Home > ERF Fiscal Data Dashboard

The Encampment Resolution Fund (ERF) Fiscal Data Dashboard below reflects the fiscal progress of grantees on their ERF awards. Each grantee must submit quarterly reports that require them to self-report total obligations and expenditures against their ERF awards. These reports are cumulative and represent all fiscal activity within each round of ERF. Additionally, grantees are asked to break out their obligations and expenditures based on eligible uses that are detailed in statute. Learn more about [ERF requirements](#).
