COUNTY OF VENTURA
DEPARTMENT BUDGET REPORT OF REVENUES AND EXPENDITURES
BUDGET AND ACTUAL ON A BUDGETARY BASIS
FOR THE YEAR ENDED JUNE 30, 2025

OVERVIEW:

The purpose of the Department Budget Report of Revenues and Expenditures – Budget and Actual on a Budgetary Basis, is to present budget comparison data for the governmental fund departments required to adopt a budget at the legal level of control for the County by the department/budget unit and object level. A separate document is allowed when the number of departments would make the Annual Comprehensive Financial Report (ACFR) cumbersome. A reference to the separate document is required in the footnotes to the financial statements. The comparison at the legal level of control is required by the Governmental Accounting Standards Board codification of Governmental Accounting and Financial Reporting Standards 2400.105 and 2400.121.

ACFR INFORMATION:

The data for the Department Budget Report of Revenues and Expenditures is related to the ACFR for the year ended June 30, 2025. Information from the ACFR related to these reports is presented on the following:

- a. Budgetary Comparison Schedule - General Fund
- b. Budgetary Comparison Schedule - Fire Protection District
- c. Note to Required Supplementary Information

DEPARTMENT SUMMARY AND DETAIL PAGES:

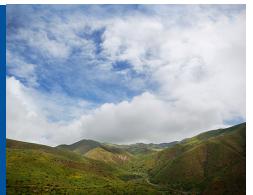

The department summary pages preceding each section of detail summarize the information from the detail pages for all governmental funds. The summary pages are consistent with revenues and expenditures reported on the required ACFR budgetary comparison schedules for the general and major special revenue funds - General Fund, and Fire Protection District Fund. The ACFR schedules are included for comparison purposes. Fund balances are calculated at the fund level only; therefore, individual department fund balances are not available. For consistency, all schedules in the Department Budget Report of Revenues and Expenditures are presented without fund balances.

The department detail pages are grouped by function within the General Fund and by fund group within special revenue funds, debt service funds, capital project funds and permanent fund, respectively. Reference to the Table of Contents of the Department Budget Report of Revenues and Expenditures will facilitate locating a particular department report.

COUNTY OF VENTURA
NOTE TO REQUIRED SUPPLEMENTARY INFORMATION
BUDGETARY INFORMATION
FOR THE FISCAL YEAR ENDED JUNE 30, 2025

Budgetary Adoption

The County is legally required to adopt a balanced annual budget for the General Fund, special revenue funds, the permanent fund, the debt service fund for County Service Area #34, and capital projects funds for the Santa Rosa Road Assessment District, Todd Road Jail Expansion, and Ventura County Integrated Justice Information System. The County adheres to provisions of the California Government Code Sections 29000 through 29144, known as The County Budget Act. Annually, the Board conducts a public hearing for discussion of the proposed budget. At the conclusion of the hearing, and no later than October 2, the Board adopts the final budget including revisions by resolution. A Final Budget book is published.

Budgetary Comparisons

GAAP requires a budgetary comparison for the major general and special revenue funds from the funds financial statements. The County has elected to present this information as Required Supplementary Information. Analysis of the General Fund budget is included in Management's Discussion and Analysis.

Required comparisons are between original budget and final budget and between final budget and actual on a budgetary basis. The "original budget" includes the original approved budget (published as the Final Budget) plus appropriations for prior year approved roll-over encumbrances. The "final budget" is the budget as Board approved at the end of the fiscal year. The "actual on a budgetary basis" includes the actual revenues and expenditures as presented in the budget and as adjusted for the fund financial statements.

The primary changes are as follows:

- For budgetary purposes, changes in the fair value of investments are not recognized as increases or decreases to revenue. Under GAAP such changes are recognized as increases or decreases to revenue.
- For budgetary purposes, the County agency fund amounts planned by departments for use during the fiscal year were recognized as revenue. Under GAAP, all County agency funds must be included within the related County fund as revenue, unearned revenue, unavailable revenue, or liability.
- For budgetary purposes, the Stormwater-Unincorporated fund and Nyeland Acres Community Center CFD are maintained as a special revenue fund. Under GAAP, this fund does not meet the criteria to be reported as a separate special revenue fund.

The following schedule is a reconciliation for major funds of the differences between fund balances on the actual on a budgetary basis and GAAP basis fund balances (in thousands):

	<u>General Fund</u>	<u>Fire Protection District</u>
Fund Balances - Actual on a budgetary basis	<u>\$ 1,046,327</u>	<u>\$ 195,628</u>
Adjustments:		
Change in fair value of investments	2,452	1,322
Change in county departmental funds	37,224	(3,852)
Change in Special Revenue Funds	(1,617)	-
Total adjustments	<u>38,059</u>	<u>(2,530)</u>
Fund Balances - GAAP basis	<u><u>\$ 1,084,386</u></u>	<u><u>\$ 193,098</u></u>

COUNTY OF VENTURA
NOTE TO REQUIRED SUPPLEMENTARY INFORMATION
BUDGETARY INFORMATION
FOR THE FISCAL YEAR ENDED JUNE 30, 2025
(Continued)

Supplemental Appropriations

The Board may approve supplemental appropriations during the year if revenues are received from unanticipated sources or from anticipated sources, but in excess of estimates thereof. Transfers of appropriations between budget units/departments must also be approved by the Board.

Supplemental appropriations for those funds which the County is legally required to adopt an annual budget approximated \$218,694,000 for the fiscal year ended June 30, 2025.

Level of Budgetary Control

County expenditures are controlled at the object level (salaries and benefits, services and supplies, other charges, and other financing uses) and sub-object level (capital assets) within budget units/departments for the County. The object level is the level at which expenditures may not legally exceed appropriations. Any transfer of appropriations between object levels within the same budget unit is delegated by the Board to the County Executive Officer.

The County is legally required to adopt an annual budget including over 90 budget units/departments in over 30 funds. Because of this large volume of detail, a separate Departmental Budget Report of Revenues and Expenditures – Budget and Actual on a Budgetary Basis has been prepared at the budget unit/department, function, and object level for those funds for which the County is legally required to adopt an annual budget. After approved year-end and post-closing adjustments, there are no departments exceeding appropriations at the object level. The budgetary document is available from the Auditor-Controller's Office, 800 South Victoria Avenue, Ventura, CA 93009-1540, or on the County website at: https://vcportal.venturacounty.gov/auditor/docs/financial-reports/FY25_BudgetToActual.pdf.

Encumbrances

The County requires use of an encumbrance system as an extension of normal budgetary accounting to assist all funds in controlling expenditures. Under this system, purchase orders, contracts, and other commitments for the expenditures of funds are recorded in order to reserve that portion of applicable appropriations. Encumbrances outstanding at year-end are included in restricted, committed or assigned fund balance in the governmental funds. Unencumbered appropriations lapse at year-end. Encumbered appropriations are carried forward in the ensuing year's budget.
