BUDGET UNIT DESCRIPTION:

The Board of Supervisors is the governing body for the County of Ventura. The Board has five members, each elected from one of the five supervisorial districts in the County for a term of office of four years. In exercising the powers of County government, the Board acts primarily in a legislative capacity. Specific legislative responsibilities include adoption of the annual County financial program, establishment of appropriation levels for all County agencies and departments, appointment of some non-elected officers, and the establishment of salaries for all County officials and employees. The Board is the guardian of the revenues, the property interests, and the rights of the County of Ventura. In addition, the Board has certain discretionary powers, such as the granting or denying of claims made against the County, and executive powers that enable it to fix and supervise the policies and operations of the County. The Board serves as the governing body for a number of special districts, including the Fire Protection District, Watershed Protection District, Waterworks Districts, and County Service Areas. The Board also serves as the municipal government for the unincorporated areas of the County.

BUDGET UNIT DESCRIPTION:

In June 2011, Assembly Bill x1 26 (AB x1 26) was enacted by the State Legislature. This bill dissolved all California Redevelopment Agencies (RDA's) effective January 31, 2012 (as extended by California Supreme Court ruling California Redevelopment Assn. v. Matosantos (S194861) (2011)). The County had one RDA consisting of the Piru Area Redevelopment Project Plan, originally created in May 1995 in response to the damage caused by the 1994 Northridge Earthquake. Included within the RDA was the Low and Moderate Income Housing Fund, from which the Piru Housing Conservation Program was administered. This Program aims at increasing and improving the supply of affordable housing while preserving the character of the community. On January 24, 2012, the County elected to retain the housing assets, functions, and powers previously performed by the Piru RDA pursuant to Health and Safety Code Section 34176(a). As allowed for by the Code, the Piru Housing Conservation Program will continue to be operated within this budget unit.

BUDGET UNIT DESCRIPTION:

The Treasurer-Tax Collector's Office is responsible for the administration and management of three functions: tax collections of assorted county and local taxes, management of the County treasury, and investment of the County investment pool. The Tax Collection Division is responsible for the billing, collection and accounting for all personal and real property taxes levied in the County. Further, it collects taxes on mobile homes, business license fees in the unincorporated area, franchise tax, transient occupancy tax, racehorse tax, and various other taxes and special assessments. The Tax Collector is responsible for conducting public auctions and sealed bid sales on tax-defaulted properties. The Tax Collector's programs are all mandated by the Revenue and Taxation Code, Government Code and County Ordinance. The Treasury Management Division is the depository for County, school district and special district funds. All banking functions are handled in Treasury, which is equivalent to a small business bank processing over \$5.0 billion annually. All banking functions, including processing of deposits, payment of County checks and investment of funds, are handled by the Treasury Management Division. This division monitors balances, deposits, and transfers. It approves payment methods, participates in bond issuances by the County and school districts, provides a cash window for public needs, and manages the vault spaces used by other County agencies/departments. The Treasurer-Tax Collector manages a \$2.0+ billion local agency investment fund portfolio. Funds are invested to provide maximum safety while achieving the highest possible rate of return. The Treasurer works with other County officials in the implementation and administration of various financing programs.

BUDGET UNIT DESCRIPTION:

The Civil Service Commission Board of Review and Appeals (Commission) is composed of five County residents appointed to four-year terms of office by the Board of Supervisors. Commissioners may be re-appointed for additional four-year terms at the pleasure of the Board. One regular, part-time employee (Commission Assistant) provides staff support to the Commission. The office of County Counsel advises the Commission at its regular meetings and in some contested hearings. The Commission also has contracts with two private attorneys who serve as "conflict law advisors" when County Counsel represents a County agency, department, or independent district, such as the Fire Protection District, appearing before the Commission in a contested disciplinary appeal.

The Commission is an independent, quasi-judicial body with both express and implied powers. Its duties and responsibilities are set forth in the County's Civil Service Ordinance and the County's Personnel Rules and Regulations. Subject to the terms of the Ordinance, Rules and Regulations, and certain other Board adopted resolutions and memoranda of understanding (union agreements), the Commission has the obligation and authority to:

- 1) Hear appeals of disciplinary actions resulting in a permanent employee's termination, demotion, suspension, or reduction in pay as well as in certain non-disciplinary actions involving voluntary terminations and involuntary resignations;
- 2) Hold hearings regarding allegations of discrimination in employment based on race, color, religion, national origin, sex, age, or functional limitation as defined by State or Federal law;
- 3) Consider amendments to the Personnel Rules and Regulations and make recommendations to the Board of Supervisors concerning any proposed changes;
- 4) Review protests regarding bargaining unit determinations and decide whether the determination should be sustained, modified, reversed or returned to the Human Resources Director for appropriate action;
- 5) Conduct an investigation to determine whether an agency or department has violated Article 20 of the Personnel Rules and Regulations (or any rule or regulation issued pursuant to Article 20) when requested by the County, an employee organization, or an employee; and
- 6) Conduct general investigations concerning the administration of the civil service system and review any aspect of the system.

BUDGET UNIT DESCRIPTION:

The Grand Jury is a statutorily required and empowered representative body consisting of 19 citizens selected annually by the Superior Court to serve during the County's fiscal year. Historically, the Grand Jury has provided the dual functions of: 1) Hearing criminal matters presented and returning indictments thereon, thus requiring defendants to answer to criminal charges in the Superior Court; and 2) Investigating and reporting as to the fiscal condition, management and operations of County departments and other agencies of local government. In FY 2002-03, separate Grand Juries were appointed to review criminal matters and return indictments on an as-needed basis. In FY 2003-04, separate budget units were established for the Civil (Unit 2001) and Criminal (Unit 2003) Grand Juries. Since FY 2009-10 separate Grand Juries continue to be impaneled on an as-needed basis for criminal matters.

BUDGET UNIT DESCRIPTION:

Indigent Legal Services funds legal services to indigents in cases in which the Public Defender has a conflict of interest or is unable to act. This includes costs for the indigent defense contract with Conflict Defense Associates (CDA) as well as ancillary costs for criminal appeals, investigations, and other indigent services. The State Penal Code authorizes the Superior Court (Court) to contract with attorneys for such representation, but the amount of compensation and expenses is subject to funding approval by the Board of Supervisors. The Court contracts with CDA to represent indigents when the Public Defender has declared a conflict with a case. As a result of Trial Court Funding legislation, the County is also responsible for contract budget administration. When CDA has a conflict or reaches its maximum of seven defendants in a multiple defendant trial, the Court appoints a private attorney for representation whose costs are reviewed and paid by this budget unit. Costs for any other attorney appointments (e.g., civil paternity and family support, etc.) are also included.

BUDGET UNIT DESCRIPTION:

The Probation Agency's mission is to promote community safety through graduated sanctions that balance services to the victim, offender, and community. A risk and needs assessment is conducted to accurately determine the extent of intervention necessary to effect positive change in youth, adults, and families under the Agency's jurisdiction.

As such, the Probation Agency coordinates and provides mandated countywide services to offenders and victims referred by community-based organizations, schools, law enforcement, and the courts. These public safety services are delivered through the Agency's Probation Services, Juvenile Institution Services, and Alternative Custody Programs, and in conjunction with our community, criminal justice, and social services partners.

BUDGET UNIT DESCRIPTION:

The California Regional Water Quality Control Board, Los Angeles Region (RWQCB) issued a National Pollutant Discharge Elimination System Permit (Permit) to the Ventura County Watershed Protection District (District), the County of Ventura (County), and the ten cities governing discharges of stormwater and urban runoff from municipal separate storm sewer systems (MS4s) into the receiving waters of the Ventura River, Santa Clara River, Calleguas Creek, Malibu Creek, and coastal watersheds within Ventura County.

The County implements various activities relating to the control of stormwater pollution in accordance with the Permit requirements. These activities include inspecting business facilities, investigating reports of illicit discharges, evaluating public infrastructure operations and maintenance procedures, conditioning proposed land development activity with surface water quality conditions, implementing construction site controls, and performing public outreach activities in the unincorporated areas of Ventura County.

In addition, the County is named as a Responsible Party in about fifteen Total Maximum Daily Loads (TMDLs) for various pollutants in Ventura County watersheds. All TMDLs require water quality monitoring and reporting, which the County and other TMDL Responsible Parties have been conducting together under numerous Memoranda of Agreement (MOAs). The TMDLs for certain pollutants such as bacteria, algae, and trash are under an implementation schedule.

The State Water Resources Control Board adopted new statewide Trash Amendments to require new trash controls within defined Priority Land Uses. County Stormwater Program has been in the process of developing compliance strategy in unincorporated areas due February 2019 and required for implementation once RWQCB approves the proposed strategy.

BUDGET UNIT DESCRIPTION:

The main function of Building and Safety (B&S) is to protect the public by ensuring that new buildings and structures are designed and constructed so that they are safe to occupy. This is done by enforcing State and local construction regulations through the Building Permit process, which follows the provisions of the California Code of Regulations (Title 24) and Ventura County Building Code.

B&S engineers review construction drawings and engineering calculations to ensure buildings are designed in accordance with accepted architectural and engineering design standards for earthquake safety and fire safety. B&S inspectors verify compliance with these standards by inspecting projects during construction. All structural, electrical, plumbing, and mechanical systems and components of a building are reviewed and inspected as required by law.

B&S engineers and inspectors also verify that buildings are designed and constructed so that they are energy-efficient and efficient with the use of water and other resources.

The Division also ensures that non-residential buildings are designed and built to be accessible for disabled persons, consistent with the Americans with Disabilities Act (ADA).

Building and Safety coordinates with other Departments and Agencies to ensure that all applicable project requirements and conditions are followed and verified prior to issuance of a building permit. The Division certifies buildings upon completion and approves them for connection or utilities and occupancy when all requirements are met.

The Division also performs Post-Disaster building damage and safety assessments to determine the extent of building damage and safe re-occupancy following an earthquake or fire.

Building and Safety activities are funded by fee revenue collected for plan check, permit issuance, and inspection services. Revenue is dependent on local construction activity. Demand for Building and Safety services fluctuates with the economy.

BUDGET UNIT DESCRIPTION:

This budget unit is currently staffed by the Harbor Department. The purpose of the Fish & Wildlife Fund is to enhance the propagation, protection, and utilization of wildlife within Ventura County through projects financed by fines collected from violators of Fish and Wildlife regulations. Projects that can be funded are restricted by State regulation. Under Fish & Game Code Section 13103(j), up to \$10,000 is allowed for administrative costs for this fund. Recommendations regarding the award of funds are made by the Board-appointed Fish and Game Commission. Ventura County remains one of a few California counties with a Fish & Game Commission. In October 2010, the Board of Supervisors approved a new policy regarding the Fish & Game Commission due to the extremely low fund balances and lack of anticipated revenue. Under this Board policy, the funding is first allocated to the Harbor Department for fund administration expenses with a contribution up to \$45,000 to the District Attorney for vertical prosecution. The next \$15,000 would be reserved for grants based on recommendations by the Commission. If \$55,000 or less is available, no Fish & Game Commission meeting will be held in FY 2019-20, as has been the case since 2010.

BUDGET UNIT DESCRIPTION:

The Mental Health System of Care is a service delivery system that provides a full array of services and support that promote the wellness and recovery of individuals with serious mental illness and youth with serious emotional disturbance. Services include: assessment; psychological evaluation; medication management; individual, group and family therapy; case management; residential treatment; social support; and housing assistance. Services are client and family centered and delivered in the least restrictive setting most consistent with the recovery model. Integrated service system goals include: (1) provide quality, culturally competent care that averts disability, and (2) optimize the quality of life and capabilities of the people served. Quality of life goals include: maximizing the potential for independent living, achieving stability in an appropriate residential environment, and maintaining meaningful social activities and employment. For children and youth, quality of life goals include maintaining family unity, achieving stable placement in a foster care home when appropriate, and ensuring attendance and progress in school, while developing age-appropriate, pro-social behavior.

BUDGET UNIT DESCRIPTION:

The Driving Under the Influence (DUI) Program is a division under Behavioral Health Alcohol and Drug Programs that includes education and treatment services for first-time and subsequent offenders convicted of driving under the influence. First Conviction Program and Multiple Conviction Program are administered by the regulatory requirements of Title 9, California Code of Regulations and authorized under the specified statutes of the Health and Safety Code. These prescribe the scope of program activities, duration of programs and reporting requirements. Program activities, such as individual and group counseling, case management and substance abuse education, are the primary intervention strategies utilized under the program. The goal of the DUI Program is to reduce future DUI incidents. DUI works closely with the Courts, Probation Agency, District Attorney and Parole regarding this high-risk population. Program services are provided through County-operated centers located in Oxnard, Thousand Oaks, Simi Valley, Ventura, and Fillmore.

BUDGET UNIT DESCRIPTION:

The Human Services Agency's mission is to strengthen families, promote self-sufficiency, and support safety, health, and well-being. The Agency's budget is the consolidation of programs and activities designed to provide necessary social and employment services and assistance to those in need. The Agency seeks to fulfill its mission as it administers a wide range of mandated and non-mandated federal, state, and county programs in accordance with all applicable regulations.

This budget unit includes the roll-up of costs to administer the programs and services of the Program Operations Budget Unit as follows:

ADMINISTRATION: Provides administrative support to the eligibility, social services, and employment services divisions of the agency and coordinates to maximize federal, state, and county resources. Includes general administration, fiscal services, human resources, information technology, strategy management, contract and facility management, and staff development.

ADULT & FAMILY SERVICES: Provides two types of programs: Adults' Programs and Employment and Support Services Programs. Adult Service Programs provide direct services and outreach in collaboration and consultation with internal and external partners that assist vulnerable populations in the county: dependent adults, elderly, disabled children and adults, incapacitated adults, veterans and homeless persons. Mandated services include In-Home Supportive Services; Public Authority and the Public Administrator/Public Guardian. Homeless Services, RAIN Transitional Living Center, and the Homeless Management Information System Administration, although not mandated, are a vital part of the county's efforts to end homelessness and work to restore individuals and families to their highest level of functioning. Adult Protective Services is a voluntary safety net program that investigates allegations of elder/dependent abuse and neglect and works with community and partner agencies to eliminate or reduce the risk and harm. Veteran Services serves as a local access point for Veterans and their families to access the benefits they rightfully earned due to their service to our country.

CHILDREN & FAMILY SERVICES: Provides protective services to abused and neglected children, licensing of foster homes, and adoption services. Services include emergency response investigations, time-limited family maintenance services, time-limited family reunification services to children in out-of-home care, and permanent placement and adoption services for children in long-term care. Independent Living Program services are offered to youth ages 16-21 who are in out-of-home care after their sixteenth birthday to teach skills necessary for successful emancipation. As of January 1, 2012, Extended Foster Care services are available to emerging adults between the ages of 18 and 21 who meet certain criteria.

COMMUNITY SERVICES: Provides eligibility determination and ongoing case management services for families and individuals for Medi-Cal (Including Medi-Cal eligible CalHEERs clients), and CalFresh. Provides initial eligibility determination for CalWORKS and General Relief, as well as hearings/appeals services.

EMPLOYMENT AND SUPPORT SERVICES: Provides ongoing case management services for the Workforce Innovation and Opportunity Act (WIOA) enrollees and for families and individuals under the CalWORKS and General Relief programs. Case management services are provided with a whole person, employment services focused approach with the goal of moving clients towards long-term stability and employment.

BUDGET UNIT DESCRIPTION:

In July 2014, the Workforce Innovation and Opportunity Act (WIOA) replaced the Workforce Investment Act of 1998. It reformed and redefined federal job training programs, adult education, literacy, and vocational rehabilitation. This legislation allows local Workforce Development Boards the authority and flexibility to establish policies and determine budgets that will assist employers in training and developing the local workforce through the mandated One-Stop delivery system.

In Ventura County, the Ventura County Board of Supervisors is the fiscal agent and grant recipient, and the Workforce Development Board of Ventura County (WDB) is responsible for the local administration of WIOA. In accordance with WIOA requirements, the Board of Supervisors (BOS) appoints 19-45 community leaders to the WDB to provide oversight of revenues and service delivery. By law, the WDB consists of a majority of business sector representatives, plus mandated members representing organized labor, economic development, education, government, and community development.

Under the Memorandum of Understanding between the WDB and the Board of Supervisors, the WDB directs the activities of the WDB Executive Director in carrying out the policies and priorities of the WDB. The WDB Executive Director and WDB Administration staff work closely with One-Stop system partners to provide programs and services that are in alignment with workforce development needs in Ventura County.

The One-Stop system in Ventura County is comprised of the collective activities of the local America's Job Center of California (AJCC) locations, AJCC partners, and other program and service providers engaged in WIOA business. The WIOA One-Stop integrated customer-focused-service delivery at the Oxnard AJCC and Affiliate Simi Valley AJCC is maintained by the Ventura County Human Services Agency – Adult and Family Services-WIOA Department (AFS) the Employment Development Department (EDD), and Center for Employment Training (CET) consortium.

BUDGET UNIT DESCRIPTION:

The University of California Cooperative Extension Ventura County (UCCE, historically known in Ventura County as the "Farm Advisor") is a collaboration between the University, the U.S. Department of Agriculture, and the County of Ventura.

UCCE Ventura County maintains academic staff that collaborates with researchers from the UC system and other institutions to address agricultural, environmental, and urban issues within the County. UCCE supports the 2 billion dollar agricultural industry through innovative research. UCCE Advisors develop integrated pest management strategies and provide UC research-based pest information to growers, gardeners, farmers and others to help control pests effectively while minimizing pesticide applications and use of non-toxic biological controls. UCCE Advisors conduct targeted research on protection of topsoil and optimization of soil minerals as well as effective irrigation via drip, mulching and fighting soil borne fungi that are pathogenic to crops. Advisors help growers optimize water and fertilizer application that enables growth of the highest quality produce possible while conserving resources. UCCE's Natural Resources Management Program conducts research and education to support the sound management of these resources, providing information and training on the conservation of management of wildlands and watersheds. In September 2017, UCCE Ventura County added a Livestock and Range Advisor. This Advisor was instrumental in coordinating efforts to help ranchers and farmers greatly affected by the Thomas Fire including establishing an emergency hay program with Ventura County Animal Services (a first for our state reported by the California Office of Emergency Services) and organizing one-on-one appointments so that producers could meet with the Farm Service Agency (FSA) and the Natural Resource Conservation Service (NRCS) who provide insurance and cost-share support to agriculturalists. Additional work will be done on post fire recovery.

UCCE has two major community education and outreach programs – Master Gardeners and 4-H. Master Gardener Volunteers educate thousands of home gardeners through classes, community events and their Helpline providing information on water efficient landscapes and managing invasive pests. The 4-H program uses experiential learning programs, incorporating STEM (Science, Technology, Engineering, Math) into projects where 4-H members gain tangible life skills.
