF ENTRY. Whenever it is necessary to make an inspection to enforce any of the provisions of this Code, or whenever the Building Official or his authorized representative has reasonable cause to believe that there exists in any building or upon any premises any condition or code violation which makes such building or premises unsafe, dangerous, hazardous, or insanitary, the Building Official or his authorized representative may enter such building, or premises at all reasonable times to inspect the same or to perform any duty imposed upon the Building official by this Code; provided that if such building or premises be occupied, he shall first present proper credentials and request entry; and if such building or premises be unoccupied, he shall first make a reasonable effort to locate the owner or the persons having charge or control of the building, structure, or premises and request entry. If such entry is refused, the Building Official or his authorized representative shall have recourse to every remedy provided by law to secure entry.

104.2.4 STOP ORDERS. Whenever any building work is being done contrary to the provisions of this Code, or in violation of applicable ordinances of other County agencies, the Building Official may order the work stopped by notice in writing served on any persons engaged in the doing or causing such work to be done, and any such persons shall forthwith stop such work until authorized by the Building Official to proceed with the work.

Whenever the Building Official finds that a building or structure for which a permit has been issued may be flooded or is subject to erosion hazard if the work is completed in the manner proposed, or that the completion of such work will cause the flooding of other buildings or structures, the Building Official may order all work stopped and refer the matter to the Director of the Ventura

County Flood Control District (P.W.A.), or other qualified County officer for a determination as to such danger. If the Director of the aforementioned District or other qualified County officer reports that substantial danger exists, the Building Official shall order work stopped until plans to alleviate such danger have been reviewed and approved by said Director or County officer.

Failure to order work stopped or to make such referral or both shall not be construed as a representation that danger of flooding or erosion does not or will not exist if the work is completed in the manner proposed.

104.2.5 OCCUPANCY VIOLATIONS. Whenever any building or structure or equipment therein regulated by this Code is being used contrary to the provisions of this Code, the Building Official may order such use discontinued and the structure, or portion thereof, vacated by notice served on any person causing such use to be continued. Such person shall discontinue the use within the time prescribed by the Building Official after receipt of such notice or make the structure, or portion thereof, comply with the requirements of this Code; provided, however, that in the event of an unsafe building Section 102 in the Uniform Building Code shall apply.

104.2.6 LIABILITY. The Building Official or his authorized representatives charged with the enforcement of this Code, acting in good faith and without malice in the discharge of his duties, shall not thereby render himself personally liable for any damage that may accrue to persons or property as a result of any act or omission in the discharge of his duties. Any suit brought against the Building Official or employee because of such act or omission performed by him in the enforcement of any provision of such codes or other pertinent laws or ordinances implemented through the enforcement of this code or enforced by the code enforcement agency shall be defended by the legal department of the County until final termination of such proceedings, and any judgment resulting therefrom shall be assumed by the County.

It is the intent of the Board of Supervisors to establish minimum standards for the protection of the public health, safety, and welfare. This Code shall not be construed to establish standards of performance, strength, or durability other than those specified. Neither this Code nor any services rendered in connection with or pursuant to its terms by County officers, inspectors, agents or employees, is intended nor shall be construed as the basis for any express or implied warranties or guarantees to any person relative to or concerning any structure or part, portion, or appurtenance thereto or thereof constructed, erected, altered, enlarged, repaired, moved, replaced, or removed pursuant to this Code or any permits against the County or any of its officers, inspectors, agents, or employees because any structure or portion thereof erected, constructed, altered, enlarged, repaired, moved, replaced, or removed, or any appliances installed, maintained, repaired or replaced hereunder does not meet the standards prescribed herein, or does not meet any other standards prescribed elsewhere as to performance, strength, durability or other characteristics.

This Code shall not be construed to relieve from or lessen the responsibility of any person owning, operating, or controlling any building or structure for any damages to persons or property caused by defects, nor shall the code enforcement agency or the County be held as assuming any such liability by reason of the inspections authorized by this Code or any permits or certificates of inspection issued under this code.

104.2.11 REPORTS AND RECORDS. The Building Official shall submit a report to the proper County official not less than once a year covering the work of the department during the preceding period. He shall incorporate in said report a summary of his recommendations as to desirable amendments to this Code.

The Building Official shall keep a permanent, accurate account of all fees and other monies collected and received under this Code, the names of the persons upon whose account the same were paid, the date and amount thereof, together with the location of the building or premises to which they relate.

104.2.12 POWER OF CITATION. Pursuant to the authority vested in the Board of Supervisors of the County of Ventura by California Penal Code section 836.5, the Building Official and certain of his authorized subordinates as hereinafter provided shall have the power of arrest without warrant whenever they have reasonable cause to believe that the person to be arrested has committed in their presence a misdemeanor, misdemeanor/infraction, or infraction, consisting of a

violation of the provisions of this Code or any other ordinance or statute which the Building Official has a duty to enforce.

The persons who are authorized to make arrests as herein provided shall consist of the Building Official and those of his subordinates as he may from time to time designate, whose duties include inspection and enforcement activities for Ventura County.

In any case in which a person is arrested pursuant to this section and the person arrested does not demand to be taken before a magistrate, the arresting officer shall prepare a written notice to appear and release the person on his promise to appear as prescribed by Chapter 5C (commencing with section 853.6) of the California Penal Code. The provisions of that chapter shall thereafter apply with reference to any proceeding based upon the issuance of a written notice to appear pursuant to this section.

104.2.13 NOTICE OF INTENT TO RECORD NOTICE OF NONCOMPLIANCE AND RECORDATION OF NOTICE OF NONCOMPLIANCE. Whenever the Building Official determines that work has been done without the required permit, or has not been completed in accordance with the requirements of this Code, the Building Official shall post the property and mail to the owner(s) of that property a Notice of Intent to Record a Notice of Noncompliance. The Notice of Intent shall described the property, shall set forth the noncomplying conditions, and shall inform the owner(s) that the Building Official shall record a Notice of Noncompliance unless, by a date specified in the Notice of Intent, (1) it is demonstrated to the satisfaction of the Building Official that the noncomplying conditions have been corrected or (2) a timely appeal has been filed with the Board of Appeal.

A. If by the date specified in the Notice of Intent, (1) it has not been demonstrated to the satisfaction of the Building Official that the noncomplying conditions have been corrected and (2) a timely appeal has not been filed with the Board of Appeal, the Building Official shall record a Notice of Noncompliance.

B. If a timely appeal is filed with the Board of Appeal and the Board finds that the noncomplying conditions have not been corrected and need to be corrected, the Building Official shall record a Notice of Noncompliance.

Under either A or B above, the Notice of Noncompliance shall be recorded with the office of the County Recorder and the owner(s) of the property shall be notified of such action. The Notice of Noncompliance shall described the property, shall set forth the noncomplying conditions, and shall state that the property owner(s) have been notified.

If after a Notice of Noncompliance has been recorded, it is demonstrated to the satisfaction of the Building Official that the noncomplying conditions have been corrected or removed, the Building Official shall record with the office of the County Recorder a Release of Notice of Noncompliance. The Release shall describe the property, crossed-referenced to the Notice of Noncompliance, and state that the noncomplying conditions have been corrected or removed. A fee as set forth in the Ventura County Building Code Fee Schedule may be charged the property owner(s) for issuing and recording the Release of Notice of Noncompliance.

104.2.14 AUTHORITY TO CONDEMN BUILDING SERVICE EQUIPMENT. Whenever the Building Official ascertains that any building service equipment regulated in the referenced technical codes has become hazardous to life, health or property, or becomes insanitary, he shall order, in writing, that such equipment either be removed or restored to a safe or sanitary condition, whichever is appropriate. The written order itself shall fix a time limit for compliance with such order. No person shall use or maintain defective building service equipment after receiving such notice.

When any building service equipment is maintained in violation of this code and in a violation of any notice issued pursuant to the provisions of this section, the Building Official shall institute any appropriate action to prevent, restrain, correct or abate the violation.

104.2.15 AUTHORITY TO DISCONNECT UTILITIES. The Building Official or his authorized representative shall have the authority to disconnect any utility service or energy supplied to a building, structure or building service therein regulated by this code, or the referenced technical codes, in case of emergency where necessary to eliminate an immediate hazard to life or property.

The Building Official shall, whenever possible, notify the serving utility, the owner and the occupants of the building or structure of the decision to disconnect prior to taking such action, and shall notify such serving utility, owner and occupants of the building or structure, in writing, of such disconnection immediately thereafter.

104.2.16 RECONNECTION AFTER ORDER OF DISCONNECTION. No person shall make connections from any energy, power or fuel supply, nor supply energy or fuel to any building service equipment which has been disconnected or ordered to be disconnected by the Building Official or the use of which has been ordered discontinued by the Building Official until the Building Official authorizes the reconnection and use of such equipment.

Sec. 105 - BOARD OF APPEALS

105.1 GENERAL. To determine the suitability of alternate materials and methods of construction, and to provide for reasonable interpretations of the provisions of this Code, and to hear the appeals provided for, there shall be and are hereby created Boards of Appeals. Each Board shall consist of five members who are not employees of the County and who are qualified by experience and training to pass upon matters pertaining to the type of construction related to each Board's jurisdiction as hereinafter described. The Building Official shall be an ex officio member and shall act as Secretary of each Board. Each Board of Appeals shall be appointed by the Board of Supervisors and shall hold office at its pleasure. Each Board shall adopt reasonable rules and regulations for conducting its investigations. All decisions and findings shall be rendered in writing to the appellant with duplicate copy to the Building Official. Copies of all rules and regulations adopted by the Board shall be delivered to the Building Official who shall make them accessible to the public. All decisions of a Board of Appeals shall be final.

105.3 SPECIFIC BOARDS OF APPEAL

105.3.1 GENERAL BOARD OF APPEALS. The jurisdiction of the General Board of Appeals shall be all the appealable matters contained in this Code, except those matters expressly placed within the jurisdiction of one of the following Board of Appeals.

105.3.2 BOARD OF GRADING APPEALS. The jurisdiction of the Board of Grading Appeals shall be the appealable matters contained in APPENDIX Chapter 33 of the Uniform Building Code.

105.3.3 BOARD OF MECHANICAL AND PLUMBING APPEALS. The jurisdiction of the Board of Mechanical and Plumbing Appeals shall be the appealable matters contained in the Uniform Mechanical Code and the Uniform Plumbing Code.

105.3.4 BOARD OF ELECTRICAL APPEALS. The jurisdiction of the Board of Electrical Appeals shall be the appealable matters contained in the National Electrical Code.

105.3.5 BOARD OF APPEALS OF ACCESSIBILITY MATTERS. The jurisdiction of the Board of Appeals of Accessibility matters shall be the appealable matters contained in California State Title 24 (CCR), the Federal Americans with Disabilities Act and Federal Housing Authority regulations for disabled access.

105.4 APPEALS HEARING FEE. Required fees as set forth in the Ventura County Building and Safety Fee Schedule shall accompany each application for a hearing before any of the appeals boards authorized by this Code.

Sec. 106 PERMITS

106.1 PERMITS REQUIRED. No person, firm or corporation shall erect, construct, enlarge, alter, repair, move, improve, remove, convert, demolish, equip, use, occupy or maintain any building or structure, building service equipment, machine, equipment, or cause the same to be done, without first obtaining the necessary permit for each such building or structure from the Building Official. The terms "erect, construct, enlarge, alter, repair," etc. as used above shall be deemed to include any and all electrical, plumbing, mechanical, grading, or other work regulated by this Code.

106.1.1 STREAMLINED PERMITS FOR CERTAIN AGRICULTURAL BUILDINGS, GREENHOUSES AND SHADE STRUCTURES. The provisions of this code with respect to plan review and inspection shall not apply to certain agricultural buildings, greenhouses and shade structures as specified herein, provided that all of the following conditions are met:

1. The building or structure is used exclusively as an agricultural building as defined in the Uniform Building Code (U.B.C.), and is not designed, equipped or intended for human occupancy or any use other than as an agricultural building, and

2. The building or structure is detached, single story, not over 15 feet in height as defined in the U.B.C., and is of conventional wood frame (Type V-N) construction, and

3. The floor area of the building or structure does not exceed the following limits:

   a. On sites of 10 acres or more in size: 3,000 square feet.

   b. On sites 2 acres or more but less than 10 acres in size: 1,500 square feet, except for nurseries.

   c. On sites 2 acres or more but less than 10 acres in size: 3,000 square feet for nurseries licensed by the Agricultural Commissioner.

   d. On sites less than 2 acres in size: none.

   e. Shade cloth structures without permanently affixed sides: 12,000 square feet, and

4. The building is determined to be exempt from requirements for preparation of plans by a professional engineer or architect as set forth in the California Professional Engineer's or Architect Act, and

5. A Zoning Clearance as an agricultural building, greenhouse or shade structure for the building or structure is approved by the Planning Division, and

6. Approval from the Environmental Health Division is obtained for properties with septic systems, and

7. Approval from the Flood Control Department of the Public Works Agency is obtained as required, and

8. Approval from the Ventura County Fire Department is obtained relative to access, water supply, fire sprinkler, brush clearance and high fire hazard area requirements for any barn or storage structure designed and constructed to house farm implements, hay, grain, poultry or livestock in excess of 1,500 square feet in area; and where a review for other types of agricultural buildings up to 3,000 square feet in area in not required; and

9. Approval from the Development and Inspection Services Division of the Public Works Agency is obtained when a grading permit is required, and

10. A code complying exit is provided from the building or structure, and

11. There is no plumbing, mechanical or electrical work proposed for the building or structure.

106.1.1.1 FEES FOR STREAMLINED AGRICULTURAL BUILDING PERMITS. Except for the required permit issuance fee, no plan review or building permit fee shall be applicable to agricultural buildings, greenhouses and shade structures qualifying for the above procedure under the provisions of that subsection.

106.1.1.2 OTHER PERMITS. Plumbing, mechanical and electrical permits shall be required when applicable.

106.1.1.3 APPLICABILITY TO OTHER AGENCIES. Nothing herein shall be construed as providing exemption from the requirements of any agency other than the Division of Building and Safety.

106.1.2 PERMITS FOR SMALL AGRICULTURAL PRODUCE STANDS. The provisions of this Code with respect to plan review and inspection shall not apply to agricultural produce stands, as specified herein, provided that all of the following conditions are met:

1. A Zoning Clearance for the produce stand is approved by the Planning Division.
2. Approval for the sale of agricultural products is obtained from the Environmental Health Division.
3. Approval from the Environmental Health Division is obtained for properties with septic systems.
4. The produce stand is used exclusively for the sale of agricultural produce only.
5. The floor area of the building does not exceed 400 square feet and is a single story, conventional wood frame structure of type V-N construction.
6. An area equivalent to at least 65% of the area of the longest side is left open and unobstructed during business hours.
7. A code complying exit is provided from the structure.

106.1.2.1 FEES FOR SMALL AGRICULTURAL PRODUCE STANDS. Except for the required permit issuance fee, no plan review or building permit fee shall be applicable to produce stands qualifying for exemption under the provisions of this subsection.

106.1.2.2 OTHER PERMITS. Plumbing, mechanical and electrical permits shall be required when applicable.

106.1.2.3 APPLICABILITY TO OTHER AGENCIES. Nothing herein shall be construed as providing exemption from the requirements of any agency other than the Division of Building and Safety.

106.1.3 WAIVER OF PERMIT. The Building Official may, by administrative order, waive permit requirements for work which is not inimical to the public health, safety or welfare, or which because of its temporary nature or special purpose, does not fall within the purview or intention of this Code.

106.1.4 EMERGENCY BUILDING PERMITS. The Building Official is hereby authorized to establish procedures for issuing permits to correct emergency situations. The Building Official may verbally authorize work to proceed for such purposes, with the condition that a standard application will be filed once the emergency has been overcome. The holders of such emergency permits shall proceed at their own risk without assurance that the work so accomplished shall be approved as constructed.

Emergency repairs to plumbing, electrical, and mechanical installations may be initiated prior to obtaining the required permits, provided that such work was urgently necessary and it was impractical to obtain the permits prior to commencement of the work. Permits for all such work shall be obtained as soon as it is practical to do so.

Sec. 106.2 EXEMPTED WORK. A building permit shall not be required for the following:

1. One-story detached accessory buildings used as tool and storage sheds, patio covers, playhouses, playground or athletic equipment and similar uses provided the floor area does not exceed 120 square feet.

2. Fences not over 6 feet high measured from highest point of grade, unless supporting a surcharge or structural element.

3. Oil derricks.

4. Movable cases, counters, and partitions not over 5 feet 9 inches high.

5. Retaining walls which are not over 4 feet in height measured from the bottom of the footing to the top of the wall, unless supporting a surcharge or impounding Class I, II or III-A liquids.

6. Water tanks supported directly upon grade if the tank capacity does not exceed 5,000 gallons and the ratio of height to diameter or width does not exceed 2 to 1.

7. Platforms, walks and wood decks not more than 30 inches above grade at any point and not over any basement or story below, nor supporting any structure above.

8. Painting, papering, and similar finish work.

9. Temporary motion picture, television and theater stage sets and scenery.

10. Window awnings supported completely by an exterior wall of Group R, Division 3 or Group U, Division 1 Occupancies when projecting not more than 54 inches nor encroaching into required yards.

11. Prefabricated swimming pools accessory to a Group R, Division 3 Occupancy in which the pool walls are entirely above the adjacent grade and if the capacity does not exceed 5,000 gallons (18,927L).

12. [For SFM] State-owned buildings under the jurisdiction of the state fire marshal.

13. Freestanding signs not more than 10 feet in height and not more than 72 square feet in area and wall signs not more than 200 square feet in area.

14. Residential television and radio antennas and dish antennas not more than 3 feet in diameter with an approved zone clearance.

15. Commercial antennas not over 15 feet in height when in compliance with the County Zoning Ordinance.

16. Electrolier standards and flag poles not over 35 feet in height when in compliance with the County Zoning Ordinance.

17. Readily removable plastic covered hoop structures without in-ground footings or foundations that are not more than 8' in height.

18. Agricultural wind generating machines except that an electrical or gas permit is required if they are connected to a commercial utility.

19. Detached one story shade covers for animals when the covers are not over 12 feet in height above grade and not more than 1,000 square feet of roof area.

Unless otherwise exempted, separate plumbing, mechanical and electrical permits will be required for the above exempted items. Exemption from the permit requirements of this Code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this Code or any other laws or ordinances of this jurisdiction.

Sec. 106.3 - APPLICATION

106.3.1 APPLICATION FOR PERMIT. To obtain a permit the applicant shall first file an application therefor in writing on a form furnished for that purpose. Every such application shall:

1. Give such information as may be required by the Building Official, County Agencies, or State Law.

2. Be accompanied by such plans, diagrams, computations, schedules, specifications and other data as may be necessary to determine compliance with this Code and other applicable codes, laws, ordinances, rules and regulations.

106.3.2 SUBMITTAL DOCUMENTS.

Plans, specifications, engineering calculations, diagrams, soil investigation reports, special inspection and structural observation programs and other data shall constitute the submittal

documents and shall be submitted in one or more sets with each application for a permit. When such plans are not prepared by an architect or engineer, the building official may require the applicant submitting such plans or other data to demonstrate that state law does not require that the plans be prepared by a licensed architect or engineer. The building official may require plans, computations and specifications to be prepared and designed by an engineer or architect licensed by the state to practice as such even if not required by state law.

EXCEPTION: The building official may waive the submission of plans, calculations, construction inspection requirements and other data if it is found that the nature of the work applied for is such that reviewing of plans is not necessary to obtain compliance with this code.

Computations, diagrams, schedules, soil reports, geological or geotechnical reports, and other data sufficient to show the correctness and adequacy of the plans shall be submitted when required by the Building Official.

A Survey of a lot may be required by the Building Official to assure that a structure is located in accordance with requirements, and/or is situated with respect to Mean Sea Level such that it complies with regulations governing construction in flood-prone areas.

Sec. 106.4 - PERMITS ISSUANCE

106.4.1 PERMIT ISSUANCE AND DENIAL. The application, plans, specifications and other data filed by an applicant for a permit shall be reviewed by the Building Official. Such plans may be reviewed by other departments of the County to verify compliance with any applicable laws under their jurisdiction. If the Building Official finds that the work described in an application for a permit and the plans, specifications, and other data filed therewith conform to the requirements of this Code and other pertinent laws and ordinances, and that all required fees have been paid, he shall issue a permit therefor to the applicant.

Except where special building designs or other mitigating measures have been approved by the Building Official and cooperating officials of other County agencies, a building permit may be denied where physical features of a building site are such that a denial of the building permit is deemed necessary to safeguard life or limb, health, property, or public welfare. Physical features which justify the denial of a permit shall include but shall not be limited to:

1. Precipitous cliffs or other nearby vertical land masses of unknown stability.
2. Unstable soils or geologic conditions.
3. Terrain which is subject to flooding, inundation, or sever soil erosion.

When the Building Official issues the permit, he shall endorse in writing or stamp on both sets of plans and specifications "APPROVED." Such approved plans and specifications shall not be changed, modified, or altered without authorization from the Building Official, and all work regulated by this Code shall be done in accordance with the approved plans.

The Building Official may issue a permit for the construction of part of a building or structure before the entire plans and specifications for the whole building or structure have been submitted or approved provided adequate information and detailed statements have been found complying with all pertinent requirements of this Code. The holder of such permit shall proceed at his/her own risk without assurance that the permit for the entire building or structure will be granted.

106.4.1.1 PERMIT ISSUANCE: RESTRICTIONS. The issuance of permits shall be restricted to those applicants or their authorized representatives who are entitled by the regulations and the exemptions in the State Contractor's License Law, Business and Professions Code, and other applicable statutes to perform work regulated by this Code.

1. Owner-Builder permits may be issued to a property owner building or improving his/her principal place of residence or appurtenances thereto, provided that all of the following conditions exist:

(a) The residence is not intended or offered for sale.

(b) The homeowner has actually resided in the residence for the 12 month period prior to the completion of the work for which the permits is issued.

2. Owner-Builder permits may be issued to a property owner building or improving structures thereon who contract for such projects with licensed contractors pursuant to Division 3, Chapter 9, of the California Business and Professions Code.

3. Tenant Improvement permits may be issued to tenants when authorized by the building owner for work within the tenant space.

106.4.4 EXPIRATION OF PERMIT. Every permit issued by the Building Official under the provisions of this Code shall expire by limitation and become null and void, if the building or work authorized by such permit is not commenced within 180 days after the date of issuance of such permit or if the building or work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180 days, or if the work authorized by such permit does not receive final inspection approval within 3 years from the issuance date of the permit. Before such work may be recommenced, a new or renewed permit shall first be obtained to do so. The fee therefor shall be based upon the valuation and extent of work remaining to complete the project, but such fee shall not exceed one-half the current permit fee providing no changes have been made or will be made in the original plan and specifications for such work; and provided further that such suspension or abandonment has not exceeded one year. In order to renew action on a permit after expiration has exceeded one year, the permittee shall pay a new full permit fee.

Any permittee holding an unexpired permit may apply for an extension of the time within which he may perform work under that permit when he is unable to perform work within the time required by this section for good and satisfactory reasons. The Building Official may, without requiring payment of an additional permit fee, extend the time for action by the permittee for a period not exceeding 180 days upon written request by the permittee showing that circumstances beyond the control of the permittee have prevented action from being taken. No permit shall be extended more than once.

Demolition permits issued for the correction of violations shall expire after 30 days.

For the purpose of this Section "suspended or abandoned" shall be measured as elapsed time between approved REQUIRED INSPECTIONS as delineated in UBC Sections 108.5 through 108.7.

106.4.5 SUSPENSION OR REVOCATION OF PERMIT. The Building Official may, in writing, suspend or revoke a permit issued under the provisions of this Code whenever the permit is issued in error or on the basis of incorrect information supplied, or in violation of any ordinance or regulation or any of the provisions of this Code or for just cause.

106.4.6 PERMITS TRANSFERABLE. Permits required by this Code may be transferred from the original permittee to second parties when legal requirements have been satisfied, when approved by the Building Official, and when applicable fees have been paid.

106.4.7 ANNUAL MAINTENANCE PERMITS. The Building Official may, upon receipt of the required fee, issue an annual maintenance permit to any authorized person, firm, or corporation regularly engaged in the repair, replacement, or facility maintenance of electrical, plumbing, or mechanical systems regulated by this Code. The annual maintenance permit shall cover maintenance work which is performed on the specific premises of a person, firm or corporation and shall entitle the holder to be issued permits for said work on a monthly basis in lieu of obtaining individual permits prior to each installation or alteration of electrical wiring, plumbing, or mechanical equipment.

The holder of an annual maintenance permit shall report all work done under the permit on a form furnished for the purpose not more than fifteen (15) days following the end of each calendar

month, or as otherwise approved by the Building Official. Each such report shall be accompanied by required fees.

Annual Maintenance Permits shall only be applicable to commercial and industrial facilities.

Sec. 107 - FEES

107.1 GENERAL. Fees for permits and services rendered pursuant to this Code shall be assessed as set forth in this Code, and in accordance with the Ventura County Building Code Fee Schedule as established by the Board of Supervisors.

107.2 BUILDING PERMIT FEES. The fee for each building permit shall be as set forth in the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

The determination of value or valuation under any of the provisions of this Code shall be made by the Building Official. The valuation to be used in computing the permit and plan review fees shall be the total value of all construction work for which the permit is issued as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire-extinguishing systems and any other permanent equipment.

107.2.1 ELECTRICAL PERMIT FEES. The fee for each electrical permit shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.2.2 MECHANICAL PERMIT FEES. The fee for each mechanical permit shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.2.3 PLUMBING PERMIT FEES. The fee for each plumbing permit shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.2.4 OTHER FEES. Other fees charged for services by the Division of Building and Safety shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.3 PLAN REVIEW FEES. When a plan or other data are required to be submitted by Sec. 106.3.2, a plan review fee shall be paid at the time of submitting plans and data for plan review. Said plan review fee shall be 75 percent of the building permit fee as shown in the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

The plan review fees specified in this subsection are separate fees from the permit fees, and are in addition to the permit fees.

The amount of the plan review fee for the initial submittal of a "Standard Plan" as defined herein shall be the full plan review fee as specified above. The plan review fee for subsequent submittals of a plan which qualifies as a "Standard Plan" shall be one-half of the initial plan review fee. "Standard Plan is hereby defined as a prototype plan for a building or structure which is to be utilized at more than one site, and which incorporates the same essential structural features, design, dimensions and calculations as the original approved plan. A "Standard Plan" shall be void three years after its original approval or upon revision of the applicable codes under which it was initially reviewed, or at the discretion of the Building Official."

When plans are incomplete or are changed so as to require additional plan review, an additional plan review fee shall be charged but such fee shall not exceed one-half the initial plan review fee. Corrected plans which are resubmitted to the Division of Building and Safety for approval subsequent to initial plan review shall not be subject to an additional plan review fee. The fee for

additional plan review may be waived by the Building Official when the time consumed in the performance of such service totals less than one-half hour.

107.4 EXPIRATION OF PLAN REVIEW. Applications for which no permit is issued within 180 days following the date of application shall expire by limitation, and plans and other data submitted for review may thereafter be returned to the applicant or destroyed by the building official. The building official may extend the time for action by the applicant for a period not exceeding 180 days on request by the applicant showing that circumstances beyond the control of the applicant have prevented action from being taken. No application shall be extended more than once. In order to renew action on an application after expiration, the applicant shall resubmit plans and pay a new plan review fee. When plans are resubmitted for checking after expiration of plan review and no changes have been made or will be made in the original plans and specifications for the work, and no code changes have occurred, the plan review may be renewed for 180 days and the plan review fee may be one-half the current plan review fee provided the re-submittal has not exceeded one year from the expiration date.

107.5 INVESTIGATION FEES: WORK WITHOUT PERMIT.

107.5.2 FEE. An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then, or is subsequently, issued. The investigation fee shall be equal to the amount of the permit fee required by this Code, and shall in no case be less than the minimum fees required by the Ventura County Building and Safety Fee Schedule.

The payment of such investigation fee shall not exempt any person from compliance with all applicable provisions of this code or any of the codes adopted by reference hereby, nor from any penalty prescribed by law.

107.6 FEE REFUNDS. The Building Official may authorize the refunding of fees upon written application by the original permittee, within the limitations set forth herein:

(a) Permit issuance fees shall be nonrefundable except as provided in subsection (c) below.

(b) Any fee totaling thirty-five dollars ($35) or less, exclusive of any issuance fee, if any, shall be nonrefundable except as specified in subsection (c) below.

(c) 100% of any fee erroneously paid or collected shall be refundable, except for that portion paid for State Seismic Fee (SMIP).

(d) 90% of any plan review fee, less a cancellation fee, shall be refundable when the permit application is withdrawn or canceled prior to commencement of plan review.

(e) 90% of any permit fee, less a cancellation fee and State of California Seismic Fee (SMIP), shall be refundable when none of the work covered by such permit has commenced.

(f) 90% of any Board of Appeals hearing fee, less a cancellation fee, shall be refundable when such hearing is canceled prior to the issuance of a Notice of Hearing pertaining to the case.

Failure of the permittee to make written application for a refund within 180 days of cancellation or expiration of a plan review, permit, hearing, or request for service for which a fee has been paid, shall constitute a waiver of entitlement to a refund. No partial refund shall be authorized nor credit be applied against other fees which may be payable to the Division of Building and Safety when a construction project is canceled or abandoned subsequent to partial completion of the building or work authorized by a permitted.

107.7 CANCELLATION FEE. Refunds of fees for permits and services associated with construction projects which are canceled or withdrawn prior to commencement of plan review, inspection, or performance of other service by the Division of Building and Safety shall be subject to a cancellation fee as set forth in the Ventura County Building and Safety Fee Schedule.

Sec. 108 - INSPECTIONS

108.1. GENERAL.

All construction or work for which a permit is required shall be subject to inspection by the building official to ensure compliance with the requirements of this Code and all such construction or work shall remain accessible and exposed for inspection purposes until approved by the building official. In addition, certain types of construction shall have continuous inspection, as specified in Section 1701.5.

Approval as a result of an inspection shall not be construed to be an approval of a violation of the provisions of this code or of other ordinances of the jurisdiction. Inspections presuming to give authority to violate or cancel the provisions of this code or of other ordinances of the jurisdiction shall not be valid.

It shall be the duty of the permit applicant to cause the work to remain accessible and exposed for inspection purposes. Neither the building official nor the jurisdiction shall be liable for expense entailed in the removal or replacement of any material required to allow inspection.

A survey of the lot may be required by the building official to verify that the structure is located in accordance with the approved plans.

It shall be the responsibility of the owner or person doing work authorized by a permit to notify the Building Official by telephone, orally, or in writing when said work is ready for inspection. Such notification shall be given at least one working day before such inspection is desired.

No portion of any building, structure, wiring, plumbing, ductwork or equipment which is required to be inspected shall be permanently covered or concealed without approval of the Building Official. The Building Official shall have authority to remove, or to require the removal of, any obstruction which prevents the required inspection of any portion of a building, structure, wiring, plumbing, ductwork, electrical, or mechanical equipment, as necessary to verify compliance with the approved drawing or codes.

108.4 APPROVALS REQUIRED. Work shall not be done on any part of a building or structure beyond the point indicated in each successive inspection without first obtaining the written approval of the Building Official. Such written approval shall be given only after an inspection has been made of each successive step in the construction as indicated by each of the inspections required in subsection 108.5 in the UBC and by other applicable laws and ordinances.

There shall be a final inspection and approval on all buildings when completed and ready for occupancy. An approval for occupancy and the issuance of a clearance by the Building Official for the connection of utilities to any building or structure shall be contingent upon compliance with provisions of this Code and any other applicable laws and ordinances.

When, in the judgment of the Building Official, unusual conditions exist which justify the connection of utilities prior to completion of a building or structure, a temporary clearance may be issued for such connection.

SECTION 109 - CERTIFICATE OF OCCUPANCY

109.3 CERTIFICATE ISSUED. After the building official inspects the building or structure and finds no violations of the provisions of this code, including type of occupancy and use of the building, or other laws or regulations enforced by the code enforcement agency, the building official shall issue a Certificate of Occupancy which shall contain the following:

1. The building permit number.
2. The address of the building.
3. The name and mailing address of the owner.
4. The name and mailing address of the tenant.
5. A description of that portion of the building, including floor area (in square feet) for which the certificate is issued.

6. A statement that the described portion of the building has been inspected for compliance with this code for the group and division of occupancy and the use for which the designated occupancy is classified.

7. The name of the building official.

8. The date that the Certificate of Occupancy was issued.

The Certificate of Occupancy shall run concurrently with the tenancy of the building. Subsequent tenants shall be required to obtain a Certificate of Occupancy in their name.

109.4 TEMPORARY OR PARTIAL CERTIFICATE. Upon application by the owner, and for reasonable cause, if the building official finds that no substantial hazard will result from occupancy of any building or portion thereof before the entire building is completed, a Temporary or Partial Certificate of Occupancy may be issued for a portion or portions of the building. Such Temporary or Partial Certificate must include compliance with this code for all required access and exiting systems, toilet facilities and fire protection equipment and systems.

Upon completion of the entire structure all Temporary or Partial Certificates shall be surrendered to the building official in exchange for a final Certificate of Occupancy, as specified in UBC Section 109.3.

ARTICLE 3 - AMENDMENTS TO THE CALIFORNIA BUILDING CODE (CBC)

CHAPTER 2 - DEFINITIONS

Sec. 200 - GENERAL AMENDMENTS

See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more specific shall apply.

Sec. 201 - DEFINITIONS

201.1.1 DEFINITIONS. Whenever in this Code, or in any of the codes herein adopted, the following names or terms are used, they shall have the meanings set out herein.

Section 202-A
"APARTMENT HOUSE" shall mean any building or portion thereof which contains three or more dwelling units and, for the purpose of this Code, includes residential condominiums and townhouses.
Section 203-B
"BUILDING OFFICIAL" or **"building official"** shall mean the person appointed by the Director of the Resource Management Agency charged with the administration of the Division of Building and Safety, or a duly authorized representative.
Exceptions: 1. For the purpose of administering APPENDIX Chapter 33 - of the Uniform Building Code as amended, Excavation and Grading, the term "Building Official" shall mean the Director of Public Works Agency, or a duly authorized representative. The Director of Public Works Agency or his duly authorized representative shall assume the power of citation for enforcement of APPENDIX Chapter 33 - as said Power of Citation is described in ARTICLE II - Chapter 1, Section 104.2 POWERS AND DUTIES OF THE BUILDING OFFICIAL, subsection 104.2.12 - POWER OF CITATION, in this ordinance.

2. For the purpose of administering those requirements of Chapter 7 and APPENDIX K of the Uniform Plumbing Code pertaining to the approval, permitting and inspection of private sewage disposal systems, the term "Building Official" shall mean the Environmental Health Officer or the Director of Building and Safety, or a duly authorized representative. The Environmental Health Official or his duly authorized representative shall assume the power of citation for the enforcement of Chapter 7 and APPENDIX K of the UPC as said Powers of Citation are described in ARTICLE 2 - Chapter 1, Section 104.2 POWERS AND DUTIES OF THE BUILDING OFFICIAL, Subsection 104.2.12 - POWER OF CITATION, in this ordinance.
3. For the purposes of administering provisions of the Uniform Housing Code pertaining to the abatement of health hazards, the term "Building Official" shall mean the manager of the Division of Building and Safety and/or the Environmental Health Officer, or a duly authorized representative.

"BUILDING SERVICE EQUIPMENT" Shall mean the plumbing, mechanical, electrical, and elevator equipment including piping, wiring, fixtures, and other accessories which provide sanitation, lighting, heating, ventilation, cooling, refrigeration, fire-fighting and transportation facilities essential for the habitable occupancy of a building or structure for its designated use and occupancy.

Section 204-C
"CHIEF ELECTRICAL INSPECTOR," "ADMINISTRATIVE AUTHORITY" and all other terms and designations indicating the person authorized and directed to carry out, enforce and

exercise governmental rights, privileges and duties shall, unless expressly indicated otherwise, mean the Building Official and any duly authorized deputies, assistants, and inspectors.

"CITY," "COUNTY," and other terms designating the local governmental entity having jurisdiction, shall mean the County of Ventura or the area under its jurisdiction.

Section 205-D

"DIRECTOR OF PUBLIC WORKS" shall mean the Director of Public Works except that it shall mean the Building Official for purposes of directing work of repair or demolition having an estimated cost of $4,000 or less pursuant to Section 1401.3 in the Uniform Housing Code and Section 701.3 in the Dangerous Buildings Code.

Section 206-E

"ENVIRONMENTAL HEALTH OFFICER" or **"ENVIRONMENTAL HEALTH OFFICIAL"** shall mean the duly appointed Director of the Environmental Health Department of the County or a duly authorized representative.

Section 207-F

"FIRE DEPARTMENT" shall mean the Ventura County Fire Protection District or the fire service agency having jurisdiction.

207-F **"FLOOD HAZARD AREA"** is an area subject to either flooding or erosion from surface water runoff, or from wave action of the Pacific Ocean, as determined by the Flood Control Department of the Public Works Agency.

Section 208-G

GRADE (Adjacent Ground Elevation for Structures within FLOOD HAZARD AREAS) is the point of elevation 12 inches above the highest elevation of the paved portion of the roadway adjacent to the subject lot, or the minimum height above mean sea level, whichever is the highest, as determined by the Flood Control Division of the Public Works Agency. (The Flood Control minimum elevation relates to the lowest habitable floor elevation; therefore, "GRADE" shall be established as the lowest habitable floor minus 6 inches in determining Reference Datum for measuring the maximum height of a structure.)

209-H **HABITABLE SPACE** (room) is space in a structure for living, sleeping, eating or cooking. Bathrooms, toilet compartments, closets, halls storage or utility space, and similar areas, are not considered habitable space.

EXCEPTION: For structures located within Flood Hazard Areas, bathrooms, toilet compartments, closets and laundry areas shall be considered as Habitable Space.

Section 217-P

"PERSON," "FIRM," or **"CORPORATION"** shall mean any and all entities of whatsoever nature or kind, including but not limited to individuals, owners, tenants, lessees, unions or organizations, cooperatives and trusts, corporations, partnerships whether general or limited, and unincorporated associations and shall include the plural as well as the singular number, the male and female gender, and all governmental entities subject in whole or in part to this Code and the codes adopted by reference herein.

Section 220-S

STORY, FIRST, is the lowest story in a building which qualifies as a story, as defined herein, except that a floor level in a building having only one floor level shall be classified as a first story, provided that such floor level is not more than 4 feet below grade, as defined herein, for more than 50 percent of the total perimeter, or not more than 8 feet below grade, as defined herein, at any point.

EXCEPTION: For structures located within Flood Hazard Areas, see Section UBC 208 for definition of "GRADE (adjacent Ground Elevations for Structures within FLOOD HAZARD AREAS).

CHAPTER 6 - TYPES OF CONSTRUCTION

SECTION 607 - HIGH FIRE HAZARD AREAS

Sec. UBC 607.1 HIGH FIRE HAZARD AREA DEFINED. For the purpose of this code, certain areas in the unincorporated territory of the County shall be classified as the High Fire Hazard Area by the Ventura County Fire Protection District. The High Fire Hazard Area is defined as any area within 500 feet of uncultivated brush, grass, or forest-covered land wherein an authorized representative of said District determines that a potential fire hazard exists due to the presence of such flammable growth.

Sec. UBC 607.2 CONSTRUCTION REQUIREMENTS IN HIGH FIRE HAZARD AREAS. The purpose of this Section is to provide a minimum standard for the fire protection of buildings and structures hereafter erected in proximity to areas of the County where concentrations of highly flammable brush, grass, or other combustible growth combined with periods of hot, dry winds create a high fire hazard, and where lives and property may thereby be endangered.

Buildings or structures hereafter erected, constructed or moved within or into designated high fire hazard areas, including mobilehomes, shall be one of the Types of Construction as defined in this Code and shall meet the requirements of this Section. Although their installation is encouraged, neither manual nor automatic fire extinguishing systems or similar water spraying devices may be substituted for the fire protection set forth herein.

607.2.1 ROOFS. Roof coverings shall be fire retardant Class A. as specified in Section 1504 in the UBC.

607.2.2 EXTERIOR WALLS. Fire-resistive protection of exterior walls and openings, as determined by location on property, shall be as required by Section 503 in the UBC.

EXCEPTION: No exterior wall covering of a building shall provide less fire resistance than that afforded by: 7/8-inch exterior cement plaster; 1-inch nominal thickness solid wood siding; 1/2-inch textured plywood siding having a groove depth of 1/8-inch or less; 7/16-inch hardwood siding; 5/8-inch particleboard, exterior type 2-M; or 5/8-inch exterior plywood, T1-11, having a groove depth of 1/4-inch or less. Fire-retardant treated or untreated wood shingle or shake siding shall not be permitted.

607.2.3 UNDERFLOOR AREAS. Where underfloor areas are not enclosed by fire-resistive construction conforming to the requirements of subsection 607.2.2 above, the underside of the floor system shall be fire-protected as set forth in subsection 607.2.4.

607.2.4 PROJECTIONS AND OTHER BUILDING ELEMENTS EXPOSED TO FIRE. Architectural projections such as roof overhangs and soffits, balconies and decks, and other elements of building which have combustible structural elements in the horizontal plane, shall be protected with materials approved for 1-hour fire-resistive construction on the lower, fire-exposed side and shall have 1-hour fire-resistive supporting columns unless the details of construction conform to those for heavy timber as described in Section 605 in the UBC.

EXCEPTIONS: 1. Combustible structural members in horizontal projections may be unprotected timbers of size 4 x 6 or larger when used as rafters or as stair, balcony, or deck supports or for similar purposes.

2. Patios, carports, arbors and open latticework sunshades may be constructed of any materials allowed by this Code.

3. Balconies and decks 30 inches or more above grade may have flooring of not less than 2-inch nominal thickness lumber or material of equivalent fire resistance. Such flooring may be spaced not more than 1/4-inch apart and need not be fire protected on the underside.
   Balconies and decks less than 30 inches above grade shall be solidly floored without gaps and shall be fire-protected on the underside as required by this Section. In lieu of fire protection, such balconies and decks may be enclosed from floor surface to grade in the manner prescribed for exterior walls in subsection 607.2.2 of this Section.
4. Combustible exterior columns directly supporting roofs, stairs, balconies, and decks may be size 4 x 4 or larger. Columns and beams supporting interior floor loads may be size 6 x 6 or larger.

607.2.5 VENTILATION OPENINGS. Attic or foundation ventilation opening or louvers shall not be located at or within 18", measure vertically, of eaves or rakes, soffits, balconies, decks, or similar exterior overhangs which may be directly exposed to a fire in adjacent hazardous grass or brush areas.

607.3 WAIVER OF REQUIREMENTS. The Building Official may waive the requirements of UBC 607.2.1 through 607.2.5 above, in whole or in part, for specific construction projects within the High Fire Hazard Area when such waiver is approved by an authorized representative of the Ventura County Fire Protection District, based upon site conditions which justify a reduction in fire resistance.

CHAPTER 16 - DIVISION I - STRUCTURAL FORCES

Sec. 1611 OTHER MINIMUM LOADS.

1611.12 DRILLED-IN EXPANSION BOLT ANCHORS OR EPOXY-TYPE ANCHORS. Drilled-in expansion bolts, cinch bolts, or epoxy-type anchors may be used when approved by the building official. When used, these bolts shall be sized and installed in accordance with an approval from a recognized approval agency or the manufacturer's design criteria and installation specifications. Drilled-in expansion bolts and cinch bolts shall be tested by an independent testing laboratory to a minimum of 1,000 pounds or to twice the allowable design value for the same size bolt, whichever is greater.

Frequency of testing shall be:

One to five bolts per site - two bolts, selected at random shall be tested and certified.

More than five bolts - 25 percent of such bolt with a minimum of two shall be selected at random to be tested and certified.

Failing bolts shall be reinstalled and retested to the same criteria.

Additional bolts may be required to be tested by the Building Official.

CHAPTER 18 - FOUNDATION AND RETAINING WALLS

Section 1803 SOIL CLASSIFICATION - EXPANSIVE SOIL.

1803.2 EXPANSIVE SOIL. The expansive characteristics of soil shall be determined by procedures in accordance with UBC Standard Number 18-1 and the soils shall be classified according to Table Number 18-1-B of this Code. Foundations for structures bearing on soils with an expansion index greater than 20, as determined by UBC Standard Number 18-2, shall require special design consideration. In the event the soil expansion index varies with depth, the weighted index shall be determined according to Table Number 18-1-C in the UBC. The Soil Expansion Index shall be listed in all soils investigation reports.

A test to determine the soil expansion index shall be conducted for each building site except that in subdivisions the frequency of testing need not exceed one test per five contiguous lots or one test per five acres, whichever are is smaller. Such tests shall be made after rough grading is completed. Tests shall include a determination of the expansion index for the most expansive soil encountered within the top four feet at each test location whether in cut or fill or a combination thereof.

The expansion index for soil on subdivision lots which have not been individually tested shall be assumed to correspond to the highest reading determined by tests on proximate lots.

Section 1804 FOUNDATION INVESTIGATION.

1804.1. GENERAL. The classification of the soil at each building site shall be determined when required by the Building Official. Such determination shall be made by a California-licensed civil engineer experienced in soil engineering.

1804.2 INVESTIGATION. The classification of soil shall be based on observation and necessary tests of the materials disclosed by borings or excavations made in appropriate locations. Additional studies may be required to evaluate soil strength, the effect of moisture variation on soil bearing capacity, compressibility, liquefaction and expansiveness.

In Seismic Zones 3 and 4, when required by the building official, the potential for seismically induced soil liquefaction and soil instability shall be evaluated as described in Section 1804.5.

EXCEPTIONS: 1. The building official may waive this evaluation upon receipt of written opinion of a qualified geotechnical engineer or geologist that liquefaction is not probable.

2. A detached, single-story dwelling of Group R, Division 3 Occupancy with or without attached garages and single-story accessory structures thereto.

3. Group U, Division 1 Occupancies.

4. Fences.

5. Detached single-story Group U, Division 3 occupancies.

Whenever, in the opinion of the Building Official, the adequacy and stability of a building site cannot be determined by the test borings or excavations required by this Section he may require a special geologic, geotechnical, hydrologic, seismic, or other investigation and report. Geologic investigations such as those for hillside stability or seismic hazards shall be conducted by a California-certified Engineering Geologist.

1804.7 DRAINAGE AND MOISTURE PROTECTION.

1804.7.1 GENERAL. Provisions shall be made for the control and drainage of surface water around buildings. Concentrated drainage such as rainwater from gutters and downspouts, scuppers, and roof valleys shall be diverted away from building foundations by means of concrete splash blocks and/or other approved non-erosive devices. Underfloor access crawl holes, vents, and similar

openings below grade shall be provided with curbs extending not less than six (6) inches above adjacent grade to prevent surface water from entering the underfloor area.

1804.7.2 ROOF GUTTERS AND DOWNSPOUTS. When buildings are located on expansive soil having an expansion index greater than 50, gutters, downspouts, piping, and/or other non-erosive devices shall be provided to collect and conduct rainwater to a street, storm drain, or other approved watercourse or disposal area.

1804.7.3 VAPOR BARRIER. An approved vapor barrier shall be installed below concrete slab-on-grade floors of all residential occupancies in such a manner as to form an effective barrier against the migration of moisture into the slab. When sheet plastic material is employed for this purpose it shall be not less than 6 mils (.006 inch) in thickness. The installation of a vapor barrier shall not impair the effectiveness of required anchor bolts or other structural parts of a building.

Foundations at the perimeter of concrete floor slabs shall form a continuous moisture barrier of portland cement concrete or solid grouted masonry to the depths required by Table UBC 18-1-D in the ordinance.

1804.7.4 GROUNDWATER. Where the probability of groundwater intrusion into underfloor areas is found to exist, foundations and crawl spaces shall be designed to mitigate ponding, excess moisture conditions, and settlement of footings. (Refer to APPENDIX CHAPTER 18 for waterproofing and dampproofing of foundations.)

1806 FOOTINGS.

Section 1806.1. GENERAL. Footings and foundations, unless otherwise specifically provided, shall be constructed of masonry, concrete or treated wood in conformance with Chapter 18, Division II and in all cases shall extend below the frost line. Footings of concrete and masonry shall be of solid material. Foundations supporting wood shall extend at least 6 inches above the adjacent finish grade. Footings, foundations, and concrete slab floors at or below grade shall be constructed to comply with Table UBC 18-1-D (Rev.) and footnotes thereto in this ordinance, except when an approved alternative design is provided based on a foundation investigation. UBC Table 18-1-D and footnotes thereto in the UBC is hereby deleted in its entirety, and is replaced by VCBC Table UBC 18-1-D (Rev.) and footnotes thereto, published herewith.

The provisions of this section do not apply to building and foundation systems in those areas subject to scour and water pressure by wind or wave action. Buildings and foundations subject to such loads shall be designed in accordance with approved national standards. See Section 3302 for subsoil preparation and wood form removal.

1806.11 HOLD-DOWN CONNECTORS.

1. All bolt-holes shall be 1/16" (max) over-sized at the connection of hold-downs to posts.

2. Hold-down connection bolts/nuts shall be torqued ½ turn beyond finger tight or as required by manufacturer.

3. Approved plate washers, in-lieu of cut washers, shall be provided for all plywood shearwall sill plate anchor bolts. See Table "A" below.

4. Approved plate washers, in-lieu of cut washers, shall be provided for hold-down connector bolts at shearwall wood flanges. See Table "A" below.

TABLE - A

MINIMUM SIZE FOR SQUARE PLATE WASHERS

BOLT SIZE	PLATE SIZE
1/2"	3/16" x 2" x 2"
5/8"	1/4" x 2 1/2" x 2 1/2"
3/4"	5/16" x 2 3/4" x 2 3/4"
7/8"	5/16" x 3" x 3"
1"	3/8" x 3 1/2" x 3 1/2"

1806.12 DRILLED-IN EXPANSION BOLT ANCHORS OR EPOXY-TYPE ANCHORS. Where additional foundation plate anchor bolts are required after foundations are completed, drilled-in expansion bolts, cinch bolts, or epoxy-type anchors may be used when approved by the building official. When used, these bolts shall be sized and installed in accordance with an approval from a recognized approval agency or the manufacturer's design criteria and installation specifications. Drilled-in expansion bolts and cinch bolts shall be tested by an independent testing laboratory to a minimum of 1,000 pounds or to twice the allowable design value for the same size bolt, whichever is greater.

Frequency of testing shall be:

One to five bolts per site - two bolts, selected at random shall be tested and certified.

More than five bolts - 25 percent of such bolt with a minimum of two shall be selected at random to be tested and certified.

Failing bolts shall be reinstalled and retested to the same criteria.

Additional bolts may be required to be tested by the Building Official.

1806.13 GRADE BEAM, GARAGE OPENING. A grade beam not less than 12" x 12" in cross section, or 12" x depth required by Table UBC 18-1-D (Rev.), whichever is deeper, reinforced as specified for continuous foundations in Table UBC 18-1-D, shall be provided at garage door openings.

1806.14 FIREPLACE FOOTINGS. Fireplace footings shall be reinforced with a horizontal grid located 3" above the bottom of the footing and consisting of not less than No. 4 Bars at 12" on center each way. Vertical chimney reinforcing bars shall be hooked under the grid. Depth of fireplace chimney footings shall be no less than that required by Table UBC 18-1-D (Rev.).

FOOTNOTES TO TABLE UBC 18-1-D (Rev)

1. Premoistening is required where specified in Table UBC 18-1-D in order to achieve maximum and uniform expansion of the soil prior to construction and thus limit structural distress caused by uneven expansion and shrinkage. Other systems which do not include premoistening may be approved by the Building Official when such alternatives are shown to provide equivalent safeguards against the adverse effects of expansive soil.

2. Reinforcement for continuous foundations shall be placed not less that 3" above the bottom of the footing and not less than 3" below the top of the stem.

3. Reinforcement shall be placed at mid-depth of slab.

4. After premoistening, the specified moisture content of soils shall be maintained until concrete is placed. Required moisture content shall be verified by an approved testing laboratory not more than 24 hours prior to placement of concrete.

5. Crawl spaces under raised floors need not be premoistened except under interior footings. Interior footings which are not enclosed by a continuous perimeter foundation system or equivalent concrete or masonry moisture barrier complying with UBC 1804.7.3 in this ordinance shall be designed and constructed as specified for perimeter footings in Table UBC 18-1-D (Rev.).

6. Foundation stem walls which exceed a height of three times the stem thickness above lowest adjacent grade shall be reinforced in accordance with Chapter 21 and Sec. 1914 in the UBC, or as required by engineering design, whichever is more restrictive.

7. Bent reinforcing bars between exterior footing and slab shall be omitted when floor is designed as an independent, "floating' slab.

8. Where frost conditions or unusual conditions beyond the scope of this table are found, design shall be in accordance with recommendations of a foundation investigation. Concrete slabs shall have a minimum thickness of 4 inches when the expansion index exceeds 50.

9. The ground under a raised floor system may be excavated to the elevation of the top of the perimeter footing, except where otherwise required by engineering design or to mitigate groundwater conditions.

10. When subsoil drainage is required by the building official, refer to Sec. UBC APPENDIX 18.

11. Where a post-tensioning slab system is used, the width and depth of the perimeter footings shall meet the requirements of this table.

CHAPTER 23 - WOOD

TABLE 23-II-G MAXIMUM DIAPHRAGM DIMENSION RATIOS

MATERIAL	HORIZONTAL DIAPHRAGMS	VERTICAL DIAPHRAGMS
	Maximum Span-Width Ratios	Maximum Height-Width Ratios
1. Diagonal sheathing, conventional	3:1	1:1
2. Diagonal sheathing, special	4:1	2:1
3. Wood structural panels and particleboard, nailed all edges	4:1	2:1
4. Wood structural panels and particleboard, blocking omitted at intermediate joints	4:1	NP

TABLE 23-II-1-1 — ALLOWABLE SHEAR FOR WIND OR SEISMIC FORCES IN POUNDS PER FOOT FOR WOOD STRUCTURAL PANEL SHEAR WALLS WITH FRAMING OF DOUGLAS FIR-LARCH OR SOUTHERN PINE.[1, 2, 3, 4]

PANEL GRADE	MINIMUM NOMINAL PANEL THICKNESS (INCHES)	MINIMUM NAIL PENETRATION IN FRAMING (INCHES)	PANELS APPLIED DIRECTLY TO FRAMING					PANELS APPLIED OVER ½-INCH (13 mm) OR ⅝-INCH (16 mm) GYPSUM SHEATHING				
			Nail Size (Common or Galvanized Box)	Nail Spacing at Panel Edges (in.) x 25.4 for mm				Nail Size (Common or Galvanized Box)	Nail Spacing at Panel Edges (in.) x 25.4 for mm			
				6	4	3	2		6	4	3	2
	x 25.4 for mm			x 0.0146 for N/mm					x 0.0146 for N/mm			
Structural I	5/16	1 1/4	6d	150	225	293	383	8d	150	225	293	383
	3/8	1 1/2	8d	173[5]	270[5]	345[5]	458[5]	10d[6]	210	323	413	548
	7/16			191[5]	296[5]	379[5]	503[5]					
	15/32			210	323	413	548					
	15/32	1⅝	10d[6]	255	383	499	653	–	–	–	–	–
C-D, C-C Sheathing, plywood panel siding and other grades covered in U.B.C. Standard 23-2 or 23-3	5/16	1¼	6d	135	203	263	338	8d	135	203	263	338
	3/8			150	225	293	383		150	225	293	383
	3/8	1½	8d	165[5]	240[5]	308[5]	398[5]	10d[6]	195	368	368	480
	7/16			180[5]	263[5]	338[5]	439[5]					
	15/32			195	285	368	480					
	15/32	1⅝	10d[6]	233	345	450	578	–	–	–	–	–
	19/32			255	383	499	653					
			Nail Size (Galvanized Casing)					Nail Size (Galvanized Casing)				
Plywood panel siding in grades covered in U.B.C. Standard 23-2	5/16	1¼	6d	105	158	206	270	8d	105	158	206	270
	3/8	1½	8d	120	180	233	308	10d[6]	120	180	233	308

1 All panel edges backed with 2-inch (51 mm) nominal or wider framing. Panels installed either horizontally or vertically. Space nails at 6 inches (152 mm) on center along framing members for ⅜-inch (9.5 mm) and 7/16-inch (11 mm) panels installed on studs spaced 24 inches (610 mm) on center and 12 inches (305 mm) on center for other conditions and panel thicknesses. These values are for short-time loads due to wind or earthquake and must be reduced 25 percent for normal loading.

Allowable shear values for nails in framing members of other species set forth in Table 23-III-FF of Division III shall be calculated for all other grades by multiplying the shear capacities for nails in Structural I by the following factors: 0.82 for species with specific gravity greater than or equal to 0.42 but less than 0.49, and 0.65 for species with a specific gravity less than 0.42.

2 Where panels are applied on both faces of a wall and nail spacing is less than 6 inches (152 mm) on center on either side, panels joints shall be offset to fall on different framing members or framing shall be 3-inch (76 mm) nominal or thicker and nails on each side shall be staggered.

3 Framing at boundary and panel edges shall be 3-inch (76 mm) nominal or wider and nails shall be staggered for all plywood shear walls with shear values exceeding 300#/ft. Nailing edge distance for 3x boundary and panel edge members shall be ½-inch minimum.

4 The maximum allowable shear for 3-ply plywood, less than ⅝-inch thickness, shall not exceed 200#/ft. when used in shearwalls and framing of Douglas Fir-Larch or Southern Pine.

5 The values for ⅜-inch (9.5 mm) and 7/16-inch (11 mm) panels applied direct to framing may be increased to values shown for 15/32-inch (12 mm) panels, provided studs are spaced a maximum of 16 inches (406 mm) on center or panels are applied with long dimension across studs.

6 Fr[illegible]g at adjoining panel edges shall be 3-inch (76 mm) nominal or wider and nails shall be staggered where 10d nails having penetration into framing of more than 1⅝ inches (4[illegible]) are spaced 3 inches (76 mm) or less on center.

CHAPTER 25 - GYPSUM BOARD AND PLASTER

Section 2513 - SHEAR-RESISTING CONSTRUCTION WITH WOOD FRAME.

2513.4 HEIGHT TO LENGTH RATIO. The maximum allowable height-to length ratio for the construction in this section shall be 1 to 1. Wall sections have height-to-length ratios in excess of 1½ to 1 shall be blocked.

TABLE 25-I - ALLOWABLE SHEAR FOR WIND OR SEISMIC FORCES
IN POUNDS PER FOOT FOR VERTICAL DIAPHRAGMS OF
LATH AND PLASTER OR GYPSUM BOARD FRAME WALL ASSEMBLIES[1]

	TYPE OF MATERIAL	THICKNESS OF MATERIAL	WALL CONSTRUCTION	NAIL SPACING[2] MAXIMUM (inches)	SHEAR VALUE	MINIMUM NAIL SIZE[3]
		x 25.4 for mm		x 25.4 for mm	x 14.6 for N/m	x 25.4 for mm
1.	Expanded metal, or woven wire lath and portland cement plaster	7/8"	Unblocked	7	90	No. 11 gage 1 1/2" long, 7/16" head[4]
2.	Gypsum lath	3/8" lath and 1/2" plaster	Unblocked	7	30	No. 13 gage, 1 1/8" long, 19/64" head, plasterboard blued nail
3.	Gypsum sheathing board[5]	1/2" x 2' x 8'	Unblocked	7	30	No. 11 gage, 1 3/4" long, 7/16" head, diamond-point, galvanized
		1/2" x 4' 1/2" x 4'	Blocked Unblocked	7 7	30 30	
4.	Gypsum wallboard or veneer base[5]	1/2"	Unblocked	7	30	5d cooler (0.086" dia., 1 5/8" long 15/64" head) or wallboard (0.086" dia., 1 5/8" long, 9/32" head)
				7	30	
			Blocked	7	30	
				7	30	
		5/8"	Unblocked	7	30	6d cooler (0.092" dia., 1 7/8" long, 1/4" head) or wallboard (0.0915" dia., 1 7/8" long, 19/64" head)
				7	30	
			Blocked	7	30	
				7	30	
			Blocked Two ply	Base ply: 7 Face ply: 7	60	Base ply - 6d cooler (0.092" dia., 1 7/8" long, 1/4" head) or wallboard (0.0915" dia., 1 7/8" long, 19/64" head) Face ply - 8d cooler (0.113" dia., 2 3/8 long, 9/32" head) or wallboard (0.113" dia., 2 3/8" long, 3/8" head

[1]These vertical diaphragms shall not be used to resist loads imposed by masonry or concrete construction. See Section 2513.2. Values shown are for short-term loading due to wind or due to seismic loading in Seismic Zones 0, 1, 2A and 2B. Values shown must be reduced 25 percent for normal loading. The values shown in Items 2, 3 and 4 shall be reduced 50 percent for lading due to earthquake in Seismic Zones 3 and 4.

[2]Applies to nailing at all studs, top and bottom plates and blocking.

[3]Alternate nails may be used if their dimensions are not less than the specified dimensions.

[4]Required minimum nailing shall be No. 11 gage x 1 1/2" long galvanized nails with lath burred to 1/4" from the face of the building paper. Staples and self-barring lath shall not be permitted.

[5]Frame wall assemblies constructed of Portland cement plaster, gypsum sheathing board or gypsum wall board are not permitted to carry shear loads at ground floor of multi-level buildings.

CHAPTER 40

RELOCATED BUILDINGS AND TEMPORARY STRUCTURES

Sec. 40.1. GENERAL REQUIREMENTS. Buildings or structures moved into or within the County shall comply with the provisions of this Code for new buildings or structures except when otherwise permitted by this Code or by State law.

Temporary structures such as reviewing stands and other miscellaneous structures, sheds, canopies or fences used for the protection of the public around and in conjunction with construction work may be erected by special permit from the Building Official for a limited period of time. Such buildings or structures need not comply with the type of construction or fire-resistive time periods required by this Code. Temporary buildings or structures shall be completely removed upon the expiration of the time limit stated in the permit.

Sec. 40.2. PERMIT(S) REQUIRED. It shall be unlawful for any person, firm, or corporation to move or cause to be moved any building or structure excepting a contractor's tool house, construction office, or similar structure which is relocated as construction requires, into or within the County without first obtaining a permit to do so from the Building Official.

EXCEPTION: Buildings moved to the business premises of a house mover for the purpose of temporary storage.

Sec. 40.2.1 NOTIFICATION OF RELOCATED BUILDING. Prior to issuance of relocation permit for any structure and as a part of the application therefor, a Notice of Relocated Building, on a form furnished by the Building Official, shall be posted at the site of the building proposed to be relocated and at the proposed new site location. This public notice shall be maintained for a minimum of 15 days from the date of the application for relocation permit. During this period, interested parties may submit written comments to the Building Official regarding said proposed relocation. (refer to Sec. 40.5 DENIAL OF PERMIT.)

Sec. 40.3. APPLICATION AND INVESTIGATION FEE. To obtain a permit to relocate a building or structure the applicant shall first file an application therefor as required by Section 106.3 in this ordinance. The Building Official may require plans, photographs and other data to substantiate the application.

Each application shall be accompanied by the required investigation fee to cover the costs of processing the application, inspecting the building and premises, and handling other matters connected therewith. Such fee shall be non-refundable. If the building to be moved is located outside the County, the applicant shall pay an additional fee as set forth in the Ventura County Building and Safety Fee Schedule to cover increased costs of inspection and mileage.

40.3.1 The Building Official shall make the following findings prior to issuing the permit:

1. That there is evidence of full compliance with the zoning provisions of Ventura County Ordinance Code, Division 8 - PLANNING AND DEVELOPMENT.
2. That the building shall comply, or shall be altered to comply, with current building, electrical, heating and air conditioning, and plumbing code requirements.
3. That all necessary and required documentation has been submitted for review, including, but not limited to, plans and specifications for all required or proposed improvements at the new location, a soils investigation report, a current termite inspection report, a water "will serve" letter from a recognized water provider or an approved water well certificate, a sewer "will serve" letter from a recognized sanitation district or an approved septic system certificate, and a surety bond in the amount determined by the Building Official as set forth in Sec. 11-16 of this Code.

Sec. 40.4. INVESTIGATION AND REPORT. The Building Official shall cause an investigation to be made of each building or structure for which an application for a relocation permit has been received. A written report shall be prepared based on such inspection, and a copy of the report shall be given to the applicant. This report shall contain the approval or disapproval by the Building Official for relocating the building. If approved for relocation, the report shall list the requirements and corrections necessary for making the building conform to the codes adopted herein.

In granting an approval for relocation, the Building Official may impose such terms and conditions as he may deem reasonable and proper, including time limits for completion of all work, and requirements for whatever changes, alterations, additions, or repairs are necessary to assure that relocation will not be materially detrimental or injurious to public health, safety, or welfare.

The investigation report shall remain valid for a period of 180 days after the building or structure has been inspected, after which time a new investigation and report may be required by the Building Official.

Sec. 40.5. DENIAL OF PERMIT. The Building Official may deny the issuance of a relocation permit for any building or structure which:

1. Is so constructed or is in such condition as to be dangerous.
2. Is infested with pests or is insanitary.
3. Is in such condition in the judgment of the Building Official that it does not admit of practicable and effective repair.
4. Is so dilapidated, defective, or unsightly or is in such a condition of deterioration or disrepair that its relocation at the proposed site would cause appreciable harm to or be materially detrimental to the property or improvements in the area to which it would be relocated.
5. Because of age, size design or architectural treatment, does not substantially conform to the design, plan and construction of the buildings located in the area to which it is to be relocated so that its relocation would be materially detrimental to the property or improvements in said area.

Sec. 40.6. SECURITY REQUIRED. The Building Official shall not issue a permit to relocate a building or structure unless the applicant therefor shall first post with the Building Official a performance bond executed by the owner of the premises where the building or structure is to be located, listing said owner as principal, and an approved surety company authorized to do business in the State as surety; a cash bond naming the County of Ventura as payee; or an assignment of certificates or shares issued by a lending institution doing business in this state and insured by the FDIC. The Building Official may waive the requirement of security when the owner of the property is a governmental agency.

The performance bond required by this Section shall:

1. Be in form joint and several.
2. Name the County of Ventura as obligee.
3. Guarantee that the required work will be completed or, when ordered by the Building Official, the building or structure will be removed or demolished and the site cleared, cleaned, and restored to its original condition.
4. Be in an amount equal to the estimated cost, plus 10 percent, of the work required to be done in order to comply with all of the conditions of the relocation permit or shall be in an amount equal to the cost of demolition and removal, whichever is greater. Such costs for purposes of the bond shall be as estimated by the Building Official.
5. State therein the legal description or address of the property to which the building or structure is to be relocated.

Sec. 40.7. CONDITIONS OF SECURITY. Every performance bond, cash bond, or assignment of shares required by this article shall be conditioned as follows:

1. Unless otherwise specified in the investigation report, work required to be done pursuant to the conditions of the relocation building permit shall be initiated within 180 days from the date of issuance of the permit.

2. The time limit specified may be extended for good and sufficient cause after written request of the principal or surety, before said time limit has expired. The Building Official shall notify the principal and surety in writing of such time extension and may extend the time limit without consent of the surety.
3. The term of each bond posted pursuant to this Article shall begin upon the date of the posting thereof and shall end upon the completion to the satisfaction of the Building Official of the performance of all the terms and conditions of the relocation building permit.
4. The Building Official and the surety, or the duly authorized representative of either, shall have access to the premises described in the relocation permit for the purpose of inspecting the progress of the work.
5. Upon default by the principal, the surety shall cause all required work to be performed as set forth in the conditions of the investigation report and relocation permit.
6. In the event of default in the performance of any term or condition of the relocation permit, the surety or any person employed or engaged on its behalf, or the Building Official or any person employed or engaged on his behalf, may go upon the premises to complete the required work or to remove or demolish the building or structure, and to clear, clean, and restore the site.

Sec. 40.8. PERMIT ISSUANCE AND FEES. Before a permit is issued for the relocation of a building and its reconstruction, repair, and completion at a new site, all required plan review and permit fees shall be paid. The required permits, together with the investigation report, shall comprise the "relocation permit" for the purposes of this Article.
The value to be used in computing the relocation building permit and plan review fees shall be as set forth in Sec. 107.2 in this Code, based upon the estimated cost of all construction necessary to complete the structure.

Sec. 40.9. EXPIRATION OF PERMIT. Permits for the relocation, reconstruction, and repair of a building or structure shall be null and void in accordance with the provisions of Section 106.4.4 in this Code if the building or structure is not relocated to the proposed site and/or the required work commenced within 6 months of the date of issuance of such permits.

Sec. 40.10. PROCEDURE UPON DEFAULT.

40.10.1 PERFORMANCE BOND. Should the principal fail to comply with the conditions required by the relocation permit, the Building Official shall give notice of default in writing to the principal and to the surety named in the performance bond.
The notice of default shall state the conditions of the bond which have not been complied with and shall specify the period of time the Building Official deems to be reasonably necessary for completion of the work.
Upon receipt of a notice of default, the surety shall cause the required work to be completed within the time specified.
The surety shall have the option of removing or demolishing the building or structure in lieu of completing the required work, in which case the site shall be suitably cleared, cleaned, and restored to the satisfaction of the Building Official.

EXCEPTION: The surety may be granted a release from its obligation to perform under the conditions of the performance bond provided:

1. A written agreement is executed between Surety and the Division of Building and Safety under which the Division assumes responsibility for causing completion of required work or demolition of the structure; and
2. A cash bond is posted by the Surety in the amount of the performance bond, payable to the County of Ventura, to enable the Building official to cause the required work of repair or demolition to be performed in accordance with Section 40.10.2 in this ordinance.

40.10.2 CASH BOND. When a cash bond has been posted the Building Official shall give notice of default to the principal in the manner set forth above. Should the principal fail to comply with requirements within the specified time period, the Building Official at his own discretion may proceed without delay and without further notice or proceeding to use the cash deposit or any portion thereof to cause the required work to be completed by contract or otherwise.

40.10.3 ASSIGNMENT OF SHARES. When an assignment of share has been posted the Building Official shall give notice of default to the principal in the manner set forth above. Should the principal fail to comply with requirements within the specified time period, the Building Official may request payment of the assigned certificates or shares or any portion thereof by the lending institution and at his own discretion the Building Official may proceed without delay and without further notice or proceeding to use such assets to cause the required work to be completed by contract or otherwise.

Sec. 40.11 RELEASE OF SECURITY.

40.11.1 PERFORMANCE BOND. When all conditions and requirements of the relocation permit and applicable laws and ordinances have been completed, the Building Official shall notify the surety that the bond has been exonerated.

40.11.2 CASH BOND. When a cash bond has been posted and all requirements of the relocation permit have been completed, the Building Official shall return the cash to the depositor, or to his successors or assigns, except any portion thereof that may have been used, cashed, or deducted as provided elsewhere in this Article.

40.11.3 ASSIGNMENT OF SHARES. When an assignment of shares has been made and all requirements of the relocation permit have been completed, the Building Official shall notify the lending institution and shall do all things reasonably necessary to effect a release of said assignment to the principal or to his successors or assigns, except any portion thereof that may have been used, cashed or deducted as provided elsewhere in this Article.

CHAPTER 41 - SWIMMING POOLS, ORNAMENTAL POOLS, AND APPURTENANT FENCING

SECTION 41.1 - GENERAL

41.1.1 SCOPE. The provisions of this section apply to the design and construction of barriers for swimming pools located on the premises of Group R, Division 3 Occupancies.

4.1.2 STANDARDS OF QUALITY. In addition to the other requirements of this code, safety covers for pools and spas shall meet the requirements for pool and spa safety covers as listed below. The standard list below is a recognized standard. (See Section 3504.)

- ASTM F 1346, Standard Performance Specification for Safety Covers and Labeling Requirement for All Covers for Swimming Pools, Spas and Hot Tubs.

SECTION 41.1.3 - DEFINITIONS.

For the purpose of this Article certain terms, words and phrases are defined as follows:

Aboveground/On-Ground Pool. See definition of "swimming pool."

Approved safety pool cover means a manually or power-operated safety pool cover that meets all of the performance standards of the American Society for Testing and Materials (ASTM), in compliance with standard F1346.

Barrier (enclosure) is a fence, wall, building wall or combination thereof that completely surrounds the swimming pool and obstructs access to the swimming pool.

Exit Alarms means devices that make audible, continuous alarm sounds when any door or window, that permits access from the residence to the pool area that is without any intervening enclosure, is opened or is left ajar. Exit alarms may be battery operated or may be connected to the electrical wiring of the building.

Grade is the underlying surface, such as earth or a walking surface.

Hot Tub. See definition of "spa, nonself-contained" and "spa, self-contained."

In-Ground Pool. See definition of "swimming pool."

Public Swimming Pool means a swimming pool operated for the use of the general public with or without charge, or for the use of the members and guests of a private club. Public swimming pool does not include a swimming pool located on the rounds of a private single-family home.

Separation Fence is a barrier that separates all doors of a dwelling unit with direct access to a swimming pool from the swimming pool.

Spa, Nonself-Contained, is a hydromassage pool or tub for recreational or therapeutic use, not located in health-care facilities, designed for immersion of users and usually have a filter, heater and a motor-driven blower. It may be installed indoors or outdoors , on the ground or on a supporting structure, or in the ground or in a supporting structure. A nonself-contained spa is intended for recreational bathing and contains water over 18 inches deep.

Spa, Self-Contained, is a continuous-duty appliance in which all control, water-heating and water-circulating equipment is an integral part of the product, located entirely under the spa skirt. A self-contained spa is intended for recreational bathing and contains water over 18 inches deep.

Swimming Pool, is any structure intended for swimming or recreational bathing that contains water over 18 inches deep. This includes in-ground, aboveground and on-ground swimming pools, and fixed-in-place wading pools. The term "swimming pool," does not apply to plumbing fixtures such as bathtubs or hydro-therapy tubs; nor does it apply to man-made lakes, reservoirs or farm ponds used primarily for public park purposes, ornamentation, water conservation, irrigation, ground-water recharging basins, or watering of livestock. It shall apply to any water-filled excavation, lined or unlined, within three (3) feet of any structure or property line. (Public pools shall comply also with CCR Title 24).

Swimming Pool, Indoor, is a swimming pool that is totally contained within a residential structure and surrounded on all four sides by walls of said structure.

Swimming Pool, Outdoor, is a swimming pool that is not an indoor pool.

Sec. 41.2. POOL DESIGN AND CONSTRUCTION

41.2.1 GENERAL. Pool design and construction shall be in accordance with accepted engineering practice, shall be in conformity with applicable provisions of the adopted building, electrical, plumbing, and mechanical codes, and shall be structurally suitable for the soil, topographic, and geologic conditions prevailing at the construction site.

41.2.2 EXPANSIVE SOIL DESIGN. Pools constructed below grade shall be designed on the assumption that their construction is to be in an area of moderately expansive soil having an expansion index of 51-90 and an equivalent fluid pressure of not less than 45 pounds per cubic foot (45 p.c.f.).

> EXCEPTION: Where tests indicate that soils at a pool site are non-expansive or have low expansion characteristics from the ground surface to the full depth of the pool, structural design may be based on an equivalent fluid pressure not less that 30 p.c.f.

In highly expansive soils having an expansion index of 91-130, pools shall be designed for not less than 60 p.c.f. equivalent fluid pressure.

In very highly expansive soils having an expansion index over 130, pool design shall be subject to special requirements based on a site investigation, soil testing, and engineering analysis by a registered civil engineer to determine appropriate design parameters for the site.

41.2.3 HYDROSTATIC UPLIFT. In areas of anticipated high water table or moderate to highly expansive soil an approved hydrostatic relief system or device shall be installed.

41.2.4 THERMAL PROTECTION FOR PLASTIC PIPING. Between the inlet of pool water heating equipment and any plastic water piping connected thereto, a check valve shall be installed to prevent thermal damage to such piping due to backflow.

> EXCEPTION: When rapid or high-rate filters are employed a check valve may be omitted.

Between the outlet of pool heating equipment and any plastic water piping connected thereto, not less than five feet of approved metal pipe shall be installed for the purpose of dissipating heat.

41.2.5 SAFEGUARDING SUCTION DRAINS. Bottom drains and suction intakes in pools and spas shall be covered with grates or other protective devices which cannot be removed except with tools. The slots or openings in these covers shall be of such area, shape, and arrangement as to prevent bathers from being drawn thereto with such force as to constitute a safety hazard.

41.2.6 GRAB BARS. Wherever egress from a pool is restricted by the presence of a vertical wall or other barrier which extends more than 12" above the water surface at the pool edge, permanent continuous grab bars, handrails, or other approved equivalent devices shall be installed within 12 inches above the water surface. Such devices shall be capable of being securely grasped, and shall be adequate to support the weight of a user of the pool.

Sec. 41.3. DECKS

41.3.1 GENERAL. A deck shall be provided around below-grade swimming pools except when special engineering design is furnished which indicates that such deck is not necessary for the purpose of maintaining the structural integrity of the pool and/or for controlling surface water and moisture content in the soil adjacent to the pool. Decks shall not be required for spas and hot tubs.

41.3.2 DECK DESIGN AND CONSTRUCTION. Required decks shall be constructed of concrete or other approved impervious material and shall be sloped to provide positive drainage away from the perimeter of the pool. Except as provided below, decks shall have a minimum width of four feet and shall be at least 3-1/2 inches in thickness. Reinforcement shall be #3 bars spaced not over 24 inches o.c. each way, or equivalent reinforcing.

Approved joints shall be provided in the deck at corners, at maximum 10-foot intervals, and wherever necessary in order to control cracking, to allow for differential movement, and to minimize damage to the deck from such movement should it occur.

Joints in decks and coping shall be made watertight with an approved permanent resilient sealant.

41.3.3 CUTOFF WALLS. At the outer perimeter of pool decks a cutoff wall of approved material shall be installed below-grade to a depth of at least 15 inches so as to form a permanent and effective vertical moisture barrier.

EXCEPTIONS: 1. A cutoff wall may be omitted when a deck at least six feet wide is installed.

2. Decks less than four feet in width may be installed provided that the required cutoff wall is increased in depth beyond the minimum by an amount equal to the reduction in deck width.

41.3.4 PRE-SATURATION, HIGHLY EXPANSIVE SOILS. When the soil below a deck has an expansion index of 91 or greater it shall be saturated with water to a depth of at least 18 inches prior to installation of the deck.

41.3.5 DECK BONDING. When decks are to be installed, whether structurally required or not, the reinforcing installed therein shall be electrically bonded together with the pool shell reinforcing and metal parts of electrical equipment associated with the pool water recirculating system and with miscellaneous metal accessories, such as pool slides, diving boards and spring boards, in accordance with NEC Sec. 680-22.

Sec. 41.4. DRAINAGE AND DISPOSAL

41.4.1 SURFACE WATER. Surface water from pool decks shall be collected and conducted through non-erosive devices to a street, storm drain, or other approved watercourse or disposal area.

41.4.2 WASTE WATER. Pool waste water shall be disposed of in accordance with the requirements of the Environmental Health Officer.

41.4.3 DRYWELLS. Drywells shall not be employed for pool wastewater disposal except when specifically approved for the purpose and when it has been determined that such installation is not likely to have adverse effects on the structural stability of the pool or other structures on the site. The Building Official may require a percolation test, soils report, and/or geological report to make such a determination.

Sec. 41.5. SPECIAL INSPECTION. Special inspection as required by Section 1701.5.12 in the UBC shall be provided for pneumatically placed concrete (gunite) in swimming pools.

Sec. 41.6. BARRIER REQUIREMENTS.

41.6.1 OUTDOOR SWIMMING POOL. An outdoor swimming pool shall be provided with a barrier that shall be installed, inspected and approved prior to plastering or filling with water. The barrier shall comply with the following:

1. The top of the barrier shall be at least 60 inches above grade measured on the side of the barrier that faces away from the swimming pool. The maximum vertical clearance between grade and the bottom of the barrier shall be 2 inches measured on the side of the barrier that faces away from the swimming pool. The maximum vertical clearance at the bottom of the barrier may be increased to 4 inches when grade is a solid surface such as a concrete deck, or when the barrier is mounted on the top of the above ground pool structure. When barriers have horizontal members spaced less than 45 inches apart, the horizontal members shall be placed on the pool side of the barrier. Any decorative design work on the side away from the swimming pool, such as protrusions, indentations or cutouts, which render the barrier easily climbable, is prohibited.

2. Openings in the barrier shall not allow passage of a 1 3/4-inch diameter sphere.

   Exceptions:

   1. When vertical spacing between such openings is 45 inches or more, the opening size may be increased such that the passage of a 4-inch diameter sphere is not allowed.

   2. For fencing composed of vertical and horizontal members, the spacing between vertical members may be increased up to 4 inches when the distance between the tops of horizontal members is 45 inches or more.

3. Chain link fences used as the barrier shall not be less than 11 gauge.

4. Access gates shall comply with the requirements of Items 1 through 3. Pedestrian access gates shall be self-closing and have a self-latching device. Where the release mechanism of the self-latching device is located less than 60 inches (1524 mm) from the bottom of the gate, (1) the release mechanism shall be located on the pool side of the barrier at least 3 inches (76 mm) below the top of the gate, and (2) the gate barrier shall have no opening greater that ½ inch (12.7 mm) within 18 inches (457 mm) of the release mechanism. Pedestrian gates shall swing away from the pool. Any gates other than pedestrian access gates shall be equipped with lockable hardware or padlocks and shall remain locked at all times when not in use.

5. Where a wall of Group R, Division 3 Occupancy dwelling unit serves as part of the barrier and contains door openings between the dwelling unit and the outdoor swimming pool that provide direct access to the pool, a separation fence meeting the requirements of Items 1, 2, 3 and 4 of Section 41.6.1 shall be provided.

   Exception: When approved by the building official, one of the following may be used:

   1. Self-closing and self-latching devices installed on all doors with direct access to the pool and the release mechanism located a minimum of 54 inches above the floor.

   2. An alarm installed on all doors with direct access to the pool. The alarm shall sound continuously for a minimum of 30 seconds within seven seconds after the door and its screen, if present, are opened, and be capable of providing a sound pressure level of not less than 85 dBA when measured indoors at 10 feet. The alarm shall automatically reset under all conditions. The alarm system shall be equipped with a manual means, such as a touchpad or switch, to temporarily deactivate the alarm for a single opening. Such deactivation shall last no longer than 15 seconds. The deactivation switch shall be located at least 54 inches above the threshold of the door.

   3. Other means of protection may be acceptable so long as the degree of protection afforded is not less than that afforded by any of the devices described above.

6. Where an above ground pool structure is used as a barrier or where the barrier is mounted on top of the pool structure, and the means of access is a ladder or steps, then (1) the ladder or steps shall be capable of being secured, locked or removed to prevent access or (2) the ladder or steps shall be surrounded by a barrier that meets the requirements of Items 1 though 5. When the ladder or steps are secured, locked or removed, any opening created shall be protected by a barrier complying with Items 1 through 5.

7. Outdoor Swimming Pools with an approved safety pool cover shall not be required to provide other barriers.

8. Other means of protection, if the degree of protection afforded is equal to or greater than that afforded by any of the devices set forth in Items 1 through 7, above, may be approved by the building official of the jurisdiction issuing the applicable building permit.

41.6.2 INDOOR SWIMMING POOL. For an indoor swimming pool, protection shall comply with the requirements of Section 41.6.1, Item 5.

41.6.3 SPAS AND HOT TUBS. For a nonself-contained and self-contained spa or hot tub, protection shall comply with the requirements of Section 41.6.1.

Exception: Spas or hot tubs equipped with a listed safety cover shall be exempt from the requirements of Section 41.6.1.

CHAPTER 42 - MOBILEHOMES AND COMMERCIAL COACHES

Sec. 42.1. DEFINITIONS. For the purposes of this Article the terms "mobilehome," "commercial coach," "mobilehome accessory structure," and "foundation system" shall have the meanings set forth in Title 25, California Code of Regulations, and shall also apply to "manufactured housing" and "factory-built housing".

Sec. 42.2. SCOPE. The provisions of this Article shall apply to mobilehomes and commercial coaches installed outside mobilehome parks in all locations where the County of Ventura is the primary enforcement authority for applicable provisions of the State Mobilehome Parks Act, Subchapter 1 of Chapter 2, California Code of Regulations, Title 25.

Sec. 42.3. INSTALLATION PERMIT REQUIRED. No person, firm, or corporation shall install, occupy, or use a mobilehome, mobilehome accessory structure, or commercial coach or cause the same to be done without first obtaining an installation permit therefor. Said installation permit shall be issued subject to compliance with applicable laws and ordinances, including but not limited to:

1. Terms and conditions of a zoning clearance, including time limits established thereby.
2. Requirements for an approved foundation system.
3. Requirements for approved electrical, plumbing, and sewage disposal facilities.
4. Payment of installation permit fees in addition to fees for permits, services or clearances which may otherwise be required.

Sec. 42.4. SPECIAL REQUIREMENTS, COMMERCIAL COACHES

42.4.1 ALLOWABLE AREA. The area of commercial coach units connected in multiple shall not exceed the allowable floor area for the occupancy housed therein and the Type of Construction, in accordance with Section 504 in the UBC.

42.4.2 LOCATION ON PROPERTY. Commercial coaches shall be positioned on a site with sufficient setback from property lines so as to comply with the requirements of Section 503 in the UBC for fire-resistive protection of exterior walls and openings without the necessity for altering the structure or finish materials of the exterior walls of the coach.

42.4.3 STAIRS AND EXITS. Stairs, ramps, handrails, guardrails, landings, and exits shall be provided for commercial coaches as specified in Chapter 10 in the UBC. Such coaches shall also conform to applicable standards of the State of California for making buildings accessible by physically handicapped persons.

42.4.4 SANITARY FACILITIES. Commercial coaches shall be provided with sanitary facilities in accordance with the requirements of this Code which are applicable to the particular occupancy housed therein. Sanitary facilities shall also conform to the applicable standards of the State of California for accessibility to physically handicapped persons.

Sec. 42.5. REQUIREMENTS IN HIGH FIRE HAZARD AREAS. The requirements of Section UBC 607.2 in this ordinance shall be applicable to mobilehomes, mobilehome accessory structures, manufactured or factory-built housing, and commercial coaches installed within High Fire Hazard areas.

Sec. 42.6. SUBSTANDARD OR DANGEROUS MOBILEHOMES AND COMMERCIAL COACHES. All mobilehomes, commercial coaches, or portions thereof, whether permanently or temporarily installed, which are determined to be substandard or dangerous as defined in the Uniform Housing Code or the Dangerous Buildings Code as amended by this ordinance, are hereby declared to be public nuisances and shall be abated by repair, rehabilitation, demolition or removal in accordance with procedures specified in such codes.

Sec. 42.7 RECREATIONAL VEHICLES

42.7.1 DEFINITION

See Section 18010 of the California Code of Regulations, Health and Safety Code which reads as follows:

"Recreational vehicle" means either of the following:

(a) A motor home, travel trailer, truck camper, or camping trailer, with or without motive power, designed for human habitation for recreational, emergency, or other occupancy, which meets all of the following criteria:

(1) It contains less than 320 square feet of internal living room area, excluding built-in equipment, including, but not limited to, wardrobe, closets, cabinets, kitchen units or fixtures, and bath or toilet rooms.

(2) It contains 400 square feet or less of gross area measured at maximum horizontal projections.

(3) It is built on a single chassis.

(4) It is either self-propelled, truck-mounted, or permanently towable on the highways without a permit.

(b) A park trailer designed for human habitation for recreational or seasonal use only, which meets all of the following criteria:

(1) It contains 400 square feet or less of gross floor area measured at the maximum horizontal projections. However, it may not exceed 12 feet in width or 40 feet in length in the traveling mode.

(2) It is built on a single chassis.

(3) It may only be transported upon the public highways with a permit.

(Amended by Stats. 1990, Ch. 765, Sec. 3.)

42.7.2 ALLOWABLE USE

Recreational vehicles may only be used as "temporary dwellings during construction", as long as a building permit for new residential construction or major remodeling is in full force and effect and subject to Zoning Clearance conditions.

Recreational vehicles cannot be used as permanent dwellings or permanent accessory structures on private property, except as specifically allowed under California State law.

CHAPTER 43 - POST-DISASTER RECOVERY AND RECONSTRUCTION

SECTION 43.1 POST-DISASTER SAFETY ASSESSMENT PLACARDS AND SECURITY

43.1.1 SCOPE. This chapter establishes standard placards to be used to indicate the condition of a structure for continued occupancy after any natural or man-made disaster. It further authorizes the Division of Building and Safety as well as authorized representatives, to post appropriate placards at each entry point to a building or structure upon completion of a safety assessment.

43.1.2 APPLICATION OF PROVISIONS. The provisions of this chapter are applicable to all buildings and structures, of all occupancies, regulated by the County of Ventura following each natural or man-made disaster.

43.1.3 DEFINITIONS.

43.1.3.1 Building Official is the officer or other designated authority charged with the administration and enforcement of this chapter, or duly authorized representative.

43.1.3.2 Safety assessment is a visual examination of a building or structure for the purpose of determining whether continued occupancy is appropriate following a natural or man-made disaster.

43.1.4 PLACARDS. The following official placards shall be used to designate the condition of buildings or structures following a disaster.

43.1.4.1 INSPECTED - LAWFUL OCCUPANCY PERMITTED may be posted on any building or structure where no apparent hazard has been found. Placement of this placard does not mean that there is no damage to the building or structure.

43.1.4.2 RESTRICTED OR LIMITED ENTRY may be posed on each damaged building or structure where damage has created a hazardous condition which justifies restricted occupancy. The building official who posts this placard will note in general terms the hazard created and will clearly and concisely note the restrictions on occupancy.

43.1.4.3 UNSAFE - Do Not Enter or Occupy may be posted on each damaged building or structure such that continued occupancy poses a threat to life or health. Buildings or structures posted with this placard may be entered only after authorization in writing by a building official. Safety assessment teams are authorized to enter these buildings at any time. This placard shall not be used or considered as a demolition order. The official who posts this placard shall note in general terms damage encountered.

43.1.4.5 SECURING OF UNSAFE BUILDINGS OR STRUCTURES - Buildings or structures that have been determined by the building official to pose a threat to life safety or to be unsafe due to damage may be required by the building official to be secured from entry by fencing or other approved means until such time that the damage or threat to life is removed by repair, reconstruction or demolition. The fencing or security measures shall not be removed without authorization from the building official.

43.1.4.6 REMOVAL OF PLACARDS - Once the placard has been attached to a building or structure, it shall not be removed, altered or covered until authorized by the building official.

43.1.5 VIOLATION. Any violation of Article 3, Chapter 43 of this code is a misdemeanor and shall be subject to punishment according to the provisions of Article 2, Chapter 1, Section 103.

Section 43.2 POST DISASTER ABATEMENT

43.2.1 INTENT. This chapter establishes abatement criteria for all buildings and structures damaged as a result of a disaster for which a local emergency has been declared by the Board of Supervisors.

43.2.2 APPLICATION OF PROVISIONS. The provisions of this chapter are applicable to all buildings and structures regulated by the County of Ventura.

43.2.3 DEFINITIONS. For the purpose of the chapter, the following definitions apply:

43.2.3.1 EVENT shall mean any occurrence which results in the declaration of a disaster by the Board of Supervisors, including but not limited to, fires, landslides, wind storms, earthquakes, and floods.

43.2.3.2 HISTORIC BUILDING OR STRUCTURE shall be any building or structure registered with a federal, state, county, or city government, or the register of points of interest. Historic buildings and structures shall also include those buildings and structures within a recognized historic district.

43.2.3.3 STATE HISTORIC PRESERVATION OFFICER (SHPO) is the person appointed by the Governor, pursuant to Section 101(b)(1) of the National Historic Preservation Act of 1966, as amended, to administer the State Historic Preservation Program.

43.2.4 ABATEMENT CRITERIA

43.2.4.1 NOTICE OF DETERMINATION. Except as provided in subsection 43.2.4.2 below, the Building Official shall serve a written Notice of Determination to each property owner as found on the latest available copy of the County Assessor's Role. Said Notice of Determination shall be delivered by hand-delivery, telephone, telegram, facsimile or other reasonable means, and shall clearly indicate that the structure is an imminent hazard and dangerous and that, as such, it constitutes a public nuisance. The notice shall set forth those factors which, in the opinion of the Building Official, make the structure an imminent hazard and dangerous, and shall also include a directive from the Building Official of the specific action or actions to be taken by the property owner. The Notice shall specify that within forty-eight (48) hours from the time of issuance of the Notice of Determination, the owner or other part of record with an equitable or legal interest in said property shall abate the nuisance in accordance with the directives written in the notice of determination by the Building Official.

43.2.4.2 NOTICE OF DETERMINATION EXCEPTION. No prior notice shall be required, when the Building Official, after considering all the facts, determines, in writing, that the structure is an imminent hazard and dangerous, and that it must be abated immediately and that time and circumstances do not permit the giving of prior notice to the owner. In those cases where time and circumstances do not permit the County to give the owner notice prior to abatement, the Building Official may cause the nuisance to be abated by the County with County resources or County contractees.

43.2.4.3 APPEAL OF NOTICE OF DETERMINATION. A Notice of Determination delivered by the Building Official, that a building or structure is an imminent hazard and dangerous and therefore must be abated, may be appealed by the property owner or any other party of record with an equitable or legal interest in said property. Such appeal must be made to the Building Official within

48 hours of delivery of such notice of determination by the Building Official. Such appeal shall be accompanied by a written Hazard Abatement Plan signed by a State of California licensed engineer or architect or by a written report by a State of California licensed engineer or architect stating why the engineer or architect feels the building or structure is not an imminent hazard or dangerous at this time. Such report shall include a recommendation by the engineer or architect as to what should and/or should not be done at this time. If the Building Official accepts the proposed Hazard Abatement Plan in lieu of the Notice of Determination, the Hazard Abatement Plan must be implemented within 24 hours of acceptance by the Building Official. If the Building Official accepts an engineer's report and agrees there is no imminent hazard, the Building Official shall rescind in writing his former Notice of Determination.

Should the Building Official disagree with the Hazard Abatement Plan, or should the Building Official disagree with the engineer's or architect's report, a hearing shall be conducted within 24 hours by the General Board of Appeals.

43.2.4.4 GENERAL BOARD OF APPEALS HEARING. At the hearing, the appellant shall have the right to call witnesses, submit evidence and to cross-examine the witnesses, submit evidence and to cross-examine the witnesses of the County. All witnesses shall be sworn.

A record of the entire proceedings shall be made by tape recording. Any relevant evidence may be submitted regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions in the courts of this State.

At the close of this hearing, the General Board of Appeals shall act to either uphold, overrule or modify the determination and order of the Building Official . The determination and order of the Building Official shall be upheld, unless the Board of Appeals finds, based upon the evidence in the record, that the Building Official erred in determining that the structure is an imminent hazard and dangerous. The decision of the Board of Appeals, with the reasons therefore, may be given orally on the record. If given orally, the decision shall be memorialized in writing and served upon the applicant within twenty-four (24) hours of the time the oral decision is rendered.

If the General Board of Appeals upholds the decision of the Building Official, the property owners of record shall be ordered to abate the public nuisance within the time set forth in the order. If the structure is determined not to be an imminent hazard and dangerous, the Building Official's determination and order shall be vacated. The decision of the General Board of Appeals shall be final on the date it is rendered.

43.2.4.5 HAZARD ABATEMENT PLAN. If a Hazard Abatement Plan is approved by the Building Official, the owner or other interested party of record shall execute such plan within twenty-four (24) hours of obtaining approval of the plan from the Building Official, or his designee. Within twenty-four (24) hours of completion of the abatement work the owner or other interested party of record shall provide the Building Official with a written certification that the public nuisance, as described in the Building Official's Notice of Hazard, has been abated.

If the work performed pursuant to the Hazard Abatement Plan amounts to temporary abatement, the owner or other party of record, prior to proceeding with permanent repairs, shall obtain required permits and file a damage assessment report with the Building Official. The damage assessment report shall be reviewed and approved by the Building Official before permanent repairs are performed.

43.2.4.6 FAILURE TO PERFORM. In those instances where the property owner or other interested party of record either does not respond to the Building Official's Notice of Hazard or approved Hazard Abatement Plan, responds untimely, or responds timely but fails to abate the public

nuisance within the required time period, the imminent hazard and dangerous structure shall be subject to immediate abatement by the Building Official.

43.2.4.7 PUBLIC NUISANCE. All structures or portions thereof which, after inspection by an unauthorized County Official, are determined to be an imminent hazard and dangerous, either to the public, occupants of the subject structure, or to any adjacent structures, are hereby declared to be public nuisances and shall be abated by the owner in accordance with the procedures specified in sections 43.2.4.4 and 43.2.4.5.

43.2.4.8 SUSPENSION OF ABATEMENT OF WORK. Notwithstanding any provisions herein to the contrary, the Building Official is authorized to suspend abatement work by the County, or the County's contractees, and to allow the property owner or other part of legal interest to complete the abatement work.

43.2.4.9 CHANGE OF STATUS. When the conditions making a structure an imminent hazard and dangerous have been abated, the structure shall no longer be considered an imminent hazard and dangerous. However, if the abatement work is temporary in nature, as determined by the Building Official, the structure shall remain subject to the provisions of this Chapter.

43.2.4.10 DEMOLITION PERMIT. If the owner of any building or structure has decided to demolish rather than repair, the owner, or the owner's representative, shall obtain a demolition permit.

43.2.5 HAZARD ABATEMENT OF HISTORIC BUILDINGS OR STRUCTURES.

43.2.5.1 NOTIFICATION OF IMMINENT HAZARD. Within 10 days after the event, the Building Official shall notify the State Historic Preservation Officer that one of the following actions will be taken regarding any historic building or structure determined by the Building Official to represent an imminent hazard to the health or safety of the public, or to pose an imminent threat to the public right of way:

43.2.5.1.1 BRACING OR SHORING. Whenever possible, as determined by the Building Official, the building or structure may be braced or shored in such a manner as to mitigate the hazard to public health or safety or the hazard to the public right of way.

43.2.5.1.2 CONDEMNATION. Whenever bracing or shoring is determined to be an unreasonable alternative, the Building Official may cause the building or structure to be condemned and immediately demolished. Such condemnation and demolition may be performed in the interest of public health or safety without a condemnation hearing as required by the Uniform Code for the Abatement of Dangerous Buildings as adopted by reference in Article 1, Chapter 7, and as amended by Article 8 of this Code.

43.2.5.2 CONDEMNATION PROCEEDINGS. If, ten (10) days after the event and less than 30 days after the event, an historic building or structure is determined by the Building Official to represent a hazard to the health or safety of the public or to pose a threat to the public right of way, the Building Official may initiate condemnation proceedings in accordance with the Uniform Code for the Abatement of Dangerous Buildings as adopted by reference in Article 1, Chapter 7, and as amended by Article 8 of this Code. The Building Official may also notify the Federal Emergency Management Agency, in accordance with the National Historic Preservation Act of 1966, as amended, of its intent to hold a condemnation hearing.

43.2.5.3 REQUEST TO DEMOLISH. If the Building Official and the owner of any historic building or structure agree that such a building or structure should be demolished, the Building Official shall submit a request to demolish to the Federal Emergency Management Agency, in

accordance with the National Historic Preservation Act of 1986, as amended. Said request shall include all substantiating data.

Section 43.3 DISASTER REPAIR AND RECONSTRUCTION

43.3.1 INTENT. This Chapter establishes standards and regulations for the expeditious repair and reconstruction of structures damaged as a result of a disaster for which a local emergency has been declared by the Board of Supervisors. The Chapter does not allow exemptions from the Building, Fire Electrical, Mechanical, Plumbing, other codes, or County Ordinances.

43.3.2 APPLICATION OF PROVISIONS.

43.3.2.1 DECLARATION OF EMERGENCY. The provisions of this chapter are applicable to all buildings and structures regulated by the County of Ventura following each disaster after a local emergency has been declared by the Board of Supervisors.

43.3.2.2 WAIVER FOR ENGINEERING EVALUATION. The requirements of this chapter may be waived by the Building Official subject to an engineering evaluation as defined in Section 43.3.3.

43.3.3 DEFINITIONS. For the purpose of this chapter, the following definitions apply:

43.3.3.1 ARCHITECT is a person licensed by the State of California to practice architecture as prescribed by the State of California Business and Professions Code.

43.3.3.2 CIVIL ENGINEER is a person registered by the State of California to practice Civil Engineering as prescribed by the State of California Business and Professions Code.

43.3.3.3 CURRENT CODE shall mean the edition of the Uniform Building Code published by the International Conference of Building Officials, as adopted by the County of Ventura in accordance with operation of law pursuant to Section 18941.5 of the State of California Health and Safety Code. The edition to be applied shall be that edition in effect at the time of the declaration of a local emergency by the Board of Supervisors, County of Ventura.

43.3.3.4 ENGINEERING EVALUATION is an evaluation of a damaged building or structure, or suspected damaged building or structure, performed under the direction of a structural engineer, civil engineer, or architect retained by the owner of the building or structure. Engineering evaluations shall, at a minimum, contain recommendations for repair with appropriate opinion of construction cost for those repairs. All engineering evaluations shall include the engineer's or architects's stamp, wet-signature and license expiration date.

43.3.3.5 ESSENTIAL SERVICE FACILITY shall mean those buildings or structures designated by the County of Ventura to house facilities necessary for emergency operations subsequent to a disaster.

43.3.3.6 REPLACEMENT VALUE is the dollar value, as determined by a Building Official, for replacing a damaged structure with a new structure of the same size, same type of construction and same occupancy, and located on the same site.

43.3.3.7 STRUCTURAL ENGINEER is a person registered by the State of California to practice civil engineering and to use the title structural engineer as defined in the State of California Business and Professions Code.

43.3.3.8 VALUE OF REPAIR is the dollar value, as determined by the Building Official, for making necessary repairs to the damaged structure.

43.3.3.9 BUILDING OFFICIAL is the officer or other designated authority charged with the administration and enforcement of this chapter, or duly authorized representative.

43.3.4 REPAIR CRITERIA

43.3.4.1 GENERAL. Buildings and structures of all occupancies which have been damaged as the result of a disaster, except as otherwise noted, shall be repaired in accordance with the following criteria:

43.3.4.2 UP TO TEN PERCENT REPAIR VALUE. When the estimated value of repair does not exceed ten percent (10%) of the replacement value of the structure, the damaged portion may be restored to the pre-disaster condition; except that when the damaged elements include suspended ceiling systems, the ceiling system shall be repaired with all bracing required by current code.

43.3.4.3 UP TO FIFTY PERCENT REPAIR VALUE. When the estimated value of repair is greater than ten percent (10%) but less than fifty percent (50%) of the replacement value of the structure, the damaged elements shall be repaired and/or brought into conformance with the structural requirements of the current codes.

43.3.4.4 MORE THAN FIFTY PERCENT REPAIR VALUE. When the estimated value of repair is fifty percent (50%) or more of the replacement value of the structure, the entire structure shall be brought into conformance with the fire and life safety and structural requirements of the current applicable codes.

43.3.4.5 CHIMNEY VALUE EXCLUSION. In group R, Division 3 occupancies, the repair value of damaged chimneys may be excluded from the computation of percentage of replacement value. Damaged chimneys shall be repaired in accordance with Section 43.3.5.

43.3.5 REPAIR CRITERIA FOR CHIMNEYS.

43.3.5.1 GENERAL. All damaged chimneys must be repaired or reconstructed to comply with the requirements of Chapter 31 of the Uniform Building Code. Damaged portions of chimneys shall be removed in accordance with the following criteria.

43.3.5.2 DAMAGE ABOVE THE ROOF LINE. When the damaged portion of the chimney is located between the roof line and the top of the chimney, the damaged portion may be removed to the roof line provided the roof and ceiling anchorage are in sound condition. The reconstruction portion of the chimney shall be braced to the roof structure using an approved method.

43.3.5.3 SINGLE STORY STRUCTURE DAMAGE BELOW THE ROOF LINE. For a single-story structure in which the damaged portion of the chimney is below the roof line or the damaged portion extends from above the roof line to below the roof line, the chimney shall be removed to the top of the firebox.

43.3.5.4 MULTI-STORY STRUCTURE DAMAGE BELOW THE ROOF LINE. For a multi-story structure, the damaged portion of the chimney shall be removed from the top to a floor line where anchorage is found.

43.3.5.5 FIREBOX DAMAGE. In any structure where the firebox has been damaged, the entire chimney and firebox shall be removed to the foundation. If the foundation is in sound

condition, the firebox and chimney may be reconstructed using the existing foundation. If the foundation has been damaged, the foundation shall be removed and replaced.

43.3.5.6 ENGINEERED ALTERNATE SOLUTIONS. Where existing conditions preclude the installation of all anchorage required by Chapter 31 of the Uniform Building Code, alternate systems may be used in accordance with the alternate methods and materials provisions of the Uniform Building Code when approved by the Building Official.

43.3.5.7 BRACING. Where the portion of the chimney extending above the roof line exceeds two times the least dimension of the chimney, that portion above the roof line shall be braced to the roof structure using an approved method.

43.3.6 REPAIR CRITERIA FOR HISTORIC BUILDINGS OR STRUCTURES.

43.3.6.1 ENGINEERING EVALUATION REQUIRED. Buildings or structures which are included on a national, state, or local register for historic places or which are qualifying structures within a recognized historic district, which have been damaged as a result of a disaster, shall have an engineering evaluation performed.

43.3.6.2 MINIMUM REPAIR CRITERIA. The minimum criteria for repair shall be as included in Section 43.3.4 Repair Criteria with due consideration given to the historical rating and nature of the structures. Additional standards and criteria, as noted in Part 8, Title 24, California Code shall apply.

43.3.7 REPAIR CRITERIA FOR UNREINFORCED MASONRY BUILDINGS AND STRUCTURES.

43.3.7.1 GENERAL. All damaged buildings determined to be bearing wall buildings constructed of unreinforced masonry shall be repaired and strengthened to fully comply with the requirements of the California Conservation Code as adopted by the County of Ventura.

APPENDIX CHAPTER 3, DIVISION II
AGRICULTURAL BUILDINGS

Section 327 - CONSTRUCTION, HEIGHT AND ALLOWABLE AREA

327.2 SPECIAL PROVISIONS FOR AGRICULTURAL BUILDINGS. The area of a Group U, Division 3 Occupancy in a one-story building shall not be limited if the building is entirely surrounded and adjoined by public ways or yards not less than 60 feet (18,288 mm) in width, regardless of the type of construction.

EXCEPTION: The area of a one-story Group U, Division 3 Occupancy which is used elusively for growing flowers, plants, fruits, vegetables, shrubs, trees, or similar horticultural products (horticultural structure) shall not be limited if the setback from all property lines to the building is not less than twenty (20) feet and if such setback area is maintained open and accessible for fire fighting purposes. In no case shall the distance from property lines be less than that required by zoning regulations. The maximum travel distance to an exit may be increased by 100 feet if the building or structure is provided with an approved fire sprinkler system.

The area of a two-story Group U, Division 3 Occupancy shall not be limited if the building is entirely surrounded and adjoined by public ways or yards not less than 60 feet (18,288 mm) in width and is provided with an approved automatic fire-extinguishing system throughout, conforming to UBC standard No. 9-1.

Buildings using plastics shall comply with Type V-N construction. Plastics shall be approved plastics as defined in Chapter 2 and regulated by Chapter 26. For foam plastic, see Section 2602.

EXCEPTIONS: 1. When used as skylights or roofs, the areas of plastic skylights shall not be limited.

2. Except where designs must consider snow loads, plastics less than 20 mil (0.51 mm) thick may be used without regard to structural considerations. The structural frame of the building, however, shall comply.

Refer to Section 106.1.1 in this ordinance for permit exceptions which apply to specified agricultural buildings.

APPENDIX CHAPTER 18 - WATERPROOFING AND DAMPPROOFING FOUNDATIONS

Section 1825 - OTHER DAMPPROOFING REQUIREMENTS

1825.1. SUBSOIL DRAINAGE. When required by the building official due to the requirements of Sec. UBC Appendix 1820 and 1821, a base material shall be installed under the floor slab and under-slab drain system shall be installed around the foundation perimeter in accordance with this section.

> EXCEPTION: When the finished ground level is below the floor slab level for more than 25 percent of the perimeter of the building, the base material required by Section 1825.2 need not be provided, and the foundation drain required by Sections 1825.1 - 1825.3 need be provided only around that portion of the building where the ground level is above the floor slab level.

1825.2 BASE MATERIAL. When subsoil drainage is required under Appendix Section 1824, the requirements of Table UBC Table 18-D-1 for a sand bed under slab-on-grade construction shall be superseded by the requirements of this subsection.

Concrete slab-on-grade floors shall be placed over base material not less than 4 inches (102 mm) in thickness consisting of gravel or crushed stone containing not more than 10 percent material that passes a No. 4 sieve, and no material that is retained on a 1½ inch sieve.

Over this base material, dampproofing material shall be installed in compliance with Section 1822. The dampproofing material shall be overlain with a protective layer of 2 inches of sand. Special care shall be taken to prevent damage to the damp proofing membrane. All punctures or tears in the membrane shall be immediately patched and sealed.

APPENDIX CHAPTER 30
ELEVATORS, DUMBWAITERS, ESCALATORS
AND MOVING WALKS

Section 3008 PURPOSE

3008.1 MINIMUM REQUIREMENTS. The purpose of this appendix is to safeguard life, limb, property and public welfare by establishing minimum requirements regulating the design, construction, alteration, operation and maintenance of elevators, dumbwaiters, escalators and moving walks, and by establishing procedures by which these requirements may be enforced.

3008.2 STATE STANDARDS This appendix is intended to supplement the State of California Elevator Codes and Standards, and is applicable only to those areas not superseded by mandate of the State Codes and Standards.

APPENDIX CHAPTER 33 EXCAVATION AND GRADING

SECTION 3305 SCOPE This appendix sets forth rules and regulations to control excavation, grading and earthwork construction, including fills and embankments; establishes the administrative procedure for issuance of permits; and provides for approval of plans and inspection of grading construction.

For the purposes of this Chapter, the term **"Building Official"** shall mean the Director of Public Works, as defined in Article 3, Sec. 203-B of this ordinance.

The standards listed below are recognized standards and as such are not adopted as part of this code (see Sections 3502 and 3503).

1. Testing

1.1 ASTM D 1557, Moisture-density Relations of Soils and Soil Aggregate Mixtures

1.2 ASTM D 1556, In Place Density of Soils by the Sand-Cone Method

1.3 ASTM D 2167, In Place Density of Soils by the Rubber-Balloon Method

1.4 ASTM D 2937, In Place Density of Soils by the Drive-Cylinder Method

1.5 ASTM D 2922 and D 3017, In Place Moisture Contact and Density of Soils by Nuclear Methods

3305.1 MINISTERIAL AND DISCRETIONARY PERMITS. The issuance or denial of a grading permit pursuant to this Code is a ministerial act for the purposes of Section 21080, subdivision (b) (1), of the Public Resources Code except in the following four cases:

1. Where the average natural slope within the area to be graded exceeds 10% and the amount of excavation or fill exceeds 10,000 cubic yards (7645.5 m^3);
2. Where the average natural slope within the area to be graded exceeds 35% and the mount of excavation of fill exceeds 1,000 cubic yards (764.6 m^3);
3. Where the proposed graded slopes exceed 25 feet (7620 mm) in vertical height; or
4. Where the proposed grading is to occur within a waterway or wetland' within an area officially designated by the County as a Sensitive Ecological, Archaeological, Scenic, or Biologically Sensitive Area; or within a recognized severe geologically hazardous area.

In each of the four cases listed above, the issuance or denial of a grading permit is discretionary for the purposes of Section 21080, subdivision (a), of the Public Resources Code except in the following three cases in which such issuance or denial is a ministerial act:

1. Where the grading permit is required by a condition imposed upon a discretionary entitlement previously approved by the County of Ventura and the effects of the grading for which the grading permit is required were addressed in an environmental document prepared and certified with respect to that previously approved entitlement; or

2. Where the grading is related to oilfield operations, involving the exploration for or the development or production of oil, and all of the following conditions are satisfied;

(a) The grading will be restricted to an area on which such oilfield operations may lawfully take place pursuant to an outstanding use permit for such operations issued by the county;

(b) The proposed graded slopes will be less than 40 feet (12192 mm) in vertical height;

(c) Before the grading commences, grading bonds are submitted to the Building Official guaranteeing all erosion control facilities, slope planting and slope maintenance necessary to meet then existing county standards; and

(d) Within 60 days of completion of the grading, all slopes created or modified thereby are hydromulched with a native plant and an irrigation system sufficient to ensure establishment of such native plants is installed.

3. Where the grading is related to oilfield operations involving the exploration for or the development of production of oil, and is limited to one or more of the following:

(a) Routine maintenance or repair of existing drill sites or existing roads which does not materially alter the location, size or configuration of the original sites or roads;

(b) Routing dredging of waste materials for which a permit has been issued by the Environmental Health Division of Ventura County Resource Management Agency.

The only discretionary powers to be exercised in conjunction with the issuance or denial of discretionary grading permits shall be exercised by the Building Official, or by the Board of Supervisors on appeal. Those discretionary powers shall be limited to all of those discretionary powers, (i) to issue the permit subject to conditions or changes in the project needed to mitigate significant environmental effects which would otherwise result from the grading, (ii) to deny the permit in order to avoid such effects, or (iii) to issue the permit despite such effects, as are conferred upon the lead agency by the California Environmental Quality Act (Section 21000 et seq. of the Public Resources Code) and are generally described in Section 15040 through 15043 of the State CEQA Guidelines (Section 15000 et seq. of Title 14 of the California Administrative Code).

With respect to a discretionary grading permit, the Building Official shall issue or deny the permit only after holding a public hearing, considering the applicable environmental document, if any, and certifying that such document has been prepared in compliance with the California Environmental Quality Act. The Building Official shall give at least 15 days written notice of such hearing to the applicant for the permit and to any owner of real property in the vicinity of the proposed grading whose property interest might be substantially affected by issuance or denial of the permit. The notice shall specify the time, date and place of the hearing, shall give a general description of the grading to which the permit application pertains, shall give a general description of the property on which the grading would occur, and shall state that any interested person will be given an opportunity to present relevant evidence at the hearing. The hearing shall be limited to, and any decision of the Building Official shall be based upon, the environmental issues with respect to which the Building Official has been granted discretion by this section.

Any interested person may appeal the issuance or denial of a discretionary grading permit by filing with the Building Official the appeal fee prescribed by the Board of Supervisors together with a notice of appeal on a form satisfactory to the Building Official within 10 days after the issuance or denial. The hearing on appeal shall be noticed and conducted by the Board of Supervisors in the same manner as the original hearing before the Building Official, except that the notice shall also be given to the appellant. The decision of the Board of Supervisors on appeal shall be issued in writing after the hearing on appeal and shall be final and conclusive when issued. A copy of the decision shall be served upon the applicant for the permit and upon the appellant. If the decision is to order the issuance of a grading permit previously denied or to modify a grading permit previously issued by the Building Official, the written order shall constitute the permit and shall include appropriate conditions.

A ministerial grading permit shall be operative immediately upon issuance. A discretionary grading permit shall become operative on the 15th calendar day after its issuance or, in the case of an appeal, on the date the Board of Supervisors issues its decision upholding or ordering issuance.

SECTION 3306 - PERMITS REQUIRED

3306.1. PERMITS REQUIRED. Except as specified in Section 3306.2 of this section, no person shall do any grading without first having obtained a grading permit from the building official.

3306.2 EXEMPTED WORK. A grading permit is not required for the following:

1. When approved by the building official, grading in an isolated, self-contained area if there is no danger to private or public property.

2. An excavation below finished grade for basements and footings of a building, retaining wall or other structure authorized by a valid building permit. This shall not exempt any fill made with the material from such excavation or exempt any excavation having an unsupported height greater than 5 feet (1524 mm) after the completion of such structure.

3. Cemetery graves.

4. Refuse disposal sites controlled by other regulations.

5. Excavations for wells or tunnels or utilities.

6. Mining, quarrying, excavating, processing, stockpiling of rock. sand, gravel, aggregate or clay where established and provided for by law, provided such operations do not affect the lateral support or increase the stresses in or pressure upon any adjacent or contiguous property.

7. Exploratory excavations under the direction of soil engineers or engineering geologists. This shall not exempt grading of access roads or pads for exploration equipment.

8. An excavation which (1) is less than 2 feet (610 mm) in depth, or (2) which does not create a cut slope greater than 5 feet (1524 mm) in height and steeper than 1 unit vertical in 1 1/2 units horizontal (66.7% slope).

9. A fill less than 1 foot (305 mm)in depth and placed on natural terrain with a slope flatter than 1 unit vertical in 5 units horizontal (20% slope), or less than 3 feet (914 mm) in depth not intended to support structures, which does not exceed 50 cubic yards ($38.3m^3$) on any one lot and does not obstruct a drainage course.

10. Grading under an approved hillside erosion control plan in compliance with the hillside erosion control ordinance.

11. When approved by the building official, sand and gravel backfill behind retaining walls.

Exemption from the permit requirements of this chapter shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this chapter or any other laws or ordinances of this jurisdiction.

Sec. 3307 HAZARDS.

3307.1 HAZARDS DECLARED A PUBLIC NUISANCE. Any existing excavation, embankment or fill on private property which has become a hazard to life and limb, or endangers property, or adversely affects the safety, use or stability of a public way or drainage channel, or fails to comply with the provisions of this Code is hereby declared to be a public nuisance.

3307.2 NOTICE AND ORDER TO ABATE. Whenever the Building Official has determined that such a nuisance exists, he/she shall issue a notice and order to the record owner of the property upon which the nuisance is located. The notice and order shall contain:

(1) The street address, if any, and a legal description sufficient for identification of the property upon which the nuisance is located.;

(2) A statement that the Building Official has found the excavation, embankment or fill to be on a public nuisance and a concise description of the conditions which render it a public nuisance;

(3) An order requiring that all applicable permits be secured and that the nuisance be abated within a specified time determined by the Building Official to be reasonable in circumstances;

(4) A statement that, if the nuisance is not abated within the time specified, the County man cause the work to be done and charge the cost thereof against the property or its owner;

(5) A statement that any person having a legal interest in the property may appeal from the notice and order to the Board of Grading Appeals if the appeal is made in writing as provided in this Section and is filed with the Clerk of the Board of Supervisors within 30 days of service of the notice and order; and

(6) A statement that failure, neglect or refusal to abate the nuisance within the time set forth in the notice and order or, in the case of an appeal, within the time set by the Board of Grading Appeals is a misdemeanor.

3307.3 SERVICE OF NOTICE AND ORDER. The notice and order shall be served and posted by the Building Official in the manner and subject to conditions set forth in subdivisions 3307.3, 3307.4 and (e) 3307.5 of Section 401 of the Uniform Code for the Abatement of Dangerous Buildings ("DBC"), as adopted by Article VI of the Ventura County Building Code, with respect to notices and orders relating to dangerous buildings.

3307.4 RECORDATION OF CERTIFICATE RESPECTING NUISANCE. If compliance is not had with the notice and order within the time specified therein or, if an appeal has been filed pursuant to this Section, within the time specified by the Board of Grading Appeals, the Building Official shall file in the Office of the County Recorder for recordation a certificate describing the property and certifying (1) that the excavation, embankment or fill constitutes a public nuisance, and (2) that the owner has been so notified. Whenever the nuisance shall thereafter have been abated, the Building Official shall file in the office of the County Recorder for recordation a new certificate describing the property and certifying that the nuisance has been abated.

3307.5 APPEAL FROM NOTICE AND ORDER. Any person entitled to service under subdivision 3307.3 of this Section may, upon payment of the fee prescribed by the Board of Supervisors for such purposes, appeal from the notice and order to abate the filing with the Clerk of the Board of Supervisors a written appeal in the form prescribed by the Building Official. The appeal shall be filed within 30 days after the date of service of the notice and order. Upon receipt of an appeal, the Clerk shall present it at the next regular or special meeting of the Board of Supervisors which, at such meeting, shall fix a date, time and place for the hearing of the appeal by the Board of Grading Appeals. Notice of the time and place of the hearing shall be given at least 10 days prior to the date of the hearing to each appellant by the Clerk either by causing a copy of such notice to be delivered personally or by mailing a copy thereof, postage prepaid, addressed to the appellant at his/her address shown on the appeal. Enforcement of a notice and order to abate shall be stayed during the pendency of an appeal therefrom which is properly and timely filed. In connection with the hearing,

the Board of Grading Appeals, and any member thereof, may administer oaths and affirmations and issue subpoenas. The hearing shall be conducted by the Board of Grading Appeals in the manner set forth in DBC Section 604. If, after the hearing, the Board of Grading Appeals determines that the excavation, embankment or fill does not constitute a public nuisance, it shall allow the appeal and cancel the notice and order to abate. If, after the hearing, the Board of Grading Appeals determines otherwise, it shall deny the appeal and set a date by which the nuisance must be abated, which date shall be no earlier that the last day of the period set forth in original notice and order to abate. The decision of the Board of Grading Appeals is final when made.

3307.6 COMPLIANCE WITH NOTICE AND ORDER REQUIRED. It shall be unlawful for any person, firm or corporation to who or to which a notice and order to abate is directed pursuant to this Section to fail, neglect or refuse to obey such order within the time specified in such notice and order or, in the case of an appeal, within the time set by the Board of Grading Appeals.

3307.7 ABATEMENT BY COUNTY UPON FAILURE TO COMPLY WITH NOTICE AND ORDER TO ABATE. If the nuisance is not abated within the time set forth in the notice and order to abate or, in the case of an appeal. by the date set by the Board of Grading Appeals, the Board of Supervisors may, without further notice or hearing. direct that the nuisance be abated by the County. Such abatement by the County shall not excuse any prior failure, neglect or refusal to comply with the notice and order to abate and shall be in addition to whatever other remedies may be provided by this Code or other provisions of law.

3307.8 SUMMARY ABATEMENT BY COUNTY IN EMERGENCY. If the nuisance threatens substantial injury to persons or property which is, in the opinion of the Building Official, so imminent as to require immediate corrective measures, the County may summarily abate such nuisance without complying with the provisions of subdivisions 3307.2 through 3307.7 of this Section; provided, however, that the Building Official shall give such notice to the owner of the property as may be practicable in the circumstances.

3307.9 MANNER OF ABATEMENT BY COUNTY; RIGHT OF ENTRY. Abatement by the County may be done directly by County personnel or through contractors in the same manner and subject to the same restrictions as public works. The County and its contractors may enter upon private property to effect such abatement.

3307.10 DETERMINING COST OF ABATEMENT BY COUNTY. The Building Official shall keep an itemized account of the costs of abatement by the County pursuant to subdivision 3307.7 or 3307.8 of this Section and, upon completion of the abatement work, shall prepare an itemized written report showing such cost. The Building Official shall thereupon forward a copy of the report to the Clerk of the Board of Supervisors who shall set a date (at least 10 days after receipt of the report), time and place for a hearing before the Board of Supervisors respecting such report and any objections thereto. Notice of such hearing shall be served and posted at least 10 days prior to the hearing in the manner and subject to the conditions set forth in subdivision 3307.3 of this Section with respect to the notice and order to abate. Such notice of hearing shall contain:

(1) The street address, if any, an a legal description sufficient for identification of the property affected by the report;

(2) A statement that the report has been prepared and is available for inspection in the office of the Building Official;

(3) A statement that the Board of Supervisors will hold a hearing to consider the report and any timely objections thereto;

(4) The date, time and place of such hearing;

(5) A statement that any interested person wishing to object to such report must file, prior to the hearing, a written statement of the grounds for the objection.

Any interested person may file written objections prior to the hearing. Each such objection shall contain a statement of the grounds therefor. A contention that the condition abated did not constitute a public nuisance shall be a ground for objecting to the report only if the report relates to a summary abatement pursuant to subdivision 3307.8 of this Section. At the hearing, the Board of Supervisors shall receive and consider the report, any timely written objections thereto, and such other information as it may deem proper. At the conclusion of the hearing, the Board of Supervisors may make such corrections in the report as it may deem just and, when it is satisfied that the report (as submitted or corrected) is correct, it shall, by resolution, determine the total amount of such cost of abatement attributable to each parcel of land upon which the abatement attributable to each parcel of land upon which the abatement took place.

3307.11 REIMBURSEMENT OF COUNTY FOR COST OF ABATEMENT. At any time within 10 days after the Board of Supervisors has adopted a resolution pursuant to subdivision 3307.10 of this Section determining the cost of abatement by the County, the Building Official may receive payment of such amount and issue receipts therefor. If payment is not received within such period of time, the Building Official shall forward a copy of the resolution to the Auditor-Controller.

3307.11.1 SPECIAL ASSESSMENT FOR COST OF ABATEMENT BY COUNTY. For cost of abatement by the County, pursuant to subdivision 3307.7 or 3307.8 of this Section, for which payment is not made pursuant to subdivision 3307.11 of this Section, shall be a special assessment against the parcel on which the nuisance has been located. Such special assessment shall be levied for the fiscal year commencing on the July 1 next following receipt by the Auditor-Controller of the resolution of the Board of Supervisors determining the amount of such cost. The assessment may be collected at the same time and in the same manner as ordinary county taxes are collected and shall be subject to the same penalties and the same procedure and sale in case of delinquency as provided for ordinary County taxes. All laws applicable to the levy, collection and enforcement of County taxes shall be applicable to such special assessment, except that if any real property to which such cost of abatement relates has been transferred or conveyed to a bona fide purchases for value, or if a lien of a bona fide encumbrancer for value has been created and attaches thereon, prior to the date on which the first installment of such taxes would become delinquent, then such cost of abatement shall not result in a lien against such real property but instead shall be transferred to the unsecured roll for collection.

SECTION 3308 - DEFINITIONS. Section 3308 in the Appendix is hereby amended to include in addition to all of the definitions contained therein, the definitions of "Engineering Geologist", and "Isolated and Self Contained Area" as follows:

ENGINEERING GEOLOGIST. Is a certified engineering geologist duly licensed by the state who applies the geological sciences to engineering practice for the purpose of assuring that the geological features affecting the location, design, construction, operation and maintenance of engineering works are recognized and adequately addressed.

ISOLATED, SELF-CONTAINED AREA is that portion of a parcel of land or of contiguous parcels of land under single ownership which meets any one of the following three criteria:

1. The portion is used for growing crops or raising livestock for sale, but not for building sites or for the construction of earthfills which will impound water to a depth of more than 5 feet (1524 mm).
2. The portion contains water impounding structures constructed under the direct control of the U.S. Department of Agriculture, Soil Conservation Service.
3. The portion contains oilfield operations, involving the exploration for or the development or production of oil, which are established under an existing land use entitlement and all of the following criteria are met:

(a) The portion is not visible from a publicly maintained street, road or highway within 1.0 horizontal mile (1.609 km) of such portion;

(b) The portion is not visible from a private residence located within 1.0 horizontal mile (1.609 km) of such portion unless the owner and the tenant or such residence have signed a written waiver of this criterion; and

(c) The portion is so located and configured that grading thereon cannot cause a significant increase in the volume of silt or debris deposited on downstream property owned by any person other than the owner of the portion.

SECTION 3309 - GRADING PERMIT REQUIREMENTS

3309.3 GRADING DESIGNATION. All grading in excess of 1,000 cubic yards (764.6m^3) shall be performed in accordance with the approved grading plan prepared by a civil engineer, and shall be designated as "engineered grading." Grading involving less than 1,000 cubic yards (764.6 m^3) shall be designated "regular grading" unless the permittee, chooses to have the grading performed as engineered grading, or the Building Official determines that special conditions or unusual hazards exist in which case grading shall conform to the requirements for engineered grading.

3309.9 PERMIT ISSUANCE. The provisions of Section 106.4 as published in the UBC are applicable to grading permits, except that every grading permit issued by the Building Official under the provisions of this Code shall expire by limitation and become null and void if the grading and other improvements authorized by such a permit are not completed within 1 year from the date of such permit. The Building Official may extend the time for completion of the grading and other improvements authorized by the grading permit in increments not exceeding 1 year if circumstances beyond the permittee's control have prevented the completion of the project, and necessary time extension fees have been paid.

The Building Official may require that grading operations and project designs be modified if delays occur which incur weather-generated problems not considered at the time the permit was issued.

Sec. 3310 GRADING PERMIT FEES. Grading permits and grading plan review fees shall be as set forth in schedules enacted by the Board of Supervisors. Except as otherwise specified in such schedule, grading permit and grading plan review fees shall not be refundable.

SECTION 3314 - SETBACKS

3314.1 SETBACKS-GENERAL. Cut and fill slopes shall be set back from site boundaries in accordance with this Section. The setbacks and other restrictions specified by this Section are minimum standards and may be increased by the Building Official or by recommendation of a civil engineer, soils engineer, or engineering geologist where necessary to assure slope stability, prevent damage to adjacent properties from deposition or erosion, provide access for slope maintenance and drainage, or otherwise provide for safety of the public.

SECTION 3315 - DRAINAGE AND TERRACING

3315.1 DRAINAGE AND TERRACING-GENERAL. Unless otherwise indicated on the approved grading plan, drainage facilities and terracing shall conform to the provisions of this Section for cut or fill slopes steeper than 1 unit vertical in 4 units horizontal (25% slope).

ARTICLE 4 - AMENDMENTS TO THE CALIFORNIA ELECTRICAL CODE (CEC)

ARTICLE 90 - INTRODUCTION

Sec. 90.1 POWERS AND DUTIES OF THE BUILDING OFFICIAL

90.1.1 CONNECTION TO ELECTRICAL INSTALLATIONS. Except where work is done under an annual electrical maintenance permit, it shall be unlawful for any person, firm, or corporation to make connection from a source of electrical energy or to supply electrical service to any electrical wiring, device, appliance, or equipment which requires a permit for installation, or to cause or permit same to be done, or to continue or allow to continue any such connection unless such person, firm, or corporation shall have obtained evidence from the Building Official that such equipment is authorized to be energized.

90.1.2 AUTHORITY TO ABATE. Any electrical wiring or equipment regulated by this Code, which is unsafe or which constitutes a fire or health hazard or is otherwise dangerous to human life is, for the purpose of this Section, unsafe. Any use of equipment regulated by this Code constituting a hazard to safety, health or public welfare by reason of inadequate maintenance, dilapidation, obsolescence, fire hazard, disaster, damage or abandonment is, for the purpose of this section, an unsafe use. Any such unsafe electrical wiring or equipment is hereby declared to be a public nuisance and shall be abated by repair, rehabilitation, demolition or removal in accordance with the procedure set forth in the Uniform Code for the Abatement of Dangerous Buildings or such alternate procedure as may be adopted by the County. As an alternative, the Building Official or an authorized representative may institute any other appropriate action to prevent, restrain, correct, or abate the violation.

90.1.3 AUTHORITY TO CONDEMN WIRING AND EQUIPMENT. Whenever the Building Official ascertains that any electrical wiring or equipment, or portion thereof, regulated by this Code has become hazardous to life, health or property, a written order shall be issued to cause such wiring or equipment to be either removed or restored to a safe condition, as appropriate. The written notice itself shall fix a time limit for compliance with such order. No person shall use or maintain defective equipment after receiving such notice.

90.1.4 EXEMPTED WORK. An electrical permit will not be required for the following:

1. Portable motors or other portable appliances energized by means of a cord or cable having an attachment plug end to be connected to an approved receptacle when that cord or cable is permitted by this code.
2. Repair or replacement of fixed motors, transformers or approved fixed appliances of same type and rating and in the same location.
3. Temporary decorative lighting energized by cord or cable having an attachment plug end to be connected to an approved receptacle.
4. Reinstallation of attachment plug receptacles but not the outlets therefor.
5. Replacement of an overcurrent device of the same capacity and in the same location.
6. Repair or replacement of electrodes or transformers of the same size and capacity for approved signs or gas tube systems.
7. Removal of abandoned electrical wiring.
8. Electrical wiring, devices, appliance or equipment operating at less than 25 volts and not capable of supplying more than 50 watts of energy.
9. Low-energy power, control and signal circuits of Class II and III as defined in this code.

Exemption from the permit requirements of this code shall not be deemed to grant authorization for any work to be done in violation of the provisions of this code or any other laws or ordinances of this jurisdiction.

90.1.5 GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

CHAPTER 1 - GENERAL

Sec. 110.5. CONDUCTORS. Conductors normally used to carry current shall be of copper unless otherwise provided in this Code. Where the conductor material is not specified, the sizes given in this Code shall apply to copper conductors. Where other materials are used, the size shall be changed accordingly.

For aluminum and copper-clad aluminum conductors, see Tables 310-16 through 310-84 and Notes thereto in the NEC. Aluminum wire used under the provisions of this Code shall be a minimum of #6 A.W.G. conductors.

Sec. 110.8. WIRING METHODS. Only wiring methods recognized as suitable are included in this Code. The recognized methods of wiring shall be permitted to be installed in any type of building or occupancy, except as otherwise provided in this Code.
Wiring installations and equipment in existence at the time of passage of this Code may have their existing use continued if such use was legal at the time of passage and provided such continued use is not unsafe.

CHAPTER 2 - WIRING AND PROTECTION

Sec. 250-50(e). "UFER" GROUND REQUIRED. Notwithstanding other provisions of Section 250-50 in the NEC, the electrical service grounding electrode for new construction where concrete footings in direct contact with earth are employed shall be a bare copper conductor installed as specified in Section 250-50(c) in the NEC.

CHAPTER 3 - WIRING METHODS AND MATERIALS

Sec. 336.4. USES PERMITTED. Type NM, Type NMC, and Type NMS cables shall be permitted to be used in agricultural buildings, one-family and two-family dwellings and accessory structures, in multi-family dwellings, and other structures, except as prohibited in Section 336-5. Cables in such structures shall be protected from physical damage. Where installed in cable trays, cables shall be identified for the use.

(FPN): See Section 310-10 for temperature limitation of conductors.

(a) **Type NM.** Type NM cable shall be permitted for both exposed and concealed work in normally dry locations. It shall be permissible to install or fish Type NM cable in air voids in masonry block or tile walls where such walls are not exposed or subject to excessive moisture or dampness.

(b) **Type NMC.** Type NMC cable shall be permitted:

(1) For both exposed and concealed work in dry, moist, damp, or corrosive locations.

(2) In outside and inside walls of masonry block or tile.

(3) In a shallow chase in masonry, concrete, or adobe protected against nails or screws by a steel plate at least 1/16-in. (1.59-mm) thick, and covered with plaster, adobe, or similar finish.

(c) **Type NMS.** Type NMS cable shall be permitted for both exposed and concealed work in normally dry locations. It shall be permissible to install or fish Type NMS cable in air voids in masonry block or tile walls where such walls are not exposed or subject to excessive moisture or dampness. Type NMS cable shall be used as permitted in Article 780.

CHAPTER 7 - SPECIAL CONDITIONS

ARTICLE 700. EMERGENCY SYSTEMS:

FPN No. 6: For additional requirements for emergency power systems, refer to NFPA-20 "REQUIREMENTS FOR FIRE PUMP WIRING."

ARTICLE 5 - AMENDMENTS TO THE
CALIFORNIA MECHANICAL CODE (CMC)

CHAPTER 1 - ADMINISTRATION

Section 102 - GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

Section 115 - FEES

Sec. 115.1. GENERAL. Refer to Article 2, Chapter 1 Section 107 in this ordinance.

Sec. 115.6 FEE REFUNDS. Refer to Article 2, Chapter 1 Section 107.6 in this ordinance.

CHAPTER 8 - CHIMNEYS AND VENTS

SECTION 812 - TYPES OF CHIMNEYS

812.1 FACTORY-BUILT CHIMNEYS. Factory-built chimneys shall be installed in accordance with the terms of their listing, the manufacturer's installation instructions and the applicable requirements of this code. Factory-built chimneys shall terminate as required for unlisted single-wall metal chimneys in Table 8-4.

Chimneys used with fireplaces or heating appliances in which solid or liquid fuel is used shall be maintained with a spark arrester as required for incinerators.

EXCEPTION: Factory built chimneys for residential-type appliances and fireplaces may terminate three (3) feet above the roof opening and two (2) feet above any point of the building within ten (10) feet.

ARTICLE 6 - AMENDMENTS TO THE CALIFORNIA PLUMBING CODE (CPC)

CHAPTER 1 - ADMINISTRATION

Section 101.15 GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

Sec. 102.2 POWERS AND DUTIES OF THE BUILDING OFFICIAL.

102.2.7 AUTHORITY TO ABATE. Any portion of a plumbing system found by the Administrative Authority to be insanitary as defined in this Code, is hereby declared to be a nuisance.
Where a nuisance exists or a plumbing system is maintained in violation of this Code or any notice issued pursuant to this Section, the Administrative Authority shall require the nuisance or violation to be abated. If such abatement is refused, the Administrative Authority shall have recourse to every remedy provided by law to secure abatement.

Sec. 102.3 VIOLATIONS AND PENALTIES

102.3.2 PENALTIES - See Article 2, Chapter 1, Section 103 in this ordinance.

Section 103.1 - PERMITS

103.1.2 EXEMPTED WORK. A plumbing permit will not be required for the following:

103.1.2.1 The stopping of leaks in drains, soil, waste or vent piping, provided that should any concealed trap, drainpipe, soil, waste or vent pipe become defective and it becomes necessary to remove and replace all or part thereof with new material, the same shall be considered as new work, and a permit shall be obtained and inspections made, as provided in this code.

103.1.2.2 The clearing of stoppages or the repair of leaks in pipes, valves or fixtures, nor for the removal and reinstallation of water closets, or the installation of new water closets on existing drainage connections, providing such repairs or reinstallation do not involve or require the replacement or rearrangement of valves or pipes. If it becomes necessary to remove and replace or rearrange valves, water piping, traps, drainpipe, soil, waste or vent pipes, the same shall be considered as new work, and a permit shall be obtained and inspections made as provided in the code.

103.1.2.3 EXEMPTIONS WITHIN SANITARY DISTRICTS. The provisions of this Code relating to building sewers as defined herein and to permits and fees therefor shall not apply within the boundaries of a sanitary district when the Building Official has determined that such district has adopted and is enforcing ordinances or regulations which are equal to or more restrictive than those contained in this Code.

CHAPTER 2 - DEFINITIONS

Section 202.0 - DEFINITIONS

SEEPAGE PIT. A seepage pit is a rock-filled excavation which receives the effluent from a septic tank and is so designed as to permit such effluent to seep through the bottom and sides of the pit into the surrounding soil.

CHAPTER 6 - WATER SUPPLY AND DISTRIBUTION

Sec. 601.0 RUNNING WATER REQUIRED

Section 601.1.2 REQUIREMENTS FOR WATER WELLS

(a) When the potable water supply for a structure is to be provided by a well, the well must pass the applicable pump and recovery test specified in the Ventura County Water Works Manual, as amended from time to time, for the purpose of demonstrating that the well is likely to remain an adequate source of potable water throughout the expected useful life of the structure.

EXCEPTIONS: A well shall not be required to pass the pump and recovery test if the structure to be served by it:

1. Is connected to a public water system or a state small water system as defined in Section 4010.1 of the Health and Safety Code; or
2. Overlies an aquifer that has been determined by the administrative authority to be adequate to meet all existing and projected demands made upon it for potable water without experiencing overdraft; or
3. Overlies an aquifer that may experience overdrafting but that has nonetheless been determined by the administrative authority, based upon a study and report prepared pursuant to the Ventura County Water works Manual, to be adequate to meet all existing and projected demands made upon it for potable water throughout the expected useful life of the structure.

(b) This section does not preclude the adoption and imposition of additional or more stringent well test requirements and standards in connection with subdivision approvals, conditional use permits, or other discretionary (as opposed to ministerial) permits.

CHAPTER 7 - SANITARY DRAINAGE

Sec. 701.0 MATERIALS OF DRAINAGE SYSTEMS.

701.1 Drainage piping shall be cast iron, galvanized steel, galvanized wrought iron, lead, copper, brass, schedule 40 ABS DWV, schedule 40 PVC DWV, extra strength vitrified clay pipe, or other approved materials having a smooth and uniform bore, except that:

701.1.1 No galvanized wrought iron or galvanized steel pipe shall be used underground and shall be kept at least six (6) inches (152.4mm) above ground.

701.1.2 ABS and PVC DWV piping installations shall be limited to residential construction, not more than two (2) stories in height.

701.1.3 No vitrified clay pipe or fittings shall be used above ground or where pressurized by a pump or ejector. They shall be kept at least twelve (12) inches (.3m) below ground.

Sec. 713.0 SEWER REQUIRED

713.4 CONVENTIONAL PRIVATE SEWAGE DISPOSAL SYSTEMS. When the applicant seeks to install a conventional private sewage disposal system, the public sewer may be considered as not being available when such public sewer, or any building or any exterior drainage facility connected thereto, is located more than two hundred (200) feet from any proposed building or exterior drainage facility on any lot or premises which abuts and is served by such public sewer.

713.4.1 ALTERNATE PRIVATE SEWAGE DISPOSAL SYSTEMS.

(a) When the applicant seeks to install an alternate private sewage disposal system and the public sewer or any building or any exterior drainage facility connected thereto is located more than two hundred (200) feet from any proposed building or exterior drainage facility on any lot or premises which abuts and is served by such public sewer, the public sewer may be considered as not being available when it has been adequately demonstrated to the satisfaction of the Administrative Authority that the total cost of connecting to the public sewer would be at least twice the total cost of the alternate private sewage disposal system.

(b) In all other cases when the applicant seeks to install an alternate private sewage disposal system, the public sewer may be considered as not being available when such public sewer or any building or any exterior drainage facility connected thereto is located more than one-half mile (2,640 feet) from any proposed building or exterior drainage facility on any lot or premises which abuts and is served by such public sewer.

713.7 For the purpose of administering those requirements of Chapter 7 and Appendix K of this Code, pertaining to the approval, permitting and inspection of private sewage disposal systems, the Administrative Authority shall mean the Environmental Health Officer. All other requirements of this Code shall be regulated and enforced by the Building Official.

Section 714.0 - DAMAGE TO PUBLIC SEWER OR PRIVATE SEWAGE DISPOSAL SYSTEM.

714.6 HOLDING TANKS. A holding tank for industrial/commercial waste shall be installed only when it is permitted by and is in conformance with standards and safeguards established by the Administrative Authority and the Health Officer to prevent anticipated surface or subsurface contamination or pollution, damage to the public sewer, or other hazardous or nuisance condition. (Holding tanks for all domestic or residential waste shall be prohibited.)

Section 721.0 - LOCATION

721.1 LOCATION OF SEWAGE DISPOSAL SYSTEMS. Except as provided in subsection 721.2 in the UPC, no building sewer or private sewage disposal system, or parts thereof, shall be located in any lot other than the lot which is the site of the building or structure served by such sewer or private sewage disposal system; nor shall any building sewer or private sewage disposal system or part thereof be located at any point having less than the minimum distances indicated in Table UPC Appendix K-1 in this ordinance. Table 7-7 and Table K-1 in the UPC are hereby deleted in their entirety.

APPENDIX CHAPTER K - PRIVATE SEWAGE DISPOSAL SYSTEM

Sec. K-1. PRIVATE SEWAGE DISPOSAL: GENERAL REQUIREMENTS. (a) Where permitted by Section 305.2 of the UPC, as adopted and amended by this Code, the building sewer may be connected to a private sewage disposal system complying with the provisions of this Code. The type of system shall be determined on the basis of information contained in the soil report concerning location, soil porosity, groundwater, depth of fractured rock or impervious formations, and hillside stability, and shall be designed to receive all sanitary sewage from the property. The system, except as otherwise provided, shall consist of a septic tank with effluent discharging into a subsurface disposal field, into one or more seepage pits, into a combination of subsurface disposal field and seepage pits, into a mound system or into a subsurface sand filtration system.

(d). SEWAGE DISPOSAL EXPANSION AREA. All private sewage disposal systems shall be so designed that additional seepage pits, subsurface drain fields, mound systems or subsurface sand filtration systems, equivalent to at least 100% of the required original system, may be installed if the original system cannot absorb all the sewage. No division of the lot or erection of structures on the lot shall be made if such division or structure impairs the usefulness of the 100% expansion area.

(f). PRIVATE SEWAGE DISPOSAL RESTRICTIONS. When there is insufficient lot area or improper soil or geological conditions for adequate and safe sewage disposal for the building or land use proposed, and the Administrative Authority so finds, no building permit shall be issued and no private sewage disposal shall be permitted. Where space or soil conditions are critical, no building permit shall be issued until engineering data and test reports satisfactory to the Administrative Authority have been submitted and approved. The Administrative Authority may grant exceptions to the requirements of the Code in case of practical difficulty or unnecessary hardship provided that the installation is equivalent to the standards established by this Code and is not inimical to the health, safety or welfare of the general public.

(i). APPROVAL OF ALTERNATE SYSTEMS. Alternate sewage disposal systems as defined in this Code may be installed only by special permission of the Administrative Authority which shall be given only if the Administrative Authority is satisfied that the systems will conform to the following requirements:

1. Treated or untreated effluent shall not be discharged onto the surface of the ground.

2. Wastewater shall be disposed of on the parcel where it is generated, except as provided for in Section 721.2 of the UPC.

3. The reliability of proposed designs for alternate private sewage disposal systems shall be well-documented.

4. The system shall be capable of easy maintenance.

5. Installation and repair shall not require the use of extraordinary materials, parts, or equipment.

6. The system shall require a minimum of mechanical components for its operation.

7. The system shall not be highly energy consumptive.

8. Operation of the system shall not create health hazards, water pollution, or nuisance conditions.

Sec. K-3. AREA OF DISPOSAL FIELDS AND SEEPAGE PITS. The minimum effective absorptive area of disposal fields in square feet of trench bottom, and of seepage pits in square feet of sidewall, shall be predicated on the required septic tank capacity in gallons. The required absorption area shall be as set forth in Table UPC Appendix K-6 in this ordinance for disposal fields, and as set forth in Table K-4 in the UPC for seepage pits. In addition, disposal fields and seepage pits shall conform to the following:

1. When disposal fields are installed, a minimum of one hundred fifty (150) square feet of trench bottom shall be provided for each system exclusive of any hardpan, rock, clay or other impervious formations. Sidewall area in excess of the required twelve (12) inches and not to exceed thirty-six (36) inches below the leach line may be added to the trench bottom area when computing absorption areas. Such increase shall be limited to 50% of the required absorption area.

2. Where leaching beds are permitted in lieu of trenches, the area of each such bed shall be at least 50% greater than the requirement for trenches. Perimeter sidewall area in excess of the required twelve (12) inches and not to exceed thirty-six (36) inches below the leach line may be added to the trench bottom area when computing absorption area.

3. The minimum effective absorption area in any seepage pit shall be calculated as the excavated sidewall area below the inlet exclusive of any hardpan, rock, clay, or other impervious formation. The minimum required area of porous formation shall be provided in one or more seepage pits.

4. No excavation for a leach line or leaching bed shall extend with five (5) feet of the water table nor to a depth where sewage may contaminate an underground water stratum which may be usable for domestic purposes. The applicant shall supply satisfactory evidence of groundwater depth when required by the Administrative Authority.

5. Plastic leaching chambers shall be sized on bottom absorption area (nominal unit width) in square feet. The required area shall be calculated using Table K-6 in this code with a 0.70 multiplier.

Sec. K-4. PERCOLATION TESTS. (a) Disposal fields and seepage pits shall be sized in accordance with the percolation tests or analyses required by subsection (b) of this Section.
(b) In order to determine the absorption qualities of soils, the proposed site shall be subjected to percolation tests and/or hydrometer analyses performed under the supervision of a California-registered environmental health specialist, civil engineer, geologist or engineering geologist. Such tests or analyses shall be performed in accordance with standards established by the Administrative Authority.
(c) Each test shall be made with clear water in an excavation which has been thoroughly soaked prior to the test.
(d) No subsurface disposal field shall be permitted to serve a building if percolation test rates are greater than sixty (60) minutes per inch.
(e) No seepage pit shall be permitted to serve a building if the absorption capacity of the soil surrounding the pit is less than 0.83 gal./sq.ft./day.
(f) Test data shall be submitted on a form provided for that purpose and shall include such information as may reasonably be required by the Administrative Authority to determine the correctness and adequacy of the proposed disposal system.

Sec. K-7. SEEPAGE PITS. (a) The capacity of seepage pits shall be based on the quantity of liquid waste discharging thereunto, and on the character and porosity of the surrounding soil as determined by such tests as may be required and shall comply with Sec. UPC Appendix K-3 in this ordinance.

(b) Seepage pits may be used where conditions are unsatisfactory for the installation of leach lines or beds. In no case shall seepage pits extend more than sixty (60) feet below the surface of the ground.
(c) Multiple seepage pit installations shall be connected through an approved distribution box or diversion valve and watertight piping laid on undisturbed or compacted soil.
(d) Each seepage pit shall be circular in shape and shall have an excavated diameter of not less than four (4) feet. Seepage pits shall be filled with clean rock 3/4 inches to 2½ inches in diameter, free from fines, except when otherwise approved by the Administrative Authority. Effluent shall be conducted to the bottom of the excavation by means of approved perforated pipe extending to the entire depth of the pit. Approval shall be obtained prior to construction for any pit having an excavation diameter greater than six (6) feet.
(e) Where groundwater is encountered, the bottom of the pit shall be backfilled with clean coarse sand at least ten (10) feet above the ground water encountered.
(f) Each seepage pit shall have a minimum sidewall of ten (10) feet below the inlet.
(g) Connections between a septic tank and seepage pits shall be made with approved watertight pipe. Such pipe shall be laid on natural ground or compacted fill.
(h) Rock fill in seepage pits shall be covered with asphalt-treated building paper, and backfilled with a minimum of eighteen (18) inches of earth.
(i) Subsection (i) of Appendix Section K7 in the UPC is hereby deleted in its entirety.

Sec. K-9. SUBSURFACE DISPOSAL OF INDUSTRIAL WASTE. The discharge of industrial waste into a soil absorption system shall be prohibited unless specifically approved by the Administrative Authority.
Subsections (a) through (g) of Appendix Sec. K9 in the UPC and the Recommended Design criteria for commercial/industrial waste disposal are hereby deleted in their entirety.

Sec. K-13. ALTERNATE PRIVATE SEWAGE DISPOSAL SYSTEMS.
(a) DEFINITION. Alternate private sewage disposal systems are specially-designed, engineered, and approved private sewage disposal systems suitable for use in localities where the Administrative Authority has determined that the presence of shallow groundwater, rock, or adverse soil, geologic, or hydrologic conditions makes the use of conventional sewage disposal systems potentially hazardous to public health. Alternate private sewage disposal systems shall be limited to "mound" systems and "subsurface sand filtration" systems as regulated herein.

(b) GENERAL REQUIREMENTS. Designs for alternate private sewage disposal systems may be accepted for review by the Administrative Authority when it has been adequately demonstrated that the character of the soil, geology, or hydrology of the site is such that a conventional private sewage disposal system will not function in accordance with recognized health and sanitation standards. Such systems shall be designed by a California-registered civil engineer or a California-registered geologist, who shall submit written verification upon completion of an alternate private sewage disposal system that the installation is in conformance with the approved design.

Properties served by alternate private sewage disposal systems shall be located within an approved on-site wastewater management district or equivalent governmental agency capable of providing necessary maintenance and repair services for private sewage disposal systems within its boundaries. Such systems shall conform with all applicable rules and regulations adopted by said district or agency.

The design and construction of alternate private sewage disposal systems shall comply with the requirements of this Section and with other appropriate criteria established by the Administrative Authority.

Component parts of alternate private sewage disposal systems shall comply with the applicable setback requirements in Table UPC Appendix K-1 of this Code. The construction and capacity of septic tanks installed as components of alternate systems shall comply with Section K5 and Table K-2 in the UPC.

Leach lines, leaching beds, and seepage pits which are components of alternate systems shall comply with the applicable requirements of this Code. No portion of a distribution bed or related filter material which is a component of a mound or subsurface sand filtration system shall be installed under a walkway, parking area, driveway, or similar paved surface.

The sizing of mound or subsurface sand filtration systems shall be based upon the average percolation rate of the natural soil at the location and depth of the proposed system, and the number of bedrooms or plumbing fixture units, in accordance with this Code and other applicable standards for sizing conventional leachlines, leaching beds and seepage pits. No alternate private sewage disposal system shall be permitted where the percolation rate exceeds sixty (60) minutes per inch.

(c) MOUND SYSTEMS. A mound system is an alternate private sewage disposal system which utilizes pressurized piping to deliver effluent from a septic tank into an above-ground gravel distribution bed, from which the effluent percolates and is filtered through mounded sand fill into natural soil. Typical components of such systems include a septic tank, lift pump and wet well, pressurized effluent piping, a sand fill mound, a distribution bed composed of gravel filter material and perforated distribution piping, a cover of topsoil over the top and sloped sides of the mound.

The lift pump and wet well shall be designed to handle peak flow from the septic tank. In no case shall pump capacity be less than twenty (20) gallons per minute not shall the pump motor be rated at less than one-half horsepower. The pump shall be approved for use in a sewage environment. The liquid holding capacity of the wet well shall be at least 300 gallons for one or two-bedroom dwelling units. An additional 100 gallons capacity shall be provided for each bedroom in excess of two. Equivalent capacity shall be provided for occupancies other than dwellings based on fixture unit calculations as set forth in this Code.

The wet well shall be fitted with automatic high and low level pump controls. Operation of the lift pump shall not cause surges in the liquid level within the tank. An alarm device shall be installed which will provide audio and visual warning signals to occupants of the property in advance of any overflow from the wet well.

Mounds shall not be installed on a slope greater than 12%. The base of the mound shall be located at least two (2) feet above the highest known seasonal groundwater elevation at the site and two (2) feet above fractured bedrock, if any. Fill material comprising the mound shall be clean sand having a uniform grain size distribution within the acceptable range indicated on Table UPC Appendix K-7 of this Code. Conformance with this grain size standard shall be determined by sieve analysis performed on representative samples taken prior to placement of the fill material onto the mound. The slope of the sides of the mound shall be not steeper than 3 horizontal to 1 vertical.

Distribution beds shall be level and shall be located a minimum of five (5) feet above the highest known seasonal groundwater elevation at the site. Filter material comprising the bed shall be clean gravel varying in size from .75 inch to 2.5 inches. The total thickness of the bed shall be sufficient to provide a minimum of twelve (12) inches of filter material below, and at least two (2) inches of such material above all distribution piping within the bed. Distribution piping shall uniformly distribute effluent over the entire area of the bed. Distribution beds shall be of sufficient size to limit the application rate for effluent to not more than 1.5 gallons per square foot per day.

After filter material has been placed over the piping, the distribution bed shall be covered with untreated building paper, straw, or similar porous material to prevent closure of voids when earth covering is added. Topsoil shall be placed to a depth of at least twelve (12) inches over the top of the distribution bed, and shall be placed on the sloping sides of the mound to a thickness of at least six (6) inches.

(d) SUBSURFACE SAND FILTRATION SYSTEMS. A subsurface sand filtration system is an alternate private sewage disposal system which utilizes gravity to deliver effluent from a septic tank to a subsurface gravel distribution bed, from which the effluent is filtered through a bed of sand to reduce organic matter and pathogenic organisms, and thence percolates into natural soil. Typical components of such systems include a septic tank, effluent piping, a subsurface distribution bed composed of gravel filter material and perforated distribution piping, a sand filtration bed, and a leaching bed, leach lines, or seepage pits.

Distribution beds shall be designed and constructed in a manner similar to that set forth for mound systems in subsection (c) above, using approved, perforated gravity-flow piping in lieu of pressurized piping. Sand filtration beds shall extend not less than five (5) feet vertically below and five (5) feet horizontally from the edges of any distribution bed. Filtration material shall be clean sand having a uniform grain size distribution within the acceptable range indicated on Table UPC Appendix K-7 of this Code. Conformance with this grain size standard shall be determined by sieve analysis performed on representative samples taken prior to placement of the filtration material into the filter bed excavation.

Section K-14 NON-HAZARDOUS LIQUID WASTE TRANSFER FACILITIES

Definition: A Non-Hazardous Liquid Waste Transfer Facility is a temporary holding facility for non-hazardous liquid waste from recreational vehicle holding tanks and portable toilets. A Non-Hazardous Liquid Waste Transfer Facility consists of a holding tank, liquid waste loading area with washdown equipment, associated piping, and holding tank liquid level alarm system.

1. Holding tank construction shall be consistent with UPC section K5, with the exception that baffles are not required and only one access port is required.

2. All piping, including but not limited to materials, cleanouts, and venting, shall be consistent with UPC sections 715.0 through 720.0, inclusive.

3. Minimum setbacks for holding tanks shall be as follows:

Streams and Watercourses	50 feet
Wells	50 feet
Groundwater	5 feet
Structures	5 feet
Property Line	5 feet
On-Site Domestic Water Line	5 feet
Public Water Main	10 feet

4. Minimum holding tank capacity shall be not less than three times the anticipated daily loading to the holding tank and in no case shall be less than 1,000 gallons.

5. An alarm system constructed of durable, corrosion-resistant material shall be installed on each holding tank. This alarm shall give a conspicuous audio and visual indication whenever the tank becomes two-thirds full.

6. The liquid waste loading area shall consist of an impermeable, easily cleanable area designed and constructed in a manner which prevents the formation of insanitary conditions. A ¾ inch water hose connection shall be installed at the liquid waste loading area to allow connection of a hose for area washdown following holding tank pumping. An approved backflow prevention assembly shall be installed in the water service line to the hose connection. Provisions shall be made to store the washdown hose off the ground. A warning sign shall be posted at the water hose connection reading: DANGER - UNSAFE WATER.

7. Holding tanks shall be pumped by a licensed pumper as needed. Quarterly reports of holding tank pumping shall be submitted to the Ventura County Environmental Health Division by March 30, June 30, September 30, and December 31 of each year.

8. Offer to grant an easement to County Service Area 32 is required. A contractual maintenance agreement with a public utility may also be required.

Section K-15 CLUSTERED SYSTEMS

(a) DEFINITION. Clustered systems are comprised of three or more private sewage disposal systems with soil absorption components located in a common area on a single legal lot.

(b) GENERAL REQUIREMENTS. All components of clustered systems shall comply with all applicable requirements of this Code pertaining to private sewage disposal systems and the following additional requirements:

1. The primary (installed) soil absorption components of the clustered system shall provide 200% of the minimum area calculated for each structure connected to the clustered system pursuant to Section K-3 of this Code.

2. Land area providing for complete replacement of the primary soil absorption components of the clustered system shall be set aside for future expansion, and shall conform with Table UPC Appendix K-1 of this Code.

3. a. For residential structures, each private sewage disposal system comprising the clustered system shall be connected to not more than one dwelling unit within a structure.

b. For non-residential structures, each private sewage disposal system comprising a clustered system shall be connected to one or more structures with a combined daily wastewater discharge not to exceed 1,500 gallons.

4. The soil absorption component of each private sewage disposal system within the clustered system shall be located at least sixteen horizontal feet from the soil absorption component of any other private sewage disposal system within the same clustered system.

5. When a clustered system is (or can become) located on land jointly owned by more than one owner of the structures served (e.g., condominium projects), an easement and agreement approved by the Environmental Health Division providing for access to inspect, maintain, and repair/replace the clustered system shall be recorded in the Office of the County Recorder.

6. A monitoring well, constructed and maintained in conformance with procedures adopted by the Administrative Authority, shall be provided in an approved location.

7. All distribution boxes within the clustered system shall be fitted with risers extending to finish grade elevation.

8. The applicant for each clustered system shall provide a signed statement from a California-Certified Engineering Geologist, certifying the following:

a. The proposed clustered system site is free against the potential hazard from landslide, excessive settlement and slippage.

b. Incorporation of geotechnical and geologic recommendations in concert with safe construction practices is anticipated to result in a site which is considered geotechnically and geologically suitable for the intended use and will not adversely affect adjoining properties.

TABLE UPC APPENDIX K-1
(Superscript numbers refer to footnotes (1) through (8) on next page

LOCATION OF SEWAGE DISPOSAL SYSTEMS

Minimum Horizontal Distance in Feet From:	Building Sewer	Septic Tank	Disposal Field	Seepage Pit	Subsurface Sand Filtration System	Mound System
Building or Structures[1]	2	5	8	8	8	20[7]
Property line adjoining private property	Clear[2]	5	5	8	8	10
Water supply well on suction line	50[3]	50	100	150	100[8]	100
Streams, lakes, tidal waters or ocean waters	50	50	50	100	100	100
Large Trees	--	10	--	10	10	--
Seepage pits or cesspools	--	5	5	12	--	--
Disposal Field	--	5	4[4]	5	--	--
On site domestic water service line	1[5]	5	5	5	5	5
Distribution Box	--	--	5	5	--	--
Pressure public water main	10[6]	10	10	10	10	10

NOTE: When disposal fields or seepage pits are installed in sloping ground, the minimum horizontal distance between any part of the leaching system and ground surface shall be fifteen (15) feet.

When facilities are located near tidal or ocean waters, the horizontal distance shall be measured from the historically most landward location of the beach at the mean high tide elevation. Structures or facilities shall be constructed in accordance with Federal, State and local laws to prevent erosion of the beaches and movement of the mean high tide closer than the horizontal distances specified above.

FOOTNOTES TO TABLE UPC APPENDIX K-1

(1) Including porches and steps, whether covered or uncovered, breezeways, roofed port-cocheres, roofed patios, carports, covered walks, covered driveways and similar appurtenances.

(2) See Section 313.3 of the UPC.

(3) The distance may be reduced to not less than twenty-five (25) feet when approved metallic piping is installed. Where special hazards are involved, the distance required shall be increased as may be directed by the County Health Officer or the Administrative Authority.

(4) Plus two (2) feet for each additional foot of depth in excess of one (1) foot below the bottom of the drain line (see Sec. K6(i) of the UPC).

(5) See Sec. 720.0 of the UPC.

(6) For parallel construction. For crossings, approval by the Administrative Authority is required.

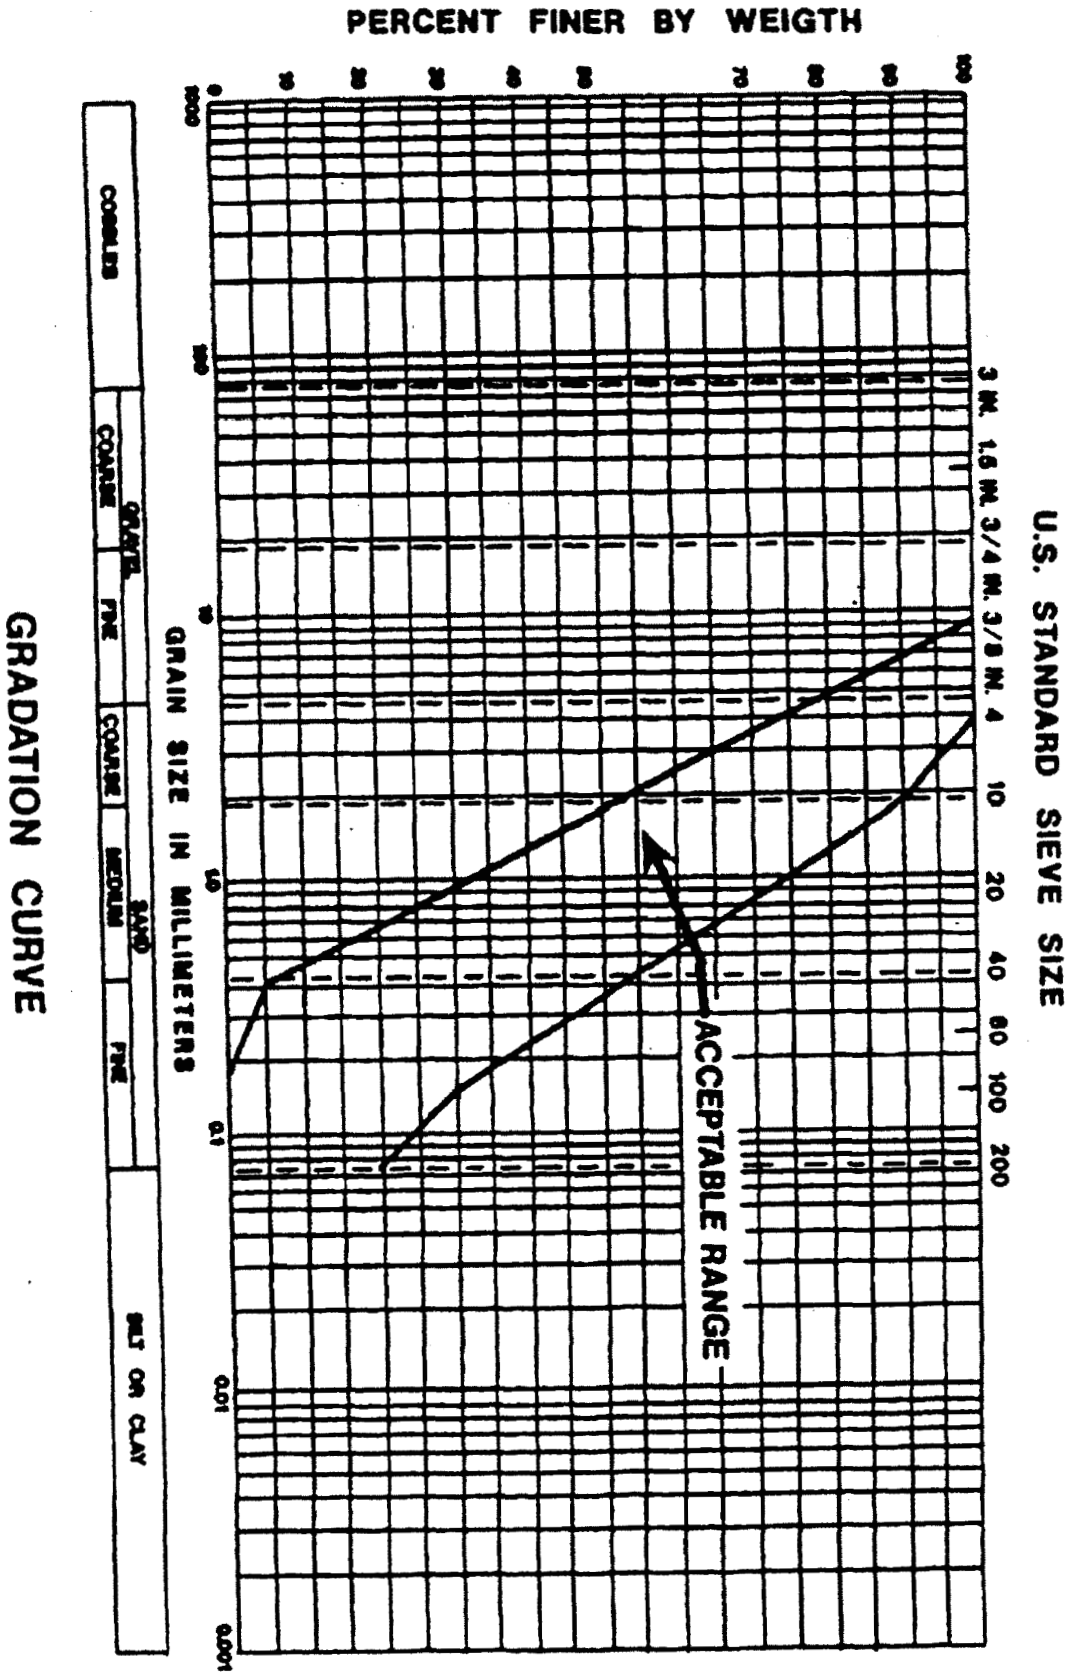
(7) This distance shall be increased to 30 feet when the system is located upslope of the structure.

(8) This distance shall be increased to 150 feet when seepage pits are used as a component of the system.

TABLE UPC APPENDIX K-6
(Letters in parenthesis refer to footnotes below)

ABSORPTION AREA REQUIREMENTS

Percolation Rate (Time in minutes required for water to fall one inch)	Required Absorption Area (Sq. ft. per bedroom using standard leach lines. See notes (a) through (e) below.
1 or less	75
2	85
3	100
4	115
5	125
10	165
15	190
30	250
45	300
60	330
over 60 (e)	---



(a) Sufficient usable land area must be available to provide 100% expansion of required absorption area when/if necessary. See Sec. UPC APPENDIX K-1(d) in this Code.

(b) Absorption area should be sufficient to accommodate increased future use stemming from the addition of bedrooms or conversion of unfinished spaces to bedroom use, whenever such changes can be reasonably be anticipated.

(c) The absorption area for leach lines and leaching beds is calculated as trench bottom area only except as provide in Sec. UPC APPENDIX K-3 in this ordinance. Minimum required area for leaching trenches is 150 sq. ft.

(d) The above table allows for the connection of domestic food waste units and automatic clothes washing machines without further increase in absorption area.

(e) Soil having a percolation rate over 60 min/inch is unsuitable for installation of an absorption system.

GRADATION CURVE

TABLE UPC APPENDIX K-7

419-1.02

ARTICLE 7 - AMENDMENTS TO THE UNIFORM HOUSING CODE (UHC)

CHAPTER 1 - TITLE AND SCOPE

Section 104 - APPLICATION TO EXISTING BUILDINGS AND STRUCTURES.

104.2. RELOCATION. Buildings or structures moved into or within the County shall comply with the provisions of Article 2, Chapter 40 in this ordinance.

Section 105 - GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

CHAPTER 2 - ENFORCEMENT

Sec. 203. APPEALS BOARD.

203.1 - GENERAL The Housing Advisory and Appeals Board, for the purposes of this housing code, shall be the General Board of Appeals as set forth in Article 2, Chapter 1, Section 105 in this ordinance. Appeals to the Board shall be processed in accordance with the provisions contained in Section 1201 in the UHC.

Sec. 204. VIOLATIONS AND PENALTIES. See Article 2, Chapter 1, Section 103 in this ordinance.

CHAPTER 3 - PERMITS AND INSPECTIONS

Sec. 302 FEES. Refer to Article 2, Chapter 1, Section 107 in this ordinance.

CHAPTER 12 - APPEAL

Section 1201 - GENERAL

1201.2. PROCESSING OF APPEAL. Upon receipt of any appeal filed pursuant to Section 1201 in the UHC, the Building Official shall present it at the next regular or special meeting of the Board of Appeals.
The Building Official may, under the applicable procedures set forth in this Code, request and initiate a hearing before the Board of Appeals on any matter related to a substandard building or the premises on which it is located.

CHAPTER 14 - ENFORCEMENT OF THE ORDER OF THE BUILDING OFFICIAL OR THE BOARD OF APPEALS

Section 1401 - COMPLIANCE

1401.1. GENERAL. After any order of the Building Official or a Board of Appeals made pursuant to this Code shall have become final, no person to whom any such order is directed shall fail, neglect, or refuse to obey any such order. Any such person who fails to comply with any such order shall be guilty of a misdemeanor or infraction.

ARTICLE 8 - AMENDMENTS TO THE UNIFORM CODE FOR THE ABATEMENT OF DANGEROUS BUILDINGS (DBC)

CHAPTER 1 - TITLE AND SCOPE

Sec. 104 - GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

CHAPTER 2 - ENFORCEMENT

Sec. 203. VIOLATIONS AND PENALTIES. See Article 2, Chapter 1, Section 103 in this ordinance.

Sec. 205. APPEALS BOARD. The appeals Board for the purposes of the Dangerous Buildings Code shall be the General Board of Appeals as set forth in Article 2 in this ordinance. Appeals to the Board shall be processed in accordance with the provisions contained in Section 501 in the DBC.

CHAPTER 5 - APPEAL

Section 501 - GENERAL

501.2 PROCESSING OF APPEAL. Upon receipt of any appeal filed pursuant to Section 501 in the DBC, the Building Official shall present it at the next regular or special meeting of the Board of Appeals. The Building Official may, under the applicable procedures set forth in this Code, request and initiate a hearing before the Board of Appeals on any matter related to a dangerous building or the premises on which it is located.

CHAPTER 7 - ENFORCEMENT OF THE ORDER OF THE BUILDING OFFICIAL OR THE BOARD OF APPEALS

Section 701 - COMPLIANCE

701.1 GENERAL. After any order of the Building Official or a board of appeals made pursuant to this Code shall have become final, no person to whom any such order is directed shall fail, neglect or refuse to obey any such order. Any such person who fails to comply with any such order shall be guilty of a misdemeanor/infraction.

ARTICLE 9 - AMENDMENTS TO APPENDIX CHAPTER 1 OF THE CALIFORNIA CONSERVATION CODE (CCC)

APPENDIX CHAPTER 1 - SEISMIC STRENGTHENING PROVISIONS FOR UNREINFORCED MASONRY BEARING WALL BUILDINGS

Section A100 - GENERAL

A100.1 PURPOSE. The purpose of this Chapter is to promote public safety and welfare by reducing the risk of death or injury that may result from the effects of earthquakes on existing unreinforced masonry bearing wall buildings.

The provisions of this Chapter are intended as minimum standards for structural seismic resistance established primarily to reduce the risk of life loss or injury. Compliance with these standards will not necessarily prevent loss of life or injury or prevent earthquake damage to rehabilitated buildings.

A100.2 SCOPE. The provisions of this Chapter shall apply to all existing buildings in Seismic Zones 3 and 4 which were constructed or under construction, or for which a building permit was issued, prior to May 10, 1962, having at least one unreinforced masonry wall. Except as provided herein, all other provisions of the Uniform Building Code shall apply.

EXCEPTIONS: This code shall not apply to:

1. Detached one or two story family dwellings, detached apartment houses containing less than 5 dwelling units and used solely for residential purposes, and hotels/motels containing less than 5 guest rooms.

2. Essential Facilities as defined in Table 16K of the Uniform Building Code.

3. Hazardous Facilities as defined in Table 16K of the Uniform Building Code.

This does not require alteration of existing electrical, plumbing, mechanical or fire safety systems.

A100.3 GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

A100.4 COUNTY ORDINANCE HISTORY. This article together with Article 1, Chapter 8 is a restatement of Ventura County Ordinance No. 3948 which it hereby supersedes. The section numbering has been revised to be consistent with the current numbering sequence found in the U.C.B.C.

Section A101 ADMINISTRATIVE PROVISIONS

A101.1 DEFINITIONS. For the purposes of this Division, the applicable definitions in the Uniform Building Code shall also apply.

HIGH RISK BUILDING is any building, other than an essential or hazardous building, having an occupant load of 100 occupants or more as determined by Section 1002.1 and Table 10-A of the Uniform Building Code.

EXCEPTIONS: A high risk building shall not include the following:

1. Any building having exterior walls braced with masonry crosswalls or woodframe crosswalls spaced less than 40 feet apart in each story. Crosswalls shall be full-story height with a minimum height of 1-1/2 times the story height.

2. Any building used for its intended purpose, as determined by the Building Official for less than 20 hours per week.

LOW RISK BUILDING is any building, other than an essential or hazardous building, having an occupant load of less than 20 occupants as determined by Section 1002.1, Table 10-A, of the Uniform Building Code.

MEDIUM RISK BUILDING is any building, not classified as a high-risk building or an essential or hazardous building, having an occupant load of 20 occupants or more as determined by Section 1002.1, Table 10-A of the Uniform Building Code.

A101.2 **Rating Classifications.** The rating classifications identified in Table A-9-A are hereby established and each building within the scope of this Division shall be placed in one such rating classification by the Building Official. The total occupant load of the entire building as determined by Section 1002.1, Table 10-A of the Uniform Building Code shall be used to determine the rating classification.

EXCEPTION: For purposes of this Division, portions of buildings constructed to act independently when resisting seismic forces may be placed in separate rating classifications.

A101.3 **Compliance Requirements.** 1. The owner of each building within the scope of this Division shall, upon service of an order and within the time limits set forth in this Division, cause a structural analysis to be made of the building by an engineer or architect licensed by the state to practice as such and, if the building does not comply with earthquake standards specified in this Division, the owner shall cause it to be structurally altered to conform to such standards or shall cause the building to be demolished.

2. The owner of a building within scope of this Division shall comply with the requirements set forth above by submitting to the Building Official for review within the stated time limits:

A. Within 270 days after service of the order, a structural analysis, which is subject to approval by the Building Official, and which shall demonstrate that the building meets the minimum requirements of this Division; or

B. Within 270 days after service of the order, the structural analysis and plans for structural alterations of the building to comply with this Division; or

C. Within 120 days after service of the order, plans for installation of wall anchors in accordance with the requirements specified in Section A113 of the UCBC; or

D. Within 270 days after service of the order, plans for the demolition of the building.

3. After plans are submitted and approved by the Building Official, the owner shall obtain a building permit and then commence and complete the required construction or demolition within the time limits set forth in Table No. A-9-B. These time limits shall begin to run from the date the order is served in accordance with Section A101.4.2, except that the time limit to commence structural alteration or demolition shall begin to run from the date the building permit is issued.

4. Owners electing to comply with A101.3 of this subsection are also required to comply with Items A101.2 or A101.4 of this subsection provided, however, that the 270-day period provided for in Items A101.2 or A101.4 and the time limits for obtaining a building permit and to complete structural alterations or building demolition set forth in Table A-9-B shall be extended in accordance with Table No. A-9-C. Each such extended time limit shall begin to run from the date the order is served in accordance with Section A101.4 except that the time limit to commence structural alterations or demolition shall begin to run from the date the building permit is issued.

A101.4 **Administration.**

A101.4.1 Order - Service. A. The Building Official shall, in accordance with the priorities set forth in Table No. A-9-C, issue an order as provided in this section of other owner of each buildings within the scope of this Division.

B. Prior to the service of an order as set forth in Table No. A-9-C, a bulletin may be issued to the owner as shown upon the last equalized assessment roll or to the person in apparent charge or control of a building considered by the Building Official to be within the scope of this Division. The bulletin may contain information the Building Official deems appropriate. The bulletin may be issued by mail or in person.

A101.4.2 Order - Priority of Service. Priorities for the service of the order for buildings within the scope of this Division shall be in accordance with the rating classification as shown on Table No. A-9-C. Within each separate rating classification, the priority of the order shall normally be based upon the occupant load of the building. The owners of the buildings housing the largest occupant loads shall be served first. The minimum time period prior to the service of the order as shown on Table No. A-9-C shall be measured from the effective date of this Division. The Building Official may, upon receipt of a written request from the owner, order such owner to bring his building into compliance with this Division prior to the normal service date for such building set forth in this Division.

A101.4.3 Order - Contents. The order shall be in writing and shall be served either personally or by certified or registered mail upon the owner as shown on the last equalized assessment roll, and upon the person, if any, in apparent charge or control of the building. The order shall specify that the building has been determined by the Building Official to be within the scope of this Division and, therefore, is required to meet the minimum seismic standards of this Division. The order shall specify the rating classification of the building and shall be accompanied by a copy of Section A101.3, which sets forth the owner's alternatives and time limits for compliance.

A101.4.4 Appeal from Order. The owner of the building may appeal the Building Official's initial determination that the building is within the scope of this Division to the Board of Appeals established by Section 105 of the Ventura County Building Code. Such appeal shall be filed with the Board within 60 days from the service date of the order described in Section A101.4 Any such appeal shall be decided by the Board no later than 90 days after writing and the grounds thereof shall be stated clearly and concisely. Requests for modifications from any other determinations, orders or actions by the Building Official pursuant to this Division shall be made in accordance with the procedures established in Sections 104.2.7 and 104.2.8 of the Uniform Building Code.

A101.4.5 Recordation. At the time that the Building Official serves the aforementioned order, the Building Official shall also file with the Office of the County Recorder a certificate stating that the subject building is within the scope of this Division and is a potentially earthquake hazardous building. The certificate shall also state that the owner thereof has been ordered to structurally analyze the building and to structurally alter or demolish it where compliance with this Division has not been demonstrated.

If the building is either demolished, found not to be within the scope of this Division or is structurally capable of resisting minimum seismic forces required by this Division as a result of structural alterations or an analysis, the Building Official shall file with the Office of the County Recorder a form terminating the status of the subject building as being classified within the scope of this Division.

A101.4.6 Enforcement. If the owner or other person in charge or control of the subject building fails to comply with any order issued by the Building Official pursuant to this Division within any of the time limits set forth in Section A101.3, the Building Official shall verify that the owner of record of this building has been properly served. If the order has been served on the owner of record, then the Building Official shall order that the entire building be vacated and that the building remain vacated until such order has been complied with. If compliance with such order has not been accomplished within 90 days after the date the building has been ordered vacated or such additional time as may have been granted by the Board of Appeals, the Building Official may order its demolition in accordance with the provisions of Section 102 of the Uniform Building Code.

Section A102 GENERAL REQUIREMENTS

A102.1 **GENERAL.** All buildings shall have a seismic resisting system conforming with Section 1603.3 of the Uniform Building Code, except as modified by this Division.

A102.2 **Alterations and Repairs.** Alterations and repairs required to meet the provisions of this Division shall comply with all other applicable requirements of the Uniform Building Code unless specifically provided for in this Division.

(c) A102.3 **Requirements for Plans.** The following construction information shall be included in the plans required by this Division.

1. Accurately dimensioned floor and roof plans showing existing walls and the size and spacing of floor and roof framing members and sheathing material. The plans shall indicate all existing and new crosswalls and their materials of construction. The location of the crosswalls and their openings shall be fully dimensioned and drawn to scale on the plans.

2. Accurately dimensioned wall elevations showing openings, piers, wall classes as defined in Section A106.3, thicknesses, and heights, wall shear test locations, cracks or damaged portions requiring repairs, the general condition of the mortar joints, and if and where the joints require pointing. Where the exterior face is veneer, the type of veneer, its thickness and its bonding and/or ties to the structural wall masonry shall also be reported.

3. The type of interior wall and ceiling surfaces.

4. The extent and type of existing wall anchorage to floors and roof when utilized in the design.

5. The extent and type of parapet corrections which were previously perform, if any.

6. Repair details, if any, of cracked or damaged unreinforced masonry walls required to resist forces specified in this Division.

7. All other plans, sections, and details necessary to delineate required retrofit construction including those items in Section A113.

TABLE NO. A-9-A RATING CLASSIFICATIONS	
TYPE OF BUILDING	CLASSIFICATION
Essential Building	I
Hazardous Building	I
High-Risk Building	II
Medium-Risk Building	III
Low-Risk Building	IV

TABLE NO. A-9-B TIME LIMITS FOR COMPLIANCE			
Required Action by Owner	Obtain Building Permit Within	Commence Construction Within	Complete Construction Within
Structural Alteration or Building Demolition	1 year[1]	180 days[2]	3 years[2]
Wall Anchors	180 days[1]	270 days[2]	1 year[2]

[1]Measured from date of service of order.

[2]Measured from date of building permit issuance.

TABLE A-9-C EXTENSIONS OF TIME AND SERVICE PRIORITIES			
Rating Classification	Occupant Load	Extension of Time if Wall Anchors are Installed	Periods for Service of Order
I (Highest Priority)	N/A	N/A	N/A
II	100 or more	1 year	180 days
III-A	100 or more	1 year	1 year
III-B	More than 50 but Less than 100	1 year	2 years
III-C	More than 19 but Less than 51	1 year	3 years
IV (Lowest Priority)	Less than 20	1 year	4 years

ADOPTED this 5th day of November, 2002 by the following vote:

AYES: Supervisors Bennett, Schultz, Long, Mikels + Flynn

NOES: None

ABSENT: None

Re: Your Review and Comments on the 2001 Ventura County Building Code

I have prepared the draft of the 2001 edition of the Ventura County Building Code (V.C.B.C.) and would like you or your organization to review it. Please forward your comments to me. The new draft contains some new amendments to the previously adopted 1998 edition of the VCBC, although the number of amendments is small. I have included a copy of the draft for your review and comments.

In general, the Ventura County amendments have been minimized to follow the State adopted code language more closely. Many of the amendments from prior editions have simply been carried forward with no changes. Overall, the number of changes in this edition is very small compared to years past. One of the reasons for this is that the 1997 Uniform Building Code is being re-adopted by the State. Therefore, there is no change in the building code this time. Consequently, the same amendments still apply.

Most of the administrative amendments deal with local County issues such as the County organization and the division of responsibilities between the Building and Safety Division (for most of the code), the Public Works Agency for grading and flood control requirements, and the Environmental Health Division for housing issues and private sewage disposal systems.

For technical matters, changes have been made to address local seismicity issues, a lessening of permit requirements for agricultural buildings and other structures, and refinements in the requirements for swimming pools.

I am planning to present the ordinance to the Board of Supervisors for adoption soon. I would, therefore, appreciate your written comments as soon as is convenient for you. That will allow me time to analyze and incorporate your comments, if needed.

RESOLUTION NO. 206

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA ADOPTING EXPRESS FINDINGS REGARDING MODIFICATION OF UNIFORM CODES WHICH REGULATE BUILDINGS SUBJECT TO THE STATE HOUSING LAW

WHEREAS, pursuant to Health and Safety Code Sections 17958.5 and 17958.7, a County may make such modifications in the requirements of the regulations adopted pursuant to Health and Safety Code Section 17922 as it determines to be reasonably necessary because of local conditions if it makes express findings that such modifications are needed and if such findings, together with the modifications, are made public records on file with the Division of Building and Safety, and filed with the California Building Standards Commission pursuant to Health and Safety Section 17958.7; and

WHEREAS, pursuant to the decision in the case of Baum Electric Co. v. City of Huntington Beach (1973), 33 Cal. App. 3rd 573, a County may make such modifications in the requirements of the regulations adopted pursuant to Health and Safety Code Section 17922 as it deems to be reasonably necessary in order to safeguard life and property if it makes express findings that such modifications are needed and if such findings, together with the modifications, are made public records on file with the Division of Building and Safety;

NOW, THEREFORE, BE IT RESOLVED that it is reasonably necessary because of local conditions to modify certain sections of the uniform codes as shown in the attached "Analysis of Revisions and Statement of Findings for the 2001 Ventura County Building Code."

Upon motion of Supervisor Schultz, seconded by Supervisor Mikels, and duly carried, the foregoing resolution was approved on October 8, 2002.

Analysis of Revisions and Statement of Findings for the 2001 Ventura County Building Code

The following analysis discusses the changes included in the Ventura County Building Code as proposed by the Resource Management Agency, Division of Building and Safety.

In the legislative edition of the Ventura County Building Code, newly added words or phrases are shown as underlined. Words or phrases deleted are shown as being stricken out.

This analysis will provide a concise report for the purpose of facilitating the adoption of the proposed code revisions.

This revision adopts the most current editions of the State adopted codes and other "model" codes as follows:

California Building Code - 2001 Edition
California Electric Code - 2001 Edition
California Mechanical Code - 2001 Edition
California Plumbing Code - 2001 Edition
Uniform Housing Code - 1997 Edition
Uniform Code for the Abatement of Dangerous Buildings - 1997 Edition
Appendix Chapter 1 of the California Conservation Code - 2001 Edition

Amendments discussed below are those that have been made since the last adoption of the VCBC. Former amendments that are merely carried forward without change are not addressed as new changes in this analysis.

The amendments to the above-adopted codes are as follows:

REVISIONS THROUGHOUT THE VENTURA COUNTY BUILDING CODE (VCBC):

All references to code editions have been updated to refer to the latest editions of the State adopted codes and the other adopted model codes.

Section numbers have been changed where they have either changed themselves in the adopted codes or were required to be changed because of other changes in the adopted codes.

Titles of chapters or sections have been changed where changes have occurred in the adopted codes.

Various other editorial changes such as re-titling of sections and highlighting defined words in bold occur throughout the code. These changes are editorial only.

REVISIONS BY ARTICLE AND SECTION NUMBER

ARTICLE 1 - ADOPTION OF THE CALIFORNIA BUILDING STANDARDS CODES AND OTHER MODEL CODES BY REFERENCE

ATTACHMENT "E"

CHAPTER 1 - ADOPTION INTO THE VENTURA COUNTY BUILDING CODE

Section 104. COPIES OF CODE FOR SALE TO THE PUBLIC. Copies of the Ventura County Building Code shall be made available in the office of the Division of Building and Safety for examination. ~~and~~ pPurchase ~~of the codes~~ by the public at a price not to exceed the actual cost thereof to the County plus a reasonable handling charge as established by the Building Official is ~~may be available depending on the stock on hand~~.

ANALYSIS:

This is an editorial change that has been made to clarify that code books may not always be available for sale.

CHAPTER 2 - ADOPTION OF THE CALIFORNIA BUILDING CODE

Section 101. ADOPTION. That building code known as the "California Building Code," ~~1998~~ 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 2 - a portion of the "California Building Standards Code", which incorporates by reference the 1997 edition of the Uniform Building Code with adopted California amendments, together with Appendices Chapter 3, Division I; Chapter 3, Division II; Chapter 4, Division II; Chapter 12, Division I; Chapter 12, Division IIA; Chapter 15; Chapter 16, Division IV; Chapter 18; Chapter 29; Chapter 30; Chapter 31, Division II; Chapter 31, Division III; and Chapter 33 promulgated and published by the International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California 90601, the purpose and subject matter of which, among other things, is to protect the public health and safety as set out in Section 101.2 of the Uniform Building Code, is hereby adopted and enacted as the primary building code of the County and made a part of this Code by reference with the same force and effect as if fully set forth herein subject to the following amendments.

ANALYSIS:

The California Building Code and certain appendixes are adopted with amendments as shown in Article 2 and Article 3.

CHAPTER 3 - ADOPTION OF THE CALIFORNIA ELECTRICAL CODE (CEC)

Section 101. ADOPTION - That Electrical Code known as the "California Electrical Code," ~~1998~~ 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 3 - a portion of the "California Building Standards Code", which incorporates by reference the ~~1996~~ 1999 edition of the National Electrical Code with necessary California amendments, promulgated and published by the National Fire Protection Association, 1 Batterymarch Park, Quincy, Massachusetts 02269; the purpose of which, among other things is to provide minimum standards for the design, installation, maintenance, and use of electrical wiring and electrical apparatus in order to safeguard persons and property from electrical hazards, is hereby adopted and enacted as the primary Electrical Code of the County and is made a part of this Code by reference with the same force and effect as if fully set forth herein, with specific modifications as indicated in Article 4:

Section 102. AMENDMENTS. Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the

amendments. Ventura County amendments to the California Electrical Code are found in Article 4 of this code.

ANALYSIS:

The California Electrical Code is adopted with amendments as shown in Article 2 and Article 4.

CHAPTER 4 - ADOPTION OF THE CALIFORNIA MECHANICAL CODE (CMC)

Section 101. ADOPTION. That mechanical code known as the California Mechanical Code, "~~1998~~ 2001 Edition and also known as the California Code of Regulations (C.C.R.), Title 24, Part 4 - a portion of the "California Building Standards Code", which incorporates by reference the ~~1997~~ 2000 edition of the Uniform Mechanical Code with necessary California amendments, and Appendices A, B, C, and D promulgated and published by the International Association of Plumbing and Mechanical Officials, 20001 Walnut Drive South, Walnut, CA 91789-2825, and as amended herein, the purpose and subject matter of which, among other things, is to protect public health and safety as stated in Section 102 of said code, is hereby adopted and enacted as the primary mechanical code of the County and made a part of this Code by reference with the same force and effect as if fully set forth herein, subject to the following amendments.

Section 102. AMENDMENTS. Refer to Article 2, Chapter 1, Sec. 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments which follow. Ventura County amendments to the California Mechanical Code are found in Article 5 of this code.

ANALYSIS:

The California Mechanical Code and certain appendices are adopted with amendments as shown in Article 2 and Article 5. The Mechanical Code edition is now that version published by the International Association of Plumbing and Mechanical Officials.

CHAPTER 5 - ADOPTION OF THE CALIFORNIA PLUMBING CODE (CPC)

Sec. 101 ADOPTION. That plumbing code known as the "California Plumbing Code," ~~1998~~ 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 5 - a portion of the "California Building Standards Code", which incorporates by reference the ~~1997~~ 2000 edition of the Uniform Plumbing Code with necessary California amendments, together with Uniform Plumbing Code Appendices A, B, C, D, E, G-A, H, I, J, K and L promulgated and published by the International Association of Plumbing and Mechanical Officials, 20001 Walnut Drive South, Walnut, CA 91789-2825, the purpose and subject matter of which is to protect public health and safety by establishing minimum regulations for the installation, alteration, or repair or plumbing and drainage systems, is hereby adopted and enacted as the primary plumbing code of the County and made a part of this Code by reference with the same force and effect as if fully set forth herein, subject to the following amendments.

Section 102 AMENDMENTS. Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments. Ventura County amendments to the California Plumbing Code are found in Article 6 of this code.

ANALYSIS:

The California Plumbing Code and certain appendices are adopted with amendments as shown in Article 2 and Article 6.

CHAPTER 6 - ADOPTION OF THE UNIFORM HOUSING CODE (UHC)

Section 101. ADOPTION - That Housing Code known as the "Uniform Housing Code," 1997 Edition which was promulgated and published by the International Conference of Building Officials, 5360 South Workingman Mill Road, Whittier, California 90601, the purposes and subject matter of which among other things is to protect the public health and safety as set out in Section 102 of said Code, is hereby adopted and enacted as the primary Housing Code of the County and is made a part of this Code by reference with the same force and effect as if fully set forth herewith with specific modifications as indicated below.

Section 102. AMENDMENTS. Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments. Ventura County amendments to the Uniform Housing Code are found in Article 7 of this code.

ANALYSIS:

The Uniform Housing Code is adopted with amendments as shown in Article 2 and Article 7.

CHAPTER 7 - ADOPTION OF THE UNIFORM CODE FOR THE ABATEMENT OF DANGEROUS BUILDINGS (DBC)

Section 101 ADOPTION. That code known as the "Uniform Code for the Abatement of Dangerous Buildings," 1997 Edition, promulgated and published by the International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California 90601, the purpose of which, among other things, is to protect the public health and safety as set out in Section 102 of this Code, is hereby adopted and enacted as the Code for Abatement of Dangerous Buildings in the County and is made a part of this Code by reference with the same force and effect as if fully set forth herein with specific modifications as indicated below. This Code will be referred to herein as the Dangerous Buildings Code.

Sec. 102 AMENDMENTS. Refer to Article 2, Chapter 1, Sec. 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments Ventura County amendments to the Dangerous Buildings Code are found in Article 8 of this code.

ANALYSIS:

The Uniform Code for the Abatement of Dangerous Buildings is adopted with amendments as shown in Article 2 and Article 8.

CHAPTER 8 - ADOPTION OF APPENDIX CHAPTER 1 OF THE ~~UNIFORM CALIFORNIA CONSERVATION CODE~~ (U CCC)

Sec. 101 ADOPTION: ~~Appendix Chapter 1 of that code known as the Uniform Code for Building Conservation, 1997 Edition,~~ That building conservation code known as the "California Conservation Code," 2001 Edition, and also known as the California Code of Regulations (C.C.R.), Title 24, Part 10 - a portion of the "California Building Standards Code" which incorporates by reference Appendix Chapter 1 of the 1997 Edition of the Uniform Code for Building Conservation, promulgated and published by the International Conference of Building Officials, 5360 South Workman Mill Road, Whittier, California, 90601, and as amended herein, the purpose and subject matter of which, among other things, is to promote public safety and welfare by reducing the risk of death or injury from the effects of earthquakes on existing unreinforced masonry bearing wall buildings as stated in Section A101 of said code, is hereby adopted as the primary unreinforced masonry building conservation code of the County and made a part of this code by reference with the same force and effect as if fully set forth herein, subject to the following amendments.

Sec. 102 AMENDMENTS: Refer to Article 2, Chapter 1, Section 101.23 in this ordinance for an explanation of the section numbering and cross-referencing system used for the amendments. Ventura County amendments to Appendix Chapter 1 of the Uniform Code for Building Conservation are found in Article 9 of this code.

ANALYSIS:

Appendix Chapter 1 of the California Conservation Code is adopted with amendments as shown in Article 2 and Article 9. The California Conservation Code has been renamed from the Uniform Code for Building Conservation (UCBC) because of its adoption by the State. The model code it references (the 1997 UCBC) has not changed, however.

ARTICLE 2 - AMENDMENTS OF GENERAL APPLICATION TO ALL OF THE ADOPTED STATE AND MODEL CODES

CHAPTER 1 - ADMINISTRATION

Sec. 103 VIOLATIONS.

103.1 GENERAL. It shall be unlawful for any person, firm, or corporation to erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish, equip, use, occupy, or maintain any building or structure, building service equipment, machine or equipment or cause or permit the same to be done in violation of this Code or to violate any provision of this Code.

103.3 INFRACTIONS. It shall be an infraction of law for any person to remove, deface, or alter a posted notice of the Building Official or duly appointed representative when such notice constitutes a stop work order or a warning of substandard or hazardous conditions or prohibits or restricts the occupancy or use of a building, structure, or building service equipment regulated by this code.

103.4 MISDEMEANORS. Any person, firm, or corporation violating any of the provisions of this Code shall be deemed guilty of a misdemeanor, misdemeanor/infraction, or infraction, and each such person shall be deemed guilty of a separate offense for each and every day or portion

such person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of any of the provisions of this Code is committed, continued, or permitted. Each and every violation of any provision of this Code is a misdemeanor unless designated by this Code to be an infraction or a misdemeanor/infraction.

103.5 MISDEMEANORS/INFRACTIONS. Every violation of this Code designated a misdemeanor/infraction shall be a misdemeanor; provided that, where the District Attorney has determined that such action would be in the best interests of justice, the District Attorney may specify in the accusatory pleading that the violation shall be an infraction and the violation shall then be prosecuted as an infraction.

103.6 PUNISHMENTS. Any person convicted of a misdemeanor, the penalty for which is not otherwise prescribed, shall be punishable by a fine of not more than one thousand dollars ($1,000) or by imprisonment for not more than six (6) months or both such fine and imprisonment. Any person convicted of an infraction, the penalty for which is not otherwise prescribed, shall be punished by (a) a fine not exceeding one hundred dollars ($100) for the first violation; (b) a fine not exceeding two hundred dollars ($200) for a second violation of the same ordinance provision within one year; and (c) a fine not exceeding five hundred dollars ($500) for each additional violation of the same ordinance provision within one year.

ANALYSIS:

This section has been amended to provide specific definitions and penalties for violations of the codes. This is an administrative change.

104.2 POWERS AND DUTIES OF THE BUILDING OFFICIAL

104.2.1 ENFORCEMENT OF CODES. The Building Official is hereby authorized and directed to enforce all the provisions of this Code and of the codes adopted by reference hereby. The decision of the Building Official in enforcing the provisions of this Code or of the codes adopted by reference, or in interpreting the provisions thereof, or in exercising the authority delegated thereby shall be final, subject to appeal as provided in this Code. For such purposes, the Building Official shall have the powers of a law enforcement officer.

The building official shall have the power to render interpretations of this code and to adopt and enforce rules and supplemental regulations to clarify the application of its provisions. Such interpretations, rules and regulations shall be in conformance with the intent and purpose of this code.

Whenever in this Code or in any of the codes adopted by reference hereby, another code or publication of standards or of rules or regulations is referred to, any language to the contrary notwithstanding, such reference shall not incorporate by reference such other codes, standards, or rules or regulations as part of this Code or of any of the codes adopted by reference hereby unless set out in full herein, but they shall be considered and may be used by the Building Official as guides to assist in determining whether or not there has been compliance with the provisions of this Code. The Building Official shall not be bound by the provisions of any such other codes, standards, interpretations, or rules or regulations not expressly adopted by reference in this Code in determining such compliance.

104.2.2 DEPUTIES. In accordance with the prescribed procedures and with the approval of the appointing authority of the County, the Building Official may, from time to time, appoint such number of officers, inspectors, assistants and other employees as shall be necessary to carry out the functions of the Division of Building and Safety and act as duly authorized representatives of the Building Official.

104.2.3 RIGHT OF ENTRY. Whenever it is necessary to make an inspection to enforce any of the provisions of this Code, or whenever the Building Official or his authorized representative has reasonable cause to believe that there exists in any building or upon any premises any condition or code violation which makes such building or premises unsafe, dangerous, hazardous, or insanitary, the Building Official or his authorized representative may enter such building, or premises at all reasonable times to inspect the same or to perform any duty imposed upon the Building official by this Code; provided that if such building or premises be occupied, he shall first present proper credentials and request entry; and if such building or premises be unoccupied, he shall first make a reasonable effort to locate the owner or the persons having charge or control of the building, structure, or premises and request entry. If such entry is refused, the Building Official or his authorized representative shall have recourse to every remedy provided by law to secure entry.

104.2.4 STOP ORDERS. Whenever any building work is being done contrary to the provisions of this Code, or in violation of applicable ordinances of other County agencies, the Building Official may order the work stopped by notice in writing served on any persons engaged in the doing or causing such work to be done, and any such persons shall forthwith stop such work until authorized by the Building Official to proceed with the work.

Whenever the Building Official finds that a building or structure for which a permit has been issued may be flooded or is subject to erosion hazard if the work is completed in the manner proposed, or that the completion of such work will cause the flooding of other buildings or structures, the Building Official may order all work stopped and refer the matter to the Director of the Ventura County Flood Control District (P.W.A.), or other qualified County officer for a determination as to such danger. If the Director of the aforementioned District or other qualified County officer reports that substantial danger exists, the Building Official shall order work stopped until plans to alleviate such danger have been reviewed and approved by said Director or County officer.

Failure to order work stopped or to make such referral or both shall not be construed as a representation that danger of flooding or erosion does not or will not exist if the work is completed in the manner proposed.

104.2.5 OCCUPANCY VIOLATIONS. Whenever any building or structure or equipment therein regulated by this Code is being used contrary to the provisions of this Code, the Building Official may order such use discontinued and the structure, or portion thereof, vacated by notice served on any person causing such use to be continued. Such person shall discontinue the use within the time prescribed by the Building Official after receipt of such notice or make the structure, or portion thereof, comply with the requirements of this Code; provided, however, that in the event of an unsafe building Section 102 in the Uniform Building Code shall apply.

104.2.6 LIABILITY. The Building Official or his authorized representatives charged with the enforcement of this Code, acting in good faith and without malice in the discharge of his duties, shall not thereby render himself personally liable for any damage that may accrue to persons or

property as a result of any act or omission in the discharge of his duties. Any suit brought against the Building Official or employee because of such act or omission performed by him in the enforcement of any provision of such codes or other pertinent laws or ordinances implemented through the enforcement of this code or enforced by the code enforcement agency shall be defended by the legal department of the County until final termination of such proceedings, and any judgment resulting therefrom shall be assumed by the County.

It is the intent of the Board of Supervisors to establish minimum standards for the protection of the public health, safety, and welfare. This Code shall not be construed to establish standards of performance, strength, or durability other than those specified. Neither this Code nor any services rendered in connection with or pursuant to its terms by County officers, inspectors, agents or employees, is intended nor shall be construed as the basis for any express or implied warranties or guarantees to any person relative to or concerning any structure or part, portion, or appurtenance thereto or thereof constructed, erected, altered, enlarged, repaired, moved, replaced, or removed pursuant to this Code or any permits against the County or any of its officers, inspectors, agents, or employees because any structure or portion thereof erected, constructed, altered, enlarged, repaired, moved, replaced, or removed, or any appliances installed, maintained, repaired or replaced hereunder does not meet the standards prescribed herein, or does not meet any other standards prescribed elsewhere as to performance, strength, durability or other characteristics.

This Code shall not be construed to relieve from or lessen the responsibility of any person owning, operating, or controlling any building or structure for any damages to persons or property caused by defects, nor shall the code enforcement agency or the County be held as assuming any such liability by reason of the inspections authorized by this Code or any permits or certificates of inspection issued under this code.

104.2.11 REPORTS AND RECORDS. The Building Official shall submit a report to the proper County official not less than once a year covering the work of the department during the preceding period. He shall incorporate in said report a summary of his recommendations as to desirable amendments to this Code.

The Building Official shall keep a permanent, accurate account of all fees and other monies collected and received under this Code, the names of the persons upon whose account the same were paid, the date and amount thereof, together with the location of the building or premises to which they relate.

104.2.12 POWER OF CITATION. Pursuant to the authority vested in the Board of Supervisors of the County of Ventura by California Penal Code section 836.5, the Building Official and certain of his authorized subordinates as hereinafter provided shall have the power of arrest without warrant whenever they have reasonable cause to believe that the person to be arrested has committed in their presence a misdemeanor, misdemeanor/infraction, or infraction, consisting of a violation of the provisions of this Code or any other ordinance or statute which the Building Official has a duty to enforce.

The persons who are authorized to make arrests as herein provided shall consist of the Building Official and those of his subordinates as he may from time to time designate, whose duties include inspection and enforcement activities for Ventura County.

In any case in which a person is arrested pursuant to this section and the person arrested does not demand to be taken before a magistrate, the arresting officer shall prepare a written notice to appear and release the person on his promise to appear as prescribed by Chapter 5C (commencing with section 853.6) of the California Penal Code. The provisions of that chapter shall thereafter apply with reference to any proceeding based upon the issuance of a written notice to appear pursuant to this section.

104.2.13 NOTICE OF INTENT TO RECORD NOTICE OF NONCOMPLIANCE AND RECORDATION OF NOTICE OF NONCOMPLIANCE. Whenever the Building Official determines that work has been done without the required permit, or has not been completed in accordance with the requirements of this Code, the Building Official shall post the property and mail to the owner(s) of that property a Notice of Intent to Record a Notice of Noncompliance. The Notice of Intent shall described the property, shall set forth the noncomplying conditions, and shall inform the owner(s) that the Building Official shall record a Notice of Noncompliance unless, by a date specified in the Notice of Intent, (1) it is demonstrated to the satisfaction of the Building Official that the noncomplying conditions have been corrected or (2) a timely appeal has been filed with the Board of Appeal.

A. If by the date specified in the Notice of Intent, (1) it has not been demonstrated to the satisfaction of the Building Official that the noncomplying conditions have been corrected and (2) a timely appeal has not been filed with the Board of Appeal, the Building Official shall record a Notice of Noncompliance.

B. If a timely appeal is filed with the Board of Appeal and the Board finds that the noncomplying conditions have not been corrected and need to be corrected, the Building Official shall record a Notice of Noncompliance.

Under either A or B above, the Notice of Noncompliance shall be recorded with the office of the County Recorder and the owner(s) of the property shall be notified of such action. The Notice of Noncompliance shall described the property, shall set forth the noncomplying conditions, and shall state that the property owner(s) have been notified.

If after a Notice of Noncompliance has been recorded, it is demonstrated to the satisfaction of the Building Official that the noncomplying conditions have been corrected or removed, the Building Official shall record with the office of the County Recorder a Release of Notice of Noncompliance. The Release shall describe the property, crossed-referenced to the Notice of Noncompliance, and state that the noncomplying conditions have been corrected or removed. A fee as set forth in the Ventura County Building Code Fee Schedule may be charged the property owner(s) for issuing and recording the Release of Notice of Noncompliance.

104.2.14 AUTHORITY TO CONDEMN BUILDING SERVICE EQUIPMENT. Whenever the Building Official ascertains that any building service equipment regulated in the referenced technical codes has become hazardous to life, health or property, or becomes insanitary, he shall order, in writing, that such equipment either be removed or restored to a safe or sanitary condition, whichever is appropriate. The written order itself shall fix a time limit for compliance with such order. No person shall use or maintain defective building service equipment after receiving such notice.

When any building service equipment is maintained in violation of this code and in a violation of any notice issued pursuant to the provisions of this section, the Building Official shall institute any appropriate action to prevent, restrain, correct or abate the violation.

104.2.15 AUTHORITY TO DISCONNECT UTILITIES. The Building Official or his authorized representative shall have the authority to disconnect any utility service or energy supplied to a building, structure or building service therein regulated by this code, or the referenced technical codes, in case of emergency where necessary to eliminate an immediate hazard to life or property.

The Building Official shall, whenever possible, notify the serving utility, the owner and the occupants of the building or structure of the decision to disconnect prior to taking such action, and shall notify such serving utility, owner and occupants of the building or structure, in writing, of such disconnection immediately thereafter.

104.2.16 RECONNECTION AFTER ORDER OF DISCONNECTION. No person shall make connections from any energy, power or fuel supply, nor supply energy or fuel to any building service equipment which has been disconnected or ordered to be disconnected by the Building Official or the use of which has been ordered discontinued by the Building Official until the Building Official authorizes the reconnection and use of such equipment.

ANALYSIS:

This section has been modified and expanded to address several issues related to the enforcement of the codes. These include the appointment of deputies, right of entry, stop orders, occupancy violations, liability, reports, power of citation, the recordation of Notices of Non-Compliance, and the authority to condemn service equipment and to disconnect utilities. These are all administrative changes.

Sec. 105 - BOARD OF APPEALS

105.1 GENERAL. To determine the suitability of alternate materials and methods of construction, and to provide for reasonable interpretations of the provisions of this Code, and to hear the appeals provided for, there shall be and are hereby created Boards of Appeals. Each Board shall consist of five members who are not employees of the County and who are qualified by experience and training to pass upon matters pertaining to the type of construction related to each Board's jurisdiction as hereinafter described. The Building Official shall be an ex officio member and shall act as Secretary of each Board. Each Board of Appeals shall be appointed by the Board of Supervisors and shall hold office at its pleasure. Each Board shall adopt reasonable rules and regulations for conducting its investigations. All decisions and findings shall be rendered in writing to the appellant with duplicate copy to the Building Official. Copies of all rules and regulations adopted by the Board shall be delivered to the Building Official who shall make them accessible to the public. All decisions of a Board of Appeals shall be final.

105.3 SPECIFIC BOARDS OF APPEAL

105.3.1 GENERAL BOARD OF APPEALS. The jurisdiction of the General Board of Appeals shall be all the appealable matters contained in this Code, except those matters expressly placed within the jurisdiction of one of the following Board of Appeals.

105.3.2 BOARD OF GRADING APPEALS. The jurisdiction of the Board of Grading Appeals shall be the appealable matters contained in APPENDIX Chapter 33 of the Uniform Building Code.

105.3.3 BOARD OF MECHANICAL AND PLUMBING APPEALS. The jurisdiction of the Board of Mechanical and Plumbing Appeals shall be the appealable matters contained in the Uniform Mechanical Code and the Uniform Plumbing Code.

105.3.4 BOARD OF ELECTRICAL APPEALS. The jurisdiction of the Board of Electrical Appeals shall be the appealable matters contained in the National Electrical Code.

105.3.5 BOARD OF APPEALS OF ACCESSIBILITY MATTERS. The jurisdiction of the Board of Appeals of Accessibility matters shall be the appealable matters contained in California State Title 24 (CCR), the Federal Americans with Disabilities Act and Federal Housing Authority regulations for disabled access.

105.4 APPEALS HEARING FEE. Required fees as set forth in the Ventura County Building and Safety Fee Schedule shall accompany each application for a hearing before any of the appeals boards authorized by this Code.

ANALYSIS:

This section has been amended to identify the specific Boards of Appeal for Ventura County and to provide clarification about their scope of authority and their operating procedures. This is an administrative change.

106.1.1 STREAMLINED PERMITS FOR CERTAIN AGRICULTURAL BUILDINGS, GREENHOUSES AND SHADE STRUCTURES. The provisions of this code with respect to plan review and inspection shall not apply to certain agricultural buildings, greenhouses and shade structures as specified herein, provided that all of the following conditions are met:

1. The building or structure is used exclusively as an agricultural building as defined in the Uniform Building Code (U.B.C.), and is not designed, equipped or intended for human occupancy or any use other than as an agricultural building, and

2. The building or structure is detached, single story, not over 15 feet in height as defined in the U.B.C., and is of conventional wood frame (Type V-N) construction, and

3. The floor area of the building or structure does not exceed the following limits:

    a. On sites of 10 acres or more in size: 3,000 square feet.

    b. On sites 2 acres or more but less than 10 acres in size: 1,500 square feet, except for nurseries.

    c. On sites 2 acres or more but less than 10 acres in size: 3,000 square feet for nurseries licensed by the Agricultural Commissioner.

    d. On sites less than 2 acres in size: none.

    e. Shade cloth structures without permanently affixed sides: 12,000 square feet, and

4. The building is determined to be exempt from requirements for preparation of plans by a professional engineer or architect as set forth in the California Professional Engineer's or Architect Act, and

5. A Zoning Clearance as an agricultural building, greenhouse or shade structure for the building or structure is approved by the Planning Division, and

6. Approval from the Environmental Health Division is obtained for properties with septic systems, and

7. Approval from the Flood Control Department of the Public Works Agency is obtained as required, and

8. Approval from the Ventura County Fire Department is obtained relative to access, water supply, fire sprinkler, brush clearance and high fire hazard area requirements for any barn or storage structure designed and constructed to house farm implements, hay, grain, poultry or livestock in excess of 1,500 square feet in area; and where a review for other types of agricultural buildings up to 3,000 square feet in area in not required; and

9. Approval from the Development and Inspection Services Division of the Public Works Agency is obtained when a grading permit is required, and

10. A code complying exit is provided from the building or structure, and

11. There is no plumbing, mechanical or electrical work proposed for the building or structure.

106.1.1.1 FEES FOR STREAMLINED AGRICULTURAL BUILDING PERMITS. Except for the required permit issuance fee, no plan review or building permit fee shall be applicable to agricultural buildings, greenhouses and shade structures qualifying for the above procedure under the provisions of that subsection.

106.1.1.2 OTHER PERMITS. Plumbing, mechanical and electrical permits shall be required when applicable.

106.1.1.3 APPLICABILITY TO OTHER AGENCIES. Nothing herein shall be construed as providing exemption from the requirements of any agency other than the Division of Building and Safety.

Analysis:

This entire section and the following subsections have been revised to streamline building permits for certain types of agricultural buildings. This new language was developed in conjunction with the Agricultural Policy Advisory Committee and has received their support. This change is an administrative change only.

106.1.2.1 FEES FOR SMALL AGRICULTURAL PRODUCE STANDS. Except for the required permit issuance fee, no plan review or building permit fee shall be applicable to produce stands qualifying for exemption under the provisions of this subsection.

106.1.2.2 OTHER PERMITS. Plumbing, mechanical and electrical permits shall be required when applicable.

106.1.2.3 APPLICABILITY TO OTHER AGENCIES. Nothing herein shall be construed as providing exemption from the requirements of any agency other than the Division of Building and Safety.

Analysis:

This language has been divided from a single paragraph format to a three subsection format to agree in layout with the previous section dealing with agricultural buildings. There is no change to the content of the former language except for the new layout. This is an editorial change only.

106.1.4 EMERGENCY BUILDING PERMITS. The Building Official is hereby authorized to establish procedures for issuing permits to correct emergency situations. The Building Official may verbally authorize work to proceed for such purposes, with the condition that a standard application will be filed once the emergency has been overcome. The holders of such emergency permits shall proceed at their own risk without assurance that the work so accomplished shall be approved as constructed.

Emergency repairs to plumbing, electrical, and mechanical installations may be initiated prior to obtaining the required permits, provided that such work was urgently necessary and it was impractical to obtain the permits prior to commencement of the work. Permits for all such work shall be obtained as soon as it is practical to do so.

ANALYSIS:

This section has been added to allow for feasibility in dealing with emergency situations outside of the normal routine. It provides for the capability to act in a timely manner to stabilize or correct emergency situations. This is an administrative change.

Sec. 106.2 EXEMPTED WORK. A building permit shall not be required for the following:

1. One-story detached accessory buildings used as tool and storage sheds, patio covers, playhouses, playground or athletic equipment and similar uses provided the floor area does not exceed 120 square feet.

2. Fences not over 6 feet high measured from highest point of grade, unless supporting a surcharge or structural element.

3. Oil derricks.

4. Movable cases, counters, and partitions not over 5 feet 9 inches high.

5. Retaining walls which are not over 4 feet in height measuresd from the bottom of the footing to the top of the wall, unless supporting a surcharge or impounding Class I, II or III-A liquids.

6. Water tanks supported directly upon grade if the tank capacity does not exceed 5,000 gallons and the ratio of height to diameter or width does not exceed 2 to 1.

7. Platforms, walks and wood decks not more than 30 inches above grade at any point and not over any basement or story below, nor supporting any structure above.

8. Painting, papering, and similar finish work.

9. Temporary motion picture, television and theater stage sets and scenery.

10. Window awnings supported completely by an exterior wall of Group R, Division 3 or Group U, Division 1 Occupancies when projecting not more than 54 inches nor encroaching into required yards.

11. Prefabricated swimming pools accessory to a Group R, Division 3 Occupancy in which the pool walls are entirely above the adjacent grade and if the capacity does not exceed 5,000 gallons (18,927L).

12. [For SFM] State-owned buildings under the jurisdiction of the state fire marshal.

13. Freestanding signs not more than 10 feet in height and not more than 72 square feet in area and wall signs not more than 200 square feet in area.

14. Residential television and radio antennas and dish antennas not more than 3 feet in diameter with an approved zone clearance.

15. Commercial antennas not over 15 feet in height when in compliance with the County Zoning Ordinance.

16. Electrolier standards, and flag poles not over 35 feet in height when in compliance with the County Zoning Ordinance.

17. Readily removable plastic covered hoop structures without in-ground footings or foundations that are not more than 8' in height.

18. Agricultural wind generating machines except that an electrical or gas permit is required if they are connected to a commercial utility.

~~19. Detached one story shade covers for animals when the covers are not over 12 feet in height above grade and not more than 1,000 square feet of roof area.~~

Unless otherwise exempted, separate plumbing, mechanical and electrical permits will be required for the above exempted items. Exemption from the permit requirements of this Code shall not be deemed to grant authorization for any work to be done in any manner in violation of the provisions of this Code or any other laws or ordinances of this jurisdiction.

Analysis:

Item 1 has been changed to exempt detached patio covers when sized less than 120 square feet and playground or athletic equipment from building permit requirements.

Item 14 has been modified to refer to residential television and radio antennas only.

Item 15 has been added to exempt commercial antennas less than 15 feet in height.

Item 16 has been modified to refer to electrolier standards and flagpoles only.

Item 17 has been added to exempt plastic hoop structures less than 8 feet in height.

Item 18 has been added to exempt certain agricultural wind generating machines.

Item 19 has been added to exempt certain animal shade covers.

All of these changes are administrative.

106.3.2 SUBMITTAL DOCUMENTS. Plans, specifications, engineering calculations, diagrams, soil investigation reports, special inspection and structural observation programs and other data shall constitute the submittal documents and shall be submitted in one or more sets with each application for a permit. When such plans are not prepared by an architect or engineer, the building official may require the applicant submitting such plans or other data to demonstrate that state law does not require that the plans be prepared by a licensed architect or engineer. The building official may require plans, computations and specifications to be prepared and designed by an engineer or architect licensed by the state to practice as such even if not required by state law.

EXCEPTION: The building official may waive the submission of plans, calculations, construction inspection requirements and other data if it is found that the nature of the work applied for is such that reviewing of plans is not necessary to obtain compliance with this code.

Computations, diagrams, schedules, soil reports, geological or geotechnical reports, and other data sufficient to show the correctness and adequacy of the plans shall be submitted when required by the Building Official.

A Survey of a lot may be required by the Building Official to assure that a structure is located in accordance with requirements, and/or is situated with respect to Mean Sea Level such that it complies with regulations governing construction in flood-prone areas.

Analysis:

This section has been revised to use the language of the 1997 UBC, except for the paragraphs about geological reports and lot surveys. This is an editorial change only.

Sec. 106.4 - PERMITS ISSUANCE

106.4.1 PERMIT ISSUANCE AND DENIAL. The application, plans, specifications and other data filed by an applicant for a permit shall be reviewed by the Building Official. Such plans may be reviewed by other departments of the County to verify compliance with any applicable laws under their jurisdiction. If the Building Official finds that the work described in an application for a permit and the plans, specifications, and other data filed therewith conform to the requirements of this Code and other pertinent laws and ordinances, and that all required fees have been paid, he shall issue a permit therefor to the applicant.

Except where special building designs or other mitigating measures have been approved by the Building Official and cooperating officials of other County agencies, a building permit may be

denied where physical features of a building site are such that a denial of the building permit is deemed necessary to safeguard life or limb, health, property, or public welfare. Physical features which justify the denial of a permit shall include but shall not be limited to:

1. Precipitous cliffs or other nearby vertical land masses of unknown stability.
2. Unstable soils or geologic conditions.
3. Terrain which is subject to flooding, inundation, or sever soil erosion.

When the Building Official issues the permit, he shall endorse in writing or stamp on both sets of plans and specifications "APPROVED." Such approved plans and specifications shall not be changed, modified, or altered without authorization from the Building Official, and all work regulated by this Code shall be done in accordance with the approved plans.

The Building Official may issue a permit for the construction of part of a building or structure before the entire plans and specifications for the whole building or structure have been submitted or approved provided adequate information and detailed statements have been found complying with all pertinent requirements of this Code. The holder of such permit shall proceed at his/her own risk without assurance that the permit for the entire building or structure will be granted.

106.4.1.1 PERMIT ISSUANCE: RESTRICTIONS. The issuance of permits shall be restricted to those applicants or their authorized representatives who are entitled by the regulations and the exemptions in the State Contractor's License Law, Business and Professions Code, and other applicable statutes to perform work regulated by this Code.

1. Owner-Builder permits may be issued to a property owner building or improving his/her principal place of residence or appurtenances thereto, provided that all of the following conditions exist:

   (a) The residence is not intended or offered for sale.

   (b) The homeowner has actually resided in the residence for the 12 month period prior to the completion of the work for which the permits is issued.

2. Owner-Builder permits may be issued to a property owner building or improving structures thereon who contract for such projects with licensed contractors pursuant to Division 3, Chapter 9, of the California Business and Professions Code.

3. Tenant Improvement permits may be issued to tenants when authorized by the building owner for work within the tenant space.

ANALYSIS:

This section has been modified by adding language allowing the denial of a permit because of unstable land masses or soil conditions, precipitous cliffs or terrain subject to flooding, inundation or severe erosion. These changes are administrative but based on geologic and topographical conditions.

106.4.4 EXPIRATION OF PERMIT. Every permit issued by the Building Official under the provisions of this Code shall expire by limitation and become null and void, if the building or

work authorized by such permit is not commenced within 180 days after the date of issuance of such permit or if the building or work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of 180 days, or if the work authorized by such permit does not receive final inspection approval within 3 years from the issuance date of the permit. Before such work may be recommenced, a new or renewed permit shall first be obtained to do so. The fee therefor shall be based upon the valuation and extent of work remaining to complete the project, but such fee shall not exceed one-half the current permit fee providing no changes have been made or will be made in the original plan and specifications for such work; and provided further that such suspension or abandonment has not exceeded one year. In order to renew action on a permit after expiration has exceeded one year, the permittee shall pay a new full permit fee.

Any permittee holding an unexpired permit may apply for an extension of the time within which he may perform work under that permit when he is unable to perform work within the time required by this section for good and satisfactory reasons. The Building Official may, without requiring payment of an additional permit fee, extend the time for action by the permittee for a period not exceeding 180 days upon written request by the permittee showing that circumstances beyond the control of the permittee have prevented action from being taken. No permit shall be extended more than once.

Demolition permits issued for the correction of violations shall expire after 30 days.

For the purpose of this Section "suspended or abandoned" shall be measured as elapsed time between approved REQUIRED INSPECTIONS as delineated in UBC Sections 108.5 through 108.7.

ANALYSIS:

The time limits for permit expiration have been changed to conform to the language of the 1997 UBC. This was done to be consistent with a new computerized tracking system. In addition, a 30-day time limit for demolition permits issued to abate violations has been added. These are editorial and administrative changes.

107.2 BUILDING PERMIT FEES. The fee for each building permit shall be as set forth in the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

The determination of value or valuation under any of the provisions of this Code shall be made by the Building Official. The valuation to be used in computing the permit and plan review fees shall be the total value of all construction work for which the permit is issued as well as all finish work, painting, roofing, electrical, plumbing, heating, air conditioning, elevators, fire-extinguishing systems and any other permanent equipment.

107.2.1 ELECTRICAL PERMIT FEES. The fee for each electrical permit shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.2.2 MECHANICAL PERMIT FEES. The fee for each mechanical permit shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.2.3 PLUMBING PERMIT FEES. The fee for each plumbing permit shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.2.4 OTHER FEES. Other fees charged for services by the Division of Building and Safety shall be in accordance with the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

107.3 PLAN REVIEW FEES. When a plan or other data are required to be submitted by Sec. 106.3.2, a plan review fee shall be paid at the time of submitting plans and data for plan review. Said plan review fee shall be ~~65~~ 75 percent of the building permit fee as shown in the Ventura County Building and Safety Fee Schedule as established by the Board of Supervisors.

The plan review fees specified in this subsection are separate fees from the permit fees ~~and are in addition to the permit fees~~.

The amount of the plan review fee for the initial submittal of a "Standard Plan" as defined herein shall be the full plan review fee as specified above. The plan review fee for subsequent submittals of a plan which qualifies as a "Standard Plan" shall be one-half of the initial plan review fee. "Standard Plan is hereby defined as a prototype plan for a building or structure which is to be utilized at more than one site, and which incorporates the same essential structural features, design, dimensions and calculations as the original approved plan. A "Standard Plan" shall be void three years after its original approval or upon revision of the applicable codes under which it was initially reviewed, or at the discretion of the Building Official."

When plans are incomplete or are changed so as to require additional plan review, an additional plan review fee shall be charged but such fee shall not exceed one-half the initial plan review fee. Corrected plans which are resubmitted to the Division of Building and Safety for approval subsequent to initial plan review shall not be subject to an additional plan review fee. The fee for additional plan review may be waived by the Building Official when the time consumed in the performance of such service totals less than one-half hour.

ANALYSIS:

The plan review fee has been increased from 65% to 75% to cover the costs of additional plan review items such as storm water drainage, mobile home regulation, flood control design requirements, and data collection and distribution.

107.4 EXPIRATION OF PLAN REVIEW. Applications for which no permit is issued within 180 days following the date of application shall expire by limitation, and plans and other data submitted for review may thereafter be returned to the applicant or destroyed by the building official. The building official may extend the time for action by the applicant for a period not exceeding 180 days on request by the applicant showing that circumstances beyond the control of the applicant have prevented action from being taken. No application shall be extended more than once. In order to renew action on an application after expiration, the applicant shall resubmit plans and pay a new plan review fee. When plans are resubmitted for checking after expiration of plan review and no changes have been made or will be made in the original plans and specifications for the work, and no code changes have occurred, the plan review may be

renewed for 180 days and the plan review fee may be one-half the current plan review fee provided the re-submittal has not exceeded one year from the expiration date.

ANALYSIS:

This section revises the current code language to include an allowance for a renewal of the plan review after it has expired under certain conditions. This is an administrative change.

107.5 INVESTIGATION FEES: WORK WITHOUT PERMIT.

107.5.2 FEE. An investigation fee, in addition to the permit fee, shall be collected whether or not a permit is then, or is subsequently, issued. The investigation fee shall be equal to the amount of the permit fee required by this Code, and shall in no case be less than the minimum fees required by the Ventura County Building and Safety Fee Schedule.

The payment of such investigation fee shall not exempt any person from compliance with all applicable provisions of this code or any of the codes adopted by reference hereby, nor from any penalty prescribed by law.

Analysis:

This is an editorial change to refer to the proper title of the fee schedule.

107.6 FEE REFUNDS. The Building Official may authorize the refunding of fees upon written application by the original permittee, within the limitations set forth herein:

(a) Permit issuance fees shall be nonrefundable except as provided in subsection (c) below.

(b) Any fee totaling thirty-five dollars ($35) or less, exclusive of any issuance fee, if any, shall be nonrefundable except as specified in subsection (c) below.

(c) 100% of any fee erroneously paid or collected shall be refundable, except for that portion paid for State Seismic Fee (SMIP).

(d) 90% of any plan review fee, less a cancellation fee, shall be refundable when the permit application is withdrawn or canceled prior to commencement of plan review.

(e) 90% of any permit fee, less a cancellation fee and State of California Seismic Fee (SMIP), shall be refundable when none of the work covered by such permit has commenced.

(f) 90% of any Board of Appeals hearing fee, less a cancellation fee, shall be refundable when such hearing is canceled prior to the issuance of a Notice of Hearing pertaining to the case.

Failure of the permittee to make written application for a refund within ~~6 months~~ 180 days of cancellation or expiration of a plan review, permit, hearing, or request for service for which a fee has been paid, shall constitute a waiver of entitlement to a refund. No partial refund shall be authorized nor credit be applied against other fees which may be payable to the Division of Building and Safety when a construction project is canceled or abandoned subsequent to partial completion of the building or work authorized by a permitted.

107.7 CANCELLATION FEE. Refunds of fees for permits and services associated with construction projects which are canceled or withdrawn prior to commencement of plan review, inspection, or performance of other service by the Division of Building and Safety shall be subject to a cancellation fee as set forth in the Ventura County Building and Safety Fee Schedule.

ANALYSIS:

This section has been expanded to handle many different cases of fee refunds. It is an administrative change.

Sec. 108 - INSPECTIONS

108.1. GENERAL. All construction or work for which a permit is required shall be subject to inspection by the building official to ensure compliance with the requirements of this Code and all such construction or work shall remain accessible and exposed for inspection purposes until approved by the building official. In addition, certain types of construction shall have continuous inspection, as specified in Section 1701.5.

Approval as a result of an inspection shall not be construed to be an approval of a violation of the provisions of this code or of other ordinances of the jurisdiction. Inspections presuming to give authority to violate or cancel the provisions of this code or of other ordinances of the jurisdiction shall not be valid.

It shall be the duty of the permit applicant to cause the work to remain accessible and exposed for inspection purposes. Neither the building official nor the jurisdiction shall be liable for expense entailed in the removal or replacement of any material required to allow inspection.

A survey of the lot may be required by the building official to verify that the structure is located in accordance with the approved plans.

It shall be the responsibility of the owner or person doing work authorized by a permit to notify the Building Official by telephone, orally, or in writing when said work is ready for inspection. Such notification shall be given at least one working day before such inspection is desired.

No portion of any building, structure, wiring, plumbing, ductwork or equipment which is required to be inspected shall be permanently covered or concealed without approval of the Building Official. The Building Official shall have authority to remove, or to require the removal of, any obstruction which prevents the required inspection of any portion of a building, structure, wiring, plumbing, ductwork, electrical, or mechanical equipment, as necessary to verify compliance with the approved drawing or codes.

Analysis:

This section has been changed to include language from the 1997 UBC and to include a paragraph addressing when lot surveys may be required. This is an administrative change.

SECTION 109 - CERTIFICATE OF OCCUPANCY

109.4 TEMPORARY OR PARTIAL CERTIFICATE. Upon application by the owner, and for reasonable cause, if the building official finds that no substantial hazard will result from occupancy of any building or portion thereof before the entire building is completed, a Temporary or Partial Certificate of Occupancy may be issued for a portion or portions of the building. Such Temporary or Partial Certificate must include compliance with this code for all required access and exiting systems, toilet facilities and fire protection equipment and systems.

Upon completion of the entire structure all Temporary or Partial Certificates shall be surrendered to the building official in exchange for a final Certificate of Occupancy, as specified in UBC Section 109.3.

Analysis:

Minor editorial changes have been made to this section to improve the readability.

~~**TABLE UBC 1-A BUILDING PERMIT FEES**~~

~~TOTAL VALUATION~~	~~FEE~~
~~$1.00 to $500.00~~	~~$23.00~~
~~$501.00 to $2,000.00~~	~~$23.00 for the first $500.00 plus~~ ~~$3.00 for each additional $100.00 or fraction thereof, to and including $2,000.~~
~~$2,001.00 to $25,000.00~~	~~$68.00 for the first $2,000.00 plus $13.25 for each additional $1,000.00 or fraction thereof, to and including $25,000.00.~~
~~$25,001.00 to $50,000.00~~	~~$372.75 for the first $25,000.00 plus $9.50 for each additional $1,000.00 or fraction thereof, to and including $50,000.00.~~
~~$50,001.00 to $100,000.00~~	~~$610.25 for the first $50,000.00 plus $6.75 for each additional $1,000.00 or fraction thereof, to and including $100,000.00.~~
~~$100,001.00 to $500,000.00~~	~~$947.75 for the first $100,000.00 plus $5.25 for each additional $1,000.00 or fraction thereof, to and including $500,000.00.~~
~~$500,001.00 to $1,000,000.00~~	~~$3,047.75 for the first $500,000.00 plus $4.50 for each additional $1,000.00 or fraction thereof, to and including $1,000,000.00.~~
~~$1,000,001.00 and up~~	~~$5,297.75 for the first $1,000,000.00 plus $3.00 for each additional $1,000.00 or fraction thereof.~~
~~**Other Inspections and Fees:**~~ ~~Refer to current Ventura County Building Code Fee Schedule.~~	

Analysis:

This table has been deleted from the VCBC as it has been included in the Ventura County Building and Safety Fee Schedule which is adopted as a separate resolution by the Board of Supervisors.

CHAPTER 2 - DEFINITIONS

Section 202-A:

~~"Apartment house"~~ **"APARTMENT HOUSE"** shall mean any building or portion thereof which contains three or more dwelling units and, for the purpose of this Code, includes residential condominiums and townhouses.

Analysis:

Words being defined are now printed in bold type to improve the readability and to make them easier to find. This occurs in various places throughout the code. This is an editorial change.

Section 203-B: "Building Official"

3. For the purposes of administering provisions of the Uniform Housing Code pertaining to the abatement of health hazards ~~associated with private sewage disposal systems~~, the term "Building Official" shall mean the manager of the Division of Building and Safety and/or the Environmental Health Officer, or a duly authorized representative.

Analysis:

In paragraph 3, a reference to "private sewage disposal system" has been deleted which removes the limit on the abatement of health hazards to that item only. This is an administrative change.

Section 207-F:

207-F ~~FLOOD HAZARD AREA~~ **"FLOOD HAZARD AREA"** is an area subject to either flooding or erosion from surface water runoff, or from wave action of the Pacific Ocean, as determined by the Flood Control ~~Section~~ Division of the Public Works Agency.

Analysis:

Several references to different Public Works Agency "Sections" have been corrected to refer to "Divisions". This is an editorial change.

CHAPTER 6 - TYPES OF CONSTRUCTION

SECTION 607 - HIGH FIRE HAZARD AREAS

Sec. UBC 607.1 HIGH FIRE HAZARD AREA DEFINED. For the purpose of this code, certain areas in the unincorporated territory of the County shall be classified as the High Fire Hazard

Area by the Ventura County Fire Protection District. The High Fire Hazard Area is defined as any area within 500 feet of uncultivated brush, grass, or forest-covered land wherein an authorized representative of said District determines that a potential fire hazard exists due to the presence of such flammable growth.

Sec. UBC 607.2 CONSTRUCTION REQUIREMENTS IN HIGH FIRE HAZARD AREAS. The purpose of this Section is to provide a minimum standard for the fire protection of buildings and structures hereafter erected in proximity to areas of the County where concentrations of highly flammable brush, grass, or other combustible growth combined with periods of hot, dry winds create a high fire hazard, and where lives and property may thereby be endangered.

Buildings or structures hereafter erected, constructed or moved within or into designated high fire hazard areas, including mobilehomes, shall be one of the Types of Construction as defined in this Code and shall meet the requirements of this Section. Although their installation is encouraged, neither manual nor automatic fire extinguishing systems or similar water spraying devices may be substituted for the fire protection set forth herein.

607.2.1 ROOFS. Roof coverings shall be fire retardant Class A. as specified in Section 1504 in the UBC.

607.2.2 EXTERIOR WALLS. Fire-resistive protection of exterior walls and openings, as determined by location on property, shall be as required by Section 503 in the UBC.

EXCEPTION: No exterior wall covering of a building shall provide less fire resistance than that afforded by: 7/8-inch exterior cement plaster; 1-inch nominal thickness solid wood siding; 1/2-inch textured plywood siding having a groove depth of 1/8-inch or less; 7/16-inch hardwood siding; 5/8-inch particleboard, exterior type 2-M; or 5/8-inch exterior plywood, T1-11, having a groove depth of 1/4-inch or less. Fire-retardant treated or untreated wood shingle or shake siding shall not be permitted.

607.2.3 UNDERFLOOR AREAS. Where underfloor areas are not enclosed by fire-resistive construction conforming to the requirements of subsection 607.2.2 above, the underside of the floor system shall be fire-protected as set forth in subsection 607.2.4.

607.2.4 PROJECTIONS AND OTHER BUILDING ELEMENTS EXPOSED TO FIRE. Architectural projections such as roof overhangs and soffits, balconies and decks, and other elements of building which have combustible structural elements in the horizontal plane, shall be protected with materials approved for 1-hour fire-resistive construction on the lower, fire-exposed side and shall have 1-hour fire-resistive supporting columns unless the details of construction conform to those for heavy timber as described in Section 605 in the UBC.

EXCEPTIONS: 1. Combustible structural members in horizontal projections may be unprotected timbers of size 4 x 6 or larger when used as rafters or as stair, balcony, or deck supports or for similar purposes.

2. Patios, carports, arbors and open latticework sunshades may be constructed of any materials allowed by this Code.

3. Balconies and decks 30 inches or more above grade may have flooring of not less than 2-inch nominal thickness lumber or material of equivalent fire

resistance. Such flooring may be spaced not more than 1/4-inch apart and need not be fire protected on the underside.

Balconies and decks less than 30 inches above grade shall be solidly floored without gaps and shall be fire-protected on the underside as required by this Section. In lieu of fire protection, such balconies and decks may be enclosed from floor surface to grade in the manner prescribed for exterior walls in subsection 607.2.2 of this Section.

4. Combustible exterior columns directly supporting roofs, stairs, balconies, and decks may be size 4 x 4 or larger. Columns and beams supporting interior floor loads may be size 6 x 6 or larger.

607.2.5 VENTILATION OPENINGS. Attic or foundation ventilation opening or louvers shall not be located at or within 18", measure vertically, of eaves or rakes, soffits, balconies, decks, or similar exterior overhangs which may be directly exposed to a fire in adjacent hazardous grass or brush areas.

607.3 WAIVER OF REQUIREMENTS. The Building Official may waive the requirements of UBC 607.2.1 through 607.2.5 above, in whole or in part, for specific construction projects within the High Fire Hazard Area when such waiver is approved by an authorized representative of the Ventura County Fire Protection District, based upon site conditions which justify a reduction in fire resistance.

ANALYSIS:

This section has been added to address the special construction requirements for buildings constructed in high fire hazard areas. Theses amendments are necessary because of local climatic and topographical conditions.

CHAPTER 16 - DIVISION I - STRUCTURAL FORCES

Sec. 1611 OTHER MINIMUM LOADS.

1611.12 DRILLED-IN EXPANSION BOLT ANCHORS OR EPOXY-TYPE ANCHORS. Drilled-in expansion bolts, cinch bolts, or epoxy-type anchors may be used when approved by the building official. When used, these bolts shall be sized and installed in accordance with an approval from a recognized approval agency or the manufacturer's design criteria and installation specifications. Drilled-in expansion bolts and cinch bolts shall be tested by an independent testing laboratory to a minimum of 1,000 pounds or to twice the allowable design value for the same size bolt, whichever is greater.

Frequency of testing shall be:

One to five bolts per site - two bolts, selected at random shall be tested and certified.

More than five bolts - 25 percent of such bolt with a minimum of two shall be selected at random to be tested and certified.

Failing bolts shall be reinstalled and retested to the same criteria.

Additional bolts may be required to be tested by the Building Official.

ANALYSIS:

This section has been added to deal with the testing and acceptance requirements for drilled-in expansion bolt anchors and epoxy-type anchors. This is an administrative change.

CHAPTER 18 - FOUNDATION AND RETAINING WALLS

Section 1803 SOIL CLASSIFICATION - EXPANSIVE SOIL.

1803.2 EXPANSIVE SOIL. The expansive characteristics of soil shall be determined by procedures in accordance with UBC Standard Number 18-1 and the soils shall be classified according to Table Number 18-1-B of this Code. Foundations for structures bearing on soils with an expansion index greater than 20, as determined by UBC Standard Number 18-2, shall require special design consideration. In the event the soil expansion index varies with depth, the weighted index shall be determined according to Table Number 18-1-C in the UBC. The Soil Expansion Index shall be listed in all soils investigation reports.

A test to determine the soil expansion index shall be conducted for each building site except that in subdivisions the frequency of testing need not exceed one test per five contiguous lots or one test per five acres, whichever are is smaller. Such tests shall be made after rough grading is completed. Tests shall include a determination of the expansion index for the most expansive soil encountered within the top four feet at each test location whether in cut or fill or a combination thereof.

The expansion index for soil on subdivision lots which have not been individually tested shall be assumed to correspond to the highest reading determined by tests on proximate lots.

ANALYSIS:

This section has been modified to clarify the requirements for testing for expansive soils and to provide standards to which to design foundations in areas of moderate to high expansivity. This change is due to the special geologic conditions found in areas of highly expansive soils.

CHAPTER 18 - FOUNDATION AND RETAINING WALLS

Section 1804 FOUNDATION INVESTIGATION.

1804.2 INVESTIGATION. The classification of soil shall be based on observation and necessary tests of the materials disclosed by borings or excavations made in appropriate locations. Additional studies may be required to evaluate soil strength, the effect of moisture variation on soil bearing capacity, compressibility, liquefaction and expansiveness.

In Seismic Zones 3 and 4, when required by the building official, the potential for seismically induced soil liquefaction and soil instability shall be evaluated as described in Section 1804.5.

EXCEPTIONS: 1. The building official may waive this evaluation upon receipt of written opinion of a qualified geotechnical engineer or geologist that liquefaction is not probable.

2. A detached, single-story dwelling of Group R, Division 3 Occupancy with or without attached garages ~~and single-story accessory structures thereto~~.

3. Group U, Division 1 Occupancies.

4. Fences.

5. ~~Detached single-story Group U, Division 3 occupancies.~~

Whenever, in the opinion of the Building Official, the adequacy and stability of a building site cannot be determined by the test borings or excavations required by this section, he may require a special geologic, geotechnical, hydrologic, seismic, or other investigation and report. Geologic investigations such as those for hillside stability or seismic hazards shall be conducted by a California-certified Engineering Geologist.

Analysis:

Exception 2 has been modified to exempt single story structures accessory to single family dwellings. Exception 5 has been added to exempt single story agricultural buildings. These changes are administrative.

1806 FOOTINGS.

Section 1806.1. GENERAL. Footings and foundations, unless otherwise specifically provided, shall be constructed of masonry, concrete or treated wood in conformance with Chapter 18, Division II and in all cases shall extend below the frost line. Footings of concrete and masonry shall be of solid material. Foundations supporting wood shall extend at least 6 inches above the adjacent finish grade. Footings, foundations, and concrete slab floors at or below grade shall be constructed to comply with Table UBC 18-1-D (Rev.) and footnotes thereto in this ordinance, except when an approved alternative design is provided based on a foundation investigation. UBC Table 18-1-D and footnotes thereto in the UBC is hereby deleted in its entirety, and is replaced by VCBC Table UBC 18-1-D (Rev.) and footnotes thereto, published herewith.

The provisions of this section do not apply to building and foundation systems in those areas subject to scour and water pressure by wind or wave action. Buildings and foundations subject to such loads shall be designed in accordance with approved national standards. See Section 3302 for subsoil preparation and wood form removal.

1806.11 HOLD-DOWN CONNECTORS.

1. All bolt-holes shall be 1/16" (max) over-sized at the connection of hold-downs to posts.

2. Hold-down connection bolts/nuts shall be torqued ½ turn beyond finger tight or as required by manufacturer.

3. Approved plate washers, in-lieu of cut washers, shall be provided for all plywood shearwall sill plate anchor bolts. See Table "A" below.

4. Approved plate washers, in-lieu of cut washers, shall be provided for hold-down connector bolts at shearwall wood flanges. See Table "A" below.

TABLE - A

MINIMUM SIZE FOR SQUARE PLATE WASHERS

BOLT SIZE	PLATE SIZE
1/2"	3/16" x 2" x 2"
5/8"	1/4" x 2 1/2" x 2 1/2"
3/4"	5/16" x 2 3/4" x 2 3/4"
7/8"	5/16" x 3" x 3"
1"	3/8" x 3 1/2" x 3 1/2"

1806.12 DRILLED-IN EXPANSION BOLT ANCHORS OR EPOXY-TYPE ANCHORS. Where additional foundation plate anchor bolts are required after foundations are completed, drilled-in expansion bolts, cinch bolts, or epoxy-type anchors may be used when approved by the building official. When used, these bolts shall be sized and installed in accordance with an approval from a recognized approval agency or the manufacturer's design criteria and installation specifications. Drilled-in expansion bolts and cinch bolts shall be tested by an independent testing laboratory to a minimum of 1,000 pounds or to twice the allowable design value for the same size bolt, whichever is greater.

Frequency of testing shall be:

One to five bolts per site - two bolts, selected at random shall be tested and certified.

More than five bolts - 25 percent of such bolt with a minimum of two shall be selected at random to be tested and certified.

Failing bolts shall be reinstalled and retested to the same criteria.

Additional bolts may be required to be tested by the Building Official.

1806.13 GRADE BEAM, GARAGE OPENING. A grade beam not less than 12" x 12" in cross section, or 12" x depth required by Table UBC 18-1-D (Rev.), whichever is deeper, reinforced as specified for continuous foundations in Table UBC 18-1-D, shall be provided at garage door openings.

1806.14 FIREPLACE FOOTINGS. Fireplace footings shall be reinforced with a horizontal grid located 3" above the bottom of the footing and consisting of not less than No. 4 Bars at 12" on center each way. Vertical chimney reinforcing bars shall be hooked under the grid. Depth of fireplace chimney footings shall be no less than that required by Table UBC 18-1-D (Rev.).

ANALYSIS:

This section has been modified by changes found in Table 18-D due to specific geologic conditions found in Ventura County. These changes are geologically based.

CHAPTER 23 - WOOD

TABLE 23-II-~~I~~G MAXIMUM DIAPHRAGM DIMENSION RATIOS

MATERIAL	HORIZONTAL DIAPHRAGMS	VERTICAL DIAPHRAGMS
	Maximum Span-Width Ratios	Maximum Height-Width Ratios
1. Diagonal sheathing, conventional 2. Diagonal sheathing, special 3. Wood structural panels and particleboard, nailed all edges	3:1 4:1 4:1	~~2:1~~ ~~1:1~~ 2:1 2:1
4. Wood structural panels and particleboard, blocking omitted at intermediate joints	4:1	~~2:1~~ ~~NP~~

Analysis:

This table has been revised to reflect changes made in the 1997 UBC. Footnote 3 in the code has been dropped out due to the high level of seismcity (i.e., Northridge Earthquake) in this region. This is a change based on local geology.

TABLE 23-II-1-1 — ALLOWABLE SHEAR FOR WIND OR SEISMIC FORCES IN POUNDS PER FOOT FOR WOOD STRUCTURAL PANEL SHEAR WALLS WITH FRAMING OF DOUGLAS FIR-LARCH OR SOUTHERN PINE.[1, 2, 3, 4]

PANEL GRADE	MINIMUM NOMINAL PANEL THICKNESS (INCHES) x 25.4 for mm	MINIMUM NAIL PENETRATION IN FRAMING (INCHES) x 25.4 for mm	PANELS APPLIED DIRECTLY TO FRAMING: Nail Size (Common or Galvanized Box)	Nail Spacing at Panel Edges (In.) x 25.4 for mm: 6	4	3	2 (x 0.0146 for N/mm)	PANELS APPLIED OVER 1/2-INCH (13 mm) OR 5/8-INCH (16 mm) GYPSUM SHEATHING: Nail Size (Common or Galvanized Box)	Nail Spacing at Panel Edges (in.) x 25.4 for mm: 6	4	3	2 (x 0.0146 for N/mm)

	3/8	1 1/2	8d	165[5]	240[5]	308[5]	398[5]	10d[6]	195	368	368	480
	7/16			180[5]	263[5]	338[5]	439[5]					
	15/32			195	285	368	480					
	15/32	1 5/8	10d[6]	233	345	450	578	–	–	–	–	–
	19/32			255	383	499	653					
			Nail Size (Galvanized Casing)					Nail Size (Galvanized Casing)				
Plywood panel siding in grades covered in U.B.C. Standard 23-2	5/16	1 1/4	6d	105	158	206	270	8d	105	158	206	270
	3/8	1 1/2	8d	120	180	233	308	10d[6]	120	180	233	308

[1] All panel edges backed with 2-inch (51 mm) nominal or wider framing. Panels installed either horizontally or vertically. Space nails at 6 inches (152 mm) on center along framing members for 3/8-inch (9.5 mm) and 7/16-inch (11 mm) panels installed on studs spaced 24 inches (610 mm) on center and 12 inches (305 mm) on center for other conditions and panel thicknesses. These values are for short-time loads due to wind or earthquake and must be reduced 25 percent for normal loading.
Allowable shear values for nails in framing members of other species set forth in Table 23-III-FF of Division III shall be calculated for all other grades by multiplying the shear capacities for nails in Structural I by the following factors: 0.82 for species with specific gravity greater than or equal to 0.42 but less than 0.49, and 0.65 for species with a specific gravity less than 0.42.

[2] Where panels are applied on both faces of a wall and nail spacing is less than 6 inches (152 mm) on center on either side, panels joints shall be offset to fall on different framing members or framing shall be 3-inch (76 mm) nominal or thicker and nails on each side shall be staggered.

[3] Framing at boundary and panel edges shall be 3-inch (76 mm) nominal or wider and nails shall be staggered for all plywood shear walls with shear values exceeding 300#/ft. Nailing edge distance for 3x boundary and panel edge members shall be 1/2-inch minimum.

[4] The maximum allowable shear for 3-ply plywood, less than 5/8-inch thickness, shall not exceed 200#/ft. when used in shearwalls and framing of Douglas Fir-Larch or Southern Pine.

[5] The values for 3/8-inch (9.5 mm) and 7/16-inch (11 mm) panels applied direct to framing may be increased to values shown for 15/32-inch (12 mm) panels, provided studs are spaced a maximum of 16 inches (406 mm) on center or panels are applied with long dimension across studs.

[6] Framing at adjoining panel edges shall be 3-inch (76 mm) nominal or wider and nails shall be staggered where 10d nails having penetration into framing of more than 1 5/8 inches (41 mm) are spaced 3 inches (76 mm) or less on center.

B6530911-5/99

ANALYSIS:

The allowable shear values in this table have been reduced by 25% following the Northridge Earthquake due to actual performance experience. These changes are based on local geologic conditions.

CHAPTER 25 - GYPSUM BOARD AND PLASTER

Section 2513 - SHEAR-RESISTING CONSTRUCTION WITH WOOD FRAME.

2513.4 HEIGHT TO LENGTH RATIO. The maximum allowable height-to length ratio for the construction in this section shall be 1 to 1. Wall sections have height-to-length ratios in excess of 1½ to 1 shall be blocked.

ANALYSIS:

Changes to this section are based on the performance evidence of this type of construction from the Northridge Earthquake. These changes are based on local geologic conditions.

TABLE 25-I - ALLOWABLE SHEAR FOR WIND OR SEISMIC FORCES
IN POUNDS PER FOOT FOR VERTICAL DIAPHRAGMS OF
LATH AND PLASTER OR GYPSUM BOARD FRAME WALL ASSEMBLIES[1]

TYPE OF MATERIAL	THICKNESS OF MATERIAL	WALL CONSTRUCTION	NAIL SPACING[2] MAXIMUM (inches)	SHEAR VALUE	MINIMUM NAIL SIZE[3]
	x 25.4 for mm		x 25.4 for mm	x 14.6 for N/m	x 25.4 for mm
1. Expanded metal, or woven wire lath and portland cement plaster	7/8"	Unblocked	7	90	No. 11 gage 1 1/2" long, 7/16" head[4]
2. Gypsum lath	3/8" lath and 1/2" plaster	Unblocked	7	30	No. 13 gage, 1 1/8" long, 19/64" head, plasterboard blued nail
3. Gypsum sheathing board[5]	1/2" x 2' x 8'	Unblocked	7	30	No. 11 gage, 1 3/4" long, 7/16" head, diamond-point, galvanized
	1/2" x 4' 1/2" x 4'	Blocked Unblocked	7 7	30 30	
4. Gypsum wallboard or veneer base[5]	1/2"	Unblocked	7	30	5d cooler (0.086" dia., 1 5/8" long 15/64" head) or wallboard (0.086" dia., 1 5/8" long, 9/32" head)
			7	30	
		Blocked	7	30	
			7	30	
	5/8"	Unblocked	7	30	6d cooler (0.092" dia., 1 7/8" long, 1/4" head) or wallboard (0.0915" dia., 1 7/8" long, 19/64" head)
			7	30	
		Blocked	7	30	
			7	30	
		Blocked Two ply	Base ply: 7 Face ply: 7	60	Base ply - 6d cooler (0.092" dia., 1 7/8" long, 1/4" head) or wallboard (0.0915" dia., 1 7/8" long, 19/64" head) Face ply - 8d cooler (0.113" dia., 2 3/8 long, 9/32" head) or wallboard (0.113" dia., 2 3/8" long, 3/8" head

[1]These vertical diaphragms shall not be used to resist loads imposed by masonry or concrete construction. See Section 2513.2. Values shown are for short-term loading due to wind or due to seismic loading in Seismic Zones 0, 1, 2A and 2B. Values shown must be reduced 25 percent for normal loading. The values shown in Items 2, 3 and 4 shall be reduced 50 percent for lading due to earthquake in Seismic Zones 3 and 4.
[2]Applies to nailing at all studs, top and bottom plates and blocking.
[3]Alternate nails may be used if their dimensions are not less than the specified dimensions.
[4]Required minimum nailing shall be No. 11 gage x 1 1/2" long galvanized nails with lath burred to 1/4" from the face of the building paper. Staples and self-barring lath shall not be permitted.
[5]Frame wall assemblies constructed of Portland cement plaster, gypsum sheathing board or gypsum wall board are not permitted to carry shear loads at ground floor of multi-level buildings.

ANALYSIS:

The allowable shear values in this table have been reduced by 25% following the Northridge Earthquake due to actual performance experience. These changes are based on local geologic conditions.

CHAPTER 40 RELOCATED BUILDINGS AND TEMPORARY STRUCTURES

Sec. 40.1. GENERAL REQUIREMENTS. Buildings or structures moved into or within the County shall comply with the provisions of this Code for new buildings or structures except when otherwise permitted by this Code or by State law.

Temporary structures such as reviewing stands and other miscellaneous structures, sheds, canopies or fences used for the protection of the public around and in conjunction with construction work may be erected by special permit from the Building Official for a limited period of time. Such buildings or structures need not comply with the type of construction or fire-resistive time periods required by this Code. Temporary buildings or structures shall be completely removed upon the expiration of the time limit stated in the permit.

Sec. 40.2. PERMIT(S) REQUIRED. It shall be unlawful for any person, firm, or corporation to move or cause to be moved any building or structure excepting a contractor's tool house, construction office, or similar structure which is relocated as construction requires, into or within the County without first obtaining a permit to do so from the Building Official.

EXCEPTION: Buildings moved to the business premises of a house mover for the purpose of temporary storage.

Sec. 40.2.1 NOTIFICATION OF RELOCATED BUILDING. Prior to issuance of relocation permit for any structure and as a part of the application therefor, a Notice of Relocated Building, on a form furnished by the Building Official, shall be posted at the site of the building proposed to be relocated and at the proposed new site location. This public notice shall be maintained for a minimum of 15 days from the date of the application for relocation permit. During this period, interested parties may submit written comments to the Building Official regarding said proposed relocation. (refer to Sec. 40.5 DENIAL OF PERMIT.)

Sec. 40.3. APPLICATION AND INVESTIGATION FEE. To obtain a permit to relocate a building or structure the applicant shall first file an application therefor as required by Section 106.3 in this ordinance. The Building Official may require plans, photographs and other data to substantiate the application.

Each application shall be accompanied by the required investigation fee to cover the costs of processing the application, inspecting the building and premises, and handling other matters connected therewith. Such fee shall be non-refundable. If the building to be moved is located outside the County, the applicant shall pay an additional fee as set forth in the Ventura County Building and Safety Fee Schedule to cover increased costs of inspection and mileage.

40.3.1 The Building Official shall make the following findings prior to issuing the permit:

1. That there is evidence of full compliance with the zoning provisions of Ventura County Ordinance Code, Division 8 - PLANNING AND DEVELOPMENT.

2. That the building shall comply, or shall be altered to comply, with current building, electrical, heating and air conditioning, and plumbing code requirements.

3. That all necessary and required documentation has been submitted for review, including, but not limited to, plans and specifications for all required or proposed improvements at the new location, a soils investigation report, a current termite inspection report, a water "will serve" letter from a recognized water provider or an approved water well certificate, a sewer "will serve" letter from a recognized sanitation district or an approved septic system certificate, and a surety bond in the amount determined by the Building Official as set forth in Sec. 11-16 of this Code.

Sec. 40.4. INVESTIGATION AND REPORT. The Building Official shall cause an investigation to be made of each building or structure for which an application for a relocation permit has been received. A written report shall be prepared based on such inspection, and a copy of the report shall be given to the applicant. This report shall contain the approval or disapproval by the Building Official for relocating the building. If approved for relocation, the report shall list the requirements and corrections necessary for making the building conform to the codes adopted herein.

In granting an approval for relocation, the Building Official may impose such terms and conditions as he may deem reasonable and proper, including time limits for completion of all work, and requirements for whatever changes, alterations, additions, or repairs are necessary to assure that relocation will not be materially detrimental or injurious to public health, safety, or welfare.

The investigation report shall remain valid for a period of 180 days after the building or structure has been inspected, after which time a new investigation and report may be required by the Building Official.

Sec. 40.5. DENIAL OF PERMIT. The Building Official may deny the issuance of a relocation permit for any building or structure which:

1. Is so constructed or is in such condition as to be dangerous.

2. Is infested with pests or is insanitary.

3. Is in such condition in the judgment of the Building Official that it does not admit of practicable and effective repair.

4. Is so dilapidated, defective, or unsightly or is in such a condition of deterioration or disrepair that its relocation at the proposed site would cause appreciable harm to or be materially detrimental to the property or improvements in the area to which it would be relocated.

5. Because of age, size design or architectural treatment, does not substantially conform to the design, plan and construction of the buildings located in the area to which it is to be relocated so that its relocation would be materially detrimental to the property or improvements in said area.

Sec. 40.6. SECURITY REQUIRED. The Building Official shall not issue a permit to relocate a building or structure unless the applicant therefor shall first post with the Building Official a performance bond executed by the owner of the premises where the building or structure is to be located, listing said owner as principal, and an approved surety company authorized to do business in the State as surety; a cash bond naming the County of Ventura as payee; or an assignment of certificates or shares issued by a lending institution doing business in this state and insured by the FDIC. The Building Official may waive the requirement of security when the owner of the property is a governmental agency.

The performance bond required by this Section shall:

1. Be in form joint and several.

2. Name the County of Ventura as obligee.

3. Guarantee that the required work will be completed or, when ordered by the Building Official, the building or structure will be removed or demolished and the site cleared, cleaned, and restored to its original condition.

4. Be in an amount equal to the estimated cost, plus 10 percent, of the work required to be done in order to comply with all of the conditions of the relocation permit or shall be in an amount equal to the cost of demolition and removal, whichever is greater. Such costs for purposes of the bond shall be as estimated by the Building Official.

5. State therein the legal description or address of the property to which the building or structure is to be relocated.

Sec. 40.7. CONDITIONS OF SECURITY. Every performance bond, cash bond, or assignment of shares required by this article shall be conditioned as follows:

1. Unless otherwise specified in the investigation report, work required to be done pursuant to the conditions of the relocation building permit shall be initiated within 180 days from the date of issuance of the permit.

2. The time limit specified may be extended for good and sufficient cause after written request of the principal or surety, before said time limit has expired. The Building Official shall notify the principal and surety in writing of such time extension and may extend the time limit without consent of the surety.

3. The term of each bond posted pursuant to this Article shall begin upon the date of the posting thereof and shall end upon the completion to the satisfaction of the Building Official of the performance of all the terms and conditions of the relocation building permit.

4. The Building Official and the surety, or the duly authorized representative of either, shall have access to the premises described in the relocation permit for the purpose of inspecting the progress of the work.

5. Upon default by the principal, the surety shall cause all required work to be performed as set forth in the conditions of the investigation report and relocation permit.

6. In the event of default in the performance of any term or condition of the relocation permit, the surety or any person employed or engaged on its behalf, or the Building Official or any person employed or engaged on his behalf, may go upon the premises to complete the required work or to remove or demolish the building or structure, and to clear, clean, and restore the site.

Sec. 40.8. PERMIT ISSUANCE AND FEES. Before a permit is issued for the relocation of a building and its reconstruction, repair, and completion at a new site, all required plan review and permit fees shall be paid. The required permits, together with the investigation report, shall comprise the "relocation permit" for the purposes of this Article.

The value to be used in computing the relocation building permit and plan review fees shall be as set forth in Sec. 107.2 in this Code, based upon the estimated cost of all construction necessary to complete the structure.

Sec. 40.9. EXPIRATION OF PERMIT. Permits for the relocation, reconstruction, and repair of a building or structure shall be null and void in accordance with the provisions of Section 106.4.4 in this Code if the building or structure is not relocated to the proposed site and/or the required work commenced within 6 months of the date of issuance of such permits.

Sec. 40.10. PROCEDURE UPON DEFAULT.

40.10.1 PERFORMANCE BOND. Should the principal fail to comply with the conditions required by the relocation permit, the Building Official shall give notice of default in writing to the principal and to the surety named in the performance bond.

The notice of default shall state the conditions of the bond which have not been complied with and shall specify the period of time the Building Official deems to be reasonably necessary for completion of the work.

Upon receipt of a notice of default, the surety shall cause the required work to be completed within the time specified.

The surety shall have the option of removing or demolishing the building or structure in lieu of completing the required work, in which case the site shall be suitably cleared, cleaned, and restored to the satisfaction of the Building Official.

EXCEPTION: The surety may be granted a release from its obligation to perform under the conditions of the performance bond provided:

1. A written agreement is executed between Surety and the Division of Building and Safety under which the Division assumes responsibility for causing completion of required work or demolition of the structure; and

2. A cash bond is posted by the Surety in the amount of the performance bond, payable to the County of Ventura, to enable the Building official to cause the required work of repair or demolition to be performed in accordance with Section 40.10.2 in this ordinance.

40.10.2 CASH BOND. When a cash bond has been posted the Building Official shall give notice of default to the principal in the manner set forth above. Should the principal fail to comply with requirements within the specified time period, the Building Official at his own discretion may proceed without delay and without further notice or proceeding to use the cash deposit or any portion thereof to cause the required work to be completed by contract or otherwise.

40.10.3 ASSIGNMENT OF SHARES. When an assignment of share has been posted the Building Official shall give notice of default to the principal in the manner set forth above. Should the principal fail to comply with requirements within the specified time period, the Building Official may request payment of the assigned certificates or shares or any portion thereof by the lending institution and at his own discretion the Building Official may proceed without delay and without further notice or proceeding to use such assets to cause the required work to be completed by contract or otherwise.

Sec. 40.11 RELEASE OF SECURITY.

40.11.1 PERFORMANCE BOND. When all conditions and requirements of the relocation permit and applicable laws and ordinances have been completed, the Building Official shall notify the surety that the bond has been exonerated.

40.11.2 CASH BOND. When a cash bond has been posted and all requirements of the relocation permit have been completed, the Building Official shall return the cash to the depositor, or to his successors or assigns, except any portion thereof that may have been used, cashed, or deducted as provided elsewhere in this Article.

40.11.3 ASSIGNMENT OF SHARES. When an assignment of shares has been made and all requirements of the relocation permit have been completed, the Building Official shall notify the lending institution and shall do all things reasonably necessary to effect a release of said assignment to the principal or to his successors or assigns, except any portion thereof that may have been used, cashed or deducted as provided elsewhere in this Article.

ANALYSIS:

This entire chapter has been added to deal with moved buildings and to provide the procedures necessary for their proper permitting and installation. This is an administrative change.

CHAPTER 41 SWIMMING POOLS, ORNAMENTAL POOLS, AND APPURTENANT FENCING

SECTION 41.1 - GENERAL

41.1.1 SCOPE. The provisions of this section apply to the design and construction of barriers for swimming pools located on the premises of Group R, Division 3 Occupancies.

4.1.2 STANDARDS OF QUALITY. In addition to the other requirements of this code, safety covers for pools and spas shall meet the requirements for pool and spa safety covers as listed below. The standard list below is a recognized standard. (See Section 3504.)

ASTM F 1346, Standard Performance Specification for Safety Covers and Labeling Requirement for All Covers for Swimming Pools, Spas and Hot Tubs.

SECTION 41.1.3 - DEFINITIONS.

For the purpose of this Article certain terms, words and phrases are defined as follows:

Aboveground/On-Ground Pool. See definition of "swimming pool."

Approved safety pool cover means a manually or power-operated safety pool cover that meets all of the performance standards of the American Society for Testing and Materials (ASTM), in compliance with standard F1346.

Barrier (enclosure) is a fence, wall, building wall or combination thereof that completely surrounds the swimming pool and obstructs access to the swimming pool.

Exit Alarms means devices that make audible, continuous alarm sounds when any door or window, that permits access from the residence to the pool area that is without any intervening enclosure, is opened or is left ajar. Exit alarms may be battery operated or may be connected to the electrical wiring of the building.

Grade is the underlying surface, such as earth or a walking surface.

Hot Tub. See definition of "spa, nonself-contained" and "spa, self-contained."

In-Ground Pool. See definition of "swimming pool."

Public Swimming Pool means a swimming pool operated for the use of the general public with or without charge, or for the use of the members and guests of a private club. Public swimming pool does not include a swimming pool located on the rounds of a private single-family home.

Separation Fence is a barrier that separates all doors of a dwelling unit with direct access to a swimming pool from the swimming pool.

Spa, Nonself-Contained, is a hydromassage pool or tub for recreational or therapeutic use, not located in health-care facilities, designed for immersion of users and usually have a filter, heater and a motor-driven blower. It may be installed indoors or outdoors , on the ground or on a supporting structure, or in the ground or in a supporting structure. A nonself-contained spa is intended for recreational bathing and contains water over 18 inches deep.

Spa, Self-Contained, is a continuous-duty appliance in which all control, water-heating and water-circulating equipment is an integral part of the product, located entirely under the spa skirt. A self-contained spa is intended for recreational bathing and contains water over 18 inches deep.

Swimming Pool, is any structure intended for swimming or recreational bathing that contains water over 18 inches deep. This includes in-ground, aboveground and on-ground swimming pools, and fixed-in-place wading pools. The term "swimming pool," does not apply to plumbing fixtures such as bathtubs or hydro-therapy tubs; nor does it apply to man-made lakes,

reservoirs or farm ponds used primarily for public park purposes, ornamentation, water conservation, irrigation, ground-water recharging basins, or watering of livestock. It shall apply to any water-filled excavation, lined or unlined, within three (3) feet of any structure or property line. (Public pools shall comply also with CCR Title 24).

Swimming Pool, Indoor, is a swimming pool that is totally contained within a residential structure and surrounded on all four sides by walls of said structure.

Swimming Pool, Outdoor, is a swimming pool that is not an indoor pool.

Sec. 41.2. POOL DESIGN AND CONSTRUCTION

41.2.1 GENERAL. Pool design and construction shall be in accordance with accepted engineering practice, shall be in conformity with applicable provisions of the adopted building, electrical, plumbing, and mechanical codes, and shall be structurally suitable for the soil, topographic, and geologic conditions prevailing at the construction site.

41.2.2 EXPANSIVE SOIL DESIGN. Pools constructed below grade shall be designed on the assumption that their construction is to be in an area of moderately expansive soil having an expansion index of 51-90 and an equivalent fluid pressure of not less than 45 pounds per cubic foot (45 p.c.f.).

> EXCEPTION: Where tests indicate that soils at a pool site are non-expansive or have low expansion characteristics from the ground surface to the full depth of the pool, structural design may be based on an equivalent fluid pressure not less that 30 p.c.f.

In highly expansive soils having an expansion index of 91-130, pools shall be designed for not less than 60 p.c.f. equivalent fluid pressure.

In very highly expansive soils having an expansion index over 130, pool design shall be subject to special requirements based on a site investigation, soil testing, and engineering analysis by a registered civil engineer to determine appropriate design parameters for the site.

41.2.3 HYDROSTATIC UPLIFT. In areas of anticipated high water table ~~or moderate or highly expansive soil~~ an approved hydrostatic relief system or device shall be installed.

41.2.4 THERMAL PROTECTION FOR PLASTIC PIPING. Between the inlet of pool water heating equipment and any plastic water piping connected thereto, a check valve shall be installed to prevent thermal damage to such piping due to backflow.

> EXCEPTION: When rapid or high-rate filters are employed a check valve may be omitted.

Between the outlet of pool heating equipment and any plastic water piping connected thereto, not less than five feet of approved metal pipe shall be installed for the purpose of dissipating heat.

41.2.5 SAFEGUARDING SUCTION DRAINS. Bottom drains and suction intakes in pools and spas shall be covered with grates or other protective devices which cannot be removed except with tools. The slots or openings in these covers shall be of such area, shape, and

arrangement as to prevent bathers from being drawn thereto with such force as to constitute a safety hazard.

41.2.6 GRAB BARS. Wherever egress from a pool is restricted by the presence of a vertical wall or other barrier which extends more than 12" above the water surface at the pool edge, permanent continuous grab bars, handrails, or other approved equivalent devices shall be installed within 12 inches above of the water surface. Such devices shall be capable of being securely grasped, and shall be adequate to support the weight of a user of the pool.

Sec. 41.3. DECKS

41.3.1 GENERAL. A deck shall be provided around below-grade swimming pools except when special engineering design is furnished which indicates that such deck is not necessary for the purpose of maintaining the structural integrity of the pool and/or for controlling surface water and moisture content in the soil adjacent to the pool. Decks shall not be required for spas and hot tubs.

41.3.2 DECK DESIGN AND CONSTRUCTION. Required decks shall be constructed of concrete or other approved impervious material and shall be sloped to provide positive drainage away from the perimeter of the pool. Except as provided below, decks shall have a minimum width of four feet and shall be at least 3-1/2 inches in thickness. Reinforcement shall be #3 bars spaced not over 24 inches o.c. each way, or equivalent reinforcing.

Approved joints shall be provided in the deck at corners, at maximum 10-foot intervals, and wherever necessary in order to control cracking, to allow for differential movement, and to minimize damage to the deck from such movement should it occur.

Joints in decks and coping shall be made watertight with an approved permanent resilient sealant.

41.3.3 CUTOFF WALLS. At the outer perimeter of pool decks a cutoff wall of approved material shall be installed below-grade to a depth of at least 15 inches so as to form a permanent and effective vertical moisture barrier.

EXCEPTIONS: 1. A cutoff wall may be omitted when a deck at least six feet wide is installed.

2. Decks less than four feet in width may be installed provided that the required cutoff wall is increased in depth beyond the minimum by an amount equal to the reduction in deck width.

41.3.4 PRE-SATURATION, HIGHLY EXPANSIVE SOILS. When the soil below a deck has an expansion index of 91 or greater it shall be saturated with water to a depth of at least 18 inches prior to installation of the deck.

41.3.5 DECK BONDING. When decks are to be installed, whether structurally required or not, the reinforcing installed therein shall be electrically bonded together with the pool shell reinforcing and metal parts of electrical equipment associated with the pool water recirculating system and with miscellaneous metal accessories, such as pool slides, diving boards and spring boards, in accordance with NEC Sec. 680-22.

Sec. 41.4. DRAINAGE AND DISPOSAL

41.4.1 SURFACE WATER. Surface water from pool decks shall be collected and conducted through non-erosive devices to a street, storm drain, or other approved watercourse or disposal area.

41.4.2 WASTE WATER. Pool waste water shall be disposed of in accordance with the requirements of the Environmental Health Officer.

41.4.3 DRYWELLS. Drywells shall not be employed for pool wastewater disposal except when specifically approved for the purpose and when it has been determined that such installation is not likely to have adverse effects on the structural stability of the pool or other structures on the site. The Building Official may require a percolation test, soils report, and/or geological report to make such a determination.

Sec. 41.5. SPECIAL INSPECTION. Special inspection as required by Section 1701.5.12 in the UBC shall be provided for pneumatically placed concrete (gunite) in swimming pools.

Sec. 41.6. BARRIER REQUIREMENTS.

41.6.1 OUTDOOR SWIMMING POOL. An outdoor swimming pool shall be provided with a barrier that shall be installed, inspected and approved prior to plastering or filling with water. The barrier shall comply with the following:

1. The top of the barrier shall be at least 60 inches above grade measured on the side of the barrier that faces away from the swimming pool. The maximum vertical clearance between grade and the bottom of the barrier shall be 2 inches measured on the side of the barrier that faces away from the swimming pool. The maximum vertical clearance at the bottom of the barrier may be increased to 4 inches when grade is a solid surface such as a concrete deck, or when the barrier is mounted on the top of the above ground pool structure. When barriers have horizontal members spaced less than 45 inches apart, the horizontal members shall be placed on the pool side of the barrier. Any decorative design work on the side away from the swimming pool, such as protrusions, indentations or cutouts, which render the barrier easily climbable, is prohibited.

2. Openings in the barrier shall not allow passage of a 1 3/4-inch diameter sphere.

   Exceptions:

   1. When vertical spacing between such openings is 45 inches or more, the opening size may be increased such that the passage of a 4-inch diameter sphere is not allowed.

   2. For fencing composed of vertical and horizontal members, the spacing between vertical members may be increased up to 4 inches when the distance between the tops of horizontal members is 45 inches or more.

3. Chain link fences used as the barrier shall not be less than 11 gauge.

4. Access gates shall comply with the requirements of Items 1 through 3. Pedestrian access gates shall be self-closing and have a self-latching device. Where the release mechanism of the self-latching device is located less than 60 inches (1524 mm) from the bottom of the gate, (1) the release mechanism shall be located on the pool side of the barrier at least 3 inches (76 mm) below the top of the gate, and (2) the gate barrier shall have no opening greater that ½ inch (12.7 mm) within 18 inches (457 mm) of the release mechanism. ~~Pedestrian gates shall swing away from the pool.~~ Any gates other than pedestrian access gates shall be equipped with lockable hardware or padlocks and shall remain locked at all times when not in use.

5. Where a wall of Group R, Division 3 Occupancy dwelling unit serves as part of the barrier and contains door openings between the dwelling unit and the outdoor swimming pool that provide direct access to the pool, a separation fence meeting the requirements of Items 1, 2, 3 and 4 of Section 41.6.1 shall be provided.

   Exception: When approved by the building official, one of the following may be used:

   1. Self-closing and self-latching devices installed on all doors with direct access to the pool and the release mechanism located a minimum of 54 inches above the floor.

   2. An alarm installed on all doors with direct access to the pool. The alarm shall sound continuously for a minimum of 30 seconds within seven seconds after the door and its screen, if present, are opened, and be capable of providing a sound pressure level of not less than 85 dBA when measured indoors at 10 feet. The alarm shall automatically reset under all conditions. The alarm system shall be equipped with a manual means, such as a touchpad or switch, to temporarily deactivate the alarm for a single opening. Such deactivation shall last no longer than 15 seconds. The deactivation switch shall be located at least 54 inches above the threshold of the door.

   3. Other means of protection may be acceptable so long as the degree of protection afforded is not less than that afforded by any of the devices described above.

6. Where an above ground pool structure is used as a barrier or where the barrier is mounted on top of the pool structure, and the means of access is a ladder or steps, then (1) the ladder or steps shall be capable of being secured, locked or removed to prevent access or (2) the ladder or steps shall be surrounded by a barrier that meets the requirements of Items 1 though 5. When the ladder or steps are secured, locked or removed, any opening created shall be protected by a barrier complying with Items 1 through 5.

7. Outdoor Swimming Pools with an approved safety pool cover shall not be required to provide other barriers.

8. Other means of protection, if the degree of protection afforded is equal to or greater than that afforded by any of the devices set forth in Items 1 through 7, above, may be approved by the building official of the jurisdiction issuing the applicable building permit.

41.6.2 INDOOR SWIMMING POOL. For an indoor swimming pool, protection shall comply with the requirements of Section 41.6.1, Item 5.

41.6.3 SPAS AND HOT TUBS. For a nonself-contained and self-contained spa or hot tub, protection shall comply with the requirements of Section 41.6.1.

Exception: Spas or hot tubs equipped with a listed safety cover shall be exempt from the requirements of Section 41.6.1.

Analysis:

ENTIRE CHAPTER: This chapter has been rewritten entirely incorporating the requirements of the "Pool Safety Act" passed by the California State Legislature together with requirements from the 1997 UBC Appendix Chapter 4, Division I (Titled "Barriers for Swimming Pools, Spas and Hot Tubs") and local amendments to the chapter carried forward from prior adoptions.

CHAPTER 42 - MOBILEHOMES AND COMMERCIAL COACHES

Sec. 42.1. DEFINITIONS. For the purposes of this Article the terms "mobilehome," "commercial coach," "mobilehome accessory structure," and "foundation system" shall have the meanings set forth in Title 25, California Code of Regulations, and shall also apply to "manufactured housing" and "factory-built housing".

Sec. 42.2. SCOPE. The provisions of this Article shall apply to mobilehomes and commercial coaches installed outside mobilehome parks in all locations where the County of Ventura is the primary enforcement authority for applicable provisions of the State Mobilehome Parks Act, Subchapter 1 of Chapter 2, California Code of Regulations, Title 25.

Sec. 42.3. INSTALLATION PERMIT REQUIRED. No person, firm, or corporation shall install, occupy, or use a mobilehome, mobilehome accessory structure, or commercial coach or cause the same to be done without first obtaining an installation permit therefor. Said installation permit shall be issued subject to compliance with applicable laws and ordinances, including but not limited to:

1. Terms and conditions of a zoning clearance, including time limits established thereby.

2. Requirements for an approved foundation system.

3. Requirements for approved electrical, plumbing, and sewage disposal facilities.

4. Payment of installation permit fees in addition to fees for permits, services or clearances which may otherwise be required.

Sec. 42.4. SPECIAL REQUIREMENTS, COMMERCIAL COACHES

42.4.1 ALLOWABLE AREA. The area of commercial coach units connected in multiple shall not exceed the allowable floor area for the occupancy housed therein and the Type of Construction, in accordance with Section 504 in the UBC.

42.4.2 LOCATION ON PROPERTY. Commercial coaches shall be positioned on a site with sufficient setback from property lines so as to comply with the requirements of Section 503 in the UBC for fire-resistive protection of exterior walls and openings without the necessity for altering the structure or finish materials of the exterior walls of the coach.

42.4.3 STAIRS AND EXITS. Stairs, ramps, handrails, guardrails, landings, and exits shall be provided for commercial coaches as specified in Chapter 10 in the UBC. Such coaches shall also conform to applicable standards of the State of California for making buildings accessible by physically handicapped persons.

42.4.4 SANITARY FACILITIES. Commercial coaches shall be provided with sanitary facilities in accordance with the requirements of this Code which are applicable to the particular occupancy housed therein. Sanitary facilities shall also conform to the applicable standards of the State of California for accessibility to physically handicapped persons.

Sec. 42.5. REQUIREMENTS IN HIGH FIRE HAZARD AREAS. The requirements of Section UBC 607.2 in this ordinance shall be applicable to mobilehomes, mobilehome accessory structures, manufactured or factory-built housing, and commercial coaches installed within High Fire Hazard areas.

Sec. 42.6. SUBSTANDARD OR DANGEROUS MOBILEHOMES AND COMMERCIAL COACHES. All mobilehomes, commercial coaches, or portions thereof, whether permanently or temporarily installed, which are determined to be substandard or dangerous as defined in the Uniform Housing Code or the Dangerous Buildings Code as amended by this ordinance, are hereby declared to be public nuisances and shall be abated by repair, rehabilitation, demolition or removal in accordance with procedures specified in such codes.

Sec. 42.7 RECREATIONAL VEHICLES

42.7.1 DEFINITION

See Section 18010 of the California Code of Regulations, Health and Safety Code which reads as follows:

"Recreational vehicle" means either of the following:

(a) A motor home, travel trailer, truck camper, or camping trailer, with or without motive power, designed for human habitation for recreational, emergency, or other occupancy, which meets all of the following criteria:

(1) It contains less than 320 square feet of internal living room area, excluding built-in equipment, including, but not limited to, wardrobe, closets, cabinets, kitchen units or fixtures, and bath or toilet rooms.

(2) It contains 400 square feet or less of gross area measured at maximum horizontal projections.

(3) It is built on a single chassis.

(4) It is either self-propelled, truck-mounted, or permanently towable on the highways without a permit.

(b) A park trailer designed for human habitation for recreational or seasonal use only, which meets all of the following criteria:

(1) It contains 400 square feet or less of gross floor area measured at the maximum horizontal projections. However, it may not exceed 12 feet in width or 40 feet in length in the traveling mode.

(2) It is built on a single chassis.

(3) It may only be transported upon the public highways with a permit.

(Amended by Stats. 1990, Ch. 765, Sec. 3.)

42.7.2 ALLOWABLE USE

Recreational vehicles may only be used as "temporary dwellings during construction", as long as a building permit for new residential construction or major remodeling is in full force and effect and subject to Zoning Clearance conditions.

Recreational vehicles cannot be used as permanent dwellings or permanent accessory structures on private property, except as specifically allowed under California State law.

ANALYSIS:

This entire chapter has been written identify the requirements for placing mobile homes and commercial coaches on private property. They also coordinate with regulations found in Title 25 of the California Code of Regulations for mobile homes and commercial coaches. These are administrative changes.

CHAPTER 43 - POST-DISASTER RECOVERY AND RECONSTRUCTION

SECTION 43.1 POST-DISASTER SAFETY ASSESSMENT PLACARDS AND SECURITY

43.1.1 SCOPE. This chapter establishes standard placards to be used to indicate the condition of a structure for continued occupancy after any natural or man-made disaster. It further authorizes the Division of Building and Safety as well as authorized representatives, to post appropriate placards at each entry point to a building or structure upon completion of a safety assessment.

43.1.2 APPLICATION OF PROVISIONS. The provisions of this chapter are applicable to all buildings and structures, of all occupancies, regulated by the County of Ventura following each natural or man-made disaster.

43.1.3 DEFINITIONS.

43.1.3.1 Building Official is the officer or other designated authority charged with the administration and enforcement of this chapter, or duly authorized representative.

43.1.3.2 Safety assessment is a visual examination of a building or structure for the purpose of determining whether continued occupancy is appropriate following a natural or man-made disaster.

43.1.4 PLACARDS. The following official placards shall be used to designate the condition of buildings or structures following a disaster.

43.1.4.1 INSPECTED - LAWFUL OCCUPANCY PERMITTED may be posted on any building or structure where no apparent hazard has been found. Placement of this placard does not mean that there is no damage to the building or structure.

43.1.4.2 RESTRICTED OR LIMITED ENTRY may be posed on each damaged building or structure where damage has created a hazardous condition which justifies restricted occupancy. The building official who posts this placard will note in general terms the hazard created and will clearly and concisely note the restrictions on occupancy.

43.1.4.3 UNSAFE - Do Not Enter or Occupy may be posted on each damaged building or structure such that continued occupancy poses a threat to life or health. Buildings or structures posted with this placard may be entered only after authorization in writing by a building official. Safety assessment teams are authorized to enter these buildings at any time. This placard shall not be used or considered as a demolition order. The official who posts this placard shall note in general terms damage encountered.

43.1.4.5 SECURING OF UNSAFE BUILDINGS OR STRUCTURES - Buildings or structures that have been determined by the building official to pose a threat to life safety or to be unsafe due to damage may be required by the building official to be secured from entry by fencing or other approved means until such time that the damage or threat to life is removed by repair, reconstruction or demolition. The fencing or security measures shall not be removed without authorization from the building official.

43.1.4.6 REMOVAL OF PLACARDS - Once the placard has been attached to a building or structure, it shall not be removed, altered or covered until authorized by the building official.

43.1.5 VIOLATION. Any violation of Article 3, Chapter 43 of this code is a misdemeanor and shall be subject to punishment according to the provisions of Article 2, Chapter 1, Section 103.

Section 43.2 POST DISASTER ABATEMENT

43.2.1 INTENT. This chapter establishes abatement criteria for all buildings and structures damaged as a result of a disaster for which a local emergency has been declared by the Board of Supervisors.

43.2.2 APPLICATION OF PROVISIONS. The provisions of this chapter are applicable to all buildings and structures regulated by the County of Ventura.

43.2.3 DEFINITIONS. For the purpose of the chapter, the following definitions apply:

43.2.3.1 EVENT shall mean any occurrence which results in the declaration of a disaster by the Board of Supervisors, including but not limited to, fires, landslides, wind storms, earthquakes, and floods.

43.2.3.2 HISTORIC BUILDING OR STRUCTURE shall be any building or structure registered with a federal, state, county, or city government, or the register of points of interest. Historic buildings and structures shall also include those buildings and structures within a recognized historic district.

43.2.3.3 STATE HISTORIC PRESERVATION OFFICER (SHPO) is the person appointed by the Governor, pursuant to Section 101(b)(1) of the National Historic Preservation Act of 1966, as amended, to administer the State Historic Preservation Program.

43.2.4 ABATEMENT CRITERIA

43.2.4.1 NOTICE OF DETERMINATION. Except as provided in subsection 43.2.4.2 below, the Building Official shall serve a written Notice of Determination to each property owner as found on the latest available copy of the County Assessor's Role. Said Notice of Determination shall be delivered by hand-delivery, telephone, telegram, facsimile or other reasonable means, and shall clearly indicate that the structure is an imminent hazard and dangerous and that, as such, it constitutes a public nuisance. The notice shall set forth those factors which, in the opinion of the Building Official, make the structure an imminent hazard and dangerous, and shall also include a directive from the Building Official of the specific action or actions to be taken by the property owner. The Notice shall specify that within forty-eight (48) hours from the time of issuance of the Notice of Determination, the owner or other part of record with an equitable or legal interest in said property shall abate the nuisance in accordance with the directives written in the notice of determination by the Building Official.

43.2.4.2 NOTICE OF DETERMINATION EXCEPTION. No prior notice shall be required, when the Building Official, after considering all the facts, determines, in writing, that the structure is an imminent hazard and dangerous, and that it must be abated immediately and that time and circumstances do not permit the giving of prior notice to the owner. In those cases where time and circumstances do not permit the County to give the owner notice prior to abatement, the Building Official may cause the nuisance to be abated by the County with County resources or County contractees.

43.2.4.3 APPEAL OF NOTICE OF DETERMINATION. A Notice of Determination delivered by the Building Official, that a building or structure is an imminent hazard and dangerous and therefore must be abated, may be appealed by the property owner or any other party of record with an equitable or legal interest in said property. Such appeal must be made to the Building Official within 48 hours of delivery of such notice of determination by the Building Official. Such appeal shall be accompanied by a written Hazard Abatement Plan signed by a State of California licensed engineer or architect or by a written report by a State of California licensed engineer or architect stating why the engineer or architect feels the building or structure is not an imminent hazard or dangerous at this time. Such report shall include a recommendation by the engineer or architect as to what should and/or should not be done at this time. If the Building Official accepts the proposed Hazard Abatement Plan in lieu of the Notice of Determination, the Hazard Abatement Plan must be implemented within 24 hours of acceptance

by the Building Official. If the Building Official accepts an engineer's report and agrees there is no imminent hazard, the Building Official shall rescind in writing his former Notice of Determination.

Should the Building Official disagree with the Hazard Abatement Plan, or should the Building Official disagree with the engineer's or architect's report, a hearing shall be conducted within 24 hours by the General Board of Appeals.

43.2.4.4 GENERAL BOARD OF APPEALS HEARING. At the hearing, the appellant shall have the right to call witnesses, submit evidence and to cross-examine the witnesses, submit evidence and to cross-examine the witnesses of the County. All witnesses shall be sworn.

A record of the entire proceedings shall be made by tape recording. Any relevant evidence may be submitted regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions in the courts of this State.

At the close of this hearing, the General Board of Appeals shall act to either uphold, overrule or modify the determination and order of the Building Official . The determination and order of the Building Official shall be upheld, unless the Board of Appeals finds, based upon the evidence in the record, that the Building Official erred in determining that the structure is an imminent hazard and dangerous. The decision of the Board of Appeals, with the reasons therefore, may be given orally on the record. If given orally, the decision shall be memorialized in writing and served upon the applicant within twenty-four (24) hours of the time the oral decision is rendered.

If the General Board of Appeals upholds the decision of the Building Official, the property owners of record shall be ordered to abate the public nuisance within the time set forth in the order. If the structure is determined not to be an imminent hazard and dangerous, the Building Official's determination and order shall be vacated. The decision of the General Board of Appeals shall be final on the date it is rendered.

43.2.4.5 HAZARD ABATEMENT PLAN. If a Hazard Abatement Plan is approved by the Building Official, the owner or other interested party of record shall execute such plan within twenty-four (24) hours of obtaining approval of the plan from the Building Official, or his designee. Within twenty-four (24) hours of completion of the abatement work the owner or other interested party of record shall provide the Building Official with a written certification that the public nuisance, as described in the Building Official's Notice of Hazard, has been abated.

If the work performed pursuant to the Hazard Abatement Plan amounts to temporary abatement, the owner or other party of record, prior to proceeding with permanent repairs, shall obtain required permits and file a damage assessment report with the Building Official. The damage assessment report shall be reviewed and approved by the Building Official before permanent repairs are performed.

43.2.4.6 FAILURE TO PERFORM. In those instances where the property owner or other interested party of record either does not respond to the Building Official's Notice of Hazard or approved Hazard Abatement Plan, responds untimely, or responds timely but fails to abate the public nuisance within the required time period, the imminent hazard and dangerous structure shall be subject to immediate abatement by the Building Official.

43.2.4.7 PUBLIC NUISANCE. All structures or portions thereof which, after inspection by an unauthorized County Official, are determined to be an imminent hazard and dangerous, either to the public, occupants of the subject structure, or to any adjacent structures, are hereby declared to be public nuisances and shall be abated by the owner in accordance with the procedures specified in sections 43.2.4.4 and 43.2.4.5.

43.2.4.8 SUSPENSION OF ABATEMENT OF WORK. Notwithstanding any provisions herein to the contrary, the Building Official is authorized to suspend abatement work by the County, or the County's contractees, and to allow the property owner or other part of legal interest to complete the abatement work.

43.2.4.9 CHANGE OF STATUS. When the conditions making a structure an imminent hazard and dangerous have been abated, the structure shall no longer be considered an imminent hazard and dangerous. However, if the abatement work is temporary in nature, as determined by the Building Official, the structure shall remain subject to the provisions of this Chapter.

43.2.4.10 DEMOLITION PERMIT. If the owner of any building or structure has decided to demolish rather than repair, the owner, or the owner's representative, shall obtain a demolition permit.

43.2.5 HAZARD ABATEMENT OF HISTORIC BUILDINGS OR STRUCTURES.

43.2.5.1 NOTIFICATION OF IMMINENT HAZARD. Within 10 days after the event, the Building Official shall notify the State Historic Preservation Officer that one of the following actions will be taken regarding any historic building or structure determined by the Building Official to represent an imminent hazard to the health or safety of the public, or to pose an imminent threat to the public right of way:

43.2.5.1.1 BRACING OR SHORING. Whenever possible, as determined by the Building Official, the building or structure may be braced or shored in such a manner as to mitigate the hazard to public health or safety or the hazard to the public right of way.

43.2.5.1.2 CONDEMNATION. Whenever bracing or shoring is determined to be an unreasonable alternative, the Building Official may cause the building or structure to be condemned and immediately demolished. Such condemnation and demolition may be performed in the interest of public health or safety without a condemnation hearing as required by the Uniform Code for the Abatement of Dangerous Buildings as adopted by reference in Article 1, Chapter 7, and as amended by Article 8 of this Code.

43.2.5.2 CONDEMNATION PROCEEDINGS. If, ten (10) days after the event and less than 30 days after the event, an historic building or structure is determined by the Building Official to represent a hazard to the health or safety of the public or to pose a threat to the public right of way, the Building Official may initiate condemnation proceedings in accordance with the Uniform Code for the Abatement of Dangerous Buildings as adopted by reference in Article 1, Chapter 7, and as amended by Article 8 of this Code. The Building Official may also notify the Federal Emergency Management Agency, in accordance with the National Historic Preservation Act of 1966, as amended, of its intent to hold a condemnation hearing.

43.2.5.3 REQUEST TO DEMOLISH. If the Building Official and the owner of any historic building or structure agree that such a building or structure should be demolished, the Building

Official shall submit a request to demolish to the Federal Emergency Management Agency, in accordance with the National Historic Preservation Act of 1986, as amended. Said request shall include all substantiating data.

Section 43.3 DISASTER REPAIR AND RECONSTRUCTION

43.3.1 INTENT. This Chapter establishes standards and regulations for the expeditious repair and reconstruction of structures damaged as a result of a disaster for which a local emergency has been declared by the Board of Supervisors. The Chapter does not allow exemptions from the Building, Fire Electrical, Mechanical, Plumbing, other codes, or County Ordinances.

43.3.2 APPLICATION OF PROVISIONS.

43.3.2.1 DECLARATION OF EMERGENCY. The provisions of this chapter are applicable to all buildings and structures regulated by the County of Ventura following each disaster after a local emergency has been declared by the Board of Supervisors.

43.3.2.2 WAIVER FOR ENGINEERING EVALUATION. The requirements of this chapter may be waived by the Building Official subject to an engineering evaluation as defined in Section 43.3.3.

43.3.3 DEFINITIONS. For the purpose of this chapter, the following definitions apply:

43.3.3.1 ARCHITECT is a person licensed by the State of California to practice architecture as prescribed by the State of California Business and Professions Code.

43.3.3.2 CIVIL ENGINEER is a person registered by the State of California to practice Civil Engineering as prescribed by the State of California Business and Professions Code.

43.3.3.3 CURRENT CODE shall mean the edition of the Uniform Building Code published by the International Conference of Building Officials, as adopted by the County of Ventura in accordance with operation of law pursuant to Section 18941.5 of the State of California Health and Safety Code. The edition to be applied shall be that edition in effect at the time of the declaration of a local emergency by the Board of Supervisors, County of Ventura.

43.3.3.4 ENGINEERING EVALUATION is an evaluation of a damaged building or structure, or suspected damaged building or structure, performed under the direction of a structural engineer, civil engineer, or architect retained by the owner of the building or structure. Engineering evaluations shall, at a minimum, contain recommendations for repair with appropriate opinion of construction cost for those repairs. All engineering evaluations shall include the engineer's or architects's stamp, wet-signature and license expiration date.

43.3.3.5 ESSENTIAL SERVICE FACILITY shall mean those buildings or structures designated by the County of Ventura to house facilities necessary for emergency operations subsequent to a disaster.

43.3.3.6 REPLACEMENT VALUE is the dollar value, as determined by a Building Official, for replacing a damaged structure with a new structure of the same size, same type of construction and same occupancy, and located on the same site.

43.3.3.7 STRUCTURAL ENGINEER is a person registered by the State of California to practice civil engineering and to use the title structural engineer as defined in the State of California Business and Professions Code.

43.3.3.8 VALUE OF REPAIR is the dollar value, as determined by the Building Official, for making necessary repairs to the damaged structure.

43.3.3.9 BUILDING OFFICIAL is the officer or other designated authority charged with the administration and enforcement of this chapter, or duly authorized representative.

43.3.4 REPAIR CRITERIA

43.3.4.1 GENERAL. Buildings and structures of all occupancies which have been damaged as the result of a disaster, except as otherwise noted, shall be repaired in accordance with the following criteria:

43.3.4.2 UP TO TEN PERCENT REPAIR VALUE. When the estimated value of repair does not exceed ten percent (10%) of the replacement value of the structure, the damaged portion may be restored to the pre-disaster condition; except that when the damaged elements include suspended ceiling systems, the ceiling system shall be repaired with all bracing required by current code.

43.3.4.3 UP TO FIFTY PERCENT REPAIR VALUE. When the estimated value of repair is greater than ten percent (10%) but less than fifty percent (50%) of the replacement value of the structure, the damaged elements shall be repaired and/or brought into conformance with the structural requirements of the current codes.

43.3.4.4 MORE THAN FIFTY PERCENT REPAIR VALUE. When the estimated value of repair is fifty percent (50%) or more of the replacement value of the structure, the entire structure shall be brought into conformance with the fire and life safety and structural requirements of the current applicable codes.

43.3.4.5 CHIMNEY VALUE EXCLUSION. In group R, Division 3 occupancies, the repair value of damaged chimneys may be excluded from the computation of percentage of replacement value. Damaged chimneys shall be repaired in accordance with Section 43.3.5.

43.3.5 REPAIR CRITERIA FOR CHIMNEYS.

43.3.5.1 GENERAL. All damaged chimneys must be repaired or reconstructed to comply with the requirements of Chapter 31 of the Uniform Building Code. Damaged portions of chimneys shall be removed in accordance with the following criteria.

43.3.5.2 DAMAGE ABOVE THE ROOF LINE. When the damaged portion of the chimney is located between the roof line and the top of the chimney, the damaged portion may be removed to the roof line provided the roof and ceiling anchorage are in sound condition. The reconstruction portion of the chimney shall be braced to the roof structure using an approved method.

43.3.5.3 SINGLE STORY STRUCTURE DAMAGE BELOW THE ROOF LINE. For a single-story structure in which the damaged portion of the chimney is below the roof line or the damaged

portion extends from above the roof line to below the roof line, the chimney shall be removed to the top of the firebox.

43.3.5.4 MULTI-STORY STRUCTURE DAMAGE BELOW THE ROOF LINE. For a multi-story structure, the damaged portion of the chimney shall be removed from the top to a floor line where anchorage is found.

43.3.5.5 FIREBOX DAMAGE. In any structure where the firebox has been damaged, the entire chimney and firebox shall be removed to the foundation. If the foundation is in sound condition, the firebox and chimney may be reconstructed using the existing foundation. If the foundation has been damaged, the foundation shall be removed and replaced.

43.3.5.6 ENGINEERED ALTERNATE SOLUTIONS. Where existing conditions preclude the installation of all anchorage required by Chapter 31 of the Uniform Building Code, alternate systems may be used in accordance with the alternate methods and materials provisions of the Uniform Building Code when approved by the Building Official.

43.3.5.7 BRACING. Where the portion of the chimney extending above the roof line exceeds two times the least dimension of the chimney, that portion above the roof line shall be braced to the roof structure using an approved method.

43.3.6 REPAIR CRITERIA FOR HISTORIC BUILDINGS OR STRUCTURES.

43.3.6.1 ENGINEERING EVALUATION REQUIRED. Buildings or structures which are included on a national, state, or local register for historic places or which are qualifying structures within a recognized historic district, which have been damaged as a result of a disaster, shall have an engineering evaluation performed.

43.3.6.2 MINIMUM REPAIR CRITERIA. The minimum criteria for repair shall be as included in Section 43.3.4 Repair Criteria with due consideration given to the historical rating and nature of the structures. Additional standards and criteria, as noted in Part 8, Title 24, California Code shall apply.

43.3.7 REPAIR CRITERIA FOR UNREINFORCED MASONRY BUILDINGS AND STRUCTURES.

43.3.7.1 GENERAL. All damaged buildings determined to be bearing wall buildings constructed of unreinforced masonry shall be repaired and strengthened to fully comply with the requirements of the ~~Uniform~~ ~~California Conservation Code~~ as adopted by the County of Ventura.

ANALYSIS:

This entire chapter has been written to address the inspections of damaged property and the placarding of damaged structures, and the permitting requirements for the repair and reconstruction of structures danged by disasters. These changes are administrative and also based on local geologic hazards.

ARTICLE 4 - AMENDMENTS TO THE CALIFORNIA ELECTRICAL CODE (CEC)

CHAPTER 2 - WIRING METHODS AND MATERIALS

Sec. 336.4. USES PERMITTED. Type NM, Type NMC, and Type NMS cables shall be permitted to be used in agricultural buildings, one-family and two-family dwellings, and accessory structures, and in multi-family dwellings, and other structures, except as prohibited in Section 336-5. Cables in such structures shall be protected from physical damage. Where installed in cable trays, cables shall be identified for this use.

(FPN): See Section 310-10 for temperature limitation of conductors.

(a) **Type NM.** Type NM cable shall be permitted for both exposed and concealed work in normally dry locations. It shall be permissible to install or fish Type NM cable in air voids in masonry block or tile walls where such walls are not exposed or subject to excessive moisture or dampness.

(b) **Type NMC.** Type NMC cable shall be permitted:

(1) For both exposed and concealed work in dry, moist, damp, or corrosive locations.

(2) In outside and inside walls of masonry block or tile.

(3) In a shallow chase in masonry, concrete, or adobe protected against nails or screws by a steel plate at least 1/16-in. (1.59-mm) thick, and covered with plaster, adobe, or similar finish.

(c) **Type NMS.** Type NMS cable shall be permitted for both exposed and concealed work in normally dry locations. It shall be permissible to install or fish Type NMS cable in air voids in masonry block or tile walls where such walls are not exposed or subject to excessive moisture or dampness. Type NMS cable shall be used as permitted in Article 780.

Analysis:

This section has been modified to allow the use of Type NM, NMC, and NMS cables in one and two family dwelling accessory structures. This is an administrative change to clarify which structures may be included as "other" structures already allowed under the code.

ARTICLE 5 - AMENDMENTS TO THE CALIFORNIA MECHANICAL CODE (CMC)

CHAPTER 1 - ADMINISTRATION

Section 102 - GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

Section 115 - FEES

Sec. 115.1. GENERAL. Refer to Article 2, Chapter 1 Section 107 in this ordinance.

Sec. 115.6 FEE REFUNDS. Refer to Article 2, Chapter 1 Section 107.6 in this ordinance.

CHAPTER 8 - CHIMNEYS AND VENTS

SECTION 812 - TYPES OF CHIMNEYS

812.1 FACTORY-BUILT CHIMNEYS. Factory-built chimneys shall be installed in accordance with the terms of their listing, the manufacturer's installation instructions and the applicable requirements of this code. Factory-built chimneys shall terminate as required for unlisted single-wall metal chimneys in Table 8-~~D~~ 4.

Chimneys used with fireplaces or heating appliances in which solid or liquid fuel is used shall be maintained with a spark arrester as required for incinerators.

EXCEPTION: Factory built chimneys for residential-type appliances and fireplaces may terminate three (3) feet above the roof opening and two (2) feet above any point of the building within ten (10) feet.

ANALYSIS:

This section has been modified to deal with specific chimney requirements in areas of high fire risk. This is a change based on local topographic conditions.

ARTICLE 6 - AMENDMENTS TO THE CALIFORNIA PLUMBING CODE (CPC)

CHAPTER 1 - ADMINISTRATION

Section 101.15 GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

Sec. 102.2 POWERS AND DUTIES OF THE BUILDING OFFICIAL.

102.2.7 AUTHORITY TO ABATE. Any portion of a plumbing system found by the Administrative Authority to be insanitary as defined in this Code, is hereby declared to be a nuisance.

Where a nuisance exists or a plumbing system is maintained in violation of this Code or any notice issued pursuant to this Section, the Administrative Authority shall require the nuisance or violation to be abated. If such abatement is refused, the Administrative Authority shall have recourse to every remedy provided by law to secure abatement.

Sec. 102.3 VIOLATIONS AND PENALTIES

102.3.2 PENALTIES - See Article 2, Chapter 1, Section 103 in this ordinance.

Section 103.1 - PERMITS

103.1.2 EXEMPTED WORK. A plumbing permit will not be required for the following:

103.1.2.1 The stopping of leaks in drains, soil, waste or vent piping, provided that should any concealed trap, drainpipe, soil, waste or vent pipe become defective and it becomes necessary to remove and replace all or part thereof with new material, the same shall be considered as new work, and a permit shall be obtained and inspections made, as provided in this code.

103.1.2.2 The clearing of stoppages or the repair of leaks in pipes, valves or fixtures, nor for the removal and reinstallation of water closets, or the installation of new water closets on existing drainage connections, providing such repairs or reinstallation do not involve or require the replacement or rearrangement of valves or pipes. If it becomes necessary to remove and replace or rearrange valves, water piping, traps, drainpipe, soil, waste or vent pipes, the same shall be considered as new work, and a permit shall be obtained and inspections made as provided in the code.

103.1.2.3 EXEMPTIONS WITHIN SANITARY DISTRICTS. The provisions of this Code relating to building sewers as defined herein and to permits and fees therefor shall not apply within the boundaries of a sanitary district when the Building Official has determined that such district has adopted and is enforcing ordinances or regulations which are equal to or more restrictive than those contained in this Code.

CHAPTER 2 - DEFINITIONS

Section 202.0 - DEFINITIONS

SEEPAGE PIT. A seepage pit is a rock-filled excavation which receives the effluent from a septic tank and is so designed as to permit such effluent to seep through the bottom and sides of the pit into the surrounding soil.

CHAPTER 6 - WATER SUPPLY AND DISTRIBUTION

Sec. 601.0 RUNNING WATER REQUIRED

Section 601.1.2 REQUIREMENTS FOR WATER WELLS

(a) When the potable water supply for a structure is to be provided by a well, the well must pass the applicable pump and recovery test specified in the Ventura County Water Works Manual, as amended from time to time, for the purpose of demonstrating that the well is likely to remain an adequate source of potable water throughout the expected useful life of the structure.

EXCEPTIONS: A well shall not be required to pass the pump and recovery test if the structure to be served by it:

1. Is connected to a public water system or a state small water system as defined in Section 4010.1 of the Health and Safety Code; or

2. Overlies an aquifer that has been determined by the administrative authority to be adequate to meet all existing and projected demands made upon it for potable water without experiencing overdraft; or

3. Overlies an aquifer that may experience overdrafting but that has nonetheless been determined by the administrative authority, based upon a study and report prepared pursuant to the Ventura County Water works Manual, to be adequate to meet all existing and projected demands made upon it for potable water throughout the expected useful life of the structure.

(b) This section does not preclude the adoption and imposition of additional or more stringent well test requirements and standards in connection with subdivision approvals, conditional use permits, or other discretionary (as opposed to ministerial) permits.

CHAPTER 7 - SANITARY DRAINAGE

Sec. 701.0 MATERIALS OF DRAINAGE SYSTEMS.

701.1 Drainage piping shall be cast iron, galvanized steel, galvanized wrought iron, lead, copper, brass, schedule 40 ABS DWV, schedule 40 PVC DWV, extra strength vitrified clay pipe, or other approved materials having a smooth and uniform bore, except that:

701.1.1 No galvanized wrought iron or galvanized steel pipe shall be used underground and shall be kept at least six (6) inches (152.4mm) above ground.

701.1.2 ABS and PVC DWV piping installations shall be limited to residential construction, not more than two (2) stories in height.

701.1.3 No vitrified clay pipe or fittings shall be used above ground or where pressurized by a pump or ejector. They shall be kept at least twelve (12) inches (.3m) below ground.

Sec. 713.0 SEWER REQUIRED

713.4 CONVENTIONAL PRIVATE SEWAGE DISPOSAL SYSTEMS. When the applicant seeks to install a conventional private sewage disposal system, the public sewer may be considered as not being available when such public sewer, or any building or any exterior drainage facility connected thereto, is located more than two hundred (200) feet from any proposed building or exterior drainage facility on any lot or premises which abuts and is served by such public sewer.

713.4.1 ALTERNATE PRIVATE SEWAGE DISPOSAL SYSTEMS.

(a) When the applicant seeks to install an alternate private sewage disposal system and the public sewer or any building or any exterior drainage facility connected thereto is located more than two hundred (200) feet from any proposed building or exterior drainage facility on any lot or premises which abuts and is served by such public sewer, the public sewer may be considered as not being available when it has been adequately demonstrated to the satisfaction of the Administrative Authority that the total cost of connecting to the public sewer would be at least twice the total cost of the alternate private sewage disposal system.

(b) In all other cases when the applicant seeks to install an alternate private sewage disposal system, the public sewer may be considered as not being available when such public sewer or any building or any exterior drainage facility connected thereto is located more than one-half mile (2,640 feet) from any proposed building or exterior drainage facility on any lot or premises which abuts and is served by such public sewer.

713.7 For the purpose of administering those requirements of Chapter 7 and Appendix K of this Code, pertaining to the approval, permitting and inspection of private sewage disposal systems, the Administrative Authority shall mean the Environmental Health Officer. All other requirements of this Code shall be regulated and enforced by the Building Official.

Section 714.0 - DAMAGE TO PUBLIC SEWER OR PRIVATE SEWAGE DISPOSAL SYSTEM.

714.6 HOLDING TANKS. A holding tank for industrial/commercial waste shall be installed only when it is permitted by and is in conformance with standards and safeguards established by the Administrative Authority and the Health Officer to prevent anticipated surface or subsurface contamination or pollution, damage to the public sewer, or other hazardous or nuisance condition. (Holding tanks for all domestic or residential waste shall be prohibited.)

Section 721.0 - LOCATION

721.1 LOCATION OF SEWAGE DISPOSAL SYSTEMS. Except as provided in subsection 721.2 in the UPC, no building sewer or private sewage disposal system, or parts thereof, shall be located in any lot other than the lot which is the site of the building or structure served by such sewer or private sewage disposal system; nor shall any building sewer or private sewage disposal system or part thereof be located at any point having less than the minimum distances indicated in Table UPC Appendix K-1 in this ordinance. Table 7-7 and Table K-1 in the UPC are hereby deleted in their entirety.

APPENDIX CHAPTER K - PRIVATE SEWAGE DISPOSAL SYSTEM

Sec. K-1. PRIVATE SEWAGE DISPOSAL: GENERAL REQUIREMENTS. (a) Where permitted by Section 305.2 of the UPC, as adopted and amended by this Code, the building sewer may be connected to a private sewage disposal system complying with the provisions of this Code. The type of system shall be determined on the basis of information contained in the soil report concerning location, soil porosity, groundwater, depth of fractured rock or impervious formations, and hillside stability, and shall be designed to receive all sanitary sewage from the property. The system, except as otherwise provided, shall consist of a septic tank with effluent discharging into a subsurface disposal field, into one or more seepage pits, into a combination of subsurface disposal field and seepage pits, into a mound system or into a subsurface sand filtration system.

(d). SEWAGE DISPOSAL EXPANSION AREA. All private sewage disposal systems shall be so designed that additional seepage pits, subsurface drain fields, mound systems or subsurface sand filtration systems, equivalent to at least 100% of the required original system, may be installed if the original system cannot absorb all the sewage. No division of the lot or erection of structures on the lot shall be made if such division or structure impairs the usefulness of the 100% expansion area.

(f). PRIVATE SEWAGE DISPOSAL RESTRICTIONS. When there is insufficient lot area or improper soil or geological conditions for adequate and safe sewage disposal for the building or land use proposed, and the Administrative Authority so finds, no building permit shall be issued and no private sewage disposal shall be permitted. Where space or soil conditions are critical, no building permit shall be issued until engineering data and test reports satisfactory to the Administrative Authority have been submitted and approved. The Administrative Authority may grant exceptions to the requirements of the Code in case of practical difficulty or unnecessary hardship provided that the installation is equivalent to the standards established by this Code and is not inimical to the health, safety or welfare of the general public.

(i). APPROVAL OF ALTERNATE SYSTEMS. Alternate sewage disposal systems as defined in this Code may be installed only by special permission of the Administrative Authority which shall be given only if the Administrative Authority is satisfied that the systems will conform to the following requirements:

1. Treated or untreated effluent shall not be discharged onto the surface of the ground.

2. Wastewater shall be disposed of on the parcel where it is generated, except as provided for in Section 721.2 of the UPC.

3. The reliability of proposed designs for alternate private sewage disposal systems shall be well-documented.

4. The system shall be capable of easy maintenance.

5. Installation and repair shall not require the use of extraordinary materials, parts, or equipment.

6. The system shall require a minimum of mechanical components for its operation.

7. The system shall not be highly energy consumptive.

8. Operation of the system shall not create health hazards, water pollution, or nuisance conditions.

Sec. K-3. AREA OF DISPOSAL FIELDS AND SEEPAGE PITS. The minimum effective absorptive area of disposal fields in square feet of trench bottom, and of seepage pits in square feet of sidewall, shall be predicated on the required septic tank capacity in gallons. The required absorption area shall be as set forth in Table UPC Appendix K-6 in this ordinance for disposal fields, and as set forth in Table K-4 in the UPC for seepage pits. In addition, disposal fields and seepage pits shall conform to the following:

1. When disposal fields are installed, a minimum of one hundred fifty (150) square feet of trench bottom shall be provided for each system exclusive of any hardpan, rock, clay or other impervious formations. Sidewall area in excess of the required twelve (12) inches and not to exceed thirty-six (36) inches below the leach line may be added to the trench bottom area when computing absorption areas. Such increase shall be limited to 50% of the required absorption area.

2. Where leaching beds are permitted in lieu of trenches, the area of each such bed shall be at least 50% greater than the requirement for trenches. Perimeter sidewall area in excess of the required twelve (12) inches and not to exceed thirty-six (36) inches below the leach line may be added to the trench bottom area when computing absorption area.

3. The minimum effective absorption area in any seepage pit shall be calculated as the excavated sidewall area below the inlet exclusive of any hardpan, rock, clay, or other impervious formation. The minimum required area of porous formation shall be provided in one or more seepage pits.

4. No excavation for a leach line or leaching bed shall extend with five (5) feet of the water table nor to a depth where sewage may contaminate an underground water stratum which may be usable for domestic purposes. The applicant shall supply satisfactory evidence of groundwater depth when required by the Administrative Authority.

5. Plastic leaching chambers shall be sized on bottom absorption area (nominal unit width) in square feet. The required area shall be calculated using Table K-6 in this code with a 0.70 multiplier.

Sec. K-4. PERCOLATION TESTS. (a) Disposal fields and seepage pits shall be sized in accordance with the percolation tests or analyses required by subsection (b) of this Section.

(b) In order to determine the absorption qualities of soils, the proposed site shall be subjected to percolation tests and/or hydrometer analyses performed under the supervision of a California-registered environmental health specialist, civil engineer, geologist or engineering geologist. Such tests or analyses shall be performed in accordance with standards established by the Administrative Authority.

(c) Each test shall be made with clear water in an excavation which has been thoroughly soaked prior to the test.

(d) No subsurface disposal field shall be permitted to serve a building if percolation test rates are greater than sixty (60) minutes per inch.

(e) No seepage pit shall be permitted to serve a building if the absorption capacity of the soil surrounding the pit is less than 0.83 gal./sq.ft./day.

(f) Test data shall be submitted on a form provided for that purpose and shall include such information as may reasonably be required by the Administrative Authority to determine the correctness and adequacy of the proposed disposal system.

Sec. K-7. SEEPAGE PITS. (a) The capacity of seepage pits shall be based on the quantity of liquid waste discharging thereunto, and on the character and porosity of the surrounding soil as determined by such tests as may be required and shall comply with Sec. UPC Appendix K-3 in this ordinance.

(b) Seepage pits may be used where conditions are unsatisfactory for the installation of leach lines or beds. In no case shall seepage pits extend more than sixty (60) feet below the surface of the ground.

(c) Multiple seepage pit installations shall be connected through an approved distribution box or diversion valve and watertight piping laid on undisturbed or compacted soil.

(d) Each seepage pit shall be circular in shape and shall have an excavated diameter of not less than four (4) feet. Seepage pits shall be filled with clean rock 3/4 inches to 2½ inches in diameter, free from fines, except when otherwise approved by the Administrative Authority. Effluent shall be conducted to the bottom of the excavation by means of approved perforated pipe extending to the entire depth of the pit. Approval shall be obtained prior to construction for any pit having an excavation diameter greater than six (6) feet.

(e) Where groundwater is encountered, the bottom of the pit shall be backfilled with clean coarse sand at least ten (10) feet above the ground water encountered.

(f) Each seepage pit shall have a minimum sidewall of ten (10) feet below the inlet.

(g) Connections between a septic tank and seepage pits shall be made with approved watertight pipe. Such pipe shall be laid on natural ground or compacted fill.

(h) Rock fill in seepage pits shall be covered with asphalt-treated building paper, and backfilled with a minimum of eighteen (18) inches of earth.

(i) Subsection (i) of Appendix Section K7 in the UPC is hereby deleted in its entirety.

Sec. K-9. SUBSURFACE DISPOSAL OF INDUSTRIAL WASTE. The discharge of industrial waste into a soil absorption system shall be prohibited unless specifically approved by the Administrative Authority.

Subsections (a) through (g) of Appendix Sec. K9 in the UPC and the Recommended Design criteria for commercial/industrial waste disposal are hereby deleted in their entirety.

Sec. K-13. ALTERNATE PRIVATE SEWAGE DISPOSAL SYSTEMS.

(a) DEFINITION. Alternate private sewage disposal systems are specially-designed, engineered, and approved private sewage disposal systems suitable for use in localities where the Administrative Authority has determined that the presence of shallow groundwater, rock, or adverse soil, geologic, or hydrologic conditions makes the use of conventional sewage disposal systems potentially hazardous to public health. Alternate private sewage disposal systems shall be limited to "mound" systems and "subsurface sand filtration" systems as regulated herein.

(b) GENERAL REQUIREMENTS. Designs for alternate private sewage disposal systems may be accepted for review by the Administrative Authority when it has been adequately demonstrated that the character of the soil, geology, or hydrology of the site is such that a conventional private sewage disposal system will not function in accordance with recognized health and sanitation standards. Such systems shall be designed by a California- registered civil engineer or a California-registered geologist, who shall submit written verification upon completion of an alternate private sewage disposal system that the installation is in conformance with the approved design.

Properties served by alternate private sewage disposal systems shall be located within an approved on-site wastewater management district or equivalent governmental agency capable of providing necessary maintenance and repair services for private sewage disposal systems within its boundaries. Such systems shall conform with all applicable rules and regulations adopted by said district or agency.

The design and construction of alternate private sewage disposal systems shall comply with the requirements of this Section and with other appropriate criteria established by the Administrative Authority.

Component parts of alternate private sewage disposal systems shall comply with the applicable setback requirements in Table UPC Appendix K-1 of this Code. The construction and capacity of septic tanks installed as components of alternate systems shall comply with Section K-5 and Table K-2 in the UPC.

Leach lines, leaching beds, and seepage pits which are components of alternate systems shall comply with the applicable requirements of this Code. No portion of a distribution bed or related filter material which is a component of a mound or subsurface sand filtration system shall be installed under a walkway, parking area, driveway, or similar paved surface.

The sizing of mound or subsurface sand filtration systems shall be based upon the average percolation rate of the natural soil at the location and depth of the proposed system, and the number of bedrooms or plumbing fixture units, in accordance with this Code and other applicable standards for sizing conventional leachlines, leaching beds and seepage pits. No alternate private sewage disposal system shall be permitted where the percolation rate exceeds sixty (60) minutes per inch.

(c) MOUND SYSTEMS. A mound system is an alternate private sewage disposal system which utilizes pressurized piping to deliver effluent from a septic tank into an above-ground gravel distribution bed, from which the effluent percolates and is filtered through mounded sand fill into natural soil. Typical components of such systems include a septic tank, lift pump and wet well, pressurized effluent piping, a sand fill mound, a distribution bed composed of gravel filter material and perforated distribution piping, a cover of topsoil over the top and sloped sides of the mound.

The lift pump and wet well shall be designed to handle peak flow from the septic tank. In no case shall pump capacity be less than twenty (20) gallons per minute not shall the pump motor be rated at less than one-half horsepower. The pump shall be approved for use in a sewage environment. The liquid holding capacity of the wet well shall be at least 300 gallons for one or two-bedroom dwelling units. An additional 100 gallons capacity shall be provided for each bedroom in excess of two. Equivalent capacity shall be provided for occupancies other than dwellings based on fixture unit calculations as set forth in this Code.

The wet well shall be fitted with automatic high and low level pump controls. Operation of the lift pump shall not cause surges in the liquid level within the tank. An alarm device shall be installed which will provide audio and visual warning signals to occupants of the property in advance of any overflow from the wet well.

Mounds shall not be installed on a slope greater than 12%. The base of the mound shall be located at least two (2) feet above the highest known seasonal groundwater elevation at the

site and two (2) feet above fractured bedrock, if any. Fill material comprising the mound shall be clean sand having a uniform grain size distribution within the acceptable range indicated on Table UPC Appendix K-7 of this Code. Conformance with this grain size standard shall be determined by sieve analysis performed on representative samples taken prior to placement of the fill material onto the mound. The slope of the sides of the mound shall be not steeper than 3 horizontal to 1 vertical.

Distribution beds shall be level and shall be located a minimum of five (5) feet above the highest known seasonal groundwater elevation at the site. Filter material comprising the bed shall be clean gravel varying in size from .75 inch to 2.5 inches. The total thickness of the bed shall be sufficient to provide a minimum of twelve (12) inches of filter material below, and at least two (2) inches of such material above all distribution piping within the bed. Distribution piping shall uniformly distribute effluent over the entire area of the bed. Distribution beds shall be of sufficient size to limit the application rate for effluent to not more than 1.5 gallons per square foot per day.

After filter material has been placed over the piping, the distribution bed shall be covered with untreated building paper, straw, or similar porous material to prevent closure of voids when earth covering is added. Topsoil shall be placed to a depth of at least twelve (12) inches over the top of the distribution bed, and shall be placed on the sloping sides of the mound to a thickness of at least six (6) inches.

(d) SUBSURFACE SAND FILTRATION SYSTEMS. A subsurface sand filtration system is an alternate private sewage disposal system which utilizes gravity to deliver effluent from a septic tank to a subsurface gravel distribution bed, from which the effluent is filtered through a bed of sand to reduce organic matter and pathogenic organisms, and thence percolates into natural soil. Typical components of such systems include a septic tank, effluent piping, a subsurface distribution bed composed of gravel filter material and perforated distribution piping, a sand filtration bed, and a leaching bed, leach lines, or seepage pits.

Distribution beds shall be designed and constructed in a manner similar to that set forth for mound systems in subsection (c) above, using approved, perforated gravity-flow piping in lieu of pressurized piping. Sand filtration beds shall extend not less than five (5) feet vertically below and five (5) feet horizontally from the edges of any distribution bed. Filtration material shall be clean sand having a uniform grain size distribution within the acceptable range indicated on Table UPC Appendix K-7 of this Code. Conformance with this grain size standard shall be determined by sieve analysis performed on representative samples taken prior to placement of the filtration material into the filter bed excavation.

Section K-14 NON-HAZARDOUS LIQUID WASTE TRANSFER FACILITIES

Definition: A Non-Hazardous Liquid Waste Transfer Facility is a temporary holding facility for non-hazardous liquid waste from recreational vehicle holding tanks and portable toilets. A Non-Hazardous Liquid Waste Transfer Facility consists of a holding tank, liquid waste loading area with washdown equipment, associated piping, and holding tank liquid level alarm system.

1. Holding tank construction shall be consistent with UPC section K-5, with the exception that baffles are not required and only one access port is required.

2. All piping, including but not limited to materials, cleanouts, and venting, shall be consistent with UPC sections 715.0 through 720.0, inclusive.

3. Minimum setbacks for holding tanks shall be as follows:

Streams and Watercourses	50 feet
Wells	50 feet
Groundwater	5 feet
Structures	5 feet
Property Line	5 feet
On-Site Domestic Water Line	5 feet
Public Water Main	10 feet

4. Minimum holding tank capacity shall be not less than three times the anticipated daily loading to the holding tank and in no case shall be less than 1,000 gallons.

5. An alarm system constructed of durable, corrosion-resistant material shall be installed on each holding tank. This alarm shall give a conspicuous audio and visual indication whenever the tank becomes two-thirds full.

6. The liquid waste loading area shall consist of an impermeable, easily cleanable area designed and constructed in a manner which prevents the formation of insanitary conditions. A ¾ inch water hose connection shall be installed at the liquid waste loading area to allow connection of a hose for area washdown following holding tank pumping. An approved backflow prevention assembly shall be installed in the water service line to the hose connection. Provisions shall be made to store the washdown hose off the ground. A warning sign shall be posted at the water hose connection reading: DANGER - UNSAFE WATER.

7. Holding tanks shall be pumped by a licensed pumper as needed. Quarterly reports of holding tank pumping shall be submitted to the Ventura County Environmental Health Division by March 30, June 30, September 30, and December 31 of each year.

8. Offer to grant an easement to County Service Area 32 is required. A contractual maintenance agreement with a public utility may also be required.

Section K-15 CLUSTERED SYSTEMS

(a) DEFINITION. Clustered systems are comprised of three or more private sewage disposal systems with soil absorption components located in a common area on a single legal lot.

(b) GENERAL REQUIREMENTS. All components of clustered systems shall comply with all applicable requirements of this Code pertaining to private sewage disposal systems and the following additional requirements:

1. The primary (installed) soil absorption components of the clustered system shall provide 200% of the minimum area calculated for each structure connected to the clustered system pursuant to Section K-3 of this Code.

2. Land area providing for complete replacement of the primary soil absorption components of the clustered system shall be set aside for future expansion, and shall conform with Table UPC Appendix K-1 of this Code.

3. a. For residential structures, each private sewage disposal system comprising the clustered system shall be connected to not more than one dwelling unit within a structure.

   b. For non-residential structures, each private sewage disposal system comprising a clustered system shall be connected to one or more structures with a combined daily wastewater discharge not to exceed 1,500 gallons.

4. The soil absorption component of each private sewage disposal system within the clustered system shall be located at least sixteen horizontal feet from the soil absorption component of any other private sewage disposal system within the same clustered system.

5. When a clustered system is (or can become) located on land jointly owned by more than one owner of the structures served (e.g., condominium projects), an easement and agreement approved by the Environmental Health Division providing for access to inspect, maintain, and repair/replace the clustered system shall be recorded in the Office of the County Recorder.

6. A monitoring well, constructed and maintained in conformance with procedures adopted by the Administrative Authority, shall be provided in an approved location.

7. All distribution boxes within the clustered system shall be fitted with risers extending to finish grade elevation.

8. The applicant for each clustered system shall provide a signed statement from a California-Certified Engineering Geologist, certifying the following:

   a. The proposed clustered system site is free against the potential hazard from landslide, excessive settlement and slippage.

   b. Incorporation of geotechnical and geologic recommendations in concert with safe construction practices is anticipated to result in a site which is considered geotechnically and geologically suitable for the intended use and will not adversely affect adjoining properties.

TABLE UPC APPENDIX K-1
(Superscript numbers refer to footnotes (1) through (8) on next page

LOCATION OF SEWAGE DISPOSAL SYSTEMS

Minimum Horizontal Distance in Feet From:	Building Sewer	Septic Tank	Disposal Field	Seepage Pit	Subsurface Sand Filtration System	Mound System
Building or Structures[1]	2	5	8	8	8	20[7]
Property line adjoining private property	Clear[2]	5	5	8	8	10
Water supply well on suction line	50[3]	50	100	150	100[8]	100
Streams, lakes, tidal waters or ocean waters	50	50	50	100	100	100
Large Trees	--	10	--	10	10	--
Seepage pits or cesspools	--	5	5	12	--	--
Disposal Field	--	5	4[4]	5	--	--
On site domestic water service line	1[5]	5	5	5	5	5
Distribution Box	--	--	5	5	--	--
Pressure public water main	10[6]	10	10	10	10	10

NOTE: When disposal fields ~~and~~/or seepage pits are installed in sloping ground, the minimum horizontal distance between any part of the leaching system and ground surface shall be fifteen (15) feet.

When facilities are located near tidal or ocean waters, the horizontal distance shall be measured from the historically most landward location of the beach at the mean high tide elevation. Structures or facilities shall be constructed in accordance with Federal, State and local laws to prevent erosion of the beaches and movement of the mean high tide closer than the horizontal distances specified above.

FOOTNOTES TO TABLE UPC APPENDIX K-1

(1) Including porches and steps, whether covered or uncovered, breezeways, roofed port-cocheres, roofed patios, carports, covered walks, covered driveways and similar appurtenances.

(2) See Section 313.3 of the UPC.

(3) The distance may be reduced to not less than twenty-five (25) feet when approved metallic piping is installed. Where special hazards are involved, the distance required shall be increased as may be directed by the County Health Officer or the Administrative Authority.

(4) Plus two (2) feet for each additional foot of depth in excess of one (1) foot below the bottom of the drain line (see Sec. K6(i) of the UPC).

(5) See Sec. 720.0 of the UPC.

(6) For parallel construction. For crossings, approval by the Administrative Authority is required.

(7) This distance shall be increased to 30 feet when the system is located upslope of the structure.

(8) This distance shall be increased to 150 feet when seepage pits are used as a component of the system.

TABLE UPC APPENDIX K-6
(Letters in parenthesis refer to footnotes below)

ABSORPTION AREA REQUIREMENTS

Percolation Rate (Time in minutes required for water to fall one inch)	Required Absorption Area (Sq. ft. per bedroom using standard leach lines. See notes (a) through (e) below.
1 or less	75
2	85
3	100
4	115
5	125
10	165
15	190
30	250
45	300
60	330
over 60 (e)	---

(a) Sufficient usable land area must be available to provide 100% expansion of required absorption area when/if necessary. See Sec. UPC APPENDIX K-1(d) in this Code.

(b) Absorption area should be sufficient to accommodate increased future use stemming from the addition of bedrooms or conversion of unfinished spaces to bedroom use, whenever such changes can be reasonably be anticipated.

(c) The absorption area for leach lines and leaching beds is calculated as trench bottom area only except as provide in Sec. UPC APPENDIX K-3 in this ordinance. Minimum required area for leaching trenches is 150 sq. ft.

(d) The above table allows for the connection of domestic food waste units and automatic clothes washing machines without further increase in absorption area.

(e) Soil having a percolation rate over 60 min/inch is unsuitable for installation of an absorption system.

TABLE UPC APPENDIX K-7

ANALYSIS:

Changes have been made to the sections dealing with exempted work, water supply and distribution, sanitary drainage, required sewers and private sewage disposal systems. These changes are administrative and based on local topographic conditions.

ARTICLE 7 - AMENDMENTS TO THE UNIFORM HOUSING CODE (UHC)

CHAPTER 1 - TITLE AND SCOPE

Section 104 - APPLICATION TO EXISTING BUILDINGS AND STRUCTURES.

104.2. RELOCATION. Buildings or structures moved into or within the County shall comply with the provisions of Article 2, Chapter 40 in this ordinance.

Section 105 - GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

CHAPTER 2 - ENFORCEMENT

Sec. 203. APPEALS BOARD.

203.1 - GENERAL The Housing Advisory and Appeals Board, for the purposes of this housing code, shall be the General Board of Appeals as set forth in Article 2, Chapter 1, Section 105 in this ordinance. Appeals to the Board shall be processed in accordance with the provisions contained in Section 1201 in the UHC.

Sec. 204. VIOLATIONS AND PENALTIES. See Article 2, Chapter 1, Section 103 in this ordinance.

CHAPTER 3 - PERMITS AND INSPECTIONS

Sec. 302 FEES. Refer to Article 2, Chapter 1, Section 107 in this ordinance.

~~CHAPTER 5 - SPACE AND OCCUPANCY STANDARDS~~

~~Section 503 - ROOM DIMENSIONS~~

~~503.2. FLOOR AREA. 1. Every dwelling unit shall have at least one room which shall have not less than 120 square feet of floor area. Other habitable rooms, except kitchens, shall have an area of not less than 70 square feet.~~

~~2. Net floor area, as used herein, shall mean the total number of square feet of floor area in a dwelling unit based upon the interior dimensions of that dwelling unit excluding bathrooms, kitchens, halls, stairwells, closets, storage or utility space, and similar areas.~~

~~No dwelling unit shall be occupied or allowed to be occupied in such a manner that the maximum occupancy of the dwelling unit, as determined below, is exceeded.~~

~~3. Maximum occupancy shall be determined as follows:~~

~~For the first two occupants of any dwelling unit, there shall be a minimum of 220 square feet of net floor area. An additional 100 square feet of floor area shall be provided for every additional occupant of the dwelling unit.~~

~~EXCEPTION: Nothing in this section shall prohibit the use of an efficiency dwelling unit within a structure which complies with the requirements of UBC Section 310.7.~~

CHAPTER 12 - APPEAL

Section 1201 - GENERAL

1201.2. PROCESSING OF APPEAL. Upon receipt of any appeal filed pursuant to Section 1201 in the UHC, the Building Official shall present it at the next regular or special meeting of the Board of Appeals.

The Building Official may, under the applicable procedures set forth in this Code, request and initiate a hearing before the Board of Appeals on any matter related to a substandard building or the premises on which it is located.

CHAPTER 14 - ENFORCEMENT OF THE ORDER OF THE BUILDING OFFICIAL OR THE BOARD OF APPEALS

Section 1401 - COMPLIANCE

1401.1. GENERAL. After any order of the Building Official or a Board of Appeals made pursuant to this Code shall have become final, no person to whom any such order is directed shall fail, neglect, or refuse to obey any such order. Any such person who fails to comply with any such order shall be guilty of a misdemeanor or infraction.

ANALYSIS:

Minor administrative changes have been made to the housing code in regard to enforcement, permits and inspections and appeals. These are administrative changes only.

ARTICLE 8 - AMENDMENTS TO THE UNIFORM CODE FOR THE ABATEMENT OF DANGEROUS BUILDINGS (DBC)

CHAPTER 1 - TITLE AND SCOPE

Sec. 104 - GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

CHAPTER 2 - ENFORCEMENT

Sec. 203. VIOLATIONS AND PENALTIES. See Article 2, Chapter 1, Section 103 in this ordinance.

Sec. 205. APPEALS BOARD. The appeals Board for the purposes of the Dangerous Buildings Code shall be the General Board of Appeals as set forth in Article 2 in this ordinance. Appeals

to the Board shall be processed in accordance with the provisions contained in Section 501 in the DBC.

CHAPTER 5 - APPEAL

Section 501 - GENERAL

501.2 PROCESSING OF APPEAL. Upon receipt of any appeal filed pursuant to Section 501 in the DBC, the Building Official shall present it at the next regular or special meeting of the Board of Appeals. The Building Official may, under the applicable procedures set forth in this Code, request and initiate a hearing before the Board of Appeals on any matter related to a dangerous building or the premises on which it is located.

CHAPTER 7 - ENFORCEMENT OF THE ORDER OF THE BUILDING OFFICIAL OR THE BOARD OF APPEALS

Section 701 - COMPLIANCE

701.1 GENERAL. After any order of the Building Official or a board of appeals made pursuant to this Code shall have become final, no person to whom any such order is directed shall fail, neglect or refuse to obey any such order. Any such person who fails to comply with any such order shall be guilty of a misdemeanor/infraction.

ANALYSIS:

Minor administrative changes have been made to the dangerous buildings code in regard to enforcement, violations and penalties and appeals. These are administrative changes only.

~~ARTICLE 9 - AMENDMENTS TO APPENDIX CHAPTER 1 OF THE UNIFORM CALIFORNIA CONSERVATION CODE (U CCC)~~

APPENDIX CHAPTER 1 - SEISMIC STRENGTHENING PROVISIONS FOR UNREINFORCED MASONRY BEARING WALL BUILDINGS

Section A100 - GENERAL

A100.1 PURPOSE. The purpose of this Chapter is to promote public safety and welfare by reducing the risk of death or injury that may result from the effects of earthquakes on existing unreinforced masonry bearing wall buildings.

The provisions of this Chapter are intended as minimum standards for structural seismic resistance established primarily to reduce the risk of life loss or injury. Compliance with these standards will not necessarily prevent loss of life or injury or prevent earthquake damage to rehabilitated buildings.

A100.2 SCOPE. The provisions of this Chapter shall apply to all existing buildings in Seismic Zones 3 and 4 which were constructed or under construction, or for which a building permit was issued, prior to May 10, 1962, having at least one unreinforced masonry wall. Except as provided herein, all other provisions of the Uniform Building Code shall apply.

EXCEPTIONS: This code shall not apply to:

1. Detached one or two story family dwellings, detached apartment houses containing less than 5 dwelling units and used solely for residential purposes, and hotels/motels containing less than 5 guest rooms.

2. Essential Facilities as defined in Table 16K of the Uniform Building Code.

3. Hazardous Facilities as defined in Table 16K of the Uniform Building Code.

This does not require alteration of existing electrical, plumbing, mechanical or fire safety systems.

A100.3 GENERAL AMENDMENTS. See Article 2, Chapter 1 for amendments of general application to this code. Where there is a conflict between the general amendments and specific ones found herein, the more restrictive shall apply.

A100.4 COUNTY ORDINANCE HISTORY. This article together with Article 1, Chapter 8 is a restatement of Ventura County Ordinance No. 3948 which it hereby supersedes. The section numbering has been revised to be consistent with the current numbering sequence found in the U.C.B.C.

Section A101 ADMINISTRATIVE PROVISIONS

A101.1 DEFINITIONS. For the purposes of this Division, the applicable definitions in the Uniform Building Code shall also apply.

HIGH RISK BUILDING is any building, other than an essential or hazardous building, having an occupant load of 100 occupants or more as determined by Section 1002.1 and Table 10-A of the Uniform Building Code.

EXCEPTIONS: A high risk building shall not include the following:

1. Any building having exterior walls braced with masonry crosswalls or woodframe crosswalls spaced less than 40 feet apart in each story. Crosswalls shall be full-story height with a minimum height of 1-1/2 times the story height.

2. Any building used for its intended purpose, as determined by the Building Official for less than 20 hours per week.

LOW RISK BUILDING is any building, other than an essential or hazardous building, having an occupant load of less than 20 occupants as determined by Section 1002.1, Table 10-A, of the Uniform Building Code.

MEDIUM RISK BUILDING is any building, not classified as a high-risk building or an essential or hazardous building, having an occupant load of 20 occupants or more as determined by Section 1002.1, Table 10-A of the Uniform Building Code.

A101.2 **Rating Classifications.** The rating classifications identified in Table A-9-A are hereby established and each building within the scope of this Division shall be placed in one such rating

classification by the Building Official. The total occupant load of the entire building as determined by Section 1002.1, Table 10-A of the Uniform Building Code shall be used to determine the rating classification.

EXCEPTION: For purposes of this Division, portions of buildings constructed to act independently when resisting seismic forces may be placed in separate rating classifications.

A101.3 **Compliance Requirements.** 1. The owner of each building within the scope of this Division shall, upon service of an order and within the time limits set forth in this Division, cause a structural analysis to be made of the building by an engineer or architect licensed by the state to practice as such and, if the building does not comply with earthquake standards specified in this Division, the owner shall cause it to be structurally altered to conform to such standards or shall cause the building to be demolished.

2. The owner of a building within scope of this Division shall comply with the requirements set forth above by submitting to the Building Official for review within the stated time limits:

   A. Within 270 days after service of the order, a structural analysis, which is subject to approval by the Building Official, and which shall demonstrate that the building meets the minimum requirements of this Division; or

   B. Within 270 days after service of the order, the structural analysis and plans for structural alterations of the building to comply with this Division; or

   C. Within 120 days after service of the order, plans for installation of wall anchors in accordance with the requirements specified in Section A113 of the UCBC; or

   D. Within 270 days after service of the order, plans for the demolition of the building.

3. After plans are submitted and approved by the Building Official, the owner shall obtain a building permit and then commence and complete the required construction or demolition within the time limits set forth in Table No. A-9-B. These time limits shall begin to run from the date the order is served in accordance with Section A101.4.2, except that the time limit to commence structural alteration or demolition shall begin to run from the date the building permit is issued.

4. Owners electing to comply with A101.3 of this subsection are also required to comply with Items A101.2 or A101.4 of this subsection provided, however, that the 270-day period provided for in Items A101.2 or A101.4 and the time limits for obtaining a building permit and to complete structural alterations or building demolition set forth in Table A-9-B shall be extended in accordance with Table No. A-9-C. Each such extended time limit shall begin to run from the date the order is served in accordance with Section A101.4 except that the time limit to commence structural alterations or demolition shall begin to run from the date the building permit is issued.

A101.4 **Administration.**

A101.4.1 Order - Service. A. The Building Official shall, in accordance with the priorities set forth in Table No. A-9-C, issue an order as provided in this section of other owner of each buildings within the scope of this Division.

B. Prior to the service of an order as set forth in Table No. A-9-C, a bulletin may be issued to the owner as shown upon the last equalized assessment roll or to the person in apparent charge or control of a building considered by the Building Official to be within the scope of this Division. The bulletin may contain information the Building Official deems appropriate. The bulletin may be issued by mail or in person.

A101.4.2 Order - Priority of Service. Priorities for the service of the order for buildings within the scope of this Division shall be in accordance with the rating classification as shown on Table No. A-9-C. Within each separate rating classification, the priority of the order shall normally be based upon the occupant load of the building. The owners of the buildings housing the largest occupant loads shall be served first. The minimum time period prior to the service of the order as shown on Table No. A-9-C shall be measured from the effective date of this Division. The Building Official may, upon receipt of a written request from the owner, order such owner to bring his building into compliance with this Division prior to the normal service date for such building set forth in this Division.

A101.4.3 Order - Contents. The order shall be in writing and shall be served either personally or by certified or registered mail upon the owner as shown on the last equalized assessment roll, and upon the person, if any, in apparent charge or control of the building. The order shall specify that the building has been determined by the Building Official to be within the scope of this Division and, therefore, is required to meet the minimum seismic standards of this Division. The order shall specify the rating classification of the building and shall be accompanied by a copy of Section A101.3, which sets forth the owner's alternatives and time limits for compliance.

A101.4.4 Appeal from Order. The owner of the building may appeal the Building Official's initial determination that the building is within the scope of this Division to the Board of Appeals established by Section 105 of the Ventura County Building Code. Such appeal shall be filed with the Board within 60 days from the service date of the order described in Section A101.4 Any such appeal shall be decided by the Board no later than 90 days after writing and the grounds thereof shall be stated clearly and concisely. Requests for modifications from any other determinations, orders or actions by the Building Official pursuant to this Division shall be made in accordance with the procedures established in Sections 104.2.7 and 104.2.8 of the Uniform Building Code.

A101.4.5 Recordation. At the time that the Building Official serves the aforementioned order, the Building Official shall also file with the Office of the County Recorder a certificate stating that the subject building is within the scope of this Division and is a potentially earthquake hazardous building. The certificate shall also state that the owner thereof has been ordered to structurally analyze the building and to structurally alter or demolish it where compliance with this Division has not been demonstrated.

If the building is either demolished, found not to be within the scope of this Division or is structurally capable of resisting minimum seismic forces required by this Division as a result of

structural alterations or an analysis, the Building Official shall file with the Office of the County Recorder a form terminating the status of the subject building as being classified within the scope of this Division.

A101.4.6 Enforcement. If the owner or other person in charge or control of the subject building fails to comply with any order issued by the Building Official pursuant to this Division within any of the time limits set forth in Section A101.3, the Building Official shall verify that the owner of record of this building has been properly served. If the order has been served on the owner of record, then the Building Official shall order that the entire building be vacated and that the building remain vacated until such order has been complied with. If compliance with such order has not been accomplished within 90 days after the date the building has been ordered vacated or such additional time as may have been granted by the Board of Appeals, the Building Official may order its demolition in accordance with the provisions of Section 102 of the Uniform Building Code.

Section A102 GENERAL REQUIREMENTS

A102.1 **GENERAL.** All buildings shall have a seismic resisting system conforming with Section 1603.3 of the Uniform Building Code, except as modified by this Division.

A102.2 **Alterations and Repairs.** Alterations and repairs required to meet the provisions of this Division shall comply with all other applicable requirements of the Uniform Building Code unless specifically provided for in this Division.

(c) A102.3 **Requirements for Plans.** The following construction information shall be included in the plans required by this Division.

1. Accurately dimensioned floor and roof plans showing existing walls and the size and spacing of floor and roof framing members and sheathing material. The plans shall indicate all existing and new crosswalls and their materials of construction. The location of the crosswalls and their openings shall be fully dimensioned and drawn to scale on the plans.

2. Accurately dimensioned wall elevations showing openings, piers, wall classes as defined in Section A106.3, thicknesses, and heights, wall shear test locations, cracks or damaged portions requiring repairs, the general condition of the mortar joints, and if and where the joints require pointing. Where the exterior face is veneer, the type of veneer, its thickness and its bonding and/or ties to the structural wall masonry shall also be reported.

3. The type of interior wall and ceiling surfaces.

4. The extent and type of existing wall anchorage to floors and roof when utilized in the design.

5. The extent and type of parapet corrections which were previously perform, if any.

6. Repair details, if any, of cracked or damaged unreinforced masonry walls required to resist forces specified in this Division.

7. All other plans, sections, and details necessary to delineate required retrofit construction including those items in Section A113.

ORDINANCE NO. 4274

SUMMARY OF PROPOSED ORDINANCE AMENDING THE VENTURA COUNTY BUILDING CODE AND RELATED CODES

The following is a summary of the proposed amendments to the Ventura County Building Code and related codes to be considered by the Ventura County Board of Supervisors on October 8, 2002, at 9:00 a.m., in the Board Hearing Room in the Hall of Administration, County Government Center, 800 S. Victoria Avenue, Ventura, California. The purpose of the amendments is to amend the Ventura County Building Code and adopt by reference the current editions of certain state adopted and other model codes as follows: California Building Code, 2001 edition; Appendix Chapter 1 of the California Conservation Code, 2001 Edition; Uniform Housing Code, 1997 edition; Uniform Code for the Abatement of Dangerous Buildings, 1997 edition; California Electric Code, 2001 edition; California Plumbing Code, 2001 edition; and the California Mechanical Code, 2001 edition together with amendments thereto. Copies of the full text of the proposed ordinance are on file with the Clerk of the Board of Supervisors.

In Article 1, Adoption of the California Building Standards Code and Other Model Codes by Reference

Chapter 1:

All references to code editions have been updated to refer to the latest editions of the State adopted codes and the other model codes adopted into the Ventura County Building Code.

An editorial change has been made revising the address for the code publishing organization that publishes the mechanical code.

Chapter 2:

The California Building Code and certain appendixes are adopted with amendments as shown in Article 2 and Article 3.

Chapter 3:

The California Electrical Code is adopted with amendments as shown in Article 2 and Article 4.

Chapter 4:

The California Mechanical Code and certain appendixes are adopted with amendments as shown in Article 2 and Article 5. The Mechanical Code is now that version published by the International Association of Plumbing and Mechanical Officials.

ATTACHMENT "B"

Chapter 5:

The California Plumbing Code and certain appendixes are adopted with amendments as shown in Article 2 and Article 6.

Chapter 6:

The Uniform Housing Code is adopted with amendments as shown in Article 2 and Article 7.

Chapter 7:

The California Code for the Abatement of Dangerous Buildings is adopted with amendments as shown in Article 2 and Article 8.

Chapter 8:

Appendix Chapter 1 of the California Conservation Code is adopted with amendments as shown in Article 2 and Article 9. The California Conservation Code has been renamed from the Uniform Code for Building Conservation because of its adoption by the State. The mode code it references has not changed, however.

In Article 2, Amendments of General Application to all the Adopted State and Model Codes

Administrative amendments of general application have been made to all of the adopted codes, especially in regards to title, scope and purpose of the code, violations, organizations and enforcement, Boards of Appeal, permit fees, inspections, and certificates of occupancy.

Detached one-story animal shade covers less than 1,000 square feet in area have been added to the list of work not requiring a permit.

The Building Permit Fee Table has been removed as fees are established in a separate resolution adopted by the Board of Supervisors.

In Article 3, Amendments to the California Building Code (CBC)

Building Code changes have been made in regards to definitions, high fire hazard areas, structure forces, foundations and retaining walls, wood sheer walls, gypsum board and plaster, relocated buildings and temporary structures, swimming pools, mobilehomes and commercial coaches, post-disaster recovery and reconstruction, agricultural buildings, damp-proofing foundations, elevators and escalators, and excavation and grading.

Defined words are now shown in bold type to be consistent with the building code and to improve readability.

The table for the maximum diaphragm dimension ratios for wood diaphragms has been updated to reflect changes in the new code. Footnote 3 in the code has been dropped out in the amendment due to the high seismic activity in the Ventura area.

The swimming pool chapter incorporates the requirements of the "Swimming Pool Safety Act" passed by the California State Legislature together with the requirements found in the 1997 UBC in Appendix Chapter 4, Division 1 - "Barriers for Swimming Pools, Spas and Hot Tubs". In addition, former amendments from the Ventura County Building Code have been carried forward where they do not conflict with the other regulations.

Minor editorial changes to capitalize section headings have been made to improve readability and to be consistent with the other sections in the ordinance.

In Article 4, Amendments to the California Electrical Code (CEC)

Changes to the California Electrical Code have been made centering on administrative powers and duties of enforcement, exempted work, conductors, wiring methods and materials, grounding and emergency systems.

In Article 5, California Mechanical Code (CMC)

Amendments to the mechanical code have been made dealing with local conditions for the installation of factory-built chimneys.

In Article 6, Amendments to the California Plumbing Code (CPC)

Amendments have been made dealing with administrative powers and duties of enforcement, exempted work, definitions, water supply and distributions, sanitary drainage, required sewers and location of sewage disposal systems, and private sewage disposal systems.

In Article 7, Amendments to the Uniform Housing Code (UHC)

Changes to the Housing Code have been made regarding relocated buildings, enforcement, appeals, violations and penalties and permits and inspections.

In Article 8, Amendments to the Dangerous Building Code (DBC)

Amendments have been made to the Dangerous Building Code dealing with enforcement and appeals.

In Article 9, Amendments to the California Conservation Code (CCC)

The new California Conservation Code has been adopted. It is based on the same 1997 Uniform Code for Building Conservation as was previously adopted. Amendments to that code being carried forward include those dealing with the purpose and scope and administrative provisions.

SUMMARY OF ORDINANCE NO.4274 AMENDING THE VENTURA COUNTY BUILDING CODE AND RELATED CODES

The following is a summary of the proposed amendments to the Ventura County Building Code and related codes to be considered by the Ventura County Board of Supervisors on October 8, 2002, at 9:00 a.m., in the Board Hearing Room in the Hall of Administration, County Government Center, 800 S. Victoria Avenue, Ventura, California. The purpose of the amendments is to amend the Ventura County Building Code and adopt by reference the current editions of certain state adopted and other model codes as follows: California Building Code, 2001 edition; Appendix Chapter 1 of the California Conservation Code, 2001 Edition; Uniform Housing Code, 1997 edition; Uniform Code for the Abatement of Dangerous Buildings, 1997 edition; California Electric Code, 2001 edition; California Plumbing Code, 2001 edition; and the California Mechanical Code, 2001 edition together with amendments thereto. Copies of the full text of the proposed ordinance are on file with the Clerk of the Board of Supervisors.

In Article 1, Adoption of the California Building Standards Code and Other Model Codes by Reference

Chapter 1:
All references to code editions have been updated to refer to the latest editions of the State adopted codes and the other model codes adopted into the Ventura County Building Code.
An editorial change has been made revising the address for the code publishing organization that publishes the mechanical code.
Chapter 2:
The California Building Code and certain appendixes are adopted with amendments as shown in Article 2 and Article 3.
Chapter 3:
The California Electrical Code is adopted with an amendments as shown in Article 2 and Article 4.
Chapter 4:
The California Mechanical Code and certain appendixes are adopted with amendments as shown in Article 2 and Article 5. The Mechanical Code is now that version published by the International Association of Plumbing and Mechanical Officials.
Chapter 5:
The California Plumbing Code and certain appendixes are adopted with amendments as shown in Article 2 and Article 6.
Chapter 6:
The Uniform Housing Code is adopted with amendments as shown in Article 2 and Article 7.
Chapter 7:
The California Code for the Abatement of Dangerous Buildings is adopted with amendments as shown in Article 2 and Article 8.
Chapter 8:
Appendix Chapter 1 of the California Conservation Code is adopted with amendments as shown in Article 2 and Article 9. The California Conservation Code has been renamed from the Uniform Code for Building Conservation because of its adoption by the State. The mode code it references has not changed, however.

In Article 2, Amendments of General Application to all the Adopted State and Mode Codes
Administrative amendments of general application have been made to all of the adopted codes, especially in regards to title, scope and purpose of the code, violations, organizations and enforcement, Boards of Appeal, permit fees, inspections, and certificates of occupancy.
Detached one-story animal shade covers less than 1,000 square feet in area have been added to the list of work not requiring a permit.
The Building Permit Fee Table has been removed as fees are established in a separate resolution adopted by the Board of Supervisors.

In Article 3, Amendments to the California Building Code (CBC)
Building Code changes have been made in regards to definitions, high fire hazard areas, structure, forces, foundations and retaining walls, wood sheer walls, gypsum board and plaster, relocated buildings and temporary structures, swimming pools, mobilehomes and commercial coaches, post-disaster recovery and reconstruction, agricultural buildings, damp-proofing foundations, elevators and escalators, and excavation and grading.
Defined words are now shown in bold type to be consistent with the building code and to improve readability.
The table for the maximum diaphragm dimension ratios for wood diaphragms has been updated to reflect changes in the new code. Footnote 3 in the code has been dropped out in the amendment due to the high seismic activity in the Ventura area.
The swimming pool chapter incorporates the requirements of the "Swimming Pool Safety Act" passed by the California State Legislature together with the requirements found in the 1997 UBS in Appendix Chapter 4, Division I, "Barriers for Swimming Pools, Spas and Hot Tubs". In addition, former amendments from the Ventura County Building Code have been carried forward where they do not conflict with the other regulations.
Minor editorial changes to capitalize section headings have been made to improve readability and to be consistent with the other sections in the ordinance.

NOTICE OF PUBLIC HEARING TO CONSIDER AN ORDINANCE ADOPTING BY REFERENCE THE CURRENT EDITIONS OF CERTAIN BUILDING CODES, TOGETHER WITH AMENDMENTS THERETO; AND ADOPTING CERTAIN OTHER PROVISIONS REGULATING BUILDINGS AND STRUCTURES

NOTICE IS HEREBY GIVEN that a public hearing, as provided by law, will be held by the Board of Supervisors of the County of Ventura to consider adoption of amendments to the Ventura County Building Code.

The proposed ordinance would adopt by reference current editions of the following California and uniform codes, making them applicable in the unincorporated areas of Ventura County: California Building Code 2001 edition, Uniform Housing Code 1997 edition. Uniform Code for the Abatement of Dangerous Buildings 1997 edition California Electrical Code 2001 edition, California Plumbing Code 2001 edition, California Mechanical Code 2001 edition and the California Conservation Code 2001 edition.

The proposed ordinance would amend certain administrative and regulatory provisions of the Ventura County Building Code.

Said public hearing will be held on Tuesday, November 5, 2002, at 10:00 a.m. in the Board of Supervisors' Hearing Room in the Hall of Administration, County Government Center, 800 South Victoria Avenue, Ventura, California, at which time any interested person may attend and be heard on this matter.

The Board of Supervisors may or may not adopt the proposed ordinance as result of the public meeting. Final action will be taken at a subsequent meeting of the Board of Supervisors.

The Clerk of the Board of Supervisors will maintain copies of the proposed ordinance and code on file at the Government Center, Hall of Administration, Fourth Floor 800 South Victoria Avenue, Ventura, California for reveiw by interested persons.
Dated this 11th day of October 2002.

SUBJECT: ADOPTION OF PROPOSED AMENDMENTS TO THE VENTURA COUNTY BUILDING CODE (VCBC) AND RELATED CODES

RECOMMENDED ACTION:

1. Conduct a public hearing, introduce and read in title only the attached Ventura County Building Code Ordinance, waive further reading by a majority vote, and continue the matter, together with the Resolution adopting express findings regarding modification of uniform codes which regulate buildings subject to the State Housing Law, for final adoption on November 5, 2002, at 9:00 a.m.

2. At a second meeting on November 5, 2002, at 9:00 a.m., receive public testimony and adopt the proposed Ventura County Building Code Ordinance to become effective thirty days from the date of final passage, adopt a Resolution adopting express findings regarding modification of uniform codes which regulate buildings subject to the State Housing law, and direct that the findings be filed with the State Building Standards Commission.

FISCAL/MANDATES IMPACT: None

STATEMENT OF MATTER FOR BOARD CONSIDERATION:

The uniform building codes form the primary basis of authority under which local building departments regulate the construction of buildings and structures. The California Health and Safety Code requires every city or county to utilize virtually the same housing construction standards as those of the State, but with provision for local adjustments to reflect local conditions. The recommended revisions to Ventura County's local ordinance are part of the normal legal process which is prescribed by State law for the adoption of building codes.

The local County building codes which are currently in effect were last amended by the Board in June 1999. This proposed ordinance will update references to the latest editions of the State codes, and will maintain uniformity with nearby city and county jurisdictions, which are completing the same process. Additionally, the proposed ordinance will improve certain of the administrative and regulatory provisions of the Ventura County Building Code (VCBC) to facilitate administration and enforcement of the codes. The VCBC is a compilation of previously-adopted ordinances regulating construction and incorporates State adopted codes and other model codes.

4i12-1.02

Attachment "A" is a copy of the VCBC which incorporates the proposed amendments without strike outs or underlining and has been furnished to the Clerk of the Board for publication as required by law.

Attachment "B" is an abbreviated summary by article of the changes made to the VCBC.

Attachment "C" is a copy of the letter sent out by the Building Official to interested parties requesting their review of the draft VCBC.

Attachment "D" is a Resolution adopting express findings regarding modification of uniform codes which regulate buildings subject to the State Housing law. Adoption of these express findings is required by Health and Safety Code Section 17922. A county may make modifications in the requirements of the State adopted codes which are reasonably necessary because of local conditions. Changes to State construction standards may not, however, result in standards less than State minimums.

Attachment "E" are the express findings required for adoption.

A copy of the proposed Ventura County Building Code and these attachments are available in the Clerk of the Board's office and at the Building and Safety Counters in the Simi Valley Court House and in the Administration Building in Ventura.

Existing amendments that have not changed from the prior code have been simply brought forward without modification. Changes made by the amendments fall into one of the following categories:

1. Editorial changes that either update references, section numbers, chapter and section titles, or add highlighting of definitions, or make grammatical corrections and clarifying language revisions. These are found in various places throughout the code.

2. Administrative changes that modify permit processes or requirements or other administrative provisions in the code. Prominent administrative changes include those dealing with the title, scope and purpose of the code, violations, organization and enforcement, Boards of Appeal, permits, fees, inspections and certificates of occupancy.

3. Technical changes or "building standards", which actually affect the specific design and approval of a structure. Many of the amendments dealing with "building standards" have been reduced or eliminated as they are now found in the State code itself and are no longer necessary to add by amendment.

   Other technical changes have been made to the codes in regard to definitions, high fire hazard areas, structural forces, foundations, shear walls, gypsum board and plaster, relocated buildings, swimming pools, mobile homes and commercial coaches, post-disaster recovery and reconstruction, agricultural buildings, damp-proofing, elevators, excavation and grading, wiring methods and materials, factory-built chimneys and sewage disposal systems.

Beginning on September 25, 2002, an initial draft of the proposed VCBC amendments was sent to interested parties, including engineers, architects and draftspersons, builders and contractors, individual citizens and industry groups such as the Ventura County Contractors Association, Building Industries Association, American Institute of Architects, and the Structural Engineers Association and to members of the County's Building Appeals Boards.

This item has been reviewed by the Chief Executive Office, County Counsel and the Auditor-Controller. A legislative version with strikeouts through deleted words and sentences and underlining under new words and sentences is on file with the Clerk of the Board of Supervisors. If you have any questions, please call me at extension 2787.

NOTICE OF PUBLIC HEARING TO CONSIDER AN ORDINANCE ADOPTING BY REFERENCE THE CURRENT EDITIONS OF CERTAIN BUILDING CODES, TOGETHER WITH AMENDMENTS THERETO; AND ADOPTING CERTAIN OTHER PROVISIONS REGULATING BUILDINGS AND STRUCTURES

NOTICE IS HEREBY GIVEN that a public hearing, as provided by law, will be held by the Board of Supervisors of the County of Ventura to consider adoption of amendments to the Ventura County Building Code.

The proposed ordinance would adopt by reference current editions of the following California and uniform codes, making them applicable in the unincorporated areas of Ventura County: California Building Code 2001 edition, Uniform Housing Code 1997 edition, Uniform Code for the Abatement of Dangerous Buildings 1997 edition, California Electrical Code 2001 edition, California Plumbing Code 2001 edition, California Mechanical Code 2001 edition and the California Conservation Code 2001 edition.

The proposed ordinance would amend certain administrative and regulatory provisions of the Ventura County Building Code.

Said public hearing will be held on Tuesday, November 5, 2002, at 10:00 a.m. in the Board of Supervisors' Hearing Room in the Hall of Administration, County Government Center, 800 South Victoria Avenue, Ventura, California, at which time any interested person may attend and be heard on this matter.

The Board of Supervisors may or may not adopt the proposed ordinance as a result of the public meeting. Final action will be taken at a subsequent meeting of the Board of Supervisors.

The Clerk of the Board of Supervisors will maintain copies of the proposed ordinance and code on file at the Government Center, Hall of Administration, Fourth Floor, 800 South Victoria Avenue, Ventura, California for review by interested persons. Dated this 11 day of October 2002.

Sec. 105 - BOARD OF APPEALS

105.1 GENERAL. To determine the suitability of alternate materials and methods of construction, and to provide for reasonable interpretations of the provisions of this Code, and to hear the appeals provided for, there shall be and are hereby created Boards of Appeals. Each Board shall consist of five members who are not employees of the County and who are qualified by experience and training to pass upon matters pertaining to the type of construction related to each Board's jurisdiction as hereinafter described. The Building Official shall be an ex officio member and shall act as Secretary of each Board. Each Board of Appeals shall be appointed by the Board of Supervisors and shall hold office at its pleasure. Each Board shall adopt reasonable rules and regulations for conducting its investigations. All decisions and findings shall be rendered in writing to the appellant with duplicate copy to the Building Official. Copies of all rules and regulations adopted by the Board shall be delivered to the Building Official who shall make them accessible to the public. All decisions of a Board of Appeals shall be final.

105.3 SPECIFIC BOARDS OF APPEAL

105.3.1 GENERAL BOARD OF APPEALS. The jurisdiction of the General Board of Appeals shall be all the appealable matters contained in this Code, except those matters expressly placed within the jurisdiction of one of the following Board of Appeals.

105.3.2 BOARD OF GRADING APPEALS. The jurisdiction of the Board of Grading Appeals shall be the appealable matters contained in APPENDIX Chapter 33 of the Uniform Building Code.

105.3.3 BOARD OF MECHANICAL AND PLUMBING APPEALS. The jurisdiction of the Board of Mechanical and Plumbing Appeals shall be the appealable matters contained in the Uniform Mechanical Code and the Uniform Plumbing Code.

105.3.4 BOARD OF ELECTRICAL APPEALS. The jurisdiction of the Board of Electrical Appeals shall be the appealable matters contained in the National Electrical Code.

105.3.5 BOARD OF APPEALS OF ACCESSIBILITY MATTERS. The jurisdiction of the Board of Appeals of Accessibility matters shall be the appealable matters contained in California State Title 24
CCR), the Federal Americans with Disabilities Act and Federal Housing Authority regulations for disabled access.

105.4 APPEALS HEARING FEE. Required fees as set forth in the Ventura County Building and Safety Fee Schedule shall accompany each application for a hearing before any of the appeals boards authorized by this Code.

Subject: **APPROVAL OF AGREEMENTS WITH LAIDLAW MEDICAL TRANSPORT, INC., DBA AMERICAN MEDICAL RESPONSE, VENTURA COUNTY, GOLD COAST AMBULANCE SERVICE, INC., AND OJAI AMBULANCE, INC., DBA LIFELINE MEDICAL TRANSPORT. (A copy of the Agreement is on file with the Clerk of the Board.)**

Recommendation:

It is recommended that your Board approve, and authorize the Chair to sign four copies of, each of the proposed Agreements for the Provision of Emergency Ambulance and Related Services with Lifeline Medical Transport (Area 1), Gold Coast Ambulance Services, Inc. (Area 6), and Laidlaw Medical Transport, Inc., DBA American Medical Response (Areas 2,3,4,5,and7) and return two certified copies to the Emergency Medical Services Agency.

Fiscal Mandates Impact:

Mandatory: Yes, in part.
Authority: Health and Safety Code Sections 1797 et seq. require that an EMS agency to be established to regulate Advanced Life Support (EMS) systems when prehospital ALS is instituted.

Source of Funding: Fees and Penalties
Matching Required: None
Impact on other Department(s): None

Summary of Revenue and Costs:

	Projected FY 2004-05	Estimated FY 2005-06
Revenue:		
Response-Time Penalties	$ 65,000	$ 65,000
Oversight/QA/ContractAdmin	$ 150,000	$ 150,000
Total	$ 215,000	$ 215,000
Costs:		
Subventions[1]	$ 48,075	$ 48,075
Oversight/QA/ContractAdmin	$ 150,000	$ 150,000
Indirect	$ 16,925	$ 16,925
Total	$ 215,000	$ 215,000
Net County Cost (Including Indirect)	$ -0-	$ -0-

[1] Subvention of Lifeline Medical Transport will remained fixed and will be phased out when Area 1 reaches 50,000 population base.

Current FY Budget Projection:

FY 2004-05 Budget Projection for 5090 HCA-Public Health-EMS				
	Adopted Budget	Adjusted Budget	Projected Budget	Estimated Savings(Deficit)
Appropriations	$ 2,071,878	$2,071,878	$ 2,071,878	0
Revenue	$ 1,619,585	$1,619,585	$ 1,619,585	0
Net Cost	$ 452,293	$ 452,293	$ 452,293	0

Discussion:

On April 27, 2004, your Board directed the Emergency Medical Services (EMS) Agency to negotiate with the three current ambulance providers based on a conceptual agreement that would achieve significant overall EMS system improvements for Ventura County.

Proposed Agreements In General

Seven proposed Agreements are being presented, one for each of the seven EMS Ambulance Operating Areas. Each of the Agreements has essentially the same contract

expectations and deliverables, but is adapted in a few particular areas that are relevant to respective EMS services areas. The relevant differences are as follows:

1. The Agreement with Lifeline for Area 1 contains additional language that addresses the subvention of $48,075 that is fixed and will continue to be provided to this area. It also phases in the new response time criteria.

2. The Agreement for Area 4 contains language relating to sub response zones, which include the City of Moorpark, Thousand Oaks and the unincorporated areas of Oakpark and Newbury Park.

3. The Gold Coast (Area 6) and Lifeline (Area 1) agreements have specific provisions that will allow the Contractor to require a financial audit and consideration of possible relief should the agreement requirements create a situation of undue financial hardship.

All seven Agreements contain the following overall system improvements and changes, some of which will occur immediately, while others will be phased in on or after January 1, 2007:

1. Institution of a Medical Priority Dispatch System to determine call priority.
2. All EMS dispatching will be centralized and managed from the Ventura County Fire Communications Center. The Agreements now contain a provision on cost sharing for the provision of a centralized dispatch system for Emergency Medical Services provided via the Ventura County Fire Protection District.
3. All Ambulances in Ventura County will have vehicle locator devices installed in conjunction with the new dispatch center. This will ensure that the closest available EMS resource will be dispatched to all Priority 1 calls, regardless of the location of the call.
4. To the extent allowed under applicable law, the County will be reimbursed for the quality assurance oversight, medical oversight, and contract administration costs incurred by the EMS Agency.
5. To the extent allowed under applicable law, the County will no longer be charged for pre-hospital emergency services or transport of individuals who are "arrestees" in the field.

The current contracts do not expire until July of 2006, which leaves one year and six months of remaining term on each contract. With this in mind, the remaining term of the current contracts has been added to the first five (5) year term of the new contract. This will allow system improvements to begin to take effect immediately. Each agreement will be effective January 1, 2005 and run through June 30, 2011, with the potential for five two-year extensions that could extend the agreement through June 30, 2021, a total of 15 years beyond the term of the existing contracts. Earned extensions of the initial term would be possible, under the proposed Agreements, based on a bi-annual review of the provider's performance, beginning in July of 2006. If the Board of Supervisors is satisfied

that the provider's performance has met the minimum requirements of the Agreement, then the provider would be entitled to a two-year extension. A provider can earn up to five two-year extensions beyond the initial term. If a provider fails to earn two consecutive extensions, it is considered a major breach of the agreement.

The negotiated proposed Agreements require an immediate reduction in response time. Calls for emergency assistance in incorporated areas will be required to be met in 8 minutes zero seconds, 90% of the time. Lifeline Medical Transport will decrease their response times by 30 seconds each year, until they reach 8 minutes zero seconds.

The County will reassess the performance standards developed for these Agreements every two years. As needed, standards will be revised to assure compliance with current standards in the practice of prehospital emergency medical care.

Explanation of "Anti-Kickback Statute" and Payment/Service Elements in Agreements

Federal law, the so-called "anti-kickback statute," prohibits "the purposeful payment of anything of value (i.e., remuneration) in order to induce or reward referrals of federal health care program business, including Medicare and Medicaid business." (68 Fed. Register 14251; see 42 USC 1320a-7b). When a governmental entity enters into contracts for the provision of emergency ambulance services, the "anti-kickback statute" can be implicated. Thus, both ambulance providers and a governmental entity entering into such contracts need to be careful not to run afoul of this important statute.

A memorandum from the County Counsel's office is being forwarded to your Board, and placed on file with the Clerk of the Board, explaining the statute and specific elements that have been included in the proposed Agreements for purposes of taking a very conservative and prudential approach in light of this statute.

This item has been reviewed by County Counsel, the Auditor-Controller, Fire Protection District and the County Executive Office. Please call Paul Lorenz at 981-5101 or Barry Fisher at 981-5308 if you have questions.

American Medical Response

2005 through 2021

AGREEMENT Laidlaw Medical Transportation Inc.
DBA American Medical Response

FOR

PROVISION OF EMERGENCY AMBULANCE AND

RELATED SERVICES (VENTURA COUNTY EMS AREA 2 - Santa Paula, Fillmore)

THIS AGREEMENT, is entered into as of the 1st day of January, 2005, by and between the COUNTY OF VENTURA, a political subdivision of the State of California, hereinafter called "County" and Laidlaw Medical Transportation, Inc., DBA American Medical Response (AMR), hereinafter called "Contractor";

WITNESSETH:

WHEREAS, pursuant to Government Code, Section 31000, County may contract with independent contractors for the furnishing of specified services to or for County or any Department thereof; and

WHEREAS, pursuant to Health and Safety Code, Division 2.5, Section 1797.224, and other applicable provisions of law, County has previously established exclusive emergency ambulance service areas and has contracted with Contractor, or with an entity to which Contractor is the successor, for provision of such services in Area 2 and

WHEREAS, pursuant to such prior contract(s), Contractor, directly or in combination with or as successor to Contractor's predecessor(s) in interest, has continuously provided emergency ambulance service within Area 2; and

WHEREAS, County has determined that a new contract should be entered with Contractor to continue Contractor's services as County's contracted emergency ambulance services provider for Area 2 under the terms and conditions set forth in this Agreement; and

WHEREAS, Contractor represents that it is willing, able, and desirous of continuing to be County's contracted emergency medical services provider for Area 2 pursuant to the terms and conditions set forth in this Agreement:

NOW, THEREFORE, THE PARTIES HERETO AGREE as follows:

1. **Services to be Performed by Contractor.** Contractor shall provide emergency ambulance services in accordance with the terms and conditions of this Agreement and as further detailed in Schedule B, attached hereto and incorporated herein. The glossary of terms set forth in Schedule A, attached

hereto and incorporated by this reference, shall apply to this Agreement, including all schedules, unless otherwise clear from the context.

2. **Term of Agreement.** Subject to compliance with the terms and conditions of this Agreement, the term of this Agreement shall be from January 1, 2005 through January 1, 2011 for the geographic area known as EMS Area 2. A map of EMS Areas is attached as Exhibit A. The prior Agreement between the parties shall remain in full force and effect and govern operations and all other matters between the parties through and including December 31, 2004. Effective on and after January 1, 2005, this Agreement shall govern and the prior Agreement shall be terminated and superseded except with regard to rights or obligations that would survive as a matter of law or pursuant to section 21 (at page 8) of the prior Agreement.

2.1 Review of Contractor performance will take place at the end of the second, fourth, sixth, eighth & tenth Agreement years, beginning July 1, 2006, according to the Contractor's Review Process outlined in Exhibit B. Up to five two-year extensions of the term of this Agreement may be obtained pursuant to this process.

2.2 If at any time, County reasonably determines that Contractor has failed to comply with any of the provisions of this Agreement, County shall give written notice setting forth the specific deficiency, the required correction and a reasonable time period to correct the deficiency. Upon County's determination that Contractor has failed to timely cure the deficiency, County may terminate this Agreement upon 90 days written notice.

3. **Bi-annual Review of Standards** Bi-annual review of the standards established in this agreement, outlined in Exhibit C, will take place beginning July 1,2006 and may, at County's discretion, result in revision of the agreement. If Contractor does not meet new standards developed during a bi-annual review, Contractor may be deemed in material breach of this Agreement.

4. **Payments**

A. Contractor understands and agrees that Contractor shall have no right to any compensation from County, and shall not bill or charge County, for any pre-hospital emergency services or transport provided to persons who are indigent. The foregoing shall not preclude Contractor from billing or seeking to collect from third party payor sources such as, by way of example, but without limitation,

Medi-Cal, Medicare, and/or California Children's Services ("CCS"), to the extent allowed under applicable law and so long as County does not become obligated to reimburse any person or entity. To the extent that County should become obligated to reimburse any person or entity, to the extent allowed under applicable law, Contractor shall reimburse and make County whole for any such reimbursement County may have to make. Contractor expressly agrees to accept as full payment for covered services rendered to any person qualifying for MediCal, Medicare, or CCS, for whom a billing to such program is allowable under applicable law, the amount provided for and payable under such program. The foregoing shall not prevent Contractor from billing patients or other responsible parties for co-payments or other cost-sharing amounts, or for non-covered services (e.g. services for which coverage has been denied by Medicare). Obtaining or recovering payment from any such third party payor shall be at the sole cost and risk of Contractor.

For purposes of this Agreement, "indigent" shall be defined as any person whose personal assets and income would qualify him for aid under criteria established by the County of Ventura or applicable law, which person is not covered by any type of categorical aid, such as Medi-Cal or California Children's Services. With respect to persons who are not indigent and/or who are covered by a type of categorical aid such as Medi-Cal or California Children's Services (i.e., a "program"), Contractor shall have no claim or right to compensation from County, but may bill and seek compensation from the individual, third party payors or the program, in accordance with this Agreement, at Contractor's sole cost and risk.

B. Further, and as specifically relates to persons who are arrested or otherwise taken into custody by a police or other governmental agency (i.e., "arrestees" as distinguished from persons who are in a prison or jail facility and who might, for example, be termed "prisoners") (hereafter, for convenience, referred to as "arrestees") and who are transported for hospital or other emergency care from the field or a location other than from a jail, prison or other place of incarceration or civil detention, to the extent allowed under applicable law, Contractor shall not bill or charge County for any pre-hospital emergency services or transport provided to any such person. The foregoing shall not preclude Contractor from billing or seeking to collect from the individual or from third party payor sources

such as, by way of example, but without limitation, an insurance company, MediCal, Medicare, and/or California Children's Services ("CCS"), to the extent allowed under applicable law and so long as County does not become obligated to reimburse any person or entity. To the extent that County should become obligated to reimburse any person or entity in the circumstances specified, to the extent allowed under applicable law, Contractor shall reimburse and make County whole for any such reimbursement County may have to make. Contractor expressly agrees to accept as full payment for covered services rendered to any such person qualifying for MediCal, Medicare, or CCS, for whom a billing to such program is allowable under applicable law, the amount provided for and payable under such program. The foregoing shall not prevent Contractor from billing patients or other responsible parties for co-payments or other cost-sharing amounts, or for non-covered services (e.g. services for which coverage has been denied by Medicare). Obtaining or recovering payment from the individual, an insurance carrier, or any other third party payor shall be at the sole cost and risk of Contractor.

C. Paragraph B above will apply effective on and after January 1, 2005. However, while Contractor is willing to provide the specified services without charge to the County and both parties believe the services may be properly, lawfully and appropriately provided without charge to the County (see section 25 below), in light of the Office of Inspector General (OIG) "Compliance Program for Ambulance Providers" ("CPG") the parties wish to obtain a specific OIG advisory opinion with respect to this matter. Therefore, the provisions of paragraph B above shall not become operative to preclude billing the County for pre-hospital emergency services or transport provided to "arrestees" until and unless an OIG advisory opinion has been obtained with respect to this matter. The County will seek such an advisory opinion and Contractor will join in the request as may be necessary or desirable in the sole discretion of the County. If the advisory opinion from the OIG satisfies the County that the County's requiring of these "arrestee" services without charge to County, or particular portions thereof, will not subject either the County or Contractor to sanctions or enforcement action by the OIG, then paragraph B above will become fully operative consistent with the OIG advisory opinion. In other words, actual implementation of these provisions

shall be held in abeyance pending receipt of an OIG advisory opinion and notice by County to Contractor requiring compliance with the provisions of, or portions of the provisions of, paragraph B. If an advisory opinion from the OIG is issued confirming to County's satisfaction that the County's requiring of these services without charge to the County, or particular portions thereof, will not subject the County or Contractor to sanctions or enforcement action by the OIG, then County may elect to have the above paragraph B, or portions thereof, become fully operational as deemed appropriate in light of the OIG advisory opinion. Upon notice from the County to Contractor requiring compliance with the provisions of, or portions of the provisions of, paragraph B, Contractor shall, within 45 days following County's notice, and consistent therewith, refund to County any amounts that were billed to and paid by County with regard to pre-hospital emergency or transport services provided to "arrestees" on or after January 1, 2005, cancel any outstanding bills in that regard, and treat paragraph B, or the specified provisions or portions thereof, as fully operative.

Whenever a term such as "to the extent allowed under applicable law" is used, if what is referred to is not presently allowed under applicable law, the requirement shall apply and become effective, prospectively, if applicable law should at any time be amended or changed to "allow" that which was not previously allowed.

4.1. Other than as set forth above, or as elsewhere provided in this Agreement, County shall have no obligation to make any payments to Contractor for provision of services pursuant to this Agreement.

5. **Relationship of Parties.** It is expressly understood that this is an agreement between County and an independent contractor and that no agency, employee, partnership, joint venture, or relationship other than that of independent contract is established by this Agreement.

6. **Insurance Provisions** Contractor shall not commence work under this Agreement until all insurance required under this section has been obtained and such insurance has been approved by VC EMS.

6.1. Contractor, at its sole cost and expense, shall obtain and maintain in full force during the term of this Agreement the following types of insurance:

6.1.1. Commercial General Liability "occurrence" coverage in the minimum amount of $1,000,000 combined single limit (CSL) bodily injury and property damage each occurrence and $2,000,000 aggregate, including personal injury, broad form property damage, products/completed operations, broad form blanket contractual and $100,000 fire legal liability.

6.1.2. Commercial Automobile Liability coverage in the minimum amount of $2,000,000 CSL bodily injury and property damage, including owned, non-owned and hired automobiles. Also to include Uninsured/Underinsured Motorists coverage in the minimum amount of $100,000 when there are owned vehicles. Contractor must have on file evidence of auto insurance in the minimum amount of $100,000 CSL bodily injury and property damage for all employees and volunteers associated with the Agreement.

6.1.3. Workers' Compensation coverage, in full compliance with California statutory requirements, for all employees of Contractor and Employer's Liability in the minimum amount of $1,000,000. In signing this Agreement, Contractor makes the following certification, required by Section 1861 of the California Labor Code:

> I am aware of the provisions of Section 3700 of the California Labor Code which require every employer to be insured against liability for Workers' Compensation or to undertake self-insurance in accordance with the provisions of the Code, and I will comply with such provisions before commencing the performance of the work of this Agreement.

6.1.4. Professional Liability (Medical Malpractice) coverage in the minimum amount of $1,000,000 each occurrence and $2,000,000 aggregate.

6.2. If any liability coverage is "claims made", Contractor must, for a period of three years after the date when this Agreement is terminated, completed, or non renewed, maintain insurance with a retroactive date that is on or before the start date of Agreement services OR purchase an extended reporting period endorsement (tail coverage).

6.3. All insurance required shall be primary coverage as respects County and any insurance or self-insurance maintained by County shall be excess of Contractor's insurance coverage and shall not contribute to it.

6.4. County is to be notified immediately if any aggregate insurance limit is exceeded.

Additional coverage must be purchased to meet requirements.

6.5. The County of Ventura and the HCA EMS Agency are to be named as Additional Insureds as respects work done by Contractor under the terms of this Agreement on all policies required (except Workers' Compensation).

6.6. Contractor agrees to waive all rights of subrogation against the County of Ventura, its Boards, Agencies, Departments, Officers, Employees, Agents, and Volunteers for its losses arising from work performed by Contractor under the terms of this Agreement.

6.7. Policies shall not be cancelled, non-renewed or reduced in scope of coverage until after thirty (30) days written notice has been given to VC EMS.

6.8. Prior to the effective date of this Agreement, Contractor shall furnish VC EMS with the following insurance documents:

6.8.1. Certificates of Insurance for all required coverage's.

6.8.2. Additional Insured endorsements.

6.8.3. Waiver of Subrogation endorsements (AKA: Waiver of Transfer Rights of Recovery against Others, Waiver of Our Right to Recover from others).

6.8.4. Changes in Insurance. County may, upon recommendation of its Risk Manager, not more than once every two years, increase the minimum dollar amounts for insurance required by this Agreement or add additional insurance requirements, but every such change shall be reasonable and not excessive under the circumstances. If Contractor disagrees with a proposed change, the matter shall be reviewed by the Board of Supervisors and the determination of the Board shall govern.

7. **Indemnification and Hold Harmless.** To the fullest extent permitted under applicable law, Contractor shall indemnify, defend (at County's request) and hold harmless the County, its officers, agents, volunteers, and employees, from and against any and all liability, claims, loss, damage, or expense of whatsoever nature (including, without limitation, attorney's fees and all other costs of defense) arising out of or related to any injury or death to any person or any damage to any person or property or claim arising from or related to County's entering into this Agreement with Contractor or any negligent or wrongful act or omission by Contractor, its officers, agents, volunteers or employees in the performance of this Agreement, including without limitation all consequential damages. Except as provided above, County shall indemnify, defend and hold

harmless Contractor, its officers, agents, volunteers, and employees, from and against all liability, claims, loss, damage, or expense of whatsoever nature arising out of or related to any injury or death to any person or any damage to any person or property arising from or relating to any negligent or wrongful act or omission by County, its officers, agents, or employees, in connection with County's performance or implementation of this Agreement.

In the event of concurrent negligence of Contractor, its officers, agents, volunteers, and/or employees, and County, its officers, agents, volunteers and/or employees, in connection with any tort claim, then the liability for any and all claims for injuries or damages to persons and/or property in such instance shall be apportioned under the California theory of comparative negligence as then existing, and each party shall then bear its own entire costs of defense, including attorney's fees. Nothing in the foregoing limits in any respect the obligation of an insurance carrier to provide full defense and indemnity for the County, its officers, agents, volunteers and/or employees where the County is named as an additional insured on insurance required under this Agreement. Neither Contractor nor its officers, agents, volunteers, or employees, are to be deemed an agent or agents of County and vice versa.

8. **Non-Discrimination**. No person shall, on the grounds of race, color, creed, national origin, religious affiliation or non-affiliation, sex, sexual orientation, marital status, age (over 40), disability, medical condition (including but not limited to, AIDS, ARC, HIV positive diagnosis, or cancer), political affiliation or union membership be excluded from participation in, be denied the benefits of, or be subjected to discrimination under this Agreement.

8.1. Contractor shall insure equal employment opportunity based on objective standards of recruitment, selection promotion, classification, compensation, performance evaluations, and management relations, for all employees under this Agreement. Contractor's personnel policies shall be made available to County upon request.

8.2. Contractor shall provide that patients are accepted for care without discrimination on the grounds of race, color, creed, national origin, religious affiliation or non-affiliation, sex, sexual orientation, marital status, age, disability, medical condition (including but not limited to AIDS, HIV positive diagnosis), political affiliation, or ability to pay for services.

9. **Assignments and Subcontracts.** Without the written consent of the Board of Supervisors, this Agreement is not assignable wholly or in part. Any assignment by Contractor without the prior written consent of the Board of Supervisors violates this Agreement and shall automatically terminate this Agreement.

9.1. Contractor shall not employ subcontractors or consultants to carry out the responsibilities undertaken pursuant to this contract without the written consent of the Director, Ventura County Health Care Agency or his authorized representative.

9.2. All assignees, subcontractors, or consultants approved by the Director, Ventura County Health Care Agency or his authorized representative shall be subject to the same terms and conditions applicable to Contractor under this Agreement, and Contractor shall be liable for the Assignee's, subcontractor's or consultant's acts and/or omissions.

9.3. All agreements between Contractor and subcontractor and/or assignees for services pursuant to this Agreement shall be in writing and shall be provided to County.

10. **Entire Agreement.** This Agreement supersedes any and all other agreements, either oral or in writing, between the parties with respect to Contractor providing the subject services to County and contains all the covenants and agreements between the parties with respect to the provision of such services. Each party to this Agreement acknowledges and agrees that no representations, inducements, promises or agreements, other than as specifically set forth herein, have been made by any party, or anyone acting on behalf of any party.

11. **Amendment.** Except as otherwise specifically provided, this Agreement may be amended only pursuant to an instrument in writing signed on behalf of each of the parties, and no oral understanding or agreement shall be binding.

12. **Records.** Contractor agrees to provide to County, to any Federal or State department having monitoring or reviewing authority, and to County's authorized representatives and/or their appropriate audit agencies upon reasonable notice, access to and the right to examine and audit all records and documents necessary to determine compliance with relevant Federal, State, and local statutes, rules and regulations, and this Agreement, and to evaluate the quality, appropriateness and timeliness of services performed. Contractor shall make available for the County's inspection, as related to Ventura County operations, its

financial records for review or audit at any place designated by County and if requested, Contractor shall provide copies of specific financial records to County.

12.1. Contractor shall maintain and preserve all records relating to this Agreement in its possession or in the possession of any third party performing work related to this Agreement for a period of four (4) years from the termination of this Agreement, or until audit findings are resolved, whichever is later.

13. **Accounting and Auditing Procedures**. Contractor shall maintain accurate fiscal and administrative records in conformance with standard accounting practices as required by Ventura County Auditor-Controller and the Director, Ventura County Health Care Agency or his authorized representative, as shown in Exhibit D.

13.1. Such records shall be open to inspection of COUNTY Auditor or other COUNTY officials as determined by the Director, Ventura County Health Care Agency or his authorized representative at any reasonable time.

13.2. Annual financial statements (unaudited), for Ventura County services, shall be submitted to Ventura County Emergency Medical Services Agency within three (3) months of the end of CONTRACTOR's fiscal year. Such statements shall be open to inspection by Auditor-Controller and VC EMS staff. The financial statements shall be considered the property of each company and all information contained therein shall be solely for use by County's VC EMS or Auditor Controller staff for review to determine compliance with the terms of this contract

13.3. County Auditor or other Designated County officials may audit all records of Contractor and will submit copies of all findings to Contractor. Contractor is encouraged to respond to any and all audit findings. Copies of these responses shall be forwarded to the Ventura County EMS Agency.

13.4. Contractor shall maintain separate financial records for its Ventura County operation under this Agreement.

14. **Compliance with Applicable Laws** All services to be performed by contractor pursuant to the Agreement shall be performed in accordance with all applicable Federal, State, County and Municipal laws, ordinances, regulations, including but not limited to appropriate licensure, certification regulations, provisions pertaining to confidentiality of records, and applicable quality assurance regulations.

15. **Notices** All notices required under this Agreement shall be in writing and may be given by personal delivery, by established overnight delivery service (such as

Federal Express, UPS, etc.), by facsimile transmission (with documentation confirming receipt) coupled with notice by mail, or by U.S. mail alone. All notices shall be addressed or delivered as follows:

TO COUNTY:
Ventura County Emergency Medical Services Agency
Attention: EMS, Administrator
2220 East Gonzales Road, Suite 130
Oxnard, CA 93036
Facsimile # 805 981-5300

TO CONTRACTOR: Vice President
Laidlaw Medical Transportation Inc., DBA
American Medical Response.
20101 Hamilton Avenue, Suite 300
Torrance, CA 90502
Facsimile # 310-851-7004

Either party may, by giving written notice in accordance with this paragraph, change the names, addresses or facsimile numbers of the persons or departments designated for receipt of future notices.

When addressed in accordance with this paragraph and deposited in the United States mail, certified or registered mail, postage prepaid, notices shall be deemed given on the third day following such deposit in the United States mail. When given by facsimile transmission, as provided above, notice shall be deemed given on the first regular working day following transmission and receipt of the facsimile transmission. In all other instances, notices shall be deemed given at the time of actual delivery.

16. **Controlling Law.** The validity of this Agreement and its terms or provisions, as well as the rights and duties of the parties hereunder, the interpretation and performance of this Agreement shall be governed by the laws of the State of California.

17. **References Include Future Amendments.** References in this Agreement to statutes, ordinances, laws, regulations, and EMS policies and procedures mean and include the same as they presently exist, and, as of and from the dates they are effective, amendments and successor provisions that may be adopted from

time to time.

18. **Construction of Covenants and Conditions**. Each term and each provision of this Agreement to be performed by Contractor shall be construed to be both a covenant and a condition.

19. **Cumulative Remedies**. The exercise or failure to exercise of any legal rights or remedies by the County of Ventura in the event of a default or breach hereunder shall not constitute a waiver or forfeiture of any other rights or remedies, and shall be without prejudice to the enforcement of any other right or remedy available by law or authorized by this Agreement. All rights and remedies shall be deemed cumulative, not exclusive.

20. **Headings (Captions)**. The headings (captions) of articles, sections, and paragraphs contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

21. **Survival of Obligations.** Termination of this Agreement shall not affect any right or obligation hereunder which shall have previously accrued, or which shall thereafter arise with respect to any occurrence prior to termination; and such rights and obligations shall continue to be governed by the terms of this Agreement. This provision shall not be deemed to limit any survival of obligations that would occur as a matter of law.

22. **Successors-In-Interest.** This Agreement shall be binding on the heirs, successors, and assigns of the parties. Each and every term and condition of this Agreement shall be binding upon and enforceable by County against any successor in title of, or to any interest in, Contractor.

23. **Bankruptcy.** This Agreement, at the option of County, shall be terminable in case of bankruptcy, voluntary or involuntary, or insolvency of Contractor, but shall be unaltered by bankruptcy, reorganization, or insolvency of Contractor.

24. **No Waiver.** Failure by either party to insist upon strict performance of any term, condition, or covenant in this Agreement shall not be deemed a waiver of or a relinquishment of that party's rights to enforce any term, condition or covenant.

25. **No Influence on Referrals**. No remuneration is being given or promised under or in connection with entering this Agreement which is intended to influence or be based on the referral or recommended referral by either party, or any person or entity, of Patients to the other party or its affiliated providers, if any, or the purchasing, leasing, or ordering of any services other than specific services

described in this Agreement. Any payments specified in this Agreement are consistent with what the parties reasonably believe to be fair and reasonable as well as consistent with the fair market value, or less than the fair market value, for the services provided or to be provided. Further, any services agreed to be provided without charge to the County are services the Contractor is willing to provide without charge to the County and are services that both parties believe may be properly, lawfully and appropriately provided without charge to the County.

26. **Contingency Event; Severability.** Notwithstanding anything to the contrary in this Agreement, if any term, covenant, condition or provision of this Agreement should be deemed or interpreted to violate any current or future statute, regulation or ordinance, or be otherwise deemed illegal, or the County is advised by legal counsel of the occurrence of such an event (collectively, "Contingency Event"), then the parties shall use their best efforts to meet forthwith and attempt to renegotiate this Agreement to remove or negate the effect of the Contingency Event. If the parties are unable to renegotiate this Agreement as specified above, such illegal, unenforceable or invalid provisions or part thereof shall be stricken from this Agreement, and such provision shall not affect the legality, enforceability or validity of the remainder of this Agreement, except as hereafter provided. If any provision or part thereof of this Agreement is stricken in accordance with the provisions of this Section, then the stricken provision shall be replaced, to the extent possible, with a legal, enforceable and valid provision that is as similar in economic effect to the stricken provision as is legally possible. However, if either party reasonably and in good faith determines that the Agreement cannot be amended to acceptably address the Contingent Event, then such party may, at its option, by giving written notice to the other, terminate this Agreement.

27. **Partial Invalidity.** If any provision of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remaining provisions shall nevertheless continue in full force and effect without being impaired or invalidated in any way; provided, however, if any such term or provision is deemed material by a party, said party has the right to terminate this

Agreement by giving ninety (90) days' notice of said party's election to terminate.

13. **Coordination of Benefits:** The sharing of health care financial liability for services rendered by two or more third party payers.
14. **Co-payment:** That dollar amount, which under Medicare guidelines, patients are required to pay and which is not paid by Medicare under a policy of accepting assignment.
15. **Dedicated Standby:** The locating of an ambulance at the scene of an incident which has a high probability of producing injured patients, at the request of a public safety entity, when such incident could not have been predicted and therefore the standby could not have been arranged prior to the request.
16. **Downgraded:** When the dispatcher notifies an emergency ambulance that an emergency response may be decreased to a lower level such as Code 2 from Code 3 or Priority 2 from Priority 1.
17. **Emergency Ambulance Call Volume:** The number of requests for emergency ambulance responses within a particular time period.
18. **Emergency Medical Dispatch Standards:** Standards for emergency medical dispatch promulgated or approved by the EMS Agency, including but not limited to, dispatcher training, protocols for call taking, dispatch of ambulances and first responders.
19. **Emergency Medical Services Authority (EMSA):** As defined in Division 2.5 of the Health and Safety Code.
20. **Emergency Medical Services (EMS) Continuous Quality Improvement (CQI):** The Ventura County Continuous Quality Improvement process.
21. **Emergency Medical Services (EMS) Medical Director:** The physician designated by Ventura County as EMS Medical Director in accordance with Section 1797.202 of Division 2.5 of the Health and Safety Code.
22. **Emergency Medical Technician- Paramedic (EMT-P):** An individual who meets the qualifications in Section 1797.84 of Division 2.5 of the Health and Safety Code and who is currently accredited to practice as an EMT-P in Ventura County.
23. **Exclusive emergency ambulance provider area, emergency operation area:** As defined in Division 2.5 of the Health and Safety Code.
24. **Field Care Audits:** As referred to in Section 100167 of Division 9 of Title 22 of the California Code of Regulations.

25. **First Notification:** Time ambulance is first notified by Ventura County Fire Communications.

26. **First Responder Advanced Life Support Unit (FRALSU)**: A non transport fire engine or squad with ALS equipment and ALS staffing that meet applicable Ventura County EMSA policies and procedures.

27. **First Responder Agencies:** Initial response, non transporting agencies whose personnel provide basic or advanced life support at the scene of medical emergencies.

28. **Geo File:** A computerized file, for use on the CAD, purchased commercially which includes, but is not limited to, geographic information for street addresses, cross streets, and commercial buildings and is cross referenced to current Thomas Bros. Guide Map Pages and Grids.

29. **Gross Patient Billings:** The full dollar amount of County authorized patient charges.

30. **Immediate Response:** Calls which are not emergency in nature, but which cannot be scheduled more than one (1) hour in advance.

31. **Interfacility Transfer:** The ambulance transport of a patient from one acute care hospital or similar facility to another acute care hospital or similar facility.

32. **Local Emergency Medical Services Agency:** As defined in Division 2.5 of the Health and Safety Code.

33. **Major Incident:** An incident as specified in the EMS Agency's Medical Incident Response Plan policy.

34. **Medical Control:** As defined in Division 9, Chapter 4, Title 22 of the California Code of Regulations.

35. **Medical Necessity:** Medical treatment and/or ambulance transportation which meets the requirements of a third party payor's policy, practice, regulation, procedure or protocol.

36. **Medically Indigent:** Any person whose personal assets and income would qualify him for aid under criteria established by the County of Ventura and not covered by any type of categorical aid, including Medi-Cal or California Children's Services.

37. **Mobile Intensive Care Nurse (MICN):** As defined in Section 1797.56, Division 2.5 of the Health and Safety Code.

38. **Net Patient Billings:** The dollar amount collected which does not include bad debt and contractual allowances.

39. **Non-Life Threatening:** Specific definition will be included in prioritized dispatch protocols as established by the local EMS agency.

40. **Priority I Response (non-emergency):** Transport from site of illness or injury to hospital or from hospital to home or other facility. This type of transport is arranged to take place more than one hour in advance of the transport.

41. **Priority II Response (non-emergency):** Those calls which are not emergency transports but cannot be scheduled more than one (1) hour in advance.

42. **Priority I Response (emergency):** An initial response to 9-1-1 calls requiring use of lights and sirens to provide prehospital emergency medical care to save a life, prevent undue suffering, or to reduce or prevent disability.

43. **Priority II Response (emergency):** An initial response to 9-1-1 calls not requiring the use of lights and sirens to provide prehospital emergency medical care.

44. **Prioritized Dispatch:** The process of using a medically approved system to dispatch appropriate aid to medical emergencies, which includes: (1) systematized caller interrogation; (2) systematized Pre-Arrival Instructions; and (3) protocols which match the dispatcher's evaluation of the injury or illness type and severity with vehicle response mode and configurations.

45. **Private Ambulance Call:** A request made directly to Contractor by a private party for an ambulance response.

46. Metro - all census places with a population density of greater than 500 persons per square mile; or census tracts and enumeration districts without census tracts which have a population density of greater than 500 persons per square mile.

46.1. Urban - all census places with a population density of 101 to 500 persons per square mile; or census tracts and enumeration districts without census tracts which have a population of 101 to 500 persons per square mile.

46.2. Suburban - all census places with a population density of 51 to 100 persons per square mile; or census tracts and enumeration districts without census tracts which have a population of 51 to 100 persons per square mile.

46.3. Rural - all census places with a population density of 7 to 50 persons per square mile; or census tracts and enumeration districts without census tracts which have a population of 7 to 50 persons per square mile.

46.4. Wilderness - census tracts or enumeration districts without census tracts which have a population of less than seven persons per square mile.

47. **State Guidelines:** Emergency Medical Services Systems Standards and Guidelines, published by the State EMSA.

48. **System Status Plan**: A description of the number of ambulances and their Pre-assigned locations for time of day and day of week which includes relocation of ambulances based upon the remaining number of available ambulances.

49. **System Status Software:** The computer software used by a CAD system in order to practice emergency medical system status management of resources.

50. **Unusual System Overload:** A situation, that could have not been predicted based upon past call volume data, in which over 66.6% of ambulances, scheduled by the ambulance company, for that hour within the current system status plan, are assigned to an emergency call from the time of dispatch through up to 15 minutes after the time of arrival at the receiving hospital.

51. **VC EMS:** Ventura County Emergency Medical Services Agency.

IN WITNESS WHEREOF, the parties hereto, by their duly authorized representatives have affixed their hands.

SCHEDULE A
GLOSSARY OF TERMS

The following definitions shall apply throughout this Agreement:

1. **Accept Assignment of Insurance Payments**: Acceptance of the Children's Medical Services and Medi-Cal allowable amount for recognized services as payment in full.
2. **Advanced Life Support (ALS)**: Advanced Life Support as defined in Section 1797.52 of Division 2.5 of the Health and Safety Code.
3. **ALS Ambulance:** An ambulance and ALS equipment and ALS staffing that meet applicable Ventura County EMSA policies.
4. **Arrival at the scene of the emergency:** The time that the ambulance arrives at the street address, or other geographic specification stated by the dispatcher with wheels stopped.
5. **Automatic Vehicle Locator (AVL):** A combination of radio communications and computer equipment which when integrated with a computer aided dispatch system provides a visual image of the location of vehicles and communicates the geographical locations to the computer aided dispatch system.
6. **Base Hospital (BH):** As defined in Section 1797.58 of Division 2.5 of the Health and Safety Code.
7. **Basic Life Support (BLS):** Basic Life Support as defined in Section 1797.60 of Division 2.5 of the Health and Safety code.
8. **Computer Aided Dispatch (CAD) Clock:** A clock or other time keeping device, similar to a manual time clock which registers time in hours, minutes and seconds, is calibrated to coordinated universal time, and encodes the time(s) in the CAD.
9. **CALCORD:** State Office of Emergency Services California Coordination Channel (156.075).
10. **Collection Rate:** Net patient receivables divided by Gross patient billings.
11. **Computer Aided Dispatch (CAD) System**: Computer hardware and software for automating dispatch of emergency resources.
12. **Contractor:** The corporation, public agency, or other party providing prehospital emergency medical care and transport services

SCHEDULE B

1. **Services to Be Performed by Contractor.**

1.1. **Uninterrupted Emergency Ambulance Service.** Contractor shall provide continuous uninterrupted emergency ground ambulance transportation and prehospital emergency medical care 24 hours a day, 7 days a week throughout the term of this Agreement. All requests for life-threatening prehospital emergency medical care shall be met by Advanced Life Support equipped and staffed ambulances. The service shall be provided according to the specifications set forth in this agreement and according to standards, policies, and procedures established by the EMS Agency.

1.2. **Public Information and Education**. Contractor shall provide public information and education relative to recognition of emergency medical conditions, EMS system access, cardiopulmonary resuscitation, first-aid, and injury prevention to the citizens of Ventura County. Contractor will advise VC EMS at least annually of Public Information and Education activities performed.

1.3. **Data Collection and Reporting Functions.** Contractor shall provide EMS system data collection and reporting functions according to specifications set forth by VC EMS.

1.4. **Compliance Provisions** Contractor shall comply with all provisions of the EMS Policies and Procedures Manual or its successor, the VC EMS Continuous Quality Improvement Plan or its successor, and Ventura County Ordinance Code Sections 2421 et seq. or its successor.

2. **Ambulance Response Time Performance Standards and Penalties.**

2.1. **Calculation of Response Times:** Response time shall be calculated from the time of first notification of the ambulance until the time that the ambulance notifies the dispatcher of its arrival (wheels stopped) at the scene of the emergency or until the ambulance is canceled by the dispatcher. The closest available ALS ambulance will be dispatched to all 9-1-1 calls for service. The EMS Agency will work with the ALS transport providers and Ventura County Fire Communications Center to establish guidelines and requirements. Contractor shall comply with all such guidelines and requirements.

2.2. If an ambulance response is downgraded by the dispatcher, only the time from its initial dispatch until the time that it is downgraded to below Priority I shall be counted as its response time.

2.3. Calls cancelled prior to arrival at the scene will not be calculated in response times. Calls that are over the required time at the time of cancellation will be counted as a late response.

2.4. In the event that no ambulance is available at the time of first notification, the response time shall be calculated from the time of first notification (initial dispatch) to the time that an ambulance arrives at the scene of the emergency.

2.5. **Response Time Standards.** Effective on and after January 1, 2005, Contractor shall respond as follows:

2.5.1. **Eight (8) Minute, Zero (00) Second Response Zone.** Contractor shall place an ambulance at the scene within 8 min zero seconds, 90% of the time on all priority one calls as defined by VCEMSA, measured from time of first notification to arrival at scene, as entered into the CAD, which shows time in hours, minutes, and seconds calibrated to the National Bureau of Standards, in the incorporated and unincorporated portions within and contiguous to Ojai, Santa Paula/Fillmore, Simi Valley, Moorpark, Thousand Oaks, Camarillo, Oxnard, and Ventura which meet the definition in State Guidelines of metro/urban areas. In the event that a First Responder ALS unit arrives on scene prior to the ALS transport unit and within 8 minutes zero seconds, this will extend the required ALS transport unit response time requirement to 10 minutes zero seconds. In this instance, ALS transport unit response time in excess of 10 minutes zero seconds will be counted as late. The maximum response time shall be 15 minutes zero seconds, 100% of the time.

2.5.2. **Twenty (20) Minute, Zero (00) Second Response Zone** Contractor shall place an ambulance at the scene within twenty (20) minutes zero seconds, 90% of the time, measured from time of first notification to arrival at scene, as entered into the CAD, which shows time in hours, minutes, and seconds calibrated to the National Bureau of Standards, in areas which meet State Guidelines for suburban/rural population density and are immediately accessible by any of the following roads: Highway 101 south (east) of Mussel Shoals, Highway 33 North from Fairview Road to Wheeler Gorge Campground , Highway 150 east from Boardman Road to Ventura County Fire Protection District Station 20, Highway

150 west of Highway 33 to Casitas Station, Highway 150 north and west from Bridge Road to Ventura County Fire Protection District Station 20, Highway 126 east to Torrey Road, and Highway 1 south of Hueneme Road to Sycamore Cove, Sycamore Canyon, Piru, and California State University at Channel Islands. The maximum response time shall be no longer than 40 minutes zero seconds, 100% of the time.

2.5.3. **Thirty (30) Minute Zero (00) Second Response Zone** Contractor shall place an ambulance at the scene within thirty (30) minutes 00 seconds, 90% of the time, measured from time of first notification to arrival at scene, as entered into the CAD, which shows time in hours, minutes, and seconds calibrated to the National Bureau of Standards: Lake Piru, Highway 101 between Mussel Shoals and the Santa Barbara County Line, Highway 126 between Torrey Road and the Los Angeles County Line, Highway 1 between Sycamore Cove and the Los Angeles County Line, Highway 150 west of Highway 33 between Casitas Station and the Santa Barbara County Line, Highway 33 between Wheeler Gorge Campground and the Rose Valley turnout, and Bell Canyon. The maximum response time shall be no longer than 40 minutes zero seconds, 100% of the time.

2.5.4. **As Soon as Possible Response Zone.** Contractor shall place an ambulance at the scene as soon as possible, measured from time of first notification to arrival on scene, as entered into the CAD, which shows time in hours, minutes, and seconds calibrated in the National Bureau of Standards, in areas not included above.

2.5.5. Population Density will be reviewed no less than every 2 years to update population by census tract. VCEMS may change areas from one Response zone to another, or specify new times in a particular response zone or census tract, based on population changes. Contractor will have 90 days from notification by VCEMS to implement the new/changed response time for any such area. VCEMS will issue new maps for use by Contractor. Contractor shall update its reporting process based on the new/changed response times.

3. **Response Time Exceptions**. In County's monthly calculation of the Provider's response time performance, every emergency originating from within the exclusive emergency ambulance provider zone shall be included except as follows:

3.1. In a multiple ambulance response to a single incident, only the response time of the first arriving ambulance shall be counted.

3.2. Good cause for an exemption as determined by the EMS Agency. The burden of proof that there is good cause for the exemption shall rest with the Contractor and Contractor must have acted in good faith. The alleged good cause must have been a substantial factor in producing the excessive response time. Good cause for an exemption may include, but is not limited to the following scenarios:

3.2.1. Incorrect or inaccurate dispatch information received from a calling party or 9-1-1 Public Safety Answering Point or from a public safety agency

3.2.2. Disrupted voice or data transmission

3.2.3. Inability to locate address due to non-existent address

3.2.4. Unavoidable delay caused by traffic congestion as the result of a vehicular accident to which the ambulance is responding when there is no alternate access to the incident

3.2.5. Unavoidable delays caused by road construction and/or closure

3.2.6. Unavoidable delays caused by trains

3.2.7. Off-road or off-paved road locations

3.2.8. Weather conditions which impair visibility and create other unsafe driving conditions

3.2.9. Gated, locked communities

3.2.10 Period of unusual system overload

3.2.11 Unsafe scenes due to police or fire department activity or hostage situations requiring staging away from incident location.

3.2.12 Diversions by hospitals

3.2.13 Power outages which affect ability to dispatch

3.2.14 Dedicated Standby for a Public Safety agency, or VC EMS

3.2.15 Extended response time in Contractor's area when providing backup to a neighboring area.

3.2.16 In order to have an exception considered, responding units must notify the VCFPD Communications Center at the time the delay is encountered and state their reason for the delay.

4. **Contractor Request for Response Time Exception:** Contractor shall submit data electronically or on disk to VC EMS for all calls which exceed contract requirements. Contractor shall note the calls for which a response time exception

will be requested in the listing of such calls and make any requests for response time exemptions on a monthly basis within 15 days of the end of the previous month. Such request shall list the date, the time, and the specific circumstances causing the delayed response. The format of the response time exception report shall include, but not be limited to, the following information: Date of incident, Time of incident, Fire Incident Number, Geo Code, and Exception Request Category.

5. **Excessive Response Time Performance Penalties, Repercussions, and Incentives.**

5.1. **Penalties.**

Contractor will be assessed financial penalties for each life-threatening and non-life threatening emergency call dispatched within Contractor's service area in which the Contractor fails to meet the response time standards specified above, unless EMS determines that the call fell under one (1) or more of the exemptions listed above.

5.2. **Amounts of Penalties.**

If Contractor fails to meet the response time standards, Contractor shall be assessed penalties in the following amounts:

5.2.1. $20 for each minute or fraction thereof exceeding the response time standard not to exceed a maximum of $200 per incident.

5.2.2. $200 for each call over the maximum response time. If an on-scene time is not documented, the call will be considered to have exceeded the maximum response time.

5.2.3. $200 if a delay in response to a 9-1-1 call is due to non availability of a unit in violation of VC EMS Policy 605.

5.2.4. Effective July 1, 2009, and as of July 1 every five (5) years thereafter, each of the amounts set forth above will be adjusted based on changes in the CPI in increments rounded to the nearest ten dollars ($10). (See Section 40)

5.3. **Incentives**

For each calendar month, in which Contractor exceeds the requirements of these response time standards, Contractor shall be credited a lump sum for each percentage point above 92.5%. These shall be:

92.5-93.9% = 20% of the total penalty dollars assessed above.

94-94.9% = 30% of the total penalty dollars assessed above.

95-95.9% = 40% of the total penalty dollars assessed above.

96-96.9% = 50% of the total penalty dollars assessed above.

97-97.9% = 60% of the total penalty dollars assessed above.

98-100% = 100% of the total penalty dollars assessed above.

5.4. **Repercussions**. A 90% response time compliance by Contractor is considered acceptable to County under this Agreement. If County determines that Contractor has failed to consistently maintain a 90% response time performance level, as calculated on a monthly basis, County may determine that there is a material breach as described in Section 35.1.1.2. of this Agreement. County will inform the Contractor of the incidents and penalties incurred on a monthly basis. Contractor shall pay EMS Agency all penalties within 45 days of receipt of notification. A late payment charge of one and one-half (1.5) percent or the highest rate permitted by law, whichever is lower, will be assessed monthly if no payment is received after the 45th day of receipt of the notification.

6. **Deployment of Ambulances:** Contractor will be responsible for planning the dispatch of ambulances through the deployment of an adequate number of ambulances to meet the requirements of this Agreement. Any change in numbers of ambulances reducing the available emergency response force must receive approval by VC EMS.

7. **Medical Control**

7.1. Prospective medical control of EMT-P personnel shall be according to the policies and procedures of the EMS Medical Director.

7.2. Immediate medical control shall be provided to EMT-P personnel by Base Hospital physicians, mobile intensive care nurses, or prior to contact/communication failure protocols according to the policies and procedures of VC EMS.

7.3. Retrospective medical control shall be provided according to the standards set forth by the EMS Agency through quality improvement programs, including continuing education programs conducted cooperatively by the Contractor, EMS, and the Base Hospitals.

8. **Contractor's Quality Improvement Program**

8.1. Contractor shall have a Quality Improvement Coordinator who shall meet the requirements specified below, or such higher standards as applicable law, State EMSA regulations or good practice require.

8.1.1. A physician who has at least two years' experience at a Ventura County Base Hospital and is board-certified in emergency medicine, or

8.1.2. A registered nurse who has at least two years' experience at a Ventura County Base Hospital , and is approved by the EMS Medical Director; or

8.1.3. A paramedic with at least four years' experience as a Level II paramedic and one years' experience as a preceptor in Ventura County, and is approved by the EMS Medical Director.

8.2. Commencing January 1, 2005, Contractor shall have, and fully implement, a detailed quality improvement program which has been approved by VC EMS.

8.3. Contractor's quality improvement program shall be based on VC EMS's CQI Plan, and shall involve cooperation with involved base hospitals and first responder agencies.

8.4. Contractor shall establish an on-going QI Committee which shall include field EMT-Ps.

8.5. The QI program shall emphasize and include peer review.

8.6. A QI committee has been established by Contractor and shall be maintained at all times. The committee shall meet on a monthly basis. Records of these meetings shall be submitted to VCEMSA for review within 30 days of the meeting beginning with the committee meeting in November 2004. Failure to provide this document within the above guidelines will result in a $1,000 penalty plus an additional $100 for each day over the time listed above. The penalty must be paid within 45 days of notice from VCEMS to pay the penalty. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40).

8.7 **Reimbursement to VCEMS for QA and Contract Administration Costs**

8.7.1 Effective commencing on January 1, 2005, to the extent allowed under applicable law and required by County, Contractor shall reimburse County for its appropriate share of the Quality Assurance oversight, medical oversight, and contract administration costs provided and incurred by VCEMS relative to the operation and functioning of the emergency ground ambulance system in Ventura County as a whole, and Contractor in particular. The calculation of these costs will be made as provided below. The total amount due will be payable via monthly payments. The monthly payment will be determined by dividing the number of

months this Agreement is or will be in effect during the particular fiscal year into the total amount that will be due from the Contractor for that fiscal year. In the event there should be any partial months, appropriate prorating shall occur as well. The amounts specified will be due on a monthly basis, commencing February 1, 2005, for January, 2005 and for each month thereafter, but shall not be payable, initially, or at all, in whole or in part, until and unless County has obtained an advisory opinion from the Office of Inspector General (OIG), which satisfies County that County's requiring of these payments, or particular portions thereof, will not subject the County or Contractor to sanctions or enforcement action by the OIG. While Contractor is willing to pay for the specified services and both parties believe Contractor may properly, lawfully and appropriately pay County for the specified services (see section 25 above), in light of the Office of Inspector General (OIG) "Compliance Program for Ambulance Providers" ("CPG") the parties wish to obtain a specific OIG advisory opinion with respect to this matter. Therefore, the provisions for payment shall not become operative until and unless an OIG advisory opinion has been obtained with respect to this matter. The County will seek such an advisory opinion and Contractor will join in the request as may be necessary or desirable in the sole discretion of the County. If the advisory opinion from the OIG satisfies the County that the County's requiring of payment for these services, or particular portions thereof, will not subject either the County or Contractor to sanctions or enforcement action by the OIG, then the above payment requirements will become fully operative consistent with the OIG advisory opinion. In other words, actual implementation of these provisions shall be held in abeyance pending receipt of an OIG advisory opinion and notice by County to Contractor requiring compliance with these provisions, or portions of these provisions. If an advisory opinion from the OIG is issued confirming to County's satisfaction that the County's requiring of payment for these services, or particular portions thereof, will not subject the County or Contractor to sanctions or enforcement action by the OIG, then County may elect to have the above provisions, or portions thereof, become fully operational as deemed appropriate in light of the OIG advisory opinion. Upon notice from the County to Contractor requiring compliance with the above provisions, or portions of the above provisions, Contractor shall, within 45 days following County's notice, and consistent therewith, make payment to County of

any amounts due and thereafter fully comply with the applicable provisions.

8.7.2 The amounts payable by Contractor pursuant to this section 8.7 will be determined as follows: First, the costs incurred by VCEMS directly with respect to Contractor will be calculated and determined by VCEMS. Second, general or system wide costs (i.e., costs not clearly attributable to a particular contractor) will be allocated on a pro rata basis to each of the seven emergency ambulance service Areas based on the population of each EMS Area as of June 1 each year as determined or estimated by VCEMS. Thus, VCEMS will determine or estimate the population of the entire County and of each EMS Area as of June 1 preceding the start of each new fiscal year. VCEMS will use available census and other data for this purpose. Contractor will have the right to discuss VCEMS's population determinations with VCEMS, but, subject to review by the Board of Supervisors, any alternative dispute resolution the parties may agree to, or judicial review, the determinations by VCEMS shall be final. For consistency and administrative convenience, once the VCFPD begins making population determinations for purposes of implementing section 22.5 hereafter, the parties agree that, for years in which the VCFPD compiles and makes population estimates or determinations for purposes of section 22.5, VCEMS will use the same population estimates or determinations for purposes of implementing this section. All percentages will be rounded to the nearest 1/10 of 1%. For fiscal year 2004-05, and as an example, VCEMS has estimated that Area 2 had an estimated population as of June 1, 2004, of 51,831, which would represent 7% of the total estimated population in Ventura County on that date of 753,197. Thus, seven percent (7%) of the total actual general or system wide costs for fiscal year 2004-05, prorated over the period of time this Agreement is in effect during the fiscal year, will be allocated to the Contractor for EMS Area 2. The total amount payable by each Contractor will be the Contractor's respective total amount determined by adding together the first and second amounts specified above. The total amount due for a particular fiscal year divided by the number of months this Agreement is or will be in effect during the fiscal year will be payable in monthly payments during the particular fiscal year.

8.7.3 For administrative convenience, the initial monthly amounts payable by a Contractor will be determined by an estimate made by VCEMS based on the total actual cost of Quality Assurance oversight, medical oversight and contract administration provided by VCEMS for fiscal year 2003-04, allocated on a pro rata basis to each of the seven emergency ambulance service Areas based on the estimated population of each such Area as set forth above and further prorated based on the period of time this Agreement is or will be in effect during the fiscal year (i.e., for fiscal year 2004-05, six months are anticipated and thus only ½ of the VCEMS total actual cost for 2003-04 will be allocated based on the estimated population of each EMS Area). Following the end of fiscal year 2004-05, the actual costs under this Agreement will be determined in accordance with the preceding paragraph and compared to the actual amounts paid or payable based on the above VCEMS estimate and allocation. Adjustments, refunds, credits or additional payments will then be due or made as appropriate to comport with the actual costs and in light of the "not to exceed amount" set forth below.

For fiscal years subsequent to 2004-05, for administrative convenience, the monthly amounts payable by a Contractor will be determined by an estimate made by VCEMS based on the total actual cost of Quality Assurance oversight, medical oversight and contract administration provided by VCEMS with respect to the Contractor for the preceding fiscal year, divided by twelve and rounded to the nearest dollar. VCEMS will notify Contractor in July of each ensuing fiscal year of the new monthly amount that is due. Following the end of each subsequent fiscal year, the actual costs payable by the Contractor for the fiscal year just concluded will be determined as provided above and compared to the actual amounts paid or payable based on the above VCEMS estimate or projection. Adjustments, refunds, credits or additional payments will then be due or made as appropriate to comport with the actual costs and in light of the applicable "not to exceed amount" set forth below.

Based on the foregoing, the initial amount due from Contractor commencing January 1, 2005 will be $875.00 per month. Subject to receipt of an OIG

advisory opinion as specified above, payments shall be made within 45 days of receipt of invoice.

In no event shall the amount payable by a Contractor exceed the lower of (1) VCEMS's actual cost of providing quality assurance oversight, medical oversight and contract administration with respect to the particular Contractor or (2) a "not to exceed amount" as specified hereafter. The "not to exceed amount" for FY 2004-05 for Area 2 shall be $10,500 (12 months). (For less than a full fiscal year, the "not to exceed amount" will be prorated accordingly – for example, $5,250 for 6 months.) For FY's subsequent to FY 2004-05, the "12 month" "not to exceed amount" shall be the FY 2004-05 (12 months) amount adjusted by the change in the CPI. (See Schedule B., section 40.) Whenever a term such as "to the extent allowed under applicable law" is used, if what is referred to is not presently allowed under applicable law, the requirement shall apply and become effective, prospectively, if applicable law should at any time be amended or changed to "allow" that which was not previously allowed.

While it is believed that the reimbursements being required by County as provided above are allowable under applicable law and that it is likely that an advisory opinion from the OIG would be issued confirming to County's satisfaction that requiring these payments, or particular portions thereof, will not subject the County or Contractor to sanctions or enforcement action by the OIG, in the event this should turn out not to be the case, County reserves the right to elect to require Contractor to employ or contract with a quality assurance specialist, or one or more specialists, approved by VCEMS, whose sole responsibility, or responsibilities, shall be to work with and at the direction of the VCEMSA Medical Director and Quality Assurance Coordinator to ensure provision of a high quality prehospital care service by Contractor. The quality assurance specialist, or specialists, shall perform the quality assurance activities outlined in Section 8.1 and such additional or other quality assurance activities as may be directed by the VCEMS Medical Director. Contractor shall employ or contract with one or more quality assurance specialists to provide hours of service devoted to carrying out the above noted quality assurance activities of no less than the amount set forth below:

Population of Service Area	No Less Than:
50,000 or less	.125 FTE (5 hrs/week)
50,000 to 150,000	.25 FTE (10 hrs/week)
150,000 to 250,000	.50 FTE (20 hrs/week)
250,000 to 350,000	.75 FTE (30 hrs/week)
350,000 to 450,000	1.0 FTE (40 hrs/week)

9. **Training/Education/Certification/Accreditation**

9.1. **Field Training Officers (FTO).** Contractor shall designate a FTO who shall function as a trainer and perform other duties on behalf of Contractor. The FTO may function as the EMT-P preceptor only upon successful completion of the County EMS Preceptor Program. The name of each FTO and each Preceptor shall be submitted to VC EMS within 10 days of appointment.

9.2. **Field Care Audits (Tape Review).** Contractor shall work cooperatively with the Base Hospitals and the EMS Agency in identifying and assisting with field care audits.

9.3. **Mandatory Education for Local EMT-P Accreditation**. Contractor shall cooperate fully with the EMS Agency and Base Hospitals to notify EMT-Ps of mandatory education programs. Examples of such programs are the Ventura County Skills Lab and mandatory bi-annual EMS updates. Contractor and its subcontractors shall pay a penalty of $500 for each employee that fails to attend mandatory education within the time required for attending. If an employee is terminated from employment within 7 days of notification of non-compliance, the penalty to contractor will be waived. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40)

9.4. **Mandatory Training Required by EMS Agency**

9.5. Contractor will complete within specified time frames, any additional training required by the EMS Agency. Failure to comply with the above requirements will result in a $1,000 penalty. An additional $100 will be assessed for each day over the time listed. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, increments rounded to the nearest five (five) dollars. (See Section 40)

9.6. **EMT-P Interview by EMS Agency**. Contractor will cooperate fully with County in the coordination of any interviews of an employee of Contractor by County.

10. **Ambulance Staff:** All ambulances will be staffed with either two EMT-P's or one

EMT-P and one EMT1, and all non transporting ALS response vehicles will be staffed with a minimum of one EMT-P in accordance with the applicable criteria below.

A. Level I

1. An EMT-P will have Level I status upon completion of the following:
   a. Current EMT-P Licensure by the State of California
   b. Current Accreditation in the County of Ventura.
2. A Level I EMT-P is authorized to staff an ALS ambulance when accompanied by a Level II EMT-P.
3. To maintain Level I status, the EMT-P shall:
   a. Maintain employment with an approved Ventura County ALS service provider.
   b. Complete a minimum of 288 hours of practice as an EMT-P or 30 patient contact (minimum of 15 ALS) every six month period;
4. If the EMT-P fails to meet these requirements, s/he is authorized to practice only when accompanied by an authorized Ventura County EMT-P Preceptor.
5. To be reauthorized as a Level I paramedic, the EMT-P must complete a minimum of 48 hours as a second or third crew member under direct field observation by an authorized Ventura County EMT-P Preceptor, including a minimum of 5 ALS contacts.

B. Level II

1. An EMT-P will have Level II status upon completion of the following:
   a. Employer approval.
   b. All of the requirements of Level I.
   c. 1) A minimum of 288 hours of direct field observation by an authorized Ventura County EMT-P Preceptor, including a minimum of 30 patient contacts (minimum 15 ALS); or
      2) A minimum of 4000 hours of prehospital field experience performing initial ALS assessment and care and Ventura County Preceptor observation with

the approval of the EMT-P Preceptor and PCC of no less than 144 hours or 20 patient contacts (minimum 10 ALS).

d. Approval by EMT-P preceptor.

e. Assessment process (Favorable Result)

1) Arrhythmia recognition and treatment

2) Scenario skills assessment (participants: Preceptor, provider's clinical coordinator, PCC and, when possible, a PLP).

f. Satisfactory completion of written policy competency assessment administered by VCEMS.

g. Favorable recommendation by PCCs who have evaluated the EMT-P during the upgrade process. The PCC's recommendation will be based upon a review of the completed performance evaluation standards, review of patient contacts and direct clinical observation (Emergency Department, simulated, or ride-alongs). Appeals may be made to the VCEMS Medical Director.

h. Notification of VC EMS

2. A Level II EMT-P is authorized to staff an ALS Support Vehicle or while accompanied by an EMT-D or any Level EMT-P, to staff an ambulance.

3. To maintain Level II status, the EMT-P shall:

a. Maintain employment with an approved Ventura County ALS service provider.

b. Function as a paramedic for a minimum of 576 hours, or have a minimum of 60 patient contacts (minimum 30 ALS), over the previous six-month period. This requirement may be satisfied in whole or in part as noted below:

1) For those EMT-Ps with a minimum of 3 years field experience, no more than 144 hours of this requirement may be met by documentation of receipt of actual instruction at approved PALS, PEPP, ACLS, PHTLS, BTLS, EMT-1 or EMT-P training programs.

2) With the approval of the VCEMS Medical Director, for those EMT-Ps with a minimum of 3 years of field experience in Ventura County and who are employed as a field paramedic in another county or work in an acute care setting (RN or LVN) on a full time basis, the level II requirement may be met by completing a minimum of 288 hours of practice, or 30 patient contacts (minimum 15 ALS), in the previous 6 month period in Ventura County.

3) An EMT-P whose primary duties are administering the ALS Program (90% of the time) for his/her agency may with approval of the VCEMS Medical Director maintain his/her level II status by performing a minimum of 5 ALS calls per 6 months.

C. If the EMT-P fails to meet these requirements:

1. His/her EMT-P status reverts to Level I.
2. If Level II authorization has lapsed for less than one year, reauthorization will require completion of a minimum of 96 hours of direct field observation by an authorized Ventura County EMT-P Preceptor, to include a minimum of 10 ALS patient contacts.
3. If Level II authorization has lapsed for greater than one year, reauthorization will require completion of all of the requirements in subsection "B" above.
4. If the EMT-P has been employed as an EMT-P outside of Ventura County during the period of lapse of authorization, these requirements may be reduced at the discretion of the VC EMS Medical Director.

D. Each EMT-P must complete three (3) successful field intubations per twelve (12) month period based on license cycle, signed off by a physician or PCC. If the patient is not transported, the paramedic can sign the Documentation of Intubation Attempt form. If an EMT-P has not completed three (3) successful field intubations by the end of each twelve-month period of the accreditation cycle, s/he may be signed off by the PCC or PLP as demonstrating competence in endotracheal intubation.

E. The Ventura County EMS Agency Medical Director may revise or waive any part of this section at his/her discretion.

F. Any individual adversely affected in his/her level of practice under the foregoing provisions will have the right to appeal any adverse decision to the VCEMS Medical Director.

11. **Personnel and Working Conditions**

11.1. **Workload Production** EMT-Ps may be required to work additional consecutive hours that are equal to one normal shift length, but may not work over 72 consecutive hours.

12. **Special Programs for Personnel**

12.1. **Critical Incident Stress Debriefing and On-going Stress Reduction.** Contractor shall establish and provide critical incident stress debriefing and on-going stress reduction programs which are documented, well publicized, and readily available to its personnel. This program may be contracted. An accurate description of this program shall be on file at VC EMS within 90 days of the execution of this Agreement. Failure to provide this document within the above guidelines will result in a $1,000 penalty. An additional $100 will be assessed for each day over the time listed above. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40).

12.2. **Chemical Dependency**. Contractor shall have and provide an organized and documented plan to assist its personnel with chemical dependency problems. An accurate description of this program shall be on file at VC EMS within 90 days of the execution of this Agreement.

13. **Preventative Health Care.**

13.1. **Immunizations.** Contractor shall provide at no cost to the employee, MMR (measles, mumps, rubella) and HBV (hepatitis B) immunizations, semi-annual tuberculosis PPD (purified protein derivative) test and any other immunizations specified by VC Public Health (PH) Department.

13.2. **Infection Control**. Contractor shall have written infection control policies and procedures which meet OSHA and Cal OSHA standards, as applicable. Testing and counseling services shall be provided to employees at no cost for employees

exposed to serious infectious diseases. The contractor shall report any known employee exposures to VC EMS.

13.3. **Wellness Programs**. Contractor shall establish and provide programs to foster wellness, according to OSHA illness and injury prevention standards.

14. **Supervisors**. Contractor shall designate field supervisors and have at least one field supervisor on duty at all times in the contract service area. All supervisors shall be currently certified and accredited as Level II EMT-Ps in Ventura County. The names of the persons designated as field supervisors shall be provided to VC EMS immediately following initial designation or any change in designation. If a Contractor has more than one contract with the County (i.e., contracts for multiple service areas), it may satisfy the requirement for having at least one field supervisor on duty at all times in each contract service area by having no less than two (2) field supervisors on duty at all times, with at least one on duty at all times in the western portion of the county and one on duty at all times in the eastern portion of the county.

14.1. **Key Personnel**. Contractor shall have key personnel responsible for the following areas employed at all times:

14.2. All divisional functions on a daily basis, including field operations, contract compliance, quality improvement, training and risk management. This individual will direct, coordinate and monitor overall system performance to ensure high standards of service, and contractual compliance.

14.3. Quality Improvement Program. This job category may be filled by a private contractor.

14.4. Training and educational programs. This individual will provide for initial in-house orientation and training as well as ongoing in-service continuing education.

14.5. Maintenance of ambulances and support vehicles.

14.6. Overall analysis and coordination of resource deployment. This individual shall be responsible for monitoring all system performance to ensure proper vehicle staffing and placement, response time compliance and system status planning.

15. **Crew Stations**. Contractor agrees to provide crew stations for crews normally scheduled to work more than twelve (12) consecutive hours. These stations shall meet applicable OSHA and Cal OSHA specifications. All crew stations shall be secure and field personnel safety shall be a primary consideration.

16. **Health and Safety Programs**

16.1. **Health and Safety Committee**. Contractor shall establish a Health and Safety committee within 90 days of January 1, 2005. The duties of the committee will include, but not be limited to, reviewing all employee accidents and injuries to determine preventability and making recommendations related to health programs. This committee may be the same committee as the vehicle safety committee described below and shall meet on at least a quarterly basis. Records of this committee's meetings must be submitted to VCEMSA for review within 30 days of the completion of the meeting. Failure to provide this document within the above requirements will result in a $1,000 penalty. An additional $100 will be assessed for each day over the time listed above. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40).

16.2. **Driver Training Program and Map Reading.** Contractor shall conduct a driver training and map reading program. All EMT-I's and EMT-Ps shall complete this program before being permitted to drive an ambulance. Documentation of this training must be maintained by Contractor and readily available for inspection by VCEMSA staff. Records of training completion must be submitted to VCEMSA for review within 30 days of the completion of the training. Failure to provide this documentation within the above requirement will result in a $1,000 penalty. An additional $100 will be assessed for each day over the time listed above. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40).

16.3. **Vehicle Safety**. Contractor shall convene a committee for the purpose of reviewing all vehicular accidents. This committee will be established within 90 days of January 1, 2005 and shall meet on at least a quarterly basis. This committee will make recommendations for improvement and prevention. Records of these meetings must be submitted to VCEMSA for review within 30 days of the completion of the meeting. Failure to provide this document within the above requirements will result in a $1,000 penalty. An additional $100 will be assessed for each day over the time listed above. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on

changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40).

17. Vehicles and Equipment.

17.1. **Ambulance Specifications**. All ambulances furnished hereunder by Contractor shall be of a Type I, II, or III, shall be in good condition, and shall meet or exceed the State of California standards. All ambulances shall also meet or exceed the equipment standards of the State of California and VC EMS.

17.2. **Ambulance Replacement**. Replacement ambulances shall meet the required ambulance specifications described above.

17.3. **Vehicle Maintenance Program**. Contractor shall institute and maintain a preventative vehicle maintenance program including, but not limited to, the following provisions:

17.3.1 **Fleet Maintenance Plan**. Contractor shall have a plan for continuous service availability to all units. The plan shall also include preventative maintenance procedures.

17.3.2 **Fleet Maintenance Record Keeping**. Contractor shall provide fleet care record keeping that will document its preventative vehicle maintenance program as well as any other vehicle repairs.

18. **Medical Equipment/Supplies**

18.1. **Inventory Quota**. Contractor shall maintain sufficient backup supplies for major medical equipment required to fully equip every ambulance. Additionally, Contractor shall maintain, within Ventura County, an average of 15 days worth of EMS supplies.

18.2. **Equipment/Supplies Inventory per Ambulance**. Contractor shall, at all times, equip and supply ambulances according to the policies, procedures and protocols established by VC EMS. This inventory may be modified only with the approval of VC EMS.

18.3. **Ambulance Equipment/Supplies & Re-supply:** It shall be the responsibility of the Contractor to re-supply all expendable supplies and medications to all FD ALS and BLS resources for those patients that are transported. Contractor may charge user fees sufficient to replace such expendable supplies as were utilized for the patient utilizing the <u>then current</u> cost determination formula established by EMS, except that each chargeable item must be approved by VC EMS.

18.4. **Equipment Maintenance**. Contractor shall establish and maintain a preventative maintenance program for major medical equipment that is consistent with manufacturer recommendations.

19. **Communications Equipment.**

19.1. **Advanced Life Support Communications**. Contractor shall provide two-way communication between the EMT-P's and Base Hospital for Advanced Life Support communications. Cellular telephones may be utilized. ALS units shall have Med-Net (155.205) available for BLS communications and ALS backup. All radio equipment used for ALS communication shall operate within the frequency requirements of the Ventura County Communications Department. At the time that a county wide communications system is implemented, all ALS providers shall comply with the Ventura County Communications Department ALS communications plan.

19.2. VHF Radio Equipment.

19.2.1 Contractor shall provide two-way radios compatible with Emergency Medical Network frequency and other necessary communications equipment as determined by Ventura County Fire Protection District (VCFPD), Ventura County EMS Agency and VC Communications Department for all approved ambulances of Contractor.

19.2.2 Approved 2 way radios for ambulances shall be simplex (push to talk), have appropriate power ranges, multiple private line and frequency capabilities, not less than thirty-two channels, that recognize the needs of Contractor for multiple agency access, operations in varied terrain, and communications capacity in driver and patient compartments. The patient compartment component of the radio system shall consist of speaker, microphone, and volume control.

19.2.3 The radios shall remain the property of Contractor. Radios presently installed in the ambulances, purchased by County will remain the property of County, but Contractor is responsible for maintenance.

19.2.4 Contractor shall re-program radio channels to be in line or compatible with the approved County Fire Chief's Association and VC EMSA recommendation.

19.2.5 Contractor shall provide one hand-held radio per ambulance.

20. **Dispatch of Calls** Beginning January 1, 2007, or when the new VCFPD dispatch center becomes fully operational (including AVL system in place), whichever is later, VCFPD Communications will dispatch the closest available

ALS ambulance to any emergency call regardless of the ambulance service area, subject to the provisions of the EMS Policies and Procedures.

21. **Radio Chargers and Spare Radios**. Contractor shall provide a radio charger for each portable radio or a spare battery pack. Contractor shall stock a surplus of EMS portable radios. These radios shall be available as replacements for radios undergoing repair and for incidents requiring more EMS radios than available on participating ambulances.

22. **Miscellaneous Requirements**.

22.1. **Dispatch Center:** (a) A central component of the improved countywide VC EMS system for the future is a system having all pre-hospital emergency ambulance dispatch handled by and through the Ventura County Fire Protection District (VCFPD) as part of the Ventura County EMS system. The purpose is to provide the best possible, integrated pre-hospital emergency response and ambulance transport system to serve the public in Ventura County, including coordinated dispatch of fire and ambulance resources and the dispatch of the closest available field unit for the promptest possible response to the person or persons in need. Thus, as part of each new Agreement for Emergency Ambulance and Related Services with respect to each of the seven (7) existing operating areas ("Area") in Ventura County, of which this Agreement is one, VC EMS is requiring that, beginning January 1, 2007, or when the new VCFPD dispatch center becomes fully operational, whichever is later, all pre-hospital emergency ambulance dispatch (whether initiated by "9-1-1" calls, walk-ins, or seven (7) digit (regular line) emergency calls to VCFPD) be handled through and by the Ventura County Fire Protection District (VCFPD) as part of the Ventura County EMS system. With completion of the new VCFPD dispatch center in contemplation of incorporating all pre-hospital emergency ambulance dispatch services within Ventura County through the VCFPD, VCFPD will be able to commence providing the upgraded, integrated dispatch system desired by VC EMS. Thus commencing on January 1, 2007, or when the new VCFPD dispatch center becomes fully operational, whichever is later, Contractor is and shall be required to be dispatched for all pre-hospital emergency ambulance calls by the VCFPD.

(b) Subject to the OIG advisory opinion contingency set forth hereafter in section 22.7, beginning January 1, 2007, or when the new VCFPD dispatch center

becomes fully operational, whichever is later, the contracted emergency ambulance provider for each Area will be required to pay to the VCFPD an appropriate share of a portion of VCFPD's overall costs of providing pre-hospital emergency ambulance dispatch service for the emergency ambulance provider and shall reimburse VCFPD for Contractor's share of such costs in accordance with the terms and provisions set forth hereafter. Laidlaw Medical Transportation Inc. (hereafter "AMR") is the contracted provider for Areas 2, 3, 4, 5, and 7. LifeLine Ambulance (hereinafter "LifeLine ") is the contracted provider for Area 1. Gold Coast Ambulance (hereinafter "Gold Coast") is the contracted provider for Area 6. The contracted providers have negotiated and agreed with the VCFPD on a mutually acceptable formula and basis for sharing and determining the costs to be paid by each to the VCFPD for provision of pre-hospital emergency ambulance dispatch services, which costs and formula are acceptable to County and are incorporated as part of this Agreement and set forth below. It is understood and agreed that the costs to be borne by each Contractor determined by the methodology set forth below do not exceed, nor may they under any circumstances exceed, the actual costs of provision of such dispatch services by VCFPD. In the unlikely event that the actual costs of providing pre-hospital emergency dispatch services for a particular Contractor were to, at any time, be less than the Contractor's share under the methodology set forth below, the Contractor would be required to pay only the lesser amount, and in the event of an overpayment, a refund would be promptly required.

22.2. **Compensation**. Using 2004 costs and projecting future value, VCFPD estimated the less than full cost recovery cost of dispatch operations with additional staff and associated support costs for a 2007 dispatch implementation of all of the contracted providers to be $725,000. Accordingly, the parties have agreed that $725,000 shall be the total annual amount to be used to establish the initial "base compensation rate" effective on January 1, 2007, that shall be payable with respect to each EMS Area. AMR, Gold Coast and LifeLine each agree to pay their respective shares of this $725,000 annual amount (i.e., the respective initial "base compensation rate" for each EMS Area), in full, or on a prorated basis if the VCFPD dispatch center becomes fully operational on a date after January 1, 2007. The respective initial "base compensation rate" for each

provider will be determined by the VCFPD by allocating the $725,000 annual amount on a pro rata basis based on the population in each EMS Area as of June 1, 2006 compared to the total population in Ventura County on that date. In other words, if an EMS Area has 5% of the population of the County, the share (initial "base compensation rate) payable by the contracted provider for that EMS Area shall be 5% of $725,000. VCFPD will make the share determination based on its best, good faith determination or estimate utilizing available population data. The parties will have the right to discuss VCFPD's population determination with VCFPD, but, subject to review by the Board of Supervisors, any alternative dispute resolution the parties may agree to, or judicial review, the determination by VCFPD shall be final. It is the further intent of the involved parties that all increases in operational costs of pre-hospital emergency ambulance dispatching shall be borne by each respective Contractor based upon (1) increases in the Consumer Price Index (CPI) and (2) population growth increases as provided hereafter.

22.3. **Base Compensation.** As provided above, the total amount of $725,000 will be used to determine the initial "base compensation" that will be payable with respect to each EMS Area effective January 1, 2007. On June 1, 2006, using estimated population data provided by the State of California for January 1, 2006, VCFPD will estimate the population in each EMS Area, to determine the actual initial "base compensation" rate payable with respect to each EMS Area effective January 1, 2007. VCFPD will notify each contracted provider of its determination. The initial "base compensation" rate will apply through and including June 30, 2007. Commencing June 1, 2007, and repeated each June 1st thereafter, the base compensation rate in effect at that time with respect to each EMS Area will be recalculated and adjusted as provided in sections 22.4 & 22.5. The new, adjusted base compensation rate payable with respect to each EMS Area will become effective each July 1st. (Exhibit "E" attached hereto and incorporated herein by this reference provides an example of the intent of this section.)

22.4 **Adjustments Based on CPI**: On or before June 1st of each year, using the "All Urban Consumer - All Items" Los Angeles-Riverside-Orange County Consumer

Price Index (CPI) data, the actual percentage growth in the CPI will be established from the preceding twelve months. This CPI factor shall be used as an inflator factor to calculate the new annual base compensation payable for each EMS Area.

22.5. **Adjustments Based on Population Growth:** Beginning on June 1, 2008 and then every June, every other year thereafter, using population growth increase data supplied by the State of California, VCFPD will estimate or determine a percentage of population growth that has occurred for each EMS Area from the preceding twenty-four months. Said growth percentage shall be used as an inflator factor, along with the CPI percentage change per section 22.4, to calculate the new annual base compensation payable for each EMS Area. The percentage increases in CPI and population shall be added together and applied to the annual adjusted base compensation to determine the new annual adjusted base compensation amount. Every ten years or whenever new U.S. Census data is available, the VCFPD will make prospective adjustments for the ensuing year (not retroactively) based on actual population growth data, which may result in a reduced, neutral or increased base compensation payable with respect to particular EMS Areas. VCFPD will make its determinations based on its best, good faith determination or estimate utilizing available population data. The parties will have the right to discuss VCFPD's population determinations with VCFPD, but, subject to review by the Board of Supervisors, any alternative dispute resolution the parties may agree to, or judicial review, the determinations by VCFPD shall be final.

22.6. **Invoicing and Payment:** After the initial base compensation calculation, annually, on or about July 1, VCFPD will calculate the total amount due to VCFPD for the ensuing fiscal year from each ambulance provider as provided above. If the amount due VCFPD is $4,000 or more, VCFPD will invoice one-fourth of the total due quarterly. The amount due shall be payable upon receipt of the invoice by the ambulance provider. If the total due from any ambulance provider is less than $4,000, VCFPD will issue one invoice annually to the ambulance provider and the amount due shall be payable upon receipt of the invoice. Amounts due must be paid within fifteen (15) days of receipt of invoice

or will be deemed late. A late fee penalty will apply to all late payments in the amount of $100 or 1%, whichever is greater, or at the highest percent permitted under applicable law if lower than 1%, for every 15 days beyond the initial "late date" until payment is made. Effective July 1, 2009, and as of July 1 every five (5) years thereafter, the $100 amount set forth in the preceding sentence will be adjusted based on changes in the CPI in increments rounded to the nearest ten dollars ($10). (See Section 40) VCFPD may bill for amounts due and may take any other actions it deems necessary, including, without limitation, bringing any collection actions it may deem appropriate, to enforce the payment provisions of this Agreement. Failure of the Contractor to remain in good standing with the VCFPD Communications Center process or to pay billings promptly will be deemed a material breach of this Agreement.

22.7 **OIG Advisory Opinion.** While the parties and VCFPD believe the provisions set forth above relative to payment to the VCFPD for a portion of its costs of providing pre-hospital emergency ambulance dispatch services for the contracted providers are fair and reasonable and, as well, below the fair market value for the services to be provided by the VCFPD, in light of the Office of Inspector General (OIG) "Compliance Program for Ambulance Providers" ("CPG") the parties and VCFPD wish to obtain a specific OIG advisory opinion with respect to this matter. Therefore, the above payment provisions shall not become operative until and unless an OIG advisory opinion has been obtained with respect to this matter. The County and the VCFPD will seek such an advisory opinion and Contractor will join in the request as may be necessary or desirable in the sole discretion of County and VCFPD. If the advisory opinion from the OIG satisfies the County and the VCFPD that the payment provisions will not subject either the County, the VCFPD or Contractor to sanctions or enforcement action by the OIG, then the payment provisions will become fully operative as set forth. If the OIG advisory opinion were to identify any aspect or aspects of the payment provisions that would subject the County, the VCFPD or Contractor to sanctions or enforcement action by the OIG, then such matter would be deemed and treated as a "Contingency Event" under section 26 of this Agreement.

23. **Vehicle Locating Devices**. Contractor shall purchase and maintain a vehicle locating device for each 9-1-1 response unit. These devices must be compatible with the Ventura County Fire Department CAD system and receive VCEMS approval. In the event that the reasonable cost of an approved locating device exceeds $10,000 per unit, VC EMS will make up the difference.

24. **Public Education:** Contractor shall provide a public education program. Contractor shall, in cooperation with the EMS Agency, develop goals and objectives for this program each fiscal year (July 1 – June 30). The initial period shall be January 1, 2005 to June 30, 2005. Contractor shall provide a written report of its public education activities over the period covered to the EMS Agency each fiscal year beginning with the first 9 months (initial period referenced above) and continuing thereafter annually over the term of this Agreement. The report shall be due on or before August 15 each year, with the first report due on August 15, 2005. Public education programs will include, but not be limited to, when to access 9-1-1, senior citizens programs, and citizen cardiopulmonary resuscitation training programs.

24.1. Failure to provide the referenced written report within the above requirements will result in a $1,000 penalty. An additional $100 will be assessed for each day over the time listed above. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40)

25. **Ventura College Paramedic Training Program**: Contractor shall participate with the local Paramedic Training Program. Participation will include, but is not limited to, the provision of two EMS preceptors per class which meets the requirements set forth in the California Code of Regulations, Title 22, Division 9, Section 100149(e) (1)-(4) as well as complying with record and data collection.

26. **Backup Service**. Contractor shall develop and implement written agreements to request and provide backup service with adjoining providers. Copies shall be submitted to EMS. Contractor agrees to provide emergency ambulance response into adjacent ambulance areas upon dispatch by the VCFPD Communications Center (VCFPD). The normal response time standards within

this Agreement do not apply to those responses. However, best efforts shall be made to provide a timely backup response. Responses shall be made in a reasonable time as required by this Agreement. Contractor shall not charge patients fees in excess of what is permitted under this Agreement.

27. **Multiple Victim Responses.**

27.1. **In-County Major Multiple Victim Incidents or Disasters.** Contractor agrees to adhere to the medical incident response plan specified by the EMS Agency which includes SEMS. In large multiple victim incidents, Contractor shall make best efforts in calling back off-duty personnel and placing additional ambulances in service to supply sufficient resources to meet the needs of the incident. Contractor shall have a written disaster plan which will be submitted to EMS for approval within 90 days of January 1, 2005. The disaster plan shall represent a good faith, professional effort to properly and effectively address how Contractor will respond in the event of a disaster within Contractor's contract area and is subject to VCEMS approval. If VCEMS reasonably concludes that the plan submitted fails to meet the above criteria or needs rewording or further work, the plan may be rejected and a new deadline set for resubmittal. Once Contractor has an approved plan, the plan shall be exercised no less than once per year. The plan shall be reviewed and amended, as necessary, with amendments submitted to VCEMS for approval, no less than once every two years following the original approval. Failure to establish this plan and exercise on an annual basis within the above requirements will result in a $1,000 penalty on each occasion. An additional $100 will be assessed for each day over the time deadline applicable for required action. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40).

27.2. In long term disaster situations, such as a major earthquake, Contractor shall make best efforts to accommodate its field personnel's physical and emotional needs. In each incident, Contractor shall make best efforts to obtain necessary additional ambulances, equipment, and supplies from other locations.

27.3. **Drills.** Contractor agrees to participate with specified personnel and vehicles in County sponsored drills at least twice per year.

27.4. **Out of County Mutual Aid.** Contractor agrees to send ambulances and personnel to other EMS systems for the purposes of rendering care to a large

scale multiple victim incident when requested by VC EMS for a limited time period. During this period, County may waive all response time and work schedule requirements.

27.5. **Interagency Plans** Contractor agrees to develop and implement plans for interagency training and utilization of equipment, e.g., first responder defibrillator program.

28. **Data Collection and Recordkeeping.**

28.1. **EMS System and Patient Data.** Contractor shall be responsible for the provision of detailed patient and EMS system data, both periodic written reports as well as computerized data, according to specifications set forth by VC EMS and any future guidelines promulgated by VC EMS. Hard copies or computer images of patient care records are to be treated as confidential information, in accordance with applicable law.

28.2. **EMS Access to Data** VC EMS will have access to provider's data according to data collection needs described in VC EMS guidelines, policies, and procedures or EMSA requirements.

28.3. **Patient Medical Records:** The patient care record form and devices for inputting information will be specified by VC EMS. This form will be such that all routine documentation completed by the EMT-P for an emergency ambulance response (such as patient assessment and treatment) can be completed on the form. Contractor shall retain copies of all patient medical records for at least seven (7) years. These records shall be stored in a manner conducive to easy retrieval. A copy of the patient record shall be supplied to VC EMS upon request.

28.4. **EMT-P and EMT-I Records** Contractor shall be responsible for maintaining records for EMT-P and EMT-I personnel according to the specifications of the VCEMS including, but not limited to, licensure, accreditation, and employment status and performance in accordance to continuous quality improvement standards. These records shall be available to VC EMS upon request. Contractor shall pay a penalty in the amount of $500 for each day that any employee works (patient care) with any expired license/certification that is required according to VC EMS policies and procedures. The amounts specified above shall be adjusted as of July 1, 2009, and every 5 years thereafter, based on the changes in the CPI, in increments rounded to the nearest five (5) dollars. (See Section 40)

29. **EMT-P and EMT-I Certification/Accreditation Disciplinary Proceedings:** Contractor shall cooperate fully with the Base Hospital Prehospital Care Coordinators and VCEMS in disciplinary proceedings against an EMT-P's or EMT-I's certificate or accreditation. Such cooperation shall include, but not be limited to, provision of relevant patient records and incident reports.

30. **Billings, Collections, and Fees.**

30.1. **Patient Fee Schedule.**

30.1.1 Maximum fees to be charged to users of emergency medical services will be established by the methods described below, and will be incorporated, as Policy 112, into the VC EMS Policy Manual.

30.1.2 Patient fees include, but are not limited to, ALS and BLS Emergency Base rates, Non-Emergency Base rate, Mileage, Oxygen, rates for patients who refuse transport after receiving ALS care, rates for services and supplies provided to patients transported by helicopter after response and treatment by ground ambulances, medications, durable supplies, expendable supplies, and other services as were used for the patient.

30.1.3 Each year on July 1, beginning on July 1, 2005, the maximum fees chargeable will be adjusted, up or down, in accordance with changes in the CPI, utilizing the average of the percentage changes in the a) All Items, b) Transportation Services, and c) Medical Care Services of the Commodities and Services Group of the Consumer Price Index for All Urban Users, Los Angeles, Orange and Riverside Counties index, as compiled and reported by the Bureau of Labor Statistics for the 12-month period ending with the last day of December of the previous year The amount will be rounded to the nearest $0.25 and added or subtracted, as appropriate to the rate. Contractor shall be notified in writing of the new rates by May 15, beginning May 15, 2005. In no event, however, shall the permitted fees exceed or fall below an amount of 15% above or below the average of fees surveyed in California Counties or EMS Regions.

30.1.4 Periodic Base Rate Review

After adjustment by means of the above process, the maximum base rates for ALS and BLS services will be reviewed, in accordance with the following procedure, and will be adjusted, if appropriate, effective on July 1, 2005, and July 1 of each year of this agreement thereafter, if appropriate. Effective January 1, 2005, the regulatory compliance fee will be eliminated from the list of approved

fees and may no longer be charged, and the maximum ALS & BLS base rates will be increased by the amount of the eliminated regulatory compliance fee to $809.00 & $450.75 respectively.

30.1.5 On or about January 1 of each year, VC EMS will review the ALS and BLS rates of all other counties in California to determine the average rates for these services. If the Ventura County rates are equal to or above 85% of this average, no adjustment will be made, except as provided hereafter. If one or both of the Ventura County rates are less than the average, an appropriate adjustment to the rate(s) will be made to reach 85% of the average. Any required adjustment shall be rounded to the nearest $0.25.

30.1.6 Contractor shall be notified, in writing, of base rate adjustments by May 1.

30.1.7 Nothing herein is intended to prevent licensed ambulance operators from demonstrating that the maximum ALS or BLS rates in Ventura County fail to provide operators with a reasonable rate of return on their investment. A VC provider may, at any time, submit cost and revenue data, and other pertinent documentation which VC EMS may require for this purpose. If the submitted information demonstrates that the maximum ALS or BLS rate, or both, fails to provide the operator with a reasonable rate of return, VC EMS will propose a different maximum base rate structure to the Board of Supervisors for consideration.

30.1.8 **Non-transported Patients:** Contractor may charge applicable fees, not exceeding the maximum fees permitted, to patients who are not transported but to whom it has rendered treatment.

30.1.9 **Other Fees:** Contractor may charge a reasonable fee to the responsible party(ies) for a dedicated standby. If VC EMS Administrator, or his/her designee requires Contractor to provide a dedicated standby, response times exceptions may be issued for ambulance responses failing to meet the response time standard during the affected time period in the affected area.

31. **Children's Medical Services** Contractor shall bill Children's Medical Services, when advised in advance, or within 30 days that a child is eligible, and accept payment as payment in full; and provide Children's Medical Services with the necessary itemized bills required to facilitate the payment process.

32. **Billing and Collections**.

32.1. **Humane Practices**. County will hold Contractor responsible for humane billing and collection policies. Contractor's collection practices shall not be burdensome or oppressive and will be in accordance with all State collection laws and regulations. Contractor will not refer patients to the EMS Agency for patient billing and/or ambulance rate questions.

32.2. **Statements**.

32.2.1 **Medicare and Medi-Cal**. Contractor's accounts receivable management system shall automatically generate Medicare and Medi-Cal statements.

32.2.2 **Itemization**. Statements shall itemize services rendered and specific charges for the services and supplies provided so that all charges are clearly explained.

32.2.3 **Responsiveness**. Contractor's accounts receivable management system will be capable of timely response to patient and third-party payor inquiries regarding submission of insurance claims, dates and types of payments made, itemized charges, and other inquiries. There shall be staff available and trained specifically for Ventura County ambulance collections and available to answer questions regarding patient bills.

33. **Non-Emergency Ambulance Services** Contractor shall not be precluded from conducting or providing private non-emergency ambulance services providing that Contractor meets the requirements, duties, and obligations of this Agreement. This Agreement does not include any obligation by County to contract for such non-emergency ambulance services with Contractor. Contractor may utilize an ambulance included in the system status plan for the interfacility transfer of patients if the transfer is necessary to provide the patient with a higher level of emergency medical care and the transfer has been authorized as an emergency by the transferring physician, per VC EMS Policy 605.

34. **Dispatch Services and CAD Provisions**.

34.1. **Emergency Medical Dispatch Committee:** An Emergency Medical Dispatch Committee will be established to include representatives of VCFPD Communications, VCEMSA, and providers. This Committee will participate in the development of VC EMS guidelines relating to dispatch policies and procedures and related training programs, and continuous quality improvement programs.

35. Material Breach and Emergency Takeover Provisions

35.1. Material Breach

35.1.1 County may, subject to the provisions below, by written notice of material breach to Contractor, suspend or terminate the whole or any part of this Agreement in any one of the following circumstances:

35.1.1.1 Failure of Contractor to operate the ambulance service system in a manner which enables County and Contractor to remain in substantial compliance with the requirements of applicable Federal and State laws, rules and regulations.

35.1.1.2 Failure to meet the monthly response time requirements set forth above for a period of 3 consecutive months or a total of 4 months during any fiscal year commencing on July 1, 2004 or on July 1 of any subsequent year.

35.1.1.3 Failure to consistently meet the various clinical standards required in this Agreement.

35.1.1.4 Intentional falsification of data supplied to County during the course of operations, including by way of example, but not limited to, dispatch data, patient report data, response time data, financial data, or downgrading of presumptive run code designations to enhance Contractor's apparent performance, or falsification or deliberate omission of any other data required under this Agreement.

35.1.1.5 Failure of Contractor to earn two consecutive Agreement extensions.

35.1.1.6 County may suspend or terminate this Agreement upon 24 hours notice in the event that any failure by Contractor constituting a significant and immediate threat to public health and safety is not cured to the satisfaction of the Board of Supervisors or its designee within such time. In the event County intends to suspend or terminate this Agreement except pursuant to the foregoing sentence, the Contractor shall first receive a notice of deficiency stating the nature of the deficiency and shall have 30 days to cure such deficiency to the satisfaction of County. If such deficiency is not so cured, County may issue a notice of suspension or termination stating any deficiencies and the effective date of the suspension or termination, which shall be at least 30 days from the date of the notice. Contractor shall be entitled to request a hearing by notice to the Clerk of the Board within 10 days after receipt of any notice of suspension or termination. In the event of such notice, the Agreement shall remain in effect until a determination has been made, following the hearing. The hearing shall be held, at the discretion of the Board, either before the Board, or before a hearing officer appointed by the Board. At the hearing, both County and Contractor shall be

entitled to present evidence relevant to the issue of whether County has good cause for termination according to the provisions of this Agreement. Evidence shall be presented and considered as provided for in Government Code section 11513. In the event a hearing is held before a hearing officer of the Board, a proposed decision shall be prepared by the hearing officer which shall be submitted to the Board. The Board may adopt or modify the decision, or may remand the matter to the hearing officer for further proceedings.

35.1.1.7 Failure to reimburse VCFPD within thirty (30) days of receipt of invoice for dispatch services and/or failure to remain in good standing with VCFPD dispatch process.

36. **Declaration of Material Breach and County Assumption of Service**. In the event of suspension or early termination of this Agreement, Contractor shall cooperate fully with County to effect a prompt and orderly transition. County may immediately assume control, directly or through a designated operator, of all or a portion of Contractor's emergency ambulance service operations and equipment necessary to maintain public health and safety, including fully equipped vehicles with supplies, by assuming any existing lease payments or loan payments on the equipment for the period of County use. If the equipment is owned by Contractor, County will pay Contractor the fair market rental rate for the period of County use. It is the parties intent that use of Contractor's equipment by County in the event of default hereunder shall be limited to that period during which County is attempting to secure a new Contractor to serve Contractor's exclusive operating area. In no event, however, shall County's use of Contractor's equipment in these circumstances exceed 180 days.

36.1. **Dispute After County Assumption of Service:** Assumption of control by County will be effected within 72 hours after a finding of material breach by County as provided for above. A dispute by Contractor of any finding of material breach, including through litigation, shall not have the effect of delaying the immediate assumption of Contractor's operations by County. Neither shall such dispute by Contractor delay County's access to Contractor's emergency ambulance operations. Contractor's cooperation with County's assumption of service will not be construed as acceptance by Contractor of the finding of material breach, and shall not in any way jeopardize or limit Contractor's right to recovery should a court later determine that the declaration of material breach

was made in error. However, failure of Contractor to cooperate with County to effect an orderly assumption of operations shall itself constitute a material breach, even if it is later determined that the original declaration of material breach by County was made in error.

37. **"Lame Duck" Provisions:** It is acknowledged that the current Contractors have been grandfathered into the exclusive operating areas of Ventura County by the Board of Supervisors. In the event that the Board of Supervisors should in the future determine to conduct a competitive process or any other process for providing emergency ambulance services for the area(s) of responsibility in this Agreement, and should Contractor fail to be selected in that process, County will obviously depend upon Contractor to continue provision of all services required under this Agreement until a successor takes over provision of those services. Under these circumstances, Contractor would, for a period of time, be serving as a "lame duck" Contractor. To insure continued performance fully consistent with the performance requirements of this Agreement throughout any such "lame duck" period, the following provisions shall apply:

37.1. Contractor shall be required to comply with all response time, clinical standards, and other requirements as set forth in this Agreement.

37.2. County recognizes that, however, if a competing proposer is awarded a contract, Contractor may reasonably begin to prepare for transition of service to the new Contractor, and County will not unreasonably withhold its approval of Contractor's request to begin an orderly transition process, including reasonable plans to relocate staff, scale down certain inventory items, etc., so long as such transition activities do not impair Contractor's performance, and so long as such transition activities are approved by County prior to implementation.

38. **Other Provisions**

38.1. **Right of Inspection**. Director, VC Health Care Agency or his/her designee shall have the right to make inspections or investigations at any time without prior notice for the purpose of determining whether Contractor is complying with the terms and conditions of this Agreement.

38.2. Contractor shall make its records with respect to all matters covered by the Agreement available to Director, VC Health Care Agency or his/her designee, who may make excerpts or transcripts from such records and conduct audits of

all contracts, invoices, materials, daily logs, conditions of employment and other data related to all matters covered by the Agreement.

38.3. Director, VC Health Care Agency or his/her designee may ride as "third person" on any of Contractor's emergency ambulances at any time without prior notice.

38.4. Director, VC Health Care Agency or his/her designee may inspect any emergency ambulance at any time without prior notice.

38.5. Director, VC Health Care Agency or his/her designee may inspect any CAD records at any time without prior notice.

38.6. **Reporting of Deficiencies.** In the event that Contractor is found to be in substantial violation of any of the terms and conditions of this Agreement, County's Director of HCA or his/her designee shall notify Contractor of such deficiency, and Contractor shall make necessary corrections within thirty (30) days to the full satisfaction of County. Such violations shall include, but are not limited to, deficiencies in ambulance personnel's qualifications/certifications/accreditation, required training, vehicles, equipment, supplies, continuous quality improvement program, and actions which are not in the best interests of efficient and effective patient care.

38.7. **Notice to County.** Throughout the life of this Agreement, Contractor agrees to notify County in writing of any and all claims, accidents, and/or incidents which might give rise to litigation arising out of Contractor's performance pursuant to this Agreement within forty-eight (48) hours of receiving or becoming apprised of such information.

38.8. **Notice of Public Hearing**. County will provide notice of all public hearings before the County Board of Supervisors with reference to ambulance services at least three (3) days prior to the date of such hearings.

39. **Equipment Caches**. Contractor shall cooperate with OES in storing caches of equipment for disaster situations. This may be met by keeping a 15 day cache of medical supplies for Contractor's ambulances.

40. **CONSUMER PRICE INDEX (CPI) ADJUSTMENTS**. In various sections of this Agreement, references are made to adjustments to be made on the basis of changes in the consumer price index or "CPI." Unless the specifics of the particular section provide otherwise, the CPI changes shall be made or calculated based on the relevant change in the consumer price index (All Urban Consumers (base years 1982-1984=100) for the Los Angeles-Riverside-Orange

County CMSA) published by the United States Department of Labor, Bureau of Labor Statistics. For administrative convenience, unless otherwise specified, the changes shall be calculated commencing from June 1, 2004, and utilizing a period commencing with June 1 and ending with May 31, for each subsequent calculation. In this manner, the percentage change should be known in June of any particular year, and the new applicable amount, based on the CPI adjustment, should be capable of being ascertained. VC EMS will give written notice to CONTRACTOR of the adjusted amounts within forty-five (45) days of ascertaining the same. Rounding shall occur as specifically provided with respect to the particular charge or penalty amount. If there is a change with respect to the base year used for any index referenced in this Agreement, the use of that index in connection with this Agreement shall be adjusted or converted as appropriate (in accordance with a conversion factor, if any, published by the by the United States Department of Labor, Bureau of Labor Statistics) to the end that the substance of this Agreement continues to be implemented as closely as reasonably possible. If an index referenced in this Agreement is discontinued or revised while this Agreement is in effect, the government index or computation with which it is replaced shall be used in order to obtain substantially the same result as if the index had not been discontinued or revised.

EXHIBIT B

CONTRACTOR REVIEW PROCESS
EMS Advisory Committee

A panel comprised of five persons who are not representing ambulance companies designated by the Board of Supervisors, and two members designated by or representing VC EMS will evaluate the performance of Contractor, pursuant to this Agreement, at least every 2 years, beginning July 1, 2006. (See section 2 "Term of Agreement"). This performance evaluation will include whether:

- Response time performance has met or exceeded the minimum requirements in the Agreement; and
- Performance has met or exceeded the minimum requirements of the VC EMS CQI process.

An evaluation report will be submitted to the Board of Supervisors within 90 days following each review period. If the conclusion of the Board of Supervisors is that Contractor's performance has met the minimum contract requirements and expectations, then Contractor shall be entitled to a two-year extension of the term of this Agreement, up to a maximum five (5) two year extensions as provided in Section 2 "Term of Agreement". Even if all possible two-year extensions have been earned and no further extensions are then earnable, the review process will continue every two years and a report will be made to the Board of Supervisors as a matter of keeping the Board of Supervisors informed. No extensions shall be earnable as part of that process.

EXHIBIT C

AGREEMENT STANDARDS REVIEW PROCESS

Beginning July 1, 2006 and every two years thereafter, VC EMS will review the performance standards stated in this Agreement to determine compliance with current standards in the practice of prehospital emergency medical care.

If it is found that revisions to the standards are necessary, VC EMS will recommend appropriate revisions to the Board of Supervisors.

If the Board of Supervisors approves any revisions to the standards set forth in Schedule B, the same shall become effective as directed by the Board of Supervisors and thereafter govern the level of performance required.

Exhibit "E"
Examples Calculations of Compensation for Dispatch Services.

Using 2004 costs and projecting future value, on a less than full cost recovery basis, VCFPD estimated its increased staffing and support costs for a 2007 dispatch implementation of all ambulance companies to be $725,000.

This number is multiplied by the percentage of County population within each of the seven EMS Areas, thus projecting the dispatch base compensation for each Area. For example:

	Current Amb. Provider	01/2007 % of Est. Pop.	01/2007 Estimate Ambulance Dispatching Cost (Less than Full Cost)
ASA 1	LifeLine	3.68%	$26,680
ASA 2	AMR	6.67%	$48,358
ASA 3	AMR	15.17%	$109,983
ASA 4	AMR	23.00%	$166,750
ASA 5	AMR	9.68%	$70,180
ASA 6	Gold Coast	28.37%	$205,683
ASA 7	AMR	13.43%	$97,368

Section 22.5 Base Compensation - **Example Only**

June 1, 2006

- $725,000 amount is used to determine initial base compensation rate
- This number is multiplied by the percentage of County population within each of the seven EMS Areas. This establishes the initial dispatch base compensation for each EMS Area effective January 1, 2007.

June 1, 2007

- January 1, 2007 EMS Area initial base compensation rate (established on June 1, 2006)
- Apply actual CPI increases from 6/06 to 6/07 to each
- Establish each EMS Area's base compensation effective July 1, 2007.

June 1, 2008

- Use July 2007 base compensation rate (established on June 1, 2007 for each EMS Area)
- Apply the total of the percentage increases of the following:
  - .. Actual CPI increases from 6/07 to 6/08
  - .. Projected population growth increases for each EMS Area from 6/06 to 6/08
- Establish each EMS Area's base compensation rate effective July 1, 2008

This process is repeated every year with population adjustments every two years and after U.S. Census data is available

June 5, 2007

Board of Directors
Ventura County Fire Protection District
800 S. Victoria Avenue
Ventura, CA 93009

SUBJECT: Appointments to the Fire Protection District Board of Appeals

RECOMMENDATION:

Approve the appointments of Gary Heathcote, Lou Nagy and David Atkin for two-year terms, and Ken Carter and Eric Inglis for one-year terms, to the Fire Protection District Board of Appeals, effective June 6, 2007.

FISCAL IMPACT: None.

DISCUSSION:

On November 22, 1983, your Board adopted Ventura County Fire Protection District Ordinance 16. Section 2.302 of that ordinance established a five-member Board of Appeals for the Fire Protection District to be appointed by your Board. That section now appears, without substantive change, as section 103.1.4 of the Fire Protection District's presently operative ordinance, Ordinance 25, adopted by your Board on October 3, 2006.

Initial appointments to the appeals board were made for two years, with the exception of the appointments of two members, which were for one year in order to set up a pattern of rotation. The members receive no remuneration for their service.

The function of the appeals board is to determine the suitability of proposed alternate materials and types of construction; to provide for reasonable interpretations of the provisions of all Fire Protection District ordinances, with the exception of the provisions dealing with the abatement of combustible and flammable materials; and to hear appeals of decisions of the Fire Chief regarding the interpretation of Appendix VII, Fire Protection Systems, of Ordinance 25.

The appeals board is required to adopt reasonable rules and regulations for conducting its investigations and render decisions and findings in writing to the Fire Chief, with a duplicate copy to the appellant, and may recommend to your Board such new legislation as is consistent therewith. The appeals board hears all Fire Protection District appeals and its decisions are final, except in the case of appeals from governmental agencies. Such agencies have the right to a review by your Board. A review by your Board is final.

The Fire Protection District Board of Appeals has been required to rule on appeals very few times since its inception. Over the past ten years, only two Fire Protection District appeals have been filed. Because of this infrequency and the willingness of appeals board members to continue to serve, members have been replaced only if requested. Their terms have been extended for two-year periods, upon approval by your Board, and several members have served multiple terms.

In order to provide the opportunity for additional members to serve on the Fire Protection District Board of Appeals, the Fire Protection District has contacted the Ventura County Chapter of the American Institute of Architects, the Council of Consulting Engineers of Ventura County, and the Ventura County Contractors Association to request submission of two names to the Fire Protection District for review and recommendation of one from each association by the Fire Protection District to your Board for appointment to the appeals board. The Fire Protection District will also provide a recommendation for the two remaining positions, a fire code expert and a public member, to serve for one year, in order to maintain the intended pattern of rotation of the board. The following individuals are recommended by the Fire Protection District for appointment to the Fire Protection District Board of Appeals:

Gary Heathcote, Architect	2 years
Lou Nagy, Civil Engineer	2 years
David Atkin, General Contractor	2 years
Battalion Chief Ken Carter, Fire Marshal, Torrance Fire Dept.	1 year
Eric Inglis, Public Representative	1 year

The County Executive Office, the Auditor-Controller's Office and County Counsel have reviewed this letter. If you have any questions, please call Fire Marshal Diane Morgan at 389-9729 or me at 389-9700.

BOB ROPER
Fire Chief

FIRE PROTECTION ORDINANCE NO. 16

AN ORDINANCE OF THE VENTURA COUNTY FIRE PROTECTION DISTRICT ADOPTING BY REFERENCE THE UNIFORM FIRE CODE (1982 EDITION), INCLUDING UNIFORM FIRE CODE STANDARDS (1982 EDITION), TOGETHER WITH THE APPENDIX I-B, II-A THROUGH D, II-F, III-C, IV-A, V-A, VI-C AND D, AND ADDITIONS, DELETIONS AND AMENDMENTS THERETO

The Board of Supervisors of the County of Ventura for the Fire Protection District, do ordain as follows:

Section 1. Fire Protection Ordinance No. 13 is hereby repealed.

Section 2. The Uniform Fire Code, 1982 Edition, together with the Appendix, is hereby adopted as follows:

UNIFORM FIRE CODE

The Uniform Fire Code (1982 Edition), together with the Appendix noted above, is hereby adopted by reference and incorporated herein as though fully set forth, except as added to, deleted from, and amended hereinafter.

All articles, divisions, sections and other headings shall be those of the Uniform Fire Code. Generally, each alphabetized portion of this Code, such as section 1.102(a), is deemed to be a separate section. An amendment to such an alphabetized portion amends only that section and does not, by omission of reference, delete any other section such as section 1.102(b). An amendment to the Uniform Fire Code shall be made by ordinance amendment to the specific article, division, section, or other heading involved.

ADDITIONS, DELETIONS AND AMENDMENTS ARE AS FOLLOWS:

ARTICLE 2

Section 2.105 is amended to read as follows:

The Chief, members of the Fire Prevention Bureau and other representatives as designated by the Chief, shall have the powers of a police officer in performing their duties under this code, and shall have the power to issue citations for violations of this code and any other ordinance of the Ventura County Fire Protection District.

Section 2.201 (a) is amended to read as follows:

The Chief or his authorized representative shall inspect, as often as may be necessary, all buildings and premises, including such other hazards or appliances as the Chief may designate for the purpose of ascertaining and causing to be corrected any conditions which would reasonably tend to cause fire or contribute to its spread, or any violation of the purpose or provisions of this code and of any other law or standard affecting fire safety.

Section 2.206 has been added and reads as follows:

Plans Approved

Except as otherwise determined by the Chief, plans for the construction, alteration, repair, or conversion of buildings or portions thereof which are classified as A, E, H, or I occupancies as set forth in the Uniform Building Code, shall be reviewed by the Fire Department to verify compliance with applicable laws and regulations under its jurisdiction.

Section 2.302

In order to determine the suitability of alternate materials and types of construction and to provide for reasonable interpretations of the provisions of all Fire Protection District Ordinances with the exception of the provisions dealing with the abatement of combustible and flammable materials, there shall be and hereby is created a Board of Appeals consisting of five members who are qualified by experience and training to pass upon pertinent matters. The Chief Administrative Officer shall provide staff services for the Board. The Board of Appeals shall be appointed by the executive body and shall hold office at their pleasure.

The Board shall adopt reasonable rules and regulations for conducting its investigations and shall render all decisions and findings in writing to the Fire Chief, with a duplicate copy to the appellant, and may recommend to the executive body such new legislation as is consistent therewith. The Board of Appeals shall hear all appeals and its decisions shall be final, except that in the case of appeals from governmental agencies, such agencies shall have the right to a review by the Board of Supervisors. A review by the Board of Supervisors shall be final.

The fee for appeals shall be consistent with the Ventura County Building Code.

ARTICLE 3

Section 3.101 is amended as follows:

Section 3.101 is changed to Section 3.101(a) and Section 3.101(b) is added and reads as follows:

Compliance and Penalties

(b) Any person who shall violate any of the provisions of this code hereby adopted, or fail to comply therewith, or who shall violate or fail to comply with any order made thereunder, or any certificate or permit issued thereunder and from which no appeal has been taken, or who shall fail to comply with such an order as affirmed or modified by the Board of Appeals or by a court of competent jurisdiction, within the time fixed herein, shall severally for each and every such violation and noncompliance respectively, be guilty of a misdemeanor. The imposition of one penalty for any violation shall not excuse the violation or permit it to continue. All such persons shall be required to correct or remedy such violations or defects within a reasonable time and, when not otherwise specified, each ten days that prohibited conditions are maintained shall constitute a separate offense. The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

Section 3.105(a & b) are added and read as follows:

(a) All construction or work for which a permit or approval is required shall be subject to inspection.

It shall be the duty of the applicant to cause the work to be accessible and exposed for inspection purposes. Neither the Fire Chief nor the jurisdiction shall be liable for expense entailed in the removal or replacement of any material required to allow inspection.

(b) Whenever any work is being done contrary to the provisions of this code, or in violation of the plans and specifications as approved by the Chief, the Chief may order the work stopped by notice in writing served on any person engaged in the doing or causing such work to be done, and any such persons shall forthwith stop such work until authorized by the Chief to proceed with the work.

ARTICLE 4

Section 4.104 is changed to Section 4.104(a) and Sections (b) and (c) are added which read as follows:

Inspection Required

(a) Before a permit may be issued, the Chief or his authorized representative shall inspect and approve the receptacles, vehicles, buildings, devices, premises, storage spaces or areas to be used. In instances where laws or regulations are enforceable by departments other than the fire department, joint approval shall be obtained from all departments concerned.

Inspection Requests

(b) It shall be the duty of the person doing the work authorized by a permit to notify the Fire Chief that such work is ready for inspection. The Fire Chief may require that every request for inspection be filed at least 48 hours before such inspection is desired. Such request may be in writing or by telephone at the option of the Fire Chief.

It shall be the duty of the person requesting any inspections required by this code to provide access to and means for proper inspection of such work.

(c) When construction or installation work requiring a permit is ready for operation or use, but before being operated or used, a final inspection shall be requested. Such requests shall be made in the same manner as set forth above. No such appliance, device, equipment or system shall be used or operated until the installation has been approved by the authorized person making the final inspection.

Section 4.108 is added which reads as follows:

Sale or Delivery Without Permit

No person shall sell, deliver, or cause to be delivered, any hazardous commodity to any person not in possession of a valid permit when such permit is required by the provisions of this code.

ARTICLE 9

Section 9.118 is amended to read as follows:

"PERSON", "firm", or "corporation" shall mean any and all entities of whatsoever nature or kind, including but not limited to individuals, corporations, partnerships whether general or limited, unincorporated associations, unions or organizations, cooperatives and trusts, and shall include the plural as well as the singular number, the male and female gender, and all governmental entities subject in whole or in part to this Code and the codes adopted by reference herein.

ARTICLE 10

Section 10.207(b) is amended to read as follows:

(b) Obstructing. The required width of access roadways shall not be obstructed in any manner, including parking of vehicles. NO PARKING signs or other appropriate notice, or both, prohibiting obstructions may be required and shall be maintained. Installation and maintenance of signs and/or other appropriate means of notice shall be the responsibility of owner, lessee, or other person in charge of such access roadway.

Section 10.207(f) is amended to read as follows:

(f) Bridges. Where a bridge is required to be used as access under this section, it shall be constructed and maintained in accordance with the applicable sections of the Building Code and using design live loading sufficient to carry the imposed loads of the fire apparatus. Approved signs stating the load capacity of the bridge shall be posted and maintained at the entrance to the bridge by owner, lessee, or other person in charge of such bridge.

Section 10.208 is changed to 10.208(a) and Section 10.208(b), (c) and (d) are added and read as follows:

(b) Address numbers shall be posted at the road for those buildings set back from the road. Additionally, address numbers shall be posted as deemed necessary by the Chief on roads or driveways leading to structures.

(c) For complexes and large buildings, a directory, premises map and directional signs may be required at approved locations. When deemed necessary by the Chief, these signs, maps, etc., shall be illuminated.

(d) Prior to the occupancy of any new structure, approved street name signs shall be installed and the provisions set forth in these sections (10.208) shall be complied with.

Section 10.301(e) is amended and reads as follows:

All fire alarm systems, fire hydrant systems, fire extinguishing systems (including automatic sprinklers), wet and dry standpipes, basement inlet pipes, and other fire protection systems and devices and pertinents thereto, shall meet the approval of the Fire Department as to installation, location and operation, and shall be subject to tests prior to occupancy, and such periodic tests as required by the Chief. Plans and specifications shall be submitted to the Fire Department for review and approval prior to construction.

Section 10.302(a) is amended by deletion of the exception

Section 10.308(e) is added and reads as follows:

(e) Fire department connections and local alarms shall be at a location approved by the Fire Chief.

ARTICLE 11

Section 11.114 is hereby deleted.

Section 11.210(a) and (b) are added and read as follows:

Fire Prevention.

(a) Every building or portion of a building governed by these regulations shall be maintained free from any condition that would create a fire or life hazard, or which would add or contribute to the rapid spread of fire.

(b) Electric motors, filters on heating equipment, shall be checked periodically and kept clean and maintained in a safe operating condition.

Section 11.211 is added and reads as follows:

Illegal Dumping

No person shall place, deposit, or dump any ashes or combustible waste material in or upon any lands not approved for such use.

Section 11.301(c) is added and reads as follows:

(c) Any person upon discovering or being notified of an uncontrolled or dangerous gas leak, flammable or combustible liquids, or hazardous materials spill, shall immediately notify the Fire Department.

ARTICLE 79

Section 79.504 is amended to read as follows:

Tank Marking

All above-ground storage tanks over 100 gallons (water capacity) permanently installed, mounted or affixed and used for the storage of Class I, II or III-A liquids, shall bear the Department of Transportation Hazardous Material warning placards, which incorporates the four (4) digit commodity identification number within the placard. Placarding shall be in accordance with the Code of Federal Regulations Title 49.

(Exception: Tanks of 300 gallon capacity or less located on private property and used for heating and cooking fuels in single-family dwellings need not be marked.)

ARTICLE 80

Section 80.103(h) is amended and reads as follows:

(h) Material Safety data sheets shall be readily available for all hazardous materials on the premises. When required by the Chief, these Material Safety data sheets shall be kept in a key box at a location approved by the Fire Chief.

Section 80.111(a) is amended to read as follows:

Above-ground Storage Tanks and Pressure Vessels

(a) All above-ground storage tanks, pressure vessels and containers over 100 gallons (water capacity) permanently installed, mounted or affixed and used for the storage of flammable and combustible liquids, compressed gases, or hazardous chemicals regulated by this article, shall be identified using the Department of Transportation Hazardous Material warning placards, which incorporates the four (4) digit commodity identification number within the placard. Placarding shall be in accordance with the Code of Federal Regulations Title 49. Placards shall be affixed to tanks, vessels or containers, so as to be conspicuously visible at all times.

(Exception: Portable tanks not permanently mounted, temporary tanks used on construction sites, drum storage and packaged materials in containers of 55 gallon or less capacity.)

ARTICLE 11

DIVISION II-A

ABATEMENT OF COMBUSTIBLE AND FLAMMABLE MATERIALS

Fire Nuisance. Section 11.250. The presence of combustible material on a lot, or on land lying within sixty feet (60') thereof, when such presence creates, in the opinion of the Fire Chief, a fire hazard, shall constitute a nuisance. "Combustible Material" as used in this Article, means and includes weeds, stubble, brush, rubbish, litter, dry grass, dry leaves, or flammable material of any kind. "Lot" as used in this Article, means and includes any parcel of land, whether or not occupied by any building or structure.

Unlawful Disposal. Section 11.251. Every person who places, deposits or dumps combustible material on a lot, or on land lying within sixty feet (60') thereof, whether or not he owns such lot or land, or whether or not he so places, deposits or dumps on such lot or land with the consent of the owner thereof, is guilty of a misdemeanor.

Prosecution. Section 11.252. The Fire Chief may serve a written order personally upon the owner or possessor of a lot, or of land lying within sixty feet (60') thereof, when, in his opinion, a nuisance exists thereon. The order shall direct such owner or possessor to remove or abate the nuisance within ten (10) days after such personal service. Every owner or possessor who fails or refuses to remove the said nuisance from such lot or land within ten (10) days after being personally served with such order is guilty of a misdemeanor. Evidence that the current assessment roll of the County shows real property assessed to a person shall constitute prima facia evidence that such person is the owner of such property.

Clearance Upon Default of Owner of Lessee. Section 11.253

(a) Notice - The Fire Chief may, instead of, or in addition to, following the procedure set forth in Section 11.252, cause a notice to be mailed.

(b) Mailed Notice. If notice is to be mailed, the Fire Chief shall mail a copy of the notice in the form provided above except that such copy shall, in addition, include a description of the property according to that set forth on the County assessment roll, to the last assessee of the property at the address given on the said roll. The Fire Chief shall also post such notice, including the description, in some conspicuous place in the Courthouse. The notice shall be mailed at least ten (10) days before the Board of Supervisors meets to hear the report of the Fire Chief regarding the alleged nuisance.

(c) Hearing. At the time and place stated in the notices, the Board of Supervisors shall meet to hear the report of the Fire Chief and any objections thereto. The Fire Chief or his designated representative shall attend, inform the Board as to the alleged nuisance, and supply the description of the lot upon which it exists, the name and address of the last known assessee thereof, and state what he has done in order to give notice of the hearing according to the provisions of this Code. The Board may continue the hearing from time to time as it sees fit.

(d) Clean-up Order. If, after a hearing, the Board of Supervisors finds that a nuisance exists upon a lot, or on land lying within sixty feet (60') thereof, it may direct the Fire Chief to abate the nuisance. The board shall maintain a record of its proceedings at such hearing and retain therewith the report of the Fire Chief and a description of such lot or land and, where available, the name and address of its last known assessee.

(e) Abatement. If the Board of Supervisors directs the Fire Chief to abate a nuisance, he shall proceed to abate such nuisance unless it has been abated, completely, before his agents arrive to begin such abatement. The Fire Chief may expend district funds for such abatement and may contract with a person or persons for the performance of the work of such abatement.

Collection of the Cost of Abatement. Section 11.254.

(a) Account of Expenses. The Fire Chief shall keep an account of his expenses when abating a nuisance pursuant to an order of the Board of Supervisors and file the account thereof with the Board which account shall include a description, according to the County assessment roll, of the lot or land upon which such nuisance existed and, when available, the name and address of the last known assessee.

(b) Confirmation of Expense Account. The account of expenses shall be maintained on file, open to public inspection, in the office of the Clerk of the Board of Supervisors for at least ten (10) days before a hearing of the Board to confirm such account. If any person shall, before the expiration of such ten (10) days, file a written request for notice of the hearing upon such confirmation, the Board shall mail

such notice to the address supplied in any such written request. At the time fixed for such hearing, the Board shall meet to hear any objections to the account of expenses filed by the Fire Chief. At such hearing the Board may make any modification in the amount it deems just, after which the account shall be confirmed.

(c) Special Assessment and Lien. The amount of expenses incurred by the Fire Chief for abating a nuisance when confirmed by the Board of Supervisors shall constitute a special assessment against the lot or land from which the said nuisance was removed and a lien thereon for the amount of such assessment.

(d) Transmittal of Account. The Board of Supervisors shall deliver a copy of the account, as confirmed, to the Auditor of the County on or before the 10th day of August following such confirmation.

(e) Inclusion of Assessment. The County Auditor shall enter the amount stated in the account as a special assessment against the property described in the account. The Tax Collector of the County shall include the amount of the assessment on the bill for taxes levied against the property. All laws applicable to the levy, collection and enforcement of county taxes are applicable to such special assessments, except that if any real property to which such lien would attach has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrancer for value has been created and attaches thereon, prior to the date on which the first installment of such taxes would become delinquent, then the lien which would otherwise be imposed by this section shall not attach to such real property and the costs of abatement, as confirmed, relating to such property shall be transferred

to the unsecured roll for collection. All special assessments collected shall be paid into the county treasury to be used on behalf of the Fire Department.

APPENDIX II-F

NATIONAL FOREST

1. Prohibition. It is unlawful for any person to go upon or be upon any portion of a National Forest which is designated by the Regional Forester of the United States Forest Service as an area of fire hazard and which is closed to the public use by reason of such condition.

2. Definition of Area Closed to the Public Use. A portion of a National Forest is closed to the public use when:

a. "Closed Area" signs are posted at the entrance of all roads and trails into the exterior boundaries of the area designated as closed by the Regional Forester of the United States Forest Service; and

b. Notice of the closing of such portion of said National Forest is published once in a newspaper of general circulation in the county. A printed copy of said notice and the certificate of the publisher or printer that said notice was published and the date of said publication shall be prima facie evidence of the notice, the publication thereof and the date of such publication.

3. Exemption.

a. This prohibition shall not apply to any person who carries in his possession a written permit to be upon such closed area of a National Forest issued by the proper officer or representative of the United States Forest Service. It is unlawful for any person having such permit to go or enter upon or be upon areas of fire hazard closed to public use other than the areas specified in said permit, and it is unlawful for such permittee to deviate from the route specified in such permit for entering and leaving such closed area.

b. This prohibition shall not apply to any person who resides within such National Forest while such person is going to or from his home by regular and customary routes of travel.

4. Violation. Any person who violates this prohibition is guilty of a misdemeanor and upon conviction thereof shall be punished by a fine not to exceed $500 or by imprisonment in the county jail for not more than six months or by both such fine and imprisonment.

ADOPTED this 22nd day of November, 1983 by the following vote:

AYES: Supervisors Lacey, Jones, Erickson, Dougherty, Flynn

NOES: None

ABSENT: None

John K. Flynn
Chairman, Board of Supervisors

ATTEST:

RICHARD D. DEAN, County Clerk
County of Ventura, State of California, and ex officio Clerk of the Board of Supervisors thereof.

By Faye Willard
Deputy Clerk

COUNTY OF VENTURA CALIFORNIA

VENTURA COUNTY FIRE PROTECTION DISTRICT ORDINANCE NUMBER 25

AN ORDINANCE OF THE VENTURA COUNTY FIRE PROTECTION DISTRICT AMENDING APPENDIX VII OF THE UNIFORM FIRE CODE VOLUME 1 (2000 EDITION) THAT WAS ADOPTED BY ORDINANCE NO. 24 AND RESTATING THE REMAINDER OF ORDINANCE NO. 24 THAT ADOPTED BY REFERENCE THE UNIFORM FIRE CODE VOLUME 1 (2000 EDITION), TOGETHER WITH THE APPENDIX CHAPTERS I-C, II-A THROUGH II-D~~,~~ II-I, III-A THROUGH III-C, IV-A, V-A, VI-A, VI-C, VI-G THROUGH VI-K, WITH ADDITIONS, DELETIONS AND AMENDMENTS THERETO AND UPON CERTAIN EVENTS REPEAL ORDINANCE NO. 24.

The Board of Directors of the Ventura County Fire Protection District ordains as follows:

PART 1. ADOPTION OF UNIFORM FIRE CODE.

For the purpose of prescribing regulations governing conditions hazardous to life and property from fire, explosion or hazardous materials, that certain Code known as the Uniform Fire Code Volume 1, including Appendix I-C, II-A THROUGH II-D~~,~~ II-I, III-A THROUGH III-C , IV-A, V-A, VI-A, VI-C, VI-G THROUGH VI-K published by the Western Fire Chiefs Association being particular the 2000 editions thereof and the whole thereof, save and except such portions as are hereinafter added, deleted, modified or amended by Part 3 of this ordinance, are hereby adopted pursuant to Section 13869 of the California Health and Safety Code and incorporated as fully as if set out at length herein, and from the date on which this ordinance shall take effect, the provision thereof shall be controlling within the limits of the Ventura County Fire Protection District.

All articles, sections, and other headings shall be those of the Uniform Fire Code. Generally, each numbered portion of this code, such as Section 103.1.2, is deemed to be a separate section. An amendment to such a numbered portion amends only that section and does not, by omission of reference, delete any other section such as Section 103.1.2.1. An amendment to the Uniform Fire Code shall be made by ordinance amendment to the specific article, section or other heading involved.

PART 2. REPEAL OF CONFLICTING ORDINANCES.

Ordinance No. 24, is repealed as to the County of Ventura or a city wherein its provisions apply, when Ventura County Fire Protection District Ordinance No. 25 is ratified by the legislative body of the County of Ventura or that city, respectively. Ordinance No. 24 shall be repealed upon ratification of Ordinance No. 25 by the County of Ventura and each and every city which previously ratified Ordinance No. 24.

PART 3. AMENDMENTS TO THE UNIFORM FIRE CODE.

The Uniform Fire Code is amended and changed in the following respects.

Section 103.1.4 is amended to read as follows:

103.1.4 Appeals. In order to determine the suitability of alternate materials and types of construction and to provide for reasonable interpretations of the provisions of all Fire District Ordinances with the exception of the provisions dealing with the abatement of combustible and flammable materials, there shall be and hereby is created a board of appeals consisting of five members who are qualified by experience and training to pass judgment upon pertinent matters. The County Executive Officer shall provide staff services for the board. The board of appeals shall be appointed by the executive body and shall hold office at their pleasure. The board shall adopt reasonable rules and regulations for conducting its investigations and shall render decisions and findings in writing to the fire chief, with a duplicate copy to the appellant, and may recommend to the executive body such new legislation as is consistent therewith. The Board of Appeals shall hear all appeals and its decisions shall be final, except that in the case of appeals from governmental agencies, such agencies shall have the right to a review by the Board of Directors. A review by the Board of Directors shall be final.

The fee for appeals shall be consistent with the Ventura County Building Code.

Section 103.2.1.2 is amended to read as follows:

103.2.1.2 Fire department personnel and police. The chief, members of the fire prevention bureau and other representatives as designated by the chief shall have the powers of a peace officer in performing their duties under this code, and shall have the power to issue citations for violations of this code and any other ordinance of the Ventura County Fire Protection District.

When requested to do so by the chief, the chief of police is authorized to assign such available police officers as necessary to assist the fire department in enforcing the provisions of this code.

Section 103.3.1.1 is amended to read as follows:

103.3.1.1. Authority to inspect. The chief, members of the fire prevention bureau and other representatives as designated by the chief shall inspect, as often as necessary, buildings and premises, including such other hazards or appliances designated by the chief for the purpose of ascertaining and causing to be corrected any conditions which would reasonably tend to cause fire or contribute to its spread, or any violation of the purpose or provisions of this code and of any other law or standard affecting fire safety.

Section 103.3.2.1 is amended to read as follows:

103.3.2.1. General. Construction or work for which a permit or fire department approval is required shall be subject to inspection by the chief during construction or installation, and such construction or work shall remain accessible and exposed for inspection purposes until approved. Prior to operation, use or occupancy a final inspection shall be requested. No appliance, device, equipment, or system shall be operated or used until the installation has been approved.

Approval as a result of an inspection shall not be construed to be an approval of a violation of the provisions of this code or of other ordinances of the jurisdiction. Inspections presuming to give authority to violate or cancel the provisions of this code or of other ordinances of the jurisdiction shall not be valid.

It shall be the duty of the permit applicant or contractor or both to cause the work to remain accessible and exposed for inspection purposes. Neither the chief nor the jurisdiction shall be liable for expense entailed in the removal or replacement of any material required to allow inspection.

Section 103.3.2.2 is amended to read as follows:

103.3.2.2 Inspection Requests. It shall be the duty of the person doing the work authorized by a permit to notify the chief that such work is ready for inspection. The chief is authorized to require that every request for inspection be filed not less than two working days before such inspection is desired. Such request may be in writing or by telephone at the option of the chief.

It shall be the duty of the person requesting any required inspections to provide access to and means for proper inspection of such work.

Section 103.4.1.3 is amended to read as follows:

103.4.1.3 Stopping Uses, evacuation. The chief is authorized to order an operation or use stopped, or the evacuation, of any premises, building or vehicle or portion thereof which has or is a hazardous condition or other situation which presents a hazard to life or property.

Section 103.4.1.5 is added and reads as follows:

103.4.1.5 Stop Order. Whenever any work is being done contrary to the provisions of this code, or in violation of the plans and specifications as approved by the chief, the chief may order the work stopped by notice in writing served on any person engaged in the doing or causing such work to be done, and any such persons shall forthwith stop such work until authorized by the chief to proceed with the work.

Section 103.4.4 is amended to read as follows:

103.4.4 Citations The chief is authorized to issue a citation to persons operating or maintaining an occupancy, premises or vehicle subject to this code who allow a hazard

to exist or fail to take immediate action to abate a hazard on such occupancy, premises or vehicle when ordered or notified to do so. Such persons shall be subject to the criminal sanctions set forth in Health and Safety Code Section 13871.

Section 103.4.4.1 is added and reads as follows:

103.4.4.1 Compliance and Penalties. Any person who shall violate any of the provisions of this code or standards hereby adopted, or fail to comply therewith, or who shall violate or fail to comply with any order made thereunder, or shall build in violation of any detailed statement of specifications or plans submitted and approved hereunder, or any certificate or permit issued thereunder and from which no appeal has been taken, or who shall fail to comply with such an order as affirmed or modified by the Board of Appeals within the time fixed herein, shall severally for each and every such violation and noncompliance respectively, be subject to the criminal sanctions set forth in Health and Safety Code Section 13871. The imposition of one penalty for any violation shall not excuse the violation or permit it to continue. All such persons shall be required to correct or remedy such violations or defects within a reasonable time and, when not otherwise specified, each ten days that prohibited conditions are maintained shall constitute a separate offense. The application of the above penalty shall not be held to prevent the enforced removal of prohibited conditions.

Section 103.5 is added and reads as follows:

103.5 Plans Approved

103.5 Plans Approved. Except as otherwise determined by the chief, plans for the construction, alteration, repair, or conversion of buildings or portions thereof which are classified as Groups A, E, H, I, and R occupancies, except Group R Division 3 occupancies, shall be submitted to the Fire Prevention Bureau for review prior to obtaining a building permit. The fire department shall check for compliance with state and local laws and regulations that relate to fire and life safety.

Section 105.4 an exception is added and reads as follows:

105.4 Inspection Required. Before a permit is issued, the chief shall inspect and approve the receptacles, vehicles, buildings, devices, premises, storage spaces or areas to be used. In instances where laws or regulations are enforceable by departments other than the fire department, joint approval shall be obtained from all departments concerned.

EXCEPTION: An inspection is not required when approved by the Chief.

Section 105.8 an exception is added and reads as follows:

105.8 Permit Required. A permit shall be obtained from the bureau of fire prevention prior to engaging in the following activities, operations, practices or functions:

EXCEPTION: With approval of the executive body, the chief may establish a rule in accordance with Section 101.4 that modifies when a permit is required.

Section 105.9 is added and reads as follows:

105.9 Sale or Delivery Without Permit. No person shall sell, deliver or cause to be delivered, any hazardous commodity to any person not in possession of a valid permit when such permit is required by the provisions of this code.

Section 209 is amended to add:

HELISPOT is a site used for helicopter landings and take-offs during emergency operations.

Section 217 definition of "PERSON" is amended to read as follows:

PERSON is a natural person, heirs, executors, administrators or assigns, and also includes a firm, partnership whether general or limited, corporation, unincorporated association, union or organization, cooperative and trust, its or their successors or assigns, or the agent of any of the aforesaid. It shall include the plural as well as the singular number, the male and female gender, and all governmental entities subject in whole or in part to this code and the codes adopted by reference herein.

Section 901.4.4 is amended with new sections added to read as follows:

901.4.4 Premises identification.

901.4.4.1 General. Approved numbers or addresses shall be provided for all new and existing buildings in such a position as to be plainly visible and legible from the street or road fronting the property and at additional locations on the building as required by the chief. Numbers shall contrast with their background.

901.4.4.2 Driveways. When required by the chief, additional numbers or addresses shall be provided adjacent to roads or driveways leading to buildings.

901.4.4.3 Directories. For complexes with multiple buildings the chief may require directories, premises maps and directional signs at approved locations. When deemed necessary by the chief, these signs, maps, etc., shall be illuminated.

901.4.4.4 Timing of Installation. When required by the chief, approved street or road signs and address numbers at the site shall be installed prior to combustible construction of any new building.

Prior to occupancy of any new building, premises identification required by Section 901.4.4 shall be installed.

Section 902.2.1 EXCEPTION 3 is amended to read as follows:

3. When there are not more than four Group R, Division 3, any Group U, and any building with a total floor area of 700 square feet or less, the requirements of Section 902.2.1 and 902.2.2 may be modified by the chief.

Section 902.2.4.2 is amended to read as follows:

902.2.4.2 Closure of accessways. The chief is authorized to require the installation and maintenance of gates or other approved barricades across roads, trails, access to helispots or other accessways, not including public streets, alleys or highways.

When required, gates and barricades shall be secured in an approved manner. Roads, trails, helispots and other accessways which have been closed and obstructed in the manner prescribed by Section 902.2.4.2 shall not be trespassed upon or used unless authorized by the owner and the chief.

EXCEPTION: Public officers acting within their scope of duty.

Locks, gates, doors, barricades, chains, enclosures, signs, tags or seals which have been installed by the fire department or by its order or under its control shall not be removed, unlocked, destroyed, tampered with or otherwise molested in any manner.

EXCEPTION: When authorized by the chief or performed by public officers acting within their scope of duty.

Section 1003.1.3 is added and reads as follows:

1003.1.3 Identification. Fire department connections to sprinklers or standpipes shall be clearly identified in a manner approved by the chief.

Section 1003.2.1 is amended and reads as follows:

1003.2.1 General. An automatic fire-extinguishing system shall be installed in the occupancies and locations as set forth in Section 1003.2 and Appendix VII.

For provisions on special hazards and hazardous materials, see Section 1001.9 and Articles 79, 80 and 81.

Table 1004-A Footnote 2 is amended and reads as follows:

[2] The standpipe system shall be combined with the automatic sprinkler system.

Section 1103.1 is amended to read as follows:

1103.1 General. Storage, accumulation, abatement, use and handling of combustible materials shall be in accordance with Section 1103.

Section 1103.3.7 is added to read as follows:

1103.3.7 Combustible materials subject to spontaneous ignition.

1103.3.7.1 General. Combustible materials subject to spontaneous ignition shall be in accordance with Section 1103.3.7.

1103.3.7.2 Prevention of ignition. Materials shall be stored, handled, treated or monitored as necessary and in such a manner as to prevent ignition.

1103.3.7.3 Provisions for extinguishment. The owner or person responsible for such materials shall provide the necessary means to extinguish a fire should ignition occur. Piles shall be arranged in such a manner as not to exceed the capability of available resources to extinguish a fire in a single pile. Access for firefighting apparatus shall be provided when required by the chief.

1103.3.7.4 Location. When materials are located in, upon or adjoining any hazardous watershed fire area, clearance from combustible vegetation shall be in accordance with Section 1103.4 for buildings.

Section 1103.4 is added to read as follows:

1103.4 Fire Hazard Abatement.

1103.4.1 Definitions.

1103.4.1.1 General. For definitions, see Article 2.

1103.4.1.2 Limited application. For the purpose of Section 1103.4 certain terms are defined as follows:

Combustible Material includes seasonal and recurrent weeds, stubble, brush, dry leaves, tumbleweeds, rubbish, litter or flammable materials of any kind.

Parcel is a portion of land of any size, the area of which is determined by the assessor's maps and records and may be identified by an assessor's parcel number whether or not any buildings are present.

Public Nuisance is a declaration by the chief that the presence of combustible material on a parcel creates a fire hazard.

1103.4.2 Unlawful Disposal. Every person who places, deposits or dumps combustible material on a parcel whether or not he owns such parcel, or whether or not he so places, deposits or dumps on such parcel with the consent of the owner thereof, is subject to the criminal sanctions set forth in Health and Safety Code Section 13871.

1103.4.3 Clearance of Brush, Vegetative Growth and Combustible Material from Parcels. All parcels declared a public nuisance shall be cleared entirely of combustible material. If the chief determines this impractical, the provisions of Section 1103.4.4 may be used.

1103.4.4 Clearance of Brush or Vegetative Growth from Structures. Any person owning, leasing, controlling, operating or maintaining any building in, upon, or adjoining any hazardous watershed fire area, and any person owning, leasing or controlling any land adjacent to such buildings, shall at all times maintain around and adjacent to such building an effective firebreak made by removing and clearing away, all combustible material for a distance not less than 100 feet from all portions of the building. This section shall not apply to single specimens or stands of protected species of trees, ornamental shrubbery or similar plants used as ground covers, provided that they do not form a means of rapidly transmitting a fire from the native growth to any building.

1103.4.5 Prosecution. The chief shall serve a written order upon the owner or possessor of a parcel, when, in his opinion, a public nuisance exists thereon. The order shall direct such owner or possessor to remove or abate the public nuisance within ten days after such order is given. Every owner or possessor who fails or refuses to abate said public nuisance from such parcel within ten days after being served with such order is guilty of a misdemeanor. Evidence that the current assessment roll of the County shows real property assessed to a person shall constitute prima facia evidence that such person is the owner of such property.

1103.4.6 Clearance Upon Default of Owner or Lessee.

1103.4.6.1 Notice. The chief may, instead of, or in addition to, following the procedure set forth in Section 1103.4.5, cause a notice to be mailed.

1103.4.6.2 Mailed Notice. If a notice is mailed, the chief shall provide information specified in Section 1103.4.5 and shall include a description of the property according to that set forth on the County assessment roll, to the last assessee of the property at the address given on said roll. The chief shall also provide such notice, including the description, to the Clerk of the Board of Directors three days prior to the Board hearing. The notice shall be mailed at least ten days before the Board of Directors meets to hear the report of the chief regarding the alleged public nuisance. It shall be the responsibility of the owner of record in the current assessment roll to notify any new owner or possessor of the property of the notice that was received and forward the notice to the new owner or possessor of the property. It shall also be the responsibility of the current owner of record to notify the fire department of this change in ownership on the form provided.

1103.4.6.3 Hearing. At the time and place stated in the notices, the Board of Directors shall meet to hear the report of the chief and any objections thereto. The chief or his designated representative shall attend, inform the Board as to the alleged public nuisance, and supply the description of the parcel upon which it exists, the name and address of the last known assessee thereof, and state what has been done in order to give notice of the hearing according to the provisions of this code. The Board may continue the hearing from time to time as it sees fit.

1103.4.6.4 Clean-up Order. If, after a hearing, the Board of Directors finds that a public nuisance exists upon a parcel, the Board may direct the chief to abate the public nuisance. The Board shall maintain a record of its proceedings at such hearing and retain therewith the report of the chief and a description of such parcel and, where available, the name and address of its last known assessee.

1103.4.6.5 Abatement. If the Board of Directors directs the chief to abate a public nuisance, he shall proceed to abate such nuisance unless it has been completely abated before his agents arrive to begin such abatement. The chief may expend fire department funds for such abatement and may contract with a person or persons for such abatement.

1103.4.7 Collection of the Cost of Abatement

1103.4.7.1 Account of Expenses. The chief shall keep an account of his expenses when abating a public nuisance pursuant to an order by the Board of Directors and file the account thereof with the Board which shall include a description, according to the County assessment roll, of the parcel upon which such public nuisance existed and, when available, the name and address of the last known assessee.

1103.4.7.2 Confirmation of Expense Account. The account of expenses shall be maintained on file, open to public inspection, in the office of the Clerk of the Board of Directors for at least ten days before a hearing of the Board to confirm such account. Before the expiration of such ten days, any person may file a written request to be notified of such hearing. Upon confirmation, the Board shall mail notice to the address supplied for any such written request. At the time fixed for such hearing, the Board shall meet to hear any objections to the account of expenses filed by the chief. At such hearing the Board may make any modification in the amount it deems just, after which the account shall be confirmed.

1103.4.7.3 Special Assessment and Lien. The amount of expenses incurred by the chief for abating a public nuisance when confirmed by the Board of Directors shall constitute a special assessment against the parcel from which the said public nuisance was removed and a lien thereon for the amount of such assessment.

1103.4.7.4 Transmittal of Account. The Board of Directors shall deliver a copy of the account, as confirmed, to the Auditor of the County on or before the 10th day of August following such confirmation.

1103.4.7.5 Inclusion of Assessment. The County Auditor shall enter the amount stated in the account as a special assessment against the parcel described in the account. The Tax Collector of the County shall include the amount of the assessment on the bill for taxes levied against the parcel. All laws applicable to the levy, collection and enforcement of county taxes are applicable to such special assessments, except that if any real property to which such lien would attach has been transferred or conveyed to a bona fide purchaser for value, or if a lien of a bona fide encumbrance for value has been created and attaches thereon, prior to the date on which the first installment of such taxes would become delinquent, then the lien which would otherwise be imposed by this section shall not attach to such real property and the costs of abatement, as confirmed, relating to such real property shall be transferred to the unsecured roll for collection. All special assessments collected shall be paid into the county treasury to be used on behalf of the fire department.

Section 1107.1 is amended to reads as follows:

1107.1 General. Heating appliances shall be installed and maintained in accordance with their listing and the Building, Electrical and Mechanical codes. Clearance from combustible material shall be maintained as set forth in the Building, Electrical and Mechanical codes and the product listing.

Filters on heating equipment shall be checked periodically and kept clean and maintained in a safe operating condition.

Section 1114 is added and reads as follows:

Section 1114 -- Illegal Dumping

No person shall place, deposit, or dump any ashes or combustible waste material in or upon any lands not approved for such use.

Section 1303.1 is amended and reads as follows:

1303.1 General. Emergency plans, staff training and fire drills shall be provided in accordance with Section 1303. If provision in California Code of Regulations (CCR) Title 19 Section 3.09 conflict with provisions of Section 1303, the requirements in CCR Title 19 shall apply.

Section 1303.3.3.2 is amended and reads as follows:

1303.3.3.2 Fire drills. Fire drills in Group E Occupancies shall be conducted as follows:

1. **Frequency.** Fire drills shall be conducted at least once each month during school sessions.

EXCEPTIONS: 1. During severe weather, fire drills may be postponed when approved.

2. For secondary level, fire drills may be conducted twice every school year. One fire drill shall be conducted within the first 30 days of a new school year.

2. **Extent of evacuation.** Fire drills shall include the complete evacuation of all persons from the building or portion thereof used for educational purposes.

EXCEPTION: The staff member responsible for notifying the fire department and handling emergency communications.

3. **Fire department notification.** When required by the chief, the fire department shall be notified prior to each drill.

4. **Initiation.** When a fire alarm system is provided, fire drills shall be initiated by activation of the fire alarm system.

Section 4901.2.2 add a definition for “cutting” to read as follows:

Cutting is any process, including grinding, which produces sparks capable of igniting combustible or flammable materials.

Section 5202.3.7 an exception is added to read as follows:

5202.3.7 Protected aboveground tanks. When approved, the storage and dispensing of motor fuels into the fuel tanks of motor vehicles from protected aboveground tanks located outside buildings are allowed in accordance with this section and Section 7902.1.9.

EXCEPTION: Dispensing motor fuels from protected aboveground tanks is not allowed at automotive fuel dispensing stations open to the public for retail sales.

Section 7902.1.3.2 is amended to read as follows:

7902.1.3.2 Label or placard. Tanks over 100 gallon (378.5L) in capacity permanently installed or mounted and used for the storage of Class I, II, or III-A liquids shall bear the Department of Transportation Hazardous Material warning placards, which incorporates the four (4) digit commodity identification number within the placard. Placarding shall be in accordance with the Code of Federal Regulations Title 49.

EXCEPTIONS: 1. Tanks of 300 gallons (1135.5L) capacity or less located on private property and used for heating and cooking fuels in single-family dwellings.

2. Tanks located underground.

3. When approved by the chief, tanks containing a commonly recognized product and labeled with the product name, such as "Gasoline" or "Diesel" need not be marked with the DOT placard.

Section 8001.6 is amended to read as follows:

8001.6 Material Safety Data Sheets. Material Safety Data Sheets (MSDS) shall be readily available on the premises for hazardous materials regulated by Article 80. The chief is authorized to require the Material Safety Data Sheets be kept in a key box at an approved location. See also Section 8001.3.2.

Section 8001.8 is amended to read as follows:

8001.8 Signs. In addition to the hazard identification signs required by Section 8001.7, additional hazard identification and warning signs shall be provided as follows:

1. Stationary containers and tanks shall be placarded with hazard identification signs as specified in UFC Standard 79-3 for the specific material contained.

2. Signs prohibiting smoking shall be provided in the following situations:

2.1 In rooms or areas where hazardous materials are stored or dispensed or used in open systems in amounts requiring a permit in accordance with Section 8001.3.1.

2.2 Within 25 feet (7620mm) of outdoor storage, dispensing or open-use areas.

3. Stationary aboveground tanks, pressure vessels and containers shall be placarded using the Department of Transportation Hazardous Material warning placards, which incorporates the four (4) digit commodity identification number within the placard. Placarding shall be in accordance with the Code of Federal Regulations Title 49.

EXCEPTION: When approved by the chief, tanks containing a commonly recognized product and labeled with the product name, need not be marked with the DOT placard.

Signs shall not be obscured or removed. Signs shall be in English as a primary language or in symbols allowed by this code. Signs shall be durable. The size, color, and lettering shall be in accordance with nationally recognized standards.

Section 8003.1.16 is added and reads as follows:

8003.1.16 Enclosures. Two means of access shall be provided when an enclosure is provided on three or more sides of a hazardous material container, tank or storage area. The two points of access shall be placed a distance apart equal to not less than one half of the length of the maximum overall diagonal dimension of the enclosure.

Each access shall be a minimum of three feet in width. When provided, the method of locking or securing the enclosure shall be approved by the chief.

Article 86 is deleted.

Appendix III-A, Section 2 is amended to read as follows:

Section 2 - DEFINITIONS
For the purpose of Appendix III-A, certain terms are defined as follows:

AGRICULTURAL BUILDING is a structure designed and constructed to house farm implements, hay, grain, poultry, livestock, or other horticultural products. This structure shall not be a place of human habitation or a place of employment where agricultural products are processed, treated or packaged, nor shall it be a place used by the public. The California Building Code classifies this building as a Group U occupancy.

FIRE AREA is the floor area, in square feet, used to determine the required fire flow.

FIRE FLOW is the flow rate of a water supply, measured at 20 psi (137.9kPa) residual pressure, that is available for firefighting. When water supply tanks are approved for use, the flow rate of a water supply may be at draft.

GREEN HOUSE is an agricultural building used for the growing of plants. It shall include other structures also known as hothouses, coldframes and other similar specialty categories. It shall include construction materials of glass, rigid plastic, flexible plastic, masonry, wood, metal and concrete.

ISOLATED RESIDENTIAL is a single Group R, Division 3 dwelling on a parcel of land of 5 acres or more in size where no building is closer than 100 feet to the nearest building on any adjacent parcel.

Appendix III-A, Section 5 is amended to read as follows:

SECTION 5 -- FIRE-FLOW REQUIREMENTS FOR BUILDINGS

5.1 One- and Two-Family Dwellings. The minimum fire-flow and flow duration requirements for one- and two-family dwellings and U-1 private garages shall be 1000 gallons per minute (3785.4 L/min.) for two hours. When approved the following exceptions may be applied.

> **EXCEPTIONS:** 1. A reduction in required fire-flow of 50 percent, as approved by the chief, is allowed when the building is provided with an approved automatic sprinkler system.
> 2. Isolated residential lots and existing residential parcels in existence prior to October 7, 1980, fire-flow for buildings may be reduced to 500 gallons per minute.

3. Buildings on residential parcels in existence prior to October 7, 1980, where there is no water purveyor or the water purveyor's current system can not meet fire-flow or duration requirements without excessive system modifications, an on-site water storage tank may provide the fire protection water supply when the building has an approved automatic sprinkler system. The location, capacity, connections and other appurtenances of the tank shall be approved.
4. Buildings on residential parcels created after October 7, 1980, where there is no water purveyor or the water purveyor certifies the system cannot provide the required fire-flow or duration, the provisions of Exception 3 may be utilized.
5. Buildings classified as Group R, Division 3 Occupancies with a total fire area of 700 square feet or less are not required to provide fire-flow.

5.2 Buildings other than One- and Two-Family Dwellings. The minimum fire flow and flow duration for buildings other than one- and two-family dwellings shall be as specified in Table No. A-III-A-1. When approved the following exceptions may be applied.

EXCEPTIONS: 1. A reduction in required fire flow of up to 50 percent, as approved by the chief, is allowed when the building is provided with an approved automatic sprinkler system. The resulting fire-flow shall not be less than 1250 gallons per minute (4731.3 L/min.).
2. In rural areas where there is no water purveyor or the water purveyor certifies the system can not provide the required fire-flow or duration, and the building is protected by an approved automatic sprinkler system, the provisions in NFPA 13 for combined inside and outside hose lines may be utilized to determine fire-flow and duration. The location, connections and other appurtenances of tanks shall be approved.
3. Buildings classified as Group U, agricultural buildings used as barns, storage structures, stables, poultry buildings and other similar uses with a total fire area of 1500 square feet or less are not required to provide fire-flow.
4. Buildings classified as Group U, agricultural buildings used as greenhouses, horticultural structures, nurseries and similar uses with a total fire area of 3000 square feet or less are not required to provide fire-flow.
5. For buildings classified as Group U, not exempt from fire-flow requirements by Exceptions 3 or 4, shall provide a minimum fire-flow of 500 gallons per minute for a minimum two (2) hour duration. Where there is no water purveyor or the water purveyor certifies the system can not provide the required fire-flow or duration , an on-site water storage tank and shall be provided. The tank capacity, location, connections and other appurtenances of tanks shall be approved.
6. Buildings with a total floor area of 700 square feet or less are not required to provide fire-flow.

Appendix VII is added to read as follows:

APPENDIX VII
FIRE PROTECTION SYSTEMS

Section 1. Definitions

A. **Automatic Fire Extinguishing System** - as defined in the California Building Code.
B. **Building, Existing** – as defined in the California Building Code.
C. **Floor Area** - as defined in the California Building Code.

Section 2. Automatic Fire Extinguishing Systems

A. **General.** An automatic fire extinguishing system shall be installed in all occupancies and locations as set forth in Appendix VII, Section 1003 and Article 90. For the purpose of this section, area separation walls shall not be considered as creating separate buildings. In addition to requirements of UFC Standard 10-4 sprinklers shall be installed in Group U, Division 1 occupancies (garages) attached to Group R, Division 3 occupancies (single family dwellings).

B. **Buildings.** An automatic fire extinguishing system shall be installed in all buildings.

EXCEPTIONS: Group U Occupancies when approved by the Fire Chief and the Building Official.

C. **Buildings, Existing**. Buildings in existence at the time of the effective date of Appendix VII may have their existing use continued if such use was legal at the time.
Additions and modifications to buildings shall require an automatic fire extinguishing system installed throughout, including areas not previously protected.

EXCEPTIONS:
1. All occupancies, except Group R, Division 3, where addition or modification is 25% or less of the existing floor area.
2. Buildings classified as Group R, Division 3, including attached Group U, Division 1 private garages, where addition or modification is 1000 square feet or less or 50% or less of the existing floor area.

Section 3. Emergency Communications Equipment

A. **General.** An Emergency Voice Alarm Signaling System and Fire Department Communication System, which conform to the

California Building Code Section 403.5, shall be installed in buildings, which exceed three stories or where the floor level of the top most stories exceeds 48 feet above the lowest level of fire department vehicle access.

B. **Maintenance.** Emergency communication equipment shall be subject to annual inspection and testing in accordance with nationally recognized standards approved by the chief. Deficiencies shall be repaired.

Section 4. Inspection and Enforcement

A. **General.** The provisions of this appendix shall be enforced by the Ventura County Fire Protection District.

B. **Plans and Specifications.** Plans, calculations, diagrams, specifications and testing procedures for proposed automatic fire extinguishing systems and emergency communication systems which conform to adopted standards shall be submitted for approval by the Ventura County Fire Protection District prior to installation.

C. **Inspections.** Fire extinguishing systems and emergency communications systems required by this Appendix shall be inspected during installation at intervals adopted by nationally recognized standards. Such inspections shall be conducted by designated members of the Ventura County Fire Protection District.

Section 5. Maintenance of Area Separation Walls

General. Area separation fire walls used to create fire areas less than 5000 square feet in buildings, for which the original application for permit under which the building was constructed was accepted by Building and Safety before November 1, 2002 shall be maintained as approved area separation fire walls with no openings.

Section 6. Penalties and Citations

A. **Penalties.** Any person, firm or corporation failing to comply with any of the provisions of this Appendix, or who fail to comply with any order made hereunder, or shall build in violation of any detailed statement of specifications or plans submitted and approved hereunder, or who fails to comply with such an order as affirmed or modified by the Board of Appeals, shall severally for each and every such violation be subject to the criminal sanctions set forth in Health and Safety Code Section 13871. Each ten

days or portion thereof during which any such violation is committed or continued shall constitute a separate offense.

B. **Citations.** Any person, firm or corporation subject to the provisions of this Appendix, who fail to comply with the requirements of said Appendix when ordered or notified to do so by the Fire Chief shall be subject to the criminal sanctions set forth in Health and Safety Code Section 13871 and subject to citation.

Section 7. Appeals

General. Any aggrieved party may appeal any decision of the Fire Chief regarding interpretation of this Appendix to the Fire District Board of Appeals, as established by amended Section 103.1.4, within thirty days from the date of the decision to be appealed.

Section 8. Findings

A. **General.** After due consideration the Board of Directors of the Ventura County Fire Protection District hereby finds that due to local climatic, geologic and topographic conditions as stated in this section, that modifications and changes to the current California Building Code are reasonably necessary to provide sufficient and effective protection of life, health and property.

B. **Climatic.** Ventura County experiences periods of high temperatures, accompanied by low humidity and high winds each year. These conditions create an environment in which the Fire District commits large numbers of fire fighting resources to the control and extinguishment of wildland fires. During such periods, the limited available firefighting resources may have great difficulty in controlling fires in structures not having built-in fire protection.

C. **Geological.** Ventura County is in a potential high activity seismic zone. After a large seismic event, the potential for multiple fires occurring simultaneously will tax available firefighting resources. Built-in fire protection will assist in extinguishing or controlling fires in larger structures, which will increase the availability of firefighting resources after seismic activity.

D. **Topographical.** Ventura County has rural areas that are in high fire hazard areas. Due to topography, access to structures in rural areas increases response time and delays fire suppression efforts. An extended response time will allow fires to grow

beyond the control of initial attack fire suppression resources. Structure fires in the hillside areas will have a greater likelihood of starting a wildland fire, which may expose additional structures to fire.

Section 9. Ratification

General. Before Ordinance 25 is effective in the County of Ventura or in a city within the Fire Protection District, the legislative body of the County or of the city shall ratify Appendix VII in accordance with California Health and Safety Code Section 13869.7.

PART 4. EFFECTIVE DATE

Ordinance No.25, as contained herein, shall be effective in the County of Ventura or a city wherein its provisions will apply, when it is ratified by the legislative body of the County of Ventura or that city, respectively, pursuant to the provisions of Health and Safety Code section 13869.7, subdivision (c), on May 1, 2007.

PASSED AND ADOPTED this 3rd day of OCTOBER 2006, by the following vote:

AYES: Directors BENNETT, LONG, MIKELS, FLYNN AND PARKS

NOES: NONE

ABSENT: NONE

Linda Parks
CHAIR, BOARD OF DIRECTORS

ATTEST:

JOHN F. JOHNSTON
Clerk of the Board of Supervisors,
County of Ventura, State of California,

By Kathryn Price
Deputy Clerk of the Board

CALIFORNIA CODES
HEALTH AND **SAFETY CODE**
SECTION **130100**-130155

130100. There is hereby created a program in the state for the purposes of promoting, supporting, and improving the early development of children from the prenatal stage to five years of age.

These purposes shall be accomplished through the establishment, institution, and coordination of appropriate standards, resources, and integrated and comprehensive programs emphasizing community awareness, education, nurturing, child care, social services, health care, and research.

(a) It is the intent of this act to facilitate the creation and implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development and to ensure that children are ready to enter school. This system should function as a network that promotes accessibility to all information and services from any entry point into the system.

It is further the intent of this act to emphasize local decisionmaking, to provide for greater local flexibility in designing delivery systems, and to eliminate duplicate administrative systems.

(b) The programs authorized by this act shall be administered by the California Children and Families Commission and by county children and families commissions. In administering this act, the state and county commissions shall use outcome-based accountability to determine future expenditures.

(c) This division shall be known and may be cited as the "California Children and Families Act of 1998."

130105. The California Children and Families Trust Fund is hereby created in the State Treasury.

(a) The California Children and Families Trust Fund shall consist of moneys collected pursuant to the taxes imposed by Section 30131.2 of the Revenue and Taxation **Code**.

(b) All costs to implement this act shall be paid from moneys deposited in the California Children and Families Trust Fund.

(c) The State Board of Equalization shall determine within one year of the passage of this act the effect that additional taxes imposed on cigarettes and tobacco products by this act has on the consumption of cigarettes and tobacco products in this state. To the extent that a decrease in consumption is determined by the State Board of Equalization to be the direct result of additional taxes imposed by this act, the State Board of Equalization shall determine the fiscal effect the decrease in consumption has on the funding of any Proposition 99 (the Tobacco Tax and Health Protection Act of 1988) state health-related education or research programs in effect as of November 1, 1998, and the Breast Cancer Fund programs that are funded by excise taxes on cigarettes and tobacco products. Funds shall be transferred from the California Children and Families Trust Fund to those affected programs as necessary to offset the revenue decrease directly resulting from the imposition of additional taxes by this act. These reimbursements shall occur, and at any times, as determined necessary to further the intent of this subdivision.

(d) Moneys shall be allocated and appropriated from the California Children and Families Trust Fund as follows:

(1) Twenty percent shall be allocated and appropriated to separate accounts of the state commission for expenditure according to the following formula:

(A) Six percent shall be deposited in a Mass Media Communications Account for expenditures for communications to the general public utilizing television, radio, newspapers, and other mass media on subjects relating to and furthering the goals and purposes of this act, including, but not limited to, methods of nurturing and parenting that encourage proper childhood development, the informed selection of child care, information regarding health and social services, the prevention and cessation of tobacco, alcohol, and drug use by pregnant women, the detrimental effects of secondhand smoke on early childhood development, and to ensure that children are ready to enter school.

(B) Five percent shall be deposited in an Education Account for expenditures to ensure that children are ready to enter school and for programs relating to education, including, but not limited to, the development of educational materials, professional and parental education and training, and technical support for county commissions in the areas described in subparagraph (A) of paragraph (1) of subdivision (b) of Section 130125.

(C) Three percent shall be deposited in a Child Care Account for expenditures to ensure that children are ready to enter school and for programs relating to child care, including, but not limited to,

the education and training of child care providers, the development of educational materials and guidelines for child care workers, and other areas described in subparagraph (B) of paragraph (1) of subdivision (b) of Section 130125.

(D) Three percent shall be deposited in a Research and Development Account for expenditures to ensure that children are ready to enter school and for the research and development of best practices and standards for all programs and services relating to early childhood development established pursuant to this act, and for the assessment and quality evaluation of those programs and services.

(E) One percent shall be deposited in an Administration Account for expenditures for the administrative functions of the state commission. Any funds not needed for the administrative functions of the state commission may be transferred to the Unallocated Account described in subparagraph (F), upon approval by the state commission.

(F) Two percent shall be deposited in an Unallocated Account for expenditure by the state commission for any of the purposes of this act described in Section **130100** provided that none of these moneys shall be expended for the administrative functions of the state commission.

(G) In the event that, for whatever reason, the expenditure of any moneys allocated and appropriated for the purposes specified in subparagraphs (A) to (F), inclusive, is enjoined by a final judgment of a court of competent jurisdiction, then those moneys shall be available for expenditure by the state commission for mass media communication emphasizing the need to eliminate smoking and other tobacco use by pregnant women, the need to eliminate smoking and other tobacco use by persons under 18 years of age, and the need to eliminate exposure to secondhand smoke.

(H) Any moneys allocated and appropriated to any of the accounts described in subparagraphs (A) to (F), inclusive, that are not encumbered or expended within any applicable period prescribed by law shall (together with the accrued interest on the amount) revert to and remain in the same account for the next fiscal period.

(2) Eighty percent shall be allocated and appropriated to county commissions in accordance with Section 130140.

(A) The moneys allocated and appropriated to county commissions shall be deposited in each local Children and Families Trust Fund administered by each county commission, and shall be expended only for the purposes authorized by this act and in accordance with the county strategic plan approved by each county commission.

(B) Any moneys allocated and appropriated to any of the county

commissions that are not encumbered or expended within any applicable period prescribed by law shall (together with the accrued interest on the amount) revert to and remain in the same local Children and Families Trust Fund for the next fiscal period under the same conditions as set forth in subparagraph (A).

(e) All grants, gifts, or bequests of money made to or for the benefit of the state commission from public or private sources to be used for early childhood development programs shall be deposited in the California Children and Families Trust Fund and expended for the specific purpose for which the grant, gift, or bequest was made. The amount of any such grant, gift, or bequest shall not be considered in computing the amount allocated and appropriated to the state commission pursuant to paragraph (1) of subdivision (d).

(f) All grants, gifts, or bequests of money made to or for the benefit of any county commission from public or private sources to be used for early childhood development programs shall be deposited in the local Children and Families Trust Fund and expended for the specific purpose for which the grant, gift, or bequest was made. The amount of any such grant, gift, or bequest shall not be considered in computing the amount allocated and appropriated to the county commissions pursuant to paragraph (2) of subdivision (d).

130110. (a) There is hereby established a California Children and Families Commission, which may also be known as First 5 California, composed of seven voting members and two ex officio members.

(b) The voting members shall be selected, pursuant to Section 130115, from persons with knowledge, experience, and expertise in early child development, child care, education, social services, public health, the prevention and treatment of tobacco and other substance abuse, behavioral health, and medicine (including, but not limited to, representatives of statewide medical and pediatric associations or societies), upon consultation with public and private sector associations, organizations, and conferences composed of professionals in these fields.

(c) The Secretary of the California Health and Human Services Agency and the Secretary for Education, or their designees, shall serve as ex officio nonvoting members of the state commission.

130115. The Governor shall appoint three members of the state

commission, one of whom shall be designated as chairperson. One of the Governor's appointees shall be either a county health officer or a county health executive. The Speaker of the Assembly and the Senate Rules Committee shall each appoint two members of the state commission. Of the members first appointed by the Governor, one shall serve for a term of four years, and two for a term of two years. Of the members appointed by the Speaker of the Assembly and the Senate Rules Committee, one appointed by the Speaker of the Assembly and the Senate Rules Committee shall serve for a period of four years with the other appointees to serve for a period of three years. Thereafter, all appointments shall be for four-year terms. No appointee shall serve as a member of the state commission for more than two four-year terms.

130120. The state commission shall, within three months after a majority of its voting members have been appointed, hire an executive director. The state commission shall thereafter hire such other staff as necessary or appropriate. The executive director and staff shall be compensated as determined by the state commission, consistent with moneys available for appropriation in the Administration Account. All professional staff employees of the state commission shall be exempt from civil service. The executive director shall act under the authority of, and in accordance with the direction of, the state commission.

130125. The powers and duties of the state commission shall include, but are not limited to, the following:

(a) Providing for statewide dissemination of public information and educational materials to members of the general public and to professionals for the purpose of developing appropriate awareness and knowledge regarding the promotion, support, and improvement of early childhood development.

(b) Adopting guidelines for an integrated and comprehensive statewide program of promoting, supporting, and improving early childhood development that enhances the intellectual, social, emotional, and physical development of children in California.

(1) The state commission's guidelines shall, at a minimum, address the following matters:

(A) Parental education and support services in all areas required

for, and relevant to, informed and healthy parenting. Examples of parental education shall include, but are not limited to, prenatal and postnatal infant and maternal nutrition, education and training in newborn and infant care and nurturing for optimal early childhood development, parenting and other necessary skills, child abuse prevention, and avoidance of tobacco, drugs, and alcohol during pregnancy. Examples of parental support services shall include, but are not limited to, family support centers offering an integrated system of services required for the development and maintenance of self-sufficiency, domestic violence prevention and treatment, tobacco and other substance abuse control and treatment, voluntary intervention for families at risk, and any other prevention and family services and counseling critical to successful early childhood development.

(B) The availability and provision of high quality, accessible, and affordable child care, both in-home and at child care facilities, that emphasizes education, training and qualifications of care providers, increased availability and access to child care facilities, resource and referral services, technical assistance for caregivers, and financial and other assistance to ensure appropriate child care for all households.

(C) The provision of child health care services that emphasize prevention, diagnostic screenings, and treatment not covered by other programs; and the provision of prenatal and postnatal maternal health care services that emphasize prevention, immunizations, nutrition, treatment of tobacco and other substance abuse, general health screenings, and treatment services not covered by other programs.

(2) The state commission shall conduct at least one public hearing on its proposed guidelines before they are adopted.

(3) The state commission shall, on at least an annual basis, periodically review its adopted guidelines and revise them as may be necessary or appropriate.

(c) Defining the results to be achieved by the adopted guidelines, and collecting and analyzing data to measure progress toward attaining these results.

(d) Providing for independent research, including the evaluation of any relevant programs, to identify the best standards and practices for optimal early childhood development, and establishing and monitoring demonstration projects.

(e) Soliciting input regarding program policy and direction from individuals and entities with experience in early childhood development, facilitating the exchange of information between these

individuals and entities, and assisting in the coordination of the services of public and private agencies to deal more effectively with early childhood development.

(f) Providing technical assistance to county commissions in adopting and implementing county strategic plans for early childhood development.

(g) Reviewing and considering the annual audits and reports transmitted by the county commissions and, following a public hearing, adopting a written report that consolidates, summarizes, analyzes, and comments on those annual audits and reports.

(h) Applying for gifts, grants, donations, or contributions of money, property, facilities, or services from any person, corporation, foundation, or other entity, or from the state or any agency or political subdivision thereof, or from the federal government or any agency or instrumentality thereof, in furtherance of a statewide program of early childhood development.

(i) Entering into any contracts and allocating funds to county commissions as necessary or appropriate to carry out the provisions and purposes of this act.

(j) Making recommendations to the Governor and the Legislature for changes in state laws, regulations, and services necessary or appropriate to carry out an integrated and comprehensive program of early childhood development in an effective and cost-efficient manner.

130130. Procedures for the conduct of business by the state commission not specified in this act shall be contained in bylaws adopted by the state commission. A majority of the voting members of the state commission shall constitute a quorum. All decisions of the state commission, including the hiring of the executive director, shall be by a majority of four votes.

130135. Voting members of the state commission shall not be compensated for their services, except that they shall be paid reasonable per diem and reimbursement of reasonable expenses for attending meetings and discharging other official responsibilities as authorized by the state commission.

130140. Any county or counties developing, adopting, promoting, and implementing local early childhood development programs consistent with the goals and objectives of this act shall receive moneys pursuant to paragraph (2) of subdivision (d) of Section 130105 in accordance with the following provisions:

(a) For the period between January 1, 1999, and June 30, 2000, county commissions shall receive the portion of the total moneys available to all county commissions equal to the percentage of the number of births recorded in the relevant county (for the most recent reporting period) in proportion to the entire number of births recorded in California (for the same period), provided that each of the following requirements has first been satisfied:

(1) The county's board of supervisors has adopted an ordinance containing the following minimum provisions:

(A) The establishment of a county children and families commission. The county commission shall be appointed by the board of supervisors and shall consist of at least five but not more than nine members.

(i) Two members of the county commission shall be from among the county health officer and persons responsible for management of the following county functions: children's services, public health services, behavioral health services, social services, and tobacco and other substance abuse prevention and treatment services.

(ii) One member of the county commission shall be a member of the board of supervisors.

(iii) The remaining members of the county commission shall be from among the persons described in clause (i) and persons from the following categories: recipients of project services included in the county strategic plan; educators specializing in early childhood development; representatives of a local child care resource or referral agency, or a local child care coordinating group; representatives of a local organization for prevention or early intervention for families at risk; representatives of community-based organizations that have the goal of promoting nurturing and early childhood development; representatives of local school districts; and representatives of local medical, pediatric, or obstetric associations or societies.

(B) The manner of appointment, selection, or removal of members of the county commission, the duration and number of terms county commission members shall serve, and any other matters that the board of supervisors deems necessary or convenient for the conduct of the county commission's activities, provided that members of the county commission shall not be compensated for their services, except they

shall be paid reasonable per diem and reimbursement of reasonable expenses for attending meetings and discharging other official responsibilities as authorized by the county commission.

(C) The requirement that the county commission adopt an adequate and complete county strategic plan for the support and improvement of early childhood development within the county.

(i) The county strategic plan shall be consistent with, and in furtherance of the purposes of, this act and any guidelines adopted by the state commission pursuant to subdivision (b) of Section 130125 that are in effect at the time the plan is adopted.

(ii) The county strategic plan shall, at a minimum, include the following: a description of the goals and objectives proposed to be attained; a description of the programs, services, and projects proposed to be provided, sponsored, or facilitated; and a description of how measurable outcomes of such programs, services, and projects will be determined by the county commission using appropriate reliable indicators. No county strategic plan shall be deemed adequate or complete until and unless the plan describes how programs, services, and projects relating to early childhood development within the county will be integrated into a consumer-oriented and easily accessible system.

(iii) The county commission shall, on at least an annual basis, be required to review its county strategic plan and to revise the plan as may be necessary or appropriate.

(iv) The county commission shall measure the outcomes of county funded programs through the use of applicable, reliable indicators and review that information on a periodic basis as part of the public review of its county strategic plan.

(D) The requirement that the county commission conduct at least one public hearing on its proposed county strategic plan before the plan is adopted.

(E) The requirement that the county commission conduct at least one public hearing on its periodic review of the county strategic plan before any revisions to the plan are adopted.

(F) The requirement that the county commission submit its adopted county strategic plan, and any subsequent revisions thereto, to the state commission.

(G) The requirement that the county commission prepare and adopt an annual audit and report pursuant to Section 130150. The county commission shall conduct at least one public hearing prior to adopting any annual audit and report.

(H) The requirement that the county commission conduct at least one public hearing on each annual report by the state commission

prepared pursuant to subdivision (b) of Section 130150.

(I) Two or more counties may form a joint county commission, adopt a joint county strategic plan, or implement joint programs, services, or projects.

(2) The county's board of supervisors has established a county commission and has appointed a majority of its members.

(3) The county has established a local Children and Families Trust Fund pursuant to subparagraph (A) of paragraph (2) of subdivision (d) of Section 130105.

(b) Notwithstanding any provision of this act to the contrary, no moneys made available to county commissions under subdivision (a) shall be expended to provide, sponsor, or facilitate any programs, services, or projects for early childhood development until and unless the county commission has first adopted an adequate and complete county strategic plan that contains the provisions required by clause (ii) of subparagraph (C) of paragraph (1) of subdivision (a).

(c) In the event that any county elects not to participate in the California Children and Families Program, the moneys remaining in the California Children and Families Trust Fund shall be reallocated and reappropriated to participating counties in the following fiscal year.

(d) For the fiscal year commencing on July 1, 2000, and for each fiscal year thereafter, county commissions shall receive the portion of the total moneys available to all county commissions equal to the percentage of the number of births recorded in the relevant county (for the most recent reporting period) in proportion to the number of births recorded in all of the counties participating in the California Children and Families Program (for the same period), provided that each of the following requirements has first been satisfied:

(1) The county commission has, after the required public hearings, adopted an adequate and complete county strategic plan conforming to the requirements of subparagraph (C) of paragraph (1) of subdivision (a), and has submitted the plan to the state commission.

(2) The county commission has conducted the required public hearings, and has prepared and submitted all audits and reports required pursuant to Section 130150.

(3) The county commission has conducted the required public hearings on the state commission annual reports prepared pursuant to subdivision (b) of Section 130150.

(4) The county commission, in a public hearing, has adopted policies that are consistent with the following state laws:

(A) With regard to conflict of interest of the commission members, the county commission's policies shall be consistent with Article 4 (commencing with Section 1090) of Chapter 1 of Division 4 of Title 1 of the Government **Code**, Article 4.7 (commencing with Section 1125) of Chapter 1 of Division 4 of Title 1 of the Government **Code**, and Chapter 7 (commencing with Section 87100) of Title 9 of the Government **Code**.

(B) With regard to contracting and procurement, the county commission's policies shall be consistent with Article 7 (commencing with Section 54201) of Chapter 5 of Part 1 of Division 2 of Title 5 of the Government **Code**, Chapter 2 (commencing with Section 2000) of Part 1 of Division 2 of the Public Contract **Code**, Section 3410 of the Public Contract **Code**, and Chapter 3.5 (commencing with Section 22150) of Part 3 of Division 2 of the Public Contract **Code**.

(5) The county commission, in a public hearing, has adopted a limit on the percentage of the county commission's operating budget that may be spent on administrative functions, pursuant to guidelines issued by the state commission that define administrative functions.

(6) The county commission has adopted, in a public hearing, policies and processes establishing the salaries and benefits of employees of the county commission. Salaries and benefits shall conform with established county commission or county government policies.

(e) In the event that any county elects not to continue participation in the California Children and Families Program, any unencumbered and unexpended moneys remaining in the local Children and Families Trust Fund shall be returned to the California Children and Families Trust Fund for reallocation and reappropriation to participating counties in the following fiscal year.

(f) For purposes of this section, "relevant county" means the county in which the mother of the child whose birth is being recorded resides.

130140.1. (a) In the event a county elects to participate in the California Children and Families Program, and satisfies the requirements set forth in Section 130140, the county may establish a county commission that is either of the following:

(1) A legal public entity separate from the county.

(2) An agency of the county with independent authority over the strategic plan described in Section 130140 and the local trust fund established pursuant to subparagraph (A) of paragraph (2) of

subdivision (d) of Section 130105.

(b) In the event a county elects to establish a county commission as specified in paragraph (1) of subdivision (a), the following conditions shall apply:

(1) The county commission shall be considered a legal public entity separate from the county, and shall file a statement as required by Section 53051 of the Government **Code**.

(2) The powers, duties, and responsibilities of the county commission shall include, but shall not be limited to, the following:

(A) The power to employ personnel and contract for personal services required to meet its obligations.

(B) The power to enter into any contracts necessary or appropriate to carry out the provisions of this division.

(C) The power to acquire, possess, and dispose of real or personal property, as necessary or appropriate to carry out the provisions and purposes of this division.

(D) The power to sue or be sued.

(3) The county commission shall be deemed to be a public agency that is a unit of local government for purposes of all grant programs and other funding and loan guarantee programs.

(4) Any obligations of the county commission, statutory, contractual, or otherwise, shall be obligations solely of the commission.

(5) All claims or actions for money or damages against a county commission shall be governed by Part 3 (commencing with Section 900) and Part 4 (commencing with Section 940) of Division 3.6 of Title 1 of the Government **Code**, except as provided by other statutes or regulations that expressly apply to county commissions.

(6) The county commission, its members, and its employees are protected by the immunities applicable to public entities and public employees governed by Part 1 (commencing with Section 810) and Part 2 (commencing with Section 814) of Division 3.6 of Title 1 of the Government **Code**, except as provided by other statutes or regulations that apply expressly to the county commissions.

(7) If a county board of supervisors elects not to continue the county's participation in the California Children and Families Program, the board shall adopt an ordinance terminating the county commission.

(A) In terminating its county commission, the board of supervisors shall allow, to the extent possible, an appropriate transition period to allow for the county commission's then-existing obligations to be satisfied.

(B) In event of termination, any unencumbered and unexpended moneys remaining in the local Children and Families Trust Fund shall be distributed pursuant to subdivision (e) of Section 130140.

(C) Prior to the termination of the county commission, the board of supervisors shall notify the state Children and Families Commission of its intent to terminate the county commission.

(D) The liabilities of the county commission shall not become obligations of the county upon either the termination of the county commission or the liquidation or disposition of the county commission's remaining assets.

(c) If a county elects to establish a county commission as provided in paragraph (2) of subdivision (a), the county commission shall be deemed to be an agency of the county with independent authority over the strategic plan described in Section 130140 and the local Children and Families Trust Fund established pursuant to subparagraph (A) of paragraph (2) of subdivision (d) of Section 130105.

(d) Any county commission established prior to the effective date of this section that substantially complies with the provisions of either subdivision (b) or (c) shall be deemed to be in compliance with this section.

(e) (1) Individually identifiable physical or mental health information, substance abuse information, child care or education information, personnel or employment information, financial information, criminal justice information, or demographic information, regarding a child or a child's parent, legal guardian, or other family member, that is provided to a county commission by a parent, legal guardian, family member, health care provider, health plan, public health authority, school, law enforcement agency, social services agency, probation agency, or any other source, shall be considered confidential, and may be disclosed only to a person, agency, or entity that receives funding from the county commission, by way of a grant award or contract or as a service provider for the provision of early childhood services, and only to the extent necessary to the provision of services, unless further disclosure is authorized by a written consent of the parent or legal guardian, or where disclosure is required by state or federal law.

(2) Confidential information identified in accordance with this section shall not be subject to disclosure under the California Public Records Act (Chapter 3.5 (commencing with Section 6250) of Division 7 of Title 1 of the Government **Code**).

130145. The state commission and each county commission shall establish one or more advisory committees to provide technical and professional expertise and support for any purposes that will be beneficial in accomplishing the purposes of this act. Each advisory committee shall meet and shall make recommendations and reports as deemed necessary or appropriate.

130150. (a) On or before October 15 of each year, each county commission shall conduct an audit of, and issue a written report on the implementation and performance of, its functions during the preceding fiscal year, including, at a minimum, the manner in which funds were expended, the progress toward, and the achievement of, program goals and objectives, and information on programs funded and populations served for all funded programs.

On or before November 1 of each year, each county commission shall submit its audit and report to the state commission for inclusion in the state commission's consolidated report required in subdivision (b). Each commission shall submit its report in a format prescribed by the state commission if the state commission approves that format in a public meeting prior to the fiscal year during which it is to be used by the county commissions. The state commission shall develop the format in consultation with the county commissions.

(b) The state commission shall, on or before January 31 of each year, do both of the following:

(1) Conduct an audit and prepare a written report on the implementation and performance of the state commission functions during the preceding fiscal year, including, at a minimum, the manner in which funds were expended and the progress toward, and the achievement of, program goals and objectives.

(2) Prepare a written report that consolidates, summarizes, analyzes, and comments on the annual audits and reports submitted by all of the county commissions and the Controller for the preceding fiscal year. The written report shall include a listing, by category, of the aggregate expenditures on program areas funded by the state and county commissions pursuant to the purposes of this act, according to a format prescribed by the state commission. This report by the state commission shall be transmitted to the Governor, the Legislature, and each county commission.

(3) In the event a county commission does not submit the information prescribed in subdivision (a), the state commission may

withhold funds that would otherwise have been allocated to the county commission from the California Children and Families Trust Fund pursuant to Section 130140 until the county commission submits the data as required by subdivision (a).

(c) The state commission shall make copies of each of its annual audits and reports available to members of the general public on request and at no cost. The state commission shall furnish each county commission with copies of those documents in a number sufficient for local distribution by the county commission to members of the general public on request and at no cost.

(d) Each county commission shall make copies of its annual audits and reports available to members of the general public on request and at no cost.

130151. (a) In addition to the requirements in Section 130150, the Controller shall issue guidelines for expanded annual audits of each county commission required pursuant to subdivision (b) of Section 130150 and associated quality control functions, subject to funding by the state commission.

(b) The scope of the audits shall address a review of county commission policies and practices with respect to the following elements:

(1) Contracting and procurement policies, to determine whether they are in place pursuant to paragraph (4) of subdivision (d) of Section 130140, whether state and county commissions are operating in accordance with these policies, and whether these policies contain provisions to ensure that the grants and contracts are consistent with the state or county commission's strategic plan.

(2) Administrative costs, to ensure that the county commission's definitions comply with the state commission's guidelines and that the county commission has a process in place to monitor these costs.

(3) Policies and procedures, established pursuant to paragraph (4) of subdivision (d) of Section 130140, designed to assure compliance by the state commission and county commissions with all applicable state and local conflict-of-interest statutes and regulations.

(4) Policies and practices designed to assure that county commissions are adhering to county commission ordinances established pursuant to paragraph (1) of subdivision (a) of Section 130140.

(5) Long-range financial plans, to determine whether state and county commissions have these plans and that the plans have been formally adopted by the commission in a public hearing.

(6) Financial condition of the commission.

(7) Amount commissions spend on program evaluation and the documented results of these expenditures.

(8) Salaries and benefit policies, to determine whether the county commission's employee salaries and benefits comply with the policies that the county commission adopted pursuant to paragraph (6) of subdivision (d) of Section 130140.

(c) The auditor for the state commission or the county commission shall submit each audit report, upon completion, simultaneously to both the Controller and to the state commission or applicable county commission.

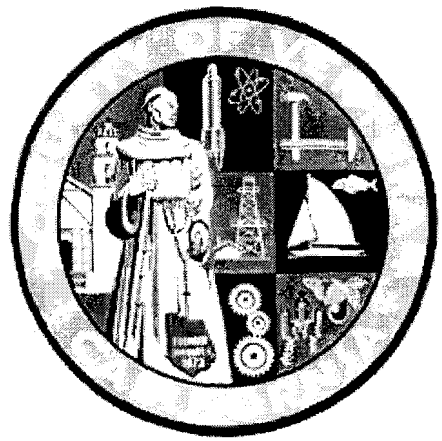
(d) The state commission and each respective county commission shall schedule a public hearing within two months of receipt of the audit to discuss findings within the report and any response to the findings. Within two weeks of the public hearing, the state or county commission shall submit to the Controller a response to the audit findings.

(e) Within six months of the state or county commission's response pursuant to subdivision (d), the Controller shall determine whether a county commission has successfully corrected its practices in response to the findings contained in the audit report. The Controller may, after that determination, recommend to the state commission to withhold the allocation of money that the county commission would otherwise receive from the California Children and Families Trust Fund until the Controller determines that the county commission has a viable plan and the ability to correct the practices identified in the audit.

(f) The Controller shall prepare a summary report of the final audits and submit the report to the state commission by November 1 of each year for inclusion in the annual report required pursuant to subdivision (b) of Section 130150.

(g) On or before April 30, 2006, the Controller shall present to the state commission in a public meeting the final audit guidelines and implementation plan. When developing the guidelines, the Controller shall consider the reasonableness of the projected costs and administrative burden of the required audit functions.

130155. The following definitions apply for purposes of this act:



(a) "Act" means the California Children and Families Act of 1998.

(b) "County commission" means each county children and families

commission established in accordance with Section 130140.

(c) "County strategic plan" means the plan adopted by each county children and families commission and submitted to the California Children and Families Commission pursuant to Section 130140.

(d) "State commission" means the California Children and Families Commission established in accordance with Section 130110.

Subject

VENTURA COUNTY ORDINANCE TO ESTABLISH THE VENTURA COUNTY CHILDREN AND FAMILIES FIRST COMMISSION

Comments

ORDINANCE NO. 4182

AN ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS TO ESTABLISH THE VENTURA COUNTY CHILDREN AND FAMILIES FIRST COMMISSION

The Board of Supervisors of the County of Ventura ordains as follows:

Section 1. Purpose

The California Children and Families First Act of 1998 (Division 108 of the Health and Safety Code), which increases the state surtax on cigarettes and other tobacco products and creates the California Children and Families First Commission (State Commission), was adopted by the voters in the November 3, 1998 election; and the County of Ventura desires to establish a Ventura County Children and Families First Commission (County Commission) and take all other actions necessary and useful to attain eligibility to receive funds from the California Children and Families First Trust Fund for the implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development.

Section 2. Establishment and Composition of Commission

There is hereby established a Ventura County Children and Families First Commission composed of nine members appointed by the Board of Supervisors, for terms as specified in Section 3. The members shall include:

(a) One member of the Board of Supervisors;

(b) Two members shall be selected from among the County Health Officer and persons responsible for management of the following County functions: children's services, public health services, behavioral health services, social services, and tobacco and other substance abuse prevention and treatment services;

(c) A representative of the Child Care Planning Council, a subdivision of the Ventura County Children, Family and Community Commission (Community Commission);

(d) The remaining five members shall be selected from among members of the Community Commission nominated, one each, by the members of the Board of Supervisors, who are described in (b) above or who are: (1) recipients of project services included in the Plan, (2) educators specializing in early childhood development, (3) representatives of a local child care resource or referral agency or child care coordinating group, (4) representatives of a local organization for prevention or early intervention for families at risk, (5) representatives of community-based organizations that have the goal of promoting nurturing and early childhood development, (6) representatives of local school districts, or (7) representatives of local medical, pediatric, or obstetric associations or societies.

Section 3. Term of Commission Members and Removal

(a) Members of the County Commission appointed pursuant to Section 2(a) through (d) shall serve during their incumbency of the office or position designated, unless earlier removed, with or without cause, by the Board of Supervisors.

(b) The Board of Supervisors shall designate four of the members of the County Commission, initially appointed pursuant to Sections 2(b) and 2(d) to serve for terms of two years or until the appointment of a successor and the other three members shall serve three-year terms or until the appointment of a successor, at the pleasure of the Board of Supervisors. Thereafter, members appointed pursuant to Sections 2(b) and 2(d) shall serve two-year terms or until the appointment of a successor, unless earlier removed, with or without cause, by a majority vote of the Board of Supervisors.

(c) Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Board of Supervisors.

Section 4. Governance and Rule Making

The members of the County Commission shall annually elect a chairperson who shall serve for a term of one year. The County Commission shall make such rules and regulations as are necessary to conduct its business.

Section 5. County Commission Subject to Ralph M. Brown Act

The County Commission's meetings are subject to the open meeting laws contained in the Ralph M. Brown Act (Government Code section 54950 et seq.).

Section 6. Compensation of County Commission Members

County Commission members shall not be compensated for their services, except that they shall be reimbursed for reasonable expenses, if any, incurred to attend meetings and discharging other official responsibilities as authorized by the County Commission and approved by the Board of Supervisors.

Section 7. Adoption of Strategic Plan

The County Commission shall adopt an adequate and complete County Strategic Plan (the Plan) for the support and improvement of early childhood development within the County and shall submit the Plan to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their approval prior to final adoption.

(a) The County Strategic Plan shall be consistent with, and in furtherance of, the purposes of the California Children and Families First Act of 1998 (the Act) and any guidelines adopted by the State Commission pursuant to subdivision (b) of section 130125 of the Health and Safety Code that are in effect at the time the Plan is adopted.

(b) The County Strategic Plan shall, at a minimum, include the following: a description of the goals and objectives proposed to be attained; a description of the programs, services and projects proposed to be provided, sponsored, or facilitated; and a description of how measurable outcomes of such programs, services, and projects will be determined by the County Commission using appropriate reliable indicators. No County Strategic Plan shall be deemed adequate or complete until and unless the Plan describes how programs, services, and projects relating to early childhood development within the County will be integrated into a consumer-oriented and easily accessible system.

(c) At least annually and in conjunction with the preparation, adoption and review of the County Strategic Plan, the County Commission shall prepare and submit to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their approval, a budget for all expenditures of funds.

(d) The County Commission shall, on at least an annual basis, be required to periodically review its County Strategic Plan and to revise the Plan as may be necessary or appropriate. Any proposed revision to the Plan shall be submitted to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their review and approval prior to final adoption.

Section 8. Public Hearings and Submission to State Commission

(a) The County Commission shall conduct at least one public hearing on its proposed County Strategic Plan before the Plan is adopted.

(b) The County Commission shall conduct at least one public hearing on its periodic review of the County Strategic Plan before any revisions to the Plan are adopted.

(c) The County Commission shall submit its adopted County Strategic Plan, and any subsequent revisions thereto, to the State Commission.

Section 9. Trust Fund

There is hereby established a Ventura County Children and Families First Trust Fund to be administered by the County of Ventura.

Section 10. Annual Audit and Report

On or before October 15 of each year, the County Commission shall conduct an audit of, and issue a written report on, the implementation and performance of its functions during the preceding fiscal year, including, at a minimum, the manner in which funds were expended, the progress toward and the achievement of program goals and objectives, and the measurement of specific outcomes through appropriate reliable indicators. Copies of the audit and report shall be transmitted to the Board of Supervisors and to the State Commission.

Section 11. Definitions

(a) "Act" means the California Children and Families First Act of 1998.

(b) "County Commission" means the Ventura County Children and Families First Commission.

(c) "State Commission" means the California Children and Families First Commission.

(d) "Community Commission" means the Ventura County Children, Family and Community Commission.

(e) "Trust Fund" means the Ventura County Children and Families First Trust Fund.

(f) "County Strategic Plan" or "Plan" means the County of Ventura's strategic plan.

PASSED AND ADOPTED this 22nd day of December, 1998, by the following vote:

AYES: Supervisors Lacey, Schillo, Long, Flynn and Mikels

NOES: None.

ABSENT: None

Judy Mikels

December 15, 1998

Board of Supervisors
County of Ventura
800 S. Victoria Avenue
Ventura, CA 93009

SUBJECT: ORDINANCE ESTABLISHING THE VENTURA COUNTY CHILDREN AND FAMILIES FIRST COMMISSION (FIRST READING)

RECOMMENDATION:

That your Board adopt the attached Ordinance Of The Ventura County Board of Supervisors to Establish The Ventura County Children and Families First Commission and The Ventura County Children and Families First Commission Trust Fund as required by Proposition 10, The California Children and Families First Act of 1998.

FISCAL/MANDATES IMPACT:

Any fiscal impacts will be covered by Proposition 10.

DISCUSSION:

Proposition 10, The California Children and Families First Act of 1998, approved by the voters on November 3, 1998 increases the state surtax on cigarettes and other tobacco products and is anticipated to generate millions of dollars for the county to use in connection with early childhood development programs. Although the tax will not commence until January 1999 there are certain steps which must be taken to qualify for the receipt of funds.

The four steps that must be taken include:

1. The adoption of an ordinance by the county Board of Supervisors containing several specific features;
2. The actual establishment of the commission provided for in the ordinance and that appointment of a majority of its members;

Recycled Paper

3. The establishment of a trust fund for the receipt of program funds; and
4. The adoption of an adequate and complete county strategic plan containing certain specific components.

The recommendation before you today is to adopt the required ordinance. The ordinance sets the parameters for the establishment and composition of the commission; the terms and removal procedures of commission members; adoption of the strategic plan; public hearings; establishment of the trust fund; and annual audit and report.

If you have any questions please contact Supervisor Susan Lacey at (805) 654-2703, Supervisor Kathy Long at (805) 654-2276, or County Counsel Jim McBride at (805) 654-2581.

Sincerely,

KATHY I. LONG
Supervisor, Third District

SUSAN K. LACEY
Supervisor, First District

Attachment

Recycled Paper

(d) The remaining five members shall be selected from among members of the Community Commission nominated, one each, by the members of the Board of Supervisors, who are described in (b) above or who are: (1) recipients of project services included in the Plan, (2) educators specializing in early childhood development, (3) representatives of a local child care resource or referral agency or child care coordinating group, (4) representatives of a local organization for prevention or early intervention for families at risk, (5) representatives of community-based organizations that have the goal of promoting nurturing and early childhood development, (6) representatives of local school districts, or (7) representatives of local medical, pediatric, or obstetric associations or societies.

Section 3. Term of Commission Members and Removal

(a) Members of the County Commission appointed pursuant to Section 2(a) through (d) shall serve during their incumbency of the office or position designated, unless earlier removed, with or without cause, by the Board of Supervisors.

(b) The Board of Supervisors shall designate three of the members of the County Commission, initially appointed pursuant to Sections 2(b) and 2(d) to serve for terms of two years or until the appointment of a successor and the other two members shall serve three-year terms or until the appointment of a successor, at the pleasure of the Board of Supervisors. Thereafter, members appointed pursuant to Sections 2(b) and 2(d) shall serve two-year terms or until the appointment of a successor, unless earlier removed, with or without cause, by a majority vote of the Board of Supervisors.

(c) Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Board of Supervisors.

Section 4. Governance and Rule Making

The members of the County Commission shall annually elect a chairperson who shall serve for a term of one year. The County Commission shall make such rules and regulations as are necessary to conduct its business.

Section 5. County Commission Subject to Ralph M. Brown Act

The County Commission's meetings are subject to the open meeting laws contained in the Ralph M. Brown Act (Government Code section 54950 et seq.).

BOARD OF SUPERVISORS
COUNTY OF VENTURA
GOVERNMENT CENTER, HALL OF ADMINISTRATION, L #1880
800 SOUTH VICTORIA AVENUE, VENTURA, CALIFORNIA 93009

June 25, 2002

Board of Supervisors
County of Ventura
800 South Victoria Avenue
Ventura, CA 93009

SUBJECT: Revised Ordinance of the Ventura County Board of Supervisors Relating to the Children & Families First Commission of Ventura County

Dear Board Members:

RECOMMENDATION
Recommend the Board read in title only and continue final adoption to July 2, 2002 at 9:00 a.m.

FISCAL IMPACT
Changes are administrative only and should not have significant financial impact. Any minor fiscal impact will be covered by the Commission.

DISCUSSION
The Children and Families First Commission (CFFC) was established in 1999 by Ordinance 4182 and amended by Ordinances 4192 and 4198 for the purpose of administering the Proposition 10 tobacco tax funds. These funds are administered by a nine-member commission and directed to organizations and agencies throughout Ventura County that provide programs and services to families with infants and children through the age of 5.

The CFFC has initiated this recommendation and determined the ordinance revisions are desirable in bringing clarity to the commission's duties and name. The new ordinance, which is attached for your review, was thoroughly reviewed by County Counsel prior to the CFFC's unanimous support at their May 16, 2002 meeting. Specific changes are noted in the attached summary.

I have served on the CFFC as the Board's representative since its inception and fully support the recommended changes.

Sincerely,

Kathy I. Long

KATHY I. LONG
Supervisor Third District

ORDINANCE NO._____

REVISED ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS RELATING TO THE CHILDREN & FAMILIES FIRST COMMISSION OF VENTURA COUNTY

Whereas, the Ventura County Children & Families First Commission ("Commission") has been previously established and has been functioning in Ventura County pursuant to prior ordinances enacted by the Ventura County Board of Supervisors; and

Whereas, it is desired to change the official name of the Commission to the "Children & Families First Commission of Ventura County" and to consolidate previous ordinances into a single revised ordinance and make minor changes and clarifications in connection therewith.

NOW THEREFORE, the Board of Supervisors of the County of Ventura hereby adopts this revised ordinance and ordains as follows:

Section 1. Purpose

The California Children and Families First Act of 1998 (Division 108 of the Health and Safety Code), which increases the state surtax on cigarettes and other tobacco products and created the California Children & Families First Commission (State Commission), was adopted by the voters in the November 3, 1998 election; and the County of Ventura desires to establish a Children & Families First Commission of Ventura County (County Commission) and take all other actions necessary and useful to attain eligibility to receive funds from the California Children and Families First Trust Fund for the implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development.

Section 2. Establishment and Composition of Commission

There is hereby established a Children & Families First Commission of Ventura County composed of nine members appointed by the Board of Supervisors, for terms as specified in Section 3. The members shall include:

(a) One member of the Board of Supervisors;

(b) Two members recommended by the County Executive Officer. The members recommended by the County Executive Officer shall be selected from among the County Health Officer and persons responsible for management of the following County functions: children's services, public health services, behavioral health services, social services, and tobacco and other substance abuse prevention and treatment services;

(c) A representative recommended by the Child Care Planning Council;

(d) The remaining five members shall be selected from among members of the Ventura County Children, Family and Community Commission (Community Commission) nominated, one each, by the members of the Board of Supervisors, who are either described in (b) above or are: (1) recipients of project services included in the Plan, (2) educators specializing

in early childhood development, (3) representatives of a local child care resource or referral agency or child care coordinating group, (4) representatives of a local organization for prevention or early intervention for families at risk, (5) representatives of community-based organizations that have the goal of promoting nurturing and early childhood development, (6) representative of local school districts, or (7) representatives of local medical, pediatric, or obstetric associations or societies.

Section 3. Term of Commission Members and Removal

(a) The member of the County Commission appointed pursuant to Section 2(a) shall serve during their incumbency of the office, unless earlier removed, with or without cause, by the Board of Supervisors.

(b) Members of the County Commission appointed pursuant to Section 2(b) shall serve (1) during their incumbency in the office or position designated, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(c) The member of the County commission appointed from the Child Care Planning Council shall serve (1) during his/her incumbency on the Child Care Planning Council, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(d) The members of the County Commission appointed pursuant to Section 2(d) shall serve a term coterminous with that of the member of the Board of Supervisors who nominated said member or until the appointment of a successor, unless earlier removed, with or without cause, by a majority vote of the Board of Supervisors.

(e) Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Board of Supervisors.

Section 4. Governance and Rule Making

The members of the County Commission shall annually elect a chairperson who shall serve for a term of one year. The County Commission shall make such rules and regulations as are necessary to conduct its business.

Section 5. County Commission Subject to Ralph M. Brown Act

The County Commission's meetings are subject to the open meeting laws continued in the Ralph M. Brown Act (Government Code section 54950 et seq.)

Section 6. Compensation of County Commission Members

County Commission members shall not be compensated for their services, except that they shall be reimbursed for reasonable expenses, if any, incurred to attend meetings and discharging other official responsibilities as authorized by the County Commission.

Section 7. Adoption of Strategic Plan

(a) The County Commission shall adopt an adequate and complete County Strategic Plan (the Plan) for the support and improvement of early childhood development within the County and shall submit the Plan to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their comment prior to final adoption.

(b) The County Strategic Plan shall, at a minimum, include the following: a description of the goals and objectives proposed to be attained; a description of the programs, services and projects proposed to be provided, sponsored, or facilitated; and a description of how measurable outcomes of such programs, services, and projects will be determined by the County Commission using appropriate reliable indicators. No County Strategic Plan shall be deemed adequate or complete until and unless the Plan describes how programs, services, and projects relating to early childhood development with the County will be integrated into a consumer-oriented and easily accessible system.

(c) At least annually and in conjunction with the preparation, adoption and review of the County Strategic Plan, the County Commission shall prepare and submit to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their comment, a budget for all expenditures of funds.

(d) The County Commission shall, on at least an annual basis, be required to periodically review its County Strategic Plan and to revise the Plan as may be necessary or appropriate. Any proposed revision to the Plan shall be submitted to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their review and comment prior to final adoption.

Section 8. Public Hearings and Submission to State Commission

(a) The County Commission shall conduct at least one public hearing on its proposed County Strategic Plan before the Plan is adopted.

(b) The County Commission shall conduct at least one public hearing on its periodic review of the County Strategic Plan before any revisions to the plan are adopted.

(c) The County Commission shall submit its adopted County Strategic Plan, and any subsequent revisions thereto, to the State Commission.

Section 9. Trust Fund

There is hereby established a Children & Families First Commission of Ventura County Trust Fund to be administered by the Children & Families First Commission of Ventura County.

Section 10. Annual Audit Report

On or before October 15, commencing in the year 2000, the County Commission shall conduct an audit of, and issue a written report on, the implementation and performance of its functions during the preceding fiscal year, including, at a minimum, the manner in which funds were expended, the progress toward and achievement of program goals and objectives, and the

measurement of specific outcomes through appropriate reliable indicators. Copies of the audit and report shall be transmitted to the Board of Supervisors and to the State Commission.

Section 11. Definitions

(a) "Act" means the California Children and Families First Act of 1998.

(b) "County Commission" means the Children & Families First Commission of Ventura County.

(c) "State Commission" means the California Children & Families Commission.

(d) "Community Commission" means the Ventura County Children, Family and Community Commission.

(e) "Trust Fund" means the Children & Families First Commission of Ventura County Trust Fund.

(f) "County Strategic Plan" or "Plan" means the Children & Families First Commission of Ventura County's strategic plan.

Section 12. Prior Ordinances Superseded

As of its effective date, this Ordinance shall supersede Ordinance Nos. 4182, 4192, and 4198.

The three year terms established in section 3, subdivisions (b) and (c), of this Ordinance shall begin to run with respect to Commissioners currently serving at the time of adoption of this Ordinance on a prospective basis only, with the terms deemed to commence as of January 1, 2003.

Section 13. Effective Date

This Ordinance shall become effective on the 31st day following final passage and adoption.

REVISED ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS RELATING TO THE CHILDREN & FAMILIES FIRST COMMISSION OF VENTURA COUNTY

SUMMARY OF CHANGES

Title: Name changed to: "*Children & Families First Commission of Ventura County.*"

Initial Section

Summarizes intent of changes and consolidates all previous ordinances into a single revised ordinance

Section 1: Purpose

Paragraph 1: Name changed to: "*Children & Families First Commission of Ventura County.*"

Section 2: Establishment and Composition of Commission

Paragraph 1: Name changed to: "*Children & Families First Commission of Ventura County.*"

(b) "*Two members recommended by the County Executive Officer. The members recommended by the County Executive Officer shall be*"...
Clarifies that members from the County agencies will be recommended by the County Executive Officer.

(c) "*A representative recommended by the Child Care Planning Council;*"
Clarifies that the Child Care Planning Council representative should be recommended by the Council. Eliminates language referring to the Child Care Planning Council as a subdivision of the Community Commission, as they are no longer associated.

(d) "*Ventura County Children, Family and Community Commission (Community Commission)*"...
Identifies Ventura County Children, Family and Community Commission as "Community Commission", as this is the first occurrence.

...who are "*either*" described in (b) above "*or ~~who~~ are*"...
Clean-up language to clarify intent.

Section 3: Term of Commission Members and Removal

(a) *"The member of the County Commission appointed pursuant to Section 2(a) shall serve during their incumbency of the office,"...*
Removes reference to members appointed pursuant to Section 2(b) as these positions will have set terms as described in 3(b) below. The only position who will serve during their incumbency of the office will be the member of the Board of Supervisors.

(b) *"Members of the County Commission appointed pursuant to Section 2(b) shall serve (1) during their incumbency in the office or position designated, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors."*
Establishes three-year terms for members appointed pursuant to Section 2(b).

(c) *"The member of the County Commission appointed from the Child Care Planning Council shall serve (1) during his/her incumbency on the Child Care Planning Council, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors."*
Removes language indicating nomination would be done by the Community Commission, as previously noted in Section 2(c).

Clarifies three-year term for member appointed pursuant to Section 2(c).

Changes language from "at the pleasure of the Board of Supervisors".

(d) Change in numbering as section was added.

(e) Change in numbering as section was added.

Section 9: Trust Fund

Name changed in two occurrences to: *"Children & Families First Commission of Ventura County."*

Section 11: Definitions

(b) Name changed to: *"Children & Families First Commission of Ventura County."*

(e) Name changed to: *"Children & Families First Commission of Ventura County."*

(f) Name changed to: *"Children & Families First Commission of Ventura County's."*

Section 12: Prior Ordinances Superseded

New section added, establishing this new ordinance will supersede all prior ordinances. Clarifies when the newly established three year terms will begin.

ORDINANCE NO. 4270

REVISED ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS RELATING TO THE CHILDREN & FAMILIES FIRST COMMISSION OF VENTURA COUNTY

Whereas, the Ventura County Children & Families First Commission ("Commission") has been previously established and has been functioning in Ventura County pursuant to prior ordinances enacted by the Ventura County Board of Supervisors; and

Whereas, it is desired to change the official name of the Commission to the "Children & Families First Commission of Ventura County" and to consolidate previous ordinances into a single revised ordinance and make minor changes and clarifications in connection therewith.

NOW THEREFORE, the Board of Supervisors of the County of Ventura hereby adopts this revised ordinance and ordains as follows:

Section 1. Purpose

The California Children and Families First Act of 1998 (Division 108 of the Health and Safety Code), which increases the state surtax on cigarettes and other tobacco products and created the California Children & Families First Commission (State Commission), was adopted by the voters in the November 3, 1998 election; and the County of Ventura desires to establish a Children & Families First Commission of Ventura County (County Commission) and take all other actions necessary and useful to attain eligibility to receive funds from the California Children and Families First Trust Fund for the implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development.

Section 2. Establishment and Composition of Commission

There is hereby established a Children & Families First Commission of Ventura County composed of nine members appointed by the Board of Supervisors, for terms as specified in Section 3. The members shall include:

(a) One member of the Board of Supervisors;

(b) Two members recommended by the County Executive Officer. The members recommended by the County Executive Officer shall be selected from among the County Health Officer and persons responsible for management of the following County functions: children's services, public health services, behavioral health services, social services, and tobacco and other substance abuse prevention and treatment services;

(c) A representative recommended by the Child Care Planning Council;

(d) The remaining five members shall be selected from among members of the Ventura County Children, Family and Community Commission (Community Commission) nominated, one each, by the members of the Board of Supervisors, who are either described in (b) above or are: (1) recipients of project services included in the Plan, (2) educators specializing

in early childhood development, (3) representatives of a local child care resource or referral agency or child care coordinating group, (4) representatives of a local organization for prevention or early intervention for families at risk, (5) representatives of community-based organizations that have the goal of promoting nurturing and early childhood development, (6) representative of local school districts, or (7) representatives of local medical, pediatric, or obstetric associations or societies.

Section 3. Term of Commission Members and Removal

(a) The member of the County Commission appointed pursuant to Section 2(a) shall serve during their incumbency of the office, unless earlier removed, with or without cause, by the Board of Supervisors.

(b) Members of the County Commission appointed pursuant to Section 2(b) shall serve (1) during their incumbency in the office or position designated, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(c) The member of the County commission appointed from the Child Care Planning Council shall serve (1) during his/her incumbency on the Child Care Planning Council, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(d) The members of the County Commission appointed pursuant to Section 2(d) shall serve a term coterminous with that of the member of the Board of Supervisors who nominated said member or until the appointment of a successor, unless earlier removed, with or without cause, by a majority vote of the Board of Supervisors.

(e) Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Board of Supervisors.

Section 4. Governance and Rule Making

The members of the County Commission shall annually elect a chairperson who shall serve for a term of one year. The County Commission shall make such rules and regulations as are necessary to conduct its business.

Section 5. County Commission Subject to Ralph M. Brown Act

The County Commission's meetings are subject to the open meeting laws continued in the Ralph M. Brown Act (Government Code section 54950 et seq.)

Section 6. Compensation of County Commission Members

County Commission members shall not be compensated for their services, except that they shall be reimbursed for reasonable expenses, if any, incurred to attend meetings and discharging other official responsibilities as authorized by the County Commission.

Section 7. Adoption of Strategic Plan

(a) The County Commission shall adopt an adequate and complete County Strategic Plan (the Plan) for the support and improvement of early childhood development within the County and shall submit the Plan to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their comment prior to final adoption.

(b) The County Strategic Plan shall, at a minimum, include the following: a description of the goals and objectives proposed to be attained; a description of the programs, services and projects proposed to be provided, sponsored, or facilitated; and a description of how measurable outcomes of such programs, services, and projects will be determined by the County Commission using appropriate reliable indicators. No County Strategic Plan shall be deemed adequate or complete until and unless the Plan describes how programs, services, and projects relating to early childhood development with the County will be integrated into a consumer-oriented and easily accessible system.

(c) At least annually and in conjunction with the preparation, adoption and review of the County Strategic Plan, the County Commission shall prepare and submit to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their comment, a budget for all expenditures of funds.

(d) The County Commission shall, on at least an annual basis, be required to periodically review its County Strategic Plan and to revise the Plan as may be necessary or appropriate. Any proposed revision to the Plan shall be submitted to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their review and comment prior to final adoption.

Section 8. Public Hearings and Submission to State Commission

(a) The County Commission shall conduct at least one public hearing on its proposed County Strategic Plan before the Plan is adopted.

(b) The County Commission shall conduct at least one public hearing on its periodic review of the County Strategic Plan before any revisions to the plan are adopted.

(c) The County Commission shall submit its adopted County Strategic Plan, and any subsequent revisions thereto, to the State Commission.

Section 9. Trust Fund

There is hereby established a Children & Families First Commission of Ventura County Trust Fund to be administered by the Children & Families First Commission of Ventura County.

Section 10. Annual Audit Report

On or before October 15, commencing in the year 2000, the County Commission shall conduct an audit of, and issue a written report on, the implementation and performance of its functions during the preceding fiscal year, including, at a minimum, the manner in which funds were expended, the progress toward and achievement of program goals and objectives, and the

measurement of specific outcomes through appropriate reliable indicators. Copies of the audit and report shall be transmitted to the Board of Supervisors and to the State Commission.

Section 11. Definitions

(a) "Act" means the California Children and Families First Act of 1998.

(b) "County Commission" means the Children & Families First Commission of Ventura County.

(c) "State Commission" means the California Children & Families Commission.

(d) "Community Commission" means the Ventura County Children, Family and Community Commission.

(e) "Trust Fund" means the Children & Families First Commission of Ventura County Trust Fund.

(f) "County Strategic Plan" or "Plan" means the Children & Families First Commission of Ventura County's strategic plan.

Section 12. Prior Ordinances Superseded

As of its effective date, this Ordinance shall supersede Ordinance Nos. 4182, 4192, and 4198.

The three year terms established in section 3, subdivisions (b) and (c), of this Ordinance shall begin to run with respect to Commissioners currently serving at the time of adoption of this Ordinance on a prospective basis only, with the terms deemed to commence as of January 1, 2003.

Section 13. Effective Date

This Ordinance shall become effective on the 31st day following final passage and adoption.

ORDINANCE NO. 4270

REVISED ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS RELATING TO THE CHILDREN & FAMILIES FIRST COMMISSION OF VENTURA COUNTY

Whereas, the Ventura County Children & Families First Commission ("Commission") has been previously established and has been functioning in Ventura County pursuant to prior ordinances enacted by the Ventura County Board of Supervisors; and

Whereas, it is desired to change the official name of the Commission to the "Children & Families First Commission of Ventura County" and to consolidate previous ordinances into a single revised ordinance and make minor changes and clarifications in connection therewith.

NOW THEREFORE, the Board of Supervisors of the County of Ventura hereby adopts this revised ordinance and ordains as follows:

Section 1. Purpose

The California Children and Families First Act of 1998 (Division 108 of the Health and Safety Code), which increases the state surtax on cigarettes and other tobacco products and created the California Children & Families First Commission (State Commission), was adopted by the voters in the November 3, 1998 election; and the County of Ventura desires to establish a Children & Families First Commission of Ventura County (County Commission) and take all other actions necessary and useful to attain eligibility to receive funds from the California a Children and Families First Trust Fund for the implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development.

Section 2. Establishment and Composition of Commission

There is hereby established a Children & Families First Commission of Ventura County composed of nine members appointed by the Board of Supervisors, for terms as specified in Section 3. The members shall include:

(a) One member of the Board of Supervisors;
(b) Two members recommended by the County Executive Officer. The members recommended by the County Executive Officer shall be selected from among the County Health Officer and persons responsible and management of the following County functions; children's services, public health services, behavioral health services, social services, and tobacco and other substance abuse prevention and treatment services;

legals
Continued on Page 44

(c) A representative recommended by the Child Care Planning Council; (d) The remaining five members shall be selected from among members of the Ventura County Children, Family and Community Commission (Community Commission) nominated, one each, by the members of the Board of Supervisors, who are either described in (b) above or are; (1) recipients of project services included in the Plan; (2) educators specializing in early childhood development, (3) representatives of a local child care resource or referral agency or child care coordinating group, (4) representatives of a local organization for prevention or early intervention for families at risk, (5) representatives of community-based organizations that have the goal of promoting nurturing and early childhood development, (6) representative of local school districts, or (7) representatives of local medical, pediatric, or obstetric associations or societies.

Section 3. Term of Commission Members and Removal

(a) The member of the County Commission appointed pursuant to Section 2(a) shall serve during their incumbency of the office, unless earlier removed, with or without cause, by the Board of Supervisors.
(b) Members of the County Commission appointed pursuant to Section 2(b) shall serve (1) during their incumbency in the office or position designated, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors,
(c) The member of the County commission appointed from the Child Care Planning Council shall serve (1) during his/her incumbency on the Child Care Planning Council, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors,
(d) The members of the County Commission appointed pursuant to Section 2(d) shall serve a term coterminous with that of the member of the Board of Supervisors who nominated said member or until the appointment of a successor, unless earlier removed, with or without cause, by a majority vote of the Board of Supervisors.
(e) Any member may be removed, at any time, with or without cause, by a majority vote of the, members of the Board of Supervisors.

Section 4. Governance and Rule Making

The members of the County Commission shall annually elect a chairperson who shall serve for a term of one year, The County Commission shall make such rules and regulations as are necessary to conduct its business.

Section 5. County Commission Subject to Ralph M. Brown Act

The County Commission's meetings are subject to the open meeting laws continued in the Ralph M. Brown Act (Government Code section 54950 et seq.)

Section 6. Compensation of County Commission Members

County Commission members shall not be compensated for their services, except that they shall be reimbursed for reasonable expenses, if any, incurred to attend meetings and discharging other official responsibilities authorized by the County Commission.

Section 7. Adoption of Strategic Plan

(a) The County Commission shall adopt an adequate and complete County Strategic Plan (the Plan) for the support and improvement of early childhood development within the County and shall submit the Plan to the Ventura County Children. Family and Community Commission and the Board of Supervisors for their comment prior to final adoption,
(b) The County Strategic Plan shall, at a minimum, include the following: a description of the goals and objectives proposed to be attained; a description of the programs, services and projects proposed to be provided, sponsored, or facilitated; and a description of how measurable outcomes of such programs, services, and projects will be determined by the County Commission using appropriate reliable indicators. No County Strategic Plan shall be deemed adequate or complete until and unless the Plan describes how programs, services, and projects relating to early childhood development with the County will be integrated into a consumeroriented and easily accessible system.
(c) At least annually and in conjunction with the preparation, adoption and review of the County Strategic Plan, the County Commission shall prepare and submit to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their Comment, a budget for all expenditures of funds,
(d) The County Commission shall, on at least an annual basis, be required to periodically review its County Strategic Plan and to revise the Plan as may be necessary or appropriate, Any proposed revision to the Plan shall be submitted to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their review and comment prior to final adoption,

Section 8. Public Hearings and Submission to State Commission

(a) The County Commission shall conduct at least one public hearing on its proposed County Strategic Plan before the Plan is adopted,
(b) The County Commission shall conduct at least one public hearing on its periodic review of the County Strategic Plan before any revisions to the plan are adopted.
(c) The County Commission shall submit its adopted County Strategic Plan, and any subsequent revisions thereto, to the State Commission,

Section 9. Trust Fund

There is hereby established a Children & families First Commission of Ventura County Trust Fund to be administered by the Children & Families First Commission of Ventura County.

Section 10. Annual Audit Report

On or before October 15, commencing in the year 2000, the County Commission shall conduct an audit of, and is-sue a written report on, the implementation and performance of its functions during the preceding fiscal year, including, at a minimum, the manner in which funds were expended, the progress toward and achievement of program goals and objectives, and the measurement of specific outcomes through appropriate reliable indicators. Copies of the audit and report shall be transmitted to the Board of Supervisors and to the State Commission.

Section 11. Definitions

(a) "Act" means the California Children and Families First Act of 1998,
(b) "County Commission" means the Children & Families First Commission of Ventura County.
(c) "State Commission" means the California Children & Families Commission.
(d) "Community Commission" means the Ventura County Children, Family and Community Commission,
(e) "Trust Fund" means the Children & Families First Commission of Ventura County Trust Fund.
(f) "County Strategic Plan" or "Plan" means the Children & Families First Commission of Ventura County's strategic plan.

Section 12. Prior Ordinances Superseded

As of its effective date, this Ordinance shall supersede Ordinance Nos. 4182, 4192, and 4198.

The three year terms established in section 3, subdivisions (b) and (c), of this Ordinance shall begin to run with respect to Commissioners currently serving at the time of adoption of this Ordinance on a prospective basis only, with the terms deemed to commence as of January 1, 2003.

Section 13. Effective Date

This Ordinance shall become effective on the 31st day following final passage and adoption,

PASSED AND ADOPTED this 2 day of July 2002, by the following vote:

REVISED ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS RELATING TO THE CHILDREN & FAMILIES FIRST COMMISSION OF VENTURA COUNTY

SUMMARY OF CHANGES

Title: Name changed to: "*Children & Families First Commission of Ventura County.*"

Initial Section

Summarizes intent of changes and consolidates all previous ordinances into a single revised ordinance

Section 1: Purpose

Paragraph 1: Name changed to: "*Children & Families First Commission of Ventura County.*"

Section 2: Establishment and Composition of Commission

Paragraph 1: Name changed to: "*Children & Families First Commission of Ventura County.*"

(b) "*Two members recommended by the County Executive Officer. The members recommended by the County Executive Officer shall be*"...
Clarifies that members from the County agencies will be recommended by the County Executive Officer.

(c) "*A representative recommended by the Child Care Planning Council;*"
Clarifies that the Child Care Planning Council representative should be recommended by the Council. Eliminates language referring to the Child Care Planning Council as a subdivision of the Community Commission, as they are no longer associated.

(d) "*Ventura County Children, Family and Community Commission (Community Commission)*"...
Identifies Ventura County Children, Family and Community Commission as "Community Commission", as this is the first occurrence.

...who are "e*ither*" described in (b) above "*or ~~who~~ are*"...
Clean-up language to clarify intent.

Section 3: Term of Commission Members and Removal

(a) *"The member of the County Commission appointed pursuant to Section 2(a) shall serve during their incumbency of the office,"...*
Removes reference to members appointed pursuant to Section 2(b) as these positions will have set terms as described in 3(b) below. The only position who will serve during their incumbency of the office will be the member of the Board of Supervisors.

(b) *"Members of the County Commission appointed pursuant to Section 2(b) shall serve (1) during their incumbency in the office or position designated, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors."*
Establishes three-year terms for members appointed pursuant to Section 2(b).

(c) *"The member of the County Commission appointed from the Child Care Planning Council shall serve (1) during his/her incumbency on the Child Care Planning Council, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors."*
Removes language indicating nomination would be done by the Community Commission, as previously noted in Section 2(c).

Clarifies three-year term for member appointed pursuant to Section 2(c).

Changes language from "at the pleasure of the Board of Supervisors".

(d) Change in numbering as section was added.

(e) Change in numbering as section was added.

Section 9: Trust Fund

Name changed in two occurrences to: *"Children & Families First Commission of Ventura County."*

Section 11: Definitions

(b) Name changed to: *"Children & Families First Commission of Ventura County."*

(e) Name changed to: *"Children & Families First Commission of Ventura County."*

(f) Name changed to: *"Children & Families First Commission of Ventura County's."*

Section 12: Prior Ordinances Superseded

New section added, establishing this new ordinance will supersede all prior ordinances. Clarifies when the newly established three year terms will begin.

BOARD OF SUPERVISORS
COUNTY OF VENTURA
GOVERNMENT CENTER, HALL OF ADMINISTRATION, L #1880
800 SOUTH VICTORIA AVENUE, VENTURA, CALIFORNIA 93009

June 25, 2002

Board of Supervisors
County of Ventura
800 South Victoria Avenue
Ventura, CA 93009

SUBJECT: Revised Ordinance of the Ventura County Board of Supervisors Relating to the Children & Families First Commission of Ventura County

Dear Board Members:

RECOMMENDATION
Recommend the Board read in title only and continue final adoption to July 2, 2002 at 9:00 a.m.

FISCAL IMPACT
Changes are administrative only and should not have significant financial impact. Any minor fiscal impact will be covered by the Commission.

DISCUSSION
The Children and Families First Commission (CFFC) was established in 1999 by Ordinance 4182 and amended by Ordinances 4192 and 4198 for the purpose of administering the Proposition 10 tobacco tax funds. These funds are administered by a nine-member commission and directed to organizations and agencies throughout Ventura County that provide programs and services to families with infants and children through the age of 5.

The CFFC has initiated this recommendation and determined the ordinance revisions are desirable in bringing clarity to the commission's duties and name. The new ordinance, which is attached for your review, was thoroughly reviewed by County Counsel prior to the CFFC's unanimous support at their May 16, 2002 meeting. Specific changes are noted in the attached summary.

I have served on the CFFC as the Board's representative since its inception and fully support the recommended changes.

Sincerely,

Kathy I. Long

KATHY I. LONG
Supervisor Third District

ORDINANCE NO._____

REVISED ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS RELATING TO THE CHILDREN & FAMILIES FIRST COMMISSION OF VENTURA COUNTY

Whereas, the Ventura County Children & Families First Commission ("Commission") has been previously established and has been functioning in Ventura County pursuant to prior ordinances enacted by the Ventura County Board of Supervisors; and

Whereas, it is desired to change the official name of the Commission to the "Children & Families First Commission of Ventura County" and to consolidate previous ordinances into a single revised ordinance and make minor changes and clarifications in connection therewith.

NOW THEREFORE, the Board of Supervisors of the County of Ventura hereby adopts this revised ordinance and ordains as follows:

Section 1. Purpose

The California Children and Families First Act of 1998 (Division 108 of the Health and Safety Code), which increases the state surtax on cigarettes and other tobacco products and created the California Children & Families First Commission (State Commission), was adopted by the voters in the November 3, 1998 election; and the County of Ventura desires to establish a Children & Families First Commission of Ventura County (County Commission) and take all other actions necessary and useful to attain eligibility to receive funds from the California Children and Families First Trust Fund for the implementation of an integrated, comprehensive, and collaborative system of information and services to enhance optimal early childhood development.

Section 2. Establishment and Composition of Commission

There is hereby established a Children & Families First Commission of Ventura County composed of nine members appointed by the Board of Supervisors, for terms as specified in Section 3. The members shall include:

(a) One member of the Board of Supervisors;

(b) Two members recommended by the County Executive Officer. The members recommended by the County Executive Officer shall be selected from among the County Health Officer and persons responsible for management of the following County functions: children's services, public health services, behavioral health services, social services, and tobacco and other substance abuse prevention and treatment services;

(c) A representative recommended by the Child Care Planning Council;

(d) The remaining five members shall be selected from among members of the Ventura County Children, Family and Community Commission (Community Commission) nominated, one each, by the members of the Board of Supervisors, who are either described in (b) above or are: (1) recipients of project services included in the Plan, (2) educators specializing

in early childhood development, (3) representatives of a local child care resource or referral agency or child care coordinating group, (4) representatives of a local organization for prevention or early intervention for families at risk, (5) representatives of community-based organizations that have the goal of promoting nurturing and early childhood development, (6) representative of local school districts, or (7) representatives of local medical, pediatric, or obstetric associations or societies.

Section 3. Term of Commission Members and Removal

(a) The member of the County Commission appointed pursuant to Section 2(a) shall serve during their incumbency of the office, unless earlier removed, with or without cause, by the Board of Supervisors.

(b) Members of the County Commission appointed pursuant to Section 2(b) shall serve (1) during their incumbency in the office or position designated, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(c) The member of the County commission appointed from the Child Care Planning Council shall serve (1) during his/her incumbency on the Child Care Planning Council, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(d) The members of the County Commission appointed pursuant to Section 2(d) shall serve a term coterminous with that of the member of the Board of Supervisors who nominated said member or until the appointment of a successor, unless earlier removed, with or without cause, by a majority vote of the Board of Supervisors.

(e) Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Board of Supervisors.

Section 4. Governance and Rule Making

The members of the County Commission shall annually elect a chairperson who shall serve for a term of one year. The County Commission shall make such rules and regulations as are necessary to conduct its business.

Section 5. County Commission Subject to Ralph M. Brown Act

The County Commission's meetings are subject to the open meeting laws continued in the Ralph M. Brown Act (Government Code section 54950 et seq.)

Section 6. Compensation of County Commission Members

County Commission members shall not be compensated for their services, except that they shall be reimbursed for reasonable expenses, if any, incurred to attend meetings and discharging other official responsibilities as authorized by the County Commission.

Section 7. Adoption of Strategic Plan

(a) The County Commission shall adopt an adequate and complete County Strategic Plan (the Plan) for the support and improvement of early childhood development within the County and shall submit the Plan to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their comment prior to final adoption.

(b) The County Strategic Plan shall, at a minimum, include the following: a description of the goals and objectives proposed to be attained; a description of the programs, services and projects proposed to be provided, sponsored, or facilitated; and a description of how measurable outcomes of such programs, services, and projects will be determined by the County Commission using appropriate reliable indicators. No County Strategic Plan shall be deemed adequate or complete until and unless the Plan describes how programs, services, and projects relating to early childhood development with the County will be integrated into a consumer-oriented and easily accessible system.

(c) At least annually and in conjunction with the preparation, adoption and review of the County Strategic Plan, the County Commission shall prepare and submit to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their comment, a budget for all expenditures of funds.

(d) The County Commission shall, on at least an annual basis, be required to periodically review its County Strategic Plan and to revise the Plan as may be necessary or appropriate. Any proposed revision to the Plan shall be submitted to the Ventura County Children, Family and Community Commission and the Board of Supervisors for their review and comment prior to final adoption.

Section 8. Public Hearings and Submission to State Commission

(a) The County Commission shall conduct at least one public hearing on its proposed County Strategic Plan before the Plan is adopted.

(b) The County Commission shall conduct at least one public hearing on its periodic review of the County Strategic Plan before any revisions to the plan are adopted.

(c) The County Commission shall submit its adopted County Strategic Plan, and any subsequent revisions thereto, to the State Commission.

Section 9. Trust Fund

There is hereby established a Children & Families First Commission of Ventura County Trust Fund to be administered by the Children & Families First Commission of Ventura County.

Section 10. Annual Audit Report

On or before October 15, commencing in the year 2000, the County Commission shall conduct an audit of, and issue a written report on, the implementation and performance of its functions during the preceding fiscal year, including, at a minimum, the manner in which funds were expended, the progress toward and achievement of program goals and objectives, and the

measurement of specific outcomes through appropriate reliable indicators. Copies of the audit and report shall be transmitted to the Board of Supervisors and to the State Commission.

Section 11. Definitions

(a) "Act" means the California Children and Families First Act of 1998.

(b) "County Commission" means the Children & Families First Commission of Ventura County.

(c) "State Commission" means the California Children & Families Commission.

(d) "Community Commission" means the Ventura County Children, Family and Community Commission.

(e) "Trust Fund" means the Children & Families First Commission of Ventura County Trust Fund.

(f) "County Strategic Plan" or "Plan" means the Children & Families First Commission of Ventura County's strategic plan.

Section 12. Prior Ordinances Superseded

As of its effective date, this Ordinance shall supersede Ordinance Nos. 4182, 4192, and 4198.

The three year terms established in section 3, subdivisions (b) and (c), of this Ordinance shall begin to run with respect to Commissioners currently serving at the time of adoption of this Ordinance on a prospective basis only, with the terms deemed to commence as of January 1, 2003.

Section 13. Effective Date

This Ordinance shall become effective on the 31st day following final passage and adoption.

Section 11: Definitions

(b) Name changed to: *"Children & Families First Commission of Ventura County."*

(e) Name changed to: *"Children & Families First Commission of Ventura County."*

(f) Name changed to: *"Children & Families First Commission of Ventura County's."*

Section 12: Prior Ordinances Superseded

New section added, establishing this new ordinance will supersede all prior ordinances. Clarifies when the newly established three year terms will begin.

Amended Bylaws of the Children & Families First Commission of Ventura County

Adopted October 1, 1999
Amended October 2000
Amended October 2002
Amended June 2003

Article I

Authority

The Children & Families First Commission of Ventura County was created by Ventura County Board of Supervisors Ordinance No 4182 pursuant to California Health and Safety Code section 13110 et seq. ("Children and Families First Act of 1998", hereafter "the Act") and currently operates pursuant to the Act and Ventura County Ordinance No. 4270.

Purpose and Mission

The purpose and mission of the Children & Families First Commission of Ventura County is to promote, support, and improve the early development of children from the prenatal stage to five years of age.

Article II

Duties

The duties of the Children & Families First Commission of Ventura County ("Commission") shall include the following:

(1.) Adopt an adequate and complete County Strategic Plan for the support and improvement of early childhood development within the County, consistent with the requirements of the Act and any state regulations or guidelines hereinafter enacted to implement the Act.

(2.) At least annually, carry out a periodic review of the County Strategic Plan and revise the plan as may be necessary or appropriate. The Commission shall conduct at least one public hearing on its periodic review of the plan before any revisions to the plan are adopted.

(3.) Submit its adopted County Strategic Plan, and any subsequent revisions thereto, to the State Children and Families First Commission ("State Commission").

(4.) Prepare and adopt an annual audit and report pursuant to section 130150 of the Health and Safety Code. The commission shall conduct at least one public hearing prior to adopting any annual audit and report.

(5.) Conduct at least one public hearing on each annual report by the State Commission prepared pursuant to subdivision (b) of section 130150 of the Health and Safety Code.

(6.) Establish one or more advisory committees to provide technical and professional expertise and support for any purposes that will be beneficial in accomplishing the purpose of the Act.

(7.) Apply for gifts, grants, donations or contributions of money, property, facilities, or services from any person, corporation, foundation, or other entity, or from the state or any agency or political subdivision thereof, or from the federal government or any agency or instrumentality thereof, in furtherance of a countywide program of early childhood development.

(8.) Enter into such contracts as necessary or appropriate to carry out the provisions and purposes of the Act, or the County's ordinance.

Article III

A. Appointment: The Commission is composed of nine members appointed by the Board of Supervisors for the terms specified below. The members shall include:

(1.) One member of the Board of Supervisors;

(2.) Two members recommended by the County Executive Officer. The members recommended by the County Executive Officer shall be selected from among the County Health Officer and persons responsible for management of the following County functions: children's services, public health services, behavioral health services, social services, and tobacco and other substance abuse prevention and treatment services;

(3.) A representative recommended by the Child Care Planning Council;

(4.) The remaining five members shall be selected from among members of the Ventura County Children, Family and Community Commission nominated, one each, by the members of the Board of Supervisors, who are either described in (2) above or are: (a) recipients of project services included in the plan; (b) educators specializing in early childhood development; (c) representatives of a local child care resource or referral agency or child care coordinating group; (d) representatives of a local organization for prevention or early intervention for families at risk; (e) representatives of community-based organizations that have the goal of promoting nurturing and early childhood development; (f)

representatives of local school districts; or (g) representatives of local medical, pediatric, or obstetric associations or societies.

B. Term and Removal:

(1.) The member of the Commission appointed pursuant to Section A.(1) shall serve during the incumbency of the office, unless earlier removed, with or without cause, by the Board of Supervisors.

(2.) Members of the Commission appointed pursuant to Section A.(2) shall serve (1) during their incumbency in the office or position designated, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(3.) The Member of the Commission appointed from the Child Care Planning Council shall serve (1) during his/her incumbency on the Child Care Planning Council, or (2) for a term of three years or until the appointment of a successor, whichever of (1) or (2) is less, unless earlier removed, with or without cause, by the Board of Supervisors.

(4.) Members of the Commission appointed pursuant to section A.(4) shall serve a term coterminous with that of the member of the Board of Supervisors who nominated said member or until the appointment of a successor, unless earlier removed, with or without cause, by a majority vote of the Board of Supervisors.

(5.) A Commissioner may resign effective on giving written notice to the Executive Director of the Commission, unless the notice specifies a later date for his/her resignation to become effective. Upon receipt of such notice, the Executive Director shall notify the Chairperson of the Commission and the Clerk of the Board of Supervisors. The Chair of the Commission shall enter the notice in the proceedings of the Commission. The acceptance of a resignation shall not be necessary to make it effective.

(6.) Any vacancy on the Commission shall be filled by the Board of Supervisors.

(7.) Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Board of Supervisors.

(8.) Commissioners must attend the regular meetings of the Commission and of committees to which they are appointed. If the Commissioner is unable to attend a meeting, he/she must notify the Executive Director or the Chairperson of the reason for the absence. Except in the case of an emergency, if a Commissioner fails to attend a meeting without first notifying the Executive Director or Chairperson, the absence will be considered

unexcused. Two unexcused absences during a six-month period shall be grounds for the Board of Supervisors to consider removing the Commissioner.

C. Conflict of Interest: The Commission shall adopt and may amend a Conflict of Interest code for the Commission as required by applicable law.

Article IV

Officers

A. Designation: The officers of the Commission shall be a Chairperson, Vice Chairperson and such officers as the Commission may designate.

B. Election: Officers of the Commission shall be chosen annually by an election to be held in October, unless an earlier election is necessary because of a vacancy, and seated in January of the following year.

C. Term: The term of office for officers of the Commission is one year from the date of election or until removal or resignation.

D. Duties: The Chairperson of the Commission shall preside over all business and meetings of the Commission. In the absence of the Chairperson, the Vice Chairperson shall conduct routine business matters and meetings. In the absence of both the Chairperson and Vice Chairperson, the Chairperson shall designate a member to conduct the business of the Commission.

Article V

Committees

A. Appointment: The Commission may create standing and ad hoc committees. Only Commissioners may chair the committees but all committees must be composed of less than a quorum of voting Commissioners. The Commission Chairperson shall at least annually make Commissioner appointments to all committees. Appointments shall be based as much as possible upon the preferences indicated by each Commissioner. Appointments of non-Commissioner members will be made by the Chair of the Committee, subject to ratification by the Commission.

B. Committee Membership: Generally, Committee membership should be composed of at a minimum 2 Commissioners and 5 community members.

C. Term and Removal:

(1.) Any vacancy on a Committee shall be filled in the same manner as specified for appointments.

(2.) Appointments to all committees and advisory committees for community members will be for a two-year term.

(3.) Any Committee member may be removed, at any time, with or without cause, by a majority vote of the members of the Commission.

(4.) Committee members must attend the regular meetings of the committees to which they are appointed. If the Committee member is unable to attend a meeting, he/she must notify the Executive Director or the Chairperson of the Committee of the reason for the absence. Except in the case of an emergency, if a Committee member fails to attend a meeting without first notifying the Executive Director or the Committee Chairperson, the absence will be considered unexcused. Two unexcused absences during a six-month period shall be grounds for the Commission to consider removing the Committee member.

D. Meetings: Regular meetings of standing committees shall be held at times and places determined by the Commission. Special meetings may be held at any time and place as designated by the Chairperson or the Commission staff. A majority of the appointed members of a committee shall constitute a quorum.

E. Notice and Agenda: All standing committees shall comply with the notice and agenda requirements otherwise applicable to the Commission in these bylaws, except for ad hoc committees composed solely of less than a quorum of the members of the Commission which are not standing subcommittees of the Commission with either a continuing subject matter jurisdiction or a meeting schedule fixed by resolution or other formal action of the Commission.

F. Minutes: The minutes of each meeting of the committees shall be kept and an accurate record of each action taken by the committee shall be recorded. Upon approval by the committee, the minutes shall be forwarded to the Commissioners and staff.

G. Open and Public: Meetings of the committees will be open and public, consistent with the provisions of the Ralph M. Brown Act.

Article VI

Advisory Groups

A. Purpose: The Commission may establish Advisory Groups and committees of Advisory Groups. The Advisory Group provides review and recommendations on policies and programs considered by the Commission, and to the extent deemed appropriate by the Commission, shall participate in the Commission's consideration of policies and programs prior to their adoption.

B. Composition: Advisory Group categories shall be decided by the Commission.

C. Selection: Members to an Advisory Group shall be appointed by a majority vote of the Commission.

D. Term: Advisory Group members shall serve one (1) year terms, at the pleasure of the Commission and may be reappointed in the same manner as original appointments.

E. Open and Public: Meetings of Advisory Groups will be open and public.

Article VII

Meetings

A. Regular and Special Meetings: The date, time and place of regular meetings shall be established by resolution of the Commission. Special meetings can be held by call of the Chairperson or three (3) members of the Commission.

B. Open and Public:

(1.) All meetings of the Commission shall be open and public, consistent with the provisions of the Ralph M. Brown Act. Anyone shall be permitted to attend meetings of the Commission, except for closed sessions or as otherwise provided by law.

(2.) Any person may request to be heard on an agenda item before it is acted upon.

(3.) Members of the public shall have the right to address the Commission on items of interest which are within the subject matter jurisdiction of the Commission.

(4.) Prior to the public comment, the Chairperson shall announce the total amount of time available for comment, and where appropriate may set limits on the time to be spent on particular issues and on the amount of time available to each speaker.

C. Quorum:

(1.) A majority of the voting members of the commission shall constitute a quorum, and no act of the Commission shall be valid unless a majority of those members constituting a quorum concur therein.

(2.) Final adoption of the County Strategic Plan and the election or removal of officers requires an affirmative vote of an absolute majority of the members of the Commission.

(3). Approval of expenditure recommendations in excess of $50,000 requires an affirmative vote of an absolute majority of the members of the Commission who do not declare a conflict of interest regarding said action.

D. Notice and Agenda:
At least seventy-two (72) hours prior to each regular meeting, notice of and an agenda for the regular meeting shall be mailed to each Commission member, and to each representative of the news media and to each other person who has submitted a written request to the Commission for notification of meetings, and shall be posted at least seventy-two (72) hours prior to the regular meeting at a location that is freely accessible to the public. The agenda shall contain a brief general description of each item of business to be transacted or discussed at the meeting, and shall also contain a listing of all written correspondence received by the Commission since preparation of the prior agenda.

E. Conduct of Business:
Items on the agenda will be considered in the order they appear unless the Chairperson, at his/her discretion, announces a change in the order of consideration. Confidential information shall not be subject to disclosure at meetings of the Commission.

F. Resolutions:
All official acts of the Commission shall be taken either by resolution or a motion, duly made, seconded and adopted by vote of the Commissioners.

G. Minutes:
The Executive Director of the Commission shall prepare the minutes of each meeting of the Commission. Tape recordings of all the Commission's regular meetings shall be retained on file for a period of one year.

Article VIII

Execution of Documents

A. Contracts and Instruments:

The Commission may either by motion or by resolution authorize any officer(s), agent(s) or employee(s) to enter into or execute any contract in the name of and on behalf of the Commission. The authority given may be general, where accompanied by appropriate guidelines, or may be confined to specific contracts or instruments. Unless authorized by the Commission, no officer, agent or employee shall have the power or authority to bind the Commission by any contract or to render it liable for any purpose or for any amount.

B. Checks, Drafts, Evidence or Indebtedness:

All checks, drafts or other orders for payment of money on behalf of or payment to the Commission shall be signed or endorsed by such persons as determined by either motion or resolutions of the Commission.

C. Correspondence and/or Communications:

Commission members shall submit, in advance, all correspondence and/or communications on behalf of the Commission and/or its committees to the Commission Chairperson for review and approval.

Article IX

Amendment of Bylaws

These Bylaws may be amended only by action of the Commission at any meeting of the Commission. Notice of such proposed amendment shall be given in the manner prescribed for notices of regular meetings of the Commission.

I, the undersigned, do hereby certify:

That I am the duly elected and acting Chairperson of the Children and Families First Commission of Ventura County, a local public agency of the State of California; and

That the foregoing Amended Bylaws, comprising 8 pages, constitute the Amended Bylaws of the Commission, as duly adopted by the Commission at a regular meeting, duly called and held on the twelfth day of June, 2003, at Camarillo, California.

DISTRIBUTION: Originating Agency (2), Auditor, File

County of Ventura
Fish and Game Commission

BY-LAWS

APPROVED AND ADOPTED BY THE VENTURA COUNTY
BOARD OF SUPERVISORS ON AUGUST 19, 1986
AMENDED JANUARY 25, 2005

PURPOSE

The Commission shall advise the Board of Supervisors on matters relating to the County's diverse fish and wildlife, and the habitats upon which they depend. The Commission shall make recommendations to the Board of Supervisors for the disbursement of funds received by the County for violations of the State Fish and Game Code that occur in Ventura County. Such disbursement of funds shall be for the protection, conservation, propagation, and preservation of fish and wildlife in accordance with Fish and Game Code sections 13100, 13101, and 13103.

FUNCTIONS AND DUTIES

This Commission shall devote its time and thought to the best methods for the propagation, conservation, and preservation of fish and game in the State of California and the County of Ventura. The Commission shall keep the Board of Supervisors advised of their conclusions. The Commission shall advise and make recommendations to the Board of Supervisors relative to its purpose and shall:

A. Advise the Board of Supervisors on the current condition of fish and game within Ventura County;

B. Recommend projects for the conservation and propagation of fish and game resources within the County and within the State when considered beneficial to the interest of the people in Ventura County;

C. Advise the Board of Supervisors on the economic impact of hunting and fishing in Ventura County;

D. Communicate and work with individuals, organizations, County, State and Federal agencies to review changes in hunting and fishing regulations;

E. Make recommendations on environmental impact reports that affect fish and game upon direct referral by the Board of Supervisors;

F. Impact and report on all projects financed with Ventura County fish and game revenue;

G. All correspondence and representation of the Commission shall first be approved by the majority vote of the Commissioners present;

H. Furnish the Board of Supervisors adequate notice of all meetings and copies of minutes of all Commission meetings;

I. Review the monthly Controller's Report on fine revenue collected by Ventura County courts for violations of the State Fish and Game Code and disbursement thereof; and

J. Make recommendations to the Board of Supervisors to support or oppose legislation that relates to hunting and fishing and the protection, propagation, and utilization of fish and game.

REPORTS AND BUDGET

This Commission shall submit a written annual report of its activities to the Board of Supervisors by June of each year. A proposed budget will be prepared and submitted for the succeeding year in sequence with County budget procedures.

MEMBERS

The Commission shall consist of five (5) members appointed by the Board of Supervisors. Each Supervisor shall nominate one (1) member who is a registered voter residing in his/her Supervisorial district, or whose principal place of business is in this district. Each member must possess a valid hunting of fishing license at the time of appointment.

OFFICERS

The Commission shall elect, from its membership, a Chair and Vice-Chair to serve for one (1) year. Election will be held in August.

TERM

Each Commissioner shall serve at the pleasure of the Board Member making his appointment. His/her term shall automatically expire upon the expiration of the term of the Supervisor in whose district he/she was appointed to serve.

MEETINGS

The Commission shall meet bi-monthly at the time and place chosen by the members. Special meetings may be called by the Chair, Vice-Chair, or any three (3) members. The Commission shall promulgate and adopt rules for the orderly conduct of the meetings and affairs. All matters before the Commission shall be considered on the basis of a majority vote of three (3) or more Commissioner's present.

COMPENSATION

No compensation shall be paid for serving as a member of this Commission. Members of this Commission may be reimbursed for out-of-pocket expenses incurred on Commission business when approved in advance by the Commission and by the Board of Supervisors in the operational budget or otherwise.

STAFF ASSISTANCE

The Board of Supervisors shall designate Staff which shall consist of an Administrative Secretary and Secretary. It shall be the duties of Staff to perform the following:

A. Keep minutes of all Commission meetings, publish appropriate notices, and conduct correspondence;

B. Supervise the maintenance of Commission documents and records

C. Prepare and present Commission recommendations to the Board of Supervisors; and

D. Supervise the execution of all recommendations by the Commission that have been approved by the Board of Supervisors.

ATTENDANCE

The members of the Advisory Commission shall serve during their term at the pleasure of the Board of Supervisors. Any member may be removed, at any time, by a majority vote of the Board of Supervisors or by the member's failure to meet the regularly scheduled meeting attendance requirements. Any member who has three (3) unexcused absences and/or fails to attend five (5) meetings (excused or unexcused) in a twelve- (12) month period shall be recommended to the Board of Supervisors for removal.

Ventura County
HARBOR COMMISSION
Bylaws

Revised July 22, 1997
Revised March 23, 2004
Revised March 21, 2007

I. NAME

The name of this organization shall be Ventura County Harbor Commission.

II. PURPOSE

The functions and duties of the Commission are to advise the Board of Supervisors on public session matters involving: budgetary issues, development proposals, leases and agreements with concessionaires, planning and development of harbor facilities and recreational activities, and major operational and maintenance issues and policies.

III. MEMBERSHIP

A. Appointing Authority

Commission members shall be appointed by the Board of Supervisors. The Commission is an advisory body only. The Board of Supervisors sets final policy and makes the ultimate decision after receiving recommendations from the Commission.

B. Members

The Commission shall be composed of ten (10) members, two from each Supervisorial District.

IV. OFFICERS

A. Officers

Officers of the Commission shall be a Chair and a Vice Chair.

B. Election

Election of officers shall be held annually at the regular July meeting. A vacancy in office shall be filled by special election.

C. Term

The term of office shall be one year. No member shall be eligible to serve more than two (2) consecutive terms in the same office. For re-election purposes, six (6) months or more shall constitute a full term of office.

V. MEETINGS

A. Regular Meetings

The regular meetings of the Commission shall be held on the third Wednesday of any month when there is business to conduct, a minimum of six meetings a year, unless otherwise ordered by the Commission.

B. Special Meetings

Special meetings may be called by the Chair or by the Harbor Department Director.

C. Quorum

A majority of appointed members shall constitute a quorum, where a majority is defined as one-half the members plus one. Each member should promptly notify the Harbor Department regarding his or her availability for each scheduled meeting to ensure that a quorum is available before that meeting is formally noticed.

D. Brown Act

The Commission is subject to the provisions of the Ralph M. Brown Act (California Government Code § 54950 et seq.). In part, this means that members may only discuss matters properly noticed and placed on the agenda. Members should avoid discussing personal matters not directly relevant to an agendized item. Members should also avoid discussing matters on a meeting's agenda amongst themselves when that meeting is not in session. Any new matter that arises during a meeting and may require Commission action should be noticed and placed on a future agenda. Commission members should not discuss such an item other than as needed to properly schedule the matter for a future meeting.

E. Decorum at Meetings

Members of the Commission should maintain a professional manner and attitude at all times during Commission meetings. Members should address the Chair in order to be recognized. Members shall refrain at all times from private discussions while others are speaking, from discussions of matters not on the meeting's agenda, and from personal attacks directed at staff, other members, or members of the public.

VI. GENERAL PROVISIONS

A. Actions and Statements

No member shall take any actions or make any statements on behalf of the Commission unless specifically authorized by the Commission, as supported by existing policies of the Board of Supervisors. No members (without proper authorization) shall interfere with a lessee's or sub-lessee's operations saying that they are speaking for the Commission.

B. Correspondence

Written communication from the Commission shall only be sent over the signature of the Chair or an appointee, as directed by action of the Commission.

C. Conflict of Interest

A Commissioner having any monetary interest in a matter before the Commission shall disclose that interest and withdraw from deliberation of the matter.

D. Ethical Standards

Each member of the Commission is required to receive at least two hours of training in general ethics principles and ethics laws relevant to his or her public service every two years.

Purpose

To establish standards of conduct and to delineate the ethical responsibilities of public service for the guidance of all members.

Ethical Responsibilities

Each member has an obligation to the citizens, to the people's elected representatives, to fellow members, and to the administration, to cooperate in accomplishing the County's goals, to expose corruption wherever discovered, to refrain from disclosing any confidential information, to preserve and safeguard the County's assets, and to uphold these principles, ever conscious that public office is a public trust.

Discrimination

There shall be no discrimination in any Commission activity because of race, color, national origin, religion, sex, age or functional limitation.

Acceptance of Gratuities

No member shall accept any fee, compensation, gift, payment of expense, or any other thing of monetary value in circumstances in which acceptance may result in, or create the appearance of resulting in, the use of public office for private gain; preferential treatment of any person, impeding governmental efficiency or economy; any loss of complete independence or impartiality; the making of a County or Commission decision outside official channels; or any adverse effect on the confidence of the public in the integrity of County government.

VII. PARLIAMENTARY AUTHORITY

The rules contained in the current edition of Robert's Rules of Order shall govern the Commission in all cases to which they are applicable and in which they are not inconsistent with these bylaws and any special rules of order the Commission may adopt.

VIII. AMENDMENTS

A. Notice

These bylaws may be amended at any regular meeting of the Commission by a two-thirds vote of appointed members, provided that the amendment has been submitted in writing at the previous regular meeting.

B. Ratification

Amendments shall be consistent with the Commission's enabling resolution and subject to ratification by the Board of Supervisors.

Board of Supervisors
County of Ventura
800 S. Victoria Avenue
Ventura, CA 93009

Subject: **VENTURA COUNTY HARBOR COMMISSION AMENDED ENABLING RESOLUTION TO BETTER CLARIFY THE FUNCTION OF THE HARBOR COMMISSION**

Recommendation:

It is recommended that the Board approve and adopt the attached amended resolution to clarify the functions and duties of the Harbor Commission as set forth in section 6 to include reviewing and advising the Ventura County Board of Supervisors on requests for proposals, recommendations on leases, concession agreements, and development proposals in the Channel Islands Harbor.

Fiscal Impact: None

Discussion:

The attached resolution would implement an amendment to the current Board resolution, adopted by the Board on September 9, 1997, governing the Ventura County Harbor Commission and its functions. In substance, it would clarify the functions and duties of the Harbor Commission to specify the review of development proposals, leases, and agreements with concessionaires.

In the 1997 resolution, the Board assigned three major areas of Harbor Department activity for review and recommendation by the Ventura County Harbor Commission. Section 6 of the 1997 (current) resolution provides:

> "The functions and duties of said commission shall be to advise the Board of Supervisors on budgetary issues, planning and development of Harbor business and recreational activities, and major operational and maintenance issues and policies."

In order to provide the Board of Supervisors with the Harbor Commission's input on major upcoming issues in the Harbor, the following wording (in italics) is recommended to be added to the description in section 6 to more clearly specify the purview of the Harbor Commission:

> "The functions and duties of said Commission shall be to advise the Board of Supervisors on *public session matters involving:* budgetary issues, *development proposals, leases and agreements with concessionaires,* planning and development of harbor business and recreational activities, and major operational and maintenance issues and policies."

The amendment in no way changes the current procedure regarding the handling of lease and concession-related negotiations or litigation matters, i.e., staff is not, for example, required to take such matters to the Commission prior to seeking closed session guidance from the Board of Supervisors.

Other minor changes to reflect that this is an "amended" resolution and to update the reference in section 7 to reflect the title change to "County Executive Office" (section 7) are shown in italics in the attached resolution.

This item has been reviewed by the County Counsel, the County Executive Office, and the Harbor Department. If you have any questions, please contact me at (805) 373-2564.

Linda Parks
Supervisor, District 2

Attachment: "Amended Resolution of the Board of Supervisors County of Ventura Establishing the Ventura County Harbor Commission"

AMENDED RESOLUTION OF THE BOARD OF SUPERVISORS
COUNTY OF VENTURA
ESTABLISHING THE VENTURA COUNTY
HARBOR COMMISSION

WHEREAS, the County of Ventura provides business and recreational facilities in the Channel Islands Harbor; and

WHEREAS, it has been deemed desirable to provide for greater citizen participation in developing the long-range objectives and goals of the County's Harbor activities; and

WHEREAS, Section 31000.1 of the Government Code of the State of California provides that, "The Board of Super visors may appoint commissions or committees of citizens to study problems of general or special interest to the Board and to make reports and recommendations to the Board",

NOW, THEREFORE, BE IT RESOLVED THAT:

1. *The Ventura County Harbor Commission previously established by Board resolution adopted September 9, 1997, shall continue in effect and hereafter be governed by the terms of this amended resolution.*

2. Said Commission shall be composed of ten (10) members, appointed from each Supervisorial District.

3. The Board of Supervisors may remove any member of the Commission from office at any time upon a majority vote of the Board. A Commissioner who has two unexcused absences in a row or four times during a calendar year shall be automatically removed from the Commission, and the Board may appoint a replacement Commissioner. If the Commission so requests, the Board may, at its option, waive this automatic removal provision due to extenuating circumstances.

4. Commission members shall serve terms coinciding with the same terms of the Supervisors who nominate them.

5. Commission members shall serve without compensation except as otherwise provided in Section 31000.1 of the Government Code and as approved by the Board of Supervisors, or as may be provided in Article 43 of the County of Ventura's " Personnel Rules and Regulations".

6. "The functions and duties of said Commission shall be to advise the Board of Supervisors on *public session matters involving:* budgetary issues, *development proposals, leases and agreements with concessionaires,* planning and development of Harbor business and recreational activities, and major operational and maintenance issues and policies."

7. The Commission shall direct all recommendations on State and Federal legislative matters to the *County Executive Office* prior to these matters being taken to the Board of Supervisors.

8. The Commission shall meet regularly, at lease once every other month, at a time and place established by its members. Public notice of all meetings shall be made in accordance with the Government Code, specifically, the " Brown Act". Special meetings may be called according to the guidelines specified in the Commission's Bylaws and applicable laws.

9. The Commission shall adopt bylaws, rules and regulations providing for the election of officers, designation of meeting dates, allocation of duties, and such other rules and regulations as may be necessary for the efficient conduct of business.

10. The officers of the Commission shall consist of Chair and Vice-Chair.

11. The officers of the Commission shall serve for a period of one year, as specified in the Commission Bylaws.

12. The Chair shall preside at all meetings, submit all motions to vote and, in general, do all things ordinarily required of a Commission Chair. In the absence of the Chair, the Vice-Chair shall assume his/her duties.

13. A Recording Secretary for the Commission shall be designated by the Director of the Harbor Department.

APPROVED AND ADOPTED THIS 23rd DAY OF MARCH, 2004.

Chair, Board of Supervisors
County of Ventura

ATTEST:

JOHN F. JOHNSTON, Clerk of the Board
of Supervisors, County of Ventura, California.

By _____
Deputy Clerk

VENTURA COUNTY

HIV/AIDS ADVISORY COMMITTEE

BYLAWS

ARTICLE I

NAME

The name of this Board shall be the HIV/AIDS Advisory Committee, hereafter referred to in these Bylaws as HIV/AAC.

ARTICLE II

MISSION/PURPOSE

The mission of the HIV/AAC is to bring together all segments of the community to advise the Board of Supervisors on the current and future impact of the HIV/AIDS epidemic and to make recommendations to effectively respond to the HIV/AIDS epidemic. The following are major areas to be addressed: policy planning and fiscal impact, legal and ethical issues, legislative advocacy, education and prevention, medical care and supportive services, testing and prevention services, and epidemiology.

ARTICLE III

MEMBERSHIP

A. The HIV/AAC shall consist of approximately twenty (20) voting and non-voting members.

1. The voting membership shall consist of an appointed representative by each member of the Board of Supervisors (5) from his/her district; the Ventura County Health Officer (1); the Administrative Director of Public Health (1); and the Chair of the AIDS Task Force (1).

2. A quorum of at least five (5) voting members. A quorum is required to vote on any action.

3. The non-voting membership shall consist of representatives from County Agencies (e.g., Mental Health, Department of Alcohol and Drug Programs, VCMC, HSA), community based organizations, consumers of services, and concerned citizens.

4. The general meetings of the HIV/AAC are open to the general public. Individuals that are interested in becoming a formal member of the HIV/AAC are required to submit an application to the Membership Committee.

B. A Membership Committee shall be established and will make recommendations to the Voting-Membership in regards to new members.

1. The non-voting membership of the Board should reflect geographical representation and community diversity.

C. Term Limits:

1. The term of each Board appointed representative is two years from the date of appointment.

2. The term of the AIDS Task Force representative is contingent upon his/her term as Chair of the AIDS Task Force.

3. The term of the Health Officer and Director of Public Health is ongoing unless specified otherwise by their appointment authority (Director of the Health Care Agency).

D. Appointed Voting Member of the HIV/AIDS Advisory Committee may serve an unlimited number of terms, but serves at the will of the Supervisor from the district which appointed said Committee member.

E. After three (3) absences at any HIV/AAC meeting during the fiscal year, the Voting Membership will review the reasons for the absences and may recommend that the Chair notify the respective appointing authority.

ARTICLE IV

MEETINGS

A. As a general rule, the regular meetings shall be held monthly and the date, time and location of each meeting shall be announced at the meeting immediately preceding. A regular meeting may, for cause, be changed by the Chairperson. August and December are dark.

B. Special meetings may be called by the Chairperson of the HIV/AAC, with ten (10) days notice to the membership.

C. Any meeting in which at least four voting members (Chair included) are not present, or for which there is no agenda item requiring action, may be canceled by the Chairperson.

ARTICLE V

AGENDA FOR MEETINGS

Section I. Procedures

A. The agenda will be finalized by the Chairperson and the Vice-Chair of the AAC.

B. Any HIV/AAC member wishing to recommend an item for the Agenda shall contact the Chairperson or Secretary at least two weeks prior to the scheduled HIV/AAC meeting.

Section II. Contents and Supporting Documentation

A. The agenda shall give priority to:

1. The roll call and the Chairperson's announcement of the presence or absence of a quorum (five voting members, Chair included).

2. Reading and approval of minutes of the previous HIV/AAC meeting.

3. Reports from HIV/AAC Officers and Committees.

4. Items identified by the Chairperson or by majority vote of members present as most urgently requiring action.

B. The agenda will be distributed, with requisite informational material, to each HIV/AAC member not later than the weekend preceding the meeting at which it is to be discussed.

ARTICLE VI

OFFICERS

Section I. Offices

A. The officers of the HIV/AAC shall consist of the Chairperson and Vice-Chair.

B. The officers shall be elected at the June meeting to serve for a term of one year or until their successors have been duly elected.

Section II. Selection Criteria

A. Nominee must be a Voting-Member and have the necessary time to carry out effectively the responsibilities of the office.

B. Nominee must have the ability to be objective and facilitate and encourage active participation by the members.

Section III. Duties

A. The Chairperson shall:

1. Preside at the meetings of the HIV/AAC.

2. Establish committees and appoint membership on such committees.

3. Establish the agenda for HIV/AAC meetings.

4. Be responsible for seeing that all actions of the HIV/AAC are implemented.

5. Perform other duties ordinarily performed by Chairperson.

B. The Vice-Chair shall:

1. Preside at the meetings of the HIV/AAC in the absence of the Chairperson.

2. Perform other duties ordinarily performed by the Chairperson in his/her absence.

3. The Vice-Chair shall serve until which time a vacancy of the Chair occurs. If the appointment status of the Vice-Chair expires on the AAC, the Vice-Chair may become Chair upon re-appointment to the HIV/AAC by the respective Board of Supervisor.

ARTICLE VII

COMMITTEES

Section I. Membership Committee

A. The Membership Committee shall be comprised of the Chairperson, Public Health Administrative Director, and at least three non-voting members at large selected by the Chairperson. Each member of the Membership Committee shall have one vote.

B. The Membership Committee shall:

1. Review applications and make recommendations to the Voting Members for non-voting membership on the HIV/AAC.

2. Ensure that there is balanced representation on the HIV/AAC and notify the HIV/AAC of any imbalance.

Section II. Other Committees

The Chairperson may, with the agreement of the members concerned, form additional committees as deemed necessary. Each committee shall have representation of at least one voting member.

ARTICLE VIII

AMENDMENTS

These bylaws may be amended at any meeting by two-thirds vote, provided notice of the proposed amendment was given, in advance, with the call for the meeting.

Revision – March 2000

BOARD OF SUPERVISORS, COUNTY OF VENTURA, STATE OF CALIFORNIA

TUESDAY, DECEMBER 1, 1987, AT 8:30 A.M.

215

ALL MEMBERS PRESENT
EXCEPT SUPERVISOR FLYNN

Upon motion of Supervisor Lacey, seconded by Supervisor Schaefer, and duly carried, the Board hereby approves the following matter:

Robert C. Hirtensteiner
Assistant Chief Administrative Officer

December 1, 1987

Board of Supervisors
County of Ventura
800 South Victoria Avenue
Ventura, California 93009

COUNTYWIDE AIDS ADVISORY COMMITTEE

Recommendations:

The following actions are recommended for your Board's approval.

1. Appoint those persons listed on the attachment to be members of a countywide AIDS Advisory Committee.

2. Direct the AIDS Advisory Committee, utilizing all sources of information available to it, to:

   a. identify and assess potential AIDS-related fiscal, social, legal, and health care impacts on Ventura County;
   b. identify possible funding sources and approaches to address those impacts;
   c. recommend the most cost effective means of providing AIDS-related services and dealing with AIDS-related problems;
   d. recommend cost minimization and avoidance policies.

Discussion:

On June 23, 1987, upon the recommendation of Supervisor Erickson, your Board directed the Chief Administrative Officer to work with the offices of the Board members on the formation of a countywide AIDS Advisory Committee. The proposed purpose of the committee was to identify, assess, and project potential AIDS-related fiscal, legal, social, and health care impacts on Ventura County, and to make recommendations for policies and programs to address those impacts in the most cost effective ways possible.

On September 22, 1987, your Board approved the solicitation of nominations for committee membership from public and private sector organizations throughout the County involved in AIDS-related matters. Those nominations, including five

nominations from members of your Board, were received in October. At the end of October, a brief summary of each nominee's background was provided to all members of your Board, for review and consideration.

The committee, meeting monthly or as needed, should be able to produce a report presenting its initial findings and recommendations to your Board by the end of April, 1988.

It is suggested that Supervisor Erickson act as temporary chairperson of the committee until a permanent chairperson can be selected at the committee's organizational meeting during December. Staff support and coordination of the committee's activities is available from existing staff in Public Health.

It is anticipated that the committee will utilize a wide range of information sources, including federal, state, and local government agencies and commissions, and community organizations.

The committee should also seek input relative to AIDS-related services, problems, and projected costs from County management staff whose departments or agencies are, or will potentially be, affected by AIDS-related issues. These departments or agencies would likely include Public Health, Drug Abuse, Alcohol Abuse, Medical Examiner, Mental Health, the Health Care Agency Administrative Support Section-Fiscal Division, Ventura County Medical Center, Public Social Services Agency, District Attorney, Sheriff, Corrections Services Agency, Fire, Personnel, General Services Agency-Risk Management, County Counsel, Public Administrator, and perhaps others.

The Chief Administrative Office will encourage all departments or agencies from which information is requested, to cooperate fully with the AIDS Advisory Committee.

If you have any questions or require additional information, please contact me at extension 2681 or Larry Morris at extension 2690.

Richard Wittenberg

Samuel Edwards, M.D.	Ventura County Medical Center
David A. Breslin	Supervisor Lacey
Christopher Dye	Supervisor Lacey
Pamela W. Ford	Supervisor Erickson
Charles Brohammer	Supervisor Flynn
Tom Pina	Supervisor Flynn

NOTE: Supervisor Erickson has also agreed to serve on the committee, at least initially.

Staff Support: Linda Underwood, Public Health Nurse III, Public Health

12301.**3**. (a) Each county shall appoint an in-home supportive services advisory committee that shall be comprised of not more than 11 individuals. No less than 50 percent of the membership of the advisory committee shall be individuals who are current or past users of personal assistance services paid for through public or private funds or as recipients of services under this article.

(1) (A) In counties with fewer than 500 recipients of services provided pursuant to this article or Section 14132.95, at least one member of the advisory committee shall be a current or former provider of in-home supportive services.

(B) In counties with 500 or more recipients of services provided pursuant to this article or Section 14132.95, at least two members of the advisory committee shall be a current or former provider of in-home supportive services.

(2) Individuals who represent organizations that advocate for people with disabilities or seniors may be appointed to committees under this section.

(**3**) Individuals from community-based organizations that advocate on behalf of home care employees may be appointed to committees under this section.

(4) A county board of supervisors shall not appoint more than one county employee as a member of the advisory committee, but may designate any county employee to provide ongoing advice and support to the advisory committee.

(b) Prior to the appointment of members to a committee required by subdivision (a), the county board of supervisors shall solicit recommendations for qualified members through a fair and open process that includes the provision of reasonable written notice to, and reasonable response time by, members of the general public and interested persons and organizations.

(c) The advisory committee shall submit recommendations to the county board of supervisors on the preferred mode or modes of service to be utilized in the county for in-home supportive services.

(d) Any county that has established a governing body, as provided in subdivision (b) of Section **12301**.6, prior to July 1, 2000, shall not be required to comply with the composition requirements of subdivision (a) and shall be deemed to be in compliance with this section.

12301.4. (a) Each advisory committee established pursuant to

Section **12301.3** or **12301**.6 shall provide ongoing advice and recommendations regarding in-home supportive services to the county board of supervisors, any administrative body in the county that is related to the delivery and administration of in-home supportive services, and the governing body and administrative agency of the public authority, nonprofit consortium, contractor, and public employees.

(b) Each county shall be eligible to receive state reimbursements of administrative costs for only one advisory committee and shall comply with the requirements of subdivision (e) of Section 12302.25.

12301.5. The department may secure to the extent feasible such in-home supportive and other health services for persons eligible under this article to which they are entitled under the Medi-Cal Act (Chapter 7 (commencing with Section 14000) of this part).

12301.6. (a) Notwithstanding Sections 12302 and 12302.1, a county board of supervisors may, at its option, elect to do either of the following:

(1) Contract with a nonprofit consortium to provide for the delivery of in-home supportive services.

(2) Establish, by ordinance, a public authority to provide for the delivery of in-home supportive services.

(b) (1) To the extent that a county elects to establish a public authority pursuant to paragraph (2) of subdivision (a), the enabling ordinance shall specify the membership of the governing body of the public authority, the qualifications for individual members, the manner of appointment, selection, or removal of members, how long they shall serve, and other matters as the board of supervisors deems necessary for the operation of the public authority.

(2) A public authority established pursuant to paragraph (2) of subdivision (a) shall be both of the following:

(A) An entity separate from the county, and shall be required to file the statement required by Section 53051 of the Government Code.

(B) A corporate public body, exercising public and essential governmental functions and that has all powers necessary or

convenient to carry out the delivery of in-home supportive services, including the power to contract for services pursuant to Sections 12302 and 12302.1 and that makes or provides for direct payment to a provider chosen by the recipient for the purchase of services pursuant to Sections 12302 and 12302.2. Employees of the public authority shall not be employees of the county for any purpose.

(**3**) (A) As an alternative, the enabling ordinance may designate the board of supervisors as the governing body of the public authority.

(B) Any enabling ordinance that designates the board of supervisors as the governing body of the public authority shall also specify that no fewer than 50 percent of the membership of the advisory committee shall be individuals who are current or past users of personal assistance services paid for through public or private funds or recipients of services under this article.

(C) If the enabling ordinance designates the board of supervisors as the governing body of the public authority, it shall also require the appointment of an advisory committee of not more than 11 individuals who shall be designated in accordance with subparagraph (B).

(D) Prior to making designations of committee members pursuant to subparagraph (C), or governing body members in accordance with paragraph (4), the board of supervisors shall solicit recommendations of qualified members of either the governing body of the public authority or of any advisory committee through a fair and open process that includes the provision of reasonable, written notice to, and a reasonable response time by, members of the general public and interested persons and organizations.

(4) If the enabling ordinance does not designate the board of supervisors as the governing body of the public authority, the enabling ordinance shall require the membership of the governing body to meet the requirements of subparagraph (B) of paragraph (**3**).

(c) (1) Any public authority created pursuant to this section shall be deemed to be the employer of in-home supportive services personnel referred to recipients under paragraph (**3**) of subdivision (e) within the meaning of Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 of the Government Code. Recipients shall retain the right to hire, fire, and supervise the work of any in-home supportive services personnel providing services to them.

(2) (A) Any nonprofit consortium contracting with a county pursuant to this section shall be deemed to be the employer of in-home supportive services personnel referred to recipients pursuant to paragraph (**3**) of subdivision (e) for the purposes of collective

bargaining over wages, hours, and other terms and conditions of employment.

(B) Recipients shall retain the right to hire, fire, and supervise the work of any in-home supportive services personnel providing services for them.

(d) A public authority established pursuant to this section or a nonprofit consortium contracting with a county pursuant to this section, when providing for the delivery of services under this article by contract in accordance with Sections 12302 and 12302.1 or by direct payment to a provider chosen by a recipient in accordance with Sections 12302 and 12302.2, shall comply with and be subject to, all statutory and regulatory provisions applicable to the respective delivery mode.

(e) Any nonprofit consortium contracting with a county pursuant to this section or any public authority established pursuant to this section shall provide for all of the following functions under this article, but shall not be limited to those functions:

(1) The provision of assistance to recipients in finding in-home supportive services personnel through the establishment of a registry.

(2) Investigation of the qualifications and background of potential personnel.

(**3**) Establishment of a referral system under which in-home supportive services personnel shall be referred to recipients.

(4) Providing for training for providers and recipients.

(5) Performing any other functions related to the delivery of in-home supportive services.

(6) Ensuring that the requirements of the personal care option pursuant to Subchapter 19 (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code are met.

(f) (1) Any nonprofit consortium contracting with a county pursuant to this section or any public authority created pursuant to this section shall be deemed not to be the employer of in-home supportive services personnel referred to recipients under this section for purposes of liability due to the negligence or intentional torts of the in-home supportive services personnel.

(2) In no case shall a nonprofit consortium contracting with a county pursuant to this section or any public authority created pursuant to this section be held liable for action or omission of any in-home supportive services personnel whom the nonprofit consortium or public authority did not list on its registry or otherwise refer to a recipient.

(**3**) Counties and the state shall be immune from any liability

resulting from their implementation of this section in the administration of the In-Home Supportive Services Program. Any obligation of the public authority or consortium pursuant to this section, whether statutory, contractual, or otherwise, shall be the obligation solely of the public authority or nonprofit consortium, and shall not be the obligation of the county or state.

(g) Any nonprofit consortium contracting with a county pursuant to this section shall ensure that it has a governing body that complies with the requirements of subparagraph (B) of paragraph (**3**) of subdivision (b) or an advisory committee that complies with subparagraphs (B) and (C) of paragraph (**3**) of subdivision (b).

(h) Recipients of services under this section may elect to receive services from in-home supportive services personnel who are not referred to them by the public authority or nonprofit consortium. Those personnel shall be referred to the public authority or nonprofit consortium for the purposes of wages, benefits, and other terms and conditions of employment.

(i) (1) Nothing in this section shall be construed to affect the state's responsibility with respect to the state payroll system, unemployment insurance, or workers' compensation and other provisions of Section 12302.2 for providers of in-home supportive services.

(2) The Controller shall make any deductions from the wages of in-home supportive services personnel, who are employees of a public authority pursuant to paragraph (1) of subdivision (c), that are agreed to by that public authority in collective bargaining with the designated representative of the in-home supportive services personnel pursuant to Chapter 10 (commencing with Section 3500) of Division 4 of Title 1 of the Government Code and transfer the deducted funds as directed in that agreement.

(**3**) Any county that elects to provide in-home supportive services pursuant to this section shall be responsible for any increased costs to the in-home supportive services case management, information, and payrolling system attributable to that election. The department shall collaborate with any county that elects to provide in-home supportive services pursuant to this section prior to implementing the amount of financial obligation for which the county shall be responsible.

(j) To the extent permitted by federal law, personal care option funds, obtained pursuant to Subchapter 19 (commencing with Section 1396) of Chapter 7 of Title 42 of the United States Code, along with matching funds using the state and county sharing ratio established in subdivision (c) of Section 12306, or any other funds that are obtained pursuant to Subchapter 19 (commencing with Section 1396) of

Chapter 7 of Title 42 of the United States Code, may be used to establish and operate an entity authorized by this section.

(k) Notwithstanding any other provision of law, the county, in exercising its option to establish a public authority, shall not be subject to competitive bidding requirements. However, contracts entered into by either the county, a public authority, or a nonprofit consortium pursuant to this section shall be subject to competitive bidding as otherwise required by law.

(l) (1) The department may adopt regulations implementing this section as emergency regulations in accordance with Chapter **3**.5 (commencing with Section 11340) of Part 1 of Division **3** of Title 2 of the Government Code. For the purposes of the Administrative Procedure Act, the adoption of the regulations shall be deemed an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare. Notwithstanding Chapter **3**.5 (commencing with Section 11340) of Part 1 of Division **3** of Title 2 of the Government Code, these emergency regulations shall not be subject to the review and approval of the Office of Administrative Law.

(2) Notwithstanding subdivision (h) of Section 11364.1 and Section 11349.6 of the Government Code, the department shall transmit these regulations directly to the Secretary of State for filing. The regulations shall become effective immediately upon filing by the Secretary of State.

(**3**) Except as otherwise provided for by Section 10554, the Office of Administrative Law shall provide for the printing and publication of these regulations in the California Code of Regulations. Emergency regulations adopted pursuant to this subdivision shall remain in effect for no more than 180 days.

(m) (1) In the event that a county elects to form a nonprofit consortium or public authority pursuant to subdivision (a) before the State Department of Health Services has obtained all necessary federal approvals pursuant to paragraph (**3**) of subdivision (j) of Section 14132.95, all of the following shall apply:

(A) Subdivision (c) shall apply only to those matters that do not require federal approval.

(B) The second sentence of subdivision (g) shall not be operative.

(C) The nonprofit consortium or public authority shall not provide services other than those specified in paragraphs (1), (2), (**3**), (4), and (5) of subdivision (d).

(2) Paragraph (1) shall become inoperative when the State Department of Health Services has obtained all necessary federal

approvals pursuant to paragraph (**3**) of subdivision (j) of Section 14132.95.

(n) (1) One year after the effective date of the first approval by the department granted to the first public authority, the Bureau of State Audits shall commission a study to review the performance of that public authority.

(2) The study shall be submitted to the Legislature and the Governor not later than two years after the effective date of the approval specified in subdivision (a). The study shall give special attention to the health and welfare of the recipients under the public authority, including the degree to which all required services have been delivered, out-of-home placement rates, prompt response to recipient complaints, and any other issue the director deems relevant.

(**3**) The report shall make recommendations to the Legislature and the Governor for any changes to this section that will further ensure the well-being of recipients and the most efficient delivery of required services.

(o) Commencing July 1, 1997, the department shall provide annual reports to the appropriate fiscal and policy committees of the Legislature on the efficacy of the implementation of this section, and shall include an assessment of the quality of care provided pursuant to this section.

VENTURA COUNTY ORDINANCE ESTABLISHING THE VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY AND REPEALING ORDINANCE NUMBER 4234

Comments

ORDINANCE NO. 4272

AN ORDINANCE OF THE VENTURA COUNTY BOARD OF SUPERVISORS ESTABLISHING THE VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY AND REPEALING ORDINANCE NO. 4234

The Board of Supervisors of the County of Ventura ordains as follows:

THE VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY

Sections:

Section 1: GENERAL PROVISIONS
Section 2: DEFINITIONS
Section 3: CREATION OF THE PUBLIC AUTHORITY
Section 4: POWERS OF THE PUBLIC AUTHORITY
Section 5: DUTIES AND RESPONSIBILITIES OF THE PUBLIC AUTHORITY
Section 6: MEMBERSHIP AND DUTIES OF THE PUBLIC AUTHORITY ADVISORY COMMITTEE
Section 7: CONTRACT WITH COUNTY
Section 8: PUBLIC AUTHORITY STAFF
Section 9: LIABILITY OF THE PUBLIC AUTHORITY
Section 10: IMMUNITY OF COUNTY
Section 11: RECIPIENT SELECTION OF PROVIDERS
Section 12: STATE RESPONSIBILITIES
Section 13: LABOR RELATIONS
Section 14: FISCAL PROVISIONS
Section 15: RECORD KEEPING
Section 16: PUBLIC AUTHORITY SUBJECT TO BROWN ACT
Section 17: SEVERABILITY
Section 18: TERMINATION
Section 19: EFFECTIVE DATE

Section 1: GENERAL PROVISIONS

Sec. 1.1 - TITLE - This Ordinance shall be known as the Ventura County In-Home Supportive Services Public Authority Ordinance.

Sec. 1.2 - FINDINGS AND PURPOSE - As required by Welfare and Institutions Code sections 12301.6 and 12302.25, the Board of Supervisors of Ventura County has determined that the establishment of a public authority whose powers are derived from and consistent with the

provisions of Welfare and Institutions Code section 12301.6 is necessary for the public health and welfare.

Section 2: DEFINITIONS

For purposes of this Ordinance, unless otherwise apparent from the context, the following definitions apply:

Sec. 2.1 - "Advisory Committee" means the Ventura County IHSS Public Authority Advisory Committee, as set forth in Section 6;

Sec. 2.2 - "Board of Supervisors" means the Board of Supervisors of the County of Ventura;

Sec. 2.3 - "CDSS" means the California Department of Social Services;

Sec. 2.4 - "County" means the County of Ventura;

Sec. 2.5 - "Directors" means the members of the Governing Body of the Public Authority;

Sec. 2.6 - "Governing Body" means the Ventura County Board of Supervisors;

Sec. 2.7 - "HSA" means the Ventura County Human Services Agency;

Sec. 2.8 - "IHSS" means In-Home Supportive Services as described in Welfare and Institutions Code sections 12300 et seq.;

Sec. 2.9 - "IHSS Program" means the Ventura County In-Home Supportive Services Program administered by HSA;

Sec. 2.10 - "Labor Relations Resolution" means the Public Authority Employer-Employee Labor Relations Resolution as set forth in section 13 of this Ordinance;

Sec. 2.11 - "Ordinance" means this Ventura County IHSS Public Authority Ordinance;

Sec. 2.12 - "Provider" means a person who provides authorized IHSS;

Sec. 2.13 - "Public Authority" means the Ventura County IHSS Public Authority;

Sec. 2.14 - "Recipient" means a person eligible for and authorized to receive IHSS; and

Sec. 2.15 - "Registry" means the list and system developed and maintained by the Public Authority to provide Recipients with the names of available Providers.

Sec. 2.16 - "State" means State of California.

Section 3: CREATION OF THE PUBLIC AUTHORITY

Sec. 3.1 - PUBLIC AUTHORITY CREATED - The Board of Supervisors hereby establishes a Public Authority whose powers and authority are derived from and are consistent with the provisions of Welfare and Institutions Code sections 12300 et seq. The Public Authority shall be known as the Ventura County IHSS Public Authority and shall be referred to in this Ordinance as the "Public Authority."

Sec. 3.2 - GOVERNING BODY - The Governing Body of the Public Authority shall be the Board of Supervisors.

Sec. 3.3 - SEPARATE ENTITY - The Public Authority shall be a public entity separate from the County and shall file the statements required by Government Code section 53051. Employees of the Public Authority shall not be employees of the County for any purpose.

Sec. 3.4 - EMPLOYER OF RECORD FOR PROVIDERS - The Public Authority shall be deemed to be the employer of Providers within the meaning of Chapter 10 (commencing with section 3500) of Division 4 of Title 1 of the Government Code, commonly known as the Meyers-Milias-Brown Act and within the meaning of Welfare and Institutions Code section 12301.6, subdivision (c). Nothing in this Ordinance shall be construed to limit or interfere with the rights of IHSS Recipients to hire, fire and supervise the work of any Provider providing services to them.

Section 4: POWERS OF THE PUBLIC AUTHORITY

Sec. 4.1 - GENERAL - The Public Authority shall be a corporate public body, exercising public and essential governmental functions with all powers necessary to carry out the duties conferred upon it by Welfare and Institutions Code sections 12300 et seq. and this Ordinance.

Sec. 4.2 - CONTRACTING POWERS - The Public Authority shall have the power to contract for services pursuant to Welfare and Institutions Code sections 12302 and 12302.1 and any other provision of law, including this Ordinance, subject to any limitations set forth in this Ordinance. Any contract entered into by the Public Authority is its sole responsibility and is not, and does not create, any obligation of the County.

Sec. 4.3 - CONTRACTING WITH THE COUNTY AND OTHERS FOR SERVICES - In order to carry out its functions, the Public Authority may enter into contracts with the County and other organizations or entities as necessary. Such contracts may include, but are not limited to, contracts for the provision of banking, auditor, accounting, payroll, counsel, administrative and other services necessary for the operation of the Public Authority. The Public Authority may also contract for the services of planners, financial consultants, and other experts and persons as it deems necessary within its budgetary means. Funds to pay for contract services are subject to the budget appropriations processes of the Public Authority and the County and must be approved by the Governing Body.

Sec. 4.4 - ADDITIONAL POWERS - The Public Authority shall have the power to do any of the following:

Sec. 4.4.1 - To sue and be sued in its own name;

Sec. 4.4.2 - To incur debts, liabilities or obligations subject to any limitations imposed by law or set forth herein;

Sec. 4.4.3 - To apply for, accept and receive private, State, federal or local licenses, permits, grants, loans or other aid from any agency of the United States of America or of the State of California, or private party necessary for the Public Authority's full exercise of its powers and performance of its duties;

Sec. 4.4.4 - To make such rules and regulations as are necessary to conduct its business, including establishing bylaws; and

Sec. 4.4.5 - To perform all legally authorized acts necessary and proper to carry out fully the purpose of this Ordinance and Welfare and Institutions Code sections 12300 et seq.

Section 5: DUTIES AND RESPONSIBILITIES OF THE PUBLIC AUTHORITY

Sec. 5.1 - DUTIES OF PUBLIC AUTHORITY - In addition to the other duties and responsibilities imposed in this Ordinance and under the law, the duties and responsibilities of the Public Authority shall be to implement the goals and objectives of Welfare and Institutions Code section 12301.6 in accordance with CDSS guidance. Such duties include, but are not limited to:

Sec. 5.1.1 - Establishing a Registry of Providers;

Sec. 5.1.2 - Establishing a referral system under which Providers shall be referred to Recipients;

Sec. 5.1.3 - Investigating the qualifications and background of potential Providers provided through the Registry;

Sec. 5.1.4 - Providing for training of Providers and Recipients pursuant to CDSS guidance, as funding is available from sources other than the County or as funding is authorized by the County;

Sec. 5.1.5 - Performing any other functions related to the delivery of IHSS, except as provided in subsection 5.2;

Sec. 5.1.6 - Assuring that the requirements of the personal care option pursuant to subchapter 19 (commencing with section 1396) of Chapter 7 or Title 42 of the United States Code are met; and

Sec. 5.1.7 - Exercising all powers, duties and functions as are prescribed by statute, regulation and order of CDSS, and ordinance of the Board of Supervisors and Public Authority.

Sec. 5.2 - DUTIES THAT REMAIN WITH COUNTY - The following duties remain the sole obligation of the County and the Public Authority shall not be responsible for, or authorized to perform, these duties:

Sec. 5.2.1 - Authorizing services for IHSS Recipients;

Sec. 5.2.2 - Determining Recipients' need for IHSS, the level and quality of services required, and/or the eligibility of individuals to be served;

Sec. 5.2.3 - Conducting the initial or subsequent assessment of need for services; and

Sec. 5.2.4 - Terminating Recipients' participation in the IHSS program.

Section 6: MEMBERSHIP AND DUTIES OF THE PUBLIC AUTHORITY ADVISORY COMMITTEE

Sec. 6.1 - BACKGROUND AND PURPOSE - Pursuant to Welfare and Institutions Code section 12301.3, the Board of Supervisors adopted Ordinance No. 4234 which established the Ventura County IHSS Advisory Committee for the purpose of advising the Board of Supervisors regarding options and actions necessary to establish an employer of record for IHSS. Pursuant to Welfare and Institutions Code section 12301.6, subdivision (b)(3), an Advisory Committee must continue for the purpose of advising the Public Authority. The Advisory Committee shall be subject to the terms of this section.

Sec. 6.2 - REPEAL OF ORDINANCE NO. 4234 - Ventura County Ordinance No. 4234 is hereby repealed.

Sec. 6.3 - ESTABLISHMENT AND COMPOSITION OF THE ADVISORY COMMITTEE

Sec. 6.3.1 - Initial Advisory Committee - The Advisory Committee existing as of the Effective Date of this Ordinance shall serve as the initial Advisory Committee to the Public Authority. The members shall complete their current terms and shall fulfill the roles and responsibilities required by Welfare and Institutions Code section 12301.6 and this Ordinance. All new appointments shall be made pursuant to this section.

Sec. 6.3.2 - Membership - The Governing Body shall appoint the members of the Advisory Committee, excluding the Director of HSA or his/her designee, who shall be an ex officio member. The Governing Body shall solicit qualifications of persons interested in serving as members of the Advisory Committee through a fair and open process that includes the provision of reasonable written notice to, and a reasonable response time by, members of the general public and interested persons or organizations. Applications for applying for consideration for appointment shall be provided by HSA. The Advisory Committee shall be comprised of not more than eleven (11) voting members, who shall be appointed as follows:

(a) Not less than 50 percent of the members shall be selected from among consumers or former consumers of in-home personal assistance services paid for through public or private funds, including the IHSS program;

(b) The Director of the Human Services Agency, or his/her designee, shall be a voting member of the Committee;

(c) The County Executive Officer shall nominate one voting member; and

(d) One member shall be selected from among Providers or former Providers of care under the IHSS Program.

If there are remaining unfilled seats for voting members of the Committee, they shall be drawn from community organizations as follows:

(e) A representative from an advocacy group that represents the interests of disabled individuals; and/or

(f) A representative of an advocacy group that represents the interests of senior citizens.

The Director of HSA shall also designate a County employee to provide ongoing advice and support to the Advisory Committee.

Sec. 6.4 - TERM OF ADVISORY MEMBERS AND REMOVAL

Sec. 6.4.1 - Term - New members shall be appointed for a term of two years or until the appointment of a successor, unless removed earlier as set forth in subsection 6.4.2.

Sec. 6.4.2 - Removal - Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Governing Body.

Sec. 6.4.3 - Re-appointment - Any member may be re-appointed by the Governing Body to serve one additional term.

Sec. 6.5 - DUTIES - Pursuant to Welfare and Institutions Code sections 12301.3, 12301.4 and 12302.25, the Advisory Committee shall submit recommendations to the Governing Body on changes in the preferred mode of service to be utilized in the County for IHSS, as requested by the Governing Body. It shall also provide ongoing advice and recommendations regarding IHSS to the Governing Body and to any administrative body in the County that provides for the delivery and administration of IHSS. The Advisory Committee shall meet no less often than quarterly. The Advisory Committee shall also adopt bylaws, which shall only be effective after approved and adopted by the Governing Body.

Sec. 6.6 - CHAIRPERSON - Members of the Advisory Committee shall annually elect a chairperson who shall serve for a term of one year.

Sec. 6.7 - ANNUAL REPORT TO THE GOVERNING BODY - The Advisory Committee shall submit a report annually to the Governing Body, the scope of which will be agreed upon by the Committee, and which will reference its proceedings in the past year including investigations, response to items submitted by the public, and any other information deemed necessary for disclosure. Additionally, the Advisory Committee may bring matters to the Governing Body as necessary throughout the year.

Sec. 6.8 - ADVISORY COMMITTEE SUBJECT TO THE RALPH M. BROWN ACT - The Advisory Committee's meetings are subject to the open meeting laws contained in the Ralph M. Brown Act (Gov. Code section 54950 et seq.).

Sec. 6.9 - COMPENSATION OF ADVISORY COMMITTEE MEMBERS - Advisory Committee members shall not be compensated for their services, except that they shall be reimbursed for reasonable expenses, if any, incurred to attend meetings and discharge official responsibilities as authorized by the Governing Body. Reimbursement of reasonable expenses, if any, shall be limited to allowable costs for this purpose as defined by the CDSS and in accordance with County policy and procedures for such reimbursement, which are hereby adopted to apply to the Public Authority.

Sec. 6.10 - ADVISORY COMMITTEE FUNDS - Funds to support the Advisory Committee are subject to receipt of an annual allocation provided by the CDSS. To the extent such funds are made available, they shall be limited to the amount allocated annually, and shall be administered by HSA.

Section 7: CONTRACT WITH COUNTY

To promote administrative efficiencies and to avoid unintended duplication of resources prior to initiating delivery of IHSS through the Public Authority, the County and the Public Authority shall enter into an agreement specifying the purposes, scope and nature of each party's duties and responsibilities, including provisions that further compliance with all County, State and federal laws and regulatory provisions applicable to the delivery of IHSS.

Section 8: PUBLIC AUTHORITY STAFF

The Public Authority shall contract with the County for the provision of an Executive Director. The Executive Director shall serve at the pleasure of the Governing Body and shall be classified as an "at will" employee without civil service protection. The Executive Director shall administer and operate the Public Authority in accordance with policy direction of the Governing Body or its designee. The Governing Body hereby delegates to the HSA Director the authority to select the Executive Director and provide general supervision and policy direction to that individual. The Executive Director shall contract with the County for the provision of subordinate staff necessary for the administration and operation of the Public Authority, within the parameters set forth by the Governing Body or its designee. This section does not apply to Providers.

Section 9: LIABILITY OF THE PUBLIC AUTHORITY

Sec. 9.1 - PUBLIC AUTHORITY SOLELY LIABLE - Any obligation or legal liability of the Public Authority, whether statutory, contractual or otherwise, shall be the obligation or liability solely of the Public Authority and shall not be the obligation or liability of the County.

Sec. 9.2 - NOTICE OF COUNTY'S NON-LIABILITY - All contracts, leases, or other agreements of any nature, including collective bargaining agreements, between the Public Authority and any party, except those with the County, shall contain the following statement:

> "The Ventura County IHSS Public Authority is an independent legal entity, separate and apart from the County of Ventura. The Public Authority has no power to bind the County to any contractual or legal obligations. Nor may the obligees of the Public Authority seek recourse against the County of Ventura for any financial or legal obligation of the Public Authority."

The provisions of this section and this statement shall apply even if this statement is not included in a contract, lease or agreement of the Public Authority.

Sec. 9.3 - PROVIDER LIABILITY - The Public Authority shall not be deemed to be the employer of Providers for purposes of liability due to the negligence or intentional torts of Providers.

Sec. 9.4 - INSURANCE - The Public Authority shall maintain all insurance coverage necessary in an amount to be determined to be adequate by the Governing Body. The policy shall name the County as an additional insured.

Sec. 9.5 - INDEMNIFICATION OF COUNTY - The Public Authority shall indemnify, defend and hold harmless the County, its elected and appointed officers, employees and agents, from and against any and all liability, including defense costs and legal fees, and claims for damages of any nature whatsoever, including but not limited to personal injury or property damages, arising from or connected with any act or omission of any officer or employee of the Public Authority.

Sec. 9.6 - INDEMNIFICATION OF PUBLIC AUTHORITY BY THIRD PARTIES - The Public Authority shall require all third parties with whom it contracts, other than the County, to indemnify, defend and hold harmless the Public Authority, to provide the Public Authority with written acknowledgment of such indemnification and to maintain adequate levels of insurance, as determined by the Governing Body or its designee, naming the Public Authority as an additional insured.

Section 10: IMMUNITY OF COUNTY

The County shall be immune from any liability resulting from its implementation of this Ordinance and/or the administration of the IHSS program pursuant to Welfare and Institutions Code sections 12301.6 et seq.

Section 11: RECIPIENT SELECTION OF PROVIDERS

Recipients may select Providers who are not on the Registry. Those Providers shall nevertheless be referred to the Public Authority for the purposes of wages, benefits, and other terms and conditions of employment.

Section 12: STATE RESPONSIBILITIES

The creation and operation of the Public Authority shall not be construed to alter, require the alteration of, or interfere with the State's payroll system and other provisions of Welfare and Institutions Code section 12302.2 for Providers of IHSS, or to affect the State's responsibilities with respect to unemployment insurance, or workers' compensation for Providers.

Section 13: LABOR RELATIONS

Sec. 13.1 - LABOR RELATIONS RULES - The Public Authority or its designee shall adopt rules and regulations for administration of employer-employee relations for Providers through the adoption of an Employer-Employee Labor Relations Resolution, which shall include the following and shall apply to any labor relations agreement:

Sec. 13.1.1 - Certified Labor Organization - Only those certified labor organization(s) authorized in the Labor Relations Resolution shall be entitled to negotiate with the Public Authority on matters within the scope of representation and regarding such other rights as may be granted to the recognized organization(s) pursuant to sections 3500 through 3511 of the Government Code.

Sec. 13.1.2 - Required Showing of Interest - A labor organization which seeks to become a certified labor organization shall establish proof to the Public Authority's approval that at least thirty percent (30%) of the Providers desire the petitioning labor organization to be their sole representative. Such showing shall be a sufficient showing of interest for any labor organization to initiate an election to certify an exclusive representative for collective bargaining purposes.

Sec. 13.1.3 - No Strike Clause - Due to the special and critical health-care services provided through the IHSS Program, the Board of Supervisors finds that any interruption of such services would pose an imminent threat to the health and safety of Recipients and to the community. In order to minimize the likelihood of such interruption and thereby protect the health and safety of Recipients a non-strike clause shall be included in any and all collective bargaining agreements with Providers and any organization that seeks to represent or represents the Providers of IHSS to Recipients. The Public Authority shall take all legal action necessary to bar any strike or other concerted interruption of services to Recipients.

Sec. 13.1.4 - Other - The Labor Relations Resolution and any agreement with a certified labor organization may contain any other provisions that the Governing Body or its designee deems necessary.

Sec. 13.2 - DESIGNEE - The County Executive Officer or designee is authorized to act as manager of labor relations for the Public Authority.

Section 14: FISCAL PROVISIONS

Sec. 14.1 - MAXIMUM APPROPRIATIONS - The establishment and operation of the Public Authority or application of Government Code sections 3500 et seq., shall not result in payments from the County's general fund beyond the County's annual appropriation for the Public Authority, if any, contained in the County's final budget for any fiscal year, which shall be an absolute limit on County costs for that fiscal year.

The Board of Supervisors recognizes that the funding of IHSS is the product of a complex relationship of federal, State and County financing and that the ability of the Public Authority to operate, and to negotiate the wages and benefits of the Providers, is dependent upon the availability of adequate funding from all sources. Payment for all services provided pursuant to this Ordinance is contingent upon the appropriation of County, State and federal funds for the purpose of providing IHSS. Nothing in this section is intended to require the County to appropriate any funds for the operation of the Public Authority or for the payment of wages or benefits to Providers.

Sec. 14.2 - BUDGET - The Public Authority shall adopt its budget under the same laws, rules and policies that control the County budget process. The Public Authority will be maintained as a separate budget entity. The budget will be submitted through HSA.

The total of all operational costs, wages, and benefits proposed or established by the Public Authority shall be consistent with the provisions of the County budget, as amended from time to time. The Public Authority is not authorized to establish a payment rate, including costs of wages, benefits and operations until the County determines and approves that the funds necessary for the payment rate are available.

Sec. 14.3 - COOPERATION WITH COUNTY - The Public Authority shall timely provide to the County its expenditure and revenue information so that the County may report the expenditures to the CDSS in order to receive reimbursement for the State and federal shares of Public Authority costs.

The Public Authority shall assist the County in developing and submitting the information and documentation necessary to obtain approval from the CDSS and the State Department of Health Services for the Public Authority's reimbursement rate and any rate adjustment.

Sec. 14.4 - NO EFFECT ON RECIPIENT SERVICES - In implementing and administering this Ordinance, the Public Authority shall not reduce the hours of service for any Recipient below the amount determined to be necessary under the uniform assessment guidelines established by the CDSS. The IHSS

Program shall not be reduced in order to under fund the Public Authority or any wage or benefit increase to Providers.

Section 15: RECORD KEEPING

Sec. 15.1 - RECORDS RETENTION POLICY - The Public Authority shall develop a records retention policy consistent with County, State, and federal laws and policies. The Public Authority shall make any of the retained records available to all authorized County, State and federal representatives.

Sec. 15.2 - CONFIDENTIALITY - The Public Authority must operate under applicable State and federal laws and regulations concerning the confidentiality of HSA records. These regulations, including but not limited to Welfare and Institutions Code section 10850, 45 CFR Section 205.50, subdivision (a), and the Health Insurance Portability and Accounting Act of 1996, were created to protect applicants and Recipients of public social services against identification, exploitation or embarrassment that could result from release of information identifying them as Recipients of IHSS. These regulations bind public and private agencies with which the County contracts to perform any part of the IHSS program and shall also bind the Public Authority.

Section 16: PUBLIC AUTHORITY SUBJECT TO BROWN ACT

The Public Authority's meetings shall be subject to the open meeting laws contained in the Ralph M. Brown Act (Government Code section 54950 et seq., and any amendments thereto).

Section 17: SEVERABILITY

If any section, subsection, sentence, clause or phrase of this Ordinance is for any reason held to be unconstitutional and invalid, such decision shall not affect the validity of the remaining portion of this Ordinance. The Board of Supervisors declares that it would have passed this Ordinance and every section, subsection, sentence, clause or phrase, irrespective of the fact that any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional or invalid.

Section 18: TERMINATION

By repeal of this Ordinance, the Board of Supervisors may abolish the Public Authority.

Section 19: EFFECTIVE DATE

This Ordinance shall take effect and be in full force thirty (30) days after its adoption. Within fifteen (15) days after the date of adoption of this Ordinance, a

summary shall be published once with the name of those members voting for and against the same in a newspaper of general circulation published in the County of Ventura.

SUMMARY OF ORDINANCE NO. 4272 OF THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA ESTABLISHING THE VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY AND REPEALING ORDINANCE NO. 4234

The following is a summary of the ordinance adopted by the Ventura County Board of Supervisors on July 23, 2002. The purpose of the ordinance is to establish a public authority to serve as the employer of record for in-home support services workers pursuant to the provisions of Welfare and Institutions Code section 12301.6 et seq.

Section 1: GENERAL PROVISIONS - The Ordinance shall be known as the Ventura County In-Home Supportive Services Public Authority Ordinance. It establishes a public authority whose powers are derived from and consistent with the provisions of Welfare and Institutions Code section 12301.6.

Section 2: DEFINITIONS - Among other definitions, "CDSS" means the California Department of Social Services; "Directors" means the members of the Governing Body of the Public Authority; "Governing Body" means the Ventura County Board of Supervisors; "HSA" means the Ventura County Human Services Agency; "IHSS" means In-Home Supportive Services as described in Welfare and Institutions Code section 12300 et seq.; "IHSS Program" means the Ventura County In-Home Supportive Services Program administered by HSA; "Provider" means a person who provides authorized IHSS; "Public Authority" means the Ventura County IHSS Public Authority; "Recipient" means a person eligible for and authorized to receive IHSS; and "Registry" means the list and system developed and maintained by the Public Authority to provide Recipients with the names of available Providers.

Section 3: CREATION OF THE PUBLIC AUTHORITY - A Public Authority is established whose powers and authority are derived from and are consistent with the provisions of Welfare and Institutions Code section 12300 et seq. The Public Authority shall be known as the Ventura County IHSS Public Authority. The Governing Body of the Public Authority shall be the Board of Supervisors.

The Public Authority shall be a public entity separate from the County. Employees of the Public Authority shall not be employees of the County. The Public Authority shall be deemed to be the employer of Providers, but nothing in the Ordinance shall be construed to limit or interfere with the rights of IHSS Recipients to hire, fire and supervise the work of any Provider providing services to them.

Section 4: POWERS OF THE PUBLIC AUTHORITY - The Public Authority shall be a corporate public body, exercising public and essential governmental functions. It shall have the power to contract for services, and any contract it enters into is its sole

responsibility and is not, and does not, create any obligation of the County. Funds to pay for contract services are subject to the budget appropriations processes of the Public Authority and the County and must be approved by the Governing Body.

The Public Authority shall have the power to sue and be sued in its own name; to incur debts, liabilities or obligations subject to any limitations imposed by law; to apply for, accept and receive private, State, federal or local licenses, permits, grants, loans or other aid; to make such rules and regulations necessary to conduct its business, including bylaws; and to perform all legally authorized acts necessary and proper to carry out fully the purpose of this Ordinance and Welfare and Institutions Code section 12300 et seq.

Section 5: DUTIES AND RESPONSIBILITIES OF THE PUBLIC AUTHORITY - The duties and responsibilities of the Public Authority shall be to implement the goals and objectives of Welfare and Institutions Code section 12301.6 in accordance with CDSS guidance. They include: establishing a Registry of Providers; establishing a referral system under which Providers shall be referred to Recipients; investigating the qualifications and background of potential Providers; providing for training of Providers and Recipients, as limited; performing any other functions related to the delivery of IHSS, except as limited; assuring the requirements of the personal care option are met; and exercising all powers, duties and functions as are otherwise prescribed.

The following duties remain the sole obligation of the County, not the Public Authority: authorizing services for IHSS Recipients; determining Recipients' need for IHSS, the level and quality of services required, and/or the eligibility of individuals to be served; conducting the initial or subsequent assessment of need for services; and terminating Recipients' participation in the IHSS program.

Section 6: MEMBERSHIP AND DUTIES OF THE PUBLIC AUTHORITY ADVISORY COMMITTEE - The Board of Supervisors previously adopted Ordinance No. 4234 which established the Ventura County IHSS Advisory Committee for the purpose of advising regarding options and actions necessary to establish an employer of record for IHSS. An Advisory Committee must continue for the purpose of advising the Public Authority.

Ventura County Ordinance No. 4234 is hereby repealed. The Advisory Committee existing as of the Effective Date of this Ordinance shall serve as the initial Advisory Committee to the Public Authority. The members shall complete their current terms and shall fulfill the roles and responsibilities required by Welfare and Institutions Code section 12301.6 and this Ordinance.

The Governing Body shall appoint the members of the Advisory Committee, excluding the Director of HSA or his/her designee, who shall be an ex officio member. The Advisory Committee shall be comprised of not more than eleven (11) voting members, who shall be appointed as follows: (a) Not less than 50 percent of the members shall

be selected from among consumers or former consumers of in-home personal assistance services paid for through public or private funds, including the IHSS program; (b) the Director of the Human Services Agency, or his/her designee, shall be a voting member of the Committee; (c) the County Executive Officer shall nominate one voting member; and (d) one member shall be selected from among Providers or former Providers of care under the IHSS Program.

If there are remaining unfilled seats, they shall be drawn from community organizations as follows: (e) a representative from an advocacy group that represents the interests of disabled individuals; and/or (f) a representative of an advocacy group that represents the interests of senior citizens.

Members, except the ex officio member, may serve a maximum of two terms. New members shall be appointed for a term of two years. Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Governing Body. The elected chairperson shall serve for a term of one year.

The Advisory Committee shall have the following duties: it shall submit recommendations to the Governing Body on changes in the preferred mode of service to be utilized in the County for IHSS. It shall also provide ongoing advice and recommendations regarding IHSS. It shall meet no less often than quarterly.

The Advisory Committee shall submit a report annually to the Governing Body. Its meetings are subject to the open meeting laws contained in the Ralph M. Brown Act. Advisory Committee members shall not be compensated for their services, but shall be reimbursed for reasonable expenses as authorized by the Governing Body. Funds to support the Advisory Committee are subject to receipt of an annual allocation provided by the CDSS. To the extent such funds are made available, they shall be limited to the amount allocated annually, and shall be administered by HSA.

Section 7: CONTRACT WITH COUNTY - The County and the Public Authority shall enter into an agreement specifying the purposes, scope and nature of each party's duties and responsibilities.

Section 8: PUBLIC AUTHORITY STAFF - The Public Authority shall contract with the County for the provision of an Executive Director who shall serve at the pleasure of the Governing Body and shall administer and operate the Public Authority in accordance with policy direction of the Governing Body. The Governing Body delegates to the HSA Director the authority to select the Executive Director and provide general supervision and policy direction to that individual. The Executive Director shall contract with the County for the provision of subordinate staff necessary for the administration and operation of the Public Authority.

Section 9: LIABILITY OF THE PUBLIC AUTHORITY - Any obligation or legal liability of the Public Authority shall be the obligation or liability solely of the Public Authority and shall not be the obligation or liability of the County.

The Public Authority shall not be deemed to be the employer of Providers for purposes of liability due to the negligence or intentional torts of Providers. The Public Authority shall maintain all insurance coverage necessary.

The Public Authority shall indemnify the County. The Public Authority shall require all third parties with whom it contracts, other than the County, to indemnify it.

Section 10: IMMUNITY OF COUNTY - The County shall be immune from any liability resulting from its implementation of this Ordinance and/or the administration of the IHSS program pursuant to Welfare and Institutions Code section 12301.6 et seq.

Section 11: RECIPIENT SELECTION OF PROVIDERS - Recipients may select Providers who are not on the Registry. Those Providers shall nevertheless be referred to the Public Authority for the purposes of wages, benefits, and other terms and conditions of employment.

Section 12: STATE RESPONSIBILITIES - The creation and operation of the Public Authority shall not alter the State's payroll system and other provisions of Welfare and Institutions Code section 12302.2 for Providers of IHSS, or affect the State's responsibilities with respect to unemployment insurance, or workers' compensation for Providers.

Section 13: LABOR RELATIONS - The Public Authority or its designee shall adopt rules and regulations for administration of employer-employee relations for Providers through the adoption of an Employer-Employee Labor Relations Resolution, which shall include: only certified labor organization(s) authorized in the Labor Relations Resolution shall be entitled to negotiate with the Public Authority; a labor organization which seeks to become a certified labor organization shall establish proof to the Public Authority's approval that at least thirty percent (30%) of the Providers desire the petitioning labor organization to be their sole representative; any interruption of Provider services would pose an imminent threat to the health and safety of Recipients and to the community, and to minimize the likelihood of such interruption and protect the health and safety of Recipients a non-strike clause shall be included in any and all collective bargaining agreements with Providers and any organization that seeks to represent or represents the Providers. The Public Authority shall take all legal action necessary to bar any strike or other concerted interruption of services to Recipients.

The County Executive Officer or designee is authorized to act as manager of labor relations for the Public Authority.

Section 14: FISCAL PROVISIONS - The establishment and operation of the Public Authority or application of Government Code section 3500 et seq. shall not result in payments from the County's general fund beyond the County's annual appropriation for the Public Authority. Payment for all services provided pursuant to this Ordinance is contingent upon the appropriation of County, State and federal funds for the purpose of providing IHSS. Nothing in this section is intended to require the County to appropriate any funds for the operation of the Public Authority or for the payment of wages or benefits to Providers.

The Public Authority shall adopt its budget under the same laws, rules and policies that control the County budget process. The Public Authority will be maintained as a separate budget entity. The budget will be submitted through HSA. The total of all operational costs, wages, and benefits proposed or established by the Public Authority shall be consistent with the provisions of the County budget.

The Public Authority shall assist the County in developing and submitting the information and documentation necessary to obtain approval from the CDSS and the State Department of Health Services for the Public Authority's reimbursement rate and any rate adjustment.

The Public Authority shall not reduce the hours of service for any Recipient below the amount determined to be necessary under the uniform assessment guidelines established by the CDSS.

Section 15: RECORD KEEPING - The Public Authority shall develop a records retention policy and shall make any of the retained records available to all authorized County, State and federal representatives. The Public Authority must operate under applicable State and federal laws and regulations concerning the confidentiality of HSA records.

Section 16: PUBLIC AUTHORITY SUBJECT TO BROWN ACT - The Public Authority's meetings shall be subject to the Ralph M. Brown Act.

Section 17: SEVERABILITY - If any section, subsection, sentence, clause or phrase of this Ordinance is held to be unconstitutional that decision shall not affect the validity of the remaining portion of this Ordinance.

Section 18: TERMINATION - The Board of Supervisors may abolish the Public Authority.

Section 19: EFFECTIVE DATE - This Ordinance shall take effect thirty (30) days after its adoption.

SUMMARY OF ORDINANCE INTRODUCED BEFORE THE BOARD OF SUPERVISORS OF THE COUNTY OF VENTURA ESTABLISHING THE VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY AND REPEALING ORDINANCE NO 4231

The following is a summary of the ordinance before the Ventura County Board of Supervisors on July 16, 2002. The purpose of the ordinance is to establish a public authority to serve as the employer of record for in-home support services workers pursuant to the provisions of Welfare and Institutions Code section 12301.6 et.seq.

Section 1: GENERAL PROVISIONS - The Ordinance shall be known as the Ventura County In-home Supportive Services Public Authority Ordinance. It establishes a public authority whose powers are derived from and consistent with the provisions of Welfare and Institutions Code section 12301.6

Section 2: DEFINITIONS - Among other definitions, "CDSS" means the California Department of Social Services; "Directors" means the members of the Governing Body of the Public Authority; "Governing Body" means the Ventura County Board of Supervisors; "HSA" means the Ventura County Human Services Agency; "IHSS" means In-Home Supportive Services as described in Welfare and Institutions Code section 12300 et.seq.; "IHSS Program" means the Ventura County In-Home Supportive Services Program administered by HSA; "Provider" means a person who provides authorized IHSS; "Public Authority" means the Ventura County IHPSS Public Authority; "Recipient" means a person eligible for and authorized to receive IHSS; and "Registry" means the list and system developed and maintained by the Public Authority to provide Recipients with the names of available Providers.

Section 3: CREATION OF THE PUBLIC AUTHORITY - A Public Authority is established whose powers and authority are derived from and are consistent with the provisions of Welfare and Institutions Code section 12300 et.seq. The Public Authority shall be known as the Ventura County IHSS Public Authority. The Governing Body of the Public Authority shall be the Board of Supervisors.

The Public Authority shall be a public entity separate from the County. Employees of the Public Authority shall not be employees of the County. The Public Authority shall be deemed to be the employer of Providers, but nothing in the Ordinance shall be construed to limit or interfere with the rights of IHSS Recipients to hire, fire and supervise the work of any Provider providing services to them.

Section 4: POWERS OF THE PUBLIC AUTHORITY - The Public Authority shall be a corporate public body, exercising public and essential governmental functions. It shall have the power to contract for services, and any contract it enters into is its sole responsibility and is not, and does not, create any obligation of the County. Funds to pay for contract services are subject to the budget appropriates processes of the Public Authority and the County and must be approved by the Governing Body.

The Public Authority shall have the power to sue and be used in its own name; to incur debts, liabilities or obligations subject to any limitations imposed by law; to apply for, accept and receive private, State, federal or local licenses, permits, grants, loans or other aid; to make such rules and regulations necessary to conduct its business, including bylaws; and to perform all legally authorized acts necessary and proper to carry out fully the purpose of this Ordinance and Welfare and Institutions Code section 12300 et.seq.

Section 5: DUTIES AND RESPONSIBILITIES OF THE PUBLIC AUTHORITY - The duties and responsibilities of the Public Authority shall be to implement the goals and objectives of Welfare and Institutions Code section 12301.6 in accordance with CDSS guidance. They include: establishing a Registry of Providers; establishing a referral system under which Providers shall be referred to Recipients; investigating the qualifications and background of potential Providers; providing for training of Providers and Recipients, as limited; performing any other functions related to the delivery of IHSS, except as limited; assuring the requirements of the personal care option are met; and exercising all powers, duties and functions as are otherwise prescribed.

The following duties remain the sole obligation of the County, not the Public Authority; authorizing services for IHSS Recipients; determining Recipients' need for IHSS, the level and quality services required, and/or the eligibility or individuals to be served; conducting the initial or subsequent assessment of need for services; and terminating Recipients' participation in the IHSS program.

Section 6: MEMBERSHIP AND DUTIES OF THE PUBLIC AUTHORITY ADVISORY COMMITTEE - The Board of Supervisors previously adopted Ordinance No.4234 which established the Ventura County IHSS Advisory Committee for the purpose of advising regarding options and actions necessary to establish an employer or record for IHSS. An Advisory Committee must continue for the purpose of advising the Public Authority.

Ventura County Ordinance No.4234 is hereby repealed. The Advisory Committee existing as of the Effective Date of this Ordinance shall serve as the initial Advisory Committee to the Public Authority. The members shall complete their current terms and shall fulfill the roles and responsibilities required by Welfare and Institutions Code section 12301.6 and this Ordinance.

The Governing Body shall appoint the members of the Advisory Committee, excluding the Director of HSA or his/her designee, who shall be an ex officio member. The Advisory Committee shall be comprised of not more than eleven (11) voting members, who shall be appointed as follows: (a) Not less than 50 percent of the members shall be selected from among consumers or former consumers of in-home personal assistance services paid for through public or private funds, including the IHSS program; (b) the Director of the Human Services Agency, or his/her designee, shall be a voting member of the Committee; (c) the County Executive Officer shall nominate one voting member; and (d) one member shall be selected from among Providers or former Providers of care under the IHSS Program.

If there are remaining unfilled seats, they shall be drawn from community organizations as follows: (e) a representative from an advocacy group that represents the interests of disabled individuals; and/or (f) a representative of an advocacy group that represents the interests of senior citizens.

Members, except the ex officio member, may serve a maximum of two terms. New members shall be appointed for a term of two years. Any member may be removed, at any time, with or without cause, by a majority vote of the members of the Governing Body. The elected chairperson shall serve for a term of one year.

The Advisory Committee shall have the following duties; it shall submit recommendations to the Governing Body on changes in the preferred mode of service to be utilized in the County for IHSS. It shall also provide ongoing advice and recommendations regarding IHSS. It shall meet no less often than quarterly.

The Advisory Committee shall submit a report annually to the Governing

BOARD OF SUPERVISORS, COUNTY OF VENTURA, STATE OF CALIFORNIA

July 23, 2002 at 9:00 a.m.

ORD NO. 4272/233/208.103

VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY

An Ordinance of the Ventura County Board of Supervisors Establishing the Ventura County In-Home Supportive Services Public Authority and Repealing Ordinance No. 4234 is presented to the Board at this time, and upon motion of Supervisor Schillo, seconded by Supervisor Mikels, and duly carried, it is ordered that the same be passed and adopted as an ordinance of the County of Ventura, to be known as Ordinance No. 4272.

Board members vote as follows:

Ayes: Supervisors Bennett, Schillo, Long, Mikels and Flynn

Noes: None

Absent: None

All members of the Board present voting on the passage and adoption of said Ordinance, it is hereby declared and ordered that said Ordinance is hereby passed and adopted as an Ordinance of the County of Ventura, to be known as Ordinance No. 4272.

It is further ordered that said ordinance shall take effect and be enforce at the expiration of thirty (30) days from the date hereof, and before the expiration of fifteen (15) days the same shall be published, with the names of the members of the Board of Supervisors voting for and against the same, at least once in the Ventura County Reporter (VCR) a newspaper of general circulation printed and published in the County of Ventura, State of California.

Ventura, California 93009

SUBJECT: **ADOPTION OF AN AMENDMENT TO ORDINANCE 4272 TO DECREASE THE PERCENTAGE REQUIRED BY THE VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY TO RECOGNIZE A LABOR ORGANIZATION**

RECOMMENDATIONS:

It is recommended that your Board:

1. Introduce and read in title only the attached amendment to Ordinance 4272 to decrease the percentage required by Ventura County In-Home Supportive Services Public Authority to recognize a labor organization from 30 percent to 20 percent and waive further reading.

2. Set November 5, 2002 as the second hearing date for final adoption.

FISCAL/MANDATES IMPACT: There is no fiscal impact associated with amending the ordinance.

DISCUSSION:

Last week, during discussion of a resolution entitled, "The Ventura County In-Home Supportive Services Public Authority Employer-Employee Relations Rules and Regulations," presented on the Public Authority agenda (item 24), questions were raised pertaining to the Recognition Procedures which must be followed for a labor association/union/organization to be acknowledged by the Public Authority for the purposes of collective bargaining. Consistent with the requirements of Ordinance 4272 which established the Public Authority, the resolution required a labor association/union/organization petitioning to be recognized present proof that at least 30 percent of employees within the proposed unit support the organization's petition.

Questions were raised whether this 30 percent requirement was an unreasonably high requirement and whether 20 percent was a more appropriate threshold.

The threshold was initially established at 30 percent because such a threshold is recognized throughout the labor relations industry as a reasonable standard. For example, a 30 percent threshold is used in the Meyers-Milias-Brown Act, the County of Ventura Personnel Rules and Regulations, the National Labor Relations Act and the Federal Civil Service. However, given the geographical dispersion of the independent providers who may seek to organize, we believe it is appropriate to reduce the threshold to 20 percent.

Of the 19 other counties who have established their Public Authority Employer-Employee Relations Rules and Regulations, 7 established the threshold at 30 percent, 5 used 20 percent, 5 used 15 percent and 2 used 10 percent.

Reducing the threshold to 20 percent requires an amendment to Ordinance 4272. The following procedures are required to amend Ordinance 4272:

1. October 22: Attached to this Board letter is an amendment to Ordinance 4272 to decrease the percentage required by the Ventura County IHSS Public Authority to recognize a labor organization from 30 percent to 20 percent (first reading).

2. November 5: The amendment to Ordinance 4272 could be adopted (second reading).

3. December 5: The adopted amendment to Ordinance 4272 would go into effect, lowering the required proof of support to 20 percent.

This letter has been reviewed by the County Executive Office/Program and Budget Division, County Executive Office/Human Resources Division, the Auditor-Controller's Office and County Counsel. If you have any questions, please contact me at 652-7602 or Bruce Stenslie, Director of HSA Administration at 652-7621.

Respectfully submitted,

BARBARA FITZGERALD

SUBJECT: APPROVAL OF AN ORDINANCE ESTABLISHING THE VENTURA COUNTY IN-HOME SUPPORTIVE SERVICES PUBLIC AUTHORITY

RECOMMENDATIONS:

It is recommended that your Board:

1. Introduce and read in title only the attached ordinance to establish the Ventura County In-Home Supportive Services Public Authority and waive further reading.

2. Set July 23, 2002 as the second hearing date for final adoption.

3. Authorize the County Executive Office to establish the following position allocations within the Human Services Agency (Budget Unit 5390) effective July 21, 2002.

Class Code	Classification Title	FTE	Range	Annual Salary
01561	Human Services Manager	1	$2,201.53 - $2,959.42	$57,239 - $76,944
00031	Administrative Assistant II	1	$1,296.07 - $1,817.59	$33,697 - $47,257
01158	Community Serv Wkr III	3	$10.43275 - $14.56163	$21,700 - $30,288

4. Authorize the Human Services Agency to serve as the interim staff of the Public Authority while recruitment of the Public Authority positions is conducted.

5. Authorize the Auditor-Controller to process the accounting transactions necessary to transfer appropriations for FY 2002-03 in order to move funds from the 2000 object level to the 1000 object level to pay for the positions requested in recommendation number 3 as follows:

HSA Direct Aid – IHSS/Public Authority Budget Unit 5390

Decrease – Services and Supplies	$147,600
Increase – Salaries and Benefits	$147,600

FISCAL/MANDATES IMPACT:

Mandatory:	Yes
Authority:	Welfare & Institutions Code Section 12302.25
Source of Funding:	State, Federal, County (Realignment Funds)
Impact on Other Departments:	May impact departments such as Auditor-Controller's Office and Human Resources in providing contract services to the Public Authority

CURRENT FY 2002-03 Budget Projection for 5360 HSA Direct Aid				
	Adopted Budget	Adjusted Budget	Projected Budget	Estimated (Savings/Deficit)
Appropriations	60,126,507	60,126,507	60,126,507	
Revenue	55,470,581	55,470,581	55,470,581	
Net Cost	4,655,926	4,655,926	4,655,926	

The recommended actions taken today have no immediate fiscal impact. The FY 2002-03 Adopted Budget includes appropriations for approximately one half year of administrative costs. There could be additional costs if wages are increased above the budgeted levels. Additional details of the potential impact are included in the Discussion section of this Board letter.

Summary of Revenue and Total Costs:

	FY 2002-03	FY 2003-04
Revenue:		
Direct	$112,049	$178,500
TOTAL REVENUE	**$112,049**	**$178,500**
Costs:		
Direct	$147,600	$235,177
Indirect Costs	Minimal	Minimal
TOTAL COSTS	**$147,600**	**$235,177**
Net County Cost	**$35,551**	**$56,677**

The figures included in the table above reflect only the costs associated with the positions requested in recommendation three of this letter. The net County costs shown for FY 2002-03 are included in the approved FY 2002-03 budget and do not represent new net County costs. Full program cost projections will be included in the budgetary process for FY 2003-04.

DISCUSSION:

On April 2, 2002, your Board approved, in concept, the establishment of a Public Authority to meet the employer of record requirements of Assembly Bill 1682 for

individual providers of In-Home Supportive Services (IHSS). In addition, your Board also approved the establishment of a County Interagency Implementation Team for the employer of record and requested that the Human Services Agency (HSA) identify areas where the implementation timeline could be accelerated, if possible.

The previously approved plan projected the formal establishment of the public authority via ordinance later this calendar year. However, the Implementation Team has determined that an earlier adoption of the proposed ordinance will permit some implementation activities to run concurrently with additional planning activities, resulting in an operational public authority sooner than expected.

Through your Board's previous direction, HSA and the Implementation Team recognize there are two primary issues pressing for an earlier implementation than previously planned. The first addresses the question of when we can begin, budget allowing, to pay the IHSS individual providers a higher wage and secure for them some benefits. The second relates to how soon can we establish a registry to facilitate the training, recruitment and referral of providers and better assure quality service provision to IHSS consumers.

The currently approved timeline (May 2001) has been to establish the public authority no later than January 1, 2003. With the current pace of implementation, we are planning that the newly negotiated wage paid to IHSS individual providers may be in place on January 1, 2003. This distinction is critical, in that any wage above the current maximum allowed rate of $7.11 per hour (maximum, that is, relative to State cost sharing) requires the following: 1) that the Public Authority be established with the authority to negotiate; 2) that the Public Authority negotiate through a collective bargaining process the new wage and benefits package, and 3) then have that wage and benefit package approved by the State.

With respect to the issue of wage increases, the financial impact on the County is a serious concern. As your Board is aware, the increased county share of cost for FY 2002-03 of implementing the Public Authority is anticipated to be $289,814, which is for a six-month time period. While the approved budget for FY 2002-03 commits an increased share of the Social Services Realignment Trust to HSA Direct Aid Units including IHSS, the budget also assumes growth this year in the Trust, which may or may not be realized given the state of the economy.

Please note further that our projected county share of cost is approximately $1.4 million, as our current budget assumes that a wage of $8.00 per hour, plus a $.60 value in benefits, kicks in only for a six month period for FY 2002-03. Any earlier implementation or increase in wage drives up the net county cost, as the funding from the Realignment Trust is not projected to contain sufficient funds to cover additional costs.

With today's recommended action to formally establish the Public Authority, the County moves closer to implementing a structure which will permit State and federal financial participation in an enhanced wage and benefit package for individual providers of In-

Home Supportive Services. At the same time, the County Interagency Implementation Team will continue to resolve the details of the working relationship between the Public Authority and the County. Some of issues to be worked through relate to:

- Public Authority Organization Structure (addressing the working relationships and coordination between the Public Authority and County departments, including HSA, Human Resources, County Counsel, Risk Management and Auditor-Controller)
- Public Authority Administrative Structure, including staffing requirements, job descriptions, office space, and equipment
- Policies and Procedures for Public Authority functions/activities such as registry, training and oversight, including performance indicators for Public Authority activities
- Budget Development and Fiscal Management Structure
- Development of an Agreement between the County and the Public Authority

1. Public Authority Organization Structure

While AB1682 outlines certain responsibilities of the Employer of Record, HSA retains numerous IHSS program responsibilities, relative, for example, to client eligibility and budget management. Sorting out the separate and shared responsibilities between County departments and the Public Authority is essential prior to full implementation. The implementation team is working on other critical questions such as how the Public Authority should contract with County Human Resources and County Counsel for performing its collective bargaining responsibilities.

2. Public Authority Administrative Structure

The implementation team has identified staff classifications and specifications for Public Authority staff positions including an Executive Director (Human Services Manager), an Administrative Assistant and three Community Service Workers to perform registry support. By establishing these positions now, as requested in recommendation three, recruitment and selection of the Executive Director position may be completed no later than September, concurrent with the establishment of the Public Authority. Recruitment of the other positions will take place after the Public Authority is operational. In addition, the team is reviewing Public Authority professional service needs, including accounting, payroll and benefits management, legal, risk management and labor relations. The staffing and professional services will be provided by County agencies under contract with the Public Authority.

3. Policies and Procedures for Public Authority Functions/Establishment of a Registry

The Public Authority's responsibilities include establishing a registry and referral service to assist IHSS consumers to find providers, doing background investigations on providers listed on the registry, making training available to providers, and entering into collective bargaining with recognized organizations representing individual providers.

The team is working on preliminary policies and procedures to guide the performance of each of these responsibilities, recognizing that it is not feasible to wait for the Public Authority staff to be fully in place. At the same time, we have come to recognize that the functions of the registry require the Public Authority to be up and fully operational. We have identified, for example, there are no means to claim costs for the operation of a registry prior to implementation and there are uncertain or no protections from the increased liabilities that may be incurred by the County for taking on this responsibility.

4. Public Authority Budget Development and Fiscal Structure

The team has considered several models for how to handle payments to the Public Authority staff (see item 2 above), as well as the question of how to establish the appropriate accounting structure and related financial reporting. The legislation provides only minimal guidance on the subject.

5. Development of Agreement Between County and Public Authority

The work of the Interagency Implementation Team in addressing the multitude of issues described in this letter will culminate in the development of an agreement for your Board's consideration to formalize the contractual working arrangements of the County and the Public Authority.

With anticipated final adoption of the proposed Public Authority ordinance on July 23, the ordinance will go into effect 30 days thereafter. Accordingly, it is expected that your Board's first meeting acting as the Public Authority's Governing Board will be convened in mid-September with several items of business including, for example, the proposed service contract with the County and the employee/employer relations resolution referenced in the ordinance.

This letter has been reviewed by the County Executive Office/Program and Budget Division, County Executive Office/Human Resources Division, the Auditor-Controller's Office and County Counsel. If you have any questions, please contact me at 652-7602 or Bruce Stenslie, Director of HSA Administration at 652-7621.

Respectfully submitted,

BARBARA FITZGERALD
Director

County of Ventura
In-Home Supportive Services Advisory Committee

DEFINITIONS

The following definitions are for terms used in these Bylaws.

(a) IHSS means In-Home Supportive Services as described in Welfare and Institutions Code sections 12300 et seq.

(b) "Independent provider" means the state-sanctioned provider mode whereby the IHSS consumer selects, hires, schedules, trains and supervises a home care provider of his or her own choosing.

(c) "Provider" means a person who provides in-home supportive services to a recipient using the independent provider mode.

(d) "Homemaker" means a person who provides in-home supportive services to a recipient using the contract mode.

(e) "Recipient" means a person eligible for and authorized to receive in-home supportive services under Welfare and Institutions Code sections 12300 et seq.

(f) "County" means the County of Ventura.

(g) "Committee" means the Ventura County IHSS Advisory Committee.

(h) "Public Authority" means the Ventura County IHSS Public Authority.

(i) "Governing Body" means the Board of Supervisors of Ventura County acting as the governing body of the IHSS Public Authority.

(j) "Registry" means the system developed and maintained to provide IHSS recipients with names of available providers according to their stated preferences.

BYLAWS

Pursuant to Welfare and Institutions Code section 12301.6, the Board of Supervisors of Ventura County established a Public authority to provide for the delivery of in-home supportive services; and designated itself as the governing body of the public authority. In order to facilitate the enactment and continuance of this statute and Ventura County ordinance 4272, which created the public authority, the governing body formally established an In-Home Supportive Services (IHSS) Advisory Committee for seniors and persons with disabilities, hereinafter referred to as the "Advisory Committee". This document is the bylaws of the Ventura County IHSS Advisory Committee.

Section I-Powers and Duties:

1.1 **Legal Authority:** The Ventura County IHSS Advisory Committee was originally established by the Ventura County Board of Supervisors by Ordinance No. 4234, in accordance with the requirement of Welfare and Institutions Code section 12301.6 (b), (c), (d). The initial purpose of the committee was to investigate various modes for delivery of IHSS services and to make recommendations to the Board of Supervisors about which mode of services to adopt in Ventura County.

1.1.1 Acting on the Advisory Committee's recommendation, the Board of Supervisors established the Ventura County In-Home Supportive Services Public Authority with Ordinance No. 4272 on July 16, 2002. The IHSS Advisory Committee was created in Section II of the ordinance. Ventura County Ordinance No. 4234 was superceded and repealed by Ordinance No. 4272.

1.2 **Powers.** Derived from the governing body, as defined in Ventura County's enabling ordinance. The Advisory Committee serves as and satisfies the requirements of the advisory committee as defined by State statute and County ordinance.

1.2.1 Pursuant to Welfare and Institutions Code sections 12301.3, 12301.4 and 12302.25, the IHSS Advisory committee shall submit recommendations on the preferred mode of service to be utilized in the County for IHSS, as requested by the Human Services Agency, the Ventura County IHSS Public Authority or the Board of Supervisors. It shall also provide ongoing advice and recommendations regarding IHSS to the Board of Supervisors, and to any administrative body in the County that provides for the delivery and administration of IHSS, and to the governing body of the Public Authority.

1.2.2 The Advisory Committee shall study, review, evaluate and make recommendations to the Public Authority governing body and the Public Authority Executive Director relative to any and all matters affecting persons receiving In-Home Supportive Services in the county.

1.2.3 The Advisory committee shall have primary responsibility for accepting IHSS consumer input regarding policy development and funding decisions for the IHSS program on an ongoing basis. It shall serve as a liaison and between the IHSS Public Authority and consumers of in-home care, relative to any and all matters affecting the In-Home Supportive Service program as a whole.

1.3 **Duties.** In its capacity as primary advocates for the general interests of consumers of IHSS, the Advisory Committee shall examine and analyze available data on the IHSS program, and make recommendations to program staff and the governing body of the Public Authority for the improvement of the In-Home Supportive Services program.

1.3.1 The Advisory Committee shall be responsible for calling and presiding over public hearings as considered necessary to receive information and opinion from consumers, stakeholder organizations, and members of the general public regarding the IHSS program.

1.3.2 At least once per calendar year, the Advisory Committee shall submit a report in writing to the governing body of the Public Authority summarizing testimony, findings and the results of any investigations the Advisory Committee conducted during the previous year.

1.3.3 The Advisory Committee shall appoint one of its members to participate in the initial screening process for applicants for the position of Executive Director of the Public Authority whenever it becomes vacant.

Section II-Membership

2.1 **Terms**. The existing IHSS Advisory Committee shall serve as the initial advisory committee to the Public Authority, and shall fulfill the roles and responsibilities required by Welfare and Institutions Code section 12301.6. The IHSS Advisory Committee members appointed under the above resolution shall complete their current terms pursuant to this Section.

2.1.1 At the end of the initial members terms, the Board of Supervisors shall appoint a new committee whose members are appointed for one, two, or three years (length of term to be decided by lot).

2.1.2 Subsequent appointees shall serve for terms of three years beginning from the date of their appointment.

2.3 **Vacant Seats**. When an Advisory Board member leaves office before the completion of his or her appointed term, as defined in the bylaws of the Advisory Committee, the Board of Supervisors shall appoint a replacement from a list provided by the Advisory Committee.

2.4 **Removal Of Members**. The Advisory Committee, by an affirmative vote of two-thirds (2/3) of its members in office, excluding the vote of the member in question, may recommend to the Board of Supervisors replacement of an Advisory Committee member if he or she: has failed to attend meetings on a reasonable and regular basis, as defined in section 2.5; or has otherwise been neglectful of duties; or is convicted of a crime involving moral turpitude. Any Advisory Committee member is subject to removal at any time by a two-third (2/3) vote of the Board of Supervisors.

2.5 **Attendance Requirement**. Any Committee member who is absent without good cause for three successive regular meetings will have his/her seat automatically vacated. The Chair shall report this vacancy to the Board of Supervisors, the Clerk of the Board, and to the member vacating his/her seat.

2.5.1 Good cause for an excused absence requires that the member notify the Chair in advance that he or she will be unable to attend.

2.6 **Membership Classifications.** All new appointments shall be made pursuant to this Section. The Ventura County IHSS Advisory Committee shall be made up of not

6 RECIPIENTS

more than eleven (11) voting members of which no less that fifty percent (50%) shall be current or past users of personal assistance services paid for through public or private funds, including the IHSS program.

EXEC DIR 2.6.1 The Director of the Human Services Agency, or his or her designee, shall be a non-voting member of the Advisory Committee.

2 PROVIDERS 2.6.2 At least two of the members of the Advisory Committee shall be current or former providers of in-home supportive services.

CBO 2.6.3 One member of the Advisory Committee shall be drawn from a community-based organization that represents the interests of people with disabilities or seniors.

CEO 2.6.4 One member of the Advisory Committee shall be appointed by the Executive Officer of the County of Ventura.

2.7 **Non-Voting Members**. Non-voting members shall consist of the following:

EXEC DIR • The director of the Human Services Agency, or his or her designee;

SEIU • A representative from the collective bargaining organization that represents providers of IHSS in Ventura County.

2.8 The Ventura County Board of Supervisors shall appoint all future members of the Advisory Committee, excluding the Director of the Human Services Agency or his or her designee.

2.9 Not more than one county employee shall be appointed as a member of the Advisory committee, but any County employee may be designated to provide ongoing advice and support to the Advisory Committee.

2.10 The Director of the Human Services Agency shall designate at least one County employee to provide ongoing advice and support to the IHSS Advisory Committee.

2.11 **Recruitment of New Members.** Prior to the appointment of members of the Advisory committee, the governing body or their designee, shall instruct County staff to solicit recommendations for qualified members through a fair and open process that includes the provision of reasonable written notice to, and reasonable response time by, members of the general public and interested persons and organizations.

2.12 The Advisory Committee or its sub-committees or designees shall review applications for appointment to vacant seats on the committee and shall identify a list of nominees, which shall be presented to the Board of Supervisors for appointment.

2.13 Applicants shall be reviewed for eligibility to serve on the Advisory Committee per section 2.3 above and ranked based on general knowledge of the IHSS program, and on past public service experience.

Section III-Officers

3.1 The elected officers of the Advisory Committee shall be a Chair, a Vice-Chair and additional officers as designated in the bylaws of the Advisory Committee as amended from time to time. The chair shall appoint a Secretary.

3.1.1 The duties of the Chair are to preside over meetings, approve agendas, represent the Advisory Committee at public functions and provide testimony before the governing body of the Public Authority.
3.1.2 The Vice-Chair shall assume these same duties in the absence of the Chair.
3.1.3 The Secretary shall be responsible for reviewing the minutes of each meeting for accuracy and completeness before they are submitted to the Advisory Committee for approval.

3.2 **Election of Officers.** The Advisory Committee shall elect officers from among its members, each of whom shall have the authority to perform duties consistent with the Statute and Ordinance as set forth in its bylaws or as determined by the governing body from time to time. Officers shall be elected for terms of one year, and may be immediately reelected to a second one-year term. Elections shall be held at the first meeting after January 1 of each year.

3.3 **Removal of Officers.** Any officer may be removed without cause, at any Advisory Committee meeting at which a valid quorum is established, by the vote of a majority of all Advisory Committee members' present, action upon a properly noticed motion. An officer shall immediately cease to be an officer as he or she ceases to be a member of the Advisory Committee.

Section IV—Sub-Committees

4.1 **Standing Sub-Committee.** Sub-Committees may be appointed by the Chair upon approval of a majority of Advisory Committee members. The Chair, with a majority approval, may dissolve any sub-committee when its function is no longer needed.

4.1.1 The Chair shall report the name, purpose, and membership of each standing sub-committee established to assist the Advisory committee for longer than six (6) months as provided in Ventura County Code.
4.1.2 The Chair may appoint as hoc sub-committees, as needed.

4.2 **Notice and Agenda Requirements.** All sub-committees shall comply with the notice and agenda requirements otherwise applicable to the Advisory Committee in these bylaws, except for sub-committees which are not standing sub-committees and are composed solely of less than a quorum of the membership of the Advisory Committee. Sub-Committees with either a continuing subject jurisdiction or a meeting schedule fixed by resolution or other formal action of the Advisory Committee are standing sub-

committees and are not exempted from the notice and agenda requirements of these bylaws.

Section V—Conduct of Meetings

5.1 **Location and Frequency of Meetings.** Regular meetings of the IHSS Advisory Committee shall be held on the fourth Wednesday of each month at the Ventura County Government Center, Hall of Justice Cafeteria, Pacific Conference Room, or at such other times and locations as the Advisory Committee shall designate and give proper public notice. Meetings shall be called to order at 2:00 PM and shall end at 4:00 PM.

5.1.1 There will be no regular meeting in the months of December and July, although special meetings or hearings may be called and held at any time with proper public notice.

5.1.2 Once public notice of a meeting has been made, the meeting shall not be continued or adjourned; except if all members are absent, there is less than a quorum, or other unforeseen eventuality would prevent the Advisory committee from conducting business.

5.1.3 When a meeting is adjourned as provided in this section, the secretary may declare the meeting adjourned to a stated time and place and disseminate written notice of the adjournment and the new date, place and time in the usual manner. A copy of the order if adjournment shall be conspicuously posted within 24-hours on or near the door of the place where the meeting was to be held. If the notice does not state the hour and place of the next meeting, it shall be held at the time and place specified for regular meetings in these bylaws.

5.2 **Agendas.** The following items shall be mailed to each Advisory Committee member at least one week prior to each meeting:

1. An agenda for the meeting;
2. Any written material to be discussed at the meeting;
3. Minutes of the last meeting.

5.2.1 At least one week prior to each meeting, an agenda for the regular meeting shall also be mailed to each representative of the news media and to each other person who has submitted a written request to the Advisory Committee for notification of regular meetings. The agenda shall be posted at least seventy-two hours prior to the regular meeting at a location that is freely accessible to the public. The agenda shall contain a brief general description of each item of business to be transacted or discussed at the meeting.

5.2.2 No action or discussion shall be undertaken on any item not appearing on the posted agenda, except that members of the Committee may briefly respond to statements made or questions posed by persons exercising their public testimony rights. Committee members may also ask a question for clarification, refer the matter to staff or to other resources for factual information, or request staff to report back at a subsequent meeting concerning any matter.

5.2.3 Notwithstanding the foregoing, action may be taken on an item of business not appearing on the posted agenda upon determination by two-thirds of the membership of the Committee that there is a need to take immediate action, and that the need for action became known after the agenda was posted. If less than two-thirds of the members are present, the Committee may take immediate action by unanimous vote of those present.

5.2.4 Committee members who wish to place items on the agenda shall give those items to the Chair of the Committee at least ten days in advance of the meeting.

5.3 **Special Meetings.** Special meetings may be called by a majority vote of the Committee during any regular or special meeting or by determination by the Chair that a special meeting is necessary.

5.3.1 At least twenty-four (24) hours prior to each special meeting, an agenda for the special meeting shall be mailed to each Committee member and to each representative or the news media and to each other person who has submitted a written request to the Committee for notification of meetings. A copy of the agenda shall be posted at least twenty-four (24) hours prior to the special meeting at a location that is freely accessible to members of the public. No business other than that listed on the agenda shall be considered at a special meeting.

5.4 **Non-Discrimination/Accessibility.** No meeting of this Committee shall be held in any facility that prohibits the admittance of any person, or persons, on the basis of race, religious creed, color, national origin, ancestry, physical handicap, medical condition, marital status, sexual preference, age or veteran status. No meeting of this Committee shall be held in a place that restricts access for the handicapped.

5.5 **Public Participation.** Public participation in Committee meetings shall be allowed as follows:

5.5.1 An opportunity for members of the public to directly address the Committee on any item on the agenda of interest to the public shall be provided before, during or after the Committee's consideration of the item.

5.5.2 The Chair of the Committee may establish reasonable limits on the amount of time allotted to each speaker on a particular item. The Committee may establish reasonable limits on the total amount of time allotted for public testimony on a particular item, or the total amount of time allotted for community oral communications.

5.5.3 Persons who wish to address the Committee must fill out speakers' request cards and give them to the secretary of the Committee to be recognized by the Chair. Speakers must give their full names, including spelling, as requested by the secretary and their town or area of residence.

5.6 **Right to Attend.** A person shall not be required to register his/her name or fulfill any other obligation as a condition of attendance at any meeting of this Committee or its Sub-

Committees, but may volunteer such information for inclusion in the Committee's minutes.

5.7 **Order of Meeting.** The order of meetings will be conducted in accordance with Robert's Rules of Order Revised, unless otherwise specified by the authorizing or bylaws of the Committee.

5.8 **Quorum.** A quorum shall exist when a majority of Committee members who are eligible to vote are present at a meeting. Non-voting members (such as the Director of the Human Services Agency, or his or her designee) shall not be considered in establishing a quorum. However, voting members who abstain from a particular vote shall be considered when establishing a quorum.

5.9 **Voting.** All official acts of the Committee shall require the affirmative vote of a majority of the members present and voting at a meeting with a quorum present. Absent members may not vote, whether by proxy, teleconference, or written ballot, consistent with the requirements of the Brown Act.

5.10 **Conflict of Interest.** A Committee member shall abstain from voting where a conflict of interest exists as defined in the Ventura County Code. No Committee member shall participate in discussion or resolution of any matter in which he or she has a personal financial interest as defined by applicable law. For such purposes, an individual's status as a recipient of IHSS services on the same basis as other members of the public shall not be considered a personal financial interest.

5.11 **Minutes**. The Secretary, or his or her designee, shall prepare the minutes of each meeting of the Committee. The minutes shall be an accurate summary of the consideration of each item on the agenda and an accurate record of each action taken. At a subsequent meeting, the Secretary shall submit the minutes for approval by a majority vote of the members in attendance at the meeting covered by the minutes. Once approved, the Secretary shall sign the minutes and keep them with the proceedings of the Committee.

5.11.1 All documents and records of the Committee that are not exempt from disclosure by law shall be public records under the California Public Records Act (California Government Code Section 6250 et seq.).

5.11.2 The members of the Committee shall respect the confidentiality rights of IHSS consumers and independent providers. The Committee shall institute procedures to guarantee that no information regarding an individually identifiable consumer shall be released by the Committee as a whole or by Committee members.

Section VI—Fiscal Provisions

6.1 The budget of the Committee is controlled by the Human Services Agency and all costs of operation, reimbursement of expenses, costs of advertising, publications, public

hearings or other costs consistent with the mission of the Committee shall be paid with prior approval by the Human Services Agency.

6.2 Members of the Committee shall not incur expenses on behalf of, or in the name of, the Committee or its members without prior approval from the Director of the Human Services Agency or his or her designee.

6.3 Committee members shall be reimbursed for costs related to participation in Committee meetings, hearings and other business functions. Members attending regularly scheduled meetings of the Committee shall be entitled to a customary per diem allowance for each meeting. Costs associated with Committee duties other than regular meetings shall be reimbursed for out-of-pocket cost based on documentation submitted to HSA.

CALIFORNIA CODES
WELFARE AND **INSTITUTIONS CODE**
SECTION **749**.2-**749**.27

749.2. This article shall be known and may be cited as the Juvenile Crime Enforcement and Accountability Challenge Grant Program.

749.21. The Juvenile Crime Enforcement and Accountability Challenge Grant Program shall be administered by the Board of Corrections for the purpose of reducing juvenile crime and delinquency. This program shall award grants on a competitive basis following request-for-proposal evaluation standards and guidelines developed by the Board of Corrections, as authorized by this article, to counties that (a) develop and implement a comprehensive, multiagency local action plan that provides for a continuum of responses to juvenile crime and delinquency, including collaborative ways to address local problems of juvenile crime; and (b) demonstrate a collaborative and integrated approach for implementing a system of swift, certain, graduated responses, and appropriate sanctions for at-risk youth and juvenile offenders.

749.22. To be eligible for this grant, each county shall be required to establish a multiagency juvenile justice coordinating council that shall develop and implement a continuum of county-based responses to juvenile crime. The coordinating councils shall, at a minimum, include the chief probation officer, as chair, and one representative each from the district attorney's office, the public defender's office, the sheriff's department, the board of supervisors, the department of social services, the department of mental health, a community-based drug and alcohol program, a city police department, the county office of education or a school district, and an at-large community representative. In order to carry out its duties pursuant to this section, a coordinating council shall also include representatives from nonprofit community-based organizations providing services to minors. The board of supervisors

shall be informed of community-based organizations participating on a coordinating council. The coordinating councils shall develop a comprehensive, multiagency plan that identifies the resources and strategies for providing an effective continuum of responses for the prevention, intervention, supervision, treatment, and incarceration of male and female juvenile offenders, including strategies to develop and implement locally based or regionally based out-of-home placement options for youths who are persons described in Section 602. Counties may utilize community punishment plans developed pursuant to grants awarded from funds included in the 1995 Budget Act to the extent the plans address juvenile crime and the juvenile justice system or local action plans previously developed for this program. The plan shall include, but not be limited to, the following components:

(a) An assessment of existing law enforcement, probation, education, mental health, health, social services, drug and alcohol and youth services resources which specifically target at-risk juveniles, juvenile offenders, and their families.

(b) An identification and prioritization of the neighborhoods, schools, and other areas in the community that face a significant public safety risk from juvenile crime, such as gang activity, daylight burglary, late-night robbery, vandalism, truancy, controlled substance sales, firearm-related violence, and juvenile alcohol use within the council's jurisdiction.

(c) A local action plan (LAP) for improving and marshaling the resources set forth in subdivision (a) to reduce the incidence of juvenile crime and delinquency in the areas targeted pursuant to subdivision (b) and the greater community. The councils shall prepare their plans to maximize the provision of collaborative and integrated services of all the resources set forth in subdivision (a), and shall provide specified strategies for all elements of response, including prevention, intervention, suppression, and incapacitation, to provide a continuum for addressing the identified male and female juvenile crime problem, and strategies to develop and implement locally based or regionally based out-of-home placement options for youths who are persons described in Section 602.

(d) Develop information and intelligence-sharing systems to ensure that county actions are fully coordinated, and to provide data for measuring the success of the grantee in achieving its goals. The plan shall develop goals related to the outcome measures that shall be used to determine the effectiveness of the program.

(e) Identify outcome measures which shall include, but not be limited to, the following:

(1) The rate of juvenile arrests.
(2) The rate of successful completion of probation.
(3) The rate of successful completion of restitution and court-ordered community service responsibilities.

749.23. The Board of Corrections shall award grants that provide funding for three years. Funding shall be used to supplement, rather than supplant, existing programs and grants may be awarded to any county including those counties currently receiving funds pursuant to this article. Grant funds shall be used for programs that are identified in the local action plan as part of a continuum of responses to reduce juvenile crime and delinquency. No grant shall be awarded unless the applicant makes available resources in an amount equal to at least 25 percent of the amount of the grant. Resources may include in-kind contributions from participating agencies. In awarding grants, priority shall be given to those proposals which include additional funding that exceeds 25 percent of the amount of the grant. In awarding grants, priority shall also be given to programs in counties where the population exceeds 500,000 and the rate of violent crime exceeds the state average.

749.24. The Board of Corrections shall establish minimum standards, funding schedules, and procedures for awarding grants, which shall take into consideration, but not be limited to, all of the following:

(a) Size of the eligible high-risk youth population.
(b) Demonstrated ability to administer the program.
(c) Demonstrated ability to provide and develop a continuum of responses to juvenile crime and delinquency that includes prevention, intervention, diversion, suppression, and incapacitation.
(d) Demonstrated ability to implement a plan that provides a collaborative and integrated approach to juvenile crime and delinquency.
(e) Demonstrated history of maximizing federal, state, local, and private funding sources.
(f) Demonstrated efforts to implement a multicounty juvenile justice program.
(g) Likelihood that the program will continue to operate after state grant funding ends.

749.25. The Board of Corrections may award up to a total of two million dollars ($2,000,000) statewide, in individual grants not exceeding one hundred and fifty thousand dollars ($150,000), on a competitive basis to counties to assist in establishing a multiagency coordinating group or developing a local action plan.

749.26. The Board of Corrections shall create an evaluation design for the Juvenile Crime Enforcement and Accountability Challenge Grant Program that will assess the effectiveness of the program. For grants awarded before July 1, 1998, the board shall develop an interim report to be submitted to the Legislature on or before March 1, 1999, and a final analysis of the grant program in a report to be submitted to the Legislature on or before March 1, 2001. For grants awarded after July 1, 1998, the board shall develop an interim report to be submitted to the Legislature on or before March 1, 2001, and a final analysis of the grant program in a report to be submitted to the Legislature on or before March 1, 2003.

749.27. Funding for the Juvenile Crime Enforcement and Accountability Challenge Grant Program for grant awards made before July 1, 1998, shall be provided from the amount appropriated in Item 5430-101-0001 of the Budget Act of 1996. Up to 5 percent of the amount appropriated in Item 5430-101-0001 of the Budget Act of 1996 shall be transferred upon the approval of the Director of Finance, to Item 5430-001-0001 for expenditure as necessary for the board to administer this program, including technical assistance to counties and the development of an evaluation component.

Subject: **SCHIFF-CARDENAS CRIME PREVENTION ACT OF 2000 (AB 1913), WELFARE AND INSTITUTIONS CODE SECTION 749.2 – APPOINTMENT OF A JUVENILE JUSTICE COORDINATING COUNCIL**

Recommendation:

It is recommended that your Board:

1. Review the provisions of the Schiff-Cardenas Crime Prevention Act of 2000 (AB 1913), Welfare and Institutions Code Section 749.2, as discussed herein; and

2. Appoint a Juvenile Justice Coordinating Council, as set forth in Attachment A, and as required in Welfare and Institutions Code Section 749.22.

Fiscal Impact:

The Schiff-Cardenas Crime Prevention Act, Welfare and Institutions Code (WIC) Section 749.2, provides for equal amounts of expenditures and revenue spanning two fiscal years in the amount of $2,672,098.

Mandatory:	Yes, in order to receive funding under Section 749.2 WIC
Source of Funding:	Supplemental Law Enforcement Services Fund (SLESF)
Funding Match Required:	No
Impact on Other Departments:	No

Discussion:

On September 7, 2000, the Governor signed into law the Schiff-Cardenas Crime Prevention Act of 2000, Section 749.2 WIC. This Act allocates 50% of the Supplemental Law Enforcement Services Fund (SLESF) to counties on a per capita basis to implement a comprehensive, multi-agency juvenile justice plan (CMJJP) with specified components and objectives. It requires that each county's plan be developed by a local juvenile justice coordinating council and approved by the county Board of Supervisors and the state Board of Corrections (BOC). For FY 2000-01, the legislature has appropriated a total of $243,350,000 statewide, with Ventura County's share estimated to be $2,672,098. The law specifically requires that the funds not be used to supplant any existing programs or projects. Funds may be utilized in support of approved programs as soon as the county's CMJJP is approved by the BOC. BOC approval of the CMJJP must occur prior to May 1, 2001. Funds may be rolled forward into FY 2001-02, and must be expended by June 30, 2002; any unexpended funds remaining after June 30, 2002, must be refunded to the State.

Juvenile Justice Coordinating Council:

As required by Section 749.2 WIC, the county's CMJJP must be developed by a local juvenile justice coordinating council consisting of membership as specified in Welfare and Institutions Code Section 749.22.

Pursuant to Section 749.22 WIC, membership of the coordinating council "shall, at a minimum, include the chief probation officer, as chair, and one representative each from the district attorney's office, the public defender's office, the sheriff's department, the board of supervisors, the department of social services, the department of mental health, a community-based drug and alcohol program, a city police department, the county office of education or a school district, an at-large community representative...(and) representatives from non-profit community-based organizations providing services to minors."

Currently, the county has two councils whose memberships include many of those specified under Section 749.22 WIC: the Multi-Agency Juvenile Justice Coordinating Council (MAJJCC) and the Inter-Agency Juvenile Justice Coordinating Council (IAJJC). In order to avoid a duplication of efforts and membership, it is recommended that the two groups be consolidated into a single unit, the Juvenile Justice Coordinating Council (JJCC). Attached is a list of those recommended to be appointed to the JJCC. Public sector representatives will serve for the duration of their specified positions; private

sector representatives are recommended to be appointed for a term not to exceed two years.

CMJJP Requirements:

Section 749.2 WIC has specific requirements for the content of the county's CMJJP. The plan must include an assessment of existing services, an identification and prioritization of geographic areas facing significant public safety risk from juvenile crime, and a local strategy that provides a continuum of responses to juvenile crime. Programs developed as a result of the assessment must be based on approaches previously proven effective in reducing delinquency and addressing juvenile crime, and must have specific goals and measurable outcomes.

Ventura County is in the unique position of having recently developed a similar assessment of juvenile services and needs during the Juvenile Justice Complex Construction Grant application processes in 1998. Noted consultant Suzie Cohen prepared our 1998 Local Action Plan for the construction grant application, and has been retained to work with the JJCC to update the plan for Section 749.2 WIC funding. Ms Cohen will also coordinate the development of the CMJJP program strategies. Finalization of the CMJJP by the JJCC is anticipated in January 2001.

Once the CMJJP is developed by the JJCC, I will return to your Board seeking approval of the CMJJP and its conceptual expenditure plan. Upon BOC approval of the CMJJP, anticipated in late February or early March 2001, I will again return to your Board for approval of appropriations with which to implement the plan.

Section 749.2 WIC provides an excellent opportunity for us to make a significant impact in reducing this county's rate of juvenile crime and delinquency. Because of past efforts made at identifying needs and service gaps, we are in an excellent position to quickly identify and implement appropriate programs and capture the full amount of funding available.

This letter has been reviewed by the Chief Administrative Office, the Auditor-Controller, and County Counsel. If you have any questions, please call me at 654-2100 or Chief Deputy Terry Warnock at 654-2111.

Sincerely,

Calvin C. Remington by Karen J. Staples

CALIFORNIA CODES
WELFARE AND **INSTITUTIONS CODE**
SECTION 5600-5623.5

5600. (a) This part shall be known and may be cited as the Bronzan-McCorquodale Act. This part is intended to organize and finance community mental health services for the mentally disordered in every county through locally administered and locally controlled community mental health programs. It is furthermore intended to better utilize existing resources at both the state and local levels in order to improve the effectiveness of necessary mental health services; to integrate state-operated and community mental health programs into a unified mental health system; to ensure that all mental health professions be appropriately represented and utilized in the mental health programs; to provide a means for participation by local governments in the determination of the need for and the allocation of mental health resources under the jurisdiction of the state; and to provide a means of allocating mental health funds deposited in the Local Revenue Fund equitably among counties according to community needs.

(b) With the exception of those referring to Short-Doyle Medi-Cal services, any other provisions of law referring to the Short-Doyle Act shall be construed as referring to the Bronzan-McCorquodale Act.

5600.1. The mission of California's mental health system shall be to enable persons experiencing severe and disabling mental illnesses and children with serious emotional disturbances to access services and programs that assist them, in a manner tailored to each individual, to better control their illness, to achieve their personal goals, and to develop skills and supports leading to their living the most constructive and satisfying lives possible in the least restrictive available settings.

5600.2. To the extent resources are available, public mental health

services in this state should be provided to priority target populations in systems of care that are client-centered, culturally competent, and fully accountable, and which include the following factors:

(a) Client-Centered Approach. All services and programs designed for persons with mental disabilities should be client centered, in recognition of varying individual goals, diverse needs, concerns, strengths, motivations, and disabilities. Persons with mental disabilities:

(1) Retain all the rights, privileges, opportunities, and responsibilities of other citizens unless specifically limited by federal or state law or regulations.

(2) Are the central and deciding figure, except where specifically limited by law, in all planning for treatment and rehabilitation based on their individual needs. Planning should also include family members and friends as a source of information and support.

(3) Shall be viewed as total persons and members of families and communities. Mental health services should assist clients in returning to the most constructive and satisfying lifestyles of their own definition and choice.

(4) Should receive treatment and rehabilitation in the most appropriate and least restrictive environment, preferably in their own communities.

(5) Should have an identifiable person or team responsible for their support and treatment.

(6) Shall have available a mental health advocate to ensure their rights as mental health consumers pursuant to Section 5521.

(b) Priority Target Populations. Persons with serious mental illnesses have severe, disabling conditions that require treatment, giving them a high priority for receiving available services.

(c) Systems of Care. The mental health system should develop coordinated, integrated, and effective services organized in systems of care to meet the unique needs of children and youth with serious emotional disturbances, and adults, older adults, and special populations with serious mental illnesses. These systems of care should operate in conjunction with an interagency network of other services necessary for individual clients.

(d) Outreach. Mental health services should be accessible to all consumers on a 24-hour basis in times of crisis. Assertive outreach should make mental health services available to homeless and hard-to-reach individuals with mental disabilities.

(e) Multiple Disabilities. Mental health services should address the special needs of children and youth, adults, and older adults

with dual and multiple disabilities.

(f) Quality of Service. Qualified individuals trained in the client-centered approach should provide effective services based on measurable outcomes and deliver those services in environments conducive to clients' well-being.

(g) Cultural Competence. All services and programs at all levels should have the capacity to provide services sensitive to the target populations' cultural diversity. Systems of care should:

(1) Acknowledge and incorporate the importance of culture, the assessment of cross-cultural relations, vigilance towards dynamics resulting from cultural differences, the expansion of cultural knowledge, and the adaptation of services to meet culturally unique needs.

(2) Recognize that culture implies an integrated pattern of human behavior, including language, thoughts, beliefs, communications, actions, customs, values, and other **institutions** of racial, ethnic, religious, or social groups.

(3) Promote congruent behaviors, attitudes, and policies enabling the system, agencies, and mental health professionals to function effectively in cross-cultural **institutions** and communities.

(h) Community Support. Systems of care should incorporate the concept of community support for individuals with mental disabilities and reduce the need for more intensive treatment services through measurable client outcomes.

(i) Self-Help. The mental health system should promote the development and use of self-help groups by individuals with serious mental illnesses so that these groups will be available in all areas of the state.

(j) Outcome Measures. State and local mental health systems of care should be developed based on client-centered goals and evaluated by measurable client outcomes.

(k) Administration. Both state and local departments of mental health should manage programs in an efficient, timely, and cost-effective manner.

(l) Research. The mental health system should encourage basic research into the nature and causes of mental illnesses and cooperate with research centers in efforts leading to improved treatment methods, service delivery, and quality of life for mental health clients.

(m) Education on Mental Illness. Consumer and family advocates for mental health should be encouraged and assisted in informing the public about the nature of mental illness from their viewpoint and about the needs of consumers and families. Mental health

professional organizations should be encouraged to disseminate the most recent research findings in the treatment and prevention of mental illness.

5600.3. To the extent resources are available, the primary goal of the use of funds deposited in the mental health account of the local health and welfare trust fund should be to serve the target populations identified in the following categories, which shall not be construed as establishing an order of priority:

(a) (1) Seriously emotionally disturbed children or adolescents.

(2) For the purposes of this part, "seriously emotionally disturbed children or adolescents" means minors under the age of 18 years who have a mental disorder as identified in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, other than a primary substance use disorder or developmental disorder, which results in behavior inappropriate to the child's age according to expected developmental norms. Members of this target population shall meet one or more of the following criteria:

(A) As a result of the mental disorder, the child has substantial impairment in at least two of the following areas: self-care, school functioning, family relationships, or ability to function in the community; and either of the following occur:

(i) The child is at risk of removal from home or has already been removed from the home.

(ii) The mental disorder and impairments have been present for more than six months or are likely to continue for more than one year without treatment.

(B) The child displays one of the following: psychotic features, risk of suicide or risk of violence due to a mental disorder.

(C) The child meets special education eligibility requirements under Chapter 26.5 (commencing with Section 7570) of Division 7 of Title 1 of the Government **Code**.

(b) (1) Adults and older adults who have a serious mental disorder.

(2) For the purposes of this part, "serious mental disorder" means a mental disorder which is severe in degree and persistent in duration, which may cause behavioral functioning which interferes substantially with the primary activities of daily living, and which may result in an inability to maintain stable adjustment and independent functioning without treatment, support, and rehabilitation for a long or indefinite period of time. Serious

mental disorders include, but are not limited to, schizophrenia, as well as major affective disorders or other severely disabling mental disorders. This section shall not be construed to exclude persons with a serious mental disorder and a diagnosis of substance abuse, developmental disability, or other physical or mental disorder.

(3) Members of this target population shall meet all of the following criteria:

(A) The person has a mental disorder as identified in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders, other than a substance use disorder or developmental disorder or acquired traumatic brain injury pursuant to subdivision (a) of Section 4354 unless that person also has a serious mental disorder as defined in paragraph (2).

(B) (i) As a result of the mental disorder, the person has substantial functional impairments or symptoms, or a psychiatric history demonstrating that without treatment there is an imminent risk of decompensation to having substantial impairments or symptoms.

(ii) For the purposes of this part, "functional impairment" means being substantially impaired as the result of a mental disorder in independent living, social relationships, vocational skills, or physical condition.

(C) As a result of a mental functional impairment and circumstances, the person is likely to become so disabled as to require public assistance, services, or entitlements.

(4) For the purpose of organizing outreach and treatment options, to the extent resources are available, this target population includes, but is not limited to, persons who are any of the following:

(A) Homeless persons who are mentally ill.

(B) Persons evaluated by appropriately licensed persons as requiring care in acute treatment facilities including state hospitals, acute inpatient facilities, institutes for mental disease, and crisis residential programs.

(C) Persons arrested or convicted of crimes.

(D) Persons who require acute treatment as a result of a first episode of mental illness with psychotic features.

(5) California veterans in need of mental health services and who meet the existing eligibility requirements of this section, shall be provided services to the extent resources are available. Veterans who may be eligible for mental health services through the United States Department of Veterans Affairs should be advised of these services by the county.

(A) No eligible veteran shall be denied county mental health services based solely on his or her status as a veteran.

(B) Counties shall refer a veteran to the county veterans service officer, if any, to determine the veteran's eligibility for, and the availability of, mental health services provided by the United States Department of Veterans Affairs or other federal health care provider.

(C) Counties should consider contracting with community-based veterans' services agencies, where possible, to provide high-quality, veteran specific mental health services.

(c) Adults or older adults who require or are at risk of requiring acute psychiatric inpatient care, residential treatment, or outpatient crisis intervention because of a mental disorder with symptoms of psychosis, suicidality, or violence.

(d) Persons who need brief treatment as a result of a natural disaster or severe local emergency.

5600.35. (a) Services should be encouraged in every geographic area to the extent resources are available for clients in the target population categories described in Section 5600.3.

(b) Services to the target populations should be planned and delivered so as to ensure statewide access by members of the target populations, including all ethnic groups in the state.

5600.4. Community mental health services should be organized to provide an array of treatment options in the following areas, to the extent resources are available:

(a) Precrisis and Crisis Services. Immediate response to individuals in precrisis and crisis and to members of the individual's support system, on a 24-hour, seven-day-a-week basis. Crisis services may be provided offsite through mobile services. The focus of precrisis services is to offer ideas and strategies to improve the person's situation, and help access what is needed to avoid crisis. The focus of crisis services is stabilization and crisis resolution, assessment of precipitating and attending factors, and recommendations for meeting identified needs.

(b) Comprehensive Evaluation and Assessment. Includes, but is not limited to, evaluation and assessment of physical and mental health, income support, housing, vocational training and employment, and

social support services needs. Evaluation and assessment may be provided offsite through mobile services.

(c) Individual Service Plan. Identification of the short- and long-term service needs of the individual, advocating for, and coordinating the provision of these services. The development of the plan should include the participation of the client, family members, friends, and providers of services to the client, as appropriate.

(d) Medication Education and Management. Includes, but is not limited to, evaluation of the need for administration of, and education about, the risks and benefits associated with medication. Clients should be provided this information prior to the administration of medications pursuant to state law. To the extent practicable, families and caregivers should also be informed about medications.

(e) Case Management. Client-specific services that assist clients in gaining access to needed medical, social, educational, and other services. Case management may be provided offsite through mobile services.

(f) Twenty-four Hour Treatment Services. Treatment provided in any of the following: an acute psychiatric hospital, an acute psychiatric unit of a general hospital, a psychiatric health facility, an institute for mental disease, a community treatment facility, or community residential treatment programs, including crisis, transitional and long-term programs.

(g) Rehabilitation and Support Services. Treatment and rehabilitation services designed to stabilize symptoms, and to develop, improve, and maintain the skills and supports necessary to live in the community. These services may be provided through various modes of services, including, but not limited to, individual and group counseling, day treatment programs, collateral contacts with friends and family, and peer counseling programs. These services may be provided offsite through mobile services.

(h) Vocational Rehabilitation. Services which provide a range of vocational services to assist individuals to prepare for, obtain, and maintain employment.

(i) Residential Services. Room and board and 24-hour care and supervision.

(j) Services for Homeless Persons. Services designed to assist mentally ill persons who are homeless, or at risk of being homeless, to secure housing and financial resources.

(k) Group Services. Services to two or more clients at the same time.

5600.5. The minimum array of services for children and youth meeting the target population criteria established in subdivision (a) of Section 5600.3 should include the following modes of service in every geographical area, to the extent resources are available:

(a) Precrisis and crisis services.
(b) Assessment.
(c) Medication education and management.
(d) Case management.
(e) Twenty-four-hour treatment services.
(f) Rehabilitation and support services designed to alleviate symptoms and foster development of age appropriate cognitive, emotional, and behavioral skills necessary for maturation.

5600.6. The minimum array of services for adults meeting the target population criteria established in subdivision (b) of Section 5600.3 should include the following modes of service in every geographical area, to the extent resources are available:

(a) Precrisis and crisis services.
(b) Assessment.
(c) Medication education and management.
(d) Case management.
(e) Twenty-four-hour treatment services.
(f) Rehabilitation and support services.
(g) Vocational services.
(h) Residential services.

5600.7. The minimum array of services for older adults meeting the target population criteria established in subdivision (b) of Section 5600.3 should include the following modes of service in every geographical area, to the extent resources are available:

(a) Precrisis and crisis services, including mobile services.
(b) Assessment, including mobile services.
(c) Medication education and management.
(d) Case management, including mobile services.
(e) Twenty-four-hour treatment services.
(f) Residential services.
(g) Rehabilitation and support services, including mobile

services.

5600.8. (a) The department may allocate the funds appropriated in Schedule (2) of Item 4440-101-0001 of the annual Budget Act, to county mental health programs that meet programmatic goals and model adult system of care programs to the satisfaction of the department. The department shall audit and monitor the use of these funds to ensure they are used solely in support of Adult System of Care programming. If county programs receiving adult system of care funding do not comply with program and audit requirements determined by the department, funding shall be redistributed to other counties to implement, expand, or model adult systems of care.

(b) The department may allocate the funds appropriated in Schedule (3) of Item 4440-101-0001 of the annual Budget Act, to county mental health programs for Children's System of Care programming. These funds shall be utilized by counties only in support of a mental health system serving seriously emotionally disturbed children, in accordance with the principles and program requirements associated with the system of care model, as set forth in Part 4 (commencing with Section 5850). The department shall audit and monitor the use of these funds to ensure they are used solely in support of the Children's System of Care program. If county programs receiving children's system of care funding do not comply with program and audit requirements determined by the department, funds shall be redistributed to other counties to implement, expand, or model children's system of care programming.

5600.9. (a) Services to the target populations described in Section 5600.3 should be planned and delivered to the extent practicable so that persons in all ethnic groups are served with programs that meet their cultural needs.

(b) Services in rural areas should be developed in flexible ways, and may be designed to meet the needs of the indigent and uninsured who are in need of public mental health services because other private services are not available.

(c) To the extent permitted by law, counties should maximize all available funds for the provision of services to the target populations. Counties are expressly encouraged to develop interagency programs and to blend services and funds for individuals with multiple problems, such as those with mental illness and

substance abuse, and children, who are served by multiple agencies. State departments are directed to assist counties in the development of mechanisms to blend funds and to seek any necessary waivers which may be appropriate.

5601. As used in this part:

(a) "Governing body" means the county board of supervisors or boards of supervisors in the case of counties acting jointly; and in the case of a city, the city council or city councils acting jointly.

(b) "Conference" means the California Conference of Local Mental Health Directors as established under Section 5757.

(c) Unless the context requires otherwise, "to the extent resources are available" means to the extent that funds deposited in the mental health account of the local health and welfare fund are available to an entity qualified to use those funds.

(d) "Part 1" refers to the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000)).

(e) "Director of Mental Health" or "director" means the Director of the State Department of Mental Health.

(f) "Institution" includes a general acute care hospital, a state hospital, a psychiatric hospital, a psychiatric health facility, a skilled nursing facility, including an institution for mental disease as described in Chapter 1 (commencing with Section 5900) of Part 5, an intermediate care facility, a community care facility or other residential treatment facility, or a juvenile or criminal justice institution.

(g) "Mental health service" means any service directed toward early intervention in, or alleviation or prevention of, mental disorder, including, but not limited to, diagnosis, evaluation, treatment, personal care, day care, respite care, special living arrangements, community skill training, sheltered employment, socialization, case management, transportation, information, referral, consultation, and community services.

5602. The board of supervisors of every county, or the boards of supervisors of counties acting under the joint powers provisions of Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government **Code** shall establish a community mental health service to cover the entire area of the county or counties.

Services of the State Department of Mental Health shall be provided to the county, or counties acting jointly, or, if both parties agree, the state facilities may, in whole or in part, be leased, rented or sold to the county or counties for county operation, subject to terms and conditions approved by the Director of General Services.

5604. (a) (1) Each community mental health service shall have a mental health board consisting of 10 to 15 members, depending on the preference of the county, appointed by the governing body, except that boards in counties with a population of less than 80,000 may have a minimum of five members. One member of the board shall be a member of the local governing body. Any county with more than five supervisors shall have at least the same number of members as the size of its board of supervisors. Nothing in this section shall be construed to limit the ability of the governing body to increase the number of members above 15. Local mental health boards may recommend appointees to the county supervisors. Counties are encouraged to appoint individuals who have experience and knowledge of the mental health system. The board membership should reflect the ethnic diversity of the client population in the county.

(2) Fifty percent of the board membership shall be consumers or the parents, spouses, siblings, or adult children of consumers, who are receiving or have received mental health services. At least 20 percent of the total membership shall be consumers, and at least 20 percent shall be families of consumers.

(3) (A) In counties under 80,000 population, at least one member shall be a consumer, and at least one member shall be a parent, spouse, sibling, or adult child of a consumer, who is receiving, or has received, mental health services.

(B) Notwithstanding subparagraph (A), a board in a county with a population under 80,000 that elects to have the board exceed the five-member minimum permitted under paragraph (1) shall be required to comply with paragraph (2).

(b) The term of each member of the board shall be for three years. The governing body shall equitably stagger the appointments so that approximately one-third of the appointments expire in each year.

(c) If two or more local agencies jointly establish a community mental health service under Article 1 (commencing with Section 6500) of Chapter 5 of Division 7 of Title 1 of the Government **Code**, the mental health board for the community mental health service shall consist of an additional two members for each additional agency, one

of whom shall be a consumer or a parent, spouse, sibling, or adult child of a consumer who has received mental health services.

(d) No member of the board or his or her spouse shall be a full-time or part-time county employee of a county mental health service, an employee of the State Department of Mental Health, or an employee of, or a paid member of the governing body of, a mental health contract agency.

(e) Members of the board shall abstain from voting on any issue in which the member has a financial interest as defined in Section 87103 of the Government **Code**.

(f) If it is not possible to secure membership as specified from among persons who reside in the county, the governing body may substitute representatives of the public interest in mental health who are not full-time or part-time employees of the county mental health service, the State Department of Mental Health, or on the staff of, or a paid member of the governing body of, a mental health contract agency.

(g) The mental health board may be established as an advisory board or a commission, depending on the preference of the county.

5604.1. Local mental health advisory boards shall be subject to the provisions of Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government **Code**, relating to meetings of local agencies.

5604.2. (a) The local mental health board shall do all of the following:

(1) Review and evaluate the community's mental health needs, services, facilities, and special problems.

(2) Review any county agreements entered into pursuant to Section 5650.

(3) Advise the governing body and the local mental health director as to any aspect of the local mental health program.

(4) Review and approve the procedures used to ensure citizen and professional involvement at all stages of the planning process.

(5) Submit an annual report to the governing body on the needs and performance of the county's mental health system.

(6) Review and make recommendations on applicants for the appointment of a local director of mental health services. The board

shall be included in the selection process prior to the vote of the governing body.

(7) Review and comment on the county's performance outcome data and communicate its findings to the California Mental Health Planning Council.

(8) Nothing in this part shall be construed to limit the ability of the governing body to transfer additional duties or authority to a mental health board.

(b) It is the intent of the Legislature that, as part of its duties pursuant to subdivision (a), the board shall assess the impact of the realignment of services from the state to the county, on services delivered to clients and on the local community.

5604.3. The board of supervisors may pay from any available funds the actual and necessary expenses of the members of the mental health board of a community mental health service incurred incident to the performance of their official duties and functions. The expenses may include travel, lodging, child care, and meals for the members of an advisory board while on official business as approved by the director of the local mental health program.

5604.5. The local mental health board shall develop bylaws to be approved by the governing body which shall:

(a) Establish the specific number of members on the mental health board, consistent with subdivision (a) of Section **5604**.

(b) Ensure that the composition of the mental health board represents the demographics of the county as a whole, to the extent feasible.

(c) Establish that a quorum be one person more than one-half of the appointed members.

(d) Establish that the chairperson of the mental health board be in consultation with the local mental health director.

(e) Establish that there may be an executive committee of the mental health board.

5607. The local mental health services shall be administered by a local director of mental health services to be appointed by the

governing body. He shall meet such standards of training and experience as the State Department of Mental Health, by regulation, shall require. Applicants for such positions need not be residents of the city, county, or state, and may be employed on a full or part-time basis. If a county is unable to secure the services of a person who meets the standards of the State Department of Mental Health, the county may select an alternate administrator subject to the approval of the Director of Mental Health.

5608. The local director of mental health services shall have the following powers and duties:

(a) Serve as chief executive officer of the community mental health service responsible to the governing body through administrative channels designated by the governing body.

(b) Exercise general supervision over mental health services provided under this part.

(c) Recommend to the governing body, after consultation with the advisory board, the provision of services, establishment of facilities, contracting for services or facilities and other matters necessary or desirable in accomplishing the purposes of this division.

(d) Submit an annual report to the governing body reporting all activities of the program, including a financial accounting of expenditures and a forecast of anticipated needs for the ensuing year.

(e) Carry on studies appropriate for the discharge of his or her duties, including the control and prevention of mental disorders.

(f) Possess authority to enter into negotiations for contracts or agreements for the purpose of providing mental health services in the county.

5610. (a) Each county mental health system shall comply with reporting requirements developed by the State Department of Mental Health which shall be uniform and simplified. The department shall review existing data requirements to eliminate unnecessary requirements and consolidate requirements which are necessary. These requirements shall provide comparability between counties in reports.

(b) The department shall develop, in consultation with the Performance Outcome Committee pursuant to Section 5611, and with the Health and Welfare Agency, uniform definitions and formats for a statewide, nonduplicative client-based information system that includes all information necessary to meet federal mental health grant requirements and state and federal medicaid reporting requirements, as well as any other state requirements established by law. The data system, including performance outcome measures reported pursuant to Section 5613, shall be developed by July 1, 1992.

(c) Unless determined necessary by the department to comply with federal law and regulations, the data system developed pursuant to subdivision (b) shall not be more costly than that in place during the 1990-91 fiscal year.

(d) (1) The department shall develop unique client identifiers that permit development of client-specific cost and outcome measures and related research and analysis.

(2) The department's collection and use of client information, and the development and use of client identifiers, shall be consistent with clients' constitutional and statutory rights to privacy and confidentiality.

(3) Data reported to the department may include name and other personal identifiers. That information is confidential and subject to Section 5328 and any other state and federal laws regarding confidential client information.

(4) Personal client identifiers reported to the department shall be protected to ensure confidentiality during transmission and storage through encryption and other appropriate means.

(5) Information reported to the department may be shared with local public mental health agencies submitting records for the same person and that information is subject to Section 5328.

(e) All client information reported to the department pursuant to Chapter 2 (commencing with Section 4030) of Part 1 of Division 4 and Sections 5328 to 5780, inclusive, and any other state and federal laws regarding reporting requirements, consistent with Section 5328, shall not be used for purposes other than those purposes expressly stated in the reporting requirements referred to in this subdivision.

(f) The department may adopt emergency regulations to implement this section in accordance with the Administrative Procedure Act, Chapter 3.5 (commencing with Section 11340) of Part 1 of Division 3 of Title 2 of the Government **Code**. The adoption of emergency regulations to implement this section that are filed with the Office

of Administrative Law within one year of the date on which the act that added this subdivision took effect shall be deemed to be an emergency and necessary for the immediate preservation of the public peace, health and safety, or general welfare and shall remain in effect for no more than 180 days.

5611. (a) The Director of Mental Health shall establish a Performance Outcome Committee, to be comprised of representatives from the PL 99-660 Planning Council and the California Conference of Local Mental Health Directors. Any costs associated with the performance of the duties of the committee shall be absorbed within the resources of the participants.

(b) Major mental health professional organizations representing licensed clinicians may participate as members of the committee at their own expense.

(c) The committee may seek private funding for costs associated with the performance of its duties.

5612. (a) (1) The Performance Outcome Committee shall develop measures of performance for evaluating client outcomes and cost effectiveness of mental health services provided pursuant to this division. The reporting of performance measures shall utilize the data collected by the State Department of Mental Health in the client-specific, uniform, simplified, and consolidated data system. The performance measures shall take into account resources available overall, resource imbalance between counties, other services available in the community, and county experience in developing data and evaluative information.

(2) During the 1992-93 fiscal year, the committee shall include measures of performance for evaluating client outcomes and cost-effectiveness of mental health services provided by state hospitals.

(b) The committee should consider outcome measures in the following areas:

(1) Numbers of persons in identified target populations served.

(2) Estimated number of persons in identified target populations in need of services.

(3) Treatment plans development for members of the target population served.

(4) Treatment plan goals met.

(5) Stabilization of living arrangements.
(6) Reduction of law enforcement involvement and jail bookings.
(7) Increase in employment or education activities.
(8) Percentage of resources used to serve children and older adults.
(9) Number of patients' rights advocates and their duties.
(10) Quality assurance activities for services, including peer review and medication management.
(11) Identification of special projects, incentives, and prevention programs.
(c) Areas identified for consideration by the committee are for guidance only.

5613. (a) Counties shall annually report data on performance measures established pursuant to Section 5612 to the local mental health advisory board and to the Director of Mental Health.
(b) The Director of Mental Health shall annually make available to the Legislature, no later than March 15, data on county performance.

5614. (a) The department, in consultation with the Compliance Advisory Committee that shall have representatives from relevant stakeholders, including, but not limited to, local mental health departments, local mental health boards and commissions, private and community-based providers, consumers and family members of consumers, and advocates, shall establish a protocol for ensuring that local mental health departments meet statutory and regulatory requirements for the provision of publicly funded community mental health services provided under this part.
(b) The protocol shall include a procedure for review and assurance of compliance for all of the following elements, and any other elements required in law or regulation:
(1) Financial maintenance of effort requirements provided for under Section 17608.05.
(2) Each local mental health board has approved procedures that ensure citizen and professional involvement in the local mental health planning process.
(3) Children's services are funded pursuant to the requirements of Sections 5704.5 and 5704.6.
(4) The local mental health department complies with reporting

requirements developed by the department.

(5) To the extent resources are available, the local mental health department maintains the program principles and the array of treatment options required under Sections 5600.2 to 5600.9, inclusive.

(6) The local mental health department meets the reporting required by the performance outcome systems for adults and children.

(c) The protocol developed pursuant to subdivision (a) shall focus on law and regulations and shall include, but not be limited to, the items specified in subdivision (b). The protocol shall include data collection procedures so that state review and reporting may occur. The protocol shall also include a procedure for the provision of technical assistance, and formal decision rules and procedures for enforcement consequences when the requirements of law and regulations are not met. These standards and decision rules shall be established through the consensual stakeholder process established by the department.

5614.5. (a) The department, in consultation with the Quality Improvement Committee which shall include representatives of the California Mental Health Planning Council, local mental health departments, consumers and families of consumers, and other stakeholders, shall establish and measure indicators of access and quality to provide the information needed to continuously improve the care provided in California's public mental health system.

(b) The department in consultation with the Quality Improvement Committee shall include specific indicators in all of the following areas:

(1) Structure.

(2) Process, including access to care, appropriateness of care, and the cost effectiveness of care.

(3) Outcomes.

(c) Protocols for both compliance with law and regulations and for quality indicators shall include standards and formal decision rules for establishing when technical assistance, and enforcement in the case of compliance, will occur. These standards and decision rules shall be established through the consensual stakeholder process established by the department.

(d) The department shall report to the legislative budget committees on the status of the efforts in Section 5614 and this

section by March 1, 2001. The report shall include presentation of the protocols and indicators developed pursuant to this section or barriers encountered in their development.

5615. If they so elect, cities that were operating independent public mental health programs on January 1, 1990, shall continue to receive direct payments.

5616. Nothing in this part shall prevent any city or combination of cities from owning, financing, and operating a mental health program.

5618. Mental health plans shall be responsible for providing information to potential clients, family members, and caregivers regarding specialty Medi-Cal mental health services offered by the mental health plans upon request of the individual. This information shall be written in a manner that is easy to understand and is descriptive of the complete services offered.

5622. (a) A licensed inpatient mental health facility, as described in subdivision (c) of Section 1262 of the Health and Safety **Code**, operated by a county or pursuant to a county contract, shall, prior to the discharge of any patient who was placed in the facility, prepare a written aftercare plan. The aftercare plan, to the extent known, shall specify the following:

(1) The nature of the illness and followup required.

(2) Medications, including side effects and dosage schedules. If the patient was given an informed consent form with his or her medications, the form shall satisfy the requirement for information on side effects of the medications.

(3) Expected course of recovery.

(4) Recommendations regarding treatment that are relevant to the patient's care.

(5) Referrals to providers of medical and mental health services.

(6) Other relevant information.

(b) Any person undergoing treatment at a facility under the

Lanterman-Petris-Short Act or a county Bronzan-McCorquodale facility and the person's conservator, guardian, or other legally authorized representative shall be given a written aftercare plan prior to being discharged from the facility. The person shall be advised by facility personnel that he or she may designate another person to receive a copy of the aftercare plan.

(c) A copy of the aftercare plan shall be given to any person designated under subdivision (b). A patient who is released from any local treatment facility described in subdivision (c) of Section 1262 of the Health and Safety **Code** on a voluntary basis may refuse any or all services under the written aftercare plan.

5623.5. Commencing October 1, 1991, and to the extent resources are available, no county shall deny any person receiving services administered by the county mental health program access to any medication which has been prescribed by the treating physician and approved by the federal Food and Drug Administration and the Medi-Cal program for use in the treatment of psychiatric illness.

VENTURA COUNTY MENTAL HEALTH BOARD

BYLAWS

ARTICLE I

NAME

The name of this Board shall be the Ventura County Mental Health Board ("MHB").

ARTICLE II

PURPOSE AND AUTHORITY

The MHB exists under the authority of the California Legislature by its enactment of Section 5604 of the Welfare and Institutions Code as amended by SB43 (McCorquodale, Chapter 564 of 1993). The purpose of the MHB is provided in Section 5604.2 which includes, but is not limited to, the following:

A. Review and evaluate the community's mental health needs, services, facilities, and special problems.

B. Review any County agreements entered into pursuant to Section 5650.

C. Advise the Board of Supervisors and the local mental health director as to any aspect of the local mental health program.

D. Review and approve the procedures used to ensure citizen and professional involvement at all stages of the planning process.

E. Submit an annual report to the Board of Supervisors on the needs and performance of the County Mental Health system that includes an assessment of the impact of the realignment of services from the State to the County on services delivered to clients and on the local community.

F. Review and make recommendations to the appointing authority on applicants for the appointment of County Mental Health Director. The Board shall be included in the selection process prior to the vote of the governing body

G. Review and comment on the County's performance outcome data and communicate its findings to the California Mental Health Planning Council

ARTICLE III

MEMBERSHIP

A. The MHB shall consist of 22 members. The Board of Supervisors shall appoint 20 members; the Chair of the Board of Supervisors shall appoint one member; and the MHB Executive Committee shall appoint one member. The Board of Supervisors shall appoint 20 members in the following manner: there will be four appointees from each of the five Supervisorial Districts. Each Supervisor shall be entitled to nominate candidates for four of the 20 positions. A Supervisor from one District may recommend an applicant from another District. The Chair of the Board of Supervisors shall appoint one member from the Board of Supervisors. The MHB Executive Committee shall appoint five consumers who shall share one membership position of the MHB as described further below. This membership position shall be known as the Consumer-At-Large position.

The MHB may recommend nominees to the Board of Supervisors for consideration of appointment. The appointment of individuals who have experience and knowledge of the Mental Health System is encouraged. If a consumer feels that he or she is capable of serving as a member of the MHB, the consumer may apply to be appointed by the Board directly to any vacancy on the MHB without being first appointed as one of the five consumers who shares the Consumer-At-Large position.

B. The MHB's membership should reflect as closely as feasible the ethnic diversity of the client population. (For example, a third of the clients in the County are ethnic minorities; therefore ideally, seven of the members of the MHB should be ethnic minorities.)

C. Fifty percent of the MHB (eleven members) shall be consumers, or parents, spouses, siblings, or adult children of consumers, who are receiving or who have received mental health services. At least 20 percent (five members) of the MHB shall be consumers and at least 20 percent (five members) shall be members of families of consumers.

D. The Consumer-at-Large position will have five appointees, with only one appointee serving in the position and voting at each MHB meeting. These five appointees will meet prior to the MHB meetings to discuss the agenda of the MHB meeting; to decide which appointee will serve in the Consumer-at-Large position for the meeting; and to determine the manner in which the Consumer-at-Large will vote at the meeting on the agenda issues. The manner in which the Consumer-at-Large should vote on other issues that arise in the meeting, which were not discussed by the appointees, will be decided among the appointees at the MHB meeting as the issues arise. A consumer member of the Mental Health Board will serve as a resource and mentor to this pool of consumers.

E. Selection and Terms of MHB Members:

1. Appointments and Terms: In order to stagger the appointments so that approximately one-third of the appointments expire in each year, as required by Welfare & Institutions Code section 5604, subdivision (b), the terms of the first twenty-one appointments or re-appointments made after October 1, 2003, will be as follows: the terms for the first seven appointments or re-appointments will expire January 1, 2005; the terms for the next seven appointments or re-appointments will expire January 1, 2006; and the terms for the final seven appointments will expire January 1, 2007. Thereafter, the term of each member shall be three years, calculated from January 1 of the year of the member's appointment or re-appointment. For example, if a member was appointed on February 1, 2007, the expiration of the member's term would be three years from January 1, 2007 and would, therefore, expire on January 1, 2010.

2. Expiring Terms and Re-Appointments: Upon the expiration or termination of a member's term, the MHB may recommend to the Board of Supervisors appointees from the pool of available applicants for a new three-year term to fill the vacancy. As always, the County Supervisor, who represents the terminating member's District or who recommended the terminating member if the member was not from the Supervisor's district, has the right to recommend to the Board of Supervisors a new MHB member to fill the vacancy. The Board of Supervisors may reappoint a member who wishes to serve another term.

3. Partial Terms: If a member leaves the MHB prior to completing his or her full term, then any new member appointed in the departed member's place will serve the remainder of the departed member's term.

4. Record of Membership: The MHB secretary will maintain a record of MHB membership, including each member's appointment date and term expiration date. The MHB secretary will work with the Clerk of the Board of Supervisors to ensure that their respective MHB membership records match.

F. No member of the MHB or his or her spouse shall be a full-time or part-time County employee of a County mental health service, an employee of the State Department of Mental Health, or an employee of, or paid member of, the governing body of a mental health contract agency.

G. If it is not possible to secure membership as specified from among persons residing in the County, the Board of Supervisors may substitute representatives of the public interests who are not full-time or part-time employees of Ventura County Mental Health, State Department of Mental Health, or on the staff of, or a paid member of, the governing body of a mental health contract agency.

H. The composition of the MHB shall represent the demographics of the County as a whole to the extent feasible.

I. After three (3) absences of any MHB member during a fiscal year, the Executive Committee will review the reasons for the absences and may notify the Board of Supervisors of the absences, if it deems this action appropriate. Three or more absences from the regular meetings may be cause for the MHB to recommend to the Board of Supervisors the removal of that MHB member.

J. Members of the MHB shall abstain from voting on any issues in which they have a direct or indirect financial interest as defined in Section 87103 of the Government Code.

K. Members of the MHB may be asked or appointed to participate on a subcommittee, task force, or a special project as a part of their responsibilities.

ARTICLE IV

MEETINGS

A. The Brown Act: All meetings of the MHB shall be subject to the provisions of Chapter 9 (commencing with Section 54950) of Part 1 of Division 2 of Title 5 of the Government Code relating to meetings of local agencies.

B. Regular Meetings: The regular meetings shall be held monthly and the date, time, and location of each meeting shall be announced at the immediately preceding meeting. A regular meeting may, for cause, be rescheduled by the Chairperson with a 72-hour advance notice.

C. Special Meetings: Special meetings may be called, consistent with the Brown Act, by the Chairperson or by a quorum of the MHB. Notice of such special meeting shall conform to Government Code Section 54956.

D. Cancellation: Any meeting, which at least a quorum cannot attend, or for which there is no agenda item requiring MHB action, may be cancelled by the Chairperson with a 72-hour advance notice.

E. Quorum: A quorum shall be defined as one person more than half of the appointed members. The definition of appointed members excludes all vacant positions. A quorum shall be required for any MHB action.

ARTICLE V

AGENDA FOR BOARD MEETINGS

A. Procedures:

1. The agendas for Board meetings shall be established by the Chairperson.

2. The agenda will be finalized at the MHB Executive Committee meeting preceding the full MHB meeting. The agenda shall be posted in a manner consistent with Government Code Section 54954.2.

3. Any MHB member wishing to recommend an item for the MHB agenda shall contact the MHB Chairperson, MHB Vice-Chairpersons, or MHB Secretary, at or prior to, the Executive Committee Meeting.

4. If the Executive Committee does not meet in a particular month, MHB members wishing to recommend an agenda item for the MHB meeting shall contact the Chairperson, Vice-Chairpersons, or Secretary at least ten (10) working days prior to the MHB meeting.

B. Contents and Supporting Documentation:

1. The agendas for Board meetings shall be established by the Chairperson.

    a. The roll call and the Chairperson's announcement of the presence or absence of a quorum;

    b. Reports from MHB Officers and MHB Committees;

    c. Approval of minutes of the previous MHB meeting; and

    d. Items identified by the Chairperson or by majority vote of members as most urgently requiring action.

C. The agenda for regular meetings shall be distributed, with requisite informational material, to each MHB member not later than 72 hours preceding the meeting at which the agenda is to be discussed. The agenda shall be posted in the main lobby of the Behavioral Health Department at 300 Hillmont Avenue, Ventura.

D. MHB members wishing to propose motions are encouraged to present the draft motions to the MHB Officers at least ten (10) working days in advance of the MHB meeting so that the motions can be sent to MHB members, along with the call of the meeting, for review.

ARTICLE VI

OFFICERS

A. Offices:

1. The officers of the MHB shall be a Chairperson, a 1st Vice-Chairperson, 2nd Vice-Chairperson, and a Secretary.

2. The officers shall be elected at the June meeting to serve for a term of one year or until their successors have been duly elected.

3. No individual shall serve more than two consecutive years in any of the officer positions.

B. Qualifications of Officers:

1. Must have been a member of MHB for at least one year, or if a member for less than year, must be elected by a two-thirds vote of the MHB;

2. Must have a broad knowledge of the Mental Health System and/or possess good leadership qualities; and

3. Must be able to devote at least 3 to 5 hours per week to the MHB.

C. Election:

1. During the April meeting, the Chairperson shall appoint, and the MHB shall confirm, a Nominating Committee of not less than three (3) members.

2. The Nominating Committee shall place in nomination the candidates selected. Further nominations from the floor during the May meeting may be accepted.

3. During the June meeting, the election shall be conducted in accordance with the Brown Act.

4. The Officers elected at the June meeting will take their respective offices on July 1st.

5. Notwithstanding the normal election process detailed in paragraphs C.1. through C.4. above, when circumstances warrant it, an election may be held at any time during the year. Circumstances which would warrant a special election include, but are not limited to: one or more of the officers wishings to resign as an officer; or one or more of the officers' MHB membership being terminated.

D. Duties:

1. The Chairperson shall:

    a. Preside at meetings of the MHB;

    b. Establish committees and appoint membership on such committees, with the MHB ratifying committee members;

    c. Preside over the Executive Committee;

    d. Establish the agenda for MHB executive and general meetings;

    e. Be responsible for seeing that all actions of the MHB are implemented;

    f. Maintain consultation with the local mental health director;

    g. As authorized by a majority vote of the MHB, represent the MHB and present MHB recommendations at Board of Supervisors meetings; and

    h. Perform other duties ordinarily performed by a Chairperson.

2. The Vice-Chairpersons shall:

    a. Exercise all the responsibilities of the Chairperson in the absence of the Chairperson; and

    b. In agreement with the Chairperson, meet all responsibilities mutually agreed upon.

3. The Secretary shall:

    a. Perform the usual duties pertaining to secretaries;

    b. Cause to be kept a full and true record of all meetings of the MHB and its committees and of such special meetings as may be requested;

    c. Cause to be issued notices of regular and special meetings of the MHB;

    d. Maintain a record of attendance of MHB members and promptly report to the Board of Supervisors any MHB member whose position has been vacated; and

e. Call the meeting to order in the absence of the Chairperson, 1st Vice-Chairperson, and 2nd Vice-Chairperson. (A Chairperson Pro Tem will then be immediately elected and serve for the duration of the meeting).

4. The Chairperson Pro Tem shall (in the absence of the Chairperson, 1st Vice-Chairperson, and 2nd Vice-Chairperson):

   a. Preside at the meeting of the MHB and perform other duties ordinarily performed by the Chairperson.

   b. Establish committees and appoint membership on such committees, with the MHB ratifying committee members;

ARTICLE VII

COMMITTEES

A. Executive Committee:

1. The Executive Committee shall be comprised of the Chairperson, 1st and 2nd Vice-Chairpersons, the Secretary, and one member of the MHB designated as a member-at-large and selected by the Chairperson on a rotating basis. Each member is entitled to one vote:

2. The Executive Committee shall:

   a. Carry out any responsibilities delegated to it by the MHB; and

   b. Act in emergencies in any way it deems necessary when there is not time for the entire MHB to act. Any such action taken will be consistent with the Brown Act.

   c. Appoint five consumers who shall share the position of Consumer-At-Large, as provided in Article III of these Bylaws.

   d. Comply with the requirements of the Brown Act.

B. Nominating Committee:

1. The Chairperson shall appoint and the MHB shall confirm Nominating Committee of not less than three (3) members.

2. The Nominating Committee shall select a slate of officers for the coming year, secure the verbal consent of those selected, present the slate of officers, and conduct the elections.

3. The Nominating Committee shall comply with the requirements of the Brown Act.

C. Other Committees:

1. Unless the MHB chooses to elect committees or individual members to carry out specifically defined responsibilities, the Chairperson may, with the agreement of the members concerned, allocate these to committees or individual members.

ARTICLE VIII

PARLIAMENTARY AUTHORITY

Except when State law or regulations, County Ordinances, County Counsel rulings or these Bylaws apply, procedures of the MHB shall be governed by the current edition of Robert's Rules of Order.

ARTICLE IX

AMENDMENTS

Any proposed amendment to these Bylaws must be approved at any meeting by a two-thirds vote of the membership existing at the time, provided notice of the proposed amendment was given, in advance, with the call for the meeting. After the proposed amendment is approved by the membership, it must then be approved and executed by the Board of Supervisors, the proposed amendment will then be effective and these Bylaws shall be deemed to be so amended.

Approved by the Ventura County Board of Supervisors on 5/23/ 2006.

Ventura, CA 93009

SUBJECT: APPROVE MENTAL HEALTH BOARD REVISED BYLAWS. "Copy of Bylaws attached."

RECOMMENDATION:

Approve and authorize the Chair of the Board to sign the revised Mental Health Board Bylaws (copy attached) to add one new Consumer-At-Large appointment, and to incorporate minor editing, points of clarification, and format modifications.

FISCAL/MANDATES IMPACT: None

DISCUSSION:

The Ventura County Mental Health Board (MHB) has requested that the Behavioral Health Department (BHD) present to your Board, for approval, revised Bylaws to increase the MHB membership from 21 to 22 members. As your Board is aware, the Mental Health Board's membership is required to consist of 50% consumers and family members. In the past, recruiting and successfully retaining consumers on this Board has been challenging. During the past year, the Board has addressed this concern with various consumers in an effort to identify the reasons for the difficulty. These consumers indicated that there is too much information to absorb, and that the time commitment required by the Board can be overwhelming. However, they also added that they were confident that they could still provide valuable input on many of the agenda items addressed by the MHB with more flexibility and support. Therefore, it has been suggested that a new "Consumer-At-Large" membership position be created that will help to improve consumer participation and involvement on the Board.

The proposed new "Consumer-At-Large" membership position would consist of a pool of five appointees working together to support one another. A BHD staff person and a consumer who has served on the MHB would meet with this pool of consumers prior to each Board meeting to review agenda items. A spokesperson would be chosen for

each MHB meeting with the responsibility of representing one vote for the consumer pool. The proposed revised Bylaws require that the MHB Executive Committee appoint the consumers that will participate in this pool. The MHB believes that this revision to the Bylaws will help encourage more consumers to participate as individual appointees to the Board in the future, as memberships become available.

Following is an excerpt of the recommended language changes in Article III pertaining to membership (other modifications to the Bylaws are non-substantive in nature, such as, editing, points of clarification, and format changes):

ARTICLE III

MEMBERSHIP

A. The MHB shall consist of 22 members. The Board of Supervisors shall appoint 20 members; the Chair of the Board of Supervisors shall appoint one member; and the MHB Executive Committee shall appoint one member. The Board of Supervisors shall appoint 20 members in the following manner: there will be four appointees from each of the five Supervisorial Districts. Each Supervisor shall be entitled to nominate candidates for four of the 20 positions. A Supervisor from one District may recommend an applicant from another District. The Chair of the Board of Supervisors shall appoint one member from the Board of Supervisors. The MHB Executive Committee shall appoint five consumers who shall share one membership position of the MHB as described further below. This membership position shall be known as the Consumer-At-Large position.

The MHB may recommend nominees to the Board of Supervisors for consideration of appointment. The appointment of individuals who have experience and knowledge of the Mental Health System is encouraged. If a consumer feels that he or she is capable of serving as a member of the MHB, the consumer may apply to be appointed by the Board directly to any vacancy on the MHB without being first appointed as one of the five consumers who shares the Consumer-At-Large position.

B. The MHB's membership should reflect as closely as feasible the ethnic diversity of the client population. (For example, a third of the clients in the County are ethnic minorities; therefore ideally, seven of the members of the MHB should be ethnic minorities.)

C. Fifty percent of the MHB (eleven members) shall be consumers, or parents, spouses, siblings, or adult children of consumers, who are receiving or who have received mental health services. At least 20 percent (five members) of the MHB

shall be consumers and at least 20 percent (five members) shall be members of families of consumers.

D. The Consumer-at-Large position will have five appointees, with only one appointee serving in the position and voting at each MHB meeting. These five appointees will meet prior to the MHB meetings to discuss the agenda of the MHB meeting; to decide which appointee will serve in the Consumer-at-Large position for the meeting; and to determine the manner in which the Consumer-at-Large will vote at the meeting on the agenda issues. The manner in which the Consumer-at-Large should vote on other issues that arise in the meeting, which were not discussed by the appointees, will be decided among the appointees at the MHB meeting as the issues arise. A consumer member of the Mental Health Board will serve as a resource and mentor to this pool of consumers.

E. Selection and Terms of MHB Members.

1. Appointments and Terms. In order to stagger the appointments so that approximately one-third of the appointments expire in each year, as required by Welfare & Institutions Code section 5604, subdivision (b), the terms of the first twenty-one appointments or re-appointments made after October 1, 2003, will be as follows: the terms for the first seven appointments or re-appointments will expire January 1, 2005; the terms for the next seven appointments or re-appointments will expire January 1, 2006; and the terms for the final seven appointments will expire January 1, 2007. Thereafter, the term of each member shall be three years, calculated from January 1 of the year of the member's appointment or re-appointment. For example, if a member was appointed on February 1, 2007, the expiration of the member's term would be three years from January 1, 2007 and would, therefore, expire on January 1, 2010.

2. Expiring Terms and Re-Appointments. Upon the expiration or termination of a member's term, the MHB may recommend to the Board of Supervisors appointees from the pool of available applicants for a new three-year term to fill the vacancy. As always, the County Supervisor, who represents the terminating member's District or who recommended the terminating member if the member was not from the Supervisor's district, has the right to recommend to the Board of Supervisors a new MHB member to fill the vacancy. The Board of Supervisors may reappoint a member who wishes to serve another term.

3. Partial Terms. If a member leaves the MHB prior to completing his or her full term, then any new member appointed in the departed member's place will serve the remainder of the departed member's term.

4. Record of Membership. The MHB secretary will maintain a record of MHB membership, including each member's appointment date and term expiration

date. The MHB secretary will work with the Clerk of the Board of Supervisors to ensure that their respective MHB membership records match.

F. No member of the MHB or his or her spouse shall be a full-time or part-time County employee of a County mental health service, an employee of the State Department of Mental Health, or an employee of, or paid member of, the governing body of a mental health contract agency,

G. If it is not possible to secure membership as specified from among persons residing in the County, the Board of Supervisors may substitute representatives of the public interests who are not full-time or part-time employees of Ventura County Mental Health, State Department of Mental Health, or on the staff of, or a paid member of, the governing body of a mental health contract agency.

H. The composition of the MHB shall represent the demographics of the County as a whole to the extent feasible.

I. After three (3) absences of any MHB member during a fiscal year, the Executive Committee will review the reasons for the absences and may notify the Board of Supervisors of the absences, if it deems this action appropriate. Three or more absences from the regular meetings may be cause for the MHB to recommend to the Board of Supervisors the removal of that MHB member.

J. Members of the MHB shall abstain from voting on any issues in which they have a direct or indirect financial interest as defined in Section 87103 of the Government Code.

K. Members of the MHB may be asked or appointed to participate on a subcommittee, task force, or a special project as a part of their responsibilities.

This Board letter has been reviewed by the County Executive Office, County Counsel, and the Mental Health Board. The MHB approved the proposed revised Bylaws at the MHB Executive Committee meeting held on April 17, 2006. Therefore, BHD recommends that your Board approve and authorize the Chair of the Board to sign the revised Mental Health Board Bylaws (full copy attached) that adds one new Consumer-At-Large appointment, and incorporates minor editing and format modifications.

BYLAWS OF THE
COUNTY OF VENTURA
MOBILE HOME PARK RENT REVIEW BOARD

December 14, 1993

ARTICLE I. TITLE

Section 1. The Ventura County Mobile Home Park Rent Review Board (MHPRRB) was established by Ordinance No. 3635, adopted by the Board of Supervisors February, 1983.

ARTICLE II. OFFICERS

Section 1. The officers shall be:

A Chair, who shall preside at all meetings and call all special meetings, appoint committees, and perform all other duties of a presiding officer.

A Vice-Chair, who shall, in absence of the Chair or due to the inability to act, preside at meetings and perform all other duties of the Chair.

A Secretary, who shall keep a written record of all business transacted by the MHPRRB, notify members of meetings, and keep the official records of the MHPRRB.

An Assistant Secretary, who shall keep a written record of all business transacted by the MHPRRB, notify members of meetings, and keep the official records of the MHPRRB in the absence of the Secretary.

Section 2. The Chair and Vice-Chair shall be members of the MHPRRB. They shall be elected at the annual meeting or an adjournment of that meeting and shall hold office for a period of one year or until their successors are elected, whichever is earlier. A vacancy in the office of Chair or Vice-Chair shall be filled for the balance of the unexpired term at the meeting succeeding the date upon which the vacancy occurred.

A special meeting may be called by not less than three members for the purpose of recalling the Chair or Vice-Chair, or both, and a vacancy created in any such office by a recall shall be filled at said meeting.

ARTICLE III. MEETINGS

Section 1. The annual meeting of the MHPRRB shall be the first month after the month that the Board of Supervisors appoints members.

Section 2. The regular meetings of the MHPRRB shall be held as required by rent applications and the provisions of the Ordinance requiring action on said applications within 45 days. At each annual meeting the MHPRRB shall fix the time, date, and place for regular meetings for that year.

Section 3. By a majority vote of those present and voting, a meeting may be adjourned until a time fixed but not later than the next regular meeting of the Commission. Special meetings may be held at the call of the Chair or Vice-Chair or members in the manner provided by law.

Section 4. County staff shall notify each member of the time, place, and date of each regular meeting by a written notice mailed to the last known address of each member not less than three days previous to the date set for the meeting. Sufficient notice shall be given each member of other meetings called by the Chair.

Section 5. The meetings shall be subject to the current provisions of Chapter 9 (commencing with S54950) of Part 1 of Division 2 of Title 5 of the Government Code, relating to meetings of local agencies (the Brown Act).

Section 6. Absences. The MHPRRB may recommend membership termination by the Board of Supervisors for the following conditions:

A. Being unavailable to attend meetings more than three (3) times for any reason in any 12-month period of time.

B. Termination procedures are as follows:

1. The member shall be notified and will be asked to submit a letter of resignation to the Chair and to the Board of Supervisors.

2. If a member does not submit the letter of resignation within thirty (30) days, the MHPRRB will then request the Board of Supervisors to remove the member, describing the reasons for the recommendation, and requesting that the vacancy be filled.

ARTICLE IV. QUORUM AND VOTING

Section 1. Unless otherwise provided by law, three members constitute a quorum for any meeting or hearing and a finding, decision, or order requires the concurrence of at least a majority of its total voting members. A person may be elected to the office of Chair or Vice-Chair by not less than a concurrence of at least three members.

Section 2. Unless otherwise required by law, deliberation of action on any matter may be postponed to a specified meeting by a concurrence of a majority of those present and voting.

ARTICLE V. ORDER OF BUSINESS

Section 1. The order of business for regular meetings shall be:

Roll Call
Flag Salute
Public comment for items not otherwise on the agenda
Minutes of previous meeting
Reports

Section 2. The order of business for the annual meeting shall be:

Roll Call
Election of Officers
Taking of office by new Chair
Fixing of time and dates for regular monthly meetings

Subsequent order of business shall be the same as for regular meetings.

ARTICLE VI. COMMITTEES

Section 1. There shall be such committees appointed by the Chair as shall be deemed necessary for determining the policies of the MHPRRB and executing its orders. The members of such committees shall serve for one year or until successors are appointed or the committee is discharged.

ARTICLE VII. RECORDS OF PROCEEDINGS

Section 1. All papers involving official acts shall be signed in accordance with appropriate legislation relating to such acts. In the absence of specific regulations, the signature of the Chair or Vice-Chair, attested by County staff shall be deemed sufficient.

Section 2. Routine correspondence, communications, or certifications may be signed by County staff as needed.

Section 3. County staff shall keep a record of the resolutions, transactions, findings, and determinations in the manner provided by law and by the MHPRRB.

ARTICLE VIII. SCOPE OF ACTIVITY

Section 1. To meet as required by County staff or upon the filing of a rent increase request and to utilize the County offices and facilities as needed.

Section 2. To receive, investigate, hold hearings on, and pass upon the issues relating to mobile home park rent stabilization as set forth in Ordinance No. 3998, or the most currently revised Ordinance.

Section 3. To make or conduct such independent hearings or investigations as may be appropriate to obtain such information as is necessary to carry out its duties.

Section 4. To adjust maximum rents either upward or downward upon completion of its hearings and investigations.

Section 5. To render an annual comprehensive written report to the Board of Supervisors concerning its activities, holdings, actions, results of hearings, and all other matters pertinent to the current Ordinance which may be of interest to the Board of Supervisors.

Section 6. To adopt, promulgate, amend, and rescind administrative rules to effectuate the purpose and policies of the current Ordinance.

Section 7. Such other duties as mandated by the Board of Supervisors.

ARTICLE IX. AMENDMENT OF BYLAWS

Section 1. These bylaws may be changed or added to from time to time by the affirmative vote of not less than three members at a regular meeting. No change or addition to these bylaws shall be made unless notice in writing shall be filed with County staff at the regular meeting next preceding the meeting at which the motion to change is to be made.

Section 2. Said notice shall state explicitly what change is to be proposed, or shall be accompanied by a draft of the proposed change. County staff shall notify each member at least seven days before the date of the next meeting of the wording of the proposed change or addition.

ARTICLE X. ADOPTION

Section 1. These bylaws were adopted on December 14, 1993, and became effective upon adoption.

Subject

VENTURA COUNTY ORDINANCE RELATING TO MOBILE HOME PARK RENT CONTROL (REPEALED ORDINANCE 4163)

Comments

ORDINANCE NO. 4306
AN ORDINANCE OF THE VENTURA COUNTY
BOARD OF SUPERVISORS RELATING TO
MOBILE HOME PARK RENT CONTROL

The Board of Supervisors of the County of Ventura ordains as follows:

Ordinance No. 4163 is hereby repealed and the following provisions are hereby adopted:

Sec. 1 - Purpose and Intent. There is presently within the unincorporated area of the County a shortage of spaces for the location of mobile homes, trailers, and other mobile dwelling units. Because of this shortage, there is a low vacancy rate and rents have been for several years, and are presently, rising rapidly and causing concern among a substantial number of County residents. Because of the high cost of moving these mobile dwelling units, potential for damage resulting therefrom, the requirements relating to the installation of mobile dwelling units, including permits, landscaping, and site preparation, the lack of alternative homesites for mobile dwelling units and the substantial investment of owners in such mobile dwelling units, a virtual monopoly exists in the rental of mobile dwelling unit park spaces, creating a situation where park owners have unbridled discretion and ability to exploit park tenants. For these reasons, among others, the Board of Supervisors finds and declares it necessary to protect the owners of mobile dwelling units from unreasonable rent increases, while at the same time recognizing the need of park owners to receive a fair return on their property and rental income sufficient to cover increases in the costs of repairs, maintenance, insurance, employee services, additional amenities, and other costs of operation.

Sec. 2 - Definitions

"Board" or "Mobile Home Park Rent Review Board". The Mobile Home Park Rent Review Board established by this Ordinance.

"Capital Improvements". Those improvements that materially add to the value of the property and appreciably prolong its useful life or adapt it to new uses, and which may be amortized over the useful life of the improvement in accordance with the Internal Revenue Code and regulations issued pursuant thereto.

"Completely New Capital Improvements". Those improvements which are entirely new in the mobile home park. Examples include, a new swimming pool, golf green, electric security gate, etc. Not included are additions, replacement, upgrades, modernization, repairs or modifications of existing features or facilities.

"CPI-U". The annual average percentage Consumer Price Index (1982-1984 = 100 Base) for All Urban Consumers prepared by the U. S. Bureau of Labor Statistics for the Los Angeles-Anaheim-Riverside area.

The Consumer Price Index is a measure of the average change in prices over time in a fixed market basket of goods and services.

"Housing Services". Services provided by the park owner related to the use or occupancy of a mobile dwelling unit space, including, but not limited to, water and sewer, natural gas, electricity, refuse removal, management and administration (including employee salaries and fringe benefits), maintenance and repairs, supplies, advertising, recreation facilities, laundry facilities, parking, security services, insurance, property taxes, other governmental assessments, and other costs reasonably attributable to the operation of the park. The term "housing services" shall not include legal fees or mortgage payments, whether for principal, interest, or both.

"Mobile Dwelling Unit". A dwelling unit designed for human habitation which may be towed by another vehicle or which is self-contained and self-powered, including mobile homes, trailers, and recreational vehicles.

"Mobile Home". A structure with dimensions larger than eight (8) feet by forty (40) feet or a size larger than three hundred twenty (320) square feet designed for human habitation, transported over streets and highways to a permanent occupancy site, and installed on the site either with or without a permanent foundation.

"Mobile Home Park". An area of land having two or more spaces on which are located mobile homes, trailers, or other mobile dwelling units used as residences.

"Mobile Home Park Owner" or "Owner". The owner, lessor, operator or manager of a mobile home park in the unincorporated area of Ventura County.

"Mobile Home Tenant" or "Tenant". Any person entitled to occupy a mobile home, trailer, or other mobile dwelling unit which is located within a mobile home or trailer park in the unincorporated area of Ventura County.

"Park". An area of land where two or more spaces for mobile dwelling units are rented or leased out to tenants.

"Recreational Vehicle". A vehicle for human habitation, which is self-propelled or towed by a light-duty vehicle, in which the plumbing, heating, and electrical system contained therein may be operated without connection to outside utilities. Recreational vehicles do not fall within the definition of mobile homes.

"Space Rent". The consideration, including any security deposits, bonuses, benefits, or gratuities demanded or received in connection with the use and occupancy of a space in a mobile home or trailer park, or for housing services provided, but exclusive of any amount paid for the use of a mobile dwelling unit, or utility charges or trash charges which are billed to units separately whether or not the units are individually metered.

"Space rent" does not include reasonable user fees for services actually rendered to some, but not all, of the residents of a park.

"Trailer". A structure with dimensions of eight (8) feet by forty (40) feet or less or a size of three hundred twenty (320) square feet or less designed to be drawn by a motor vehicle and to be used for human habitation or for carrying persons and property, including a trailer coach or house trailer.

"Trailer Park". An area of land where two or more trailer spaces are rented or leased out for trailers.

"Trailer Park Owner". The owner, lessor, operator, or manager of a trailer park in the unincorporated area of the County.

"Trailer Park Tenant". Any person entitled to occupy a trailer which is located within a trailer park in the unincorporated area of the County.

"Utility Separation". The separation from the Space Rent of utility charges (water, sewer, electricity, trash, gas).

Sec.3 - Exemptions

(a) Mobile home park spaces rented for non-residential uses.

(b) Mobile home or trailer parks, the construction of which began after September 1, 1982; provided, however, that additional spaces created by the expansion of existing parks are not hereby exempted from the provisions of this Ordinance. For the purposes of this section, "construction" shall mean the erection of structures.

(c) Mobile home or trailer parks managed or operated by the United States Government, the State of California, or the County of Ventura.

(d) Tenancies for which any Federal or State law or regulation specifically prohibits rent regulations.

(e) Tenancies covered by leases or contracts which provide for more than a 12 month tenancy, but only for the duration of such lease or contract. Upon the expiration or other termination of any such lease or contract, this Ordinance shall immediately be applicable to the tenancy.

(f) Parks which sell all spaces or lots for factory built or manufactured housing.

(g) Those spaces in a mobile home park which provides condominium ownership, provided the owner of the mobile dwelling unit is also the owner of the lot or space on which the mobile home dwelling unit is located.

(h) Those sections of existing parks which have an approved permit modification identifying a separate area with reduced size spaces specifically designated for travel trailers, provided the modification was approved prior to the effective date of this Ordinance.

Sec. 4 - Mobile Home Park Rent Review Board

(a) There is hereby established a Mobile Home Park Rent Review Board consisting of five (5) members who shall be appointed by, and serve at the pleasure of, the Board of Supervisors.

(b) The five (5) members of the Board shall be persons who are neither connected with the real estate or rental housing industry for their personal gain nor tenants with any direct or indirect financial interest (as defined by State law) in any mobile home or mobile home park. Said members shall file a declaration to this effect with the County.

(c) Board members may be compensated for their services and may receive reimbursement as provided by the Board of Supervisors for traveling and other expenses incurred while on official duty.

(d) Terms of Board members shall be three (3) years.

Sec. 5 - Powers and Duties of the Board

Within the limitations provided by law, the Board shall have the following power and duties:

(a) To meet from time-to-time as required by the County staff or upon the filing of a rent increase request and to utilize the County offices and facilities as needed.

(b) To receive, investigate, hold hearings on, and pass upon the issues relating to mobile home park rent stabilization as set forth in this Ordinance.

(c) To make or conduct such independent hearings or investigations as may be appropriate to obtain such information as is necessary to carry out its duties.

(d) To adjust maximum rents either upward or downward upon completion of its hearings and investigations.

(e) To render a tri-annual comprehensive written report to the Board of Supervisors concerning its activities, holdings, actions, results of hearings, and all other matters pertinent to this Ordinance which may be of interest to the Board of Supervisors.

(f) To adopt, promulgate, amend, and rescind administrative rules to effectuate the purpose and policies of this Ordinance.

Sec. 6 - Legality of Increases and Ministerial CPI-U Increase

(a) Unless specifically exempted by this Ordinance, on and after September 1, 1982, no increase in space rents for any mobile dwelling unit space located in any mobile home parks or trailer parks or mobile home parks containing mobile dwelling units which allow for condominium ownership shall be effective unless approved as set forth in this

Ordinance. Additionally, on or after March 7, 1997, no permanent or extended reduction of significant housing services shall be permitted without a corresponding reduction in the amount of space rent.

(b) A ministerial CPI-U space rent increase not less than 2%, nor more than 8% shall be granted if:

(1) The proposed increase is to become effective no sooner than one (1) year from the date the last increase was approved as required by this Ordinance and became effective at the particular park; the applicant cannot include a request on a space which has had an increase since the last application pursuant to the vacancy decontrol provisions of this Ordinance.

(2) The park owner files:

(a) a schedule of existing and proposed rents for each affected space;

(b) proof that he has provided copies of said schedule to the tenants 90 days prior to the rent increase effective date;

(c) Written notification of their right to file complaints with County staff;

(3) The park owner shall file the schedule of existing and proposed rents and other documents no less than forty-five days prior to the effective date of increase.

(c) Special Limitations on Space Rent Increases Upon Sale of Coaches. The Board finds that restrictions on space rent increases at the time of the sale of the coaches are necessary to provide reasonable rent to incoming tenants and also to deter the use of the monopoly power described in Section 1 (Purpose and Intent) of this Ordinance to force the sale of coaches, to either new tenants or to the park owners themselves, at unreasonably low prices, or to force the abandonment of coaches in place. Therefore, the rent for a space occupied by a mobile home dwelling unit which has changed ownership may be increased no more than once every four years no more than fifteen percent (15%) of the average of the existing space rent of the affected spaces or sixty dollars ($60.00), whichever is less, effective upon the change of ownership subject to the following conditions:

(1) A mobile home dwelling unit shall be deemed to have changed ownership when an existing tenant transfers all of his or her right, title and interest in it, except that it shall be deemed not to have changed ownership when either (1) an existing tenant acquires a replacement mobile home dwelling unit and locates the replacement on, and continue to occupy, the space on which the replaced unit had been located or (2) when there is a transfer of all right, title and interest in the mobile home dwelling unit by any

resident to any joint tenant or family relative by gift, devise or operation of law.

(2) The park owner shall post in a prominent place in the park where other notices are customarily posted a written notice stating the amount of rent to be charged for each space upon change of ownership. This notice may be revised on a periodic basis, no more frequently than every three (3) months.

(3) Within fifteen (15) days after receiving a written request by certified or registered mail, or personal delivery, the park owner, or his designated agency, shall provide to the tenant requesting it a written commitment stating the exact amount of the space rent to be effective upon the change of ownership of the mobile home dwelling unit in the space occupied by the tenant requesting the written commitment. This written commitment shall be effective for six (6) months from the date it is received by the tenant. The park owner shall post in a prominent place in the park where other notices are customarily posted the name and address of the individual to whom such request for a written commitment is to be directed.

(4) In setting the rents to be effective upon the change of ownership the park owner shall not discriminate on any basis prohibited by California Civil Code Section 51 et seq. or discriminate based on some retaliatory or punitive motive, or on any other basis prohibited by law. A tenant shall have the right to petition the Mobile Home Park Rent Review Board to have a hearing concerning such discrimination. The tenant shall have the initial burden of presenting evidence tending to show the existence of such unlawful discrimination, which the park owner shall have the opportunity to rebut. If the Board finds, based on a preponderance of the evidence, that such illegal discrimination has occurred, the Board shall have the authority to reduce the proposed rent increase by that amount it finds is based on the unlawful discrimination.

(d) In any application for rent increase under this Ordinance, the owner shall indicate which, if any, of the mobile home spaces are covered by leases or contracts which provide for more than a month-to-month tenancy, together with the expiration date of each such lease or contract. Any rent increase approved under this Ordinance shall not be applicable to spaces covered by such leases or contracts during the terms of such leases or contracts; provided, however, that in acting upon any application for rental increase hereunder, the rents shall be set in accordance with this Ordinance for spaces covered by leases or contracts which shall become applicable to such spaces upon the expiration of each such lease or contract.

(e) A Utility Separation can be granted at any time during the year. The park owner shall request the MHRR Board in writing to hear the matter and

owner shall notice the tenants at least 90 days in advance of the utility separation effective date. The utility separation shall not become effective unless approved by the Board. The owner must provide the most recent utility bill(s) and any other information which will help the Board make an accurate decision on the amount of the space rent reduction.

(f) In addition to the usual case of an increase in the dollar amount of space rent, on or after March 7, 1997, a rent increase may occur when significant housing services are permanently reduced or disrupted for an unreasonable length of time without a corresponding reduction in the dollar amount of the space rent. It is the specific intent of this Ordinance to prohibit such indirect rent increases.

A permanent or extended reduction of significant housing services may be found to occur when specifically enumerated significant housing services either have been permanently eliminated or are not provided for an unreasonable length of time considering the nature of the service and the reasons for its disruption.

If a majority of affected homeowners concur in writing that such a significant reduction in services has occurred, and they are unable to satisfactorily resolve the dispute with park management, a representative group of homeowners may petition the Ventura County Mobile Home Park Rent Review Board for a finding of the reduction in services. Prior to presenting such a petition, the homeowner group must demonstrate that they have attempted in good faith to resolve the dispute through the mediation process, and that park management has either (1) refused to participate in the mediation process or (2) the attempt to mediate the matter with both parties participating in good faith, was unsuccessful. No Section 6 rent increase application shall be processed until the reduction in services dispute is resolved.

Nothing in this Section shall be construed to effect the rights or obligations set forth in California Civil code sections 798.84, et seq.

Sec. 7 Other Rent Adjustments

(a) **Completely New Capital Improvements:** Space rent may not be increased to cover completely new capital improvements as defined in Section 2 herein, unless written consent of a majority of affected spaces in the park is obtained prior to making the expenditure. Resident approval is not necessary, however, if such new capital improvements are required by law.

(1) The provisions of this section shall apply equally to Sec. 6 & 8 applications.

(2) An application for a special rent increase based on the cost of a completely new capital improvement may be filed not less than 120 days before the effective rent increase date. Section 6 applications including a completely new capital improvement, shall be approved by staff when the definition of a capital improvement

set forth in this Ordinance and any related Board procedures are satisfied. Any special rent increase granted under this section shall be amortized over the useful life of the improvement, in line with IRS rules and Board guidelines, and apportioned equally among the affected park spaces.

(3) A special rent increase application must be filed in conjunction with a Section 6 or Section 8 application and shall be processed according to the requirements of Section 12 of this Ordinance. After receipt of a completed application, written notice of the determination by the staff shall be mailed to the applicant and the affected residents' representative within that time. Written notice that an application has been determined to be incomplete and the reasons for that determination shall be given to the applicant within 30 days of receipt of the application. A written determination to grant a requested special rent increase or a modified special rent increase shall specify the duration and amount of the monthly rent adjustment granted.

(4) Whenever an application is submitted, all affected residents are entitled to copies of all documents in support of such application and they shall be furnished to such persons by the Park Owner upon request and upon payment by the resident of reasonable copying fees comparable to competitive rates available locally.

(5) Increases authorized and approved under this section shall be effective as of the rent increase anniversary date, but not earlier than 90 days after the Park Owner gives affected tenants notice of the proposed increase pursuant to the provisions of the State of California Mobilehome Residency law.

(6) Reasonable market rate interest on any debt incurred to fund completely new capital improvements shall be allowed.

(7) A Park Owner or tenant appealing a decision of the staff pursuant to the provisions of this subsection must file a written notice of appeal not later than 20 days after the receipt of the notice of said decision to the Park Owner. The notice of appeal must specify the decision appealed from and the grounds for the appeal.

(8) In computing rent increases, the staff shall not include in the current base rent any amounts that represent approved completely new capital improvement costs.

Sec. 8 - Discretionary Increases

(a) An owner may apply for a discretionary rent increase in cases where he contends that the facts and circumstances of this particular case warrant such an increase. An owner shall submit with the Rent Schedule a request for such discretionary increase, together with supporting documentation, no less than seventy-five (75) days prior to the effective date of the proposed increase. The notice and proof of service requirements set forth below shall apply to such request. The owner shall also deposit the appropriate processing fee listed in the current Board of Supervisors resolution establishing schedule of land development preliminary processing fee deposits to cover costs of processing the request and conducting any hearing or meeting held to consider the request. Upon conclusion of such meeting or hearing, the balance of the deposited processing fee, if any, shall be refunded to the owners. If

additional expenses are incurred, the owner shall be billed for, and shall be responsible for, payment of such additional expenses.

(b) The Board shall set a hearing on any request complying with the requirements of subdivision (a) above no sooner than ten (10) days and no later than seventy-five (75) days after receipt of the request and proof of service. The Board shall notify the owner and tenants, in writing, of the time and place set for the hearing. No hearing or any part thereof may be continued beyond thirty (30) days after the initial hearing date without the owner's consent. If the Board approves an increase as requested, or lower than requested, the same shall take effect as noticed by the owner or as the Board may otherwise direct.

(c) Procedures-The owner shall also deposit the appropriate processing fee listed in the current Board of Supervisors resolution establishing schedule of land development preliminary processing fee deposits to cover costs of processing the proposed Rent Schedule and/or utility separation applications and conducting any hearing or meeting held to consider the proposed Rent Schedule. Upon conclusion of such meeting or hearing, the balance of the deposited processing fees, if any, shall be refunded to the owner. If additional expenses are incurred, the owner shall be billed for, and shall be responsible for, payment of such additional expenses.

The owner shall serve affected residents, either personally or by mail, with written notice of the proposed increase, in accordance with State law, and with written notice that a request for approval of same is being filed with the Board. The owner shall file proof of such service with the Board concurrent with the filing of the rent increase requests. Copies of the Rent Schedule, request for increase, and supporting documentation shall be available free of charge to any tenant requesting same at the owner's office in the affected park.

Sec. 9 - Administrative Fees

The Board of Supervisors finds that this Ordinance protects the owners of mobile dwelling units from unreasonable rent increases and recognizes the need of park owners for a fair return on their property and a sufficient rental income. The Ordinance services a limited segment of the public, the mobile dwelling unit owners and park owners. Therefore, that service is not generally applicable to the public at large. The tenants benefit from the Ordinance provisions, but the owners also benefit. For instance, the administration of the Ordinance provides a certain level of stability for the park owners in that they know they are annually eligible for a reasonable rent increase and that there is a fair process to resolve tenant concern with rent increases. Additionally, in recent years there have been amendments made to the Ordinance and procedures that have allowed greater rental income over and above the annually permitted increases and, or reduced costs to the park owners, i.e., vacancy decontrol, utility separations, amortization extensions and sliding scale application fees. Also, the approval of this new Fee accompanies the elimination of the Section 6 application fee for the park owners. Furthermore, during the administration of the Ordinance it is often

necessary for staff to work with tenants and park owners to assist in resolving issues of concern to both. This has benefited the owners as well as the tenants.

The Board of Supervisors finds that the County incurs certain costs administering this Ordinance in the interests described in Sec. 1 (Purpose and Intent), and as noted above. The Board concludes that a fee that bears a reasonable relationship to the services provided is necessary.

(a) Registration Fee: The total of said fee is in the current Board of Supervisors Land Development Processing Fee Schedule.

(b) The percent of said fee paid by the park owner and the affected tenants shall be proportionate to the services provided to each as determined by the standards set forth in the Board of Supervisors approved fee resolution. The tenant portion of the fee shall be collected by the park owner in twelve (12) equal monthly installments which may be included with the monthly statement of rent due, but must be separately itemized.

(c) This fee shall not be included in the rent base when calculating ministerial rent increases, but may be used in enumerating housing service costs. The fee for the entire park must be submitted with the annual rent increase request as part of the annual rent increase application, or in the event there is no application, the fee shall be paid on the month and day of the most recent application's effective date.

(d) The Planning Director shall report to the Board of Supervisors each fiscal year with a recommendation regarding the amount necessary to recover the costs of administering this Ordinance, and the proportion of said fee levied on the tenants and the park owners based on the relative service provided to each. A notification of the hearing on any proposed fee changes shall be mailed at least 10 days in advance to each mobile home park owner and to the manager of each mobile home park for public posting.

Sec. 10 - Conduct of the Hearing

(a) All meetings and hearings conducted by the Board shall be open to the public.

(b) All parties to a hearing may have assistance from an attorney or such other person as may be designated by said parties in presenting evidence or in setting forth by argument their position. All witnesses shall be sworn in and all testimony shall be under penalty of perjury.

(c) In the event that either the owner or the tenant(s) should fail to appear at the hearing at the specified time and place, the Board may hear and review such evidence as may be presented and make such decisions as if both parties had been present.

(d) All meetings and hearings shall be tape recorded. Tapes shall be preserved for six months, or longer if requested by any party affected by the meeting or hearing.

Sec. 11 - Standards of Review

(a) In evaluating a rent increase proposed under Section 8 by the park owner, the Board shall consider, along with all relevant factors, changes in costs to the owner attributable to increases or decreases in master land and/or facilities lease rent, utility rates, property taxes, insurance, advertising, variable mortgage interest rates, governmental assessments and fees, incidental services, employee costs, normal repair and maintenance, and other considerations including, but not limited to, capital improvements, upgrading and addition of amenities or services, net operating income, and the level of rent necessary to permit a just and reasonable return on the owner's property.

(b) The Board shall adopt guidelines for discretionary rent increases which will assure a just and reasonable return to owners or parks subject to this Ordinance. Said guidelines shall include, but not be limited to, those items listed in Section 11(a), in addition to procedures for determining eligibility for discretionary rent increases and evaluating such increases.

Sec. 12 - Decisions

(a) Staff Decisions: Decisions by staff shall constitute a written finding of application completeness and a resolution and shall be rendered within 30 calendar days of receipt.

(b) All other Decisions: The Board shall make a final decision no later than ten (10) days after the conclusion of its hearing. The Board's decision shall be based on the preponderance of the evidence submitted at the hearing. All parties to the hearing shall be advised of the Board's decision and given a copy of the findings upon which the decision is based.

(c) Pursuant to its findings, the Board may: (1) permit the requested increase to become effective, in whole or in part; (2) deny the increase; or (3) if circumstances justify, order reduction in rent to a rate(s) determined by the Board.

(d) If the Board finds that an increase which went into effect, or any portion thereof, is not justified or authorized by this Ordinance, the owner shall refund the amount found to be unjustified or unauthorized to the tenant(s) within thirty (30) days after the decision of the Board is announced.

(e) If the Board finds that a proposed increase, or any portion thereof, which was previously inoperative is justified, the tenant(s) shall pay the amount found justified to the owner within thirty (30) days after the decision of the Board is announced.

(f) The conclusions and findings of staff of CPI-U ministerial annual rent increases and all other decisions by the Board shall be final and there shall be no right of appeal to the Board of Supervisors.

Sec. 13 - Tenant's Right of Refusal

A tenant may refuse to pay any increase in rent which is in violation of this Ordinance, provided that staff or the Board has either not reached its decision or has found the increase violates the provisions of this Ordinance. Such refusal to pay shall be a defense in any action brought to recover possession of a mobile home space or to collect the rent increase.

Sec. 14 - Retaliatory Eviction

Notwithstanding Section 12 above, in any action brought to recover possession of a mobile home space, the court may consider as grounds for denial any violation of any provision of this Ordinance. Further, the determination that the action was brought in retaliation for the exercise of any rights conferred by this Ordinance shall be grounds for denial. Any action brought within three (3) months of the determination of a request for rent increase, petition, or complaint filed by the tenant pursuant to this Ordinance, shall be presumed to be retaliatory; this presumption affects the burden of proof and is rebuttable by the owner.

Sec.15 - Other Retaliation

It shall be unlawful for a landlord to retaliate against a mobilehome owner or tenant for:

The mobilehome owner's or mobilehome tenant's organizing, petitioning government for rent relief, or exercising any right granted under this Ordinance or engaging in any form of harassment that causes the mobile home owners or tenants to quit the premises.

In an action by or against a mobile home owner, evidence of the assertion or exercise by the mobilehome owner of rights under this Ordinance or other activity in furtherance of mobile home owners' rights and organizations within three months of the alleged act of retaliation shall create a presumption affecting the burden of producing evidence that the park owner's conduct was in retaliation for the mobilehome owner's assertion or exercise of rights under this Ordinance.

Sec. 16 - Agreements

Nothing in this Chapter shall operate to restrict the right of a Resident and Management to enter into an agreement in accordance with California Civil Code, §798.17. Pursuant to California Civil Code, §798.17(c) the Resident shall have the option to reject the offered rental agreement and accept a rental agreement for a term of twelve (12) months or less, including a month to month agreement. No owner may require, directly or indirectly, that any Resident or prospective Resident sign a lease or rental agreement with a term in excess of twelve (12) months or that provides that it shall be exempt from local rent control as a condition of residency in the park, and no owner may deny a tenancy to a prospective purchaser of a mobilehome in the park on the ground that the prospective purchaser will not sign such a lease or rental agreement.

Sec. 17 - Civil Remedies

If any owner demands, accepts, receives, or retains any payment of rent in excess of the maximum lawful space rent, as determined under this Ordinance, the tenants in such park affected by such violation, individually or by class action, may seek relief in a court of appropriate jurisdiction for injunctive relief and/or damages. In any such court proceeding, the prevailing party shall be awarded his reasonable attorney's fees and the court, in its discretion and in addition to any other relief granted or damages awarded, shall be empowered to award to each affected tenant civil damages in the sum of not more than three times the total monthly space rent demanded by the owner from each such tenant.

Sec. 18 - Penalties

Any person, firm, or corporation willfully violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor and such person shall be deemed guilty of a separate offense for each and every day or portion thereof during which any violation of the provisions of this Ordinance is committed, continued, or permitted, and upon conviction of any such violation, such person shall be punishable by a fine of not more than $1,000.00 (one thousand dollars), or by imprisonment for not more than six (6) months, or both such fine and imprisonment.

Sec. 19 - Procedural Irregularities

Formal rules of evidence or procedure which must be followed in court shall not apply to staff or Board proceedings, except to the extent that staff or the Board shall determine. No action hereunder shall be held void or invalid or be set aside by any court on the ground of the improper admission or rejection of evidence, or by reason of any error, irregularity, informality, neglect, or omission (hereinafter called "error") as to any matter pertaining to applications, notices, findings, records, hearings, reports, recommendations, or any matters or procedure whatever, including but not limited to those included in this section, unless after an examination of the entire case, including the evidence, the court shall be of the opinion that the error complained of was prejudicial, and that by reason of such error the party complaining or appealing sustained and suffered substantial injury, and that a different result would have been probable if such error had not occurred or existed. There shall be no presumption that error is prejudicial or that injury was done if error is shown.

Sec. 20 - Notice to New and Prospective Tenants

Prior to or at the time of agreeing to rent space to a new tenant in a park, the owner shall provide each new tenant or prospective tenant with a copy of this Ordinance, as currently in force.

Sec. 21 - Severability

If any provisions or clause of this Ordinance or the application thereof to any person or circumstance is held to be unconstitutional or to be otherwise invalid by a final judgment of any court of competent jurisdiction, such invalidity shall not affect other provisions or clauses or applications thereof which can be implemented without the invalid provision or clause or application, and to this end, the provisions and clauses of this Ordinance are declared to be severable.

A MUTUAL AGREEMENT TO A CESSATION OF REQUESTS TO AMEND THE VENTURA COUNTY MOBILE HOME PARK RENT CONTROL ORDINANCE

WHEREAS, Ventura County Board of Supervisors appointed Committee to Review the Rent Control Ordinance met and conferred twelve times over a six month period, and

WHEREAS, the Committee identified issues of concern, negotiated in good faith, and

WHEREAS, the Committee unanimously agreed to support various amendments to the Rent Control Ordinance, and

WHEREAS, the Committee members in attendance October 26, 1999, further unanimously agree that the parties representing the Mobilehome Owners and the Park Owners shall not initiate any requests to amend the Ordinance for the seven year period from the date of the Board of Supervisors hearing on this matter.

NOW, THEREFORE, BE IT RESOLVED that the undersigned do hereby agree to abide by this agreement.

SUMMARY ORDINANCE NO. 4206

SUMMARY OF AMENDMENTS TO THE VENTURA COUNTY MOBILE HOME PARK RENT CONTROL ORDINANCE

The following is a summary of Mobile Home Park Rent Control Ordinance amendments adopted by the Ventura County Board of Supervisors on December 21, 1999 at 9:00 a.m. in the Board Hearing Room in the Hall of Administration, County Government Center, 800 South Victoria Avenue, Ventura, California. The purpose of the amendments is to:

Section 6, Legality of Increases and Ministerial CPI-U Increase

(b), Amend the current rent increase limits from 3% and &%, respectively, to 2% and 8%

(c), Amend decontrol limits of 15% or $50, whichever is less, to 15% of each park's average rent or $60, whichever is less, and this shall occur only once every four years

Section 18, Penalties

Line 1: add the word "willfully" prior to the word "violating".

Passed and adopted this 21st day of December, 1999.

TUESDAY, DECEMBER 21, 1999 AT 9:00 A.M.

ORD. #4206/222

AN ORDINANCE RELATING TO MOBILE HOME PARK RENT CONTROL

An Ordinance of the Ventura county Board of Supervisors Relating to Mobile Home Park Rent Control is presented to the Board at this time, and upon motion of Supervisor Mikels, seconded by Supervisor Long, and duly carried, it is ordered that the same be passed and adopted as an ordinance of the County of Ventura, to be known as Ordinance No. 4206.

Board members vote as follows:

Ayes: Supervisors Schillo, Long, Mikels and Lacey

Noes: None

Absent: None

All members of the Board present voting on the passage and adoption of said Ordinance, it is hereby declared and ordered that said Ordinance is hereby passed and adopted as an Ordinance of the County of Ventura, to be known as Ordinance No. 4206.

It is further ordered that said ordinance shall take effect and be enforced at the expiration of thirty (30) days from the date hereof, and before the expiration of fifteen (15) days a summary of said ordinance shall be published, with the names of the members of the Board of Supervisors voting for and against the same, at least once in the Ojai Valley News (OVN), a newspaper of general circulation printed and published in the County of Ventura, State of California.

AMENDMENTS TO THE VENTURA COUNTY MOBILE HOME PARK RENT CONTROL ORDINANCE

The following is a summary of Mobile Home Park Rent Control Ordinance amendments adopted by the Ventura County Board of Supervisors on December 21, 1999 at 9:00 a.m. in the Board Hearing Room in the Hall of Administration, County Government Center, 800 South Victoria Avenue, Ventura, California. The purpose of the amendments is to:

Section 6, Legality of Increases and Ministerial CPI-U Increase

(b) Amend the current rent increase limits from 3% and 7%, respectively, to 2% and 8%

(c) Amend decontrol limits of 15% or $50, whichever is less, to 15% of each park's average rent or $60, whichever is less, and this shall occur only once every four years

Section 18, Penalties

Line 1: add the word "willfully" prior to the word "violating."

Passed and adopted this 21st day of December, 1999.

Ayes: Supervisors Schillo, Long, Mikels, Flynn and Lacey

1/24

SUBJECT: Reportback from Committee to Review the Mobile Home Park Rent Control Ordinance and Recommended Ordinance Changes

RECOMMENDED ACTIONS:

1. On December 14. 1999 read the Mobile Home Park Rent Control Ordinance in title only, receive testimony, and waive further reading of the proposed ordinance as shown on Exhibit 1, and continue the hearing for final adoption to December 21, 1999.

2. Find that the proposed amendments will not have a significant effect on the environment, direct staff to prepare and file a Notice of Exemption pursuant to Section 150161(b)(3) of the California Environmental Quality Act, repeal Ordinance 4163, and approve and adopt the proposed amendments.

FISCAL/MANDATES IMPACT:

None.

DISCUSSION

On April 6, 1999 your Board created the Mobile Home Park Rent Control Ordinance Committee to review the Ordinance. The Committee met twelve times, considered over thirty possible amendments and unanimously agreed to the proposed changes. Also, the Ventura County Mobile Home Park Rent Review Board held a public hearing on the Committee's report November 17, 1999, and recommends the following changes:

1. Section 6, CPI Rent Increase- change the current limits of 3% and 7% to 2% and 8%

The Consumer Price Index (CPI) has been below 3% for a number of years and the residents considered a reduction in the lower level to be the major issue. The park owners agreed to the reduction as long as the upper end would rise by 1%.

2. Section 6 Decontrol Provisions- change the current 15% or $50, whichever is less limits to 15% of the park's average space rent or $60, whichever is less. This may occur no more than once every four years.

The park owners regarded the decontrol amount as their major issue. The residents agreed to this increase as long as the new base for calculation was the "average" rent for the park, and not the individual space as it is now. This will have the effect of lowering the rent for incoming residents, a primary concern. Additionally, the residents wanted the number of times this could occur to be limited and the park owners agreed to four years. Currently there is no limit.

3. Section 18-Penalties- Line 1, Add the word "willfully" prior to the word "violating". The revised sentence will read: "Any person, firm, or corporation willfully violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor....."

The park owners were concerned that an owner could be sent to jail for a unwillfull and minor offense.

Also attached for your Board's information is the seven year agreement to not request changes to the Ordinance. (Exhibit 2)

The Review Process

The Rent Control Ordinance Review Committee has the following composition: three park owners, three mobile home owners, a Ventura County Mobile Home Park Rent Review Board (RRB) member, and alternates for each group. The members were selected by open election at the May 12, 1999 RRB meeting after wide dissemination of the election notice. (Exhibit 2)

The committee meeting schedule was published and distributed to mobile home parks for posting. Park owners and the public were invited to attend and be heard. Each meeting was publicly noticed. Agendas were sent for posting to each park and to their owners.

The Planning Division reviewed this project, and determined that it is exempt from the California Environmental Quality Act, Section 15061(b)(3), as there is no possible significant effect on the environment.

This item has been reviewed by County Counsel and a copy provided to the Chief Administrative Office. If you have any questions please contact Kim Hocking at extension 2414.

RESOLUTION
OF THE BOARD OF SUPERVISORS
COUNTY OF VENTURA
ESTABLISHING THE
OAK VIEW
LOCAL RECREATION ADVISORY COMMISSION
CSA NO. 28
(426.28)

WHEREAS, the County of Ventura provides local recreational facilities in the unincorporated community of Oak View for the use and enjoyment of the public; and

WHEREAS, it has been deemed desirable to provide for greater citizen participation in the operations of the local recreation program and in developing long range objectives and goals of the County Local Recreation Program; and

WHEREAS, Section 31000.1 of the Government Code of the State of California provides that, "The Board of Supervisors may appoint commissions or committees of citizens to study problems of general or special interest to the Board and to make reports and recommendations to the Board"; and

WHEREAS, the Board of Supervisors, by adopted policy, provides local recreation facilities to serve residential areas within the unincorporated territory of Ventura County where an equitable share of development and operation costs can be reimbursed through local assessments and/or donations

NOW, THEREFORE, BE IT RESOLVED THAT:

1. The Oak View Local Recreation Commission is hereby established.

2. Said Commission shall be composed of seven (7) members. Each member shall be nominated by the Supervisor, District 3, subject to approval by the Board of Supervisors.

3. The Board of Supervisors may remove any member of the Commission from office at any time upon a majority vote of the Board.

4. Commission members shall serve terms coinciding with the term of the Supervisor who nominates them plus 60 days for consideration for reappointment.

5. Commission members shall serve without compensation except as otherwise provided in Section 31000.1 of the Government Code and as approved by the Board

of Supervisors, or as may be provided in Article 43 of the County of Ventura's "Personnel Rules and Regulations."

6. The function and duties of said Commission shall be:

   A. To advise the Board of Supervisors and County staff

      (1) In matters of policy pertaining to Ventura County's Local Recreation Program.

      (2) In planning for the local recreational needs within the community in terms of local parks, recreation programs, and specialized recreation areas and facilities.

      (3) On all financial matters including grants and other sources of revenue and expenses in the administration of the local recreation program.

      (4) And/or assist in other matters as may be requested of the Commission from time to time by the Board of Supervisors.

   B. To administer the operational program of the County owned local recreation facilities in the Oak View community including:

      (1) Reservations

      (2) Accountability

      (3) Maintenance and construction (improvements enforcing)

      (4) Rules and regulations for use of facilities.

7. The Commission shall cooperate and coordinate with cities, local park and recreation districts, local unincorporated communities, and other agencies in planning for the local recreational needs of the residents of the community, recognizing the roles of various recreational agencies in meeting these needs. All recommendations shall be directed to the Board of Supervisors, exclusively.

8. The Commission shall meet regularly, at least once a month, at a time and place established by its members.

9. The Commission shall adopt bylaws, rules and regulations providing for the election of officers, designation of meeting dates, establishment of committees, allocations of duties, and such other rules and regulations as may be necessary for the efficient conduct of business.

10. The officers of the Commission shall consist of Chairman, Vice-Chairman, Secretary, and Treasurer.

11. The Commission Chairman and other officers shall serve for a period of one year from July through June.

12. The Duties of the Officers shall be:

A. Chairman - shall preside at all meetings of the Commission; call special meetings of the Commission; prepare agenda items; represent the Commission at public hearings of the Board of Supervisors on Commission matters; and other duties as may be established in the bylaws.

B. Vice-Chairman - shall take over the duties of the Chairman in his absence; shall be responsible for the maintenance and operation of the county owned local recreation facilities (including improvements); and other duties as may be established in the bylaws.

C. Secretary - shall take minutes of Commission meetings and record all Commission action; assume Chairman's role in the absence of the Chairman and Vice-Chairman at meetings; initiate or introduce correspondence; and other duties as may be established in the bylaws.

D. Treasurer - shall make all reservations and collect fees for use of local park facilities; shall be accountable for all monies on hand, collected, and turned in to Property Administration Agency for deposit; shall assist County staff in annual budget preparation; and other duties as may be established in the bylaws.

13. The Operations Supervisor of the County Parks Department, or his designated appointee, shall be a non-voting ex-officio member of the Commission. Other staff services and supplies may be authorized by the Director of the Property Administration Agency or by the Board of Supervisors from other County agencies.

14. The Board hereby directs and requests all County Officers and agencies to aid and cooperate in every way with the Commission.

15. Commission members shall conform to all applicable Codes of the State of California, Ordinances of the County of Ventura and directives of the Board of Supervisors in the conduct of their business.

PASSED, APPROVED and ADOPTED this 31st day of October, 1978.

EDWIN A. JONES, Chairman
Board of Supervisors
County of Ventura

ATTEST: ROBERT L. HAMM,
County Clerk, County of
Ventura, State of California,
and ex-officio Clerk of the
Board of Supervisors thereof.

By _____
Deputy County Clerk

LOCAL PARKS ADVISORY COMMISSION

BYLAWS

PURPOSE

1. (a) The Commission shall advise the Board of Supervisors on local recreational matters of the Oak View community, the planning and the orderly development of the County local park program and operation policy for the residents of the Oak View community while at the same time considering the socio-economic-environmental balances.

(b) The Commission shall be responsible for the operation of local parks, including labor and donations and fund raising events to offset nonlabor operational costs.

MEMBERSHIP

2. The Commission is composed of seven (7) voting members and may include seven (7) alternates. Each member shall be nominated by the Supervisor, District 3, subject to approval by the Board of Supervisors. In addition, there are two non-voting ex-officio members, representing the County Parks Department and the office of the County Supervisor, District 3. In the event of a vacancy by resignation or dismissal, the Commission, by Commission action, will recommend a member to be duly recommended to the Board of Supervisors by the local County Supervisor for appointment.

QUORUM

3. A quorum shall be at least 50% of the current Commission membership.

REGULAR MEETINGS

4. The Oak View Community Recreation Advisory Commission shall meet in regular session, monthly, on a predetermined day at a predetermined time and place.

SPECIAL MEETINGS

5. Special meetings may be called for any Commission business by (a) the Commission Chairman, (b) a quorum of Commissioners, or (c) the Operations Supervisor of the County Parks Department or his designated appointee.

ELECTIONS AND OFFICERS

6. (a) Elective officers of the Commission shall be:

1. Chairman
2. Vice-Chairman
3. Secretary
4. Treasurer

(b) The term of office for all officers shall be for one calendar year.

(c) Election of said officers shall take place at the first regular meeting of the Commission in July of each year. Election shall be by majority vote of the members in attendance at this meeting providing that such membership constitutes a quorum.

NOTE: Commission member appointments are made by the Board of Supervisors at the beginning of each of their own terms of office. The time for election of officers is selected to insure that only properly appointed members participate or be considered for office.

(d) Office vacancies shall be filled by election.

DUTIES OF MEMBERS

7. It shall be the duty of each member of the Commission to take an active part in the affairs of the Commission; specific duties of officers are as follows:

(a) Chairman - shall preside at all meetings of the Commission, appoint special Committees; call special meetings of the

Commission as deemed advisable; prepare agenda items; serve as representative of the Commission on County Local Parks Advisory Committee.

(b) Vice-Chairman - shall assume the duties of the Chairman in his absence.

(c) Secretary - shall take minutes of Commission meetings and record all Commission action; assume Chairman role in the absence of the Chairman and Vice-Chairman; initiate or introduce correspondence.

(d) Treasurer - shall make all reservations and collect fees for use of local park facilities; shall be accountable for all monies on hand, collected, and turned in to the Property Administration Agency for deposit; shall assist County staff in annual budget preparation.

COMMITTEES

8. The Commission shall establish standing committees for each of the following subjects:

1. Park Planning
2. Recreation Programming
3. Operations (fee collections, reservations)
4. Public Information

Each standing committee will be comprised of three (3) Commissioners and shall meet as deemed necessary to review and make recommendations to the Commission.

Special committees may be appointed by the Chairman as the need arises.

PARLIAMENTARY PROCEDURE

9. Roberts Rules of Order, Revised Form, shall govern the conduct of the OAK VIEW Community Local Parks Advisory Commission.

COMMISSION ACTION

10. (a) A majority vote of the members present shall be required to carry a motion, proposal, or resolution. The vote shall be recorded on all official action by the Commission. In actions proposed by the Chairman, unanimous consent thereto shall have the effect of a motion duly carried without the necessity of a formal vote.

(b) Under no circumstances should any member take any action or make any statement committing the Commission as a whole unless given authority to do so by a vote of the Commission.

(c) All Commission action should be consistent with the mission and goals of the Local Parks Program established by the Commission and the County Board of Supervisors.

COMMUNICATIONS 11. All written communications from the Commission shall be sent out over the signature of the Chairman, or his designated appointee, or an officer of the Commission as may be directed by the Commission.

AMENDMENTS 12. These Bylaws may be amended by a majority of the voting members present, provided notice of said amendment has been given at the previous regular meeting.

MINUTES OF MEETINGS 13. The Secretary of the Commission is charged with transcribing the minutes of regular and special meetings within a reasonable time following such meetings. Following Commission approval, a copy of the minutes shall be forwarded to:

1. Commission members
2. Parks Department, Property Administration Agency
3. Supervisor, District 3 .

ATTENDANCE 14. The Commission minutes shall record members present at each meeting.

An attendance report will be filed with the Board of Supervisors each quarter listing the attendance at the Commission meetings.

(28)

BOARD OF SUPERVISORS, COUNTY OF VENTURA, STATE OF CALIFORNIA

TUESDAY, JUNE 17, 1969, AT 9:00 O'CLOCK A. M.

202-Airport Authority
Upon motion of Supervisor Conlan, seconded by Supervisor Laubacher, and duly carried, the Board hereby approves the following matter, authorizing the Chairman to sign the Statement of Policies and the Joint Exercise of Powers Agreement between the City of Oxnard and the County of Ventura creating the Ventura County Airport Authority; the Board defers the matter of the appointment of two persons to serve on the Board of Directors of the Authority:

MAILING ADDRESS:

Department of Airports and Harbors

COUNTY OF VENTURA

June 12, 1969

Board of Supervisors
County of Ventura

Subject: Oxnard Airport Policy - Joint Powers Agreement

Pursuant to Board action of June 10, your Board approved a Statement of Policies for developing the County Airport in Oxnard and submitted said statement to the City Council of Oxnard for their consideration and adoption as a statement of policy. This matter came before the City Council on the evening of June 10 and with a 4-1 vote received support and their adoption as the City's policy on airport development. The purpose of this letter is to request the Chairman of the Board to sign the re-typed copy of said Statement of Policies.

In addition, accompanying this letter are copies of the Joint Powers Agreement which modifications have been reviewed and accepted as to legal significance by the firm of O'Melveney & Myers. As the Board may recall, the City of Oxnard, through their attorney's office and O'Melveney & Myers, requested certain minor changes to the document which more explicitly set up the intent and purpose for the Joint Powers Agreement; however, these modifications, in no way limit the planned terminal facility or its use.

The City Council in their action of June 10 did not have the final typed statement of policy and were unable to sign the policy as such; however, it is assumed that upon presenting it to the City Clerk of Oxnard the Mayor will sign the statement and once it is signed it will automatically make way for the City to enter into the

Oxnard Airport Auth

202
Agreement with

JOINT EXERCISE OF POWERS AGREEMENT
BETWEEN THE CITY OF OXNARD AND THE
COUNTY OF VENTURA CREATING THE
VENTURA COUNTY AIRPORT AUTHORITY

THIS AGREEMENT, dated for convenience as of July 1, 1969, by and between the CITY OF OXNARD, a municipal corporation of the State of California (hereinafter called "City") and the COUNTY OF VENTURA, a body corporate and politic of the State of California (hereinafter called "County");
