[REDACTED] -

I was hoping you could provide some statistics for our report. I may be coming back to you for some fact checking in the future, but here is what I am hoping you can provide now:

1. 2025 total number of fire calls
2. 2025 total number of EMS calls
3. Any other categories you track for 2025
4. Same as above for 3 years (2023 – 2025)

Thank you very much.
