Nothing contained in this provision shall be deemed to supersede the provisions of existing State law and the ordinances and rules of the County which established the Civil Service System.

ARTICLE 20 CNA RIGHTS

Sec. 2001 **Association Business and Paid Work Time:** The County agrees to authorize CNA's Local Chapter Chief Nurse Representative one (1) hour per month of paid County time to attend Local Chapter Board Meetings. CNA Member Representatives may draw from the Member Representatives' Bank only during a scheduled work day, or during a regular day off with prior management approval and provided that such compensation does not result in overtime. No one CNA Member Representative shall use more than fifty percent (50%) of the CNA Member Representatives' Bank. The bank hours used will be in accordance with the provisions of this article, and CNA Member Representatives are required to report all bank hours on their time cards.

It is further agreed that CNA Member Representatives will conduct all other Union business, except for time spent in negotiations when scheduled to work, on their own time.

Sec. 2003 **CNA Member Representatives:** The County affirms the right and recognizes the necessity of the Union to designate Per Diem Employees as CNA Member Representatives. Further, Management recognizes that CNA Member Representatives are the official on-site representatives of the Union and commits that no CNA Member Representative will be unlawfully discriminated against because of the exercise of his/her rights and duties. It is also agreed by the County and the Union that the purpose of all Union representatives is to promote an effective relationship between the County and the Union by assisting in settling grievances at the lowest possible level of the grievance procedure.

A. The Union may designate CNA Member Representatives to represent Per Diem Employees in the processing of grievances, at Weingarten meetings, and in hearings pertaining to dismissal pursuant to PRR 2326.

1. The Union, on a quarterly basis, shall furnish the Director-Human Resources and the Director of Nursing with a written list identifying by name and assigned work areas all CNA

Where this prohibition extends beyond one (1) working day, the time limits of the grievance procedure shall be extended for the length of the delay.
3. When a CNA Member Representative desires to contact a Per Diem Employee at his/her work location, the CNA Member Representative shall first contact the immediate supervisor of that Per Diem Employee to make an appointment, advise him/her of the nature of the business, and obtain permission to meet with the Per Diem Employee. The immediate supervisor will make the Per Diem Employee available promptly unless compelling circumstances prohibit the employee's availability, in which case the supervisor will notify the CNA Member Representative when he/she can reasonably expect to contact the Per Diem Employee. Where this prohibition extends beyond one (1) working day, the time limits of the grievance procedure shall be extended for the length of the delay.

4. Interviews or discussions with a Per Diem Employee and a CNA Member Representative during working hours will be handled expeditiously. A CNA Member Representative is authorized by the Union to act on behalf of CNA regarding grievances and work condition issues related to the area of representation.

The County will provide the Association Representative with New Employee Orientation schedules, subject to change, on an annual basis, and any updates as they occur, including dates, times and locations of the sessions. Such time will be scheduled within the New Employee Orientation agenda. The County will provide an appropriate area for the Association to meet with the new bargaining unit members. It is further agreed that, should the Association

designate a Nurse Representative to meet with new employees, the Nurse Representative's time will be paid and the Nurse Representative will be released from work for the time needed to travel to and from the meeting location and to meet with employees, provided that the Nurse Representative gives his/her supervisor sufficient advance notice. Any individual Nurse Representative may be released under this section for a maximum of two (2) orientation meetings per calendar year. Dependent upon the availability of additional codes and the agreement of the Auditor-Controller, the new code may be instituted. Upon such approval, CNA shall pay in advance to the County Auditor-Controller the sum of nine hundred fifty dollars (\$950) for activating the code. Existing codes and changes shall be processed without cost to the Association. The County and CNA agree that both parties shall be saved, indemnified, and held harmless from any liability due to errors and omissions arising out of the other party's use of the CNA-sponsored deductions codes.

Assuming full compliance by CNA with the requirements of this Section, once written approval is granted, CNA shall not subsequently be denied use of the promised meeting space.

Sec. 2010 **Bulletin Boards:** The County will designate at least one (1) bulletin board or a portion of an existing bulletin board in each worksite in which a CNA-represented member works, for the exclusive use of CNA. The space allotted shall not be less than 2' x 3' or more than 3' x 4'. If the Department/Agency Head objects to the contents of such material, he shall immediately notify CNA staff or its representative. Such material shall not be placed on the board until the dispute is resolved. If agreement cannot be reached between CNA and the Department/Agency Head, the matter shall be immediately referred to the Director-Human Resources for resolution. Such material shall be signed and dated by a steward, officer, or staff member of CNA. Any material not meeting the above criteria shall be promptly removed.

Sec. 2011 **Access:** CNA paid labor representatives shall be granted access to County facilities, in accordance with this Article, upon directly notifying the Director of Nursing (for VCMC) or appropriate Division Manager for Behavioral Health and Public Health or designated management representative and after advising said authority of the general nature of the business. The Association will not meet with Per Diem nurses during scheduled work time, in nursing units, and shall not disrupt or interfere with the duties and operations of the workplace.

Requests to access non-work areas shall be made by personally contacting the appointing authority or designated management representative as far in advance as possible, but at minimum 24 hours prior to being on site. The Labor Representative shall comply with security measures and precautions pertaining to facility access. The appointing authority shall not unreasonably withhold timely access. CNA Labor Representatives shall not be required to notify the County when accessing public areas, i.e., cafeteria at both hospitals, during hours open to the public.

CNA Labor Representatives granted access shall limit such visits to a reasonable period of time, taking into consideration the nature of the grievance or appeal or other representation activity. CNA Labor Representatives shall be provided access to non-work areas such as

The supervisor, after consulting with the employee, may direct the employee to perform the task, or may assign the affected employee to other available work consistent with the work usually performed by the employee.

An employee may not be disciplined for appropriately raising safety concerns.

Sec. 2803 **Infectious Disease and Hazardous Substance Protection:** The County is committed to providing a safe and healthy work environment for its employees and further agrees to comply with all applicable local, state and federal health and safety laws and regulations regarding infectious disease and hazardous substance exposure, including providing the necessary personal protective equipment, training and education. In the event that safety laws and regulations differ from the language of this article, the higher standard shall be in effect.

The County will endeavor to protect employees covered by this Agreement from infectious disease and hazardous substance exposure in the following ways:

- a. The County shall provide protocols and personal protective equipment (PPE) based on the type and nature of the disease or substance. The employee is responsible for strictly adhering to County policy and Cal/OSHA recommendation as applicable to this setting.
- b. The County shall engage in the Interactive Process with any employee who reports an allergy or sensitivity associated with County-provided PPE to determine if there is a reasonable alternative.
- c. The County shall provide training and education for all employees covered by this Agreement who may be exposed to patients, their bodily fluids, or other potentially infectious or hazardous materials. There will be additional training and education as needed based on new conditions related to infectious diseases and other hazardous substances. Information and training shall include the symptoms of diseases, modes of transmission, methods of protection, workplace infection control procedures, special precautions and recommendations for immunizations where applicable, and meet minimum standards as established by the Cal/OSHA. Record of employees having attended/participated in annual safety updates shall be kept by HCA.
- d. Consideration of suggestions from the PPC as to what modifications should be made in improving protections from infectious disease and hazardous substance exposure.

Sec. 2804 **Infection Prevention and Control Committee:** The County's Infection Prevention and Control Committee (IPCC) shall include two (2) CNA unit members as designated by the PPC, and who will be responsible for attending the monthly IPCC meeting.

ARTICLE 29 REST AND MEAL PERIODS

Sec. 2901 Rest and Meal Period

- A. Meal Period: All employees covered by this Agreement who work a scheduled shift of five or more hours shall have one unpaid/uninterrupted meal period of at least thirty (30) minutes in duration. Non-exempt employees who regularly work a scheduled shift of 10 or more hours may elect a second unpaid/uninterrupted meal period by submitting a Second Meal Period Opt-in Form.
- B. Rest Period: All employees covered by this Agreement who are scheduled for an eight (8) to twelve (12) hour shift shall be entitled to two fifteen (15) minute rest periods. Employees scheduled for a shift of six (6) hours shall be entitled to one fifteen (15) minute rest period.
- C. Missed Meal and Rest Period Reporting: Prior to working through a rest or meal period, a non-exempt employee shall make a reasonable effort to notify the charge nurse, or if unavailable, their manager, clinic administrator, or house supervisor of the missed meal or rest period. If prior notification is not feasible, the non-exempt employee must notify their charge nurse/manager/designee in writing prior to the end of the pay period during which the missed rest or meal period(s) occurred. If the missed meal or rest period occurred on the last day of the pay period, the employee must notify their charge nurse/manager/designee in writing within 24 hours of the end of the pay period. Missed rest and meal period forms shall be reasonably and conveniently available. Reports regarding notification of missed meal or rest periods will be reviewed by hospital nursing or clinic management on a monthly basis, and provided to the CNA PPC upon request, to determine staffing needs and the Patient Classification Committee, as needed.
- D. Non-exempt employees covered by this Agreement to whom the provisions of SB 1334 would otherwise apply and who do not receive a meal and/or rest period pursuant to Sec. 1008 A and B above, shall be paid a monetary remedy as follows: One (1) hour at the employee's regular rate of pay for each workday that the meal period was missed and one (1) hour at the employee's regular rate of pay for each workday that a rest period(s) was missed. As used in this section, regular rate of pay is defined in Sec. 1103-C of this Agreement. In no event shall an employee receive a monetary remedy of more than two (2) hours for any workday. The additional compensation hour(s) shall be excluded from the definition of "hours worked" as defined in section 1103-D of the Agreement.

Sec. 2902 Rest Between Shifts: If a nurse returns to work from on-call status, and there is less than a ten (10) hour interval between the conclusion of the "return to

work” status and the start of the nurse’s immediately following regularly scheduled shift, and the nurse is too tired to work that shift, the nurse may request to be excused for part or all of that shift. A nurse’s request to be excused for part of a shift shall be subject to mutual agreement between the nurse and the County, and shall not be unreasonably denied. Unless the nurse has requested to be excused, the nurse is expected to work their regular shift.

ARTICLE 30 ASSOCIATION MEMBERSHIP

A. GENERAL CONDITIONS

The County and the Association shall comply with federal and state law for the deduction and remittance of membership dues and fees. All employees covered by this Agreement may voluntarily become and remain members in good standing of the Association pursuant to the provisions of the Meyers-Milias-Brown Act (MMBA). No employee shall be required to join the Association as a condition of employment at the County.

B. ASSOCIATION DEDUCTIONS

1. The Association certifies that it will only send requests to initiate dues deduction for employees who have authorized the deductions. Bargaining unit members who are members of the Association on or after the effective date of this agreement who wish to withdraw from Association membership may do so by filing a written notice with the Association in accordance with the terms of the Association membership form signed by the employee. Each employee who is a member of the Association or otherwise authorizes Association deductions shall have the Association deductions deducted as provided in this Article.
2. The Association will certify to the County to begin deductions or to cease deductions from the salaries of bargaining unit members. Such certification shall occur no later than the 15th of the month for the following monthly or bi-weekly payroll cycle. Such deductions shall be delivered to the County in an electronic format.

The Association list to be submitted shall contain the following information:

- a. Bargaining Unit
- b. Campus or Medical Center
- c. Employee Name (last, first, middle)
- d. Employee Identification Number

The County and the Association shall meet and discuss in a good faith effort to reach agreement regarding any issues related to processing Association deductions.

It is not the intent of the parties to delay or deny processing Association deductions due to unavailable information.

3. The County shall deduct and remit to the Association, no less frequently than once a month, Association deductions, as certified by the Association.

The County shall not be responsible for deductions in any pay period in which the employee's net earnings are insufficient to cover the deduction. The County shall also remit, on a monthly basis, an alphabetical list showing the names of payees and the amounts deducted and remitted.

4. Employee Lists: Upon request, and no more frequently than on a monthly basis, the County shall remit a list of bargaining unit employees that includes the following information: name (first, middle, and last), Social Security Number, Employee ID, Address, City, State, Zip Code, Home Phone, Email Address, Classification, Department/Unit, Job Title, Standard Tour of Duty hours, Shift, Hire Date, Base Hourly Rate, FTE, Pay Period End Date, and Amount Deducted (0 if none) in an Excel format to: MemberReports@Calnurses.org.
5. No employee shall be dropped from Association membership upon return from any leave of absence or layoff, unless such leave or layoff constitutes a break in service.
6. Any written communications received by the County from bargaining unit members regarding Association membership shall be returned to the member by the County with reference to this Article. The County shall direct all bargaining unit member questions regarding Association membership to the Association.

C. INDEMNIFICATION

It is specifically agreed that the County assumes no obligation, other than that specified above, or liability, financial or otherwise, arising out of the provisions of this Article. The Association shall inform the County once a year of the amount of monthly dues under this provision. Such notice shall be sent no later than 60 days prior to implementation of any change in the amount of dues to allow for appropriate programming. Further, the Association hereby agrees that it will reimburse the County for any costs and indemnify and hold the County harmless from any claims, actions, or proceedings by any person or entity, arising from the provisions set forth within this article.

D. Correction of Errors

If, through inadvertence or error, the County fails to make authorized deductions, or any part thereof, the County shall assume no responsibility to correct such omission or error retroactively. Once the funds are remitted to the designated representatives of the Association, their disposition thereafter shall be the sole and exclusive responsibility of the Association. It is expressly understood and agreed that the Association shall refund to the member any deductions erroneously withheld from a member's wages by the County and paid to the Association. In the event the Association fails to refund such deductions within a reasonable period of time following notification of the error, the County may make such refund and deduct the amount from the amount due to the Association.

ARTICLE 31 INTEGRITY OF THE BARGAINING UNIT

The County agrees it will not challenge the bargaining unit status of any employee or job classification covered by this Agreement, claim that any employee or job classification covered by this Agreement exercises supervisory authority within the meaning of the NLRA, assign duties to or remove direct patient care duties and responsibilities from any employee for the purpose of removing that employee from the bargaining unit, or eliminate or remove from bargaining unit nurses with direct care responsibilities of Registered Nurses and Nurse Practitioners described in the preceding paragraph. Finally, the County also agrees that during the term of this Agreement it will not challenge the Association's right to represent any employee in any job classification covered by this Agreement based on a claim that such employee is a supervisor within the meaning of the NLRA.

ARTICLE 32 PROFESSIONAL PRACTICE COMMITTEE

Recognizing the value of a committee which can objectively recommend performance improvement related to patient care, an existing Professional Practice Committee (PPC) exists. Within the provisions set forth regarding this existing committee, the PPC shall include two additional seats, which will be filled by two (2) non-probationary per diem registered nurses selected by Association members and provided that not more than one (1) member shall come from a particular unit and including one (1) representative from Santa Paula Hospital.

PPC members shall be released for no more than three (3) hours per scheduled PPC meeting. The PPC meetings shall be scheduled before the work schedule is made and request for release time sent to the Director of Nursing or designee at that time. If a meeting occurs without notification, it will not be considered a formal meeting of the PPC.

ARTICLE 33 STAFFING IMPROVEMENT COMMITTEE

In an effort to create opportunities, but not guarantees, for resolving staffing issues within the VCMC/SPH (including Psychiatric), a Staffing Improvement Committee ("SIC") has been established to provide a forum for communication, information gathering, research, debate, and joint problem-solving. The SIC shall include two additional seats, which will be filled by two (2) non-probationary per diem registered nurses selected by Association members and provided that not more than one (1) member shall come from a particular unit and including one (1) representative from Santa Paula Hospital.

ARTICLE 34 FLOAT POLICY

Floating of registered nurses shall be subject to patient care considerations and staffing needs, and shall consider current skill level needs, qualifications and patient acuity and shall be in compliance with applicable regulations including Title 16 and Title 22 of the California Code of Regulations.

Nurses shall float in the following order:

- (1) Dedicated Float Pool Nurses
- (2) Volunteers
- (3) IHR/Registry/Travelers (where contracts have been negotiated with the relevant company)
- (4) Per Diem
- (5) Regular

County will attempt to negotiate registry/traveler contracts that comply with this language within six (6) months of the closing of this contract. Upon reaching agreement with registry contractors that allow floating of registry nurses, they shall then become number 3 in this section of the Article.

Assignments shall include only those duties and responsibilities for which the registered nurse is qualified.

Registered nurses who float will have completed a float orientation and float competency signed by the nurse and the orienting nurse prior to their first patient care assignment outside their unit. Assignments shall include only those duties and responsibilities for which demonstrated current competencies have been validated.

Orientation of registered nurses to float will occur with an experienced registered nurse of that specific unit. Registered nurses must complete the float orientation and float competency process before they can float.

Registered nurses shall float within their specialty units/clusters. There shall be no mandatory floating between clusters except in emergencies (a foreseen lack of staffing is not an emergency). Clusters are designated as follows:

Home Unit	Float To
Emergency Department	ER holds
Pre-Anesthesia Department	PACU (phase 2 recovery)
Surgery Department	No float
Post Anesthesia Care Unit (PACU)	Pre-Anesthesia Dept, GI lab for recovery
PICU	Pediatrics, NICU with 1:3 assignments and any non-ventilated 1:2 assignments
Pediatrics	1:3 NICU assignments

Home Unit	Float To
NICU	TCN, Pediatrics (Infants < 6 months of age)
Intensive Care Unit	DOU assignment (1:3 assignment)
DOU	Telemetry assignment (1:4)
Telemetry, 3W, MS1, MS3	Med surg or telemetry assignment (1:4 or 1:5)
Labor and Delivery (Including OB OR and Recovery)	Any area with Post Partum assignment, TCN
Post Partum	Stable antepartum (1:3 assignment) and stable recent deliveries, TCN
TCN	Post Partum
Ambulatory Care	No float
Inpatient Psychiatric Unit (IPU)	Crisis Stabilization Unit, Safety attendants housewide, ER for behavioral health cases
Crisis Stabilization Unit (CSU)	Inpatient Psychiatric Unit, Safety attendants housewide, ER for behavioral health cases

Rotation of floating will be at the unit level and maintained by the nurse manager.

Floating is part of all registered nurse's duties and responsibilities in order to meet patient needs and state mandated staffing ratios. A registered nurse who has completed the float orientation and float competency for that specific unit shall not refuse a floating assignment.

There shall be no double floating, with the exception to the Float Pool Unit. If the nurse volunteers to return to their home unit, it shall not be deemed as double floating.

¹ The new VCMC Observation Unit is expected to open in the summer of 2020. The Chief Nurse Executive will give CNA a 60-calendar day notice of the opening of the Observation Unit. The parties agree that, effective the opening date of the Observation Unit, floating to the Observation Unit will be implemented pursuant to the provisions of Exhibit B of this Agreement unless CNA submits a written objection no later than 30 calendar days prior to the opening of the Observation Unit. CNA's written objection shall be submitted to CEO/Labor Relations and to the Chief Nurse Executive, at which time the implementation of floating to the new Observation Unit will be null and void. Within 30 days of receipt of said objection letter, the parties agree to meet and confer regarding floating to the Observation Unit.

ARTICLE 35 DIVERSITY, EQUITY, AND INCLUSION

The County is committed to developing, nurturing, and sustaining an equitable community and workforce where all individuals can thrive. The County pledges to amplify the voices of under-represented communities or those who were historically excluded, by removing barriers that result from racial and social injustice and inequities. The County strives to ensure that equity, diversity and inclusion is embedded at all levels of Ventura County programs and departments. The County will advance equitable policies, practices and procedures, including, but not limited to County services, recruitment and retention, policies and practices, budgeting and procurement. The County is committed to being transparent and creating an inclusive environment. The County and CNA have both declared that racism is a public health crisis. The County and CNA share a commitment to advance diversity, equity and inclusion and to fostering and promoting racial equity and justice in service to our community. The County and CNA agree to utilize the Professional Practice Committee (PPC) as a platform to discuss diversity, equity and inclusion issues that impact employees covered by this Agreement.

ARTICLE 11
EXTRA HELP/INTERMITTENT/FIXED TERM EMPLOYEES
(Amended and Adopted July 31, 1984)

Sec. 1101 Purpose:

To provide regulations which govern the employment and compensation of extra help and intermittent appointees.

Sec. 1102 Reasons for Appointing:

- A. Extra Help Employees - The purpose for employing extra help employees is to cover peak workloads, emergency extra workloads of limited duration, necessary vacation relief and other situations which involve a fluctuating staff.
- B. Intermittent - The purpose for employing intermittent employees is where the workload requires periodic and fluctuating augmentation on a regular basis, yet does not warrant a full-time employee or cannot be handled by additional regular employees.
- C. Fixed Term Employees - The purpose of employing fixed term employees is to fill positions of a project of limited term as designated by the Director-Human Resources or ordinance of the Board of Supervisors.

Sec. 1103 Limitations:

- A. Extra Help Employment - No extra help employee may be employed unless the Director-Human Resources finds that the conditions set forth in Section 1102(A) are present. No extra help employee may be employed to fill a classified position for more than thirty (30) working days other than provided for in Section 1105, if there are at least three (3) persons eligible to be certified by the Director-Human Resources for that vacancy. No person shall be employed as an extra help employee for any purpose for more than 720 hours in any one fiscal year. The Director-Human Resources may grant special authorization upon extenuating circumstances to extend extra help employment periods after receiving written justification from the appointing authority. Such special authorization shall be in writing to the appointing authority and copies shall be sent to the Auditor-Controller and any appropriate employee organization. The Auditor-Controller shall not authorize payment to any extra help employee over 720 hours without such special authorization from the Director-Human Resources. Whenever it is determined that the extra help employee does not meet the same qualifications required for regular classified employees, he shall be terminated from County employment.

- B. Intermittent Employment - No intermittent employee shall be hired unless the Director-Human Resources finds that the conditions set forth in Section 11-2 (B) are present. No intermittent employee may be employed to fill a classified position for more than thirty (30) working days other than provided for in Section 1105, if there are at least three (3) persons eligible to be certified by the Director-Human Resources for that vacancy. No person shall be employed as an intermittent employee for any purpose for more than 1664 hours in any one fiscal year. The Director-Human Resources may grant special authorization to extend intermittent employment periods upon receiving written justification from the appointing authority. Such special authorization shall be in writing to the appointing authority and copies shall be sent to the Auditor-Controller and any appropriate employee organization. The Auditor-Controller shall not authorize payment to any intermittent employee in excess of the periods specified herein without such special authorization from the Director-Human Resources.
- C. Fixed Term Appointments - No fixed term appointments shall be made to regular positions in the classified services.

Sec. 1104 Classification of Extra Help Employees: A department or agency head may employ these employees in any classification authorized by the Director-Human Resources within the department or agency budget for such help.

Sec. 1105 Student Workers: Student workers are extra help employees but may be employed for more than ninety (90) days in any fiscal year.

Sec. 1106 Merit Increases: Extra help employees are not eligible for merit increases. Intermittent employees are eligible for merit increases on a prorated basis as range structure permits. This eligibility is at the discretion of the appointing authority and is not regarded as a right of the employee. Fixed term employees are eligible for merit increases.

Sec. 1107 Salary and Benefits:

- A. Extra Help - Extra help employees shall be compensated at the minimum of the salary range or otherwise as approved by the Director-Human Resources, and such compensation shall be considered as full compensation covering the value of vacation, sick leave, holidays and other benefits afforded regular employees.
- B. Intermittent - Intermittent employees shall be compensated at an appropriate step of the salary range and such compensation shall be considered as full compensation covering the value of vacation, sick leave, holidays, and other benefits afforded regular employees.

Intermittent employees designated as “hospital employees” by the Director-Health Care Agency (according to the SEIU Memorandum of Agreement, Article 6, Section 601, and Article 11, Section 1104) will be eligible for overtime and night shift differential pay.

- C. Fixed Term - Except as otherwise provided in these articles, fixed term employees shall be treated as regular County employees.

Sec. 1108 Special Consideration/Intermittent Only:

- A. Intermittent employees shall be selected from an established eligible list, and be subject to the same selection criteria as regular employees.
- B. Employees working in intermittent positions, if certified to the department and employed off a regular eligible list, shall not be required to re-compete or be re-certified to transfer to regular status.
- C. Every intermittent employee shall be required to serve and pass a probationary period of 1040 hours. Upon successful completion of 1040 hours, he/she shall be eligible for compensation at an hourly rate above the first step and shall be dismissed only for cause, as specified in Ventura County Ordinance, Code Section 1234-1.4.13.1, during the period prior to the 1664 hours per year limitation or authorized extension. Such an intermittent employee shall have the right to a hearing to contest his/her dismissal in accordance with the procedure set forth in Section 2326 of these rules.
- D. Nothing contained herein shall be construed to grant regular or civil service status to any intermittent employee, nor shall it be construed to be any guarantee of assigned work hours.

Sec. 1109 Special Considerations/Expiration of Fixed Term Appointment: All appointments to Fixed Term positions shall expire at the end of the term designated at time of appointment; persons so separated from the service shall not be eligible for re-employment and/or reinstatement as defined in these rules, but shall be eligible for appointment to regular positions (i.e., certified to the departments).

Sec. 1110 Benefits that have been paid to extra help employees, other than those stated in Section 1107, shall cease as of September 9, 1984.

**DISASTER/EXTREME EMERGENCY OVERTIME PAY (EOP) PROGRAM
GUIDELINES FOR CNA PER DIEM CLASSIFICATIONS – HEALTH CARE AGENCY**

Introduction:

This agreement is reached in an effort to develop a program in which per diem registered nurses represented by the CNA can voluntarily work extra hours as needed to reduce the utilization of outside agencies and be responsive to registered nurse staffing needs during a state of disaster or extreme emergency. To address potential workforce implications resulting from a natural disaster (as defined by Sec. 1804 of the County Personnel Rules and Regulations) and to ensure the continuity of County operations, the Health Care Agency (HCA) Director may activate the “Emergency Overtime Pay” (EOP) Program as follows:

Activation:

The EOP Program may be activated when:

1. A declaration of a “Local Health Emergency” is issued by the County of Ventura Health Officer; and/or
2. A proclamation is made by the Ventura County Medical Center Chief Executive Officer initiating the Hospital Incident Command System pursuant to the HCA Emergency Management Plan.

The establishment of the EOP Program is not intended as a guarantee of work.

Employees will accept both the unit and patient care assignments, based on their competencies, preferences and availability. Any employee working a shift that pays EOP and where the assignment accepted is in a work area other than that which the employee is usually assigned will not serve as the Resource/Charge Nurse for that work unit.

EOP Rates of Pay:

EOP is an increased overtime rate applied to hours that exceed 40 in a designated work week. The EOP rate of pay structure is as follows:

Overtime EOP hours: Any hours worked that exceed 40 hours in a workweek are paid at the rate of 2.5 times the total of the employee’s straight time base hourly rate plus any applicable evening and night shift differentials exclusive of any other premiums. For example, a nurse making \$20/hour who works more than 40 hours in a workweek is paid \$50/hour for the hours above 40 in the workweek.

The EOP rate is intended for emergency overtime work only and is not considered as the rate of pay for usual overtime hours.

Overpayments: Should an overpayment of EOP occur, the employee shall be informed of the circumstances of the overpayment. A nurse representative may review the

documentation explaining the overpayment with the employee and his/her supervisor/manager. CNA agrees that it will support the County's efforts to collect any EOP overpayment.

Deactivation:

At any time the HCA Director may deactivate application of the EOP Program.

NEW HIRE BONUS

To promote the timely recruitment of highly qualified nurses to address the nurse shortage, the County proposes to establish a “New Hire” bonus on a trial basis for one year from the date of Board of Supervisors adoption of this amendment to the MOA.

Nurses who are newly hired in a below specified job classification shall receive a one-time “New Hire” bonus of one thousand dollars \$1,000.00. To be eligible, the nurse’s start date must occur between the date of adoption of this amendment to the MOA by the Board of Supervisors and one year from the date of such adoption. The bonus will be paid in one lump sum with the nurse’s first regular paycheck and is subject to state and federal taxes.

Per Diem Registered Nurse III	00537

For purposes of this provision, “newly hired” means the nurse was appointed from an open competitive recruitment and may not have been previously employed by the Ventura County Health Care Agency within the preceding 12 months.

The nurse must maintain employment within the Ventura County Health Care Agency and in a CNA-represented classification (per diem or regular unit) for a minimum of twelve (12) consecutive months from the date of hire while working an average of twenty-four (24) hours per bi-weekly pay period during that time. If the nurse is unable to satisfy these requirements, the employee is responsible for re-payment of the New Hire bonus. To be eligible for the New Hire bonus the employee must sign a written agreement, acknowledging and agreeing to the repayment stipulations.

INTER-CAMPUS DRIFT AGREEMENT

In pursuit of full integration and recognition of the Ventura County Medical Center and the Santa Paula Hospital as one comprehensive hospital system providing access to high quality health care to residents throughout Ventura County, the parties agree to establish and recognize an “Inter-Campus Drift Incentive Program” as defined below. The goal of the Inter-campus Drift Program is to grow the number of nurses drifting between the two campuses by providing training and orientation, and to establish an inter-campus incentive payment.

Participation in the Inter-Campus Drift Program is voluntary on a first-come, first-served basis and nurses will be drifted on a rotational basis.

To be eligible for the incentive contained in subsection 2 of this provision a nurse must first complete the Inter-Campus Training and Orientation Program.

1. Inter-Campus Training and Orientation Program

- A. Orientation Program: The purpose is to orient and train nurses on the differences between the two campuses in order to deliver high quality care when drifting between campuses. Nurses who drift shall first complete the Orientation Program for the campus to which they will float (“host” facility). The training and orientation for either campus will include:
 - i. Workflow and processes
 - ii. Equipment and supplies
 - iii. Forms
 - iv. General facility layout and infrastructure
- B. Shadow a Nurse Program: A nurse who drifts shall complete a minimum of two (2) but no more than four (4), 12-hour “shadow” shifts at the host facility. The “shadowing” nurse shall be paired with a “mentor” nurse at the host facility. The shadowing nurse shall not be assigned patients (will be out of ratio) and will be eligible for “Inter-Campus Hourly Drift Nurse” premium for the duration of each shadow shift.
- C. Exemptions: The Chief Nurse Executive, or designee, may exempt a nurse from completing the Inter-Campus Training and Orientation Program (A and B above) based on a nurse’s prior nursing experience within the host facility and demonstrated competencies of that facility’s workflow and processes, equipment and supplies, forms and general facility layout and infrastructure.

Exhibit E

2. Inter-Campus Hourly Drift Premium: Effective the first full pay period of adoption of this Agreement by the Board of Supervisors and as designated by the Chief Nurse Executive, or designee, a nurse who drifts from his/her home campus will be paid a premium of seven dollars and fifty cents (\$7.50) per hour for all hours worked in a campus other than their home campus. This provision does not apply to a nurse who is working in another campus on an In-House Registry shift.
3. Float Policy / Article 34 of the existing MOA shall apply to Inter-campus floating which defines the floating clusters.
